

## **The Order 5391**

Chapter: 5391

When Chen Ping caught up with Mr. Miao and the others, everyone looked very surprised!

“Little brother, are you okay?”

When Mr. Miao saw Chen Ping, he asked with concern!

“It’s okay.” Chen Ping smiled lightly!

“Where are those silver-red tigers?” Pharmacist Chen came over and looked back worriedly, and found that there was no silver-red tiger following Chen Ping!

“Don’t worry, everyone. The Silver Red Tiger has left. They were also affected by the poison tent and attacked us. They are fine now.”

Chen Ping said!

When everyone heard this, they immediately breathed a sigh of relief. If the Silver Red Tiger was chasing after this, they might not be able to escape from the Chilian Mountains!

“Thanks to my little brother for today, otherwise all of us would have been blamed here.”

Mr. Miao said very gratefully!

Other monks also stepped forward to express their gratitude to Chen Ping. At this time, no one dared to look down on Chen Ping!

“Miao Lao, since we are in a team, we should help each other.” Chen Ping smiled slightly, then looked around and found that Cai Hongwei and his daughter were not there, so he asked: “Miao Lao, where are Boss Cai and his daughter? ?”

"I don't know. They left first and we didn't catch up behind them. Maybe they escaped in different directions."

Miao Lao said!

When Chen Ping heard this, he couldn't help but frowned. Thinking of the existence of demon cultivators in this mountain range, and thinking that Sikong Zhen didn't take his own elixir, but was not affected by the poison tent, Chen Ping felt something in his heart. I have a bad feeling!

"It's broken..." Chen Ping frowned!

"What's wrong?" Mr. Miao asked in confusion!

"There are demon cultivators in the Chilian Mountains. The poisonous tent just now was not formed naturally, but was refined by someone. Those people also know our location, so the poisonous tent spread quietly."

Chen Ping said!

"What? Are those poison tents deliberately made by someone? The path we are taking has been chosen by Boss Cai over the years. It is not only hidden but also safe. How could it suddenly become known to others?"

Mr. Miao was a little confused. The reason why they followed Cai Hongwei to the Southern Territory was because Cai Hongwei was very familiar with this road. They had always been in peace and harmony. Why did something go wrong all of a sudden?

"I dare not draw any conclusions now. I think someone in our team must have secretly exposed our position. Now you guys rest here while I go find Boss Cai and his daughter."

Chen Ping asked Mr. Miao to take everyone to rest, while he went to find Cai Hongwei and his daughter!

Chapter: 5392

In the dense forests of the mountains on the other side, Sikong Zhen was still running with Cai Hongwei on his back, while Cai Qiannan looked around vigilantly to prevent any monsters from appearing!

“Xiao Zhen, where are you taking me?”

Cai Hongwei looked around and asked with confusion!

“Uncle Cai, just come with me. I also know a way. It’s very safe.”

Sikong Zhen explained!

“You also know the way? You seem to have never been to the Southern Region, right?” Cai Hongwei looked at Sikong Zhen doubtfully and asked!

“I heard from my friends. Anyway, now that we have escaped, it shouldn’t take long to escape from the Chilian Mountains.”

Sikong Zhen held Cai Hongwei on his back and said while walking!

When Cai Hongwei saw this, he didn’t say anything anymore, but his face looked a little unsightly and he kept looking around!

Cai Qiannan, on the other hand, followed behind cautiously!

At this moment, not far in front of Cai Hongwei and the others, a group of people was waiting quietly!

One of the old men in black robes had a ferocious look in his eyes!

“Elder Fei, I really didn’t expect that after so many years, you and the palace master are still alive and living in the headquarters of the Demon Sealing Alliance.”

“Ever since our Soulless Palace was besieged by many monks from the Demon Sealing Alliance, I took a dozen people and fled to the Chilian Mountains to survive.”

“I still thought that one day I would avenge our Soulless Palace, but I didn’t want you all to be alive.”

Beside the old man, a man with a scar on his face said!

“Guardian Gong, after so many years, the palace master and I are very pleased that you have such thoughts. At that time, we also thought that if we fell into the hands of the Demon-Sealing Alliance, we would definitely die, but we didn’t expect that the Demon-Sealing Alliance didn’t want to kill anyone. Us, but locked us up.”

“There are many demon cultivators who are supported in the Demon-Sealing Alliance and work for the Demon-Sealing Alliance.”

“This time I came here, I was also sent by the Demon Sealing Alliance to hunt down a guy named Chen Ping. Otherwise, I wouldn’t have met you.”

Elder Fei said to the scarred man!

“Who would have thought that the Demon-Sealing Alliance, which is most hostile to our demon clan, has been cooperating with our demon clan secretly. It’s really ironic.” Protector Gong sighed!

“As long as you know this, you must not say it casually.”

Elder Fei said coldly!

“Don’t worry, Elder Fei, I won’t talk nonsense.” Protector Gong quickly assured!

Chapter: 5393

“What are you waiting for when you brought me here?” Elder Fei asked!

“Elder Fei doesn’t know. In the Chilian Mountains, monks often pass by to go to the southern region. This time, the news of the discovery of the battlefield between gods and demons in the Tianmo Mountain spread throughout the heaven and human world. Even more people passed by the Chilian Mountains.”

“We can sneak attack these people in the Chilian Mountains and get some resources, and what we are waiting for this time is a guy who has been traveling in the Southern Region all year round. He knows many treasure places. I heard that in the Chilian Mountains, there are all He has hidden treasures.”

Protector Gong explained!

“How do you know they must have passed by here?” Elder Fei asked in confusion!

“Of course I know. I have already placed people in their team and used poison tents to force these people to escape for their lives.”

“As soon as we catch Cai Hongwei, we can let him lead us to find the location of the treasure.”

Protector Gong said very proudly!

“I see. It seems that you have grown a lot over the years. When our Soulless Palace recovers, I will report it to the Palace Master and recommend you to be promoted to elder.” Elder Fei patted Protector Gong on the shoulder and said!

“Thank you, Elder Fei...” Protector Gong looked excited!

While they were waiting, Sikong Zhen and Cai Hongwei and his daughter were getting closer and closer!

Cai Hongwei looked around, his expression becoming more and more solemn!

“Xiao Zhen, let’s take a rest...”

Cai Hongwei broke away from Sikong Zhen and then found a place to sit down!

Seeing this, Sikong Zhen hurriedly said: “Uncle Cai, he is about to leave in front, and it is not safe here. Let’s go to the front and rest.”

With that said, Sikong Zhen was about to help Cai Hongwei up!

But Cai Hongwei waved his hand and didn’t get up at all!

“Qiannan, please advise Uncle Cai, it’s too dangerous to rest here.” Seeing this, Sikong Zhen could only say to Cai Qiannan!

“Dad, how about we go to the front and rest?”

Cai Qiannan said to Cai Hongwei!

Cai Hongwei still shook his head, and then said: “When we get to the front, I’m afraid it won’t be possible to rest.”

“Why?” Cai Qiannan looked puzzled!

“I have walked through the Chilian Mountains countless times. It is impossible to get out of the Chilian Mountains from here.”

After saying that, Cai Hongwei looked at Sikong Zhen with cold eyes and said, “Xiao Zhen, please explain why you brought us here?”

Chapter: 5394

Sikong Zhen's body was shaken and he quickly explained: "Uncle Cai, it's impossible, right? I also heard what my friends said, so I chose this path. Did I choose the wrong way?"

Sikong Zhen pretended to look around!

"Dad, are we going the wrong way?" Cai Qiannan became a little nervous!

"Qiannan, Uncle Cai, don't worry, I'll go ahead and explore the road to see if I'm really on the wrong track."

After saying that, Sikong Zhen walked forward!

After Sikong Zhen left, Cai Hongwei hurriedly said to Cai Qiannan: "Xiao Nan, you follow me secretly. Don't be discovered. Let's see what's going on."

Cai Qiannan nodded, and then secretly followed Sikong Zhen!

Soon, Cai Qiannan discovered that Sikong Zhen was walking forward and then came to a group of people!

Because the distance was too far, she didn't hear what was said, but it was obvious that Sikong Zhen knew these people he was following!

Seeing this, Cai Qiannan quickly told Cai Hongwei what she saw!

"It seems like there's something really wrong with this guy. Let's leave quickly..."

Cai Hongwei stood up and prepared to leave with Cai Qiannan!

But as soon as he got up, he saw that Sikong Zhen was back!

“Uncle Cai, there is a resting place not far ahead, and we are about to leave this mountain range. You are not wrong...”

Sikong Zhen didn't know that Cai Qiannan was following him, so he lied!

Seeing Sikong Zhen lying, Cai Hongwei made his thoughts clearer!

“Xiao Zhen, you don't have to lie to me. Who did you see in front just now?”

Cai Hongwei asked bluntly!

“No, I didn't see anyone?” Sikong Zhen was still quibbling!

“You fart, I just saw it.” Cai Qiannan glared at Sikong Zhen!

Upon hearing this, Sikong Zhen knew that he had been discovered, and his body began to retreat quietly!

Cai Hongwei suddenly stretched out his hand, the space in front of him trembled, and he grabbed Sikong Zhen with one hand: “You still want to escape?”

Sikong Zhen was shocked, turned around and ran away!

Cai Hongwei's grasp was empty, but dozens of trees turned into powder under this grasp!

Chapter: 5395

Sikong Zhen ran as hard as he could. Seeing this, Cai Hongwei wanted to take action again, but a mouthful of blood spurted out!

I was injured just now, but now I move and the injury is affected!

When Sikong Zhen saw Cai Hongwei spurting out a mouthful of blood, he immediately relaxed and stopped running away!

“Uncle Cai, since you have seen it, I won’t hide it from you. In fact, Protector Gong is waiting for you in front. As long as you are willing to cooperate with us and tell us the treasure you know, I guarantee that nothing will happen to you. of.”

Sikong Zhen said with a proud look!

“The Protector Gong you are talking about is the demon cultivator entrenched in the Chilian Mountains?”

Cai Hongwei asked!

“Yes, they are demon cultivators, but demon cultivators will also abide by their agreement. As long as you are willing to cooperate, nothing will happen.”

Sikong Zhen said boldly!

“Bah, I will never cooperate with a demon cultivator.”

Cai Hongwei spat, and then shot at Sikong Zhen again!

Although Cai Hongwei was injured, his shot this time was thunderous.

“Don’t think that I can’t kill you little brat just because I’m injured. I want to clean up the Sikong family.”

Cai Hongwei was filled with anger, and then a sharp breath went straight towards Sikong Zhen!

Sikong Zhen retreated continuously and rolled his body on the ground three times before he could barely avoid Cai Hongwei's blow!

"Guardian Gong, if you don't show up, I will die..."

Sikong Zhen shouted with panic on his face!

Along with Sikong Zhen's roar, Protector Gong led the people out. Next to Protector Gong was Elder Fei in black robes!

Seeing the sudden appearance of everyone, Cai Hongwei instinctively stepped back.

"Protector Gong, Cai Hongwei is injured and is already a turtle in the urn. There is no need to be afraid of him."

Sikong Zhen got up, walked to Protector Gong and said!

"Sikong Zhen, you beast..." Cai Qiannan shouted with anger, her face flushed!

"Qiannan, as long as you are obedient, Protector Gong will not hurt you."

Sikong Zhen said to Cai Qiannan with great pride!

Chapter: 5396

"Bah..." Cai Qiannan spat hard!

"Boss Cai, we meet again..." Protector Gong looked at Cai Hongwei with a sneer!

Cai Hongwei looked at Protector Gong with a cautious face, and said in a gloomy voice: “You demon cultivators actually dare to show up in public. Aren’t you afraid of being discovered and annihilated directly?”

“Hahaha, in this Chilian Mountain Range, I want to see who can wipe us out. Now this area is my territory. If you want to pass by here without leaving anything behind, how is it possible...”

After Protector Gong finished speaking, he waved his hand and the two demon cultivators immediately attacked Cai Hongwei!

The breath in Cai Hongwei’s body kept surging, and it was difficult for him to control the breath in his body because of his injury!

However, facing the two demon cultivators who were attacking, Cai Hongwei still gritted his teeth and said, “How dare you, a little demon cultivator, show off in front of me...”

After that, Cai Hongwei grabbed the void, and then the void shook. There was a red sword in Cai Hongwei’s hand!

Then the sword swept across, and the sword light shot out instantly, lighting up half of the sky as bright as day!

This sword directly killed the two demon cultivators on the spot, leaving no room for resistance at all!

However, after this sword strike, Cai Hongwei’s face became even more ugly, and blood spurted out again!

“Dad...” Cai Qiannan stepped forward to help Cai Hongwei with concern!

“Xiao Nan, go quickly, leave here quickly, don’t stay...”

Cai Hongwei said to Cai Qiannan!

“Dad, I won’t leave...” Cai Qiannan shook her head, tears streaming from her eyes!

“Hurry up and leave while I can help you resist now.”

Cai Hongwei gave Cai Qiannan a hard push!

“Leave? It’s such a beautiful idea. None of you can escape.”

Sikong Zhen said with a ferocious smile on his face!

“Beast, even if I die today, I will kill you...”

Cai Hongwei was furious and instantly aroused all the aura in his body.

All the breath is constantly poured into the red sword in Cai Hongwei’s hand!

The sword’s light is getting stronger and stronger, and the terrifying aura is spreading around!

“This Cai Hongwei is really a living treasure. The sword in his hand is definitely not an ordinary thing. It seems that I really have foresight.”

Chapter: 5397

Protector Gong’s eyes were full of greed, and then he waved his palms gently, and a mist directly surrounded Cai Hongwei and his daughter!

“Poison tent?” Cai Hongwei was stunned for a moment, then looked at Protector Gong in disbelief, and said in a trembling voice: “You actually made this poison tent artificially?”

“Hahaha, you just knew that there are no poison tents in the Chilian Mountains. They are all made by me, just to make you monks kill each other so that I can reap the benefits.”

Protector Gong laughed loudly!

“Protector Gong, both of them have taken antidote pills. I’m afraid this poison tent will be useless to them.”

After Sikong Zhen finished speaking, he took out the antidote pill refined by Chen Ping from his body and handed it to Protector Gong!

The reason why Sikong Zhen didn’t take the elixir refined by Chen Ping was because he didn’t need to take it at all. He had already taken the detoxification pill given by Protector Gong and would not be affected by the poison tent at all, so there was no need to take the detoxification pill refined by Chen Ping. Damn it!

Protector Gong took the detoxification pill, and after looking at it carefully twice, he said with a bit of surprise in his eyes: “Who refined this pill? I didn’t expect that there would be such a high-level pharmacist in the team this time. ”

“It was made by a guy named Chen Ping. This guy is really good at alchemy.”

Sikong Zhen said!

“Chen Ping?” Elder Fei on the side was stunned when he heard the name, and then grabbed Sikong Zhen’s collar: “Is the Chen Ping you are talking about in his twenties?”

Sikong Zhen didn’t know Elder Fei. When he saw Elder Fei grabbing his collar and showing no courtesy at all, he immediately became upset and said, “Who are you? Get away from me. Why should I tell you?”

“Sikong Zhen, this is Elder Fei from our Soulless Palace. Whatever he asks you, you must answer.”

Protector Gong said!

When Sikong Zhen heard that he was an elder, he quickly changed his attitude and said, "Yes, Chen Ping looks to be in his twenties. He is accompanied by a man and a woman, and the woman is the mythical beast Phoenix."

"That's him. Take me to find him now..." Elder Fei now has an order from the Demon Sealing Alliance, so Chen Ping must be dealt with as soon as possible!

"They may have died a long time ago. When I ran here, those people were surrounded by the silver red tiger. They must be buried in the tiger's mouth now."

Sikong Zhen said!

"I don't care if he is dead or not, even if he is dead, I still want to see the body."

Elder Fei must kill Chen Ping's body!

"Okay, I'll take you to look for it..." Sikong Zhen planned to take Elder Fei back to look for him!

But as soon as he finished speaking, he noticed a gust of wind coming, and the surrounding poison tents were instantly blown away, and then a figure slowly walked towards him!

"No need to look for it, I came here myself..."

Chen Ping slowly walked to Cai Hongwei's side!

Chapter: 5398

"You're not dead?" Sikong Zhen's face was full of surprise!

Even Cai Qiannan and Cai Hongwei were surprised!

"Little brother, you are fine, what about Mr. Miao and the others?"

Cai Hongwei asked with some shame!

After all, they ran away first and left the others behind, which made Cai Hongwei feel ashamed.

“Everything is fine, fine. I just came here to find you. I knew this guy didn’t have good intentions and was afraid that you would suffer.”

Chen Ping followed Cai Hongwei and said!

“Hey, I was blind...” Cai Hongwei sighed!

“Boy, are you Chen Ping?” Elder Fei asked!

“Yes, I am Chen Ping, but I don’t seem to have any grievances against you. Why do you want to kill me?”

“Although you are demon cultivators, I really want to have nothing to do with you demon cultivators!”

Chen Ping looked at Elder Fei. He didn’t understand why Elder Fei wanted to kill him!

“There is no need to have any troubles. You have offended someone you shouldn’t have offended, so you must die...”

Elder Fei said with a cold face!

When Chen Ping heard this, he understood instantly and said with a faint smile: “So you are also dogs of the Demon Sealing Alliance. Think about it, you demons are now willing to be used as dogs...”

Chen Ping’s words made Cai Hongwei confused. He didn’t understand what these demon cultivators had to do with following the Demon Sealing Alliance.

The Demon-Sealing Alliance has always been the most active organization in eradicating demonic cultivators in the world of gods and humans. Why would Chen Ping say that these demonic cultivators are dogs of the Demon-Sealing Alliance!

“Shut up, you are looking for death...”

Elder Fei frowned, and the aura on his body exploded instantly!

The matter of the Demon-Sealing Alliance raising demon cultivators is considered a secret of the Demon-Sealing Alliance and must not be leaked. If it is spread, the reputation of the Demon-Sealing Alliance will be ruined, and it is very likely that the Demon-Sealing Alliance will put it in order to preserve its reputation. These demonic cultivators in prison were killed and silenced!

“Elder Fei, there is no need for you to take action against such a mere brat. You think too highly of him.”

Protector Gong stopped Elder Fei!

In his opinion, Chen Ping, a young monk at the eighth level of the Fusion Realm, would never be able to make waves!

I saw Protector Gong waving his palms towards the mountains and forests on both sides, and poison tents filled the mountains and forests, accompanied by roars!

Chapter: 5399

Dozens of monster beasts surrounded them with scarlet eyes. These monster beasts stared at Chen Ping and the others!

It was obvious that these monsters were controlled by Protector Gong!

Seeing dozens of monsters surrounding them, Cai Hongwei's face turned pale and he said to Chen Ping: “Little brother, thank you for coming to the rescue regardless of the danger. You can't fight them at all. I only hope you can take Xiao Nan away. I'm here to cut you off.”

Cai Hongwei has made up his mind to die, but he doesn't want his daughter to die. If he can save Cai Qiannan's life by risking his life, he will not hesitate!

"Boss Cai, let's escape together..."

Chen Ping looked at the dozens of monsters that were eyeing him eagerly, his expression did not change at all!

Chen Ping didn't pay much attention to these dozens of monsters, because these monsters were controlled by poison tents. Chen Ping only needed to detoxify these monsters!

Now he is worried about the demon cultivators on the opposite side. These guys are not weak. Now that Cai Hongwei is injured, Chen Ping himself has no way to deal with it!

After pondering for a moment, Chen Ping suddenly took out a few pills, crushed them, and countless powders floated towards the monster!

After the powder floated over, the manic auras of those monster beasts began to subside, and their eyes recovered!

"This guy is really powerful. He broke my drug trap so easily."

Protector Gong said in surprise!

"Stop doing this poisonous thing of yours, give it to me..."

After Elder Fei finished speaking, he jumped up and rushed towards Chen Ping and the others!

When Protector Gong saw this, he could only rush forward with his men!

Chen Ping frowned, picked up Cai Hongwei and Cai Qiannan and ran away!

Now they can only run away and have no ability to fight!

However, Cai Hongwei was injured and couldn't run fast, so he was about to be overtaken!

"Little brother, you take Xiaonan and run for your life. I'll stay and stop them, otherwise none of us will be able to escape."

Cai Hongwei broke away from Chen Ping and wanted to stay and resist for a while!

"You two go first, I'll stay and buy some time."

Chen Ping would not let Cai Hongwei stay by himself. If Cai Hongwei died, their journey to the Southern Region would be over. It would be difficult for them alone to get out of the Chilian Mountains!

Cai Hongwei is the guide and the leader. Without Cai Hongwei, their team would have no choice but to turn back!

After finally getting here, Chen Ping will never give up!

Chapter: 5400

Just when Chen Ping was about to stay, a roar suddenly sounded!

A silver-red tiger king more than ten meters long appeared, and behind the guard were dozens of majestic silver-red tigers!

"You guys run for your lives, I'll stop them..."

The Tiger King spoke human words and said to Chen Ping!

Cai Hongwei and Cai Qiannan were shocked when they saw the Tiger King appearing, but when they heard the Tiger King speak human words, they both looked at Chen Ping in shock!

Chen Ping didn't say much, he just picked up Cai Hongwei and Cai Qiannan and continued running!

And the Tiger King took dozens of silver red tigers and rushed towards those demon cultivators!

Seeing the silver red tiger that suddenly appeared, Elder Fei was stunned, and then looked at Protector Gong!

"What's going on? Aren't these monsters controlled by you? Why are they attacking us now?"

Elder Fei asked in confusion!

"These silver-red tigers seem to have been detoxified." Protector Gong looked at the silver-red tigers that rushed over and said with a nervous look!

You must know that the strength of these silver red tigers is not low, especially the tiger king, which has grown to a body of more than ten meters and has already reached the realm of transcending tribulation!

Can change between human form and animal form!

Originally, they and these Silver Scarlet Tigers had no conflict with each other, but in order to reap the benefits, Protector Gong used the poison tent to confuse the minds of these Silver Scarlet Tigers and let them attack the human monks passing by the Chilian Mountain Range!

"You hateful evil cultivators actually used the poison tent to confuse our minds and let us massacre the human monks, causing the human monks to become enemies with us. Today I will cut you into pieces..."

The Tiger King roared angrily and rushed forward with his men in an instant!

Upon seeing this, Protector Gong could only lead his men forward to fight, while Elder Fei retreated quickly, then bypassed this place and chased in the direction where Chen Ping and the others escaped!

His goal is to kill Chen Ping, so he can't let Chen Ping go!

When Sikong Zhen saw Elder Fei bypassing the silver-red tigers and chasing Chen Ping, he followed closely!

And Protector Gong himself led his people to fight with Yin Chihu!

Tiger King suddenly spurted out a violent burst of flames, and the fireworks swept out like waves, covering the sky and setting many trees on fire!

In the sea of fire, some demon cultivators from the Soulless Palace had no time to dodge, and their bodies were directly set on fire!

ah.....

Several demon cultivators were caught off guard and their bodies were set on fire, screaming in pain!
