

The Order 5341

Chapter: 5341

“Let’s go...” Ji Meiling nodded happily!

Although Ji Yun and Ji Meiling didn’t gain much, they were still very happy!

Just when several people passed by Ji Yue and Ji Meizhen, the two of them were still standing blankly because they didn’t know how to go out and explain!

“Second brother, third sister, aren’t you going out?”

Ji Yun asked!

Neither Ji Yue nor Ji Meizhen spoke!

“Sixth brother, ignore them, let’s go...”

Ji Meiling pulled Ji Yun forward!

Soon, they walked out of the col. After Ji Yue and Ji Meizhen looked at each other, they could only follow them out!

Even if they don’t go out, they will be forcibly kicked out of the Ji family’s ancestral land when it is closed!

Chen Ping and the others passed through a light door and appeared in the hall again!

The Taizu of the Ji family was still sitting cross-legged in the middle of the hall!

“Taizu, we are out...”

Ji Meiyuan stepped forward and said hello to Taizu!

Taizu closed his eyes slightly, then slowly opened them, glanced at Ji Meiyuan and said: “I have been guarding here for hundreds of years, and only you activated the polymorphic stone and opened up the origin of my ancestors of the Ji family. Space, understanding the origin of the metal system.”

“It is an honor for me to see this scene in my lifetime...”

Taizu’s words made Ji Meiyuan a little excited. She didn’t expect that what she realized was the original space of the ancestors of the Ji family. No wonder it was a huge original space like the vast jungle!

Ji Yue and Ji Meizhen on the side listened to Taizu’s words, with nothing but envy, jealousy and hatred in their eyes!

They didn’t expect that Ji Meiyuan would have such luck!

“Taizu, if you put it this way, isn’t my sister the most talented person in our Ji family in hundreds of years?”

Ji Meiling asked quickly!

For hundreds of years, only Ji Meiyuan can activate that polymorphic stone, so she must be the most talented one!

But who would have thought that Taizu shook his head: “Your sister is just mediocre in talent, no different from anyone else.”

Ji Meiling was stunned and asked in confusion: “Taizu, since my sister’s talent is mediocre, why can she activate that gathering stone, open the original space, and understand the original source?”

Chapter: 5342

Taizu then turned his attention to Chen Ping, and then sighed: "Although your sister's talent is mediocre, she is lucky. When she entered the ancestral land, your sister had sex with this person, which made her originally mediocre talent. Only when your qualifications have changed and your bloodline has changed will the shape-gathering stone be activated."

"Because of me?" Chen Ping was stunned and asked in disbelief!

"Yes, your bloodline and talent are rare in the world. Although I have not seen you through, I know that you are no ordinary person."

"Otherwise, do you really think that just sleeping with a Ji family girl will give you Ji family blood, and I will let you in?"

"If that were the case, how many outsiders would have entered our Ji family's ancestral land over the past hundreds of years."

"But my decision is correct. It is because of you that our Ji family can return to its ancestral origins."

A proud smile appeared on Taizu's face!

When Chen Ping heard this, he seemed very embarrassed. It turned out that this old guy was taking advantage of him!

Ji Meiyuan was also a little ashamed. After all, it was a bit too embarrassing to tell her about sleeping with Chen Ping in the hall in front of so many people!

"Sister, you two...are you two doing that in this hall?"

Ji Meiling asked incredulously!

Ji Meiyuan blushed and said nothing!

Ji Yue and Ji Meizhen looked at Chen Ping in shock. From Taizu's words, they could tell that Chen Ping was definitely not an ordinary person!

Ji Meiyuan was favored by the ancestors of the Ji family just because she slept with Chen Ping. It's so outrageous!

Ji Meizhen even felt that why wasn't she the one sleeping with Chen Ping?

If that's the case, then you will be the one to open the origin space and realize the origin!

Taizu then turned his attention to Ji Yue and Ji Meizhen!

"You two kneel down..." Taizu said in a cold tone!

Ji Yue and Ji Meizhen were stunned for a moment, and then they both knelt down on the ground!

"You collude with outsiders and use our Ji family's ancestral land as a bargaining chip. Do you think I don't know?"

"Although I can't leave this hall, I tell you, I know everything about the Ji family."

"As long as I am alive, there will be no chaos in the Ji family, and no outsiders will dare to run wild in the Ji family."

"Go out and tell your father to come to the ancestral land and accompany me to guard the ancestral land for ten years..."

Taizu's words were like a heavy hammer, hitting Ji Yue and Ji Meizhen's hearts hard!

Chapter: 5343

They didn't expect that Taizu, who was in the hall all day long, actually knew their thoughts. If Taizu got angry, then their lineage would be over!

"I will obey Taizu's words and I will tell my father the truth."

Ji Yue broke into cold sweat and said tremblingly!

"Go out..."

Taizu waved his hand, and Chen Ping and the others all left the hall instantly!

Just when Chen Ping and the others left the main hall, the atmosphere in the Ji family was extremely tense!

If it weren't for Chen Ping and the others who were still in their ancestral land, the brothers Ji Lianying and Ji Lijun would have drawn their swords at each other!

"Dad, I have gathered all the disciples I can. I guess the sixth brother and the others will soon come out of the ancestral land. As soon as they come out, the second uncle will take action."

Ji Cheng followed Ji Lianjun and said!

"What's going on with your second uncle?" Ji Lianjun asked with a slight frown!

"Second Uncle has already gathered people on his side, and everyone from Juman Palace has been entertained at Second Uncle's residence."

Ji Cheng said!

Ji Lianjun was silent for a moment, and then said: "Cheng'er, when your sixth brother and the others come out, you will find a way to take them away. I'm afraid there will be a fierce battle this time."

“Your second uncle colludes with Juman Palace. I’m afraid it will be difficult for us to resist. If the Ji family really falls into the hands of your second uncle, you should never come back, or go to your third uncle.”

“Dad, I won’t leave, I want to be with you.”

Ji Cheng shook his head!

“You bastard, what are you doing with me? Are you waiting to die?”

“Who cares about your sister and the others?” Ji Lianjun immediately shouted angrily!

Ji Cheng lowered his head and said nothing more!

When Ji Lianjun saw this, he could only sigh and fell into silence!

At Ji Lianying’s house, Qin Hetian, the master of the Juman Palace, was following Ji Lianying to exchange cups and cups!

The people of Juman Palace have been entertained here in the past two days, which makes Qin Hetian very happy!

“Palace Master Qin, don’t worry. With Master Qin’s talent and the strong aura of the origin of our Ji family’s ancestral land, he will definitely be able to sense the origin.”

“When the time comes, Palace Master Qin will help me get the position of head of the Ji family. From now on, every time our Ji family’s ancestral land is opened, I will let Mr. Qin go in and practice. I will never break my promise.”

Chapter: 5344

Ji Lianying said with excitement!

“Hahaha, Master Ji is so happy, what can I say? I will go all out to help Master Ji fight for the position of the head of the family.”

Qin Hetian laughed and said!

“Dad, come out. Those who entered the ancestral land have come out...”

At this moment, Qin Jingyun ran in and said!

“Coming out so soon?”

Qin Hetian was stunned!

“Let’s go take a look...” Ji Lianying quickly put down the wine glass in his hand!

At this moment, in front of the Ji family’s ancestral land, Chen Ping and the others all came out, except Qin Jingyu!

Ji Lianjun got the news and rushed over with people as soon as possible!

When Ji Lianjun saw that Ji Meiyan and Chen Ping were also in the team, he instantly understood why Ji Meiyan and Chen Ping were suddenly missing!

The two people must have sneaked into the ancestral land, but Ji Lianjun was a little confused. How did Chen Ping enter the ancestral land with Taizu guarding it!

But now is not the time to think about that. Now that everyone has come out of their ancestral land, the Ji family’s crisis has begun!

“Dad, brother, my eldest sister has opened the origin space and realized the origin.”

“Even Taizu praised my eldest sister. My eldest sister is now the number one member of the Ji family!”

After Ji Meiling saw Ji Lianjun and Ji Cheng, she ran over excitedly and said!

“What?”

Ji Lianjun and Ji Cheng were both stunned, with incredible expressions on their faces!

“Meiyan, is what your sister said true?” Ji Lianjun asked Ji Meiyan!

Ji Meiyan nodded, then waved her palm, and a stream of original aura instantly crossed the sky, condensing into a golden-armored war wolf in mid-air!

Seeing this scene, Ji Lianjun was so shocked that he couldn't close his mouth!

Ji Cheng was also breathing rapidly and his face was full of excitement!

“What on earth is going on? Tell me quickly...”

Ji Lianjun grabbed Ji Meiyan's shoulders excitedly and wanted to know what happened!

Chapter: 5345

Ji Meiyan blushed. How dare she say that? She couldn't tell her about sleeping with Chen Ping in front of everyone!

“Son, where is Mr. Qin?”

At this time, Ji Lianying also arrived with people, including people from Juman Palace!

Seeing their father coming, Ji Yue and Ji Meizhen hurried forward, trying to pull Ji Lianying aside to talk!

However, Ji Lianying threw away the two of them very unhappily and said, "If you have anything to say, just say it here. Palace Master Qin is not an outsider..."

"Where is Mr. Qin? Why haven't you seen him?"

Ji Lianying's words made Ji Yue and Ji Meizhen lower their heads, not knowing how to explain it!

Looking at the two of them, Ji Lianying suddenly had a bad feeling in his heart!

When Qin Hetian saw this, he frowned and said, "Where is my son? Where is my son..."

Facing Qin Hetian's roar, Ji Yue could only say cautiously: "Qin, Mr. Qin... he is dead..."

boom.....

Ji Yue's words struck Qin Hetian on the head like a bolt from the blue!

Even Ji Lianying was stunned on the spot. He didn't expect Qin Jingyu to die!

"What's going on? What's going on?"

Ji Lianying asked anxiously!

“Young Master Qin realized the origin. He was absorbing the aura of the original source. However, Young Master Qin absorbed too much and his body could not bear it. He exploded and died.”

Ji Meizhen said!

When Ji Lianying heard that his body exploded and died, he didn't know what to say for a moment.

“Nonsense, how could my eldest brother explode and die? Someone must have killed him.”

“Is it Chen Ping? Did he kill my eldest brother?”

Qin Jingyun roared angrily!

“Yes, my son couldn't have died from an explosion. Someone must have harmed him inside.”

“Tell me, did someone harm my son?”

Qin Hetian's face was ferocious, and his eyes turned scarlet!

Chapter: 5346

“You two, tell me quickly, was Mr. Qin killed by them?”

Ji Lianying pointed at Chen Ping and the others and said!

No matter how Qin Jingyu died, Ji Lianying must put the responsibility on Chen Ping and the others!

Because only in this way, Qin Hetian will work with him to target Ji Lianjun's lineage!

“Dad, no, it's...”

Ji Yue wanted to explain, but was slapped hard by Ji Lianying!

“You bastards, I asked you to take good care of Mr. Qin, but you let him be killed and you didn’t dare to tell the truth.”

After Ji Lianying slapped Ji Yue, he looked at Qin Hetian and said, “Palace Master Qin, they must have harmed your son. Now that our two families have joined forces, we must not let them go...”

Qin Hetian glared at Chen Ping and others. He didn’t believe that his son blew himself up.

“I want them to pay for their debt with blood...”

Qin Hetian was filled with anger, and the aura of terror on his body continued to permeate!

Feeling Qin Hetian’s terrifying aura, everyone frowned!

Especially Ji Lianjun, he knew that a fierce battle was about to begin!

“Ji Cheng, don’t forget to explain your affairs.”

Ji Lianjun said to Ji Cheng!

Ji Cheng nodded, with helplessness in his eyes!

“If you dare to kill my son, I will kill you...”

Qin Hetian roared angrily, his body just swaying slightly, and he arrived in front of Chen Ping and the others!

When Ji Lianying saw this, he immediately followed him with his people!

“What are you going to do?” Ji Lianjun said angrily!

“Brother, Mr. Qin was killed in the ancestral land. He had your family head’s order. However, these outsiders secretly entered the ancestral land without the family head’s order and murdered Mr. Qin. Do you want to hand them over now?”

Ji Lianying asked Ji Lianjun!

“Second uncle, don’t slander anyone. Qin Jingyu blew himself up and died. Ask your children, they saw it too.”

Ji Meiyuan said to Ji Lianying!

Chapter: 5347

“No need to ask, he was killed.” Ji Lianying is just trying to find an excuse. As for the real situation, it doesn’t matter at all!

“Dad, don’t be confused. Mr. Qin blew himself up and died...”

Ji Meizhen yelled!

“What are you talking about?” Ji Lianying immediately glared at Ji Meizhen!

“Dad, Mr. Qin just blew himself up. It doesn’t matter if he follows others. Stop messing around.”

Ji Yue stepped forward and pulled Ji Lianying aside with all his strength!

If Ji Lianying cannot be stopped at this moment, then their lineage will really disappear!

“Did you two take the wrong medicine today?”

Ji Lianying’s face was full of disbelief. He didn’t understand why his children suddenly stopped speaking for him!

“Dad, don’t be stubborn. Taizu has spoken and asked you to go to the ancestor’s place to accompany him. Taizu knows everything about us.”

Ji Yue said anxiously!

“Nonsense, Taizu can’t leave the ancestral hall all year round. How could he know? You must be lying to me...”

Ji Lianying didn’t believe it at all, how could Taizu know what was going on outside!

But just as Ji Lianying finished speaking, suddenly an old voice seemed to come from the horizon!

“You unfilial beast, why don’t you get out of here quickly...”

Taizu’s voice came slowly from the ancestral hall!

Hearing this voice, all the children of the Ji family were stunned, and Ji Lianjun quickly knelt down!

The other children of the Ji family also knelt down and worshiped!

Because this was the first time in so many years that they heard Taizu’s voice outside their ancestral land!

Ji Lianying’s eyes widened, with horror and disbelief in his eyes!

He never expected that his thoughts would alarm Taizu!

“Dad, if you don’t hurry up and enter the ancestral land, if Taizu gets angry, everyone in our lineage will be doomed.”

Ji Yue reminded Ji Lianying from the side!

Ji Lianying looked dull, and finally stood up slowly and walked towards the ancestral land!

Chapter: 5348

“Master Ji Er.....”

When Qin Hetian saw this, he quickly shouted!

He came here for Ji Lianying. If Ji Lianying doesn’t rebel, then what’s the use of him coming to the Ji family? Besides, it’s impossible for the people he brings to beat the Ji family!

Ji Lianying seemed not to hear anything, and finally disappeared into the ancestral land. As for what punishment he would receive, no one knew!

Ji Yue and Ji Meizhen watched their father walk into the ancestral land. Although they were reluctant to give up, they had no choice. Who made them ignore the safety of the Ji family and collude with outsiders to seize the position of the head of the Ji family!

After Ji Lianying entered the ancestral land, Ji Yue and Ji Meizhen immediately walked up to Ji Lianying with their children!

Ji Yue and Ji Meizhen both knelt down in front of Ji Lianjun!

“Uncle, we are obsessed with our own thoughts. We followed our father and did many things that hurt the Ji family. Please forgive me, uncle.”

Ji Yue and Ji Meizhen knelt on the ground sincerely, kowtowing continuously!

At this moment, they definitely admitted their mistake sincerely!

No more rebellion!

Even Taizu has spoken, how dare they have the slightest thought!

What’s more, now that Ji Meiyan has opened the origin space and realized the origin of their ancestors of the Ji family, their lineage has no strength to seize the position of the head of the family!

“Get up, find your way back from the lost path, and just recognize your mistakes and correct them.”

Ji Lianjun did not embarrass Ji Yue’s brother and sister!

After all, Ji Lianjun doesn’t want to watch the children of the Ji family kill each other!

Qin Hetian on the side looked at the scene in front of him, and his lungs were about to explode!

He traveled thousands of miles to bring people here, but now he has gained nothing, and one of his sons has died!

“Palace Master Qin, since your son died by self-destruction, I think there is no need for you to stay in my Ji family, right?”

Ji Lianjun looked at Qin Hetian and asked!

Qin Hetian's face was full of dissatisfaction, but he couldn't get angry!

After all, this is the Ji family. If a fight breaks out, none of them from the Juman Palace will be able to leave!

"let's go....."

Qin Hetian gritted his teeth, then waved his hand and led the people away!

Chapter: 5349

"Dad, why did you let him go? You should teach them a lesson!"

Ji Meiling was a little dissatisfied when she saw her father letting the people from Juman Palace leave!

"It's better to dissolve enemies than to make enemies, and it won't do any good for us to provoke them."

"This time, our Ji family did not kill each other. It is already blessed by God."

"Tell me quickly, what happened to you in the ancestral land? Why did your sister suddenly open the origin space and realize the origin?"

Ji Lianjun really wants to know how Ji Meiyuan did it!

"Dad, let's talk about it when we get back..."

Ji Meiling knew that speaking about Ji Meiyuan in front of so many people would definitely make Ji Meiyuan shy, so she planned to talk about it when she went back!

"Okay, let's go back!"

Ji Lianjun nodded!

When she returned to her house, Ji Meiling told Ji Lianjun everything!

When Ji Lianjun heard that the combination of Ji Meiyuan and Chen Ping made Ji Meiyuan's talent and bloodline different from ordinary people, his jaw dropped in surprise!

He never expected that Chen Ping turned out to be of the supreme bloodline. After a woman has sex with Chen Ping, her talent and bloodline can change!

This is simply outrageous!

At this moment, Ji Lianjun's eyes looking at Chen Ping became a little special!

This made Chen Ping feel a little hairy!

"Master Ji, I'm a little tired. I'm going to rest first..."

Chen Ping quickly got up and wanted to leave!

"Mr. Chen, stay here. I still have something to say to Mr. Chen!"

Ji Lianjun hurriedly stopped Chen Ping, and then waved his hand to let everyone leave!

After everyone left, Ji Lianjun looked at Chen Ping with bright eyes, as if he were looking at a treasure!

Chen Ping got goosebumps when he saw it!

Could it be that this Ji Lianjun heard that sleeping with him can improve his talent and bloodline, so he also thought...

Thinking of this, Chen Ping almost vomited!

Chapter: 5350

“Master Ji, if you have anything to say, just say it!” Chen Ping asked, resisting the urge to vomit!

“Mr. Chen, I...I have a grudging request. I’m a little embarrassed to say it.”

Ji Lianjun seemed a little nervous!

When Chen Ping saw it, the hairs all over his body stood up, and he immediately said: “Since I’m embarrassed to say it, I’ll leave...”

Chen Ping wanted to leave, but was stopped by Ji Lianjun!

“Mr. Chen, as the saying goes, heroes match beauties. Look, there are quite a few girls in our Ji family.”

“I hope Mr. Chen can select some from them and combine them with them.”

“Of course, no matter in terms of figure or appearance, Mr. Chen likes all of them, and they are all perfect.”

“Mr. Chen, stay at my Ji’s house for a while longer so that I can entertain Mr. Chen.”

Ji Lianjun said!

When Chen Ping heard this, he was stunned!

If other men heard this request, they would probably jump with joy!

But Chen Ping had a grimace on his face. He was going to be penned up and raised like a breeding pig.

Chen Ping looked at Ji Lianjun's eyes and did not dare to refuse on the spot. He could only smile awkwardly and said: "Master Ji, let me take a break first and think about it, okay?"

"Yes, of course Mr. Chen must have a good rest in order to have energy."

Ji Lianjun looked at Chen Ping and looked like he was probably in trouble, so he said happily!

Chen Ping walked out of Ji Lianjun's mansion and was sweating all over without realizing it!

He felt that he was leaving, so he left quietly at night. If he was really being raised like a breeding pig, even if Chen Ping was so powerful, he would become a human sooner or later!

When Chen Ping returned to his residence, Ji Yun and Huo Feng greeted him!

"Mr. Chen, what did uncle tell you? It seems mysterious..."

Ji Yun asked curiously!

"Master, I heard that you have taken in another woman, Ji Yun's eldest sister. Why don't you take in the twin sisters together? Wouldn't it be nice to have two sisters?"

Huofeng jokingly followed Chen Ping and said!

Chen Ping glared at Huofeng, then sighed helplessly and said: "Please pack up, we will leave here tonight."
