

The Order 5271

Chapter: 5271

After all, the other party has never even refined this kind of elixir. Just looking at the elixir recipe alone will not defeat him no matter what.

But when they saw that Chen Ping had never refined Yuqing Pill before, and still dared to compete, everyone almost fainted!

This is a life-threatening competition!

But Chen Ping sharpened his skills in battle?

If this can compare with Yaozun, then it will really be a ghost.

Yuqing Pill is Yaozun's best pill!

Although Ji Cheng on the side didn't know how to refine elixirs, he had never seen such a temporary prescription for elixirs!

"Although this guy has some abilities, this time he has overstated his awesomeness. Watching the elixir refining live, let alone winning, I am afraid that he may not be able to refine the Jade Clear elixir."

"I really don't know what is going on in this guy's mind. This Yuqing Pill is even a prescription. If I don't refine it for a few months, the success rate will not be reached. I still want to compete with Yaozun."

"It's so funny. Isn't this a joke with my life? If I can defeat the Medicine Master by cramming like this, I will kowtow and become my disciple."

Everyone was talking about Chen Ping's performance of sharpening his skills in battle!

And the Medicine Lord also sneered when he saw Chen Ping looking at the pill recipe seriously!

“Okay, I’ve finished reading, and I can start...”

Chen Ping returned the prescription to Yaozun!

“Are you sure you are comparing yourself to me like this?” Yaozun looked at Chen Ping with doubts on his face to confirm again!

“Of course, a man’s words are hard to follow. In front of so many people, since I promised you, I will definitely compete with you.”

Chen Ping said with confidence!

“Okay, it looks like I’m going to punish you for being such a stubborn person today.”

After the Yaozun finished speaking, he immediately waved his hand and asked his men to bring out two furnace cauldrons!

Chen Ping took one look and then waved his hand and said: “I have my own furnace, I don’t need this...”

“Boy, this is a high-end cauldron. It has the effect of getting twice the result with half the effort in refining alchemy. Are you sure you don’t want to use it?”

Yaozun looked at Chen Ping in confusion!

“This kid is just fooling around. The cauldrons Yaozun took out are all high-end goods.”

“I want to see what kind of cauldron this guy can have, even the advanced cauldron prepared by Yaozun!”

Chapter: 5272

“Don’t end up with scraps and scraps. That would be embarrassing.”

Everyone was talking quietly!

“What kind of elixir can you use to prepare a piece of junk like you? Of course I won’t use it!”

Chen Ping said with disgust!

When Yaozun heard that Chen Ping actually described his cauldron as scrap metal, he immediately got angry and said, “Okay, I want to see what good cauldron you have.”

After saying that, Yaozun asked his men to carry one of the furnace cauldrons away!

“Okay, take out your cauldron!”

Yaozun said in a tone of waiting to see a joke!

Everyone was also staring at Chen Ping to see what kind of cauldron Chen Ping could come up with!

I saw that Chen Ping was not in a hurry and took out the Shennong Cauldron from the storage ring.

The moment Shennong Ding appeared, the scene was suddenly enveloped in a simple and sacred aura!

“This...this...is this Shennong Ding?”

The moment he saw the Shennong Cauldron, Yaozun’s eyes widened and he was dumbfounded!

Everyone else was stunned for a moment, their eyes widened, their mouths opened, and their mouths were leaking out!

“Oh my God, Shennong’s Cauldron, this is the ancient divine cauldron...”

“No wonder this kid is so arrogant. It turns out he has the Shennong Cauldron in his hand.”

“Compared with the Shennong Cauldron, the cauldron that Yaozun took out just now is really broken.”

Everyone went crazy and kept talking!

“Now it’s time to compete. Take out the various fairy herbs you need.”

Chen Ping said to Shennong Ding Yaozun who was still looking straight at him!

“Okay!” Yaozun nodded, and then ordered people to bring out the various fairy herbs used to refine the Jade Clear Pill!

But at this moment, Yaozun’s face no longer had the confidence he had just now. After all, Chen Ping directly took out the Shennong Cauldron, which shocked Yaozun’s confidence!

This Shennong Cauldron was like a king’s explosion, it directly exploded Yaozun and made him uneasy!

“Yao Zun, calm down, as long as you win, this kid will definitely die, but the Shennong Cauldron will be yours.”

Chapter: 5273

Seeing that Yaozun was restless, one of his men came forward and whispered!

When Yaozun heard this, his face suddenly became happy, and then he looked greedily at the Shennong Cauldron again!

“Boy, let’s get started now. Whoever refines the Jade Pure Pill in the purest way and in the shortest time will win.”

Yaozun said!

“No problem...” Chen Ping nodded!

With the sound of a gong, the competition officially began. Everyone watched attentively, wanting to see the ancient Shennong Cauldron refining the elixir!

After the competition began, Yaozun immediately fired a spiritual fire, then observed the intensity of the spiritual fire, and began to put the fairy grass into the cauldron at different times!

This is a necessary step in refining the elixir. You must control the temperature of the spiritual fire and pay attention to the order in which the various fairy herbs are placed!

But Chen Ping was different. He saw Chen Ping throwing all kinds of fairy grass for refining the Jade Clear Pill into the Shennong Cauldron!

Then he held up a blue spiritual fire in his hand and saw it shot into the Shennong Cauldron!

In an instant, a raging fire broke out inside the Shennong Cauldron!

Seeing this scene, everyone was stunned!

Even the Yaozun on the side stopped the fairy grass in his hand and looked at Chen Ping in disbelief!

He has seen many methods of refining medicine, but never this one. How can there be such a method for refining elixirs?

Throwing all kinds of immortal herbs in and then burning them, if you can refine the elixir, that would be nonsense!

“Is this alchemy? I think it means lighting a fire to cook?”

“Is this method of making alchemy sure it won’t explode the furnace?”

“In all my life, this is the first time I have seen this kind of alchemy method.”

Everyone is talking about it!

Yaozun moved his cauldron further away. He was afraid that Chen Ping’s cauldron would explode and hurt himself!

Seeing the flames in Chen Ping’s Shennong Cauldron getting smaller and smaller, Yaozun remembered that he was also refining the elixir, so he concentrated on refining it!

Everyone else also stepped back, fearing that Chen Ping’s Shennong Cauldron would explode!

Ji Cheng looked at Chen Ping’s alchemy method with confusion on his face. He didn’t know how to make alchemy, but he had seen many pharmacists making alchemy, and they had never used this method!

“Mr. Chen, what kind of method are you using to make elixirs? Is this possible?”

Chapter: 5274

Ji Cheng asked in surprise!

“Wait a moment and you’ll know if it works.”

Chen Ping smiled lightly!

Just as Chen Ping finished speaking, there was a sudden bang, which shocked everyone!

Everyone thought Chen Ping’s Shennong Cauldron had exploded!

I saw a white gas rising into the sky from the Shennong cauldron, and a medicinal fragrance came out of the cauldron!

Along with the medicinal fragrance, a colorful brilliance flashed in the sky, and a very beautiful red cloud formed!

“Danyun, this is Danyun. I have never seen such a beautiful Danyun.”

“Oh my god, refining a small Jade Pure Pill can actually form a pill cloud. What kind of pill refining technique is this?”

“You don’t need to look at the Yuqing Pill. Just the appearance of the Danyun, you know that this kid must have won. Yaozun has refined countless Yuqing Pills, and this time Danyun has never appeared.”

Everyone looked at the Danyun in mid-air in stunned silence, as if they were struck by lightning!

Yaozun looked at the elixir, sat down on the ground, and then rubbed his eyes vigorously. He couldn’t believe that this was the elixir cloud formed by Chen Ping’s refining of the elixir!

After a long time, everyone gathered around, and a middle-aged pharmacist said to Chen Ping: “Young man... no, no, no, master, can we take a look at the Yuqing Pill you refined?” ?”

“Of course!” Chen Ping threw the refined Yuqing Pill over without hesitation!

The middle-aged pharmacist pressed the Yuqing Pill and observed it carefully. If the others also came forward and watched carefully!

I saw that the Jade Qing Dan refined by Chen Ping was full of color and fragrant. I knew it was the best at a glance!

These people are all pharmacists and they all know their stuff.

“It’s so perfect. This is the most perfect Yuqing Pill I’ve ever seen.”

“To be able to refine such a perfect Yuqing Pill in just a few minutes is simply a miracle!”

“With such alchemy skills at such a young age, he will definitely become a medicine fairy in the future.”

Everyone praised Chen Ping’s Yuqing Pill!

Even Yaozun, who had fallen to the ground, got up at this moment and hurriedly came over to take a look at the Jade Clear Pill!

Under inspection, Yaozun’s face became extremely ugly!

The Yuqing Pill refined by Chen Ping was indeed perfect, and it also led to the Danyun. With this method, Yaozun knew that he had lost!

Chapter: 5275

“Mr. Chen, I didn’t expect you to be so powerful...”

Ji Cheng looked at Chen Ping in shock!

He never expected that Ji Yun's random friend would have such awesome alchemy skills!

Even their Yellow and Blue City Medicine Master was defeated by his hands!

At this moment, Ji Cheng respects Chen Ping even more!

"Yao Zun, I wonder who will lose and who will win in our competition?"

Chen Ping looked at the Yaozun and asked!

Yaozun looked at Chen Ping with embarrassment and shame on his face and said, "You win..."

"Since I win, does this mansion and all the fairy grass belong to me?"

Chen Ping smiled lightly!

"Yes, I will take you to the place where the fairy grass is kept. After handing over, I will leave."

Yaozun nodded!

Although this medicine master is very arrogant and quite lustful, he still has some courage. After all, he dares to bear the consequences if he loses!

Seeing that the Medicine Lord still had some energy, Chen Ping said: "I'm just passing through here. I don't have time to manage this mansion and the many fairy herbs. You can stay here to help me manage it."

Yaozun was stunned for a moment, then understood Chen Ping's intention, and said with excitement: "Thank you, Mr. Chen, I will do my best to help Mr. Chen protect this place..."

“Master, please accept me as your disciple...”

“Master, accept me, accept me...”

“Master Chen, I love you, I am willing to do anything for you, I am willing to sleep with you!”

Many pharmacists knelt down and wanted to worship Chen Ping as their teacher!

Some female pharmacists shamelessly wanted to use their bodies to seduce Chen Ping!

However, Chen Ping ignored these people and asked Yaozun to take them to get the fairy grass.

After getting the songbird grass, Chen Ping and Ji Cheng returned to Ji’s house!

Already having enough fairy grass, Chen Ping started refining the elixir!

During this period of time, Ji Cheng told Ji Lianjun exactly what he saw and heard at the Pharmacist Association!

Chapter: 5276

“What? You didn’t lie to me, did you? Even the Medicine Master was defeated by Mr. Chen?”

Ji Lianjun said with a surprised look!

“Dad, it’s absolutely true. Mr. Chen’s alchemy skills are at the pinnacle. Didn’t you see that the originally arrogant Medicine Master lowered his head in front of Mr. Chen?”

Ji Cheng was so excited when he thought of that moment at Yaozun’s mansion!

“It’s incredible. I didn’t expect that the friends your sixth brother brought would be so powerful. It seems like your grandfather’s illness can really be cured.”

Ji Lianjun sighed!

“There must be help. I don’t know where my sixth brother met a pharmacist like Mr. Chen.”

Ji Cheng said curiously.

“Cheng’er, go find your sixth brother. I want to ask him how he knows a pharmacist like Mr. Chen...”

Ji Lianjun also wants to know how Ji Yun and Chen Ping met!

Ji Cheng nodded and then found Ji Yun!

Facing Ji Lianjun’s inquiry, Ji Yun didn’t hide too much and told everything about following Chen Ping!

Ji Lianjun and Ji Cheng were both stunned when they heard Chen Ping’s various deeds!

None of them could have imagined that Chen Ping, a young monk who only seemed to be in the Fusion Realm, could actually defeat the Tribulation Realm!

And he dared to offend the Demon-Sealing Alliance and kill the sub-ruler of the Demon-Sealing Alliance!

“Sixth Brother, you are not lying, are you? If you say so, this Mr. Chen is really a strange person.”

Ji Cheng couldn’t believe it. After all, everything Chen Ping did exceeded their knowledge!

“The Demon-Sealing Alliance, how dare he provoke the Demon-Sealing Alliance?”

Ji Lianjun’s brows wrinkled slightly!

After a while, Ji Lianjun told Ji Yun: “Xiannephew, remember, don’t mention Mr. Chen’s identity to anyone. If Mr. Chen really cures your grandfather, I will give you a sum of resources. Hurry up.” leave here.”

“In addition, it is a long way to go to Tianmo Mountain. You need a teleportation array. I can send someone to send you to Zhuhuang City. There is a teleportation array there that can teleport you to the southern region.”

“Uncle, is something going to happen to our Ji family? I always feel that you and eldest brother are hiding something from me.”

Ji Yun looked at Ji Lianjun doubtfully and asked!

“It’s okay. In this yellow and blue city, our Ji family is the God. If anything happens, don’t think about it and let your elder brother take you around.”

Chapter: 5277

Ji Lianjun patted Ji Yun’s shoulder, and then asked Ji Cheng to take Ji Yun away!

On the other side, after a night of refining, Chen Ping refined the elixir for the old man of the Ji family and prepared to send the elixir to Ji Lianjun!

But as soon as he walked out of the door, he saw sisters Ji Meiyun and Ji Meiling lingering at the door!

“You two, what’s the matter?”

Chen Ping saw the two of them and asked aloud!

“Mr. Chen, we sisters are here specifically to apologize to you, and my sister also wants to thank you.”

“Some time ago, our sisters did misunderstand you, and I hope Mr. Chen won’t be offended.”

“Thanks to Mr. Chen’s whip yesterday, my sister was able to defeat Ji Meizhen.”

Ji Meiling looked at Chen Ping gratefully and said!

“It doesn’t matter, Ji Yun and I are friends, these things are nothing.”

Chen Ping said with a faint smile!

“Mr. Chen, do you have time? We would like to invite you to take a walk on the street so that you can appreciate the beautiful scenery of our yellow and blue city.” Ji Meiling asked

“I’m just about to go find your father. Your grandfather’s elixir has been refined and is ready to be taken.”

Chen Ping said!

“Then we will take you there...” Ji Meiling said enthusiastically!

Chen Ping nodded, and then followed the two sisters towards Ji Lianjun’s mansion!

Along the way, Ji Meiling was always talking and laughing with Chen Ping, but the more powerful Ji Meiling was like a shy girl at the moment, always looking at Chen Ping secretly without saying a word!

There was a special emotion in Ji Meiyuan’s eyes when she looked at Chen Ping. Chen Ping could actually detect it, but he pretended not to know anything!

This Ji family is just a passerby. In a few days, they will leave for Tianmo Mountain!

Chen Ping didn't want any emotional entanglements to remain in these few days!

And Chen Ping has no shortage of women. Huo Feng is always by his side. If Chen Ping is in need, Huo Feng can definitely help him solve it!

Ji Lianjun's mansion is at the very back of the Ji family, which is also the edge of Huanglan City!

Behind is a group of mountains, and the Ji family's large mansion is built against the mountains!

The entire Yellow and Blue City is built on the mountain, surrounding the Ji family's large mansion!

Chapter: 5278

Chen Ping looked at the mountains not far away and suddenly paused, as if he felt a familiar yet unfamiliar atmosphere!

Seeing Chen Ping suddenly stop and staring blankly at the mountains not far away, Ji Meiling quickly asked: "Mr. Chen, what's wrong with you?"

"Oh, it's nothing!" Chen Ping quickly shook his head!

"In those mountains is the ancestral land of our Ji family. All the ancestors of our Ji family are buried there. Only the men of our Ji family can enter that place, and we girls are not allowed."

Ji Meiling followed Chen Ping and introduced!

Chen Ping looked at Ji Meiling and couldn't help but laugh. He felt that this girl was too innocent to say such a thing to him!

In any case, Chen Ping can be regarded as an outsider, but this time Ji Meiling was not at all defensive and even revealed the ancestral land of the Ji family!

Soon, Chen Ping was brought into Ji Lianjun's mansion. Ji Lianjun saw Chen Ping coming and hurriedly got up to greet him!

After hearing about Chen Ping's various glorious deeds yesterday, Ji Lianjun respects Chen Ping even more!

"Mr. Chen, what do you need from me? If you need anything, just send someone to call me."

Ji Lianjun said very politely!

"Master Ji, I have already refined the old man's elixir. Now you just need to take the medicine according to my instructions. I will ensure that the old man can move within three days and he will be fully recovered in ten days."

Chen Ping said confidently!

Looking at Chen Ping's confident look, Ji Lianjun believed Chen Ping's words. After all, Chen Ping's alchemy skills were even surpassed by the Medicine Master!

"Mr. Chen, thank you so much. Your kindness will be unforgettable to our Ji family..."

Ji Lianjun said with gratitude!

"Master Ji, you're welcome. I am friends with Ji Yun. These are what I should do."

After Chen Ping finished speaking, he handed the elixir he refined to Ji Lianjun.

After exchanging a few words, Chen Ping turned around and was about to leave. Just as he was walking to the door, Chen Ping suddenly stopped and looked at Ji Lianjun curiously: "Master Ji, on the way here, I saw the place not far away. There is a faint source of energy surging in the mountains, what is going on?"

Chen Ping was very curious as to how the original aura could exist in the ancestral land of the Ji family.

Hearing Chen Ping's question, Ji Lianjun was stunned and didn't react for a moment!

When Chen Ping saw Ji Lianjun's reaction, he quickly said: "Master Ji, I'm just curious and want to ask. If it's not convenient to say it, then don't say it..."

Chen Ping knew that this was his secret after all, and even if he didn't tell it, Chen Ping wouldn't care!

"Mr. Chen, there is nothing inconvenient!" Ji Lianjun smiled faintly, then looked at Ji Meiyun and Ji Meiling and said, "You two go out to play, I will chat with Mr. Chen for a while..."

Chapter: 5279

After Ji Lianjun drove away his two daughters, he turned to Chen Ping and said, "Mr. Chen, to tell you the truth, that is the ancestral land of our Ji family. Our ancestors of the Ji family all died there, so that ancestor The earth retains the origin of our ancestors of the Ji family."

Ji Lianjun's words immediately made Chen Ping even more confused: "Master Ji, the original power comes from heaven and earth. After the monk dies, the original space dies, and the original power in the original space will return to heaven and earth. How can human beings Even after death, does the origin still remain?"

"Mr. Chen, you are right. After death, everything will turn into nothingness, and all kinds of power and breath will return to the world."

"However, there is another possibility, that is, in a void world, or setting up a magic circle to form an alien space, the original power of the monks who died in it will not dissipate between heaven and earth, but will be Stored in this void world, it forms the original power of chaos and ownerlessness."

"These original powers can be directly absorbed and refined, so they can be regarded as resources left by the ancestors to future generations after their death."

"But Mr. Chen is only a Fusion Realm monk, how can he know the origin? And he can also feel the aura of the origin?"

Ji Lianjun is very curious!

You must know that many experts come to the Ji family as guests, but they have never noticed the original aura of the Ji family's ancestral land!

"To be honest, I now have the power of the source, so I am more sensitive to this source aura."

Chen Ping saw that Ji Lianjun didn't hide anything from him this time, so he directly told him that he had the power of origin!

"What?"

Ji Lianjun's eyes widened in an instant, with a look of disbelief on his face: "With the cultivation level of the Fusion Realm, you can understand the original power? Isn't this too outrageous?"

"I wonder how much of Mr. Chen's origin space has been opened and what does it look like?"

Chen Ping thought for a while and then said: "It's the starry sky..."

As soon as Chen Ping finished speaking, Ji Lianjun was stunned, and then shook his head and said: "Mr. Chen, don't be kidding me. With the cultivation of the Fusion Realm, being able to open the original space and realize the power of the source is already the highest level in the world." So proud."

"I have never heard that the original space will be the cosmic starry sky. That is simply impossible."

Seeing that Ji Lianjun didn't believe it, Chen Ping could only smile slightly and said: "Master Ji, if you don't believe it, you can sacrifice a ray of divine consciousness and go to my original space to have a look..."

Ji Lianjun looked at Chen Ping and found that Chen Ping didn't seem to be joking. He said with a little doubt: "Okay, then I'll take a look..."

A ray of consciousness instantly emanated from Ji Lianjun's sea of consciousness. Chen Ping did not stop him and directly let this ray of consciousness enter the sea of consciousness!

Immediately afterwards, Chen Ping brought Ji Lianjun into the original space!

Ji Lianjun looked up at the starry sky and the countless stars in the sky, and he was completely stunned!

Although the stars are all dark at first sight, with these countless stars and this endless origin space, God knows how many origins Chen Ping can perceive and how much origin power he can store!

"It's terrible, it's really terrible..." Ji Lianjun looked at it in shock and suddenly pointed at three shining stars and asked: "Mr. Chen, do those three shining stars mean that you have realized something?" Are there three origins?"

Chen Ping nodded and said: "Yes, I have understood the origin of thunder and lightning, the origin of fire, and the origin of illusion."

Chapter: 5280

"No wonder, Mr. Chen has realized the origin of illusion. Then our Ji family's illusion formation is just childish in front of Mr. Chen."

"It seems that I have always underestimated Mr. Chen. I am really blind. It seems that I am totally wrong to judge a person based on his realm alone."

Ji Lianjun was deeply shocked!

He had never dared to imagine that a young monk in the Fusion Realm would have an original space like the universe and the starry sky in his body, and could also comprehend three kinds of original powers. If he hadn't seen it with his own eyes, he wouldn't have believed it even if someone told him. of!

Ji Lianjun's consciousness retreated from Chen Ping's body, and he was extremely shocked and excited!

“Master Ji, you don’t have to be so excited. I am just an exception. There are not many like me.”

“If everyone was like me, the human world would have become a desolate place that day.”

Chen Ping said with a faint smile!

The resources Chen Ping needs to improve are several times or even ten times that of other monks. If the heaven and human world were the same as Chen Ping, all these resources in the human world would have been exhausted that day!

“After meeting Mr. Chen, I finally understand the true meaning of there is someone outside the world and there is a sky outside the world.”

Ji Lianjun sighed with emotion!

Coming out of Ji Lianjun’s mansion, Chen Ping found that sisters Ji Meiyuan and Ji Meiling were still waiting for him!

“Mr. Chen, it’s okay now. Let’s go shopping together?”

After Ji Meiling saw Chen Ping, she hurried up to greet him and said!

Seeing Ji Meiling’s enthusiasm, Chen Ping couldn’t refuse, so he had no choice but to nod: “Okay!”

Hearing Chen Ping’s promise, a smile appeared on Ji Meiyuan’s face!

After walking out of Ji’s house, the three of them walked on the busy street. Ji Meiling began to trick Chen Ping into giving him various information!

“Mr. Chen, who are you, that Fire Phoenix girl with you?”

Ji Meiling asked pretending to be casual!

“Friend!” Chen Ping replied!

“Are you just friends? I see you two are resting in the same room.”

Ji Meiling looked at Chen Ping and asked!

When Chen Ping heard this, he could only smile lightly and did not answer him!

Chen Ping didn't expect that this girl Ji Meiling would secretly observe him!
