

The Order 5301

Chapter: 5301

Normally, Chen Ping would not leave without saying goodbye. Now that Chen Ping has suddenly disappeared, he most likely sneaked into the ancestral land of the Ji family!

After all, Chen Ping also wanted to enter the ancestral land of the Ji family. The source of helplessness was very attractive to Chen Ping!

Thinking of this, he said to Huo Feng: "Miss Huo Feng, don't be anxious yet. Mr. Chen should have other things to talk to us about. He should be back after finishing his work."

"I'm going to gather. You stay here and don't run around..."

After Ji Yun comforted Huofeng, he hurried to the main hall of the Ji family!

At this moment, the Ji family's main hall is already full of people, and there are dozens of younger disciples of the Ji family standing aside, all of whom are preparing to enter the Ji family's ancestral land!

Ji Cheng had been waiting outside the door. When he saw Ji Yun coming, Ji Cheng personally brought Ji Yun in and then let him stand in the queue. No one doubted Ji Yun's identity!

After settling Ji Yun, Ji Cheng stood outside the door again, with a look of anxiety on his face!

Soon, Ji Meiling hurried over and shook her head at Ji Cheng!

"Where did the eldest sister go? She dared to be absent on such an important day today. Does she think anyone can enter the ancestral land?"

Ji Cheng said anxiously!

“Brother, eldest sister was away last night and didn’t come back all night!”

Ji Meiling said softly!

When Ji Cheng heard this, he immediately became angry: “I didn’t come back all night, why didn’t you tell me in advance? Where can I find him now?”

Ji Cheng frowned and his face was livid with anger. His sister was really too naughty!

Seeing Ji Cheng being angry, Ji Meiling was so frightened that she didn’t dare to speak!

“Okay, you go in, I’ll go and tell my father...”

Ji Cheng asked Ji Meiling to stand in the team, and then walked quickly towards Ji Lianjun who was sitting on the main seat!

Ji Cheng leaned over and whispered a few words in Ji Lianjun’s ear, and Ji Lianjun’s face instantly turned cold!

“This girl has gone too far. If I see her, I will deal with her according to the family law.”

Ji Lianjun said angrily!

“Master, it’s almost time. Is it time to leave?”

An elder looked at the time and said to Ji Lianjun!

Ji Lianjun nodded, looked at Ji Lianying not far away and asked, “Second brother, it’s almost time. I think we should set off.”

Chapter: 5302

“Brother, wait a moment. I want to take care of something before entering the ancestral land.”

Ji Lianying said!

“What are you dealing with?” Ji Lianjun asked in confusion!

“You’ll know in a minute!” Ji Lianying smiled lightly and let it slip!

After a while, I saw a group of tall people walking into the Ji family hall!

Looking at the size of these people, Ji Lianjun immediately recognized them. They were people from the Juman Palace!

The first old man among them is Qin Hetian, the master of Juman Palace.

“Dad, why are the people from Juman Palace here?”

Ji Cheng asked with confusion on his face when he saw this!

“No need to ask, it must have been your second uncle who came here, otherwise how could they have gotten in here so easily.”

Ji Lianjun said coldly!

“Second uncle suddenly summoned people from Juman Palace at this time. Is he planning to take action?”

“Should I go arrange some help?”

Ji Cheng thought that Ji Lianying suddenly summoned the people from Juman Palace and wanted to take action!

“Don’t move yet, your second uncle won’t be stupid enough to take action today.”

Ji Lianjun knew that Ji Lianying was stupid and would not take action on such a day. Not to mention whether Ji Lianjun would agree or not, the other branches of the Ji family would definitely not agree either!

It’s hard to wait until the Ji family’s ancestral land is opened. It’s very likely that these descendants of the collateral line will grow in strength by leaps and bounds because of this ancestral land!

They must not let this opportunity go to waste and let Ji Lianying take action at this time!

“Palace Master Qin...”

Seeing Qin Hetian, Ji Lianying rushed to greet him!

“Master Ji Er!” Qin Hetian raised his hand!

Behind Qin Hetian is Qin Jingyun. Qin Jingyun’s face is full of dissatisfaction at this moment!

When Ji Meiling in the team saw Qin Jingyun, she couldn’t help but see anger in her eyes!

Thinking of being taken advantage of by Qin Jingyun, Ji Meiling wanted to beat this guy to death!

Chapter: 5303

“Palace Master Qin, I wonder what’s going on with your sudden visit to my Ji family?”

Ji Lianjun sat in his seat and did not get up!

Ji Lianjun will not be too polite to Qin Hetian. After all, he already knows that Ji Lianying is colluding with Juman Palace, so Ji Lianjun doesn't need to be polite!

When Qin Hetian saw Ji Lianjun's attitude, he frowned and felt dissatisfied, but he still suppressed his anger and said: "Master Ji, I'm here to seek justice..."

Qin Hetian's words made Ji Lianjun suddenly confused, and he said with a puzzled face: "asking for justice? What kind of justice are you asking for?"

"The people in your house beat my son and broke his arm. Do you think I should seek justice?"

"We at Juman Palace have followed your Ji family without any grievances, and because of the teleportation array over the years, our two families have developed some friendship."

"But my son was injured by your Ji family when he was shopping in Huanglan City, which is simply too much."

Qin Hetian asked angrily!

"Oh? Is there such a thing?" Ji Lianjun frowned: "Who in our Ji family did it?"

"It was your two daughters, followed by a guy named Chen Ping, who injured me." Qin Jingyun stood up and said angrily!

Ji Lianjun was stunned. He didn't expect that it would be Chen Ping and his two daughters who did it!

But before Ji Lianjun could say anything, Ji Meiling, who was in the team, couldn't stand it any longer and rushed out and said, "You fart and spit blood. You teased me first, and then Mr. Chen couldn't stand it anymore, so he did it."

“And when we were about to leave, you wanted to compete with Mr. Chen, but you were defeated with one punch and broke your arm. What does it have to do with us? It’s because your skills are inferior to others. If I were you, I would hit you head-on. Even if you die, you still dare to come to your door!”

Ji Meiling yelled at Qin Jingyun, making Qin Jingyun’s face turn red!

When Qin Hetian saw this, his expression turned cold and he said, “Master Ji, is this how you teach your daughter?”

“Meiling, don’t be rude...” Ji Lianjun scolded Ji Meiling, and then said: “Tell the story exactly as it is, and you must not hide anything...”

Ji Meiling nodded, and then told the story in detail. When he heard that Qin Jingyun dared to eat Ji Meiling’s tofu after knowing that Ji Meiling was the eldest lady of the Ji family, Ji Cheng couldn’t help it!

If you eat your sister’s tofu, you are seeking death!

“What a good boy, you even dare to bully my sister, and you dare to come to your door. Are you bullying my Ji family?”

Ji Cheng roared angrily, and then loudly said: “Ji family disciples obey orders...”

“exist.....”

In an instant, dozens of Ji family disciples came forward from all around the hall!

“Juman Palace bullies people too much. They guard the door and don’t allow Juman Palace to leave alone. If Juman Palace doesn’t give an explanation, then don’t blame us for being rude!”

Chapter: 5304

Ji Cheng’s eyes were filled with murderous intent!

Soon, the door was blocked by the children of the Ji family, and Qin Jingyun's face became a little ugly!

Qin Hetian looked indifferent, and then glanced at Ji Lianying!

"Ji Cheng, what are you going to do? Now it's not your turn for us elders to give orders."

"Let me go. Don't you know what day it is today? Is it going to be bloody?"

Ji Lianying angrily scolded Ji Cheng, and then waved his hands to send the children of the Ji family away!

But no one moved. These are the children of Ji Lianying's lineage. There is no way they would listen to Ji Lianying's words!

When Ji Lianying saw this, he frowned: "Brother....."

Ji Lianjun waved his hand slowly, and the Ji family disciples dispersed!

"Palace Master Qin, your son molested my daughter, do you think breaking his arm is too much?"

"If I had been there, I would have killed him..."

Ji Lianjun said with a gloomy expression!

Anyone who dares to molest his own daughter is seeking death. Ji Lianjun loves his two daughters the most. Although his two daughters often get into trouble, and Ji Lianjun is right to yell at them in anger, he has never really punished them once!

If Qin Jingyun dared to tease Ji Meiling now, if Ji Lianjun were at the scene, he would beat Qin Jingyun to death without hesitation!

“Master Ji, are you threatening me?”

Qin Hetian’s eyes narrowed slightly, and the aura on his body began to slowly rise!

Ji Lianying on the side saw this and hurriedly said: “Brother, you can’t just rely on Meiling’s words. Why don’t you find Chen Ping first and ask him if it is really Chen Ping who broke Mr. Qin’s arm?” All he needs to do is apologize.”

“He is not from our Ji family, so what if he is handed over to Palace Master Qin? We cannot delay the important events of our Ji family because of him.”

Ji Lianying’s words immediately aroused the approval of other members of the Ji family!

None of them want to cause any fight on a day like today!

Besides, Chen Ping has nothing to do with the Ji family. Even if Chen Ping is handed over as a favor, what will happen?

“Master, I think what my second brother said is right. Just call Chen Ping.”

“Yes, call Chen Ping here and have him taken away by Juman Palace. Don’t affect our important affairs.”

“This matter is all because of Chen Ping’s actions. Don’t affect us!”

Chapter: 5305

Everyone stood up one after another and asked to call Chen Ping!

When Ji Lianjun saw this, his expression was very ugly. He knew Chen Ping’s strength and talent!

Besides, their old man was treated by Chen Ping, and Chen Ping did it for his own daughter!

If Chen Ping is handed over, Ji Lianjun simply can't do it!

But if Chen Ping is not called, it is obvious that the rest of the Ji family will not agree!

At this time, if Ji Lianying is allowed to gain the upper hand and other branches of the Ji family support Ji Lianying, the subsequent battle will be fierce!

After much hesitation, Ji Lianjun still said to Ji Cheng, "Go and invite Mr. Chen."

"Dad..." Ji Cheng didn't want to call Chen Ping over. If Chen Ping really came, Juman Palace would definitely take Chen Ping away!

Although Juman Palace does not dare to do anything to their Ji family, but Chen Ping is not a Ji family member, Juman Palace will not be afraid!

"Go ahead..."

Ji Lianjun waved his hand!

Ji Cheng had no choice but to call Chen Ping!

The atmosphere in the entire Ji family hall became a little tense!

Even if Chen Ping is called, Ji Lianjun cannot let the people from Juman Palace take Chen Ping away!

Let's not talk about Chen Ping saving the old man of the Ji family. Regarding Chen Ping's origin space of stars in the universe, Ji Lianjun knew that Chen Ping would definitely become a tycoon in the future!

By that time, the Ji family will probably be nothing more than bullshit in Chen Ping's eyes!

Now Ji Lianjun wants to befriend Chen Ping while Chen Ping has not yet developed. When Chen Ping truly becomes a powerful figure, the Ji family will also be able to benefit from it!

About ten minutes later, Ji Cheng came back, but it was only him, not Chen Ping following him!

"What's going on?" Ji Lianjun saw this and asked quickly!

"Father, Mr. Chen is not in the room. He seems to have left..."

Ji Cheng said truthfully!

"I think you let Chen Ping run away on purpose, right?"

When Qin Jingyun heard this, he was immediately unhappy!

Ji Cheng gave Qin Jingyun a cold look and ignored him!

Chapter: 5306

Ji Lianjun began to think deeply. He knew that Chen Ping could not leave Ji's family. If Chen Ping wanted to leave, he would definitely tell him!

Suddenly, Ji Lianjun thought that his daughter Ji Meiyuan could not be found!

Thinking that Chen Ping was not here now, Ji Lianjun seemed to understand something!

He knew that Ji Meiyuan must have brought Chen Ping into the ancestral land through the secret passage!

Very few people knew about the secret passage, but Ji Meiyuan knew that now that both of them could not be found, there was a high possibility that they had entered the ancestral land through the secret passage in advance!

Although the ancestral land prohibits outsiders from entering, Ji Lianjun still has no objection to Chen Ping entering!

“Brother, now that Chen Ping has run away, how can we follow Juman Palace to explain?”

“He was the one who caused this matter. Now that he is missing, Juman Palace will definitely not agree to it.”

Ji Lianying asked Ji Lianying!

It was obvious that Ji Lianying was helping the people of Juman Palace speak!

“Since Mr. Chen is not here, we can let everyone in Juman Palace leave temporarily. When Mr. Chen comes back, I can personally deliver him to everyone in Juman Palace, right?”

Ji Lianjun said!

“Master Ji, that’s not okay. If you break my son’s arm, I will ask for an explanation today. If not, then don’t blame me for being rude.”

After Qin Hetian finished speaking, everyone in the Juman Palace got into position!

There was a sudden sound of footsteps even outside, and then the whole hall began to shake, as if there was an earthquake!

Everyone looked through the window and found that there were many people from the Juman Palace coming outside. They were all tall and powerful, and the ground shook with every step they took!

It was obvious that the Juman Palace was already prepared to fall out before he came!

Seeing this scene, Ji Lianjun's face turned cold: "Qin Hetian, this is Huanglan City, our Ji family, not your Juman Palace. You want to run wild here, do you think I'm afraid of you?"

After Ji Lianjun finished speaking, the aura on his body surged. Ji Cheng immediately drew out his long sword, and many of the Ji family's children also started to fight!

The scene was tense and the war was about to break out...

"Brother, for Chen Ping, are you going to fight bloody battles with Juman Palace on this day?"

"You are ignoring the interests of the rest of us. How do you become the head of the family?"

"We managed to survive until the ancestral land was opened, should we just give up like this?"

Ji Lianying took the opportunity to attack Ji Lianjun!

Chapter: 5307

Upon hearing this, other branches of the Ji family also started to attack Ji Lianjun. After all, when the fight broke out, they and other branches also suffered. The ancestral land was finally opened and there was no way to enter!

At this time, Ji Lianjun became the target of public criticism and became very embarrassed. He knew that the sudden appearance of Juman Palace today must have been planned. This was Ji Lianying's trap.

But Ji Lianjun had no choice, and he couldn't help himself at this time!

"I already said that when Mr. Chen comes back, I will personally deliver it to everyone in Juman Palace. If this doesn't work, what do you want me to do?"

"Now that Mr. Chen is not here, can I still conjure him up?"

Ji Lianjun said with anger on his face!

“Since Chen Ping is not here, we can discuss it with Palace Master Qin and make up for it in other ways. Why use a knife or a gun!”

Ji Lianying said!

“Okay, I’ll give them whatever they want. Do you want money or fairy grass resources?”

Ji Lianjun compromised and sent these people from the Juman Palace away first!

As long as the ancestral land is closed, Ji Lianjun will take action against Ji Lianying without hesitation!

Originally, he was worried about brotherhood, but now it seems that he is overthinking it!

“Palace Master Qin, what compensation do you need for this?” Ji Lianying asked Qin Hetian!

“Juman Palace is not a beggar. We don’t have any money or resources in Juman Palace. I don’t need them.”

“But I heard that your Ji family’s ancestral land has been opened, and there are a lot of helpless origins in it. I only hope that my son can also enter your Ji family’s ancestral land and experience it!”

Qin Hetian said!

“Palace Master Qin, it seems that your son has not yet understood his origins. Even if he enters our Ji family’s ancestral land, he will not gain much. Why bother?”

Ji Lianying looked at Qin Jingyun and said!

Although Qin Jingyun is a third-level monk in the Tribulation Realm, he has not understood the origin. Even if he has the helpless origin, it is of little significance to him!

“Master Ji Er, you don’t know this. I am more than just one son.”

After Qin Hetian finished speaking, another tall young man walked in from the outside!

This young man looks somewhat similar to Qin Jingyun, but his aura is obviously stronger than Qin Jingyun’s!

“This is also my son Qin Jingyu. Not long ago, my son just opened the origin space. I heard that there are many origin fantasy beasts in the Ji family’s ancestral land. As long as you kill the origin fantasy beasts, you can have the opportunity to understand the origin. I want my son to try try.”

Qin Hetian said!

Chapter: 5308

“I didn’t expect that Palace Master Qin has a son who has also opened the origin space. He is really young and promising!”

Ji Lianying looked at Qin Jingyu and said with surprise!

Ji Cheng looked at Ji Lianying’s face and became angry. It was obvious that Ji Lianying and Qin Hetian were acting!

Obviously Ji Lianying just went to Juman Palace some time ago, how could he not know that Qin Hetian has two sons!

Moreover, the conditions proposed by Qin Hetian today were most likely those proposed by Ji Lianying!

After all, how could the Juman Palace in the Northern Territory know so clearly about the situation in the Ji family's ancestral land?

Now Ji Lianying is still acting in front of everyone, and Ji Cheng is furious just looking at it!

Ji Lianjun looked at his younger brother with a cold face, and his eyes began to have murderous intent!

He didn't expect that Ji Lianying would dare to betray the Ji family's ancestral land!

The conditions proposed by Qin Hetian must also be what Ji Lianying meant. Ji Lianying used this as a bargaining chip to let Juman Palace cooperate with him!

"Brother, do you think the condition proposed by Palace Master Qin is acceptable?"

Ji Lianying looked at Ji Lianjun and asked!

"What do you think?" Ji Lianjun said with a cold face: "Don't you know the rules of the Ji family's ancestral land? Outsiders are not allowed to enter the ancestral land. It doesn't matter whether the people from Juman Palace follow our Ji family, how can they enter my Ji family's ancestral land? ..."

"Brother, I know there is this rule, but I also know that as long as the head of the house takes out the head order, outsiders can enter the ancestral land."

"When our ancestors made the rules, they said that as long as they can be of great help to our Ji family, even outsiders can enter!"

Ji Lianying said!

When Ji Lianjun heard this, he slammed the table angrily and said, "How can this Juman Palace help our Ji family? Can my family head order be given to anyone at will?"

“Brother, isn’t the situation now special? You should open some channels, otherwise none of us will be able to enter the ancestral land.”

Ji Lianying said quickly!

“Even if I don’t enter the ancestral land, I can’t let the people from the Juman Palace enter...”

Ji Lianjun roared angrily, his face turning red!

“Master Ji, since you don’t agree to this condition, then don’t say anything and let your fists do the talking...”

After Qin Hetian finished speaking, the auras of those in the Juman Palace rose again!

“Master, let the people from the Juman Palace go in, so what? How much Wuhu Origin can they use by themselves?”

Chapter: 5309

“That’s right, we can’t all be prevented from entering the ancestral land just because of this.”

“The development of our side clan is slow. After waiting for so many years, if we can no longer enter the ancestral land, how can we, the children, rely on to improve our strength?”

Those side factions began to put pressure on Ji Lianjun again!

Ji Lianying had a slight smile on his face. He was sure to defeat Ji Lianjun today!

If Ji Lianjun allows Qin Hetian’s son to enter the ancestral land, then he has fulfilled his promise to Qin Hetian, and Qin Hetian’s cooperation with him will definitely be fine.

If Ji Lianjun insists on going his own way and not allowing Qin Hetian’s son to enter the ancestral land, then he will offend many branches of the Ji family!

In this way, Ji Lianying can win over these side clans and isolate Ji Lianying. The next position of head of the family will definitely fall into his hands!

So no matter what Ji Lianjun chooses today, Ji Lianying is in a state of guaranteed victory!

Ji Lianjun looked at the collateral members and then glanced at Ji Lianying who had a faint smile on his face. His face turned red with anger and his body was trembling slightly!

Ji Lianjun knew that this was Ji Lianying's trap, but even though he knew it was a trap, he had to break into it!

Seeing his father being so angry, Ji Cheng said angrily: "Ji Lianying, what are your intentions in colluding with Juman Palace? Don't think that no one knew about your visit to Juman Palace some time ago."

Ji Cheng has been following Ji Lianying to the Juman Palace, so just now Ji Lianying acted with Qin Hetian, and he couldn't stand it!

Now he wants to expose Ji Lianying's cover!

Ji Lianying's face turned cold: "Ji Cheng, I'm your second uncle. How dare you act like me without fighting? Didn't your father educate you?"

"Ji Cheng, how dare you call my dad by his first name and falsely accuse him of colluding with the Juman Palace? Do you have any distinction between elder and younger? You have no respect for your elders and you must abide by the family law." Ji Yue stood up. , shouted at Ji Cheng!

"Ji Yue, you also call my brother by his first name. You also have no respect for your elders and you have to abide by the family law."

Ji Meiling helped Ji Cheng and said!

“Ji Meiling, you are a little kid, do you have the right to speak here? You should go find your sister, maybe she is sleeping under the quilt of some wild man.”

Ji Meizhen also started to speak!

“You...” Ji Meiling’s face turned red with anger, but she was indeed not as good as her sister Ji Meiyuan when it came to talking.

Ji Lianjun looked at the chaos at the scene, frowned and said: “Okay, shut up...”

Ji Lianjun’s words made everyone shut their mouths.

“Second brother, you are right. This matter is up to you. I can take out the Patriarch’s Order and let the people from Juman Palace enter the ancestral land!”

Ji Lianjun compromised, and finally took out the Patriarch’s Order helplessly.

Chapter: 5310

When Ji Lianying saw this, he immediately smiled and said: “Brother, I still have a sense of the overall situation and understand the general situation. Otherwise, you can be the head of the family...”

After receiving the order from the head of the family, Ji Lianying gave it to Qin Jingyu, and then Ji Lianying and Qin Hetian looked at each other and smiled!

After settling this matter, everyone started heading towards the Ji family’s ancestral land!

A team of dozens of people finally entered the Ji family’s ancestral land!

Among them, Qin Jingyu was the most conspicuous, almost two heads taller than the others. Ji Yue and Ji Meizhen walked to both sides of Qin Jingyu, talking and laughing!

Ji Meiling could only stare at them fiercely, not daring to say anything. Now that she had entered the ancestral land by herself, Ji Cheng was no longer qualified. Ji Meiling didn't know where to run, and she was so weak that she couldn't do anything!

"Second sister, don't be afraid, there is still me..."

At this time, Ji Yun, who was mixed in the crowd, walked up to Ji Meiling and whispered!

Ji Meiling glanced at Ji Yun and nodded with a smile. Regardless of Ji Yun's strength, at least with Ji Yun here, Ji Meiling wouldn't feel too lonely!

Just as Ji Meiling and Ji Yun were talking, Ji Meizhen discovered Ji Yun not far away!

"Brother, look, isn't this the pharmacist that Ji Cheng found? Why did this guy come in too?"

Ji Meizhen pointed at Ji Yun and said!

At that time, Ji Cheng called Chen Ping and the others and said that they were all pharmacists, so Ji Meizhen and the others also regarded Ji Yun as a pharmacist!

Ji Yue glanced at it, then smiled coldly and said: "It must have been Ji Cheng who caused this guy to sneak into the ancestral land among the team. I didn't notice that he was still wearing the clothes of our Ji family."

"But it doesn't matter. Even if he wears the clothes of the Ji family, it will be useless to enter the ancestral land. He will not be able to pass the Taizu test by then."

"When Taizu finds this guy out, I'll see how they explain it."

Ji Yue did not expose Ji Yun on the spot, but wanted to be caught out by Taizu after entering the ancestral land, which would be hilarious!

The group of them quickly walked into the ancestral land, and then walked into the main hall!

The Taizu of the Ji family is still sitting in the middle of the hall, his eyes slightly closed!

Upon seeing this, all the disciples of the Ji family knelt down and worshiped on the ground, and then loudly said: "Disciples of the Ji family, pay homage to Taizu..."

Taizu slowly opened his eyes and looked directly at Qin Jingyu!

There is no need to check the bloodline, it can be seen at a glance that Qin Jingyu is not a member of Ji's family!

"What's going on? Why did outsiders come in?"

Taizu asked coldly!
