

The Order 5351

Chapter: 5351

“Mr. Chen, what’s wrong?”

Ji Yun was stunned. He thought Ji Lianjun had done something to Chen Ping!

“Master, why are you in such a hurry to leave at night?”

Huofeng also asked curiously!

Seeing this, Chen Ping could only repeat Ji Lianjun’s words to the two of them. After hearing this, Ji Yun and Huofeng immediately laughed from ear to ear!

“Master, why are you still sighing at such a good thing? When the time comes, you will have the entire Ji family’s women to choose from.”

“It’s just that this time the head of the Ji family wants to treat you as a stallion to improve the bloodline of their Ji family.”

Huofeng laughed and said!

Ji Yun was a little embarrassed: “Why would uncle have such an idea? It’s so embarrassing...”

“In the world of gods and humans, strength is respected. Many people will do anything to improve their strength. It’s nothing to sleep with them.” Huo Feng said nonchalantly!

If he sleeps with him, his bloodline will be improved. It is estimated that many women in the heaven and human world will rush towards Chen Ping crazily!

“Okay, you two get ready, we’ll leave secretly at night.”

“Ji Yun, if you want to stay at Ji’s house, you don’t have to follow me to Tianmo Mountain.”

Chen Ping knew that it was unfair to Ji Yun that Ji Yun had finally found the Ji family and left just after arriving for a few days!

“Mr. Chen, I’m going with you. I said I would follow you. Wherever you go, I will go.”

Ji Yun said firmly!

“Okay then, go and clean up. Leave quietly at night without disturbing anyone.”

Chen Ping asked Ji Yun and Huofeng to clean up!

It was getting dark. Chen Ping was lying on the bed. When it was dead of night, he planned to leave!

Just when Chen Ping was lying on the bed bored, the door was suddenly pushed open gently!

Chen Ping thought it was a fire phoenix and didn’t pay attention!

But soon, two beautiful figures came to Chen Ping’s bed!

Even in the dark night, Chen Ping could clearly see that these two people were Ji Meiyang and Ji Meiling!

Both of them were naked, and Ji Meiling still had a bit of shyness on her face!

Chapter: 5352

They all thought Chen Ping was asleep, but they didn't know that Chen Ping was staring at them closely at this moment!

"Sister, I'm afraid..."

Ji Meiling whispered!

"What are you afraid of? You don't know how many women want to sleep with Chen Ping. I heard that tomorrow all the women in the Ji family will be available for him to choose from."

"When there are so many women, it will be your turn. Just enjoy it tonight. You won't have a chance tomorrow."

Ji Meiyuan encourages Ji Meiling!

Ji Meiling nodded, and finally mustered up the courage to grit her teeth and tiptoe onto Chen Ping's bed!

Ji Meiling's body was trembling slightly. After all, this was the first time she had been in such close contact with a man, and she was still naked!

But just when Ji Meiling was about to pounce on Chen Ping, Chen Ping suddenly stood up, shocking Ji Meiling!

"I hope you will respect me. Who do you think I am?"

Chen Ping said in a stern tone!

Ji Meiyuan was stunned. She didn't expect that Chen Ping, the woman sent to her, would refuse!

Ji Meiling's face turned red with embarrassment and she hurriedly hid behind Ji Meiyuan!

“Sister, let’s go...” Ji Meiling wanted to pull Ji Meiyuan away!

But Ji Meiyuan did not move, but asked Chen Ping: “Chen Ping, feelings can be cultivated. We don’t have feelings. Didn’t you sleep with me...”

“I did it to enter your Ji family’s ancestral land...”

Chen Pingping said expressionlessly!

Chen Ping knew that he was leaving Ji’s family and might never come here again, so he didn’t want Ji Meiyuan to be emotional towards him!

He wants to hurt Ji Meiyuan so that Ji Meiyuan won’t think about him!

Sure enough, Chen Ping’s words stunned Ji Meiyuan and her body trembled slightly: “You...”

Ji Meiyuan didn’t know what to say. After all, she took the initiative and Chen Ping just passively accepted it!

“Sister, let’s go, it’s so embarrassing...”

Ji Meiling pulls Ji Meiyuan to leave!

She also didn’t expect this outcome. Two beauties, twins, naked in front of Chen Ping, but Chen Ping was actually indifferent!

Chapter: 5353

Maybe Chen Ping is really not like other men, or maybe Chen Ping resents treating him as a stallion!

Chen Ping flicked his hand, and a sheet wrapped the bodies of Ji Meiyang and Ji Meiling!

The two women were stunned, not knowing what Chen Ping was going to do, but they found that Chen Ping's consciousness turned cold and said: "Come out..."

Ji Meiyang and Ji Meiling looked around and found no one. They didn't know who Chen Ping was talking to!

Following a fluctuation in the void, an old man soon appeared out of thin air in the room!

And this old man is none other than the Taizu of the Ji family!

Seeing this, Ji Meiyang and Ji Meiling hurriedly knelt down to worship, with deep doubts in their eyes!

It was said that their great ancestor would never leave his ancestral land, but now he appeared here!

"You two go out first, I have something to say to the young man!"

Taizu waved his hand!

Ji Meiyang and Ji Meiling retreated obediently!

After the two of them exited, Taizu said to Chen Ping: "How can you remain indifferent to two beauties in front of you?"

"It's true that I am a man, but I am not a tool for your Ji family to improve their bloodline."

Chen Ping's expression is a bit unpleasant!

“Hahaha, I have some personality, but I can exchange it with you. As long as you sleep with the two of them tonight, I can teach you my lifelong secrets. After all, you are half of Ji’s family.”

Taizu said!

When Chen Ping heard this, he suddenly became interested and asked: “What is your secret skill?”

“I can demonstrate it to you. If you are interested, then we can make an exchange!”

Taizu said, suddenly stretched out a finger, and there was a strange aura flowing on the finger!

Immediately after Taizu pointed his finger, a table shattered instantly!

It’s nothing special to shatter a table with his breath. Let alone his fingers, even if Chen Ping shakes his body now, he can turn the furniture in the room into powder!

Chen Ping didn’t understand, what kind of unique skill was this move of the Taizu of the Ji family?

“That’s it?”

Chen Ping said with disdain on his face!

Chapter: 5354

Taizu smiled faintly: “Take a closer look...”

Chen Ping didn’t understand what Taizu asked him to see, so he asked: “What did you want me to see?”

“Look at the smashed table, of course.”

Taizu said!

Chen Ping looked at the shattered table and was surprised to find that the fragments of the table had remained at the moment they were shattered and did not fall apart, as if they were suddenly frozen!

Chen Ping's eyes widened, as if he had been struck by lightning, his face full of disbelief!

But then, something even more incredible happened!

The table that originally looked like it had been torn apart by one finger actually coalesced again and then appeared completely in its original position!

Chen Ping hurriedly rubbed his eyes, unable to believe what he was seeing.

"Do you see clearly?"

Taizu said with a faint smile!

"What are you looking at? You don't seem to have done anything? Did you use an illusion on me just now?"

Chen Ping discovered that nothing in the room had changed. Even the table that had been shattered just now was still intact in its place!

It seems that the Taizu of the Ji family's finger did not damage anything, but only used illusions to blind Chen Ping's eyes.

"Illusion?" Taizu snorted coldly: "Since you can't understand, I won't force you. Maybe you are not suitable for my unique skill."

After Taizu finished speaking, he actually walked towards me!

Chen Ping frowned. He himself had the origin of illusion, and the illusion was even more unpredictable. If the Taizu of the Ji family performed illusion in front of them, he shouldn't have known about it!

But just now he clearly didn't feel the existence of illusion, what he saw was real!

But how could the apparently broken table become intact again?

Just when the Taizu of the Ji family was about to walk out of the room, Chen Ping's eyes suddenly lit up and he said loudly: "I know, I know, this is... is this a time spell?"

"What you use is not illusion, but time magic. You can stop time or even turn it back, so the broken table will become whole again."

Hearing Chen Ping's words, the Taizu of the Ji family smiled slightly: "Boys can be taught. Do you think the two of us can exchange them?"

"Ok, Ok....."

Chen Ping nodded desperately!

Chapter: 5355

There is nothing emotional about it, let alone letting him sleep with two sisters, Ji Meiyang and Ji Meiling. Even if he slept with all the eldest girls in the Ji family, Chen Ping would not object!

This is a time spell. If you can learn it, wouldn't it be possible to turn back time and bring the dead back to life?

This is simply a miracle. Even if he is a stallion for a few days, Chen Ping is happy!

Taizu of the Ji family smiled, then opened the door and walked out!

Ji Meiyang and Ji Meiling are still surrounded by sheets, waiting outside!

“You two go in and squeeze him with all your strength. This is an opportunity for our Ji family and an opportunity for you two.”

“I’m afraid we will never have this kind of opportunity again, and you will never see him again.”

Taizu of the Ji family said calmly!

When Ji Meiyang and Ji Meiling heard this, they were silent, but they still walked in obediently!

This time, Chen Ping didn’t resist at all, but was particularly proactive!

Soon, bursts of spring sounds came from the room!

One dragon and two phoenixes, so cool...

I don’t know how long it took, but Ji Meiyang and Ji Meiling came out exhausted and covered with sheets!

The two of them trembled and returned to their rooms!

“Senior, I have done what I promised you. Is it time for you to teach me my secret skills?”

Chen Ping shouted outside!

With a tremor in the void, the Taizu of the Ji family appeared. Chen Ping looked at the Taizu of the Ji family who appeared in the room and couldn’t help but joked: “Senior, you haven’t been peeking around, have you?”

“Nonsense, I am the ancestor of the Ji family, how could I possibly see a girl from the Ji family doing such a thing.”

Taizu of the Ji family said a little angry!

“Senior, please calm down. I was just joking. Why should you be angry?”

Chen Ping quickly apologized. If the Taizu of the Ji family didn't pass on his secret knowledge when he was angry, it would be a big loss!

“Let me tell you, this finger of mine is the Immortal Finger. Only after possessing the origin of time can I perform this trick.”

“You have to know that the origin of time and the origin of space both involve real magic, so it is very difficult to learn.”

“And this Immortal Finger can't change the speed of time at will, or turn back time. At my current level, I can only use it on dead objects to restore them. If I want to resurrect the dead, I absolutely cannot do it. Arrived.”

Chapter: 5356

Taizu of the Ji family said!

“Depend on.....”

When Chen Ping heard this, he immediately cursed!

Emotions require an understanding of the origin of time. Learning this immortal finger in vain without understanding the origin of time is all in vain!

Suddenly Chen Ping felt like he was being tricked!

Seeing Chen Ping like that, the Taizu of the Ji family smiled and said, "Why, you don't have confidence in yourself and feel that you can't understand the origin of time?"

"Who said that? Of course I am confident, but if you don't explain it to me in advance, I feel like you are deceiving me..."

Chen Ping knew that the Taizu of the Ji family must have done this on purpose!

"This Immortal Finger is my unique skill. Do you think I want to teach it to others casually?"

After the Taizu of the Ji family finished speaking, he stretched out his hand and touched Chen Ping's forehead, and a golden breath flowed into Chen Ping's sea of consciousness!

I saw a bang in Chen Ping's sea of consciousness, and there was an extra skill in an instant!

"I didn't expect that there is a person imprisoned in your consciousness sea."

After imparting the Immortal Finger to Chen Ping, the Taizu of the Ji family said to Chen Ping!

"That was a demon cultivator. His body was killed by me, and his soul was imprisoned in my sea of consciousness."

Chen Ping explained!

"Now I have taught you the Immortal Finger. As for when you can use it, it depends on when you can understand the origin of time."

"Where do you plan to go after leaving the Ji family?"

Taizu of the Ji family asked!

“Go to the Southern Demon Mountain...” Chen Ping said truthfully!

“Tianmo Mountain is a very dangerous place. There are the most demonic cultivators in that place. It is also said that Tianmo Mountain was also a battlefield during the war between gods and demons. It was also the cruelest battlefield where most immortals died.”

“There is a legend at the foot of the Demonic Mountain that day that the great devil of the ancient demon world was suppressed below. But during the battle between gods and demons, a remnant soul of the great devil was released. As a result, countless immortals were killed. From then on, that mountain peak was It’s called Tianmo Mountain instead.”

“Many demonic cultivators recuperate in Tianmo Mountain, and it has become the place with the most demonic cultivators in the world of gods and humans.”

Taizu of the Ji family followed Chen Ping and said.

“You still say that?” Chen Ping was a little surprised. It seems that the big demon suppressed under the magic mountain that day was much more powerful than the wind demon!

Chapter: 5357

A wisp of remnant soul can kill so many immortals. If this is the true body, that’s okay!

“There is danger in Tianmo Mountain, but it also comes with opportunities. The greater the danger, the greater the opportunity. Take care of yourself!”

After the Taizu of the Ji family finished speaking, his body gradually became lighter and finally disappeared!

Chen Ping was not surprised. The Taizu of the Ji family could not leave his ancestral land, but that did not mean that his spirit could not leave either!

If he really couldn't leave his ancestral land, then it would be impossible for the Taizu of the Ji family to know so many things about the Ji family!

After the Taizu of the Ji family left, Chen Ping called Huofeng and Ji Yun to leave secretly!

After leaving the Ji family, Ji Yun looked back at the huge Ji family mansion. Maybe if he left this time, he would have no chance to come back in the future!

But Ji Yun himself also knew that if he stayed in the Ji family, he would only be a quiet young master for the rest of his life!

But unlike Chen Ping, he can experience a lot. Maybe when Chen Ping truly ascends, he can also ascend to the fairy world together!

As the saying goes, if a person achieves enlightenment, a chicken or a dog will ascend to heaven!

When we walked out of the Yellow and Blue City, the sky was getting brighter!

"Mr. Chen, where should we go next?"

Ji Yun asked Chen Ping!

"Your uncle said that there is a teleportation array in Zhuhuang City that can lead to the southern region. Let's go to Zhuhuang City first."

Chen Ping said!

"Mr. Chen, I don't know Zhu Huangcheng..."

Ji Yun looked embarrassed!

He has been living in the Northern Territory, and Ji Yun doesn't even know where some of the imperial cities and countries in the Central Territory are!

Chen Ping glanced at Huofeng, who quickly shook his head and said, "I don't know you either, don't look at me..."

This was embarrassing. None of them knew Zhu Huangcheng, so how could they go to the teleportation array?

"Mr. Chen, I think there must be someone in Huanglan City who will go to Zhuhuang City to take the teleportation array to the Southern Territory. Otherwise, we can find someone to take us there."

Ji Yun said!

Chen Ping shook his head, and finally secretly came out of Huanglan City. If he goes back, he will definitely let Ji Lianjun know that he will be invited back to have sex with the women of the Ji family. Chen Ping will not do it!

Just when the three of them were at a loss, a clear and loud voice sounded!

Chapter: 5358

"If you want to go to Zhuhuang City, I'll find someone for you."

Ji Meiyuan walked out from behind them and said!

"Sister..." Ji Yun was a little surprised when he saw Ji Meiyuan!

Chen Ping also didn't expect that Ji Meiyuan would follow them out of the city secretly, and he was also surprised and said: "Miss Ji, why did you follow me?"

“I know you are leaving, can’t I see you off?”

“Whether we have feelings or not, after all, I gave you my first time, so you will be the man I will never forget in my life.”

“Don’t worry, I won’t pester you. Just come with me...”

After Ji Meiyuan finished speaking, she turned around and walked towards the city!

Seeing this, Chen Ping could only follow Ji Meiyuan back to the city!

Ji Meiyuan took Chen Ping and the three of them to a remote courtyard, then walked up and knocked on the door!

Soon, the door opened and a girl about the same age as Ji Meiyuan came out!

When she saw Ji Meiyuan, the girl looked a little surprised.

“Meiyuan, why are you here?” the girl said, and then looked at Chen Ping and the three of them behind Ji Meiyuan warily!

“Don’t be nervous, the three of them are my relatives.”

Ji Meiyuan said!

Hearing what Ji Meiyuan said, the girl relaxed her guard, stepped away and said, “Please come in...”

Ji Meiyuan led Chen Ping and the others into the remote courtyard!

When they walked in, there was a vibration in the void, and then everything in front of Chen Ping and the others changed. They looked outside at a very remote and dilapidated courtyard!

After walking in, it turned out to be a very luxurious manor, with very beautiful buildings and pavilions inside!

Ji Meiyuan acted very calmly. It seemed that she had been here before, but Chen Ping and the other three were a little shocked!

Chen Ping did not expect that there was another world hidden in this ordinary courtyard!

Who on earth can actually create such a small world and live in it!

Could it be that the owner here knows the origin of space and can open up space?

Seeing the three of Chen Ping and the others like that, Ji Meiyuan explained: "This is a space that has been opened up. You don't need to be nervous..."

Chapter: 5359

"Sister, is there such an expert in this yellow and blue city that he can open up a space on his own?"

Ji Yun said with emotion!

"I'll explain to you later!" After Ji Meiyuan finished speaking, she caught up with the girl just now and asked, "Qiannan, has Uncle Cai been to the Southern Region recently?"

"Go ahead, we should be setting off in the next two days. This time I'm going with my dad."

Cai Qiannan nodded and said!

"These three friends of mine also want to go to the Southern Region, so..."

“I’m afraid it’s not possible. It would have been possible if it had been a few days earlier, but now that the personnel have been decided, I’m afraid there won’t be any places.”

Cai Qiannan didn’t wait for Ji Meiyuan to finish speaking, and said with a look of embarrassment!

“Let me meet Uncle Cai first.”

Ji Meiyuan said!

Cai Qiannan brought a few people into the hall and then left, probably to find her father!

After Cai Qiannan left, Ji Meiyuan explained to Chen Ping and the others!

“This space was not created by any expert. This space was created with an ancient magic weapon. To maintain this space, a lot of spiritual stones are needed.”

Ji Meiyuan said!

“It’s really amazing that a magical weapon can have this kind of ability...”

Ji Yun’s eyes are full of envy!

Chen Ping was not surprised. Some ancient magic weapons, spiritual weapons or artifacts have various functions. This is normal!

But how this family obtained such ancient magic weapon made Chen Ping very puzzled!

Ji Meiyuan saw Chen Ping’s doubts, so she continued: “The owner of this family is called Cai Hongwei, who is proficient in geological surveying. So over the years, he has been organizing people to go to the

Southern Territory to hunt for treasures, and he is familiar with the roads leading to the Southern Territory. But that's it."

"Taobao people like this always wear their lives on their belts. I heard that every time they go out to hunt for treasure, many people will die when they come back."

"However, Cai Hongwei is proficient in geological prospecting, so he can find some treasures every time, and the people who go with him will be in much less danger. This means that before every departure, many people will come to choose to go with him. "

"But Cai Hongwei doesn't bring everyone with him. He needs to go through an assessment, and he must be recommended by an acquaintance. Otherwise, he won't even be able to meet him, let alone meet him. He won't be able to find him even outside the courtyard."

"But don't worry, I've known his daughter Cai Qiannan since we were young, so even if the seats are full, you three will be fine."

"Did Cai Hongwei get the magic weapon that opened up this space?" Chen Ping asked!

Chapter: 5360

"Probably, I haven't seen it before. This space was only opened a few years ago. It was probably bought from outside."

Ji Meiyuan nodded and said!

Chen Ping has become interested in Cai Hongwei. You must know that this world of heaven and earth is different from the secular world. There are many battlefields of gods and demons in the world of heaven and earth, and it is unknown how many ancient great powers are buried. If this Cai Hongwei really has geological survey The art of acupoint training is truly a talent!

Speaking of which, Cai Hongwei is just like those tomb robbers in the secular world. If he wants to get the treasure, he must first find a good place!

“Eldest niece, why do you have time to come to my place today? I heard that a lot of things have happened to your Ji family in recent days. Is your dad okay?”

Accompanied by a hearty voice, Cai Hongwei strode in!

From the tone of conversation following Ji Meiyuan, we can tell that Cai Hongwei has a good relationship with Ji Lianjun!

“Uncle Cai, my dad is fine, and there is nothing wrong with the Ji family. I came today to bring a few friends, and I want to follow Uncle Cai to the Southern Region.”

Ji Meiyuan said straightforwardly!

Cai Hongwei turned his head and glanced at Chen Ping and the other three, and then a look of embarrassment appeared on his face!

After all, Chen Ping and the others look very young, and their strength is not high, they are only in the Fusion state!

“Eldest niece, you also know that there are many dangers along the way when I go to the Southern Territory, and the casualties are very heavy. If your friends come with me, I’m afraid I won’t be able to protect them.”

Cai Hongwei politely rejected Ji Meiyuan!

If Chen Ping and the others followed, it would be like creating a burden for themselves, and Cai Hongwei would not agree to that!

“What dangers can there be in taking the teleportation array to the Southern Region?” Ji Yun said in confusion!

They just don't know the way. If they knew Zhu Huangcheng, they could take the teleportation array to the Southern Territory, and there would be no need for Cai Hongwei!

Cai Hongwei glanced at Ji Yun, and then said: "I have never sat in the teleportation array when I went to the Southern Region."

"Don't sit in the teleportation array?" Ji Yun was stunned!

"Taking the teleportation array, you have to go from here to Zhuhuang City, and then wait to be teleported to the Southern Territory. It is too time-consuming. I always go directly to the Southern Territory from here. The journey is much shorter, but it is very dangerous."

"So those of you who are not strong are not suitable to follow me. You can just go to Zhuhuang City and sit in the teleportation formation."

Cai Hongwei said!

Seeing what Cai Hongwei said, Ji Yun stopped talking!

Ji Meiyun said anxiously: "Uncle Cai, these are my relatives. This is my sixth brother and the son of my third uncle. Can you please be accommodating?"

"Your third uncle's son?" Cai Hongwei was a little surprised. He looked at Ji Yun carefully, but he still shook his head and said, "My eldest niece, it's not that your uncle Cai is unreasonable. It's just that the road is very dangerous, and I'm not the only one to say that. That's the final word."
