

The Order 521

Chapter: 521

If Chen Ping's parents are at home, Su Yuqi can't be too casual!

"Stop looking, my parents have gone back to their hometown and are not here!"

Chen Ping looked at Su Yuqi like that and smiled slightly.

"Huh..." Su Yuqi breathed a sigh of relief upon hearing this.

It's not that Chen Ping's parents are not easy to get along with, it's just that in front of the elders, Su Yuqi always has to be careful not to leave a bad impression on others!

"You are so brave, you dare to hang up on me!" Seeing that Chen Ping's parents were not at home, Su Yuqi let go of herself, stepped forward and tugged Chen Ping's ear.

"Ouch!" Chen Ping groaned and apologized hastily: "I was wrong, I was wrong, I will never hang up on you again."

Seeing Chen Ping admitting his mistake, Su Yuqi let go of her hand: "What do you want to give me?"

Chen Ping took out the jade pendant: "Wear this on your body. If something happens to you, I will know it immediately!"

Su Yuqi took the jade pendant, looked around, and said with surprise: "Why is it half? Where is the other half?"

"Fool, of course the other half is with me!" Chen Ping took out his other half, and then followed Su Yuqi's pair to form a complete jade pendant. When the two jade pendants were put together, it could be seen that A faint golden light kept flashing outward.

“You have a conscience!” Su Yuqi smiled, put the jade pendant on her body, and then continued: “Uncle and aunt are not at home, who will cook for you?”

“You, didn’t I call you here?” Chen Ping smiled mischievously.

Su Yuqi rolled her eyes at Chen Ping: “I don’t care about you, whether we are married or not, and I am not your girlfriend, so why should I cook for you!”

“You accepted my jade pendant. This is a token of our love. You are now my girlfriend. In addition, I asked you to take care of me. It was not me who said it, but my mother!”

After Chen Ping finished speaking, he showed Su Yuqi the letter from Tang Hongying!

When Su Yuqi read the last words about Tang Hongying saying she wanted to hold her grandson, her face turned red. Then she returned the letter to Chen Ping and said, “Since the aunt said it, I will take care of you here for a few days, but We have agreed that we will have one room per person and you can’t do bad things at night!”

“Don’t worry, do you think I am a bad person?” Chen Ping suddenly became happy when he saw Su Yuqi agreed to stay!

At this time, Chen Ping and Su Yuqi were together, and they were just a young man in love. It was obvious that he was a man who killed without blinking an eye and was decisive in killing.

In the evening, Chen Ping sat on the sofa and slowly absorbed the spiritual energy of heaven and earth. Although the spiritual energy was very thin, it was better than nothing. It was impossible to always have rare medicinal materials for him to practice!

Su Yuqi, on the other hand, was holding her mobile phone, searching and cooking at the same time. As the daughter of the richest man, Su Yuqi had never cooked by herself, but for Chen Ping, Su Yuqi still learned and cooked at the same time, with sweat on her forehead!

Seeing Su Yuqi busy in the kitchen, Chen Ping’s eyes were full of love!

At this moment, Chen Ping's cell phone suddenly rang.

Chen Ping picked up the phone and it was Gu Wentian calling!

Chapter: 522

"Mr. Chen, do you have time now? Pavilion Master Li from the Protector Pavilion in the provincial capital wants to see you!"

Gu Wentian asked carefully.

"Master of the Dharma Protector Pavilion? Why do you want to see me?"

Chen Ping frowned slightly.

"I don't know either. He is hosting a banquet at the Regal Hotel. I hope you can attend!"

Gu Wentian didn't know what Chen Ping was doing in the provincial capital. He was just passing the message on his behalf. He didn't know what he was doing specifically!

"Okay, I'll be there right away!"

Chen Ping nodded and hung up the phone!

After hanging up the phone, Chen Ping stood up and walked into the kitchen, telling Su Yuqi that there was no need to cook!

As soon as he walked into the kitchen, he saw a puff of black smoke rising. Chen Ping hurriedly stepped forward and took down the pot from the stove.

“Ah, what’s going on?”

Su Yuqi was a little overwhelmed when she saw the black smoke coming out of the pot!

Chen Ping opened it and found that the rice in the pot was all burnt, and it was a big black mess!

When Su Yuqi saw it, she looked at Chen Ping like a little girl who had done something wrong and said, “I, I forgot to add water!”

Chen Ping smiled: “Okay, let’s not cook anymore. We’re going out to eat. Someone’s treating us!”

“Who’s treating us?” Su Yuqi asked.

“The call from Gu Gu said that Mr. Li from the Protector Pavilion in the provincial capital is meeting me and hosting a banquet at the Regal Hotel!”

Chen Ping said truthfully.

“The Master of the Protector Pavilion is meeting you?” Su Yuqi frowned and suddenly opened her eyes: “Is it because you destroyed the Wei family in the provincial capital?”

When Su Yuqi said this, Chen Ping suddenly realized, then nodded and said: “It’s possible!”

After all, Chen Ping didn’t know the master of the Dharma Protector Pavilion. If he wanted to see him by name, there must be something going on.

“Then... let’s not go then!”

Worry flashed across Su Yuqi’s face!

“Don’t worry, it’s okay...”

Chapter: 523

Chen Ping comforted Su Yuqi.

At that time, Chen Ping had destroyed and thrown away the surveillance video camera in order to avoid unnecessary trouble in the future.

After changing their clothes, Chen Ping and Su Yuqi came to the Regal Hotel together. However, what surprised Chen Ping was that there were other people attending the banquet. Chen Ping was not the only one who was invited. It seemed that the other party was not for the Wei family. Come to him about anything!

Su Wenzong, Ling Zhenchuan and other big guys from Hongcheng are all here. Pavilion Master Li is from the provincial capital after all, so people like Hongcheng want to gain some connections!

After all, these people were all familiar with Chen Ping, and they greeted Chen Ping one after another, and Chen Ping returned the greetings one by one!

At this time, Gu Ling’er, who was in uniform in the corner, was paying attention to everyone’s every move. However, when Gu Ling’er saw Su Yuqi, his whole face was slightly startled!

She walked over quickly and said a little surprised: “Yu Qi, why are you here?”

“Ling’er, why are you here?” Su Yuqi looked at Gu Ling’er in surprise, and then looked at Gu Ling’er’s uniform: “Not bad, you have become an agent. You look so handsome in this clothes. !”

“I came here with our Pavilion Master Li!” After Gu Ling’er finished speaking, he looked at Chen Ping and asked Su Yuqi, “Who is he to you?”

Su Yuqi glanced at Chen Ping, then at the jade pendant on her body, and then said: “His name is Chen Ping, he is my boyfriend!”

Now that Chen Ping has sent a token of love, the two people have officially established their relationship, and Su Yuqi can introduce it to others like this.

“Chen Ping?” Gu Ling’er was stunned for a moment, then said in surprise: “He is your boyfriend?”

“Ah, what’s wrong?” Seeing Gu Ling’er like that, Su Yuqi asked doubtfully.

“Ling’er, this is Mr. Chen. You called me and asked about Mr. Chen. Now you can see him!”

At this moment, Gu Wentian came over and said with a smile on his face.

“Grandpa, why didn’t you follow me then? Is this Chen Ping Yu Qi’s boyfriend?”

Gu Ling’er frowned slightly, seeming to complain a bit.

“You didn’t even ask. Besides, Grandpa doesn’t know whether Miss Su and Mr. Chen have an established relationship, so you can’t let others gossip about it.

Gu Wentian looked helpless, and then asked strangely: “How did you meet Miss Su?” ”

“Grandpa, Yuqi and I are college classmates, of course we know each other!” Gu Ling’er replied.

At this time, Su Yuqi looked at Gu Ling’er with shock on her face: “Ling’er, Gu is actually your grandfather? Why didn’t I hear you mention it when I was in school?”

Gu Wentian used to be an official in the provincial capital. Anyone with such a grandfather would probably show off in school, but Su Yuqi had never heard Gu Ling’er mention it!

“I don’t want others to know my life experience. In addition, I just want to achieve something through my own efforts, not relying on family connections or help!”

Gu Linger explained.

Chapter: 524

“Ling’er is a child who is too strong and doesn’t want to rely on his family for anything...” Gu Wentian said with a bit of heartache in his tone.

Chen Ping glanced at Gu Ling’er twice, and he still admired Gu Ling’er a little. Nowadays, many young people live by chewing their elders. There are too few girls like Gu Ling’er.

“Grandpa, look, I’m living a pretty good life now that I don’t rely on my family. You don’t have to worry!”

Gu Ling’er said with a slight smile.

“Yes, it’s good now. Follow Mr. Li Ge well and strive to replace him in the future!” Gu Wentian smiled and said: “Okay, you young people, let’s chat. I’ll go say hello to others! ”

After Gu Wentian left, Chen Ping and the others found a place to sit down. Gu Ling’er always looked at Chen Ping, as if he had something to say, but never spoke!

“Yu Qi, come here!”

At this time, Su Wenzong waved to Su Yuqi not far away, as if asking Su Yuqi to come over and meet a few people!

Su Yuqi stood up and said apologetically to Gu Ling’er: “Ling’er, wait for me first, I’ll be back soon!”

“Well, you go ahead!” Gu Ling’er nodded!

Su Yuqi walked back, and only Chen Ping and Gu Ling’er were left. At this time, Chen Ping slowly said: “Miss Gu, if you want to ask anything, just ask it directly?”

Gu Ling'er was stunned for a moment, but she still asked: "Did you do what happened to the Wei family?"

"Yes!" Chen Ping replied happily without any concealment!

Chen Ping's cheerful admission was beyond Gu Ling'er's expectations, and Gu Ling'er suddenly didn't know what to say.

Seeing that Gu Ling'er didn't speak, Chen Ping continued: "You are holding such a banquet mainly for me, right?"

"Not bad!" Gu Ling'er nodded when she saw Chen Ping was so happy: "We want to take you back to the provincial capital."

Chen Ping glanced at all the people at the scene. There were no more than ten people in the Dharma Protector Pavilion, and they were all ordinary agents, not experts.

"With your skills, if I don't agree, can you take me back?"

Chen Ping smiled lightly, but there was no hostility in his tone.

Gu Ling'er was silent for a moment. She knew very well in her heart that it would be difficult for people like them to bring Chen Ping back if they could kill dozens of people in the Wei family!

"Whether it's possible or not, I still have to give it a try. This is my responsibility!"

Gu Linger said firmly.

Chen Ping smiled slightly, picked up a cup of tea and drank it slowly without talking!

"What are you two talking about?" At this time, Su Yuqi came back!

Chapter: 525

“Oh, there’s nothing to talk about!” Gu Ling’er said quickly.

It was obvious that Gu Ling’er didn’t want Su Yuqi to know about this!

“Chen Ping, Gu Gu asked you to come over. I happened to be following Ling’er to catch up on old times!”

Su Yuqi patted Chen Ping on the shoulder and said.

“Oh!” Chen Ping nodded, stood up, and looked at where Gu Wentian was!

At this time, Gu Wentian was sitting with a middle-aged man, two people at a table, and there was no one else on the table.

When Chen Ping walked over, Gu Wentian hurriedly introduced Chen Ping: “Mr. Chen, this is Li Shouyi, the master of the Provincial City Protector Pavilion!”

“Pavilion Master Li!” Chen Ping shouted politely!

Li Shouyi nodded and waved his hand to signal Chen Ping to sit down!

“Mr. Chen, Pavilion Master Li has been asking me about your situation for a long time just now, and he appreciates you very much!”

As soon as he sat down, Gu Wentian said with a smile.

Chen Ping raised the corner of his mouth slightly and sneered: “If you want to arrest me, you can come directly. It’s a waste to have such a grand scene!”

As soon as Chen Ping's words came out, Gu Wentian was stunned. Li Shouyi was also stunned. He didn't expect Chen Ping to know about it.

"Mr. Chen, what does this mean?"

Gu Wentian asked with a puzzled look on his face.

"I destroyed the Wei family, they are here to stand up for the Wei family!"

Chen Ping said calmly.

It seems that the destruction of the Wei family is just a trivial matter in Chen Ping's eyes!

"You really destroyed the Wei family?"

When Li Shouyi saw that Chen Ping actually admitted it directly, his face turned cold and he said.

"Yes, I killed him. If I knew there was still someone alive in the Wei family, I would kill him again!"

Chen Ping replied calmly.

"Since you admit it, this matter will be easier to handle. After this meal, then follow me obediently!"

Li Shouyi suddenly burst out with momentum, and Chen Ping was enveloped in it!

Chapter: 526

As the master of the Dharma Protector Pavilion, his strength is certainly not too bad!

Chen Ping sneered, his eyes full of disdain: "Is it just you guys?"

Suddenly, Chen Ping's body trembled slightly, and a majestic and surging momentum instantly overwhelmed Li Shouyi's momentum. The raging murderous intent rose up in Chen Ping. Li Shouyi felt the murderous intent in Chen Ping and became distracted. Trembling, face full of surprise!

"Mr. Chen, calm down!" Gu Wentian finally understood now and hurriedly persuaded Chen Ping. Then he looked at Li Shouyi and said, "Li Shouyi, if you are here to arrest Mr. Chen, then leave quickly. You simply can't take Mr. Chen away, and the Wei family has done bad things and should have died long ago!"

"Ancient..." Li Shouyi looked at Gu Wentian with a puzzled face.

Although he was the master of the Guardian Pavilion, Li Shouyi did not dare to be disrespectful to Gu Wentian, because he was the master of the pavilion who was promoted by Gu Wentian. Otherwise, how could Gu Ling'er, an agent, follow Li Shouyi all the time? Yi's side!

Gu Wentian began to follow Li Shouyi and told them about Wei Tao's kidnapping of Su Yuqi and Wei Kun'an's bringing people to Hongcheng to kill Chen Ping. As for what happened in Yuncheng, Gu Wentian didn't know, so he just didn't follow Li Shouyi.

After hearing this, Li Shouyi fell silent, and the atmosphere became a little awkward for a while.

Su Yuqi and Gu Ling'er on the other side were chatting happily.

"Yu Qi, how long have you known Chen Ping?"

Gu Ling'er suddenly asked Su Yuqi.

"Two months, it's not a long time!" Su Yuqi thought for a while and said.

"Two months? Are you boyfriend and girlfriend? Do you know anything about Chen Ping? Do you know who he is?"

Gu Linger became excited when she heard that Su Yuqi had only known Chen Ping for two months.

Seeing Gu Linger's sudden excitement, Su Yuqi said with a strange face: "What's wrong? Chen Ping is very good. I know him. I have met his parents."

"What do you know? He is a murderer, do you know? He destroyed the Wei family, his methods were too cruel..."

Gu Ling'er couldn't help but tell the truth, but when she said it, she regretted it. After all, it was not good for Su Yuqi to know about this kind of thing.

Originally, she thought Su Yuqi would be surprised when she found out, but unexpectedly Su Yuqi didn't show any surprise. Instead, she nodded and said, "I know, he did that all because of me!"

"For you?" Gu Linger's face was full of doubts.

Su Yuqi told Gu Ling'er everything she had experienced, including what happened in Yuncheng this time.

"This Wei Tao is worse than a beast, damn..."

After hearing this, Gu Ling'er was so angry that she punched the table hard!

"Ling'er, you...you came to Hongcheng this time to arrest Chen Ping, right?"

Su Yuqi suddenly reacted and asked Gu Ling'er.

Chapter: 527

"me....."

Gu Ling'er was speechless for a moment and didn't know how to answer Su Yuqi!

“Ling’er, if you are the one who arrested Chen Ping, then don’t blame me for not recognizing you as a classmate. Besides, it was Chen Ping who saved Gu’s life. You can’t repay kindness with enmity!”

Su Yuqi’s face began to look a little cold!

“What? Then Chen Ping saved my grandfather?”

Gu Ling’er suddenly exclaimed, she had never known about this before.

“Of course, if you don’t believe me, ask Gu Gu, but I don’t know the specifics!”

Su Yuqi only heard Chen Ping mention it occasionally, but Su Yuqi didn’t know what exactly happened!

Gu Ling’er’s heart stirred. If Chen Ping really saved her grandfather, how could she do anything to Chen Ping?

Gu Ling’er stood up and walked towards Gu Wentian, Su Yuqi hurriedly followed behind!

The arrival of Gu Ling’er and Su Yuqi broke the awkward atmosphere between Chen Ping and the others.

“Ling’er, what are you doing here?” Gu Wentian asked when he saw Gu Ling’er and Su Yuqi coming over.

“Grandpa, did Chen Ping save your life?”

Gu Linger asked directly.

“Of course, Mr. Chen not only saved me, he also saved Mayor Ling, and even hundreds of thousands of people in Hongcheng!”

Gu Wentian knew that Chen Ping helped Ling Zhenchuan get rid of the control of those Hong Kong businessmen, so he said this.

“Ancient, what on earth is going on?”

Li Shouyi was shocked and felt that Gu Wentian was talking too much. He also saved hundreds of thousands of people in Hongcheng?

“Let Mayor Ling tell you about this matter!” After Gu Wentian finished speaking, he sent for Ling Zhenchuan!

After Ling Zhenchuan arrived, he knew what Gu Wentian meant, so he told Chen Ping about helping him!

This made Li Shouyi and Gu Ling'er stunned for a moment. After all, no one could easily believe such a miraculous thing unless they saw it with their own eyes.

But they had to believe what Ling Zhenchuan said, after all, it was impossible for Ling Zhenchuan to lie.

After a long time, Li Shouyi sighed and said: “Gu, even if we don't arrest Chen Ping, the Jiang family will not let him go, and anyone who is involved with Chen Ping will probably suffer the same fate. Then Jiang Zhengzhong But whoever made the announcement wants to kill Chen Ping's whole family!”

As soon as Li Shouyi finished speaking, everyone fell silent. The Jiang family in the provincial capital was well-known far and wide. Everyone knew about the Jiang family. The head of the family, Jiang Zhengzhong, was the master of Nei Jin with extraordinary strength. Now Jiang Zhengzhong personally spoke out, I'm afraid this matter will be difficult to handle.

Chapter: 528

“Then can we go? Go far away, to a place where the Jiang family can't be found...”

Su Yuqi asked with worry on her face.

It seems that she has also heard of the Jiang family, and feels fear in her heart!

Li Shouyi shook his head: "It's not that easy. Although Jiang Zhengzhong gave us the Dharma Protector Pavilion for three days, I know that he has already sent people to guard every intersection in Hongcheng. He can't trust our Dharma Protector Pavilion!"

"What...what should we do?" Su Yuqi panicked!

Gu Wentian and Ling Zhenchuan both looked ugly. After all, Chen Ping had saved their lives, but now, they couldn't help at all. Even the Wei family could ignore them, let alone others. Speaking of the Jiang family, they are not even qualified to talk to the head of the Jiang family.

If Gu Wentian hadn't retreated yet, he might have been able to say a few words to the Jiang family, and he would have left long ago by now!

"I'll go to the provincial capital with you!" Chen Ping suddenly said.

Everyone looked at Chen Ping, and Su Yuqi said anxiously: "You can't go, I won't let you go, and you don't even know what the Jiang family is like!"

"Mr. Chen, the strength of the Jiang family is not comparable to that of the Wei family. The Wei family can show off its power in the provincial capital only because of the support of the Jiang family. The Wei family is a business family at best, and the Jiang family is a martial arts family. Then Jiang Zhengzhong's strength is unfathomable, and you can't go!"

Gu Wentian still knew the Jiang family relatively well, so he persuaded Chen Ping.

Chen Ping smiled lightly: "The Wei family has been destroyed. I don't mind destroying a Jiang family!"

"Young man, you are so crazy. Haven't you heard that a tree that is beautiful in the forest will be destroyed by the wind? The Jiang family has a foundation of hundreds of years. How can it be destroyed just by you?"

Li Shouyi's eyes flashed with disdain.

When he first heard that Chen Ping had rescued Gu Wentian and Ling Zhenchuan, Li Shouyi had some affection and admiration for Chen Ping!

But Chen Ping's words made him immediately disgusted, thinking that Chen Ping was too arrogant for his young age!

Chen Ping smiled coldly: "Whether we can destroy the Jiang family, time will tell!"

"Okay, let time prove it. Since you agreed to go back to the provincial capital with us, we will set off tomorrow. I can guarantee that no one will attack you on the way to the provincial capital!"

Li Shouyi was still in embarrassment originally. After all, Chen Ping had saved Gu Wentian and Ling Zhenchuan. Now that Chen Ping was acting as a hero, Li Shouyi no longer had to be in embarrassment.

"Okay!" Chen Ping nodded!

During this meal, Chen Ping ate easily, but Su Yuqi had no appetite and couldn't eat a mouthful of food. She tried to persuade Chen Ping many times, but she didn't say anything. She knew Chen Ping's temperament and what she had decided. , no one can talk about it.

After dinner, in order to prevent Chen Ping from escaping in the middle of the night, Li Shouyi asked Gu Ling'er to follow Chen Ping and Su Yuqi back home. Gu Ling'er was Su Yuqi's classmate and friend, so there was no inconvenience in living together, and it was only for one night. thing!

Back at Panlongshan Villa, Su Yuqi was not in a very good mood, and with Gu Ling'er's status, she didn't know how to persuade Su Yuqi. Neither of them spoke, and the atmosphere was a bit depressing!

Chen Ping made two cups of coffee and served them to Su Yuqi and Gu Ling'er. He looked as if nothing was wrong!

Chapter: 529

“Why are you so unhappy? It’s not like we’re about to part ways. Maybe I’ll be back in the provincial capital in a few days!”

Seeing Su Yuqi like that, Chen Ping smiled and said.

“Chen Ping, you really can’t listen to me once. We won’t go to the provincial capital. If it doesn’t work, we will stay in Hongcheng. If the Jiang family comes to Hongcheng to cause trouble, we can still fight. If you go to the provincial capital, then Isn’t it like a sheep entering a tiger’s mouth?”

Su Yuqi followed Chen Ping with a pleading look on her face.

“Do you think I can still stop going?”

Chen Ping smiled slightly and glanced at Gu Linger!

Su Yuqi also looked at Gu Ling’er. After all, Gu Ling’er was here to keep an eye on Chen Ping, to prevent Chen Ping from running away or hiding.

Feeling Su Yuqi’s gaze, Gu Ling’er felt a wave of embarrassment on her face. Holding the coffee brewed by Chen Ping in her hand, she bit her lip and said, “I...I’m a terrible sleeper. I won’t wake up if there is any movement at night!”

Gu Ling’er’s meaning was obvious. She was telling Chen Ping and Su Yuqi that they could escape while she was sleeping at night!

Seeing Gu Ling’er like that, Chen Ping suddenly smiled: “Miss Gu is telling me that I can escape at night, right?”

“I...I didn’t say that!” Gu Ling’er glared at Chen Ping fiercely, her eyes full of blame, blaming Chen Ping for saying it directly.

“Chen Ping, don’t talk nonsense, Ling’er didn’t say that!”

Su Yuqi also knew that Gu Ling'er was helping them, so she glared at Chen Ping and said.

"Hahaha..." Chen Ping suddenly laughed: "You two haven't seen each other for many years, so let's catch up on old times. You don't have to worry about my affairs. I haven't married such a beautiful wife yet, how could she die?!"

Chen Ping held Su Yuqi's chin with one hand and suddenly kissed Su Yuqi on the face!

Su Yuqi blushed immediately. Gu Ling'er was still there, and Chen Ping dared to kiss her.

"Chen Ping, you big bad guy....."

Su Yuqi pouted her lips angrily, but her heart was already filled with joy!

Gu Ling'er rolled her eyes helplessly. This bowl of dog food was a little caught off guard, but at this time, Chen Ping still had the mind to mess around. Gu Ling'er quite admired Chen Ping's mentality.

At this moment, suddenly a figure rushed into the villa in a hurry, and then walked anxiously to Chen Ping and said: "Mr. Chen, I heard that the people from the Provincial City Protector Pavilion want to take you to the provincial capital? You must not go. , I have gathered all the brothers, and thousands of brothers have blocked all intersections. If the people from the Dharma Protector Pavilion dare to take you away, I will prevent any of them from leaving Hongcheng!"

The person who came was Lin Tianhu. Because Lin Tianhu was injured, Chen Ping asked him to recuperate, so he didn't tell him about it, but he didn't know who actually informed Lin Tianhu!

Lin Tianhu's words made Gu Ling'er's face turn very ugly. Wasn't this a slap in the face of the Dharma Protector Pavilion in front of her?

But Gu Ling'er didn't dare to say anything. After all, Lin Tianhu's words about "thousands of brothers" scared her. If the other party really had thousands of people, then none of the dozen or so people from their Dharma Protector Pavilion would really want to go back. .

Chen Ping smiled lightly, patted Lin Tianhu on the shoulder and said: "Go back, I will go back to the provincial capital after a walk, and I will save someone from always thinking about my family!"

Chapter: 530

Lin Tianhu glanced at Su Yuqi and Gu Ling'er, and then pulled Chen Ping aside: "Palace Master, if you insist on going to the provincial capital, you can go to several gangs in the provincial capital. Maybe there is also our Tianlong Palace in the provincial capital. At the entrance of the hall!"

There is no connection between the thirteen halls of Tianlong Hall, so Lin Tianhu doesn't know where the other halls are, nor does he know the people in other halls, but the hall masters of other halls must know the Tianlong in Chen Ping's hand. According to the ring, as long as the provincial capital has the entrance of Tianlong Hall, it will be much more convenient for Chen Ping to have something to do when he arrives in the provincial capital.

"Okay, I'll go take a look when the time comes!" Chen Ping nodded: "You go back and rest. Although your injury is not serious, you still need to rest more. I will give it to you when I come back from the provincial capital. Refining a pill will improve your strength!"

"Thank you, Master!" Lin Tianhu said with a happy face: "If anything happens, please inform me at any time, and I will take my brothers to the provincial capital immediately!"

After sending Lin Tianhu away, Chen Ping looked at the Tianlong Ring in his hand and couldn't help but smile bitterly. This old dragon leader gave this thing to him without saying anything. Where could he find these halls on his own? But not every time you are as lucky as meeting Lin Tianhu.

Early the next morning, Chen Ping and Gu Ling'er set out. After following Li Shouyi for a round, in order to prevent the Jiang family from getting into trouble halfway, Li Shouyi asked Gu Ling'er and Chen Ping to dress up in disguise and go to the provincial capital!

And Li Shouyi himself led the people back in a swaggering manner, so that he could attract the attention of the Jiang family!

Gu Ling'er drove the car and took Chen Ping to the provincial capital without any danger. There was no danger on the way.

“Miss Gu, it’s already noon. Since we’re on your territory, you should do your best to treat me as a landlord and treat me to a meal!”

Chen Ping sat in the passenger seat and smiled at Gu Ling’er.

“You are about to die, and you still want to eat!”

Gu Linger said helplessly.

“Even if you die, you have to be a dead ghost. Everyone will die in a lifetime, it’s just sooner or later, why should you care so much!”

Chen Ping’s playful expression made Gu Ling’er’s tense mood relax a lot.

“Since you saved my grandfather’s life, I’ll treat you to a meal. However, we can’t go to a big hotel, so we can only eat snacks to avoid being discovered by the Jiang family!”

“No problem, just eat special snacks!” Chen Ping doesn’t have to choose, he can eat anything!

Gu Ling’er took Chen Ping to park the car in a parking lot, and then walked to a small alley. This small alley was filled with shops selling specialty snacks. Although the shops were not big, they all had their own characteristics. Features!

“I’ll take you to eat donkey meat roasted in the provincial capital. Your donkey meat roasted in Hongcheng is not authentic. When the time comes, I’ll add some sausages and braised vegetables to the roasted pork to ensure that it’s delicious!”

As soon as he entered the alley, Gu Ling’er excitedly followed Chen Ping’s introduction.

It seems that every girl is a foodie and will become very excited whenever she goes to a place like this!

When Chen Ping and Gu Ling'er had just taken a few steps, they were directly stopped by three strong men!

Chen Ping was stunned, looked at the three people, and found that he didn't know them at all.

"Are you Chen Ping?" A strong man with black hair on his chest asked Chen Ping.

Looking at the body shape and physique of this strong man, it is obvious that he has practiced hard Qigong.
