

The Order 531

Chapter: 531

Chen Ping did not answer him, but glanced at Gu Ling'er beside him.

At this time, Gu Ling'er frowned tightly, stepped forward and stood in front of Chen Ping and said, "Who are you? Who cares if it's what Chen Ping does?"

The strong man looked at Gu Ling'er and said, "Little girl, get out of here. You have nothing to do with me here. I am Ye Yong from the Iron Gate Hall. Today I am going to kill Chen Ping and avenge my senior brother!"

With that said, Ye Yong was about to attack Chen Ping, but Gu Ling'er shouted angrily: "Stop it, I am a member of the Dharma Protector Pavilion, how dare you commit murder in front of me?"

"What about the people in the Dharma Protector Pavilion? If you don't get out of the way, I'll beat you up too!"

Ye Yong had a cold look on his face. He didn't care who Gu Ling'er was from the Dharma Protector Pavilion.

"you....."

Gu Ling'er was immediately furious. When he was in Hongcheng, he was looked down upon by Lin Tianhu and their Dharma Protector Pavilion. However, when he arrived at his own territory in the provincial capital, he was still looked down upon. Gu Ling'er felt that it was too embarrassing!

However, before Gu Ling'er could speak, Ye Yong had already punched out. Although Ye Yong was strong and strong, he was very fast. When he punched out, the wind of the fist made a hunting sound!

Gu Ling'er was shocked and didn't dare to be careless at all. After dodging Ye Yong's punch, he immediately punched Ye Yong on the waist. As long as he hits this place, the person will lose his life in a short time. Action ability, this is also the favorite move among agents.

Bang.....

Gu Ling'er's punch was very powerful, and it made a dull sound when it hit Ye Yong's body!

Just when Gu Ling'er breathed a sigh of relief, his body was suddenly lifted up directly.

Gu Ling'er was shocked. Looking at Ye Yong again, he saw that it had no impact at all. Her punch just now seemed to have no effect at all!

"He practices hard qigong. How could your tickling punch make him incapacitated!"

Chen Ping had long seen the doubts in Gu Ling'er's eyes, so he explained!

When Gu Ling'er heard this, her face suddenly became extremely ugly. She quickly grabbed Ye Yong's wrist with one hand, and then twisted it hard, trying to get Ye Yong to release her, but no matter how hard she tried, it couldn't shake at all. Nothing can be done to Ye Yong!

"Get out of here!"

Ye Yong roared furiously and threw Gu Ling'er out fiercely!

"ah....."

Gu Ling'er screamed and slammed into a wall!

If it hits the wall, even if it doesn't die, a few bones will be broken!

Seeing that Gu Ling'er was about to hit him, Chen Ping suddenly jumped forward, grabbed Gu Ling'er's body, and with a sudden force, he pulled Gu Ling'er into his arms!

Chen Ping hugged Gu Ling'er and landed steadily on the ground.

Chapter: 532

Gu Ling'er breathed a long sigh of relief, but when she felt the warmth on Chen Ping's body, she immediately woke up, her face turned red and she said, "Put me down quickly!"

Chen Ping hurriedly put Gu Ling'er down and said with an embarrassed look, "I didn't mean to take advantage of you!"

Gu Ling'er knew that Chen Ping didn't mean it, he was just trying to save himself, but men and women were not allowed to be intimate, not to mention being hugged by Chen Ping in front of so many people, Gu Ling'er was still blushing!

"Boy, go to the underworld and start flirting again!"

Ye Yong shouted angrily and punched Chen Ping!

Chen Ping ducked sideways, but Ye Yong's fist quickly swung over again!

Chen Ping just dodged and did not fight back. Then he glanced at Gu Ling'er and said, "If I fight back now, does it count as self-defense?"

Gu Ling'er was already full of anger at this time. When Chen Ping asked, he immediately said: "It's self-defense, beat him to death..."

“No problem!” Chen Ping raised the corner of his mouth. He was just waiting for Gu Ling’er to say this!

Seeing Ye Yong’s angry look, Chen Ping instantly let the spiritual energy in his Dantian flow, and then gathered it on his long fist. To deal with this kind of hard Qigong, he had to use his strength in one place.

Chen Ping’s fist began to emit a faint mist, and then the entire fist was wrapped!

“this.....”

When Ye Yong saw the faint layer of mist on Chen Ping’s fist, he acted very cautiously and solemnly for a moment!

“Silly man, why don’t you dare to take action? If you don’t take action, then I will come first!”

Chen Ping smiled playfully, and suddenly jumped up, directly over Ye Yong’s head!

Ye Yong’s expression changed, he turned around hurriedly, waved his hand towards the back and punched him, but it was too late. At this time, Chen Ping had already punched Ye Yong in the back!

Deng Deng Deng.....

Ye Yong ran forward a few steps and almost fell to the ground. Only then did he remove the force from Chen Ping’s fist, but even so, he still felt his internal organs churning.

Taking a sudden breath, Ye Yong forced down the blood that was about to spurt out, and then stared at Chen Ping with an extremely ugly face: “Boy, if I don’t kill you today, how can I, Ye Yong, have the dignity to go back to the Iron Gate Pavilion!”

After Ye Yong finished speaking, his body suddenly swelled, and then he could see a faint light all over his body. Because it was daytime, the light was not very obvious, but a general outline could be seen. The light was like a big bell. , covering Ye Yong's entire body!

Chen Ping frowned slightly when he saw this scene: "What is this?"

At this moment, Ye Yong's body actually exuded a stronger aura than that of Ye Fengchun!

"Chen Ping, be careful, he is a golden bell..."

Gu Ling'er saw the golden bell used by Ye Yong and immediately shouted to Chen Ping in shock.

Chapter: 533

Ye Yong laughed loudly: "Boy, today I will let you taste the power of the golden bell. Even if you have the power to break mountains and crack rocks, you can't even think of touching me at all!"

"Really? Then I really want to try it!"

After Chen Ping finished speaking, he punched Ye Yong in the chest!

Ye Yong refused to dodge and looked at Chen Ping with a bit of disdain on his face!

Boom.....

After a clear sound like ringing a bell, Ye Yong did not move at all. On the contrary, Chen Ping felt a faint numbness in his arms!

“Hahaha, hahaha...”

Ye Yong laughed arrogantly, his eyes full of provocation!

When Chen Ping saw this, he raised the corner of his mouth slightly: “It’s interesting, then try my punch!”

After Chen Ping finished speaking, the spiritual power in his body began to circulate crazily, and then it all converged on Chen Ping’s fist!

At this time, Chen Ping’s fist also began to glow faintly. In the end, the light turned out to be like a dazzling little sun, and those who shone it did not dare to look directly at it!

The smile on Ye Yong’s face froze instantly, and his mouth opened involuntarily: “What...what is this?”

Chen Ping didn’t answer him, but punched him!

Boom.....

After a thunderous sound, the light on Chen Ping’s fist disappeared!

Looking at Ye Yong again, he stood motionless, the faint light on his body slowly dissipated, and he looked like a puppet!

“Senior brother.....”

The two guys from the Iron Gate Hall who followed Ye Yong hurried forward and called Ye Yong softly!

puff.....

Suddenly, Ye Yong spurted out a mouthful of blood!

The blood was mixed with fragments of internal organs, and they all spurted out!

Plop.....

Ye Yong's huge body fell heavily to the ground, his eyes widened, and he was no longer breathing!

Upon seeing this, the two people from the Iron Gate Hall were so frightened that they turned around and ran away, not daring to stay any longer!

Chapter: 534

Gu Ling'er was stunned for a long time before she reacted, and a panic flashed across her face: "You...how did you kill him?"

Chen Ping smiled and said, "Didn't you ask me to kill him? Why do you want to cheat now?"

"Oh, what I just said was angry, why did you really kill him!" Gu Ling'er looked panicked, stepped forward and pulled Chen Ping up and said: "Hurry up, I'm afraid the people from the Iron Gate Hall will take revenge soon. Got it!"

Gu Ling'er took Chen Ping and left without finishing the meal!

"We haven't eaten yet, I'm hungry now..."

Sitting in the car, Chen Ping looked at Gu Ling'er who looked panicked and asked.

“Go to my place and I’ll cook you some noodles. You were too reckless. You really killed Na Ye Yong!”

Gu Linger sighed.

“You asked me to kill him anyway, I don’t care about the rest!” Chen Ping said with an indifferent expression.

“You...” Gu Ling’er’s face turned red with anger, but she couldn’t refute.

Gu Ling’er drove Chen Ping to a community, and then led Chen Ping to where he lived!

The place where Gu Ling’er lived was very small, with one bedroom and one living room, and it was rented!

Although the place is small, it is kept very clean and there is that unique girly fragrance as soon as you enter the door!

“You sit down first, I’ll look around to see if there’s anything to eat at home!”

After Gu Ling’er got home, she started preparing to cook.

Chen Ping sat boredly in the living room and looked at Gu Ling’er who was busy in the kitchen. Chen Ping felt very strange. With Gu Ling’er’s status, how could he rent a house by himself?

Even if you don’t want to rely on family connections, you still have a house at home, right? If you really can’t afford to buy a bigger and more comfortable house, you still have the strength. You must know that Gu Wentian spent a lot of money on the small courtyard in Hongcheng, plus the antiques at home. It’s enough for Gu Ling’er to spend.

Soon, Gu Linger cooked the noodles and fried two vegetables and brought them to the table. When Chen Ping smelled the smell, his appetite suddenly increased!

“I didn’t expect you to be so good at cooking, but you’re pretty good at cooking!”

After Chen Ping took two bites, he praised Gu Ling’er.

But who would have thought that Gu Ling’er’s face turned cold: “You are not good at kung fu, but I am the grappling champion of our group!”

“Okay, okay, your kung fu is great!” Chen Ping was speechless for a while. He was still the champion for just these two moments. I don’t know how much water was in it. Li Shouyi must have let it go for the sake of ancient times.

Gu Ling’er glared at Chen Ping, but then said curiously: “I really didn’t realize that your kung fu is so strong. Who did you learn it from?”

“Nonsense, how can we destroy the Wei family if we are not strong?” Chen Ping immediately said with a proud look on his face: “I am self-taught and have great talent, there is nothing I can do about it!”

Chapter: 535

“Tch!” Gu Ling’er rolled her eyes at Chen Ping. She didn’t believe what Chen Ping said about his talent.

“Doesn’t anyone in your provincial capital take you agents seriously?” Chen Ping asked strangely.

Chen Ping’s words were like a needle pricking Gu Ling’er’s sore spot. Gu Ling’er immediately said with a low expression: “Martial arts are practiced in the provincial capital. There are martial arts schools everywhere, and there are countless martial arts families.” Come on, there

are more martial arts families, and there are more disputes. Our Dharma Protector Pavilion can't control it at all, and sometimes, we can't control it. These martial arts families all have martial arts alliances, and disputes between martial arts families are also adjudicated by the martial arts alliance. Or mediate!"

Gu Ling'er's words made Chen Ping immediately interested: "Martial Arts Alliance? Is there such a thing in the provincial capital?"

In the past, Chen Ping was just an ordinary person and had no access to these things, so it was normal for him not to know about the martial arts alliance!

"Of course, the martial arts alliance is composed of the four major martial arts families in the provincial capital. The purpose is to restrain each other and respond to the challenges of warriors from other places!"

"Who are these four major martial arts families?" Chen Ping continued to ask.

"The Jiang family, the Wu family, the Sun family, and the Red Phoenix Hall!"

Gu Ling'er replied.

"Chifengtang? Why are there still gangs in there?" Chen Ping became more and more curious.

"Although this Chifeng Hall has not been developed for a long time, it is very powerful, especially their leader Chifeng. I heard that he is about to reach the strength of a Neijin Grandmaster. Although Chifeng is a woman, he is ruthless in doing things. In a short period of time, Chifeng Hall has developed and has a place in the martial arts alliance, but this Chifeng has never done anything harmful to nature!"

Gu Ling'er said, with a hint of admiration flashing in her eyes. It seemed that she admired this Red Phoenix very much.

“Speaking of which, this Chifeng is still a hero among girls!”

Chen Ping smiled slightly, but he admired this kind of female man from the bottom of his heart!

“Of course, many people in the provincial capital refer to Chifeng as the female Bodhisattva. Many wealthy young men use their power to bully others. As long as they encounter Chifeng, they will be obedient and honest. No one dares to provoke her. Then Wei Tao of the Wei family was This Chifeng has taught him a lesson several times, because of this matter, Chifengtang and the Jiang family are at odds.”

Gu Ling'er said, and suddenly her eyes lit up: “If you can get to know this Chifeng, you might have hope of survival. As long as Chifeng comes forward, the Jiang family will have to think carefully about killing you!”

“Don't you want me to be killed by the Jiang family? After all, I am also a murderer and wiped out the entire Wei family!”

Chen Ping looked at Gu Ling'er with a playful expression and asked.

“Of course I don't want to. If you die, Yu Qi will be very sad. I don't want to see my good friend sad, and the Wei family should die...”

Gu Ling'er had no scruples at home and dared to say anything.

“Hahaha, without that red phoenix, it wouldn't be that easy for the Jiang family to kill me!”

Chen Ping laughed, not caring about the Jiang family at all.

Provincial capital, Jiang family!

Jiang Zhengzhong was sitting on the sofa with a towel on his head. The shock of losing his daughter gave him a headache now!

Chapter: 536

“Dad, then Li Shouyi is back!”

Jiang Wenjie walked to Jiang Zhengzhong and said.

“Have you brought anyone here?” Jiang Zhengzhong closed his eyes slightly but did not open them!

“No!” Jiang Wenjie shook his head.

“Since the Dharma Protector Pavilion is useless, let’s do it ourselves. Is the man named Chen Ping still in Hongcheng?”

Jiang Zhengzhong asked.

“No more!” Jiang Wenjie replied.

“What?” Jiang Zhengzhong suddenly opened his eyes and threw away the towel on his forehead: “Did that kid run away? Did Li Shouyi let him go on purpose? If so, I can’t spare him!”

“Dad, that kid is not in Hongcheng, but he probably hasn’t run away either. He may have come to the provincial capital. When Li Shouyi came back, there was no Gu Ling’er around, so I suspect that Li Shouyi asked Gu Ling’er to quietly take that kid with him. Chen Ping came to the provincial capital just to prevent our Jiang family from taking action!”

Jiang Wenjie analyzed carefully.

“Hmph, no one can stop me from killing people to pay debts and repaying money. He is just the master of the pavilion. He still wants to stop my Jiang family?” Jiang Zhengzhong said with anger on his face: “Wenjie, send someone to arrest him right away. Go to Gu Ling’er and ask her if she knows where Chen Ping is!”

“I’ll make arrangements right away!” After Jiang Wenjie said that, he was about to turn around and leave!

“Wait a minute, how are the Wei family’s properties now? Has anyone taken action?”

Jiang Zhengzhong stopped Jiang Wenjie and asked.

“Not yet, but many families are already preparing to make a move, and many partners with the Wei family have stopped cooperating. In addition, many senior leaders of the company are beginning to panic and seem to be looking for a way out!”

Jiang Wenjie said with a worried look.

Such a large business family will soon fall apart if there are no more people!

“If you spread the word, say that all the properties of the Wei family have been taken over by the Jiang family. It will remain the same as it was before, and it will never change. Keep your people’s hearts in check first!”

Jiang Zhengzhong sighed and said.

Although the Jiang family is powerful, it is a martial arts family after all and has little experience in business operations. However, the matter has come to this, and Jiang Zhengzhong can only hold on.

“I understand!” Jiang Wenjie nodded!

Jiang Zhengzhong lay back on the sofa, then waved his hand and asked Jiang Wenjie to leave!

Not long after Jiang Wenjie left, the housekeeper of the Jiang family walked in. Seeing Jiang Zhengzhong resting, he hesitated for a moment, but finally did not dare to disturb Jiang Zhengzhong.

But just when the housekeeper was about to turn around and go out, Jiang Zhengzhong spoke:
“Old Liu, what’s the matter?”

Chapter: 537

Jiang Zhengzhong still had his eyes closed, but he could tell who was coming in.

“Sir, Master Buhuo from Xuanyue Valley in the southwest is here!”

The housekeeper, Old Liu, said respectfully.

“What?” Jiang Zhengzhong suddenly jumped up from the sofa, and the towel on his forehead fell to the ground: “Quickly, hurry up and invite Master Buhuo in!”

“No, no, no, I will greet you personally. Please change my clothes quickly...”

Jiang Zhengzhong looked anxious and urged the housekeeper!

The housekeeper was so frightened that he hurriedly picked up his clothes and put them on for Jiang Zhengzhong, then followed Jiang Zhengzhong and hurried out of the room!

At this time, outside the Jiang family villa, an old man with a fairy-like demeanor was standing quietly!

“Master Buhuo, it’s a sin. This servant actually asked you to wait outside. It’s damning. I will punish them severely...”

When Jiang Zhengzhong saw Master Buhuo, he immediately greeted him respectfully!

“Mr. Jiang is too polite. The servant did nothing wrong, why should he be punished?”

Master Buhuo smiled faintly and said with an enigmatic look.

“Everyone listens to the master’s advice. Master, hurry up and invite us inside...”

Jiang Zhengzhong personally made an invitation gesture and invited Master Buhuo in!

When Master Buhuo entered the living room, Jiang Zhengzhong actually poured tea and water himself, showing great respect to Master Buhuo!

Master Buhuo nodded, very satisfied with Jiang Zhengzhong’s attitude.

“Master Buhuo, I wonder if Master Qian Gu has any explanation for your coming this time?”

Jiang Zhengzhong asked tentatively.

“Hahaha, the Valley Master has told me about Mr. Jiang. I came here in person this time to refine the life-sustaining pill for Mr. Jiang to ensure that Mr. Jiang will be over a hundred years old.”

Master Buhuo laughed and said.

“Thank you so much, Master Buhuo. You have been working hard all the way, so you should rest first. I have already ordered people to prepare the medicinal materials for refining the elixir. They should be ready in the next two days!”

Jiang Zhengzhong said with excitement.

Master Buhuo nodded and stood up to rest, but just after taking two steps, he suddenly looked back at Jiang Zhengzhong: “I wonder if Mr. Jiang knows my preferences?”

“I know, Master Buhuo’s preference, I understand, I have already prepared it for Master Buhuo!”

Chapter: 538

Jiang Zhengzhong nodded repeatedly.

“Hahaha, that’s good!”

Master Buhuo was taken to rest. Jiang Zhengzhong looked at the housekeeper and said: “Old Liu, go and send the girls you recruited to Master Buhuo. Two girls every day. Don’t forget them. In addition, we must ensure that each one is a virgin.” Body!”

“I understand, sir!” The butler nodded and left!

.....

Gu Ling’er’s home!

Chen Ping was resting on the sofa, and Gu Ling'er went out to meet Li Shouyi. Now none of them were sure what to do with Chen Ping, but Gu Ling'er didn't want to hand Chen Ping over to the Jiang family!

Just when Chen Ping was lying down to rest, the door suddenly rang, and someone opened the door with a key. Chen Ping thought that Gu Ling'er was back, so he didn't pay attention!

But who would have thought that when the door opened, a boy in his twenties wearing glasses actually came in!

When the boy saw Chen Ping lying on the sofa, he was stunned: "Who are you? Why are you here?"

The boy looked at Chen Ping with surprise and asked.

Chen Ping was also a little panicked. He thought the boy was Gu Ling'er's boyfriend, so he hurriedly said: "I'm just taking a rest here temporarily, nothing else!"

"You, a grown man, are resting in my sister's room and you say you have no other intentions? How did you get in? Let me tell you, my sister is an agent. If you dare to enter her house, she will beat you to death. !"

The boy threatened Chen Ping, picked up the broom on the side, and looked at Chen Ping warily!

When Chen Ping heard that he was Gu Ling'er's younger brother, he immediately breathed a sigh of relief. Looking at the boy's nervous look, he couldn't help but smile and said: "Are you Gu Ling'er's younger brother? I was brought back by your sister. She went out for something and asked me to wait for him at home. Don't be nervous. I'm not a bad person. We also know your grandfather Gu Wentian!"

When the boy saw that Chen Ping knew even his grandfather and was obviously not a thief, he put down the broom and relaxed his vigilance.

“Are you my sister’s boyfriend?” The boy looked at Chen Ping: “My family has long asked my sister to find a boyfriend, but she didn’t agree. It turns out that she has been looking for her secretly for a long time. What’s your name? Who is your family? What do you do? Do you have any money?”

The boy asked Chen Ping as if he was checking his household registration.

Chen Ping was stunned and was about to explain clearly that he was not Gu Ling’er’s boyfriend, but at this time Gu Ling’er had already returned.

“Gu Feng, what are you doing here again?”

Gu Ling’er looked at her younger brother and said with an unhappy expression.

“Sister, why didn’t you tell me that you had a boyfriend so that I could give you some advice? The guy is wearing ordinary clothes, he doesn’t look like a rich man!”

Gu Feng looked at Chen Ping, and then said with some disdain.

Gu Ling’er’s face turned red and she yelled at Gu Feng: “Shut up, this is my friend, not my boyfriend, don’t talk nonsense!”

Chapter: 539

“Pull him down, he’s not your boyfriend, how could you take him home?” Gu Feng rolled his eyes at Gu Ling’er: “You were very reluctant when I entered your house, how could you let an ordinary friend in? I don’t care if he is Your boyfriend, please lend me some money to spend, I have no money!”

“Neither do I. How many times have you borrowed money from me?” Gu Ling’er shook her head directly.

“Sister, if you don’t lend me money, I will tell your family about your boyfriend!” Gu Feng said, and even took out his mobile phone to take a few photos of Chen Ping, and then said proudly: “I want to let Everyone in your family will give you some advice and see how your boyfriend is doing!”

“Delete the photo, I told you he is not my boyfriend, just a normal friend!”

Gu Ling’er wanted to take Gu Feng’s phone, but Gu Feng wouldn’t give it to her. The two siblings chased her around the room!

Chen Ping looked on with deep envy on his face. He sometimes thought that it would be great if he had younger brothers and sisters, and he would definitely spoil them.

“Okay, you delete the photo, and I’ll give you money. Tell me, how much will it cost this time?”

Gu Ling’er gasped and said to Gu Feng.

In fact, with Gu Ling’er’s strength, he can easily snatch the phone from Gu Feng’s hand. After all, Gu Ling’er has also practiced!

It’s just that Gu Ling’er doesn’t want to do anything to his brother!

Gu Feng smiled slightly: “Not much, I want one hundred thousand!”

“How much? One hundred thousand?” Gu Ling’er suddenly screamed: “Do you know how much my monthly salary is? You dare to ask for one hundred thousand? I don’t have it!”

“You don’t have it. It’s fine if my brother-in-law has it!” After Gu Feng finished speaking, he looked at Chen Ping and said, “Brother-in-law, do you have any money? Lend me one hundred thousand first. If I can’t pay back, then I’ll use the gift you gave my sister. Button inside!”

When Chen Ping heard this, he immediately laughed. He felt that Gu Ling’er, his younger brother, was quite funny.

“I have it. Open the payment code on your mobile phone and I’ll scan it for you!” Chen Ping took out his mobile phone: “No need to borrow it, I’ll give it to you!”

Given the relationship between Chen Ping and Gu Wentian, giving his grandson 100,000 yuan is nothing!

“Really?” Gu Feng said in shock.

“Of course!” Chen Ping showed Gu Feng his cell phone: “I’m not short of the 100,000 yuan!”

For Chen Ping now, one hundred thousand yuan is really a drop in the bucket!

Looking at the balance on Chen Ping’s phone, Gu Feng was stunned for a moment, and quickly hugged Chen Ping excitedly: “Brother-in-law, you are my biological brother-in-law. If my sister changes her boyfriend in the future, I will not recognize her, nor will I recognize you.” This brother-in-law!”

Gu Ling’er looked at Gu Feng with her face flushed angrily, and then said to Chen Ping: “Chen Ping, don’t give him money, he knows how to spend money everywhere!”

However, Chen Ping still transferred 100,000 yuan to Gu Feng, which made Gu Feng very happy!

“Brother-in-law, let’s leave our contact information and I’ll take you out for a drink in the evening. I’m familiar with you in the provincial capital, and when it comes to my ancient style, no one doesn’t recognize me!”

Gu Feng added Chen Ping’s contact information and ran away excitedly!

Chapter: 540

Gu Ling’er sat on the sofa with a look of helplessness and looked at Chen Ping with some complaints: “Who asked you to give him money?”

“One hundred thousand yuan, not much money!” Chen Ping said with a smile.

“This guy goes out to fool around after getting money. That’s why my parents control him and don’t give him money!”

Gu Ling’er sighed, but then looked at Chen Ping: “I will return the 100,000 yuan to you. I hope this guy won’t talk nonsense outside!”

Gu Ling’er is now worried that Gu Feng is spreading rumors that Chen Ping is his boyfriend. If this spreads to Su Yuqi’s ears, how can she see Su Yuqi? It would be so embarrassing!

“No need to pay it back. This one hundred thousand yuan will be used as money for me to eat and rest at your house. I can’t eat and sleep in your house for nothing!”

After Chen Ping finished speaking, he picked up an apple and gnawed it!

“Are you still planning to sleep at my house?” Gu Ling’er rolled her eyes at Chen Ping and continued, “I just discussed it with the pavilion master and won’t hand you over to the Jiang family for the time being, but now the Jiang family is definitely looking for you everywhere. You, I will find you a small hotel to stay in temporarily, and then I will look for an opportunity for you to get to know Chifeng, so maybe you can be saved!”

Chen Ping was speechless for a while, seeing that Gu Ling'er had been thinking of ways to save him, but this also made Chen Ping a little touched!

"I think with the Jiang family's strength, they can be found in any hotel they stay in. It's better to be safe here with you!"

Chen Ping said with a faint smile.

Gu Ling'er looked at Chen Ping with a wary look on her face: "You don't want to do anything to me, do you? I tell you, I will never be sorry to my friends. If you really dare to touch me, I will tell Yu Qi!"

Chen Ping looked helpless: "You are overthinking, I only have Su Yuqi in my heart, so I won't do anything to you, don't worry!"

"Then you can live on the sofa for the time being!" After Gu Linger said that, he went back to the room to change clothes!

In the evening, Gu Ling'er made a meal and followed Chen Ping to eat it!

Just then, Gufeng came!

"What are you doing here again?" Gu Linger frowned when she saw Gu Feng.

"It smells so good!" Gu Feng looked at the food on the table and was not polite. He directly picked up the bowls and chopsticks and started eating. While eating, he said: "You also said that we are ordinary friends. You would cook for ordinary friends." Do you want food? Will ordinary friends stay together at night?"

"Shut your stinky mouth, Chen Ping and I are just ordinary friends..."

Gu Ling'er glared at Gu Feng fiercely!

After eating, Gu Feng picked his teeth and said to Chen Ping: "Brother-in-law, I will take you to play around in the evening, and let you meet my friends by the way. If you have something to do in the provincial capital in the future, just say a word!"

Chen Ping was about to agree, but Gu Ling'er said directly: "No, he is not allowed to go anywhere!"

"Sister, you're not married yet, why are you so strict? For a tigress like you, be careful no one wants you!"

Gu Feng stuck out his tongue and said.
