

The Order 5221

Chapter: 5221

This is the change brought about by strength!

Sealing Demon Alliance.

A majestic and beautiful palace towering into the sky!

This is where Zuo Tianzheng, leader of the Demon Sealing Alliance, lives!

At this time, Zuo Tianzheng, with his eyes slightly closed, was sitting cross-legged in the main hall, absorbing the pure spiritual energy coming from the underground!

And under his main hall is a vast underground city, where hundreds of demon cultivators live!

Soon, the sound of footsteps came, and Zuo Tianzheng slowly opened his eyes!

A middle-aged man walked respectfully in front of Zuo Tianzheng, then bent down and said: "Leader, the Five Elements Heavenly Evil only recovered the Water Evil and the Earth Evil. The others must have encountered unexpected events."

"Has one of our sub-rudders been destroyed and even the sub-rudder leader killed?" Zuo Tianzheng asked with a frown!

"Yes, the leader of the branch was named Ye Fengqing. He was killed by a guy named Chen Ping, including several elders of the branch."

"And the Five Elements Evil was also killed by this man named Chen Ping."

The middle-aged man said quickly!

“Chen Ping?” Zuo Tianzheng’s eyes flashed coldly: “Do you have any news about this person?”

“Return to the leader, I have already investigated this person, and all the information is here!”

As the middle-aged man spoke, he took out a recording rune stone and placed it in front of Zuo Tianzheng, and then continued: “This guy named Chen Ping seems to have appeared in the world of heaven and man out of thin air. The previous records cannot be searched at all. All My subordinates suspect that he is from another dimension.”

“Furthermore, this person is able to fight across different levels. He can defeat a second-level monk in the Tribulation Realm at the eighth level of the Fusion Realm. He also knows various spells and his body is invulnerable to all poisons. He should have come from a world on a higher plane. ”

Zuo Tianzheng did not speak, but gently placed a hand on the recording rune stone, and soon Chen Ping’s information appeared in his mind!

“It’s such a fast speed. In less than a month, he was able to advance to several realms in a row. This guy is indeed a bit extraordinary.”

Zuo Tianzheng frowned slightly: “Have you ever considered that the reason why this guy is so powerful is that he is a reincarnation?”

“Reincarnated person?” The middle-aged man was stunned, then shook his head: “Leader, reincarnated people usually occur in big families and sects. If the family elder fails to ascend, a trace of his soul will be left behind to be reborn in the family’s children. among.”

“But according to my investigation, it seems that Chen Ping has no identity background and no so-called family. It is impossible for him to be a reincarnation. He has no way to awaken the reincarnation body.”

After listening to the middle-aged man’s words, Zuo Tianzheng fell into silence, and after a moment he said: “Bring those water evil spirits and earth evil spirits to me...”

As soon as the middle-aged man waved his hand, the water evil spirit and the earth evil spirit walked in timidly!

They disobeyed Zuo Tianzheng's orders, and now that they have been captured, they will definitely not get any good results!

Chapter: 5222

As soon as they saw Zuo Tianzheng, the two of them immediately knelt down and worshiped on the ground!

Zuo Tianzheng looked at Water Evil and Earth Evil coldly, and said in a gloomy voice: "You got the order, why didn't you rush back as soon as possible?"

The two looked at each other, but didn't dare to say a word!

"Since you don't dare to say it, then I will say it for you. You revealed the secret of my Demon Sealing Alliance. You were afraid of being punished when you came back, so you disobeyed the order, right?"

Zuo Tianzheng asked!

"It was Huo Sha and Mu Sha's idea that the leader spare his life. They also leaked the secret, so I wanted to kill all the people who knew the secret and come back to report!"

The water demon kowtowed and said like pounding garlic!

"Do you know what the consequences will be if you reveal the secrets of my Demon-Sealing Alliance? Fortunately, my Demon-Sealing Alliance has been using the slogan of exterminating demons and defending the law for so many years, and no one doubts it."

"Even if someone knows the secret and tells it, no one will believe it. Otherwise, this will be a cruel blow to our Demon Sealing Alliance."

After Zuo Tianzheng finished speaking, he waved his palm lightly, and two black mist instantly enveloped the water evil spirit and the earth evil spirit!

“ah.....”

The two people screamed in pain!

But soon, under the erosion of the black mist, the two people turned into a pool of blood, and then quickly penetrated into the ground!

And those demon cultivators living underground in the main hall actually used this blood to practice!

“Leader, what should we do about Chen Ping?”

The middle-aged man asked!

“Inform all branches to kill anyone who encounters Chen Ping.”

“In addition, let the demon cultivators from the Soulless Palace track down Chen Ping. These guys have survived for so long under the protection of our Demon Sealing Alliance. It’s time for them to contribute and repay us.”

Zuo Tianzheng ordered to the middle-aged man!

“Okay, I’ll notify you right away!” the middle-aged man said, about to retreat!

But Zuo Tianzheng shouted: “Wait a minute...”

“Leader, do you have any other instructions?” the middle-aged man asked!

“Demon cultivators have been rampant in Tianmo Mountain recently, and I also heard that there is a newly discovered battlefield between gods and demons in Tianmo Mountain. There must be a lot of treasures.”

“Many monks and a few old guys from the orc tribe have rushed to Tianmo Mountain, so I want you to take Xuan’er to Tianmo Mountain to practice.”

Chapter: 5223

Zuo Tianzheng said to the middle-aged man!

The middle-aged man frowned slightly, and then said: “Leader, the road to the Demon Mountain is far away, and the situation is very complicated. If you ask the eldest son to follow you, I’m afraid something will happen.”

“What are you afraid of? With the reputation of our Demon Sealing Alliance, no one dares to do anything to you. In addition, I asked you to go to Tianmo Mountain to capture some demon cultivators. As long as you don’t fight for any treasures, you will be fine. .”

After Zuo Tianzheng finished speaking, he shouted softly: “Xuan’er, come out...”

Soon, a young man wearing a white gown came out, then bowed slightly towards the middle-aged man and said, “Elder Chu...”

Seeing this, the middle-aged man could only say helplessly: “Since the alliance leader has decided, I will take the eldest son and set off after I have arranged the matter!”

“Okay!” Zuo Tianzheng waved his hand!

.....

The Ning family in the Northern Territory!

Ning Caichen is packing his belongings and arranging family affairs in detail!

“Ancestor, everything has been arranged, but I still don’t recommend going to Tianmo Mountain, because it is too far away, and many monks also knew about the discovery of a new battlefield between gods and demons in Tianmo Mountain, and they all rushed there.”

“You haven’t fully recovered yet. With the strength of our Ning family, we probably won’t get much benefit from rushing over.”

Ning Caichen said to Ning Zhi!

And Ning Zhi has not moved around for a long time since he came to the heaven and human world and possessed the ancestor of the Ning family!

He has been restoring the strength of the ancestor of the Ning family, but relying solely on the resources of the Ning family, Ning Zhi knows that he will not be able to return to his peak state in the year of the monkey!

So he planned to go out for a walk and get familiar with the world of heaven and earth. Ning Zhi’s ambition has not diminished just because he arrived in the world of heaven and earth!

Especially his hatred for Chen Ping, he wanted to find out about Chen Ping!

Ning Zhi doesn’t know yet, but Ning Caichen is very familiar with Chen Ping, and they even fought side by side!

“I asked you to go to Tianmo Mountain with me, not to discuss it with you, do you understand?”

Ning Zhi said coldly!

During this time in the Ning family, Ning Zhi has already become familiar with his identity, so the entire Ning family must obey his orders!

When Ning Caichen heard this, he was so frightened that he did not dare to speak anymore. He could only choose a few Ning family disciples to accompany him to take care of this ancestor on the way!

Ning Caichen knew very well that the Ning family was not even a big family in the Northern Territory!

What's more, they have to go to Tianmo Mountain in the Southern Territory, and there is a central continent in between. If they go to Tianmo Mountain with their strength, they probably picked it up from behind.

Chapter: 5224

However, Ning Zhi insisted on going, and Ning Caichen did not dare to disobey, and could only serve him carefully. After all, whether the Ning family can develop in the future depends on this ancestor!

Jade Cauldron Sect!

After killing Hu Yixiao, the Jade Cauldron Sect returned to normal!

Chen Ping is waiting for Huo Feng to come back. If Huo Feng really brings the other demon emperors and beast kings of the beast tribe, there will probably be some disputes!

No one thought that Mingli King City would perish so quickly!

Now that Yihe is in charge of two cities by himself, the other imperial cities will definitely be jealous, and maybe they will take advantage of Yihe!

So Chen Ping has to wait and see. If the other Demon Emperors and Beast Kings really want to take action, Chen Ping and Yi He don't have to be afraid!

If it's just Yihe himself, it's definitely not his opponent's!

"Mr. Chen, Demon Emperor Yihe is here..."

Nie Heng walked into Chen Ping's room and said!

When Chen Ping heard that Yihe was coming, he knew that Huofeng must be back, so he hurriedly followed Nie Heng to the Jade Cauldron Sect's main hall!

Chen Ping saw Yihe and Huofeng chatting with Liu Ruyan!

"Master..." Seeing Chen Ping, Huofeng hurriedly greeted him!

"Huofeng, have the reinforcements moved in?"

Chen Ping asked!

Huofeng shook his head: "Those guys from the beast tribe are all not at home. They seem to have gone to the Demon Mountain. Along the way, I saw many people rushing towards the Demon Mountain."

"It seems that a new battlefield of gods and demons has been discovered in Tianmo Mountain. It has never been set foot on before. There must be a lot of treasures in it."

"Tianmo Mountain? A new battlefield between gods and demons?"

Chen Ping's eyes lit up!

The Demon Mountain Ghost Elder is in Tianmo Mountain, and the Blood Spirit Valley of Jin Dong and Luo Xi is not far from Tianmo Mountain!

Chen Ping was planning to go to Tianmo Mountain, but he didn't expect that Tianmo Mountain would discover a new battlefield between gods and demons!

Thinking of the dragon energy he got in Mohai and what he knew about the battle between gods and demons, Chen Ping was extremely excited!

Maybe this time on the battlefield of gods and demons, I might have some adventures!

“Mr. Chen, the Magic Mountain was in the Southern Territory that day. It was hundreds of thousands of miles away. It was too far away. Moreover, we had to cross the Central Territory Continent along the way, which must be very dangerous.”

Chapter: 5225

Looking at Chen Ping’s expression, Yihe knew that Chen Ping must be thinking about going to Tianmo Mountain again!

“It doesn’t matter if the journey is far. We have an airship. Anyway, I plan to go to Tianmo Mountain for a tour.”

Chen Ping said!

“Master, are you really planning to go to Tianmo Mountain?” Huo Feng asked!

“Of course, if you hadn’t brought this news, maybe I would have to go to Tianmo Mountain after a while, but now, I can’t wait any longer and want to leave right away!”

Chen Ping looked excited and said eagerly!

“Mr. Chen, even if there is an airship, it would be difficult to reach Tianmo Mountain from here within half a month.”

Yihe said!

“The journey is not that big. You can use the teleportation array. Such a long distance is also suitable for taking the teleportation array. It just costs more spiritual coins.”

Huofeng said!

“It is a good idea to build a teleportation array. There is nothing going on in Demon Emperor City and Jade Cauldron Sect now. Without further ado, I will set off now.”

Chen Ping said and asked Nie Heng to call Gao Qilan and Yu Jiameng!

He wants to leave the Jade Cauldron Sect, but he can't take them with him. After all, their strength is still too low and they need to improve their strength as soon as possible!

It would be safest for them to stay in Jade Cauldron Sect or Demon Imperial City!

“Master, it's okay if you don't let others follow you. Why don't you let me follow you? I'm very familiar with the world of heaven and humans. Don't you need a guide?”

Huofeng pursed his lips, looked at Chen Ping pitifully and said!

Seeing the fire phoenix like that, Chen Ping thought that he really needed a guide. Although Ji Yun was also familiar with the heaven and human world, he was only familiar with the Northern Territory. If he left the Northern Territory, Ji Yun would probably not be familiar with it either. !

“Okay, just follow. The others will stay in the Jade Cauldron Sect to practice. When you are strong enough, we can travel to the end of the world together with our swords.”

Chen Ping nodded and said!

Liu Ruyan and Gao Qilan looked at Chen Ping with some resentment!

Huofeng can follow, but they can't. No one is happy, but they also know that they are not strong enough now, and following Chen Ping will only burden Chen Ping!

At this moment, especially Gao Qilan, who followed all the way from the far north, and now has to be separated from Chen Ping!

The most important thing is that all these women have served Chen Ping and they are all very happy. She is the only one who has not been favored by Chen Ping!

This makes Gao Qilan always feel that she is inferior to others!

Chapter: 5226

Looking at Gao Qilan's look, Huo Feng seemed to understand something, so he came close to Chen Ping and whispered a few times!

After hearing this, Chen Ping looked at Gao Qilan and found that Gao Qilan's eyes were full of desire!

"Okay, let's get ready. We'll set off in a moment."

Chen Ping waved his hand and said!

"Mr. Chen, please take care of yourself. The nearest teleportation array is thousands of miles away. From there, you can teleport to the Central Continent, and then teleport from the Central Continent to the Southern Continent."

"Although there is a teleportation array, this teleportation array is not open every day, so whether you can catch up with the teleportation array's opening depends on luck."

Yihe said to Chen Ping!

"Well, I understand. You must protect the safety of the Jade Cauldron Sect."

Chen Ping said to Yihe!

The Jade Cauldron Sect has now become a gathering place for Chen Ping's women. He can't let anything happen to the Jade Cauldron Sect!

“Don’t worry, Mr. Chen. After I go back, I will send a large army to station around the Jade Cauldron Sect. And now that Mingli King City is also occupied by us, the Jade Cauldron Sect will be safe between the two cities.”

Yihe promised seriously!

Soon, everyone walked out one after another. When Gao Qilan was walking out, Huofeng naughtily stopped Gao Qilan!

“Sister Qilan, please don’t go out. The master seems to have something to say to you.”

After Huofeng stopped Gao Qilan, he walked out!

While Gao Qilan was still confused, Chen Ping suddenly picked him up and walked towards the room inside!

After a while, the room was filled with spring, and there were bursts of sweet sounds!

Huofeng eavesdropped outside and couldn’t help laughing!

Gradually there was no sound in the room. When the door opened, Gao Qilan walked out in a somewhat embarrassed manner!

“Sister Qilan, how do you feel?”

Huofeng stepped forward and asked playfully!

Gao Qilan blushed and ran away quickly, but his running posture was a bit strange!

When Chen Ping saw Huo Feng eavesdropping outside, he couldn't help but glared and said, "Are you all ready?"

"Get ready, Ji Yun's airship has also started. Just wait for you to finish, and we will set off..."

Chapter: 5227

Huofeng said with a smile!

"Let's go." Chen Ping waved his hand!

When Chen Ping and the others boarded the airship, everyone from the Jade Cauldron Sect came out to see them off!

Especially Liu Ruyan, Gao Qilan and Yu Jiameng, although there is reluctance in their eyes, they are helpless!

The airship slowly began to take off, and everyone in the Jade Cauldron Sect waved goodbye!

They don't know how long it will take Chen Ping to come back after leaving!

They don't know how long it will take to see each other again. Now all Liu Ruyan and the others can do is practice hard and improve their strength as soon as possible!

Only then can they become Chen Ping's helpers instead of being a burden!

The airship flew slowly towards the distance, until there was no trace of the airship, Gao Qilan and the others were still unwilling to leave, looking at the sky quietly!

"Huofeng, how often does this teleportation array open?"

Chen Ping looked at the sky outside the window and asked Huofeng!

“I don’t know. There is no fixed time for the teleportation array to be opened, because each time the teleportation array is opened, a lot of resources are consumed. If there are fewer people using the teleportation array, then you need to wait until there are enough people to open it. .”

“But this time there is a battlefield between gods and demons in Tianmo Mountain. It is estimated that there are many people going to Tianmo Mountain, so the activation time of this teleportation array will be very short.”

Huofeng explained!

Chen Ping nodded after hearing this. He was not talking, but looked at the scenery outside the window in a daze!

After a day and night of flying, the airship slowly landed in a small town with a teleportation array!

Putting away the airship, Chen Ping and others headed towards the location of the teleportation array.

After everyone paid millions of spiritual coins, the three of them were qualified to enter the teleportation array!

After many layers of inspections, Chen Ping and the other three finally saw a formation pattern hundreds of meters long in front of them. This was the teleportation formation!

The lines of this formation are extremely complex, and there are also flowing lights and undercurrents inside, exuding an ancient aura!

These are teleportation formations left over from ancient times. With the current level of monks in the world of heaven and humanity, no one can lay out such a huge formation!

In the past, there were many teleportation arrays like this in the Heavenly and Human Realm. After all, the Heavenly and Human Realm is vast and its area is hundreds or thousands of times larger than the secular world!

With the teleportation array, the travel time between the two places can be greatly shortened!

However, such a huge formation requires extremely resource-intensive maintenance and activation!

Chapter: 5228

Therefore, many teleportation arrays are in disrepair or have been destroyed, and there are not many teleportation arrays left!

Maybe it's because the news about Tianmo Mountain has spread, but there are hundreds of monks around the teleportation array at this moment!

But at the entrance to the teleportation array, a noisy voice came: "Is the teleportation array activated? We have been waiting for three days, and there are hundreds of people now. Why hasn't it been activated yet?"

"It's just, it's too much. We have paid millions of spirit coins and we still have to wait endlessly."

"You guys from the Juman Palace are simply greedy..."

A group of monks were shouting loudly, and in front of them were two people who were more than two meters tall, extremely large, and wearing animal bone accessories!

These two people faced the accusations from many monks without even looking at them, as if they didn't hear them!

Behind them, the passage into the teleportation array is closing at the moment!

"There are hundreds of people here, why hasn't the teleportation array started yet? If too many people are teleported at once, the teleportation array will be overloaded, and it will be damaged, which is dangerous."

Huofeng glanced at the dark monks around him and said involuntarily!

“The people in the Juman Palace are very greedy, even more greedy than my father. It’s hard for so many people to come to sit on the teleportation array this time. They will definitely make a lot of money.”

“Just wait and see, maybe there will be a temporary price increase...”

Ji Yun said slightly helplessly!

“What kind of gang is this Juman Palace? How come the teleportation array is under their control?”

Chen Ping was a little confused!

Moreover, he saw that the two people guarding the teleportation array were very large and powerful, but the aura exuding from them was not very powerful!

“Mr. Chen, the people in this Giant Barbarian Palace are all descendants of the former barbarian tribes. These people admire strength and have some connections with the ancient body-refining clan. The difference is that the people in these Giant Barbarian Palaces are very wild, like No evolution is quite the same.”

“They practice not by relying on the spiritual energy of heaven and earth, but by hunting some monster beasts, eating their meat raw, and drinking their blood raw. They believe that only in this way can they maximize their body’s potential.”

Ji Yun followed Chen Ping and introduced!

After hearing this, Chen Ping couldn’t help but smile and said, “Aren’t you talking about savages?”

“That’s right. They are all descendants of barbarians. Because this teleportation array is on the territory of their Giant Barbarian Palace, it is managed by them. These guys are also extremely greedy by nature.”

“Hundreds of monks are surrounding you now. Seeing this, they will definitely raise the price.”

Just as Ji Yun finished speaking, there was another argument at the entrance of the teleportation array!

“Are you barbarians unreasonable? Although this teleportation array is on the territory of your Juman Palace, it does not belong to your Juman Palace. You only have the right to manage it. Barbarians like you, even in ancient times, have no power at all. I don’t have the ability to set up this teleportation array.”

Chapter: 5229

A monk is really unhappy. He has been waiting here for three full days, but now hundreds of people are gathered here, and the teleportation array has not been activated yet. This is a bit unreasonable!

“Bold, you dare to humiliate our ancestors and seek death...”

A person from the Juman Palace suddenly stared and kicked the monk who had just vented his dissatisfaction!

The monk instinctively wanted to dodge, but there were people around him and there was no room to dodge!

Bang.....

The monk was kicked away and then fell heavily behind the crowd!

Seeing this scene, no one dared to help. After all, they were not familiar with each other. No one wanted to provoke the people of Juman Palace for a stranger. After all, they had to ride in someone else’s teleportation array!

With this kick, the monks who were dissatisfied just now all shut up. Although it was obvious that they were very unconvinced, they did not dare to say anything!

“These people from the Juman Palace are too overbearing...”

Ji Yun couldn't help but be filled with indignation when he saw this!

"Hmph, they're just a bunch of barbarians. Now they're guarding a teleportation array. They really take themselves seriously."

Huofeng snorted coldly, and was also very dissatisfied with the actions of these people in Juman Palace!

And the two people from the Juman Palace saw that all the monks had become honest, lowered their heads and said nothing, and their faces became even more unruly!

In their opinion, these monks who use the teleportation array are their fish and meat, and they can be slaughtered at will!

"If you hit someone if you disagree, are you a little too domineering..."

Seeing that no one came forward, Chen Ping spoke now!

"Who? Who dares to meddle in other people's business?"

A person from Juman Palace looked around and shouted!

At this moment, everyone gave way to a path, and Chen Ping and the other three slowly stepped forward!

Many monks around looked at Chen Ping and the others and found that Chen Ping and the others were all young monks in the Fusion Realm, and they couldn't help but worry!

If you are very powerful, you can exchange a few words with people from the Juman Palace, but it won't be a big deal. But with Chen Ping's strength, if they provoke the Juman Palace, there won't be any good results!

The two guys from the Juman Palace who were guarding the entrance to the teleportation array, saw that Chen Ping and the others were only in the Fusion Realm, and they immediately sneered!

“Who was meddling just now?”

A guy from Juman Palace looked at Chen Ping and the others and asked!

Chapter: 5230

“Is it me?” Chen Ping said slowly: “It’s a bit too much to hit someone when you disagree. Besides, we paid to ride in the teleportation array. Since we spent money, we are customers and your parents.”

“Do you treat your parents like you? If none of us come to sit in this teleportation array, how will your Juman Palace make money? You fools will starve to death by then.”

Chen Ping just spat at the people in the Juman Palace!

Chen Ping’s words touched the hearts of many monks, and they couldn’t help but applaud Chen Ping!

At this moment, the two guys from the Giant Barbarian Palace became angry, with a violent aura erupting from their bodies, and their eyes stared at Chen Ping like bull’s eyes!

Just when the two guys were about to attack Chen Ping, a cold and arrogant voice suddenly sounded: “Who dares to say that our Juman Palace doesn’t want to live anymore?”

As the sound rang out, a gust of wind whizzed past everyone’s heads, and the fierce hurricane roared continuously, causing many monks to retreat one after another, and some were even blown directly to the ground!

Then a figure fell in front of Chen Ping. When the two Juman Palace disciples saw the person, they immediately knelt down and saluted: “I pay my respects to the Young Palace Master...”

Chen Ping narrowed his eyes slightly and looked at the person. This person was also very tall and the clothes on his body were also very gorgeous. The most important thing was that this guy had two nose rings on his nose, which looked like Like a buffalo!

And this man looked at Chen Ping coldly and arrogantly, his eyes full of disdain.

“Is that what you said just now, that you are all the parents of our Juman Palace?”

The young man looked at Chen Ping coldly and asked!

“That’s right. If we don’t build the teleportation array and don’t pay for this spiritual coin, will your Juman Palace drink from the northwest wind?”

“Treat your parents the same way you treat your parents. If you have a good attitude, I might even reward you with some money.”

Chen Ping couldn’t stand the young man’s arrogant and coaxing look, so he said disdainfully!

The young man’s eyes narrowed, and there was anger in his eyes!

“You are so brave. You dare to talk to our young palace master like this. I think you don’t want to live anymore...”

When a Juman Palace disciple saw this, he was about to attack Chen Ping!

However, he was directly stopped by the young man, and then sneered: “Since you said so, then I will be nicer to you, the parents who live and feed you.”

After the young man finished speaking, he looked at the many monks around him and said, “Because there are too many people and the transport capacity of the teleportation array is limited, our Juman Palace decided to increase the price of teleportation. No one needs to pay one million spiritual coins.”

As soon as the young man said these words, there was a commotion!

“It’s too arrogant. We’ve been waiting for three days. Just raise the price if you say it will.”

“Do you still treat us as human beings? Your Juman Palace has gone too far.”

“If you dare to raise the price, then we will fight...”
