

## The Order 5281

Chapter: 5281

Seeing that Chen Ping was silent, Ji Meiling asked again: "Mr. Chen, is Miss Huofeng your woman? How many women do you have?"

Chen Ping was stunned and looked at Ji Meiling blankly, wondering why this girl asked such a question!

Seeing Chen Ping like that, Ji Meiling said: "Mr. Chen, you don't have to be embarrassed. For a capable man like you, it's nothing to have three wives and four concubines. But I heard from my elder brother that your alchemy skills, much more powerful than our Yaozun from Huanglan City."

"Even our Medicine Master in Huanglan City has more than a dozen women. If you are so capable, ten or eight women are not too many."

Chen Ping was stunned for a moment after hearing Ji Meiling's words, because he didn't seem to have counted how many women he had!

Along the way, the number of women around him continued to increase, and he unknowingly accepted these women!

But no matter what, Chen Ping can never forget Su Yuqi!

He will never forget his promise to Su Yuqi that he will give Su Yuqi an unforgettable wedding.

Seeing that Chen Ping was stunned and seemed to be thinking about something, Ji Meiling wanted to ask something else, but was interrupted by Ji Meiyuan on the side: "Little sister, are you annoying with your nagging? Are you not annoying?" Mr. Chen is also annoyed."

"I agreed that I would take Mr. Chen out shopping, and I didn't just listen to your nagging."

"Okay, I won't say anything anymore. Sister, I feel sorry for you..." Ji Meiling chuckled and ran away!

Ji Meiling did it on purpose, deliberately creating opportunities for Chen Ping and Ji Meiyuan to be alone!

“This damn girl...” Ji Meiyuan glared at Ji Meiling, then looked at Chen Ping and said, “Mr. Chen, don’t worry, my sister is a talkative sometimes.”

“It doesn’t matter...” Chen Ping smiled slightly!

“Mr. Chen, let’s go to the front and have a look. There are a lot of things selling in front...”

Ji Meiyuan takes Chen Ping and continues to move forward!

But just after taking two steps, I heard Ji Meiling’s shout!

“You bastard, let me go, let me go...”

Ji Meiling shouted loudly!

Hearing this voice, Chen Ping and Ji Meiyuan quickly ran forward!

Not far in front, a tall young man was grabbing Ji Meiling’s wrist and said with a teasing look on his face: “Beauty, you bumped into me. If you don’t apologize to me, do you want to Run?”

The young man was very strong, and Ji Meiling couldn’t break away at all. Behind the young man, there were several people following, all of them laughing!

Many people watching around were all shocked!

“Who is this stupid big man? He dares to tease even the eldest lady of the Ji family?”

Chapter: 5282

“At first glance, he looks like he’s from out of town. He’s teasing the eldest lady of the Ji family. He doesn’t want to live anymore.”

“Looking at their body shape, they look very much like people from the Juman Palace.”

Everyone was talking, but no one dared to step forward to help!

“You bastard, let go of my sister quickly...”

Ji Meiyuan rushed forward with anger on her face. When she saw Ji Meiling being grabbed by the young man, she shouted loudly!

The young man saw Ji Meiyuan, and then looked at Ji Meiling, and his eyes suddenly shone!

“It turns out they are twins. It’s great. It seems that as soon as I arrive in this yellow and blue city, I can enjoy a double flight, and they are also twin sisters.”

“It’s exciting just thinking about it. I’m going to enjoy it for a while.”

The young man spoke freely and humiliated the two sisters Ji Meiyuan and Ji Meiling!

Ji Meiyuan’s face was red with embarrassment, but in the hands of that young man, Ji Meiling didn’t dare to act rashly!

“Let him go...” At this time, Chen Ping also stepped forward, looked at the young man in front of him and said sternly!

The young man looked at Chen Ping, frowned and said, “So it’s you?”

This young man was none other than Qin Jingyun, the eldest son of Juman Palace, who almost had a conflict with Chen Ping during the teleportation formation in Juman Palace!

Qin Jingyun and the others were also invited by Ji Lianying and came to Huanglan City!

Unexpectedly, Qin Jingyun discovered the beautiful Ji Meiling just after arriving in Huanglan City!

Of course Qin Jingyun, who was very lustful, would not miss this great opportunity. He deliberately collided with Ji Meiling and then arrested Ji Meiling!

“Mr. Chen, do you know this person?” Ji Meiyuan looked at Chen Ping and asked!

Chen Ping nodded: “This is the young master of Juman Palace, his name is Qin Jingyun. When I first came to Huanglan City, I almost had a conflict with this guy while riding the teleportation array!”

“People from the Northern Territory Juman Palace?” Ji Meiyuan frowned, and then asked in confusion: “What are they doing in our Yellow and Blue City?”

Chen Ping shook his head: “I don’t know either!”

Chen Ping didn’t know that these people from Juman Palace were invited by Ji Lianying!

“Boy, please mind your own business and get out of here. I won’t trouble you about what happened in the past.”

“If you dare to meddle in other people’s business, I will make you walk around without food.”

Qin Jingyun threatened Chen Ping!

Chapter: 5283

“I can’t see that it’s you who’s teasing you, right? Do you know who you’re arresting? That’s the eldest daughter of the Ji family. Do you think you can get out of here if you touch the eldest daughter of the Ji family?”

Chen Ping moved the Ji family out. After all, the Ji family has absolute authority in Huanglan City!

When Qin Jingyun heard that he was holding the eldest daughter of the Ji family, he was slightly startled.

Then a Juman Palace disciple came over and whispered: "Young Master, I have asked, this is indeed the eldest lady of the Ji family."

When Qin Jingyun saw this, he could only let Ji Meiling go!

But when he let go of Ji Meiling, Qin Jingyun slapped Ji Meiling on the butt!

This cowardly guy, even if he knew that Ji Meiling was the eldest daughter of the Ji family, he still had to take advantage!

Ji Meiling's face turned red with embarrassment. She instantly pulled out a long sword from her waist and said, "You gangster, I'll kill you..."

"Little sister..." Ji Meiyuan saw this and hurriedly stopped Ji Meiling!

Now they are no match for people like Qin Jingyun. If they take action now, they will definitely suffer!

As long as these people don't leave Huanglan City and tell Ji Lianjun when they go back, Ji Lianjun will definitely seek justice for his daughter!

"Sister, don't stop me, I'm going to kill this stinky gangster..."

Ji Meiling shouted with anger in her eyes!

In public, as the eldest lady of the Ji family, how could Ji Meiling not be angry when someone touched her butt!

“Little sister, you are no match for him. When we go back, tell your father and let him make the decision for you.”

Ji Meiyuan pulled Ji Meiling and said!

“Miss Ji, these guys from Juman Palace are quite powerful, you should calm down!”

Chen Ping also said to Ji Meiling!

Chen Ping’s words made Ji Meiling quiet down, and then she glared at Qin Jingyun and said, “Wait for me, don’t leave Huanglan City if you can...”

After saying that, Ji Meiling and the others were ready to leave!

“Wait a moment.....”

Qin Jingyun shouted, and then several of his men blocked Chen Ping’s way!

Ji Meiyuan frowned and said, “What do you want? This is Huanglan City, not your Juman Palace. If you dare to take action, I guarantee that you will die without any body parts.”

“Miss Ji, don’t get me wrong. I’m not stopping you. I’m just having a little fun and want to follow this kid’s calculations...”

Chapter: 5284

Qin Jingyun pointed at Chen Ping and said!

Ji Meiyun glanced at Chen Ping, then stood in front of Chen Ping and said, "Mr. Chen is a guest of my Ji family. If you touch him, you are touching our Ji family. If you have the ability, try it."

"Miss Ji, I hope you can see the situation clearly. I will give your Ji family face and let your sisters go. Don't be shameless. Do you think I, the Juman Palace, are really afraid of your Ji family?"

Qin Jingyun narrowed his eyes and said coldly!

"You..." Ji Meiyun was instantly stunned and speechless!

"Miss Ji, let's settle the matter between him and me ourselves. You don't have to worry about it."

Chen Ping said, took two steps forward, came to Qin Jingyun and said, "How do you want to settle with me?"

Qin Jingyun looked Chen Ping up and down and said, "I won't bully you either. The two of us will punch each other. If you survive this punch, our holiday will be over."

The Juman Palace is known for its strength, and now Qin Jingyun is at the Tribulation Realm, while Chen Ping is only at the Fusion Realm, so he is so confident!

"You are shameless. It's not fair for you, a monk in the Tribulation Realm, to compete with a monk in the Fusion Realm."

Ji Meiyun saw this and shouted loudly!

"What is fair and unfair? How can there be fairness in this world of heaven and earth? Who makes his skills inferior to others?"

Qin Jingyun raised the corner of his mouth and said!

Ji Meiyuan wanted to say something else, but was directly interrupted by Chen Ping: “Miss Ji, I’m just going to punch him, it’s no big deal.”

“Mr. Chen, you are only in the Fusion Realm, but he is in the Tribulation Realm. Even my little sister is no match for him. I’m afraid you won’t be able to withstand a punch.”

Ji Meiyuan said worriedly!

“Mr. Chen, this guy is at least the second level of Tribulation Realm or above. I can’t resist him. I’m afraid you really can’t.”

Ji Meiling also persuaded Chen Ping!

“Don’t worry, maybe I can.”

Chen Ping smiled slightly, then looked at Qin Jingyun: “It’s just a punch, but if I hurt you, you can’t settle the consequences...”

“just you?”

Qin Jingyun’s face was full of disdain: “Even if I stand still, you can’t even think of hurting me, and you still dare to talk nonsense here!”

“To deal with someone like you, I’ll knock you down with just one hand. I’ll let you strike first...”

Qin Jingyun waved to Chen Ping!

Chapter: 5285

When Chen Ping saw this, he opened his posture, and the aura on his body also rose!

Uh-huh...

Chen Ping's body was like lightning, disappearing directly on the spot and heading towards Qin Jingyun!

Qin Jingyun frowned, and the disdain on his face disappeared. He didn't expect Chen Ping to be so fast!

By the time he reacted, Chen Ping was already in front of him, his fist bursting with golden light and heading straight for Qin Jingyun's chest!

Chen Ping's fist hadn't arrived yet, but the sharp fist wind was already roaring towards him, making Qin Jingyun feel the danger!

When Qin Jingyun saw this, he let out a low cry, and his body suddenly swelled up. Balls of red blood mist began to spread around, quickly wrapping Qin Jingyun's body!

At this moment, the power in Qin Jingyun's body continued to surge, reaching the level of the fourth level of the Tribulation Realm!

Seeing that Qin Jingyun's strength was almost reaching the fourth level of Tribulation Realm, Ji Meiyuan and Ji Meiling became nervous!

They didn't expect that Qin Jingyun actually hid part of his strength!

Seeing this, everyone around them also looked at Chen Ping, saying that Chen Ping was worried!

After all, the difference in strength between Chen Ping and Qin Jingyun is too great!

"This little Taoist friend is probably going to be in trouble now."

"Comparing the Fusion Realm and the Tribulation Realm, there is no chance of winning."

“This fellow Taoist must be a pharmacist. Yesterday he was defeated by the Medicine Master. It’s a pity that he has lost his ability in refining medicine.”

It’s a pity that someone recognized Chen Ping’s identity!

After all, a high-level alchemist is rare, but everyone knows that the strength of an alchemist is not too high. After all, these alchemists mainly focus on alchemy and medical skills!

“Boy, are you scared now? If you are, you can kneel on the ground and kowtow to me three times, and I will avoid this punch!”

Qin Jingyun looked at Chen Ping and said proudly!

“The realm of the third level of Tribulation Realm is really good. I didn’t expect that the stupid big guy from your Juman Palace could reach this level!”

Chen Ping smiled lightly, not taking Qin Jingyun seriously at all!

Even though Qin Jingyun’s current strength has reached the third level of Tribulation Realm, Chen Ping is still not afraid!

I saw the golden light on Chen Ping’s body flashing, and the power of the dragon burst out!

Bang.....

Chapter: 5286

The fists collided, making a deafening sound, like a bolt from the blue!

Click.....

Hearing a crisp sound of bone cracking, Qin Jingyun's expression changed drastically, the blood-colored mist around him instantly dissipated, and he flew backwards in an instant!

boom.....

Qin Jingyun's huge body directly knocked down the houses on both sides, flying hundreds of meters before stopping. And within this distance of hundreds of meters, all the houses collapsed and were in a mess!

Seeing this scene, everyone's eyes widened and they were silent!

None of them expected that Chen Ping, a monk in the Fusion Realm, would knock Qin Jingyun, a strong man in the third level of the Tribulation Realm, away with one punch!

It's outrageous, simply outrageous!

"Son..."

Several disciples from Juman Palace rushed over to check Qin Jingyun's situation!

I saw Qin Jingyun's arm hanging limply, obviously broken!

His body was also covered in blood, enough to see how powerful Chen Ping's punch just was!

Ji Meiyuan and Ji Meiling opened their mouths and looked at Chen Ping in disbelief!

Especially Ji Meiyuan's eyes were filled with sparkle!

She had already had a crush on Chen Ping, but now that she saw such a brave side of Chen Ping, Ji Meiyuan couldn't hold back her inner excitement!

Ji Meiyang didn't notice that Ji Meiling, who was beside her at the moment, also changed her eyes when she looked at Chen Ping!

In the world of gods and humans, the strong are respected!

Chen Ping is now in the realm of Fusion Realm, and he punched Qin Jingyun, a monk in the Tribulation Realm, into a state of embarrassment. How could such a man not be liked by women!

Moreover, Chen Ping also knows medical skills and is a high-level alchemist, even more powerful than Yaozun!

The most important thing is that Chen Ping also knows magic and can easily break even illusion formations!

This kind of perfect man made the two sisters Ji Meiyang and Ji Meiling fall in love!

In the world of gods and humans, there are no restrictions and constraints on the relationship between men and women like in the secular world. If Chen Ping nods his head now, sisters Ji Meiyang and Ji Meiling will dedicate themselves without hesitation!

All the sisters would feel honored to be escorted by a strong man like Chen Ping!

Chen Ping didn't know what the two sisters were thinking, but looked coldly at Qin Jingyun who was being helped over!

Chapter: 5287

Qin Jingyun's face was extremely ugly. The majestic young master of Juman Palace and a third-level monk in the Tribulation Realm was punched out by Chen Ping!

It's so embarrassing to be embarrassed in front of so many people!

"Boy, just wait for me, I will never let you go..."

Qin Jingyun glared at Chen Ping fiercely, and then was helped away!

Seeing Qin Jingyun leaving, Chen Ping did not stop him. After all, Chen Ping could not stay in this yellow and blue city for long. By then, Qin Jingyun would not be able to find him if he wanted to trouble him!

“Two eldest ladies, let’s go...”

Chen Ping glanced at Ji Meiyuan and Ji Meiling and said!

“Oh, let’s go, let’s go...” Ji Meiyuan reacted and nodded quickly!

Ji Meiling looked at Chen Ping in shock: “Mr. Chen, I really didn’t expect you to be so powerful and able to fight beyond the level. Not only are you strong, you also know medical skills and can make elixirs. You also know how to break illusions and form formations.” .”

“He is simply a genius. In our Yellow and Blue City, or even in the entire Central Continent, we may not be able to find a unique genius like Mr. Chen.”

“Little sister, let alone Zhongyu Continent, even in the entire heaven and human world, no young person can compete with Mr. Chen.” Ji Meiyuan said!

The two sisters praised Chen Ping so much that Chen Ping felt a little embarrassed!

Just as the three of them were walking and chatting, suddenly in the direction of the Ji family’s residence in Huanglan City, a soaring aura rose from the ground, spread instantly, and enveloped the entire Huanglan City!

This breath was like something suddenly exploding, spreading to all directions, and disappeared in an instant!

But when this breath passed in front of him, Chen Ping instantly felt it. This was the original power, and it was the original power of Wuzhu!

“What’s going on? What happened at home?”

“I don’t know either!”

“Quick, go home and have a look...”

Ji Meiyuan and Ji Meiling panicked and hurriedly ran towards the Ji family!

Chen Ping also followed behind!

When the three of them arrived at Ji’s house, they found that Ji’s house was already surrounded by people!

Everyone looked at the ancestral land of the Ji family!

“Brother, what’s wrong?” Ji Meiyuan stepped forward and asked Ji Cheng!

“I don’t know, maybe the ancestral land has been opened.”

Chapter: 5288

Ji Cheng said!

“The ancestral land is open?” Ji Meiyuan was stunned: “How is it possible? The ancestral land doesn’t automatically open once every ten years. It’s not even ten years now.”

“I don’t know. Dad followed his second uncle and took several elders to the ancestral land to check.”

“It would be great if the ancestral land is opened. The ancestors must have felt the arrival of the sixth brother and opened the ancestral land in advance.”

Ji Cheng glanced at Ji Yun and said!

“Brother, what’s the use of opening this ancestral land?” Ji Yun asked in confusion!

“Sixth brother, in this ancestral land, there are many treasures left by our ancestors, and there are also various unowned sources. These are great resources for cultivation.”

Ji Cheng said to Ji Yun!

After hearing this, Ji Yun looked slightly embarrassed and said: “But I didn’t realize the origin...”

“That’s okay. Do you think we have realized that we can’t absorb the origin of the Masterless, but we can absorb other breaths. As long as we can get in, it will definitely be a great thing!”

“This ancestral land is only opened once every ten years. I didn’t expect it to be opened earlier this time. If it is really opened earlier, it proves that you are so lucky, sixth brother.”

Ji Cheng looked at Ji Yun enviously and said!

Everyone was waiting quietly. It was not clear what the specific situation was now!

Not long after, Ji Lianjun and Ji Lianying walked out of the ancestral land, followed by several elders of the Ji family. Everyone had confusion and doubts on their faces!

“Dad, how are you? Is the ancestral land opened?”

Seeing this, Ji Cheng rushed up and asked!

Ji Lianjun nodded: "It is indeed turned on. This time it is really strange. Why did it turn on before the time?"

"Didn't you go in and ask Taizu?" Ji Cheng asked!

"Nonsense, even if the ancestral land is opened, can we enter? But you can go in. Then I will ask Taizu what happened. Why did the ancestral land suddenly open in advance?"

Ji Lianjun also wanted to know what was going on, but the ancestral land was not something they could enter. Only the younger generations of the Ji family could enter!

"Brother, now that the ancestral land has suddenly opened, we have not made any preparations. I think we need to go back and discuss who should be allowed to enter this time."

Ji Lianying said to Ji Lianjun!

Ji Lianjun nodded, and then ordered people to guard the ancestral land, and everyone else returned to the hall!

Because the ancestral land opened so suddenly, there was no one scheduled to enter!

Chapter: 5289

The juniors of the Ji family are not just the children of Ji Lianjun and Ji Lianying, there are dozens of juniors from the side branches of the Ji family!

Therefore, every time the ancestral land is opened, the junior members who will enter the ancestral land will be decided in advance, and they cannot all enter at once!

But this time it opened too suddenly, so we need to discuss the entry personnel!

"Dad, what should the sixth brother do? If he is allowed to enter, his identity will need to be exposed."

Ji Cheng whispered in Ji Lianjun's ear!

After all, Ji Yun's identity is just a pharmacist invited to treat the old man of the Ji family. If he wants to enter the ancestral land, he needs to make his identity public!

But once it becomes public, Ji Yun will inevitably be involved in the next fight between the Ji family, and Ji Lianjun doesn't want Ji Yun to take the risk of getting involved!

"Don't reveal your sixth brother's identity yet. As for how to enter the ancestral land, I will figure out a way..."

Ji Lianjun warned Ji Cheng!

Ji Cheng nodded and said nothing!

Chen Ping didn't know what the Ji family said in the hall. After all, he was not a Ji family member and was not qualified to participate in the Ji family's internal meetings!

"Mr. Chen, the sudden opening of the Ji family's ancestral land is actually an opportunity for you. There is a masterless origin in it."

Ji Yun said next to Chen Ping!

Ji Yun could see that Chen Ping yearned for the Ji family's ancestral land!

Chen Ping smiled lightly: "This is the ancestral land of your Ji family. Outsiders are not allowed to enter, but you should be able to enter. You must seize the opportunity this time."

"Mr. Chen, the rules are also set by people. When the time comes, I will tell my uncle to see if I can let you in. After all, you saved grandpa's life."

Ji Yun hopes that Chen Ping can enter. Ji Yun knows that Chen Ping will definitely benefit a lot from entering the Ji family's ancestral land!

"Don't worry about me. You can adjust yourself first. When your grandfather recovers, it's time for us to leave. We can't stay here for too long."

Chen Ping smiled and patted Ji Yun's shoulder to prevent Ji Yun from worrying about him!

However, Chen Ping's eyes were indeed full of yearning when he looked at the Ji family's ancestral land, but he couldn't let Ji Yun go and beg Ji Lianjun because of himself. This was the family's rule, how could Ji Yun break it as soon as he arrived!

In the evening, everyone in the Ji family discussed the results and confirmed the list of people who entered the Ji family's ancestral land!

After it got completely dark, Ji Cheng took a set of Ji family clothes and asked Ji Yun to change into them. Apparently, Ji Yun was asked to enter the ancestral land in place of others!

"Sixth brother, I will enter the ancestral land early tomorrow morning. I don't have a place this time, so I will ask your eldest and second sister to take care of you then."

"Remember, when you mix in the crowd, you must not expose yourself. However, it will be fine after entering the ancestral land. You cannot expose yourself before entering."

Chapter: 5290

Ji Cheng warned Ji Yun!

"Brother, I understand!" Ji Yun nodded, then hesitated for a moment, then opened his mouth and asked: "Brother, is it true that only our Ji family can enter the ancestral land of our Ji family, and no outsiders can enter?"

"Of course. How can outsiders enter our family's ancestral land?" Ji Cheng said, then looked at Ji Yun doubtfully: "Sixth brother, is there something wrong with you?"

“Oh, it’s okay.” Ji Yun smiled and shook his head!

Ji Cheng walked back, and Ji Yun wanted to go back to his room, but was stopped by Ji Meiyuan who suddenly came out!

“Sister, why are you here so late if you don’t sleep?”

Ji Yun asked Ji Meiyuan!

“Sixth brother, let me ask you, just now you asked why outsiders are not allowed to enter the ancestral land. Do you want Mr. Chen to enter?”

Ji Meiyuan asked!

“Ah...” Ji Yun was stunned. He didn’t expect that Ji Meiyuan was eavesdropping on their conversation, but he still shook his head and said, “No, I just asked casually.”

“Sixth brother, if you haven’t told me the truth, do you think Mr. Chen also wants to enter the ancestral land?”

Ji Meiyuan questioned Ji Yun.

Seeing this, Ji Yun nodded helplessly: “Mr. Chen should have had this idea, but he didn’t say it. I feel that there is the origin of Wu Zhu in the ancestral land, and Mr. Chen happened to have realized the power of the origin, so he entered. The ancestral land will benefit a lot.”

“What? He realized the power of origin?”

Ji Meiyuan exclaimed, she didn’t expect that Chen Ping, just a Fusion Realm monk, could even feel the power of the source!

He is simply a genius among geniuses!

At this moment, Ji Meiyang fell in love with Chen Ping even more. She wished she could become Chen Ping's woman now!

This kind of talent is very popular!

"Mr. Chen has realized several kinds of original power. With Mr. Chen's talent, this is nothing."

Ji Yun said calmly!

But after Ji Meiyang heard this, she was no longer calm. It was good for a young monk in the Fusion Realm to realize the power of the source. He actually realized several kinds of power. This was really abnormal!

"I didn't expect that his talent is so high..."

Ji Meiyang's eyes burst with passion, and her admiration for Chen Ping is no longer secretive!

Seeing Ji Meiyang like that, Ji Yun quickly asked: "Sister, do you like Mr. Chen?"
