

The Order 541

Chapter: 541

“I beat you to death.....”

Gu Ling'er was so angry that he wanted to fight Gu Feng, but Gu Feng hid behind Chen Ping!

“I'll just go out for a while, nothing will happen!”

Chen Ping knew that Gu Ling'er was afraid that someone from the Jiang family would encounter him!

Seeing that Chen Ping was willing to go out, Gu Ling'er didn't stop him!

After going downstairs, Chen Ping got into Gufeng's car, a BMW that was owned by unknown owners, but Gufeng drove it very excitedly!

On the way, Gu Feng picked up a girl. The girl's slender buttocks were exposed. She was dressed in a very revealing and enchanting way. At first glance, she didn't look like an ordinary girl!

After the girl got in the car, she glanced at Chen Ping in the back seat, raised an eyebrow and said, “Handsome guy, what's your name? My name is Lili, are you interested in discussing it in depth?”

As Lili said, she reached out her hand and touched Chen Ping's face, but Chen Ping dodged and dodged it!

“Hahahaha, you're quite shy, can't you be a virgin?” Lili giggled.

“Don’t be ridiculous, this is my brother-in-law...”

Gu Feng glared at the girl, and then followed Chen Ping with an embarrassed look on his face:
“Brother-in-law, Lili is just like this. She likes to joke, so don’t worry!”

Chen Ping smiled and asked, “Your girlfriend?”

“Ah...” Gu Feng groaned, but did not answer Chen Ping’s question clearly!

But when Na Lili heard this, she immediately stopped: “Gu Feng, you are a piece of shit. I am not your girlfriend. Besides, you can’t support me. Your parents are very stingy and won’t give you a penny.” You, you still want to find a girlfriend!”

Lili’s words made Gufeng feel embarrassed, but she didn’t know how to refute!

Chen Ping looked at Gu Feng and smiled helplessly, finally knowing why his parents didn’t give him money.

Soon, Chen Ping and the others arrived at a Phoenix bar. There were countless luxury cars parked in front of the bar, but the several ancient BMWs could only be placed far away in the corner.

“Brother-in-law, this is the best bar in the provincial capital. I will take you in to have a cool time...”

After Gu Feng put the car away, he said to Chen Ping excitedly.

“Don’t call me brother-in-law. I’m not your brother-in-law. Just call me Brother Chen!”

Chen Ping saw that Gu Feng was calling his brother-in-law too dearly, so he felt that it would be better for him to remind him.

“What kind of society is this? It’s still so feudal? Aren’t you going to be my brother-in-law sooner or later? I just want to get familiar with it in advance. Don’t be so old-feudal. Come in quickly...”

Gu Feng didn’t care and pulled Chen Ping into the bar!

Chapter: 542

“Gu Feng, did you pick up some money when you went out and come to a place like this to play?”

After Lili walked into the bar, she followed Gu Feng and asked with a playful expression.

“I didn’t find the money, but my brother-in-law did. Let me tell you, the balance in my brother-in-law’s phone is more than 10 million. I saw it all...”

Gu Feng followed Lili in a low voice, and Lili’s eyes suddenly changed when she looked at Chen Ping.

Although Gu Feng’s voice was very low, Chen Ping still heard it clearly. Seeing this guy showing off everywhere, Chen Ping was a little speechless. If he had known better, he would not have let him see it.

After finding a place to sit down, Gu Feng directly ordered two bottles of Remy Martin. You must know that a bottle of this wine costs hundreds of thousands, but now that Chen Ping is here, Gu Feng is not afraid at all!

Lili sat directly next to Chen Ping, constantly rubbing her body against Chen Ping’s body, and said in a coquettish manner: “Mr. Chen, it seems like it’s your first time to play here? But don’t Nervous, I’m with you, if you don’t understand anything, you can ask me...”

Lili's hands kept touching Chen Ping's body, which made Chen Ping frown and move his body to the side!

"Lili, I told you, that's my brother-in-law. Besides, I paid to call you out so that you could accompany me. Come here quickly!"

When Gu Feng saw Lili like that, he suddenly looked angry and said.

"Come on, five thousand yuan an hour. I really think I care. At worst, I won't charge you any money. I can accompany whoever I want to accompany you!"

Lili rolled her eyes at Gufeng and did not go over to accompany him!

In Lili's view, people like Chen Ping are nouveau riche from the countryside. They suddenly have money, but they don't know how to spend it. They are at a loss when they see big scenes!

It's best to hang this kind of person, as long as you take the bait, you will definitely be able to squeeze everything out, and not even a penny will be left, so this Lili would rather reject Gu Feng than sit with Chen Ping!

This time, Gu Feng was so angry that when the wine was served, he started drinking it!

"Isn't this Master Gu? How come you have the money to come to a place like this? And you drink Remy Martin?"

At this time, a few arrogant guys came over. One of them, a young man wearing anima, said in surprise after seeing Gu Feng.

Gu Feng glanced at the young man and said unhappily: “Ni Wei, you have nothing to do here, don’t bother me...”

Gu Feng was already in a bad mood, and when the young man said that, he became even more unhappy.

But who would have thought that Ni Wei was stunned for a moment, then burst into laughter and said, “Young Master Gu is really capable. How dare you talk to me like this?”

Ni Wei said and saw Lili opposite, so he continued: “No wonder our young master Gu has become more capable today. It turns out that he made an appointment with the goddess in his heart. It’s really not easy. This is because he wants to be with his goddess.” Do you want to show off in front of me?”

After saying that, Ni Wei pulled Lili over, put one hand on Lili’s waist and said, “Miss Lili, how about playing with this young master?”

“Master Ni, I have a guest now and I can’t get away. I’ll have a few drinks with Master Ni another day!”

Lili said with an apologetic smile on her face.

Chapter: 543

She finally met a good guy like Chen Ping, so she couldn’t let him go so easily!

Snapped.....

But who would have thought that Ni Wei slapped Na Lili on the face: “Damn it, how dare a bitch bargain with me?”

Lili's face was red from being beaten, her eyes were filled with grievances, but she didn't dare to speak!

At this time, Chen Ping seemed to have not seen it. Chen Ping would not come to save a beauty for the sake of a young lady!

Chen Ping doesn't know it, but that doesn't mean Gu Feng doesn't know it. Lili is the goddess in his dreams. Now that he sees his goddess being beaten, how can Gu Feng endure it.

"Ni Wei, please let me go fucking Lili. What's the point of beating a woman?"

Gu Feng grabbed the bottle and stood up, roaring at Ni Wei.

Bang.....

As soon as Gu Feng finished speaking, a follower behind Ni Wei kicked Gu Feng hard: "Boy, is this the tone you use when talking to Weiwei?"

Gu Feng frowned, his face looked ugly, and he gritted his teeth and said: "You are paralyzed, I will kill you..."

Gu Feng grabbed the wine bottle and smashed it hard on Ni Wei's head!

A hero saves a beauty, and now is the time for him to show off, so Gu Feng risked his life and just wanted to leave a good impression in front of Lili.

But who would have thought that as soon as Gu Feng swung the wine bottle out, before it hit Ni Wei, Ni Wei grabbed his wrist, grabbed the wine bottle, and smashed it at Gu Feng without any hesitation!

This time, Gu Feng was frightened and stood there dumbly, letting Ni Wei hit him!

Seeing that the wine bottle was about to hit Gu Feng's head, Chen Ping, who had not moved all this time, suddenly stood up, grabbed Ni Wei's wrist, and exerted a slight force. Ni Wei suddenly grinned in pain, and the wine bottle in his hand also fell to the ground. On the ground!

"They're all here to drink and have fun. It's not worth it for a promiscuous woman..."

Chen Ping let go of Ni Wei and protected Gu Feng behind him.

In any case, Gu Feng is also the grandson of Gu Wentian, and it is impossible for Chen Ping to ignore him!

Ni Wei looked at his blue wrist and said angrily: "Brother, who are you? Tell me your name!"

"Master Ni, this guy is Gu Feng's brother-in-law, a nouveau riche!"

Lili glared at Chen Ping fiercely and said.

Just now, Chen Ping's words about prostitutes really pissed off Lili!

"Gu Ling'er's boyfriend?" Ni Wei couldn't help but look at Chen Ping, and then smiled coldly and said: "Don't think that Gu Ling'er is a detective, that's great. She is nothing in front of me, she doesn't even know This kind of promiscuous woman is not as good as..."

Chapter: 544

Ni Wei held Lili's chin with one hand and said to Chen Ping with disdain.

Chen Ping's eyes narrowed slightly, a chill burst out from his body, and then he kicked out, directly kicking Ni Wei away!

Wow.....

Ni Wei's body flew several meters away, and then hit a table hard, smashing the table into pieces!

"Ah..." Many guests were frightened by this sudden change and screamed, running away in all directions.

Ni Wei stood up with a grin on his face, feeling like his whole body was about to fall apart. He looked at Chen Ping angrily: "Come on, kill him..."

The few people following Ni Wei were about to take action when they heard a bone-chilling voice: "Who is making trouble in my bar? Don't you know who owns this bar?"

Hearing this voice, Ni Wei's face suddenly changed with fright, and the guys who were about to take action were so frightened that they quickly retreated!

The young lady named Lili was so frightened that she ran away quickly and soon disappeared.

"It's over, it's over, it's over..."

Gu Feng also turned extremely pale and trembled all over: "Brother-in-law, it's over. This bar is the territory of Chifengtang. If you start making trouble here, Chifengtang will definitely not take it lightly."

As soon as Gu Feng finished speaking, he saw a middle-aged man wearing an eyepatch with only one eye exposed walking over. Behind the middle-aged man were a dozen bar security guards!

Seeing this person, Gu Feng was so frightened that he immediately collapsed on the chair, and streams of yellow liquid flowed out of his body!

Seeing Gu Feng like that, Chen Ping was speechless for a while. He didn't know how Gu Wentian could have such a grandson.

"Brother Long, Brother Long, it was him...he was the one who hit me!"

Ni Wei, trembling all over, walked up to the one-eyed middle-aged man, took out a box of Chinese cigarettes, and said flatteringly.

"Palm mouth!"

The one-eyed middle-aged man didn't even look at Ni Wei and said with a cold sweat.

Soon, a security guard walked up from behind, grabbed Ni Wei's collar, and slapped him!

He was beaten more than ten times in total, and Ni Wei's entire face was red and swollen!

"Did you do it just now?"

After beating Ni Wei, the one-eyed middle-aged man looked at Chen Ping and asked.

"Not bad!" Chen Ping nodded.

“Slap!” The one-eyed middle-aged man snorted again, and the security guard walked towards Chen Ping!

Chapter: 545

As soon as he raised his hand, Chen Ping grabbed him and said, “Are you going to beat someone without asking any questions?”

Seeing that Chen Ping dared to resist, the one-eyed middle-aged man frowned: “Those who make trouble here, my one-eyed dragon, will give them fifty bucks each and then ask why. Are you trying to break my rules?”

“I heard that the people in Chifeng Hall are heroic and courageous, and the master of the hall is called the Living Bodhisattva. Is this what you do?”

At this time, Chen Ping began to feel disgusted with Chifengtang!

At first, when Gu Linger said it, he had a good impression of Chifeng Hall, especially the hall leader, Chifeng. Chen Ping quite admired him, but now it seems that it was all just hearsay!

“Hmph, it’s your turn to judge what I am like at Chifengtang. Slap yourself ten times while I handle your fight!”

The one-eyed dragon snorted coldly.

“What if I don’t fight?” Chen Ping sneered.

“If you don’t do it yourself, then I will help you!”

The one-eyed dragon said, and slapped Chen Ping!

The speed of the one-eyed dragon was so fast that everyone around him was so shocked that Chen Ping was sweating coldly. If he got hit, Chen Ping would probably not be able to keep his teeth!

Seeing the one-eyed dragon take action, Chen Ping raised the corner of his mouth and reached out to grab the one-eyed dragon's wrist: "I like to reason, why do you have to do it?"

The one-eyed dragon was startled, and he suddenly tried hard to shake off Chen Ping, but found that no matter how hard he tried, he couldn't break free from Chen Ping's restraints!

"Boy, do you know the consequences of fighting with me?" the one-eyed dragon said angrily!

In front of so many people, he was restrained by an inconspicuous young man. How could the one-eyed dragon not get angry!

"You were obviously the one who made the first move, but you, Chifengtang, are still being unreasonable?"

Chen Ping said helplessly.

"Tell me about your mother..."

The one-eyed dragon's other hand immediately made a fist and swung it towards Chen Ping!

Chen Ping frowned, and murderous aura erupted from his body. He kept giving in, but he didn't expect this one-eyed dragon to push even further!

Just when the one-eyed dragon came out with a punch, Chen Ping kicked him out!

Bang.....

Chen Ping directly kicked the Cyclops away. This time it flew more than ten meters before falling heavily.

Seeing that Chen Ping really dared to follow the one-eyed dragon, Na Gufeng rolled his eyes in fear and almost died!

Chapter: 546

“Boy, if you dare to hit Brother Long, you will be dead now...”

When Ni Wei saw that Chen Ping actually beat up the one-eyed dragon, he suddenly said excitedly.

Chen Ping glanced at Ni Wei with such stern eyes that he was so frightened that Ni Wei didn't dare to speak!

At this time, the one-eyed dragon was helped up by someone, with blood still flowing from the corner of his mouth!

“Clear the place, close the door...”

The one-eyed dragon stared at Chen Ping, and then ordered loudly!

Soon, the entire bar was emptied, and even Gu Feng was carried and thrown out.

Chen Ping was the only one left in the huge bar, along with dozens of bar security guards.

After Gu Feng was thrown out, he got up with trembling legs and ran away without looking back. At this time, he would not recognize any other brother-in-law. It was best not to get angry!

The one-eyed dragon wiped the blood from the corner of his mouth and walked up to Chen Ping with a ferocious expression: "Boy, you are the first person to attack me. If I don't kill you today, where will the reputation of our Red Phoenix Hall remain?"

Chen Ping sat quietly on the chair, picked up a glass of wine and drank it in one gulp, without any change in expression on his face!

"If it weren't for the Red Phoenix Hall's reputation and your hall leader being a hero among women, do you think you would still have a chance to stand in front of me and speak?"

Chen Ping said with disdain.

"Good boy, you are so arrogant even when you are about to die!" One-eyed Dragon's face was full of anger: "Kill him to death..."

One-eyed dragon gave an order, and dozens of security guards rushed towards Chen Ping with sticks!

"Impatient!"

Chen Ping snorted coldly and suddenly disappeared from the spot.

Then the one-eyed dragon saw a black shadow moving through the crowd, followed by a wailing sound!

Just a few minutes later, none of the dozens of security guards were standing, and they all fell to the ground, wailing in pain.

However, the lives of these security guards were not in danger, so Chen Ping showed mercy!

“Fuck...”

The one-eyed dragon opened its mouth wide enough to fit an egg in, and its only remaining eye was filled with fear!

Chen Ping slowly walked towards the one-eyed dragon, but the one-eyed dragon kept retreating in fear!

After retreating to the wall, the one-eyed dragon had no way to retreat, and said to Chen Ping in horror: “You...what do you want to do? I am a member of Chifeng Hall. If you kill me, our hall master will never do it.” I’ll let you go.”

Chapter: 547

“Don’t be nervous, did I say I wanted to kill you?” Chen Ping looked at the nervous look on the one-eyed dragon and couldn’t help but smile: “I just need you to call your hall master.”

The one-eyed dragon was stunned: “What did you ask our hall master to do? Although our hall master is a living Bodhisattva, if you have turned the store into this, the hall master will be angry, and he may even kill you!”

“Don’t you just want me to die? Your hall master is here, doesn’t he just follow your wish?”

Chen Ping was a little surprised, how could this one-eyed dragon remind him.

The one-eyed dragon’s face instantly became extremely embarrassed, his eyes evaded and said: “I... our hall master is here, I’m afraid he won’t be able to spare me!”

The one-eyed dragon's words made Chen Ping understand instantly. The feeling was that this guy was afraid that their hall master would come and cause trouble for him!

After all, being so arrogant and domineering, beating people without asking any questions, is not like what Chihodo did in the legend!

"Either call your hall master here or die, it's your choice!"

Chen Ping didn't want to follow this one-eyed dragon's nonsense, so he threatened.

"I'm screaming, I'm screaming now!"

One-eyed dragon no longer hesitates in the face of death threats.

One-eyed dragon took out his mobile phone and could only call the hall leader Chifeng!

Chifeng was a little angry when she heard that someone was making trouble in the bar and wanted to see her by name. In the past few years, no one in the provincial capital had dared to provoke her like this, not even the major martial arts families!

Chifeng hurriedly led people to the bar, while Chen Ping sat swaggeringly on a chair and waited, gently rubbing the Tianlong ring on his hand with one hand.

The reason why Chen Ping asked the one-eyed dragon to call the master of Red Phoenix Hall was because he remembered Lin Tianhu's words, maybe there is a branch of Tianlong Hall in the provincial capital.

As for whether it was the Chifengtang, Chen Ping didn't know, so he wanted to meet the Chifengtang. If the Chifengtang was also his subordinate, he would have less trouble in the provincial capital in the future!

Half an hour later, the door opened, and a woman in her thirties with exquisite facial features, wearing smart clothes and with her hair tied on top of her head, walked in. Behind the woman were two people, both of whom exuded... The aura of a strong man is much stronger than the one-eyed dragon's aura.

"Hall Master....."

The one-eyed dragon saw Red Phoenix coming and hurriedly rushed forward to greet him!

Chifeng looked at the mess in the bar and the security guards lying around, and his anger instantly rose up.

"One-eyed dragon, who wants to see me?"

Chifeng asked sharply.

"It's me!" Chen Ping stood up slowly!

When he saw the red phoenix for the first time, Chen Ping was a little surprised. He didn't expect the red phoenix to be so beautiful. Chen Ping thought that the woman he was beating and killing must look like a dominatrix!

Chapter: 548

"Who are you? Do you have any grudge against me, Chifengtang?"

Although Chifeng was angry now, he still restrained himself and did not take action as soon as they met. Instead, he asked Chen Ping.

“We have no grudges!” Chen Ping shook his head.

“Then why are you making trouble in my bar?”

Chifeng frowned tightly!

At this time, Cyclops was sweating all over his body. He was really afraid that Chen Ping would tell the whole story. In that case, he would definitely be punished.

However, Chen Ping did not speak, but deliberately exposed the Tianlong Ring in front of Chifeng, and secretly observed Chifeng’s expression with his eyes.

When Chifeng’s eyes fell on the Tianlong Ring in Chen Ping’s hand, his whole person was shocked, and then his eyes widened, with light flashing in his eyes, but the light disappeared in a flash, and Chifeng also returned to his original state. look.

However, this change of expression still fell into Chen Ping’s eyes. Chen Ping suddenly felt happy and secretly breathed a sigh of relief.

“Everyone, get out of here and strictly guard all entrances and exits. No one is allowed to come in without my order!”

Chifeng suddenly shouted an order!

Although their subordinates were all confused, they did not dare to disobey the hall master’s order. They helped the security guards out and guarded all entrances and exits!

When only Chen Ping and Chi Feng were left in the bar, Chi Feng knelt down on one knee in front of Chen Ping with an excited look on his face: “Chi Feng, the master of Chi Feng Hall, pays homage to the master of Tianlong Hall!”

Because Chen Ping had known about it for a long time, there was no surprise at all. Instead, he smiled lightly and said, “Get up!”

Chifeng stood up and waited respectfully for Chen Ping’s instructions!

“Don’t be so formal, sit down!”

Chen Ping waved his hand towards Chi Feng, who sat opposite Chen Ping, and Chen Ping poured Chi Feng a glass of wine himself!

“Palace Master, I don’t know why you suddenly came to the provincial capital and visited my Chifeng Hall?”

Chifeng asked with confusion on his face.

“I came to the provincial capital because someone forced me to come, and I only found you here on a whim. I didn’t expect that your Chifeng Hall is really a subordinate of Tianlong Hall. Do you know where the other halls of Tianlong Hall are? place?”

Chen Ping asked Chi Feng.

Chifeng shook his head: “Palace Master, our Tianlong Palace has a total of thirteen halls, but there is no connection between our halls, so we don’t know each other. Didn’t the old hall master tell you?”

Thinking of the old dragon head, Chen Ping was speechless for a while. The old dragon head was in prison and spent all day either teaching him how to practice or drinking and sleeping. He didn't know where this guy got the wine from, so he drank it almost every day!

Later, when he handed the Tianlong Ring to him, he did not tell Chen Ping what the ring was or where the halls were.

Chapter: 549

If he hadn't met Lin Tianhu, Chen Ping wouldn't have known that this ring turned out to be the Tianlong Order!

"Don't mention it!" Chen Ping sighed: "But I have found two halls now, one is your Chifeng Hall, and the other is Hongcheng's Juyi Hall."

"Palace Master, are you talking about Lin Tianhu, the underground emperor of Hongcheng?" Chifeng said slightly surprised.

"Yes, it's him!"

Chen Ping nodded.

"It turns out that Lin Tianhu and I are the same person, I really didn't expect it!" Chi Feng smiled unexpectedly, and then asked Chen Ping: "Palace Master, you said that someone forced you to come to the provincial capital, are you in some kind of trouble? Already?"

"I destroyed the Wei family, and now the Jiang family has threatened to kill my whole family. For the comfort of my family, I can only come to the provincial capital..."

Chen Ping explained with a faint smile.

“The palace master is Chen Ping?” Chi Feng suddenly raised his voice and said with surprise on his face.

“Why, you know me too?”

Chen Ping looked at Chifeng’s expression and asked.

“Of course, almost everyone in the upper-class families in the provincial capital doesn’t know the name of the palace master. At the Martial Arts Alliance Conference, the Jiang family has said it openly and secretly many times. I hope that all major families will cooperate with them and the Jiang family will catch you. In addition, It’s all the Wei family’s property, and the Jiang family doesn’t allow anyone to interfere!”

“But what the Jiang family says, I think it’s nonsense. I can do whatever I want. How can I let the Jiang family control them? I have already sent people to secretly take over the Wei family’s property. In addition, I also put down my words. As long as we When meeting the master of Chifeng Hall, no one is allowed to help the Jiang family, then the Wei family deserves to be destroyed, this is retribution!”

“I really didn’t expect that these things were all done by you, Palace Master. I have always wanted to meet this young hero, and now I finally do. But don’t worry, Palace Master, as long as I, Chifengtang, am still here, I will never let him If the Jiang family touches you in the slightest, the worst we can do is follow the Jiang family in a bloody fight, and it’s not certain who will win and who will lose!”

Chi Feng looked at Chen Ping and became more and more excited as he spoke!

Seeing Chifeng praising himself so much, Chen Ping felt a little embarrassed. He smiled slightly and said, “If I need your Chifengtang, I will naturally contact you. My identity is not easy to be exposed now, so I call me Mr. Chen outside.” That’s it!”

“Understood!” Chifeng nodded!

After chatting with Chifeng for a while, Chen Ping was ready to go back, otherwise Gu Linger would be worried!

When Chen Ping and Chifeng walked out of the bar, the entire bar was surrounded by people from Chifengtang from three floors outside. Seeing Chifeng coming out, the one-eyed dragon hurriedly stepped forward: "Master, are you okay??"

"Go away!" Chifeng pushed the one-eyed dragon, and then said respectfully to Chen Ping: "Mr. Chen, please!"

Chen Ping nodded slightly and walked out of the bar. Seeing Chifeng's respectful attitude towards Chen Ping, everyone was stunned, especially the one-eyed dragon, whose jaw almost dropped in shock.

"All Red Phoenix Halls obey orders!"

Chifeng suddenly shouted loudly!

Crash la la la la la la la la la la la la la la la la.

Chapter: 550

Everyone in Chiho Hall knelt down on one knee, waiting for instructions!

"From today on, everyone must obey Mr. Chen's orders. Anyone who dares to disobey orders will be killed..."

"Yes!" Everyone in Chifengtang shouted in unison!

The one-eyed dragon was trembling all over now, and he almost peed his pants in fear!

Standing up tremblingly, the one-eyed dragon didn't even dare to look at Chen Ping.

Chen Ping smiled slightly, patted Cyclops on the shoulder, and left without saying anything!

Gu Ling'er's house!

At this time, Gu Ling'er was watching TV with some boredom. She sprayed some perfume at home. Thinking that Chen Ping would live with her soon, Gu Ling'er was still a little tangled in her heart!

Dong dong dong.....

Suddenly, there was a knock on the door. Gu Ling'er thought it was Chen Ping who was back. He stood up and muttered, "Gu Feng doesn't know how to send you back. If I'm not at home, let's see how you get in!"

As Gu Ling'er said, she opened the door, but after opening the door, there were two men in suits standing outside, with indifferent expressions on their faces.

After seeing Gu Ling'er open the door, a man in a suit said, "Are you Miss Gu Ling'er?"

"Not bad!" Gu Ling'er nodded.

"We are from the Jiang family, our master invites you to come over!"

As the man in the suit said, he reached out to grab Gu Ling'er without even the slightest intention of inviting him!

Gu Ling'er was startled and quickly stepped back, trying to close the door.

But it was too late, two men in suits had already rushed in!

“Do you know that you are breaking into a house without permission? I am a member of the Dharma Protector Pavilion?”

Gu Ling'er's face became a little ugly, and she scolded the two men in suits.

But the two men in suits didn't seem to be afraid at all and shot directly at Gu Ling'er!

Gu Ling'er flashed her body again, grabbed the wrist of one of the men in suits, suddenly used her strength, jumped up directly, and kicked the other man in suits!

But just as Gu Ling'er kicked his foot out, someone grabbed his ankle and pulled it suddenly. Gu Ling'er's figure became unstable and fell directly to the ground!

Then two men in suits, one on the left and one on the right, grabbed Gu Ling'er's shoulders and lifted Gu Ling'er up hard, making Gu Ling'er unable to move!

“Let me go, you bastards, let me go...”
