

The Order 5291

Chapter: 5291

Ji Meiyuan did not show any pretense, but nodded directly and said: "Yes, what woman doesn't like a man like him? It's not just me, your second sister's little girl is also in love with Mr. Chen... .."

When Ji Yun heard this, he felt a little surprised. He didn't expect that his eldest sister and second sister would both fall in love with Chen Ping not long after they met!

But in the world of gods and humans, this is nothing. It is normal for two sisters to serve a man at the same time!

"Sister, to be honest, Mr. Chen has many women. The Fire Phoenix girl who came with me is one of Mr. Chen's women."

"In the North Territory, Mr. Chen still has many women waiting for him..."

Ji Yun followed Ji Meiyuan and said truthfully.

"I know that it is normal for a man as good as him to have many women."

Ji Meiyuan doesn't care at all!

All he cares about is whether he can become Chen Ping's woman!

When Ji Yun saw this, he also looked helpless. After all, in this world of gods and humans, strength is respected. Chen Ping was so young and had strength beyond ordinary people. How could he not be liked by girls?

"Okay, go to bed. Don't tell anyone about my coming here!"

After Ji Meiyuan finished speaking, her figure disappeared into the darkness!

Ji Yun shook his head helplessly, and then went to bed!

Ji Meiyuan did not leave, but after Ji Yun left, she went directly to Chen Ping's room!

Chen Ping is following Huo Feng in the room!

The fire phoenix pestered Chen Ping all night long. Fortunately, Chen Ping's physical strength was different from ordinary people, otherwise he would have been dragged down by the fire phoenix!

Ji Meiyuan came to the door of Chen Ping's room, and when she heard what was going on inside, her face suddenly turned red!

But Ji Meiyuan did not leave, but quietly sat at the door and listened to what was going on inside!

She knew that those were the voices of Chen Ping and Huo Feng. At this moment, Ji Meiyuan was extremely envious of Huo Feng!

Soon, Huofeng got tired and fell into a deep sleep!

Chen Ping, on the other hand, glanced outside the door and then slowly put on his clothes!

Chen Ping noticed it as soon as Ji Meiyuan arrived at the door, but she was fighting fiercely with the fire phoenix and couldn't stop!

Chen Ping slowly walked to the door and opened the door slowly!

At this time, Ji Meiyuan was sitting on the ground, her face was red, her body was hot, and her eyes were even more blurry!

Chapter: 5292

When Chen Ping opened the door, Ji Meiyang didn't even notice it. She was still immersed in her own fantasy!

Looking at Ji Meiyang's appearance, Chen Ping seemed a little embarrassed, so he whispered: "Miss Ji..."

When Ji Meiyang heard this, she quickly looked up. Unexpectedly, Chen Ping was already standing in front of her. She immediately stood up in embarrassment and straightened her clothes!

"Chen...Mr. Chen, I...I..."

Ji Meiyang stuttered and didn't know what to say!

After all, it was too embarrassing for Chen Ping to see him like this!

"Miss Ji, do you have something to do when you come to my place late at night?"

Chen Ping asked!

Ji Meiyang nodded, then pulled Chen Ping up and said, "Follow me..."

Chen Ping was stunned, and his heart suddenly tightened. He didn't know where Ji Meiyang was taking him to at night!

You don't want to do that kind of thing, do you?

Chen Ping was not mentally prepared yet!

Ji Meiyang pulled Chen Ping and headed all the way towards the Ji family's backyard, getting more and more remote, which made Chen Ping murmur even more!

"Miss Ji, I...I'm not ready yet. After all, we just met. If we break that relationship like this, I feel irresponsible to you."

Chen Ping said to Ji Meiyang!

Ji Meiyang was stunned for a moment, and then she understood what Chen Ping meant. She immediately glared at Chen Ping and said, "What are you talking about? Do you think I'm dragging you to bed? Stop thinking about it, I'll take you there." Go to a nice place..."

Ji Meiyang pulled Chen Ping and flew all the way. Trees kept passing by on both sides. Chen Ping didn't know where Ji Meiyang was taking her!

After walking through a forest and passing a river, Chen Ping and the others came to a place surrounded by mountains!

The location here is very remote, it seems like no one has been here at all!

"Miss Ji, where are you? Why did you bring me here so late at night?"

Chen Ping asked in confusion!

"I ask you, do you want to enter the ancestral land of our Ji family?"

Ji Meiyang asked Chen Ping!

Chen Ping was stunned for a moment, and then fell silent. If he said he didn't want to go, it would be a lie, but there was nothing he could do if he wanted to go. After all, the ancestral land belonged to the Ji family, so Chen Ping couldn't force his way in!

Chapter: 5293

Seeing Chen Ping's silence, Ji Meiyuan understood what Chen Ping was thinking, so she said: "Since you want to go, I will take you to the ancestral land of our Ji family. There is the origin of the Masterless in it. You can absorb it at will." !"

"This doesn't seem to be the ancestral land of your Ji family, right?"

Chen Ping looked around, it didn't seem like he had come here during the day!

"This is a secret passage into the ancestral land. If you enter from the front, you won't be able to get in at all. There are people guarding it."

"I can secretly take you in through the secret passage, and then no one will notice you..."

Ji Meiyuan said!

"Miss Ji, this is no joke. If your father or other members of the Ji family find out, you will definitely be punished. I'd better not go in."

Chen Ping doesn't want to implicate Ji Meiyuan because of himself!

"There will be no punishment. It is estimated that after the ancestral land is opened this time, the Ji family will be in chaos. Who will care about me then."

"My father has been hiding it from my sister and me, not wanting us to get involved. In fact, the two of us have known about it for a long time."

Ji Meiyuan said, then she found a raised stone and pressed it gently!

With a friction sound, the stone moved slowly, and then a dark hole was revealed!

Ji Meiyuan got in directly, and Chen Ping followed suit when he saw this!

In the progress cave, layers of brilliance lit up instantly. These brilliance seemed to be moving quickly. Chen Ping felt like they had entered a time and space tunnel!

There was no movement at all. Chen Ping only felt his eyes go blank, and then a majestic palace appeared in front of the two of them!

“This is the main hall of our ancestral land. I discovered this secret passage accidentally. Except for my father and eldest brother, no one knows about the existence of this secret passage.”

Ji Meiyuan said!

Chen Ping looked at the majestic palace and felt the original atmosphere inside, with a look of excitement on his face!

Here, you can absorb the original breath without any need to comprehend it, which is simply amazing!

Seeing Chen Ping’s excited look, Ji Meiyuan also laughed. She liked to see Chen Ping happy, so she would be happy too!

“Have you felt the original aura?” Ji Meiyuan asked!

“I feel it, a very strong original aura...”

Chen Ping nodded vigorously!

“Come in with me. There are many kinds of origin auras here. Maybe you can feel one kind of origin while you are here!”

Chapter: 5294

Ji Meiyang said, leading Chen Ping towards the main hall!

Just after taking two steps, Ji Meiyang suddenly turned around and said, "As soon as you meet Taizu, don't talk nonsense. No matter how I ask you, just say that you are from the Ji family."

"Taizu? Is there anyone still alive in this ancestral land?"

Chen Ping asked in surprise!

"Of course, Taizu has lived for hundreds of years, but he can't leave here. As long as he leaves the ancestral land, he will die immediately."

Ji Meiyang said!

Chen Ping understood that this so-called Taizu probably did not live in a real physical body, but perhaps in the body of a soul, which could continue to exist relying on the various auras in the ancestral land!

If you leave the ancestral land, then this soul body may be wiped out!

Following Ji Meiyang into the hall, Chen Ping saw an old man sitting cross-legged in the center of the hall!

The old man looked extremely thin, his eyes were slightly closed, and his eye sockets were sunken!

Seeing this scene, Chen Ping was surprised. He didn't expect that the ancestor of the Ji family was still alive in the real body. It was simply not easy!

It's just that the Taizu of the Ji family didn't have any aura on him, so Chen Ping couldn't detect the old man's strength!

The old man had his eyes slightly closed at first, but after hearing the movement, he slowly opened his eyes!

“Taizu...”

Seeing this, Ji Meiyuan hurriedly stepped forward and saluted!

The old man took a look at Ji Meiyuan, and then slowly said: “The ancestral land has just been opened. It is said that no one will come in tomorrow. Why did you come in so quickly?”

“Taizu, the ancestral land suddenly opened. Many people don’t know what’s going on, so they sent two of us in to see the situation.”

Ji Meiyuan said!

The old man glanced at Chen Ping and then said, “Isn’t this young man from the Ji family?”

“Taizu is from the Ji family. He is the son of the third uncle who ran away from home. He is a descendant of our Ji family.”

Ji Meiyuan hurriedly explained!

“Nonsense, don’t I know if he is a descendant of our Ji family and has blood of our Ji family?”

The old man immediately shouted angrily!

This sound startled Ji Meiyuan!

Chapter: 5295

When Chen Ping saw this, he admitted: “Old senior, I am indeed not a descendant of the Ji family!”

“Since you are not a descendant of the Ji family, you are not qualified to enter the ancestral land. Please leave quickly. If you dare to break in without permission, don’t blame me for being rude.”

The old man waved his hand!

“Taizu...”

Ji Meiyán’s face was full of anxiety and she wanted to ask the old man, but the old man had slowly closed his eyes!

“Miss Ji, let’s leave...”

Chen Ping planned to ask Ji Meiyán to leave. After all, he was not a descendant of the Ji family, so he couldn’t stay in his ancestral home!

“I can’t leave. I finally got in. How can I leave!”

Ji Meiyán did not leave, but looked at the old man and said: “Taizu, although he is not a member of the Ji family, he is still half of the Ji family. You can’t kick him out.”

“Half Ji family?”

The old man opened his eyes again!

“Yes, half of the Ji family. He is now my man and the son-in-law of our Ji family. Of course, he is half of the Ji family. We are already husband and wife.”

Ji Meiyán stepped forward and took Chen Ping’s arm and said!

Chen Ping looked confused. He didn’t expect Ji Meiyán to find this excuse!

“Nonsense, do you think I’m a fool? You are obviously still a virgin, how can you be husband and wife with him?”

The old man suddenly said angrily!

“We are husband and wife. If you don’t believe it, I will prove it to you...”

Ji Meiyuan said, picked up Chen Ping and left!

Walking directly to a room next to the main hall, Ji Meiyuan began to take off her clothes!

“Miss Ji, what are you doing?”

Chen Ping was frightened by Ji Meiyuan!

“We must be a couple now, otherwise you will be kicked out.”

Ji Meiyuan said to Chen Ping!

“Miss Ji, I can’t ruin your reputation for myself. I can’t do this.”

Chapter: 5296

Chen Ping quickly turned around!

“You are a grown man, but I am not afraid of my mother-in-law. What are you afraid of?”

“Don’t worry, I know you have many women. Even if we sleep together, I don’t want you to be responsible.”

Ji Meiyang said while taking off her clothes!

Soon Ji Meiyang appeared naked in front of Chen Ping, and even stepped forward to hug Chen Ping!

Chen Ping is a normal man, who can bear this!

Chen Ping gritted his teeth and directly pressed Ji Meiyang under him!

There were waves of pleasant sounds in the room. The Taizu of the Ji family sat in the middle of the hall and sighed helplessly!

“Times have changed. How come today’s society has become like this? Girls don’t know how to cherish themselves anymore.”

“You take this matter between men and women so lightly and don’t take it seriously at all.”

“Sad, sad...”

Taizu Ji’s face was full of helplessness, but he had no choice. This is the development and changes of the times!

If women in their era were so frivolous and didn’t care about their bodies at all, they would be in a pig cage.

I don’t know how long it took, but Chen Ping and Ji Meiyang walked out of the room!

Ji Meiyang’s face was red and her expression was very satisfied!

But Chen Ping was a little embarrassed. After all, he played with his granddaughter in front of his great ancestor, which was a bit embarrassing!

“Taizu, can he stay in our Ji family’s ancestral land now?”

Ji Meiyang asked!

“Hey, that’s all, that’s all, go in, go in...”

The old man had no choice but to wave his hand!

“Thank you Taizu, please open the passage to the ancestral land...”

Ji Meiyang said happily when she heard Taizu agreed!

I saw Taizu say: “You two calm down, let go of the taboos in your body, and don’t think wildly!”

Taizu said, slowly holding up his hands, and streaks of blood-red light gathered in Taizu’s hands!

Chapter: 5297

Immediately afterwards, an oval light door appeared at the rear of the hall.

“Go in...” Taizu said!

“Thank you!” After Ji Meiyang said that, she pulled Chen Ping and walked towards the light!

“Where does this light door lead to? Is it a space spell?”

Chen Ping didn’t understand. Was the light door that suddenly appeared meant to send them away?

“Don’t worry, this is not a space spell, it just sends us to the ancestral land!”

“This hall is just the periphery of the ancestral land. The real ancestral land is in a huge formation. Otherwise, those ownerless origins would have returned to the world long ago.”

“It’s just that this formation may have been damaged after hundreds of years, so every time the ancestral land is opened, some of the ownerless origins will rush out of the ancestral land and then be absorbed by the world!”

“The original aura we felt during the day came from this ancestral land formation.”

Ji Meiyuan explained to Chen Ping!

Chen Ping understood, so he followed Ji Meiyuan into the light door!

As the two people were wrapped in light, a vast aura filled the air, and the bodies of Chen Ping and Ji Meiyuan disappeared!

“Why.....”

Taizu sighed again and closed his eyes again!

Chen Ping and Ji Meiyuan only felt a flash of white light, and then they appeared in a mountain forest!

This mountain forest is full of flowers and looks very beautiful!

However, Chen Ping knew that this so-called ancestral land of the Ji family should be a world created by the ancestors of the Ji family using formations!

The purpose is to leave some resources to future generations so that the Ji family will not decline after hundreds of years!

“Our Ji family’s ancestral land has the most metal origins, because our previous ancestors of the Ji family all had the metal origins of enlightenment.”

“But there are also other sources, which are just auxiliary sources. There are relatively few, and only the gold source has the most!”

“The origin of metal is a defensive origin. If you can understand the origin of metal, your body’s defense will be stronger.”

“It’s a pity that I don’t have the origin space, and I haven’t understood the origin yet, so I can only find some other resources in this ancestral land.”

Ji Meiyuan said!

After all, perverted talents like Chen Ping belong to a very small number of people. The Fusion Realm opens up the original space, and also comprehends several kinds of origins!

Chapter: 5298

Chen Ping felt the masterless origins around him, instinctively found a place to sit down cross-legged, and then began to plan to absorb and comprehend!

“what you do?”

Ji Meiyuan asked!

“Of course it’s about comprehending the origin. Although there are many metal origins here, I haven’t comprehended the metal origin yet, and I can’t absorb and refine it. I need to comprehend it first...”

Chen Ping plans to understand the origin of the metal system, so that he can not only absorb the original aura of the owner here, but also have one more source of power!

When the time comes to realize the origin of the metal system, Chen Ping's indestructible golden body will reach a higher level!

With an indestructible golden body and the blessing of the metal element, it will definitely be as solid as a rock.

"Like you, sitting on the ground and relying on meditation to gain enlightenment, who knows in which year and month you will be able to understand the origin of the metal system."

Ji Meiyuan said with a smile!

"What's going to happen?" Chen Ping asked in surprise!

"In this ancestral land, there are origin fantasy beasts. These origin fantasy beasts are all born because of the strong aura of the original source."

"Especially, there are the most gold-type fantasy beasts. If you want to understand the origin of the gold-type, then kill those gold-type fantasy beasts. The one who can understand the origin the fastest."

Ji Meiyuan introduced!

Chen Ping was stunned when he heard it. He didn't expect that there were original fantasy beasts in the Ji family's ancestral land, but in this case, it would indeed be much faster than forcibly comprehending it himself!

"Since you can understand the origin by killing the origin fantasy beast, why don't you kill it? This way you can also understand the origin."

Chen Ping asked doubtfully!

Because none of the brothers and sisters of the Ji family seem to have realized the origin. If they can realize it by killing the origin fantasy beast, then they should all have realized the origin!

After listening to Chen Ping's words, Ji Meiyuan couldn't help but rolled her eyes and said: "You think, we haven't opened the origin space, so what's the use of killing more origin fantasy beasts?"

When Ji Meiyuan said this, Chen Ping suddenly realized it, smiled awkwardly and said: "I'm sorry, I forgot the original space..."

Only by opening the original space can we truly understand the power of the original source, but the original space is not so easy to open.

"Let's go. I'll take you to find those original fantasy beasts, but I can't help you kill them. After all, it's useless if I kill them."

Ji Meiyuan said!

"I understand, thank you Miss Ji..."

Chen Ping said very gratefully!

Chapter: 5299

When Ji Meiyuan heard this, she immediately became unhappy and looked at Chen Ping angrily: "You just played with me, and now you are holding up your pants and denying it?"

This sentence made Chen Ping confused and asked, "What does Miss Ji mean by this?"

"What do you think? We both did it, and you still call me Miss Ji and treat me like an outsider?"

Ji Meiyuan's face was filled with grievances and she was about to cry!

When Chen Ping heard this, he understood instantly and said with embarrassment: "I...I didn't mean that, Meiyang, I'm sorry..."

Chen Ping could only follow Ji Meiyang and apologize!

Hearing Chen Ping call her name, Ji Meiyang laughed: "I forgive you this time, come with me..."

Ji Meiyang took Chen Ping to a mountain col, and then said: "There are many original phantom beasts here, but when you kill the original phantom beasts, it is best not to use magic. It is best to kill those original phantom beasts with bare hands." , only in this way can we realize it more quickly."

"If you use spells or other magical weapons, it will weaken the original aura of the original phantom beast itself. Even if you kill the original phantom beast, the chance of enlightenment will be much smaller."

Ji Meiyang warned Chen Ping.

"Meiyang, I didn't expect you to know so much!" Chen Ping was very surprised that Ji Meiyang would know this!

Ji Meiyang's face turned red and she said, "Father told us this, otherwise how would I know!"

"Hurry in, I'll wait for you here, I hope you don't keep me waiting for too long..."

Chen Ping nodded, and then walked into the col!

Not long after he walked into the col, Chen Ping heard the roars of monsters around him. He knew that these were the original fantasy beasts and not real monsters!

These origin fantasy beasts have no real body, so it will be very difficult to kill them!

Especially since you can't use spells and weapons, this will probably be even more difficult!

But no matter how difficult it is, Chen Ping will not back down. After finally entering the Ji family's ancestral land, how can Chen Ping back down!

Especially Ji Meiyuan, she even dedicated her body in order to stay in her ancestral land!

When Chen Ping thought of Ji Meiyuan's proactive look in the hall just now, his blood started to surge.

"What are you thinking about..."

Chen Ping hurriedly slapped himself to wake himself up and stop thinking nonsense!

Although the power of these origin fantasy beasts should not be very great, if you are careless, your life is still in danger!

Chen Ping walked slowly towards the depths, and suddenly a black shadow rushed out from the forest on the side. Chen Ping instinctively dodged and avoided the blow!

Chapter: 5300

At this moment, an origin phantom beast was opening its huge mouth and looking at Chen Ping eagerly!

The shape of this phantom beast is similar to that of a tiger, with red eyes and sharp fangs!

Chen Ping waved his hand, and the Dragon-Slaying Sword appeared in his hand!

But soon, Chen Ping remembered Ji Meiyuan's instructions, so he put the Dragon Slaying Sword back again!

Facing the phantom beast in front of him, he could only kill it with his bare hands and the raw power of his body!

The fantasy beast roared and suddenly rushed towards Chen Ping!

Chen Ping waved his fist and rushed forward!

The phantom beast's movements were very flexible, and its mouth was full of fangs, which made Chen Ping very afraid!

One person and one beast were already fighting together!

It's like two ordinary people wrestling wildly!

Fortunately, Chen Ping's physical body is also extremely strong, otherwise the wound would have been directly torn out by the claws of the phantom beast!

Chen Ping's fist kept hitting the phantom beast's head.

I don't know how long it took, but the phantom beast howled and became silent. Then its body turned into its original form and wrapped up Chen Ping!

As a golden source entered his body, Chen Ping gasped for air and carefully felt the golden source. However, in his origin space, the stars of the golden source did not light up!

Chen Ping smiled bitterly and lamented that he was too impatient. If he could realize the origin by killing an origin fantasy beast, that would be too easy!

Chen Ping continued to move deeper into the mountain col, hunting these phantom beasts. Even if Chen Ping could not comprehend the origin of the metal element, he could still temper his physical body.

When Chen Ping was hunting the original fantasy beast in the Ji family's ancestral land, the sky outside slowly lit up!

Ji Yun has already changed his clothes and plans to follow the crowd into the Ji family's ancestral land!

Before leaving, Ji Yun wanted to find Chen Ping to talk to him, but found that Chen Ping was not in the room at all!

"Miss Huofeng, where has Mr. Chen gone?"

Ji Yun asked Huofeng!

"I don't know. I'm looking for him too. The master disappeared early in the morning!"

There was a bit of anxiety on Huofeng's face!

"Why is it missing?" Ji Yun frowned slightly!
