

## **The Order 5241**

Chapter: 5241

Chen Ping seemed unwilling to follow the bearded monk and moved his body slowly to surround the bearded monk!

Seeing this, the bearded monk couldn't help but sneer and said: "You three little Fusion Realm monks still want to be rude to me. You are simply overestimating your capabilities."

"Since you want to know who I am, then I will tell you..."

After the bearded monk finished speaking, he waved his sleeves and robes in front of him. In an instant, the beard on his face disappeared and he turned into a young man with fair skin!

Even the aura on his body has changed a bit!

"My name is Ji Cheng, the eldest son of the Ji family..."

Ji Cheng introduced himself!

Chen Ping seemed a little surprised by the change in the bearded monk, but when he heard that the other person was from the Ji family, he became even more confused!

Since they are both members of the Ji family, why did Ji Cheng change his appearance and aura? Why didn't he stay with the second master Ji?

"Since you are from the Ji family, why do you want to change your appearance? Why don't you stay with the second master Ji?"

Chen Ping asked doubtfully!

“You don’t need to know this. Who are you three? Why do you want to inquire about the Ji family?”

“And why does this person have an aura unique to our Ji family?”

Ji Cheng pointed at Ji Yun and said!

It seems that the reason why Ji Cheng pays attention to Chen Ping and the others, and even follows them, is because of the unique aura of Ji Yun.

“Because he is also a member of your Ji family, so it is normal for him to have the unique aura of your Ji family.”

Chen Ping said slowly!

“Nonsense, I know everyone in our Ji family, why don’t I know him?”

Ji Cheng doesn’t believe it!

“Ji Yun, take out the token your father gave you!”

Chen Ping said to Ji Yun!

Ji Yun nodded, and then took out the bronze coin!

When Na Jicheng saw the bronze coin, his eyes widened suddenly, and the expression on his face was full of shock!

“This...where did you get this coin?”

Chapter: 5242

Ji Cheng stepped forward and grabbed Ji Yun's hand holding the ancient coin and asked.

"My father gave it to me."

Ji Yun said!

"What's your father's name?" Ji Cheng asked!

"Ji Lianzhan..."

When Ji Yun said his father's name, Ji Cheng's body was trembling slightly!

"Ji Lianzhan...Ji Lianzhan..." Ji Cheng said the name repeatedly and suddenly hugged Ji Yun!

"You...you are actually the third uncle's son. I didn't expect you to be the third uncle's son. How is the third uncle?"

Ji Cheng was so excited that he couldn't stop crying!

When Chen Ping looked at Jicheng like that, it was not a pretense, but a true expression of his feelings!

Ji Yun also felt Ji Cheng's sincerity, and the tears in his eyes kept spinning!

"My dad is very good. This time he asked me to bring the token to Ji's house to see my grandfather."

Ji Yun said quickly!

After Ji Cheng hugged Ji Yun and cried for a while, he let go of Ji Yun and wiped away his tears!

“Brother, if you come home with me, your uncle will definitely be happy to death if he knows it’s you.”

Ji Cheng pulled Ji Yun and walked towards the Ji family!

“Brother, the second master Ji just now must be the second uncle. Why aren’t you with him?”

Ji Yun asked in confusion!

“Brother, you have just arrived and don’t know much about the Ji family’s situation. Let’s talk while walking...”

Ji Cheng sighed softly, and then followed Ji Yun to introduce the situation of the Ji family!

After Ji Cheng’s introduction, Chen Ping finally understood that the old man of the Ji family had three sons, namely Ji Lianjun, Ji Lianying, and Ji Lianzhan.

The eldest brother Ji Lianjun has a son and two daughters. Ji Cheng is the eldest son, followed by the eldest sister Ji Meiyan and the second sister Ji Meiling.

The second eldest child, Ji Lianying, has a son and a daughter, namely son Ji Yue and daughter Ji Meizhen.

Next is Ji Yun!

Chapter: 5243

“Brother, you are the youngest in our Ji family, so you are the sixth brother.”

Ji Cheng happily took Ji Yun’s hand and said!

As for why Ji Cheng didn't camp with Erbo Ji's company, Ji Cheng didn't go into details, he just made a random excuse!

Chen Ping on the side could see that the Ji family's situation was very complicated, and Ji Cheng might have something to say!

Through the conversation along the way, they became familiar with each other. Chen Ping could tell that Ji Cheng was a loyal person and he liked Ji Yun from the bottom of his heart!

Soon, several people came to a huge mansion!

In this mansion, there are various trees growing, and there is a gurgling stream below, which has a Jiangnan charm!

Just looking at this mansion, it can be seen that the Ji family is definitely one of the few families in this yellow and blue city!

After entering the yard, two girls came face to face. The two girls looked almost exactly the same. They were wearing white dresses and had a fairy aura!

"Brother, are there guests at home?"

Two girls came forward and said to Ji Cheng!

"Eldest sister, second sister, let me introduce to you. This is the third uncle's son Ji Yun, who is also our sixth brother."

"These two are friends of Sixth Brother, Chen Ping, Huo Feng..."

Ji Cheng introduced the two girls!

“Sixth brother, this is your eldest sister Ji Meiyuan, and this is your second sister Ji Meiling. They are twins!”

Ji Cheng pointed at the two girls and said!

“Eldest sister, second sister...”

Ji Yun greeted the two girls very politely!

“Third uncle’s son? Real or fake?” The two girls looked at Ji Yun, and then Ji Meiyuan said: “Brother, are you not mistaken? There has been no news about the third uncle for many years, why did he suddenly appear? If my son comes, he won’t be a liar, right?”

Ji Meiling also followed up and said, “That’s right, you can’t be a liar, right? There have been many people pretending to be members of our Ji family in recent years.”

The words of the two girls made Ji Yun very embarrassed!

“Don’t talk nonsense.” Ji Cheng glared at Ji Meiyuan and Ji Meiling, and then said: “You two, take them to the living room to rest, and I will go find my father.”

After Ji Cheng finished speaking, he left, but sisters Ji Meiyuan and Ji Meiling still looked at Ji Yun, their eyes full of vigilance!

“Eldest sister, second sister, I am really from the Ji family.” Ji Yun felt a little uncomfortable being looked at by the two of them!

Chapter: 5244

“Stop, don’t call us like that yet. My eldest brother is a loyal man and is often deceived by others. But it is impossible to deceive us two sisters.”

“Whether you are from the Ji family or not, we will find out soon. Come with us!”

Ji Meiyun said, turned around and walked forward, and Ji Meiling quickly followed!

Ji Yun could only look at Chen Ping and the others and smile awkwardly, then followed them!

The two people led the way, their movements were very light, as if they were floating on the ground!

Just as they were passing by a rockery and flowers and plants, the two of them looked at each other and suddenly turned towards the side of the rockery!

When Chen Ping and the others chased after them, they were already gone!

“Hey, where is the person?”

Ji Yun was stunned and said!

“Ji Yun, it seems that your two sisters are not easy to mess with. You should be careful.”

Huofeng smiled at Ji Yun and said!

Ji Yun’s face was full of embarrassment. He didn’t expect that this would happen just after returning home!

“The living room should be in front, let’s go there by ourselves!”

Ji Yun said awkwardly!

The three people walked towards the house in front of them, but after walking for a long time, the three people found that no matter which way they took, they would end up back at the rockery and couldn’t reach the house at all!

Ji Yun wanted to try to fly over, but found that there were restrictions in the yard and there was no way to fly!

“How is this going?”

Ji Yun asked with a confused look!

“The Ji family’s yard is so big now that we got lost and couldn’t get out.”

Huofeng looked at the flowers and plants around him and sighed!

“We are not lost, but we have entered the illusion array.”

Chen Ping inquired about the surroundings, then laughed dumbly and said!

He didn’t expect that someone would set up a magic array in his yard!

But that’s fine, at least the phantom array can protect the safety of the owner. If someone breaks into the house, they will inevitably fall into the phantom array. This gives the owner time to prepare!

Chapter: 5245

“These two sisters are so evil, they actually led us into the illusion array!”

Huofeng said a little unhappy!

This time, Ji Yun felt even more embarrassed and could only say with a blushing face: “Miss Huofeng, I’m so sorry...”

“This is none of your business, it’s all your two sisters who are too bad.”

Huofeng said angrily!

“I can’t say it’s bad. Maybe the two of them are more cautious.”

Chen Ping knew that before they came, someone must have pretended to be a member of the Ji family!

After all, it is not a secret that the third child of the Ji family eloped with someone!

“Master, can you break through this illusory formation?”

Huofeng asked!

“Break it?” Chen Ping raised the corner of his mouth slightly: “If I just break this illusory formation, it will appear that I am too incompetent.”

Huofeng looked at Chen Ping like that and instantly understood what Chen Ping was going to do!

He was going to transform the phantom formation. When the Ji family entered the phantom formation, they would never be able to get out without Chen Ping’s help!

At this moment, Ji Meiyang and Ji Meiling are sitting and eating in the lobby!

“Sister, do you think Big Brother will punish us if he knows we do this?”

Ji Meiling asked worriedly!

“Don’t worry, these people must have come here to steal food and drinks. My eldest brother is a loyal person and always trusts people easily.”

“He will invite his father later, and we will release these people. Then the truth will be revealed. How can the elder brother punish us?”

Ji Meiyang said nonchalantly!

Seeing that her sister had said this, Ji Meiling said nothing more, but she always felt a little uneasy in her heart!

Soon, Ji Cheng came with his father Ji Lianjun!

“Dad, I’m sure that this time it’s definitely the third uncle’s son, because I’ve seen our Ji family’s token.”

“It’s been so many years, and I haven’t heard from my third uncle. This time I was finally able to contact him.”

Ji Cheng followed Ji Lianjun excitedly as he walked and said!

Chapter: 5246

Ji Lianjun was also full of excitement: “Well, if your third uncle’s son is really here this time, then we have to entertain him well, but entertaining is entertainment, so don’t mention family matters to him.”

“Now that the Ji family is in this situation, I don’t want your third uncle and his family to get involved again...”

“Well, I know, I won’t say it.” Ji Cheng nodded!

When Ji Cheng quickly walked into the hall with Ji Lianjun, he only saw Ji Meiyang and Ji Meiling sitting in the hall eating!

Ji Cheng was stunned and said: “Eldest sister, second sister, I asked you to bring the sixth brother. Where are the others?”

Ji Meiling didn't dare to speak and just looked at Ji Meiyuan.

Ji Meiyuan said: "Brother, those people are liars at first sight. We have brought them into the illusion array and we cannot let them roam around in our Ji family."

"What?" Ji Cheng's eyes widened and he suddenly became furious and said, "Who asked you to do this? I have already confirmed the Ji family's token. How could it be a liar? You are just fooling around."

Ji Cheng roared angrily, while Ji Meiyuan said with aggrieved face: "Who knew you had confirmed the token, and there would be no danger in bringing them into the illusion array. Why are you yelling?"

"Meiyuan, you are so old, you are just fooling around. Go and get the person out of the magic circle quickly. If it is really your third uncle's son, you two will be punished."

Ji Lianjun also said with an ugly expression!

When Ji Meiyuan saw that her father was also angry, she knew that she had gone too far, so she hurriedly called Ji Meiling to fetch Chen Ping and the others!

"These two girls are so annoying. They are naughty all day long."

Ji Cheng looked at the backs of the two people and sighed!

"Cheng'er, this time you secretly followed your second uncle to the Northern Territory. Did you gain anything?"

Ji Lianjun asked Ji Cheng!

"Dad, your guess is right. My second uncle did not find any Yaozun, but went to the Juman Palace. However, because the Juman Palace was heavily guarded, I could not follow him. As for the second uncle who followed the Juman Palace, I don't know what the Lord is discussing."

Ji Cheng replied!

“Hey, your second uncle is too narrow-minded and cruel. Otherwise, why not give him the position of head of the family.”

“I’m afraid your grandpa won’t have much time left now. Your second uncle doesn’t want to think about how to treat your grandpa, but he forms gangs everywhere and wants to seize the position of the head of the family. It really makes me sad.”

Ji Lianjun sighed!

“Dad, if it doesn’t work, let’s take the initiative first. Otherwise, if the second uncle really joins forces with the Juman Palace to deal with us, we will be in trouble.”

Ji Cheng’s eyes flashed fiercely and he said!

Ji Lianjun glared at Ji Cheng coldly and said: “Asshole, that’s your second uncle. Even if your second uncle has the idea of seizing the position of the head of the family and has united with others, he still hasn’t taken action now. How can we? Do it first?”

Chapter: 5247

“Now there are only two of us in the Ji family. When the time comes for brothers and sisters to kill each other, it won’t be anyone else’s advantage. Why don’t we let others laugh at it?”

“Cheng’er, you are a loyal person. Let me tell you, it would be better for your second uncle to betray us than for us to betray him. We must not bear the infamy. Do you understand?”

Ji Cheng lowered his head, feeling very ashamed and said, “Dad, I know...”

Looking at his son, Ji Lianjun patted his shoulder and said, “If your second uncle really joins forces with outsiders to take action, just take your two sisters and leave, and don’t go into this muddy water.”

“And your third uncle’s son, entertain him for a few days and then let him leave. Don’t let him get involved. It’s best not to let your second uncle know his identity.”

“Well, I understand!” Ji Cheng nodded!

At this time, the two sisters, Ji Meiyuan and Ji Meiling, walked into the magic array and prepared to bring Ji Yun and the others out!

“Sister, maybe we really made a mistake this time. The eldest brother even saw the token. Maybe he is really the third uncle’s son and our sixth brother.”

“In that case, what kind of thing are we two doing? No wonder my father is angry.”

Ji Meiling said softly!

Ji Meiyuan also had some nervousness on her face at this moment: “Brother didn’t say that he saw the token. If we made a mistake, just apologize. Anyway, we can’t be hurt in the illusion array.”

“We just need to take people out quickly...”

The two of them hurriedly searched for traces of Ji Yun and the others in the phantom formation, but after wandering around for a long time, they didn’t even see a single figure!

I found that no matter how they turned, they always returned to their original position!

This time, both of them were a little panicked!

“Sister, why are we trapped in the illusion formation and unable to get out?”

Ji Meiling looked around in panic!

“I...I don’t know. I obviously followed the instructions. I’m not supposed to get lost in the illusion array. Why can’t I get out?”

Ji Meiyang was also a little panicked!

Just when the two of them were panicking, Chen Ping and the others had already walked out of the illusion formation!

There is no way to trap Chen Ping with this level of illusion array. Now that Chen Ping even has the source of illusion, if he wants to use the illusion array to trap Chen Ping, it is simply a trick!

Chen Ping and the other two walked towards the hall. At this moment, Ji Cheng and Ji Lianjun were waiting in the hall!

Seeing Ji Yun and the others coming, Ji Cheng hurriedly greeted them: “Sixth brother, I’m really sorry. Your eldest and second sisters were too naughty and brought you into the illusion array. I will teach them a lesson later.” of.”

Ji Cheng hurriedly followed Ji Yun to apologize. After all, Ji Yun had just arrived at Ji’s house and something like this happened, which would inevitably make Ji Yun feel uncomfortable!

Chapter: 5248

“Brother is serious. Sister, the second sister may also be thinking about the safety of the Ji family.”

Ji Yun said with a slight smile!

“Sixth brother, this is my father and your uncle...”

Ji Cheng quickly pulled Ji Yun to Ji Lianjun!

When Ji Yun saw this, he knelt on the ground with a pop, and then kowtowed to Ji Lianjun three times!

“Nephew Ji Yun, meet my uncle...”

Ji Yun said very excitedly!

Ji Lianjun looked at Ji Yun, his body trembled slightly, and his eyes instantly became moist!

“Good boy, get up quickly, get up quickly.”

Ji Lianjun helped Ji Yun up, then looked at Ji Yun and said, “You look exactly like your father. Even without a token, I can recognize you at a glance...”

“Uncle, these are my two friends, Chen Ping and Huo Feng...”

Ji Yun quickly introduced Chen Ping and Huofeng to Ji Lianjun!

Ji Lianjun nodded slightly towards Chen Ping and the others, and then said: “Please take a seat...”

After sitting down, Ji Lianjun said to Ji Cheng: “Cheng’er, go and call your two sisters. Don’t think that if you hide, it will be over if you don’t come in. They must be punished for what happened today.”

“Yes!” Ji Cheng nodded, and then said to Ji Yun: “Sixth brother, where did your eldest and second sister run after they brought you out?”

Ji Yun was stunned for a moment, then shook his head and said: “The eldest sister and the second sister didn’t take us with them. We walked out on our own.”

“What?” Ji Cheng was shocked!

Ji Lianjun was also stunned, and then asked: “Xian nephew, you said you walked out of the illusory formation on your own?”

“Yes!” Ji Yun nodded!

“How is it possible? This illusion formation cost a lot of money and was set up by a formation master. How could it come out so easily?”

Ji Lianjun murmured to himself, somewhat unbelievable!

“Uncle, Mr. Chen is a high-level formation master. As for the magic formation, he is very knowledgeable, so this kind of magic formation will not be difficult for us at all.”

Ji Yun said truthfully!

Ji Lianjun looked at Chen Ping in disbelief. Chen Ping looked so young, but he was actually an array master?

Chapter: 5249

“Master Ji, although your illusion formation is good, it is also full of loopholes. If you encounter someone who uses the formation, it can be broken in minutes.”

“So while I was inside, I slightly changed the phantom array to make it more difficult to break through.”

Chen Ping raised his hands towards Ji Lianjun and said!

“What, you changed the magic array?” Ji Lianjun was shocked, and then said: “Cheng’er, go and see your two sisters. After the two of them went in, the magic array was changed. I’m afraid it’s them Two of them can’t get out.”

Ji Cheng was embarrassed. Now that the magic formation had changed, he couldn’t get out even if he went in, so Ji Cheng looked at Chen Ping.

Chen Ping instantly understood what it meant, so he told Ji Cheng the formula!

“As long as you follow the instructions, you won’t get lost...”

Chen Ping said!

Ji Cheng nodded and ran out!

Soon, Ji Cheng walked in with Ji Meiyang and Ji Meiling!

When the two girls saw Chen Ping and the others, they were immediately surprised!

“How did you get out?” Ji Meiyang asked in confusion!

“Shut up.” Ji Lianjun snorted coldly: “You two are too presumptuous. Your sixth brother has just arrived and you did this to him. Is this the way to treat guests?”

“Hurry up and apologize to your sixth brother. In addition, Mr. Chen is a formation master, so the illusory formation cannot trap them at all.”

“And this Mr. Chen also changed the formation to make it more perfect. Otherwise, why would you be trapped in it?”

When Ji Meiyang and Ji Meiling heard this, they were immediately surprised. They did not expect that Chen Ping was actually a formation master at such a young age!

However, the two of them also knew that they had gone too far, so they hurriedly walked up to Ji Yun and said, “Sixth brother, I’m really sorry, we were wrong, and we didn’t mean to punish you.”

Ji Yun stood up in a hurry: “Eldest sister and second sister, this is just a little joke, I don’t care.”

Then the two of them went to Chen Ping and Huo Feng to apologize, and their attitudes were very sincere, not as naughty as they were at the beginning!

It can be seen that Ji Lianjun's tutoring is very strict this year!

"My dear nephew, how is your father? I never thought that after so many years, he could raise such a sensible son like you."

"Your father was the most naughty when he was young, and your grandpa loved him the most. He has been gone for so many years, and your grandpa has also missed him for so many years."

Ji Lianjun seemed a little sad when he mentioned the past!

Ji Yun felt ashamed when he heard Ji Lianjun's words!

Chapter: 5250

I know best what he was like before. He was just a playboy, who didn't know what a director was!

It was only after following Chen Ping that Ji Yun's temper gradually changed!

"Uncle, my father is very good. Now he has built a Feitian Sect and runs the airship business."

"If it weren't for the recent situation in Feitian Sect, my father would also like to come with us."

"Uncle, I don't know how my grandfather is doing now. I want to see him..."

Ji Yun asked Ji Lianjun!

When Ji Yun heard that Ji Yun wanted to see the old man, Ji Lianjun hesitated!

But at this moment, a servant of the Ji family ran in and said: "Master, it's not good. The old man vomited blood again. Now the three pharmacists are unable to do anything."

"How could this happen? Grandpa's condition is under control, hasn't he?"

When Ji Cheng heard this, he immediately said anxiously!

"Didn't the three pharmacists guarantee that the old man would be worry-free for ten days? Why did he suddenly vomit blood?"

Ji Lianjun also frowned and said with a cold expression!

"I don't know either. Now the three pharmacists are also panicking and saying that there is nothing they can do. That's why I came here to report it."

The servants of the Ji family also looked helpless!

"Uncle, what's wrong with grandpa?"

Ji Yun saw this and asked quickly!

"Oh, your grandpa just has some stubborn illnesses, you don't have to worry."

Ji Lianjun seems unwilling to let Ji Yun know too much!

"Uncle, Mr. Chen is not only a formation master, but also a very powerful pharmacist. Why don't you let Mr. Chen help grandpa take a look?"

Ji Yun knows Chen Ping's medical skills, so it shouldn't be a big problem!

Ji Lianjun just glanced at Chen Ping and then said: "Your grandfather has been suffering from a chronic illness for many years. It's okay."

After saying that, Ji Lianjun looked at Ji Cheng and said, "Cheng'er, you accompany your sixth brother to rest here, and I'll go see your grandpa..."

After Ji Lianjun finished speaking, he hurried away, and Ji Meiyan and Ji Meiling followed him!

Ji Cheng looked at Ji Lianjun leaving, his face full of worry, but he still pretended to be indifferent and said with a smile: "Sixth brother, don't worry, grandpa is always troubled, why don't I accompany you around."
