

## The Order 5261

Chapter: 5261

“Yes, and as soon as Ji Meyan whipped down the demon spirit sword, the demon spirit sword fell to the ground, and the demon spirit also fled.” Ji Meizhen nodded!

“A whip can make the Demonic Sword so afraid. Could it be...”

Ji Lianying frowned slightly, seeming to be thinking about something. Suddenly Ji Lianying’s eyes lit up: “Is that a magic whip?”

“Dad, what is the magic whip?” Ji Yue asked curiously!

“This magic whip is a good thing. Many demons are afraid of it when they see it. However, this magic whip is in the hands of the ancient body-refining clan in the far north of the northern region. How could it suddenly appear here?”

Ji Lianying looked puzzled!

“Dad, you forgot, the two men and one woman that Ji Cheng found are from the Northern Territory. Maybe there are people from the Ancient Body Refining Clan among them.”

Ji Yue said!

“It’s impossible. These three people don’t have the aura of the ancient body refining clan. The cultivation methods of the ancient body refining clan and those in Juman Palace are very similar. With a little exploration, you can tell. There is no way that these three people are People from the ancient body refining clan.” Ji Lianying shook his head!

“Then maybe they stole this magic whip from the ancient body refining clan.” Ji Yue analyzed again!

“Don’t worry about this for now. Contact Juman Palace right away.”

Ji Lianying waved his hand and asked Ji Yue to inform Juman Palace!

On the other side, Chen Ping and the others were resting.

The fire phoenix has already ridden on Chen Ping: "Master, let me relax you..."

The fire phoenix was charming and charming, looking at Chen Ping as tenderly as water!

Seeing Huofeng like that, Chen Ping smiled helplessly and said: "Huofeng, do you want me to relax, or do you want to suck my blood?"

"Master, wouldn't you like to follow me to the top of Elysium?"

Huofeng looked aggrieved!

"I like it, of course I like it..." After Chen Ping finished speaking, he turned over and pressed Huofeng under him again!

But at this moment, there was a knock on the door!

"Mr. Chen, my uncle has something to do. Let's go there..."

Ji Yun said outside the door!

"Okay!" Chen Ping responded, then stood up quickly!

Huofeng could only sit up, with a look of helplessness on his face!

Chapter: 5262

Walking out of the room, Chen Ping asked, "What happened?"

“Maybe it’s about the prescription. Some jelly grass can’t be bought...”

Ji Yun said!

“Can’t buy it?” Chen Ping frowned: “Although these elixirs are said to be rare, there are so many mountains around this yellow and blue city that they shouldn’t be impossible to buy.”

Several people were talking as they walked towards Ji Lianjun’s mansion!

“Master Ji, what’s going on?”

When he came to Ji Lianjun’s mansion, Chen Ping asked!

“Cheng’er, follow Mr. Chen and explain!”

Ji Lianjun said to Ji Cheng!

“Mr. Chen, there are several kinds of jelly grass you can buy for the medicine you prescribed, but there are several kinds of jelly grass that you can’t buy.”

Ji Cheng said!

“What? Doesn’t this huge yellow and blue city have these kinds of fairy grass?” Chen Ping asked in surprise.

“That’s not true. To buy these kinds of fairy herbs, the pharmacist must buy them in person. If you are not a pharmacist, you will not sell them, even if I move the Ji family out.”

“This pharmacist will have a very high status in our Yellow and Blue City, especially since there is a Medicine Master sitting in charge, so we can’t use force.”

Ji Cheng said very embarrassed!

When Chen Ping heard this, he immediately smiled and said: “So that’s it. It’s not easy. I just need to go with you.”

Chen Ping did not expect that the pharmacists in Huanglan City would be quite formal. Just like many pharmacies in the secular world, some prescription drugs cannot be sold to ordinary people casually. They need to have an order issued by a doctor!

“Then Mr. Lao Chen...” Ji Lianjun said very politely!

“It’s just a little effort!” Chen Ping said with a faint smile!

Chen Ping asked Ji Yun and Huofeng to stay at Ji’s house, while he went to the Pharmacist Association under the leadership of Ji Cheng!

Medicine masters have a relatively high status in the entire heaven and human world. Otherwise, the Jade Cauldron Sect would not be able to survive in the middle of Mingli King City and Demon King City!

Soon, the two people came to the door of the Pharmacist Association. Many people wearing pharmacist costumes came in and out with arrogant expressions!

Although these pharmacists may not be very powerful, they have a very high status!

Because everyone may be injured, sick, or poisoned, and at this time, life and death are in the hands of this pharmacist!

Chapter: 5263

Therefore, no one wants to offend these pharmacists.

Ji Cheng took Chen Ping into the pharmacist association. Although the pharmacists looked arrogant, they all greeted Ji Cheng warmly after seeing him!

After all, the Ji family is a wealthy family in Huanglan City, and is also the actual controller of Huanglan City!

After Ji Cheng brought Chen Ping into the Pharmacist Association, he went directly to a counter selling medicinal herbs!

“Mr. Ji, is this the pharmacist who prescribed you medicine?”

A female pharmacist asked Ji Cheng with a smile!

“Yes, this Mr. Chen is the pharmacist. Can you buy the herbs for the prescription now?”

Ji Cheng asked!

“Of course, you can, but you still need this gentleman to show his pharmacist’s token. In our world of gods and humans, every pharmacist has a token, and it’s universal across all five realms!”

The female pharmacist still smiled and said!

Ji Cheng glanced at Chen Ping, and Chen Ping took out a pharmacist’s token from the storage ring with his backhand!

This pharmacist’s token was issued when I was in Jialing County!

Seeing Chen Ping’s pharmacist’s token, the female pharmacist nodded and started to take the medicine according to the prescription!

Soon, the female pharmacist grabbed all kinds of medicinal herbs, and then said: “Mr. Ji, most of the jelly herbs needed for the prescription are here, except for the songweed. We don’t have this kind of jelly grass here.” It is relatively rare and very precious, so you need to go to Yaozun.”

“You still want to go to Yaozun’s place?”

When Ji Cheng heard this, his expression became a little unnatural!

“What? Doesn’t that Yaozun sell fairy grass?”

Looking at Ji Cheng’s expression, Chen Ping asked in confusion!

“Mr. Chen doesn’t know something. Although the Yaozun also sells various fairy herbs in his hands, not everyone can buy them.”

“Even if you are a pharmacist, you need to pass his assessment. Only if he passes the assessment can you buy the fairy grass in his hand.”

“I heard that this Medicine Master’s assessment is particularly perverted. I’m afraid...”

Ji Cheng didn’t continue, but he was afraid that Chen Ping wouldn’t be able to pass the Yaozun’s test!

“Take me to see if I can pass the test and then try...”

Chen Ping was not confident that he would definitely pass the test of the Medicine Master. After all, to be called a Medicine Master, he must be very accomplished in refining medicine!

Chapter: 5264

“Okay!” Ji Cheng nodded!

After packing all kinds of fairy herbs, Ji Cheng took Chen Ping and left the Pharmacist Association, and then walked towards a magnificent mansion behind the Pharmacist Association!

As soon as I walked to the door, I saw a lot of people already there, all wearing pharmacist's clothes!

"Mr. Chen, this is where the Medicine Master lives. If you want to see the Medicine Master and buy the fairy grass from him, you must go through many tests."

"These people are here for the assessment. If they can meet the Medicine Master, it will be enough to boast in the world of medicine masters."

Ji Cheng introduced!

Chen Ping saw that the people who came here for the assessment were all old pharmacists. After all, they didn't have any rich experience as pharmacists and they didn't dare to come here for the assessment!

"Then let's go in and have a look..."

Chen Ping said and walked towards Yaozun's mansion!

"Hey, what do you do? Haven't you seen so many people? Stop crowding."

"You're a young boy, what are you doing here? Do you want to take an exam?"

"This is the Yaozun's assessment. It's no joke. You'd better leave quickly."

Many pharmacists ridiculed Chen Ping!

After all, Chen Ping is too young. Even if he has some alchemy or medical skills, he won't be very advanced!

“This is the pharmacist invited by our Ji family. Who said that young people can’t take the assessment of the Medicine Master?”

Ji Cheng stepped forward and said!

After all the pharmacists saw that it was Ji Cheng, they all stopped talking!

The Ji family’s face still needs to be given!

Chen Ping saw that no one was talking, so he walked into Yaozun’s mansion!

As soon as he walked into Yaozun’s mansion, Chen Ping felt a wave of phantom formation space!

At this time, several dejected pharmacists slowly revealed themselves!

“Hey, this first level is so difficult, who can pass it...”

“No, this Medicine Lord may not even be able to pass the level.”

“In this illusion, it is too difficult to identify various types of fairy grass by their shape, color and smell.”

Chapter: 5265

Several pharmacists complained!

After listening, Chen Ping finally understood. There was a phantom array in front of him. After entering, there would be various kinds of jelly grass, and the pharmacist needed to use the shape, color and smell of the jelly grass to distinguish them.

But this is not difficult for Chen Ping. You must know that Chen Ping's sea of consciousness contains the Supreme Alchemy Record, and there is also the Daluo Golden Code turned into a wordless heavenly book!

Just when Chen Ping was about to walk into the illusory formation, a sudden noise from behind interrupted him!

"Get out of the way, get out of the way, all of them are incompetent and like to join in the fun."

Following the shouts, a dozen pharmacists wearing white pharmacist uniforms rushed forward and held hands to separate a road. !

Then I saw a white-haired old man, with a rather immortal appearance, wearing a gray cloth robe, slowly walking into Yaozun's mansion!

When they saw this old man, many pharmacists became crazy!

"Yao Zun, Yao Zun....."

"Yao Zun, I love you, I love you..."

"Yao Zun, please accept me as your disciple."

"Yao Zun, can I be your adopted son?"

Many pharmacists roared, and many female pharmacists' eyes shone, wanting to be this old man's wife!

Even when Na Ji Cheng saw Yao Zun, his breathing became a little rapid, and he said excitedly: "I didn't expect to see Yao Zun, it's really great..."

The Medicine Master looked arrogant, with no change in his expression at all. He seemed not to have heard the shouts of the pharmacists around him!

But when he passed by the beautiful female pharmacist, the Medicine Master would smile slightly, and then reach out and touch the female pharmacist's face!

The female pharmacist who was touched trembled with excitement, and some even fainted on the spot!

Chen Ping looked at this scene and felt a sense of déjà vu.

Isn't this the secular world, when big stars appear, that's what it's like!

Many fans shouted crazily, and female fans even showed their love crazily...

It's just that this medicine master is a bit too old. Chen Ping doesn't understand why these beautiful female medicine masters love this old guy!

"What are you doing? Why don't you get out of the way quickly..."

When a pharmacist saw that Chen Ping was still in Yaozun's residence, he immediately yelled!

Chen Ping didn't make a sound and wanted to step aside, but the Medicine Master noticed Chen Ping, so he frowned and said: "You are here to take the test at such a young age. No wonder it is so noisy in front of my mansion. It will be too much in the future." Young pharmacists cannot be assessed."

Chapter: 5266

"Treat my place as a vegetable market, anyone can come in for assessment..."

After saying that, the Medicine Master winked at a pharmacist in white clothes beside him. The pharmacist in white clothes immediately understood and shouted to Chen Ping: "Leave immediately, you are not qualified to take the assessment now!"

“What are you fighting for? Why can’t you take the assessment if you are young?” Chen Ping frowned!

“There is no reason, just say you can’t do it. How dare you contradict me?”

The pharmacist in white suddenly said angrily!

“Yao Zun, this is the pharmacist invited by our Ji family. I want to buy some fairy grass from Yao Zun, so I have to come for the assessment.”

Ji Cheng saw this and hurriedly stepped forward to explain!

The Medicine Master glanced at Ji Cheng coldly, and then waved his hand to make the white-clothed pharmacist retreat!

“For the sake of the Ji family, let him take the test once, but it will be in vain. He won’t be able to pass.”

After the Yaozun finished speaking, he continued to move forward!

Behind him, the white-clothed pharmacists and the female pharmacist who had just been touched by the Medicine Master followed!

Those female pharmacists were all extremely excited, they knew they were chosen!

Maybe you can achieve success!

Looking at the excited female pharmacists, Chen Ping felt a little sad in his heart. These female pharmacists were just playthings, and they would be thrown away after they had enough fun!

It’s ridiculous to really think that you can change your destiny and rise to success!

At this moment, Chen Ping was extremely contemptuous of this medicine master. However, he needed the fairy grass in his hands, so he could only leave it for assessment!

“With this kind of virtue, he is worthy of becoming a Medicine Master. It’s really a great experience.”

Chen Ping whispered!

But just this whispered word made the Yaozun who was leaving suddenly stop!

Yaozun slowly turned around to look at Chen Ping, and then asked: “What did you just say?”

“I said your virtue is not worthy...”

Chen Ping didn’t tolerate this old guy at all, so he retorted directly!

Chen Ping’s words instantly frightened Na Jicheng!

The pharmacists around him were also stunned and looked at Chen Ping in disbelief!

Chapter: 5267

“Where did this guy come from? How brave is he to talk to Yaozun like this?”

“It’s true that newborn calves are not afraid of tigers. I dare to say that Yao Zunde is not worthy of his position.”

“It’s over. Even the Ji family probably won’t be able to protect this kid now.”

Many pharmacists were talking about it, ready to see Chen Ping’s joke!

“Yao Zun, he...” Ji Cheng wanted to put in a good word for Chen Ping!

But before he finished speaking, the Medicine Master waved his hand and stopped him!

Then he looked at Chen Ping coldly and said, “You said my virtue is not worthy of my place?”

“Not bad?” Chen Pingping said without changing his expression!

“Do you know who you are talking to?” Yaozun narrowed his eyes slightly!

“I feel like you have to show your appearance. As for the tests you set, I’m afraid you can’t even pass them, right?”

Chen Ping looked at Yaozun provocatively and said!

The reason why Chen Ping said this was to resonate with many pharmacists!

Because many pharmacists think that the assessment is too difficult, and even the Medicine Master himself cannot pass it!

Sure enough, when Chen Ping said these words, he instantly caused a commotion among many pharmacists!

“I also feel that it is difficult for Yaozun himself to pass the test.”

“That’s right, this test is too difficult. It’s simply an epic level of difficulty.”

“Finally, someone dared to bring it up. I don’t know how the Medicine Lord will deal with it.”

Everyone was talking, but the words they talked about reached the ears of Yaozun!

Listening to everyone's discussion and seeing Chen Ping's provocation, Yaozun's face turned ugly!

"Boy, what do you mean? You want to compete with me?"

Yaozun asked with a cold face!

"What's wrong with comparing!" Chen Ping smiled lightly!

"If you want to compete with me, I'm afraid you are not qualified yet. If you want to compete with me, you must pass this test first!"

Yaozun waved his hand, and the illusion array in front of him became clear!

Chapter: 5268

Everyone only saw a patch of flowers and plants faintly appearing in the void. These were the various fairy grasses in the illusion array!

The content of the assessment is to use the fastest speed to identify the types of grass jelly by taste, shape and color!

"If you want to compete with me, then go in..."

Yaozun snorted coldly!

Chen Ping smiled lightly and walked into the illusion formation without any hesitation!

Various fairy grasses in the magic array swayed in the wind, and the voice of the Medicine Master rang in Chen Ping's ears!

“You have to find out among these fairy grasses the lotus seed heart, Han Gongqiu, wild mugwort, gentian, Qianli and...”

“Remember, you only have ten minutes. If you can’t find these fairy grasses within ten minutes, it will be considered a failure.”

“You are not qualified to compare with me...”

The Yaozun named more than a dozen kinds of fairy grass in succession, which was obviously much more than the number others tested, and he only gave ten minutes, which was too short!

“Are you kidding? It’s impossible to find more than a dozen kinds of fairy grass in ten minutes.”

“Even the Medicine Immortal cannot complete this level of difficulty.”

“This is simply an impossible test. It seems that this Medicine Master is a bit too much to play.”

Everyone is fighting for Chen Ping. This is not an assessment, but a punishment!

No one can find these dozen kinds of fairy grass in ten minutes!

But Chen Ping said nothing, looking at the grass in front of him, his eyes were like radar scanning!

Countless types of fairy grass passed through Chen Ping’s sea of consciousness. The Daluo Golden Code in Chen Ping’s sea of consciousness began to flash, and each type of fairy grass began to be accurately positioned!

I saw Chen Ping walking forward calmly and starting to pick the grass jelly without looking!

It was as if he already knew where the fairy grass was.

Chen Ping found more than a dozen kinds of fairy grass in this field of flowers and plants without even using them for ten minutes!

Chen Ping showed this to everyone!

After looking at the dozens of kinds of fairy grass in Chen Ping's hand and finding them completely without mistake, all the pharmacists were stunned!

Even the Medicine Lord frowned and his expression became a little unnatural!

"Holy shit, what...what's going on here, is it cheating?"

Chapter: 5269

"What are you thinking about, how to cheat in this illusion formation, but this is too outrageous."

"I didn't expect that this young man is really capable. No wonder he dares to challenge Yaozun."

Everyone's eyes widened, staring at Chen Ping in the illusion formation, and their jaws almost dropped in shock!

Chen Ping slowly walked out of the illusion formation, smiled faintly at Yaozun who was still a little shocked and said, "Am I qualified to compete with you now?"

The muscles on Yaozun's face twitched a few times, and then he snorted coldly and said: "Okay, I will compete with you, but is there a bit of a stake in the comparison before?"

"What do you want to bet on?" Chen Ping asked!

“Bet your life!” Yaozun’s face was full of ferociousness!

Chen Ping dared to challenge his majesty in front of many pharmacists, and the Medicine Master would never let him go!

When he heard about the fate of the bet, Ji Cheng panicked and wanted to say something, but Chen Ping waved his hand to stop him!

The other pharmacists all took a breath. They didn’t expect that the Medicine Master would play so hard and risk his life!

Everyone looked at Chen Ping, wondering if they dared to gamble!

“No problem. If you win, you can take my life as you please.”

Chen Ping said without caring!

“This is what you said. So many people can testify, so let’s start competing!”

Yaozun’s eyes were shining, and his face was filled with confidence!

“Wait a minute, what if you lose?” Chen Ping asked!

“I can’t lose.” Yaozun said with great confidence!

“What if you lose? You can’t let me pay the bet myself, right?” Chen Ping stared at Yaozun and asked!

“If I lose, you can make whatever conditions you want.”

Yaozun said!

“Okay, if you lose, I don’t want your life. I just want your mansion and all the fairy grass in it.”

Chen Ping glanced at the magnificent mansion and said!

Yaozun was slightly startled, but did not immediately agree to Chen Ping!

“What? You don’t dare to agree, are you afraid that you will lose?”

Chapter: 5270

“I’d even bet my life on it, but you’re just a piece of shit, don’t you dare?”

“If you don’t dare, just give in, and I’ll take what I need and leave. This mansion is still yours, and you are still the sought-after Medicine Master.”

“You continue to play with those beautiful female pharmacists who are confused by you...”

Chen Ping’s words are full of ridicule!

“Nonsense, who says I don’t dare? If I lose, I’ll give you everything.”

Yaozun said in anger!

“Well, whatever you say, I’ll accompany you!”

Chen Ping made a very gentlemanly gesture of invitation!

Seeing Chen Ping being so arrogant, the Medicine Master lost his grace and said through gritted teeth:  
“As pharmacists, the best way to demonstrate our strength is in elixir refining. We are now refining the same elixir. Let’s see who can refine it.” Fast and good!”

“No problem, what kind of elixir should I refine?”

Chen Ping asked!

I saw Yaozun take out a porcelain bottle from his arms, pour out a pill from it and say: “Then let’s compete to refine this Jade Clear Pill...”

Seeing that the Medicine Master was trying to refine the Jade Clear Pill, many pharmacists were immediately in an uproar!

“This Yuqing Pill is Yaozun’s famous work. It would be a bit unfair to compare it like this, right?”

“Yao Zun is so impatient that he would do this.”

“It’s really out of character to compete with others using your best elixir.”

Everyone sneered at Yaozun’s approach, but they only dared to say it secretly and did not dare to question it openly!

As if the Medicine Master didn’t hear what others were saying, he looked at Chen Ping coldly and said, “Do you dare to compete with me?”

“Why don’t you dare? Just show me the prescription of the Yuqing Pill. I have never refined this kind of pill!”

Chen Ping said to Yaozun!

“You want to see the prescription?” Yaozun was stunned!

“Nonsense, I still don’t know the ingredients of this elixir and how to refine it. Of course I have to look at the elixir recipe, but I only need a glance.”

Chen Ping said impatiently!

Although the Medicine Master looked ugly, he still gave the elixir to Chen Ping!
