

The Order 5211

Chapter: 5211

Everyone could only see that the overwhelming darkness was pressing down, the whole world was shaking violently, and the entire void seemed to be trampled to pieces!

Facing King Li's terrifying and sharp blow, Chen Ping did not show any panic. His whole body instantly rose up from the ground and faced the hill-like King Li in front of him!

King Li's claw missed, and his eyes were fixed on Chen Ping. His whole body was radiating light, and black runes began to flow around his body!

Soon a huge ball of light appeared and bombarded Chen Ping!

"This King Li is really desperate, he even used the runes at the bottom of the box..."

When Yihe saw this, he couldn't help but frown slightly!

People of their level usually have their own life-saving methods. Although they don't understand the runes and spells, they can spend a lot of money to buy them!

And these runes have become a life-saving means for many people, and they will not be used unless absolutely necessary!

But now, King Li actually used the runes, which shows that he already attaches great importance to Chen Ping!

The true form of the Golden Dragon is enough for King Li to take seriously!

boom!

The ball of light exploded, the void trembled, and Chen Ping was directly sent high into the sky by the terrifying power of the explosion, as if he was thrown up.

Chen Ping's figure quickly disappeared and disappeared into the sky!

King Li looked up, and finally there was a smile on his lips!

But being forced into such a situation by a Fusion Realm monk is embarrassing enough!

"Chen Ping....."

Seeing that Chen Ping was blown away and even his shadow was gone, Gao Qilan and the others all shouted nervously!

Yi He and Ji Yun also frowned and looked high into the sky, but there was no trace of Chen Ping!

King Li, who was like a mountain, lowered his head to look at Yihe and said: "Ihe, surrender obediently, otherwise the entire Demon Imperial City will die."

Yihe looked at King Li coldly, his eyes full of determination and said: "I will not surrender. We, the people of Demon Imperial City, would rather die in battle than surrender."

After Yihe finished speaking, a raging aura began to erupt from his body, and his whole body continued to expand!

"Miss Gao, Miss Liu, I will hold Prince Li down in a moment, and you can take the airship and leave here quickly."

"Isa, you also leave. I will lead the soldiers of Demon Emperor City to delay your time."

Yihe knew that he was no match for King Li. All he could do was delay time and let others escape.

Chapter: 5212

“Dad, I won’t leave, I want to stay with you.”

Isa cried and shook her head!

“If you stay, you will definitely die, and you may also be humiliated. You must not stay.”

“You leave now, otherwise it will be too late...”

Yihe said with a serious face!

“Yihe, are you still dreaming about letting others escape? The entire Demon Imperial City is surrounded by me, who can escape?”

After King Li finished speaking, he raised his extremely huge foot and stepped on it hard!

Rumble.....

Like an earthquake, the entire Demon Imperial City shook. The defensive formation outside the Demon Imperial City instantly collapsed under King Li’s kick!

When Yihe saw this, his face became extremely ugly, but there was nothing he could do. King Li’s strength had exceeded his imagination!

The two of them are both at the fourth level of the Tribulation Realm. Although there is a gap, it is not particularly big.

But now, King Li has awakened his beast soul, and now the gap in strength between Yihe and King Li has widened!

Just when Yihe was at a loss, suddenly a stream of light seemed to fly quickly from the sky!

When the stream of light came closer, they discovered that it turned out to be Chen Ping!

Seeing that Chen Ping was fine, Yihe and the others were all happy!

King Li stared at Chen Ping and snorted coldly: "Boy, you're not dead yet, so I'll give you a ride..."

After King Li finished speaking, the runes lit up again, and a ball of light appeared again!

Seeing this scene, Yihe and the others became nervous again, fearing that Chen Ping would be knocked out again!

Just as the ball of light slowly appeared, Chen Ping calmly took out the God King Bow!

Golden light flashed on the God King's bow!

When King Li saw Chen Ping take out the God King's Bow, he said disdainfully: "What's the use of taking out the God King's Bow? You can't pull it either..."

"Who said I can't pull it?"

After hearing this, Chen Ping grabbed the bow with one hand and pulled the bowstring with the other!

Along with the bending of the God King's bow, the bowstring was pulled!

Chapter: 5213

Seeing Chen Ping pulling the God King's bow, King Li was dumbfounded and didn't even care about the condensed ball of light!

“This...how is this possible?” King Li was puzzled!

He tried many times, but the God King’s bow couldn’t be pulled at all, and it didn’t even move at all!

But Chen Ping, a Fusion Realm monk, could pull the God King’s Bow. Is this too outrageous?

As the God King’s bow was pulled, an arrow of light appeared, and golden light from all around continued to converge towards the light arrow of the God King’s bow!

Even the light ball condensed by King Li suddenly dispersed at this moment, and all the light focused on the light arrow!

Everyone who saw this scene was dumbfounded. The aura emanating from the light arrow on the God King’s bow made everyone tremble with fear!

Feeling the terrifying aura of the God King’s Bow, King Li began to have panic in his eyes, and his huge figure kept retreating!

In the end, King Li turned around and started running, completely ignoring his men!

King Li, who was as tall as a mountain, turned and ran backwards, leaving tens of thousands of soldiers behind him unable to dodge, and was trampled to death by King Li!

“Dad...Dad...wait for me...”

Li Xing saw this and chased King Li desperately, but he was injured and walked with a limp, so he couldn’t catch up!

Elder Qi could only pull Li Xing and run as fast as he could!

Looking at King Li who was escaping, Chen Ping's eyes were dull, and his hand that had fully drawn the God King's bow suddenly relaxed!

Buzz.....

The light arrow instantly cut through the void and headed towards King Li.

The light arrow burned with blazing flames. When Chen Ping shot the God King's bow, he actually planted the source of fire on it!

Feeling the dangerous aura behind him, King Li quickly looked back!

When he saw the light arrow trailing a long flame, King Li panicked!

This was an arrow of light shot from the God King's bow, and he couldn't bear it!

ah.....

King Li roared out and directly lifted a 10,000-ton boulder, trying to block the light arrow with this boulder!

boom!

There was an explosion, and the arrow of light shot onto the 10,000-ton boulder, causing a shocking explosion!

Chapter: 5214

Tens of thousands of tons of boulders instantly turned into powder, endless flames fell like fire rain, and the hair on King Li's body began to burn!

And at the feet of King Li, countless soldiers of King Mingli City also died under this rain of fire!

King Li was burned by the flames and screamed in pain!

The whole person fell to the ground, rolling continuously, and barely managed to put out the flames on his body!

The fire on King Li's body was extinguished, but his soldiers were in misery!

His mountain-like body fell to the ground and rolled around, crushing many of his soldiers to death!

But how can King Li care so much now? It's important for him to save his life!

Chen Ping is the true form of the Golden Dragon, which has exceeded his expectations. Now Chen Ping can actually pull the God King's bow. It is simply outrageous. King Li never thought of it!

After extinguishing the flames on his body, King Li climbed up with difficulty, preparing to escape again!

But Chen Ping pulled the God King's bow again, and this time, three light arrows appeared directly on the God King's bow, and endless light flowed on the God King's bow!

It was as if the light from the entire world had been absorbed by the God King's bow to form these three arrows of light!

Seeing the God King's Bow in Chen Ping's hand, three light arrows suddenly appeared. King Li became even more panicked and kept running forward with his legs!

Every step you take will cause the earth to shake and the sky to collapse!

The soldiers of Mingli King City who came with King Li suffered a lot this time. Many of those who could not dodge were trampled to pieces by King Li!

Whoosh whoosh.....

Chen Ping loosened his fingers, and three light arrows shot out instantly, but not all three light arrows were heading towards King Li!

One light arrow headed towards King Li, one light arrow went straight to Elder Qi, and the remaining light arrow pointed at Li Xing!

As long as these three people die, the army in Mingli King's City will be leaderless and completely defeated!

"Dad, save me, save me....."

Seeing a light arrow heading straight for him, Li Xing shouted miserably!

When Elder Qi saw this, he also threw Li Xing away, jumped up, and quickly moved his body, trying to avoid the blow!

But the light arrow was like it had eyes. No matter how hard Elder Qi tried to dodge, he couldn't dodge it at all!

I saw a ray of light penetrating Elder Qi's chest, and thousands of golden lights radiated from Elder Qi's body!

boom.....

Chapter: 5215

Elder Qi's body exploded immediately, turning into a rain of blood and falling, not even a body!

When Li Xing saw this scene, his legs became weak from fear, and he fell to the ground, constantly calling for King Li to save him!

But King Li can't save himself, so how can he save Li Xing!

In Li Xing's horrified eyes, he watched helplessly as he was penetrated by the light arrow, and then turned into flesh by thousands of golden lights!

When King Li saw that his son was dead, he was extremely angry and roared continuously, but he had no choice but to desperately resist Chen Ping's attack!

"The God King's Bow is indeed a divine weapon. No wonder so many people risk their lives for the God King's Bow. It's really amazing!"

Yihe looked at the power of the God King's bow and couldn't help but sigh!

At this moment, King Li was hit by an arrow in the thigh and fell to the ground!

The vision behind him has also disappeared, and the huge body is retracting at an extremely fast speed!

Soon, King Li turned into the size of a normal person, and Chen Ping slowly walked up to King Li with the God King Bow in his hand!

Chen Ping was now wearing an indestructible golden body and holding the God King's Bow!

The whole person is like a golden-armored war god, extremely majestic!

Chen Ping looked down at King Li. Now King Li was like a defeated rooster, and the hostility was long gone!

Without too much nonsense, the God-King Bow in Chen Ping's hand flashed with light, and a light arrow shot out, heading straight for King Li's forehead!

The light arrow passed through King Li's forehead, killing him instantly and on the spot!

After King Li's death, all the troops in King Mingli's city began to flee!

When Yihe saw this, he led the soldiers of Demon Imperial City to charge!

Chased all the way to King Mingli City!

"Chen Ping, are you okay?"

Gao Qilan and the others all gathered around and saw that Chen Ping's face was not very good, so they asked with concern!

"I'm fine!" Chen Ping smiled lightly!

But just after he finished speaking, Chen Ping felt like the world was spinning, and he fell to the ground instantly!

Pulling the God King's Bow several times in succession consumes a huge amount of Chen Ping's strength. At this time, Chen Ping is a little exhausted!

Seeing Chen Ping fainted, several women carried Chen Ping back to Demon Imperial City in a hurry!

Chapter: 5216

Chen Ping was stunned for three days!

And within these three days, Yihe and his people completely occupied the Mingli Royal City!

Occupying Mingli King's City has increased Yihe's strength a lot!

"Mr. Chen, haven't you woken up yet?" Yihe looked a little nervous as he looked at Chen Ping, who was still unconscious.

It's been three days, and Chen Ping has been in a coma for three days!

"I haven't woken up yet, but my body is fine. It's just a coma caused by excessive power consumption."

Liu Ruyan checks Chen Ping's body every day. She knows that there is nothing wrong with Chen Ping's body!

"Although the God King's Bow is good, it consumes too much physical strength. I have prepared some more resources so that Mr. Chen Ping can recover faster."

Yihe collected a large amount of resources from Mingli King City and planned to let Chen Ping absorb them all, so that Chen Ping could recover quickly!

As soon as Yihe finished speaking, Chen Ping slowly opened his eyes!

"Chen Ping..." Seeing that Chen Ping was awake, Liu Ruyan shouted excitedly!

"Mr. Chen!"

Yihe also hurriedly stepped forward!

Chen Ping stood up slowly, glanced around and said, "How long have I been unconscious? How is Mingli King City doing?"

“Mr. Chen, you have been in a coma for three days. I have already captured the Mingli King’s City. You don’t have to worry.”

Yihe said quickly!

“That’s good. Please inform me that I have the King of God’s Bow in my hand. I must not reveal a single word about it.”

Chen Ping warned Yihe!

Chen Ping knew that if this news spread, he would become the target of public criticism, and everyone would probably make trouble for him and want to kill him!

“Don’t worry, Mr. Chen. I’ve already told you, and no one will dare to reveal anything.”

Yihe also understood the importance of the God King’s Bow. How many people fought for the God King’s Bow with bloodshed. If they knew that Chen Ping had the God King’s Bow, they wouldn’t go crazy to trouble Chen Ping!

“Has the Fire Phoenix come back yet?” Chen Ping asked again!

“Miss Huofeng will probably not be able to return for a few days. Mr. Chen, just rest in peace and cultivate yourself. I will handle the rest.”

Yihe asked Chen Ping to have a good rest and stop thinking so much!

Chapter: 5217

Just as Chen Ping was chatting with Yi He, suddenly Nie Heng ran in!

“Nie Heng, why did you come back? Didn’t I ask you to follow the third elder back to the Jade Cauldron Sect?”

Seeing Nie Heng running back, Liu Ruyan asked in surprise!

The matter in Demon Imperial City was resolved, so Liu Ruyan asked the third elder to return with everyone from the Jade Cauldron Sect!

But just a few days after leaving, Nie Heng came back!

“Sect Master, the Jade Cauldron Sect was occupied by Hu Yixiao. He took advantage of Mingli Royal City to attack the Demon Imperial City. When our Jade Cauldron Sect came to help, he led his people to capture the Jade Cauldron Sect.”

“Then Mingli King City deliberately put us into Demon King City so that the Jade Cauldron Sect would be empty, and Hu Yixiao could easily succeed.”

Nie Heng said breathlessly!

Liu Ruyan frowned when she heard this. She didn't expect that Hu Yixiao hadn't given up yet!

“Damn it, this Hu Yixiao is so bold. King Li is now dead and the city of Mingli King is under my command, yet he still dares to cause trouble.”

“Miss Liu, don't worry. Your Jade Cauldron Sect gave Hu Yixiao an opportunity for our Demon Imperial City. I will personally take people to the Jade Cauldron Sect to kill Hu Yixiao and help you take back the Jade Cauldron Sect.” .”

Yihe's face was filled with anger, and a small Hu Yixiao could go against the will of heaven!

“Yihe, now that Mingli Royal City has just been captured, it is not particularly stable yet. Demon Imperial City also needs you, so you don't need to go. I'll go to the Jade Cauldron Sect to have a look.”

Chen Ping stopped Yihe!

“Mr. Chen, your body.....”

“My body is fine. Even if I am weak, if I want to kill Hu Yixiao, I only need to move my fingers.”

Chen Ping said with a faint smile!

After hearing this, Yi He also smiled. Chen Ping even killed King Li. If he wanted to kill Hu Yixiao, he could just move his fingers!

“When Huofeng comes back, let her go to the Jade Cauldron Sect to find me...”

Chen Ping warned!

After saying that, Chen Ping took Liu Ruyan and Nie Heng to the Jade Cauldron Sect!

However, Gao Qilan and Yu Jiameng also chased after them. They wanted to follow Chen Ping to the Jade Cauldron Sect!

Originally, Chen Ping wanted them to stay in Demon Imperial City. After all, it would be safer to stay in Demon Imperial City!

But the two of them were unwilling to stay in Demon Imperial City and insisted on following Chen Ping to the Jade Cauldron Sect!

Chapter: 5218

Chen Ping had no choice but to let the two of them follow!

And Isha looked at Chen Ping and the others leaving with a very complicated expression!

Looking at Isha's expression, Yihe could only step forward and pat Isha on the head, because Yihe couldn't help with this kind of thing!

Yihe knows very well who Chen Ping is, so Yisha is not worthy of Chen Ping at all!

But if Isha can become Chen Ping's woman, Yihe will be very happy, but it all depends on the fate of the two people!

At this time, outside the Jade Cauldron Sect, the third elder and many Jade Cauldron Sect disciples could only guard outside the sect!

Hu Yixiao occupied the Jade Cauldron Sect, and they couldn't get in at all!

And with their strength, it is simply impossible to take over the Jade Cauldron Sect again!

You must know that Hu Yixiao also has generals sent by King Li to be with him!

That general was a ninth-level monk in the Fusion Realm. Not to mention the three elders, even the Supreme Elder of the Jade Cauldron Sect came forward and was defeated by this general from Mingli King City.

Hu Yixiao is now full of joy and pride. He doesn't even know that Mingli King City has been destroyed!

Hu Yixiao thought that the Demon Imperial City had been captured and that the Third Elder and others had led others to escape from the Demon Imperial City!

"Third Elder, I advise you to be aware of current affairs. Now the Jade Cauldron Sect is mine, and I have also reached a strategic cooperation with King Li. From now on, the elixirs refined by our Jade Cauldron Sect will be given to King Mingli City."

"And Mingli King's City will continue to provide medicinal herbs and various resources to our Jade Cauldron Sect, and the safety of the Jade Cauldron Sect will also be taken care of by Mingli King's City."

“Now that Demon Imperial City is finished, Mingli Imperial City is the largest in this area. Don’t you still understand?”

Hu Yixiao said to the third elder!

“Hu Yixiao, stop dreaming. King Li’s city has been over for a long time, and King Li has been killed by Mr. Chen. You are still dreaming here.”

“Now if you obediently give up the Jade Cauldron Sect, you may still be able to survive. Otherwise, when the sect leader comes back, you will die without a burial place.”

The third elder snorted coldly!

“Hahaha...” Hu Yixiao laughed loudly after hearing this: “Is there something wrong with your brain? Then don’t I know Chen Ping’s strength?”

“Even if he has an adventure during this period and no matter how fast his strength grows, he is still just a Fusion Realm monk. It is ridiculous that he can kill King Li.”

“I will give you ten minutes to think about it now. If you don’t submit to me, then don’t blame me for being rude and kill you all directly.”

Hu Yixiao didn’t believe what the third elder said at all!

Chen Ping, a monk in the Fusion Realm, could kill King Li, a fourth-level monk in the Tribulation Realm. This is nonsense!

Chapter: 5219

Seeing that Hu Yixiao didn’t believe it, the third elder said nothing. He could only beg Nie Heng to hurry up and bring in reinforcements!

As soon as the people from Demon Imperial City arrive, it will be Hu Yixiao's death!

Ten minutes passed quickly. Seeing that the third elder had no intention of surrender, Hu Yixiao began to exude a violent aura!

"Third Elder, since you are so stubborn, don't blame me..."

Come on, Hu Yixiao actually rose into the sky and headed straight for the third elder!

The third elder was not Hu Yixiao's opponent, but when he saw Hu Yixiao take action, he also rose with his aura!

But just as the third elder was preparing to fight, a breath suddenly came from behind him!

Hu Yixiao, who jumped up, was directly hit by this breath, and flew backwards!

Then he fell heavily to the ground, vomiting blood, and was seriously injured!

Hu Yixiao was confused. He didn't understand who could have such strength. He could make himself seriously injured and fall to the ground with a breath out of thin air!

"The little Fusion Realm monk really doesn't know how high the sky is and how high it is..."

Chen Ping's figure slowly appeared, followed by Liu Ruyan and the others!

Seeing Chen Ping appear, the third elder suddenly looked surprised.

Hu Yixiao frowned. He discovered that Chen Ping's strength had been promoted to the eighth level of the Fusion Realm in a short period of time, and he was as strong as the elders who followed them!

Hu Yixiao didn't know that the Supreme Elder of the Jade Cauldron Sect was not even considered an ant in Chen Ping's eyes!

"You're not dead? Did you also escape from Demon Imperial City?"

Hu Yixiao looked at Chen Ping and asked!

"Escape?" Chen Ping smiled coldly: "Why should I escape? It is King Li who should escape, but King Li will never have a chance to escape again. He has been killed by me..."

"You are talking nonsense. Prince Li is a great monk in the Tribulation Realm. How could he be killed by you?"

"You dare to talk nonsense about our King Li, you deserve to die..."

A general in armor next to Hu Yixiao shouted!

"There are people from the Jade Cauldron Sect and Mingli King's City who almost let you slip through the net."

After Chen Ping finished speaking, he walked directly towards the general!

That general was a ninth-level monk in the Fusion Realm. How could he be afraid of Chen Ping? He roared angrily and charged forward with weapons in hand!

Chapter: 5220

When Chen Ping saw this, he waved his palm lightly, and a terrifying aura burst out from Chen Ping's body!

boom.....

Chen Ping just waved his hand lightly, and the general of the ninth level of the Fusion Realm exploded and turned into scum!

Seeing this scene, Hu Yixiao was dumbfounded!

Ninth level of Fusion Realm?

Turning into a scumbag with just a wave of his hand?

Chen Ping's blow to him just now was merciful, otherwise he would have become a scumbag now!

Hu Yixiao didn't understand how Chen Ping, an eighth-level Fusion Realm monk, could have such strength!

But now he doesn't dare to think too much, it's important to save his life!

So Hu Yixiao fell to his knees and began to beg for mercy!

"Spare your life, spare your life, I don't dare to do it anymore..."

Hu Yixiao kowtowed like a fool, but Chen Ping didn't even look at him!

"Ruyan, it's up to you to decide how to punish him!"

The reason why Chen Ping didn't kill Hu Yixiao just now was because he wanted Liu Ruyan to make his own decision!

After all, Liu Ruyan is now the leader of the Jade Cauldron Sect!

Liu Ruyan nodded, and then walked towards Hu Yixiao with a cold face!

“Spare your life, Sect Master, please spare your life...”

Hu Yixiao looked at Liu Ruyan approaching and began to beg for mercy again!

But Liu Ruyan didn't have the slightest pity. If Hu Yixiao didn't try to attack the Jade Cauldron Sect again, Liu Ruyan wouldn't want to argue with him!

But Hu Yixiao is determined to be a traitor, how could Liu Ruyan let him go!

I saw a cold light flash in Liu Ruyan's hand, and Hu Yixiao's head flew out instantly!

The crisis in the Jade Cauldron Sect was solved by Chen Ping with a wave of his hand!

This is strength!

Chen Ping recalled that when he first came to the Jade Cauldron Sect, he was targeted and suppressed, but now he can make the Jade Cauldron Sect fall apart with just a wave of his hand!
