

The Order 5251

Chapter: 5251

Looking at Ji Cheng's appearance, Ji Yun knew that Ji Cheng was talking!

Ji Cheng is a loyal and honest person, so when he lies, it doesn't feel natural!

"Brother, don't lie to me. Is grandpa seriously ill? Can you take me to see grandpa?"

"Maybe if grandpa sees me and is in a good mood, it will be beneficial to his condition."

Ji Yun said to Ji Cheng!

Ji Cheng looked embarrassed and didn't know what to say!

"Brother, why don't you let me go see grandpa? Are you hiding something from me?"

Ji Yun asked anxiously!

"No... nothing happened?" Ji Cheng didn't dare to look directly at Ji Yun!

"Brother, I know you won't lie. Take me to see grandpa. Maybe we can find a cure."

"Mr. Chen is really a pharmacist, and a very powerful one, I won't lie to you."

Ji Yun stepped forward and begged Ji Cheng!

Ji Cheng finally sighed helplessly and said, "Hey, I can take you there, but you have to promise to do one thing."

“Okay, big brother, please tell me.” Ji Yun nodded!

“After you arrive, you must not say that you are from the Ji family, nor can you say that you are the son of your third uncle.”

“Just say that you were brought here to treat grandpa, and your identity must not be exposed.”

Ji Cheng warned with caution!

“Why?” Ji Yun looked puzzled!

“Don’t ask why. This is all for your own good. You must remember, otherwise you will be in danger.”

Ji Cheng said very cautiously!

Ji Yun wanted to ask something else, but was interrupted by Chen Ping on the side: “Ji Yun, since your elder brother said so, then you should not expose your identity first and just listen to your elder brother’s arrangements.”

“Okay!” Ji Yun nodded!

Seeing Ji Yun’s promise, Ji Cheng led Ji Yun and the others out of the hall, and then walked towards the backyard!

At this moment, in a room in the backyard, Ji Lianjun was sitting on the bedside, and on the bed lay a skinny old man.

Chapter: 5252

The old man’s eyes were slightly closed and he was only breathing weakly!

Beside the bed, Ji Lianying looked at his father with an indifferent expression. Behind Ji Lianying were a man and a woman, his son Ji Yue and his daughter Ji Meizhen.

Ji Meizhen was dressed in fancy clothes and would look at her face in the mirror from time to time without even looking at her grandpa lying on the bed!

On the other side of the bed, three people dressed in pharmacist costumes stood with awkward expressions!

“Didn’t you three promise that the old lady will have no worries within ten days? It’s only been a few days and it’s like this?”

Ji Lianjun roared at the three pharmacists!

“Brother, don’t blame these three pharmacists now that my father is like this. Even if they can guarantee that my father will be worry-free within ten days, what will happen after ten days?”

“So I think we should discuss how to organize father’s funeral first...”

Ji Lianying is such a pharmacist in protecting him!

After all, he chose these three pharmacists.

Ji Lianjun suppressed the anger in his heart, glanced at his younger brother Ji Lianying coldly and said, “Second brother, didn’t you say you would invite the Medicine Master? It has been so many days, has the Medicine Master been invited?”

“Brother, it’s not so easy to hire a medicine master. You don’t know that in our world of gods and humans, medicine masters are very rare. They are all delicious.”

“Not to mention Yaozun, do you think Yaozun can just invite you?”

Ji Lianying said indifferently!

Seeing Ji Lianying's behavior, Ji Lianjun became even more angry. He knew that Ji Lianying didn't go to invite any Medicine Master at all, but went to the Juman Palace in the North Territory!

But now that Ji Lianjun is angry, he can't do anything to his brother, and their father has not yet died!

If the two brothers turned against each other and started fighting in front of their father, they would be laughed at by the world!

"Dad, how is grandpa?"

At this time, Ji Cheng came in with Ji Yun and the others!

Ji Lianjun's face changed slightly when he saw that Ji Cheng had brought Ji Yun!

When Ji Lianying saw Ji Yun and the others, he was also stunned!

"Dad, at this time I found the pharmacists for grandpa and asked them to show him..."

Ji Cheng said quickly!

Hearing what Ji Cheng said, Ji Lianjun immediately understood and said with a cold face: "Where did you find this pharmacist? Can you take good care of your grandfather's illness?"

Chapter: 5253

"Don't worry, these pharmacists are all from other continents. They are very powerful."

Ji Cheng said quickly!

After finishing speaking, Ji Cheng looked at Ji Yun and Chen Ping and said, "Please give me some treatment for my grandpa..."

Chen Ping nodded and walked forward, while Ji Yun followed Chen Ping. Looking at his scrawny grandfather, Ji Yun felt very uncomfortable in his heart, but he couldn't show it!

Ji Lianjun stood up and gave up his seat to Chen Ping, but just when Chen Ping was about to treat the old man, Ji Lianying snorted disdainfully and said: "Ji Cheng, do you think your grandfather died too slowly? You invite so many guys who haven't even grown their hair yet, how dare you call them pharmacists?"

"I have met these three guys. They all came from the Northern Territory. They also secretly inquired about the situation of our Ji family. They probably wanted to come here to defraud money."

After Ji Lianying finished speaking, Ji Yue behind him immediately followed suit and said, "Does even the people in the Northern Territory know that my eldest brother is not smart now? The people he brought here several times said they were from my Ji family, but the result was that fraud."

"This time they brought a pharmacist into the house. They said he was a pharmacist. Do you believe it? Which one of them looks like a pharmacist?"

"Ji Yue, are you eating shit? Are you educated or not? Can you tell me, brother?" Ji Meiyuan pointed at Ji Yue's nose and cursed!

She knew that Ji Cheng was a loyal and honest person and didn't know how to curse, so every time Ji Yue spoke harshly, Ji Cheng would not fight back!

Ji Cheng won't fight back, but that doesn't mean Ji Meiyuan won't!

Among the three siblings, Ji Meiyuan has a stronger temper and is not easy to mess with!

"Who do you think is eating shit? If you have the ability, you can tell me..." Ji Yue became anxious!

“I just said, what can you do?” Ji Meiyang said with a cold smile!

“Ji Meiyang, you are just a bastard. If you have the ability, go out and fight with me. I will beat the shit out of you.”

When Ji Meizhen saw that her brother was deflated, she also spoke up!

“It’s a competition, who is afraid of whom...” Ji Meiyang said with eyes wide open!

“Shut up and quarrel in the old man’s room. Don’t you want to live?”

“Whoever dares to say one more word will be imprisoned in my ancestral land immediately, facing the wall and thinking about the past...”

Ji Lianjun shouted coldly, and he was so frightened that no one dared to say anything anymore!

Even Ji Liangying could only look unconvinced, but he didn’t dare to speak. After all, Ji Liangying was now the head of the family, and he had to listen!

Seeing that Ji Lianjun had the situation under control, Chen Ping stepped forward to check on the old man of the Ji family!

After careful diagnosis and treatment, Chen Ping frowned!

“Mr. Chen, how are you?” Ji Yun asked in a low voice!

Chapter: 5254

Chen Ping did not speak, but looked at Ji Lianjun and said, “Master Ji, who has been treating the old man recently?”

“The three of them...” Ji Lianjun pointed at the three pharmacists and then asked: “What? Is there a problem?”

“Is the medicine you gave the old man still there? Let me take a look...”

Chen Ping said!

Ji Lianjun nodded, and then took out a porcelain bottle from the bedside position, which contained the medicine that the old man took every day!

Chen Ping took the porcelain bottle over, opened it and smelled it!

When the three pharmacists saw this, their expressions were obviously a bit unnatural, and they even looked at Ji Lianjun secretly!

After smelling it, Chen Ping seemed to understand something in his heart. Immediately, a burst of spiritual power entered the body of the old man of the Ji family, and then used his finger as a needle to tap the old man of the Ji family a few times!

After doing all this, Chen Ping stood up slowly and said: “Master Ji, your old man does have a stubborn disease, but it is not enough to kill him so quickly. The reason why he became so weak is entirely because someone drugged him.”

“I have temporarily blocked his lifeline, so he will be fine in the next few days. I will write a prescription and you can just take the medicine according to the prescription.”

“What? Someone drugged me?” Ji Lianjun was startled and then asked: “Who drugged me?”

Chen Ping raised the porcelain bottle in his hand: “The medicine God takes every day contains frost honey flower. Although this flower is also a kind of fairy medicine, it cannot be taken for a long time. If it is taken for a long time, the old man’s body will become weaker and weaker.”

“Damn it, I asked you why grandpa’s disease is getting worse with treatment. It turns out that’s the reason.”

After hearing this, Ji Cheng suddenly cursed!

Being able to make Ji Cheng use foul language shows that he is really angry!

After hearing this, Ji Lianjun frowned and looked at the three pharmacists coldly.

Feeling Ji Lianjun's cold eyes, the three pharmacists trembled with fear!

"Master Ji, don't listen to this kid's nonsense. How old is he? What does he know? There is absolutely nothing wrong with the medicine we gave the old man."

A pharmacist vowed to Ji Lianjun!

"Whether there is any problem, it doesn't matter if I say it, it doesn't matter if you say it. I think there must be a pharmacist association in the yellow and blue city. Just go to the pharmacist association and ask, then you will know whether I am talking nonsense."

Chen Ping said calmly!

When Ji Lianjun heard this, he immediately said to Ji Cheng: "Cheng'er, go and ask right away..."

But just when Ji Cheng was about to leave, the pharmacist immediately said: "We treated the old man, and the elixir we refined was for the good of the old man, but we didn't know that this frost honey flower cannot be taken for a long time."

Listening to the pharmacist's explanation, Ji Lianjun almost died of anger!

Chapter: 5255

"Don't know?" Chen Ping raised the corner of his mouth: "This is common sense. Even the pharmacists who have just started know it. Seeing that you three are quite old, don't you three know it?"

Chen Ping's words left the three pharmacists speechless!

Seeing the expressions of the three pharmacists, Ji Lianjun knew everything in his heart!

"Cheng'er, arrest these three guys. They dare to come to our Ji family to harm people. I will make their lives worse than death..."

Ji Lianjun said with an extremely angry expression!

"Okay!" Ji Cheng nodded, and then called for people to arrest the three pharmacists!

The pharmacist had no strength to begin with, so he was subdued without even resisting!

At this moment, the three pharmacists were completely panicked. They quickly looked at Ji Lianying and said, "Master Ji Er, help me. Master Ji Er, please help us..."

Ji Lianying looked at the three pharmacists with a very ugly face and said, "You three bastards dare to harm my father, and you want me to save you. You are so wishful thinking..."

"Take the three of them out and let them disappear into ashes..."

"Master Ji Er, you can't do this, this is..." A pharmacist struggled desperately and roared loudly!

But before he finished speaking, Na Ji Lianying suddenly waved his hand, and a breath instantly penetrated the pharmacist's chest. In the end, the pharmacist died without even finishing his words!

Seeing that their companions were dead, the remaining two pharmacists were stunned. Then with angry faces, they cursed at Ji Lianying: "You vicious guy, these things we did are all... You told me, and now you actually..."

Bang bang.....

Ji Lianying's expression changed drastically, and he immediately swung out two palms, beating the remaining two pharmacists to death!

Seeing Ji Lianying beating three pharmacists to death, Ji Lianjun's face became extremely ugly!

"Brother, don't listen to these guys' nonsense. They just talk nonsense. Although I found these three guys, I don't know how they diagnose and treat them. I don't know any medical skills."

Ji Lianying hurriedly followed his elder brother to explain!

Although he wholeheartedly wants to replace Ji Lianjun and take the position of head of the family, now is not the time and he must endure it!

Ji Lianjun looked at Ji Lianying, his anger already burning. He didn't expect that his younger brother would dare to do something to kill his father.

It's just that Ji Lianjun can't do anything yet, at least in front of his father!

"Mr. Chen, I'm just kidding. I wonder if you can really cure my father's illness?"

After Chen Ping exposed the three pharmacists, Ji Lianjun's attitude towards Chen Ping also changed a lot!

"Don't worry, Master Ji. Since I dare to say it, there must be no problem. It's just that the herbs I need are hard to find."

Chapter: 5256

Chen Ping said with confidence!

"Don't worry, Mr. Chen. There is a medical clinic in our yellow and blue city, and a medicine master is in charge. He has all kinds of medicinal materials."

Ji Lianjun said!

Chen Ping nodded, then wrote a prescription and handed it to Ji Lianjun!

Ji Lianjun took the prescription and looked at it, then gave it to Ji Cheng and said, "Cheng'er, you immediately go and get the medicine in person according to the prescription..."

"Yes!" Ji Cheng took the prescription and left!

"Lianying, my father has nothing to do now. Please take the people away and let my father be quiet for a while!"

Ji Lianjun said to Ji Lianying!

"OK!"

Ji Lianying didn't dare to say anything and left directly with his children!

Just after Ji Lianying and the others left, Ji Lianjun looked at Ji Yun and said, "Xian nephew, you can take a good look at your grandpa now..."

Ji Yun nodded, and then threw himself on the bed, tears streaming from his eyes uncontrollably!

The old man lying on the bed seemed to feel something and opened his eyes with force, but only opened them for a moment, looked at Ji Yun, and closed them again!

Because the old man of the Ji family is really too weak at the moment. If it weren't for Chen Ping, the old man of the Ji family might not be able to withstand today!

“Nephew, let your grandpa rest!” Ji Lianjun pulled Ji Yun up, and then said to his two daughters:
“Meiyan, Meiling, you two take your sixth brother and the others to rest. No more fooling around this time.”

“Dad, don’t worry, we will never do it again...” Ji Meiyan said in embarrassment!

Ji Meiyan and Ji Meiling led Ji Yun and the others out of the old man’s room!

But when he walked to the front yard, he was suddenly stopped by Na Ji Meizhen!

I saw Ji Meizhen holding a long sword in her hand, and said to Ji Meyan aggressively: “You bitch, do you dare to compete with me?”

When Ji Meiyan was scolded, she became angry instantly. She pointed at Ji Meizhen and said: “You are a thing made by thousands of people riding on thousands of people, and you still dare to scold me. Just compete with me. I have to beat your shit out today.” ...”

“Sister, ignore her. If you compare with her, father will definitely blame you if he finds out.”

Ji Meiling pulled Ji Meiyan and said!

“Sister, leave me alone, I’m going to beat the shit out of this guy today...”

Ji Meiyan put on a posture!

Chapter: 5257

Seeing Ji Meiya follow Ji Meizhen like that, it is probably not the first time for them to compete and fight!

I saw Ji Meiyan slap her waist, and a soft sword popped out from her waist instantly!

And Ji Meizhen also drew out her sword with a cry!

When Chen Ping saw the sword in Ji Meizhen's hand, his brows instantly furrowed.

"Mr. Chen, what's wrong?" Ji Yun on the side saw this and asked in a low voice!

"The sword in Ji Meizhen's hand has demonic energy on it. It is probably a demon sword. I'd better ask your eldest sister to be careful."

Chen Ping said to Ji Yun!

Seeing this, Ji Yun hurriedly stepped forward and said to Ji Meiyuan: "Sister...sister, if you are competing with the opponent, pay attention to the sword in the opponent's hand. Her sword is weird."

"What's weird?" Ji Meiyuan asked!

"This..." Ji Yun hesitated!

"Don't worry, I'm just a defeated general. No matter what kind of sword, it's no match for my soft sword."

Ji Meiyuan was full of confidence, and then she shook her sword in her hand and headed towards Ji Meizhen like a poisonous snake!

Ji Meizhen also rushed out suddenly, and the two of them instantly fought.

The strength of the two people is considered to be between equals, but it can be seen that Ji Meiyuan's strength is slightly better, and the Ruanjian is indeed unexpected, so Ji Meiyuan has the upper hand for the time being!

For a moment, the sword light flashed in the sky and spiritual power roared!

“Second sister, do the two of them always fight like this?”

Ji Yun asked Ji Meiling beside him!

“We fought eight times in ten days, but eldest sister won every time. This Ji Meizhen is no match for eldest sister at all. Don’t worry.”

Ji Meiling said with a smile!

“Miss Ji, have you seen the long sword in Ji Meizhen’s hand?” Chen Ping asked Ji Meiling!

Ji Meiling shook her head: “I’ve never seen it before. This guy often changes the sword in his hand. He always says it’s some kind of magic weapon. But after being defeated by the eldest sister, he will change it again!”

Chen Ping nodded, not saying anything, but he already had an idea in his mind!

At this moment, Na Ji Meizhen began to feel a little frustrated and kept retreating.

Ji Meiyuan raised a sneer at the corner of her mouth and said, “My defeated general is not the same today...”

Chapter: 5258

Just when Ji Meiyuan stood up with her sword, a red light suddenly flashed in Ji Meizhen’s eyes, and then the long sword in her hand began to emit thousands of sword lights, heading towards Ji Meiyuan like a violent storm!

Ji Meiyuan stepped back, and the soft sword in her hand shook slightly in mid-air, making a buzzing sound, and then swung out sword flowers!

The sword light and sword flower collided, emitting a bright light!

At this moment, the long sword in Ji Meizhen's hand seemed to have consciousness, and a burst of black mist emitted directly, wrapping the long sword, and a sword spirit rushed out from the long sword!

Ji Meiyuan had never seen such a scene before. She was stunned for a moment, and the sword spirit automatically waved its sword and came towards Ji Meiyuan to kill!

"What...what is this?"

Ji Meiyuan's eyes were full of horror. She looked pale as she saw the long sword wrapped in black mist automatically attacking towards her!

"Sister..." Ji Meiling couldn't help shouting when she saw this!

When Chen Ping saw this, he immediately used the magic whip, handed it directly to Ji Yun, and then winked at Ji Yun!

Ji Yun understood instantly and shouted directly: "Sister, use this whip to attack..."

Ji Yun threw the magic whip directly towards Ji Meiyuan!

Ji Meiyuan didn't even have time to react, so she grabbed the magic whip in her hand!

The magic whip began to tremble in his hand, and the long sword wrapped in black mist immediately stopped and did not attack forward!

Even a real demon would be scared to see this demon whip, let alone a demon sword!

Seeing that her long sword suddenly stopped and was not attacking, Ji Meizhen was stunned, and then she desperately activated her consciousness to let the demon spirit in the sword attack!

Unfortunately, instead of attacking, the demon spirit turned around and ran away!

Ji Meizhen grabbed her sword and tried to control it, but it was completely useless. The sword started to escape as if it was crazy!

When Ji Meiyuan saw this, she was a little dumbfounded. She didn't understand why the sword turned around and ran away!

However, Ji Meiyuan had no intention of letting Ji Meizhen go. She jumped up and rushed forward, waving the magic whip in her hand and whipped it down!

Snapped.....

With a clear whip sound, the long sword fell down, and the demon spirit in the long sword rose into the air, trying to escape!

When Chen Ping saw this, he immediately swayed and chased after him. The dragon-slaying sword in his hand emitted a ray of light and a huge suction force, sucking the demonic spirit directly into it!

This demon spirit is also a kind of sword spirit, so inhaling it into the Dragon Slayer Sword can make Zhongli, the sword spirit of the Dragon Slayer Sword, recover faster!

Without the long sword, Ji Meizhen was no longer a match for Ji Meiyuan. She was whipped twice by Ji Meiyuan with the magic whip in her hand!

Chapter: 5259

Two deep marks were left on the snow-white skin!

“Ji Meiyuan, you bitch, just wait for me...”

After saying that, Ji Meizhen quickly escaped!

Ji Meiyuan is not chasing her. After all, she is her cousin. It is impossible for Ji Meiyuan to really kill her. Now, just give her a lesson with two whips!

Falling from mid-air, Ji Meiyuan gave the magic whip in her hand to Ji Yun!

“Sixth brother, what kind of whip is this? It’s really useful...”

Ji Meiyuan looked at Ji Yun gratefully and asked!

“This is Mr. Chen’s magic whip. Ji Meizhen used the magic sword just now, so this magic whip is the best to use.”

Ji Yun took the magic whip and then gave it back to Chen Ping!

“Demon Spirit Sword?” Ji Meiyuan was stunned for a moment, and then said angrily: “This bitch dared to use the Demon Spirit Sword, and almost got her in trouble.”

After Ji Meiyuan finished speaking, she looked at Chen Ping, her eyes full of gratitude and said: “Thank you, I didn’t expect you to have such a treasure in your hand, but you’d better hide it, otherwise it will definitely be stolen. .”

Chen Ping smiled lightly and said: “No one can steal my things...”

“Don’t believe it, there are thieves in our Ji family who specialize in stealing things.” Ji Meiyuan said!

“Sister? Is there really a thief in the Ji family?” Ji Yun was stunned. The Ji family is such a big family. Which thief would dare to come and steal things?

“Sixth brother, don’t listen to the eldest sister’s nonsense. She is talking about Ji Yue. This guy eats, drinks, whores, gambles, and often steals things from home and sells them. That’s why the eldest sister said this.”

Ji Meiling explained with a smile!

When Ji Yun heard this, he immediately laughed.

After arranging a place for Ji Yun and others to rest, the sisters Ji Meiyun and Ji Meiling left!

Jijiaji Lianying Mansion!

At this moment, Ji Lianying's face was gloomy and scary. He originally planned to wait for his father to die and then join forces with the Juman Palace to seize the position of head of the family!

But now it seems that the old man will not die soon, and Ji Lianying's plan is about to change!

"Dad, we have to find a way. We must not let them save grandpa. If it doesn't work, we will act in advance."

Ji Yue said with a cold look in his eyes!

"It really doesn't work. It seems that we are really going to kill our father and king. You should contact the Juman Palace immediately and ask them to leave for Huanglan City now. In order to prevent your uncle from attacking us first, we must take precautions."

Chapter: 5260

Ji Lianying knew that after what happened today, his eldest brother would most likely do something to him!

After all, patricide is the most shameful thing and the most unacceptable to Ji Lianjun!

Even though Ji Lianjun didn't say anything today, Ji Lianying knew that it was only a matter of time before his eldest brother attacked him, and he had to be prepared in advance!

“Okay, I’ll notify Juman Palace and let them set off!” Ji Yue nodded!

Just when Ji Yue was about to leave, he found his sister Ji Meizhen walking in!

And he looked depressed and had injuries on his body!

“What’s going on with you?” Ji Yue frowned and asked!

“Why don’t you let that bitch Ji Meiyuan get beaten up? I will take revenge sooner or later...”

Ji Meizhen gritted her teeth and said!

“You kid, you are no match for Ji Meiyuan, why do you always provoke her?”

Looking at Ji Meizhen’s injuries, Ji Lianying said with heartache!

“Hmph, Ji Meiyuan was about to be defeated by me, but one of the guys gave her a whip. It was so powerful that even the Demonic Spirit Sword was scared away when it saw the whip.”

“Without this whip, Ji Meiyuan would definitely have been defeated by me.”

Ji Meizhen said very unconvinced!

“What? You took the Demonic Spirit Sword? Where is the sword now?”

Ji Lianying was shocked and said!

Seeing this, Ji Meizhen lowered her head slightly and whispered: “The sword was destroyed, and the demon spirit in the sword was also killed by a guy...”

“You are too presumptuous. Who asked you to take away the Demonic Spirit Sword? If your uncle knew about this, we would be dead.”

Ji Lianying roared, looking very nervous!

Ji Meizhen was so scolded that she didn't dare to look up!

“Dad, even if my uncle finds out, what can he do? The worst he can do is break up with him, and he will break up sooner or later anyway.”

Ji Yue said with an unconvinced face!

“We are not ready now. If we break up now, we will have no chance of winning.”

Ji Lianying sighed, but suddenly thought of something and looked at Ji Meizhen and said, “You said that after Ji Meyan suddenly held a whip, the Demonic Spirit Sword became frightened and turned around and ran away?”
