

The Order 5421

Chapter: 5421

“The Chilian Mountains, that is the direction of the Chilian Mountains. It has been a long time since the world of heaven and humans has seen this ascending colorful glow.”

“I don’t know who Ascension is, whether it’s the beast race or the human race...”

Everyone’s eyes are full of envy!

Ascension...

A dream for all the monks in the world of heaven and humanity!

Their efforts are all for the moment when they ascend to immortality!

Mr. Miao and the others opened their mouths wide and watched helplessly as the dragon flew into the colorful glow and slowly disappeared!

The colorful glow disappeared, and everyone slowly came back to their senses!

“Mr. Chen, where is Mr. Chen?”

Ji Yun thought of Chen Ping and ran towards the cave with all his strength!

Huofeng and others also ran towards the cave!

After all, these people have received favors from Chen Ping, especially Mr. Miao who followed Cai Hongwei. They cannot be ungrateful!

What's more, now that the dragon has ascended, there is no danger in the cave!

When everyone entered the cave, they were instantly stunned by the sight in front of them!

They saw a downward passage at the bottom of the cave. They followed the passage and found Chen Ping sitting cross-legged on a boulder. Surrounding the boulder was boiling magma!

The temperature of thousands of degrees made everyone sweat profusely and frown!

"The master should be practicing, let's not disturb him..."

Huofeng could see that Chen Ping was practicing, so he reminded him!

When everyone heard this, they quickly retreated, leaving Chen Ping to practice on the giant rock mountain!

The sky is gradually getting brighter, and everyone has recovered a lot of strength after taking a rest!

Especially Cai Hongwei, after taking the elixir refined by Chen Ping, he has completely recovered!

"Go and see how your little brother is doing..."

Miao Lao said after waking up!

Just when everyone was about to follow Mr. Miao to see Chen Ping's situation, suddenly there was a muffled thunder in the sky!

Chapter: 5422

Rumble.....

Immediately afterwards, a dazzling thunder bombarded directly into the mountains from the gap in the mountains!

This sudden change instantly caused everyone to stop!

“This...is this thunder disaster?”

Mr. Miao looked at the thunder that hit the mountains and asked with confusion!

“It’s a thunder tribulation, it’s indeed a thunder tribulation...”

Cai Hongwei nodded in surprise!

Now they don’t need to guess, they also know how this thunder disaster came about!

Only Chen Ping himself is practicing in this mountain range. Now that the thunder calamity has hit the mountain, it must be Chen Ping who has made a breakthrough!

Rumble.....

Under the gaze of everyone, the thunder calamity struck again!

After bombarding several times in a row, the thunder cloud slowly dispersed!

After the thunder cloud dispersed, Chen Ping walked out of the cave!

The clothes on Chen Ping’s body were torn to pieces by the thunderstorm, and they no longer covered his body!

But Chen Ping doesn’t care, now he has reached a small level again!

Breaking through the realm of integration and reaching the realm of overcoming tribulation is just around the corner!

Even though Chen Ping looked like a beggar in tatters, his eyes were extremely bright and his aura was more domineering!

“ah.....”

Suddenly, two girls, Cai Qiannan and Miao Miao, screamed and turned around!

This scream made Chen Ping react and quickly protect his important position!

Huofeng quickly took out a set of clothes and stepped forward to help Chen Ping change into them!

Chen Ping was also a little embarrassed. After all, in front of so many people and several girls, his image was not very good!

“Little brother, have you made a breakthrough?”

Mr. Miao asked after Chen Ping changed his clothes!

Chapter: 5423

Chen Ping nodded: “I have made a breakthrough. I have been promoted from the eighth level of the Fusion Realm to the ninth level. It is estimated that it won’t take long for me to become a great monk in the Tribulation Realm.”

Chen Ping’s face was full of excitement. After all, it was very difficult for him to advance to a small level!

“Just rising to a small level and triggering such a huge thunder disaster? It’s so abnormal...”

Cai Hongwei stepped forward with a surprised look on his face and said!

Chen Ping didn't know how to explain it. Every time his realm improved, there was such a big movement. There was no way!

"Okay, let's set off as soon as possible and get out of the Chilian Mountains. After all, you can't fly in this place, and there are many monsters. It's too dangerous."

Seeing that Chen Ping didn't know what to say, Mr. Miao hurriedly came to the rescue!

"Okay, let's set off. If we go fast, we can get out of the Chilian Mountains in one day and one night!"

Cai Hongwei said!

Everyone started to set off, but just after walking a short distance, they found a group of silver red tigers blocking the way, and the Tiger King was the first to bear the brunt!

This time, everyone was a little nervous, not knowing what these silver red tigers were going to do!

Chen Ping also frowned and said, "What are you going to do?"

"Don't get me wrong, we don't mean any harm, I just came with my men to give you a ride."

"You all ride on our backs, and we will send you out of the Chilian Mountains so that you can go faster."

Tiger King followed Chen Ping and explained!

When Chen Ping heard this, he suddenly seemed a little surprised. He didn't expect that the Silver Scarlet Tiger King would actually send them out of the Chilian Mountains!

“Why are you doing this?” Chen Ping was very puzzled!

Ordinarily, Chen Ping doesn't have a deep friendship with the Tiger King!

Tiger King quietly stepped forward, and then whispered: “I just hope that fellow Taoist friends can enlighten me if they have the opportunity. Although my strength is not high now, I am confident that I can also reach the realm of ascension.”

It turns out that the Silver Scarlet Tiger King had already discovered that Chen Ping brought the dragon into the cave and then enlightened the dragon in the cave!

In the end, Jiaolong got enlightenment from Chen Ping and soared into the sky, directly ascending!

And Chen Ping has also improved to a small level!

So this Silver Scarlet Tiger King, I feel that Chen Ping must have some means to help others ascend!

Seeing this, Chen Ping couldn't help but smile, then nodded and said: “No problem, as long as you reach the Ascension Realm, I will definitely enlighten you.”

Chapter: 5424

When the Silver Scarlet Tiger King heard this, he was extremely happy. He immediately lowered his head and let Chen Ping ride on him!

Chen Ping greeted everyone, and they all rode on those silver red tigers!

Immediately afterwards, the silver red tigers began to fly. These silver red tigers have been living in the Chilian Mountains, so their speed is much faster than Chen Ping and the others!

A trip that originally took a day and a night, these silver red tigers ran out of the Chilian Mountains in one day!

After bidding farewell to Chen Ping, King Tiger led his men back to the Chilian Mountains!

“Mr. Chen, what did King Tiger tell you? Why are they willing to send us out?”

Ji Yun asked Chen Ping very curiously!

“It’s nothing. You’d better take out the airship quickly. We’re traveling all night, so we can rest on the airship.”

Chen Ping asked Ji Yun to take out the airship!

But who would have thought that Cai Hongwei stepped forward and stopped him and said, “This is the boundary of the Southern Territory. There is a Falling Sun City more than a thousand miles ahead. After the Falling Sun City, you will reach the Tianmo Mountain area.”

“Because it’s on the border, it’s in chaos. Moreover, Falling Sun City is the last supply town on the way to Tianmo Mountain, so there will definitely be a lot of people there.”

“If we take the airship now, it will be too ostentatious and it will definitely attract attention. Let’s keep a low profile. After all, it’s not too far away.”

Cai Hongwei was the team leader, so what he said was very important. Chen Ping signaled Ji Yun to put the airship away!

Everyone started to walk to the Falling Sun City. Because there were silver red tigers in front of them as mounts, they didn’t feel tired at all!

However, along the way, Chen Ping found that there was indeed chaos. Even in small towns where human monks lived, there were always monsters!

And scuffles broke out between villages and small towns.

Chen Ping and the others were on their way, so they kept looking for sparsely populated areas to avoid getting into unnecessary trouble!

But along the way, Chen Ping found many corpses of monsters and beasts, as well as the corpses of human monks!

Chen Ping felt like this southern region was like a wild land!

After walking all night and resting in the middle, Chen Ping and the others finally arrived at Falling Sun City at dawn!

Chen Ping took a quick look at it and saw that the scale of the Falling Sun City was not very large, nor did it look very luxurious. There was no way it could compete with the Yellow and Blue City!

Although the city is not big, there is a long queue at the entrance to and from the city!

“It seems that these people are going to Tianmo Mountain to hunt for treasures. So many people don’t know whether Tianmo Mountain will yield treasures.”

Miao Miao looked at the people lining up at the city gate and said with a sneer!

Chapter: 5425

“Shut your mouth!” Mr. Miao glared at Miao Miao fiercely!

“Let’s go in, let’s find a place to stay, rest for a day or two, and then reach the Demon Mountain in one go.”

Cai Hongwei said!

Cai Hongwei was the leader, so of course everyone listened to him, so they all followed Cai Hongwei into the City of Fallen Sun!

At this moment, on a street in Falling Sun City, Elder Fei followed Protector Gong and was looking for something on the street!

“Elder Fei, is there no helmsman from the Demon-Sealing Alliance in Falling Sun City?”

Protector Gong asked Elder Fei!

They arrived yesterday, but they didn't find the helmsman of the Demon-Sealing Alliance. But it would be too difficult for Ruoguo and just a few of them to kill Chen Ping quietly!

“Normally it shouldn't be. This Demonic Alliance is said to have countless branches throughout the world of heaven and humans.”

Elder Fei didn't believe it at all. After all, he had been locked up in the Demon Sealing Alliance for so many years and knew the situation in the Demon Sealing Alliance!

“Then let's look for it. If we can't find it, it seems we can only think of other ways.”

Protector Gong lost the Golden Silkworm Gu poison and had long hated Chen Ping. Now even if the people from the Demon Sealing Alliance don't kill Chen Ping, he will find a way to kill Chen Ping!

Just when Elder Fei and Guardian Gong were looking for the helmsman of the Demon-Sealing Alliance, they saw a lot of people gathering in the square in front of them, so they immediately got over!

“Brother, what are all these people doing?”

Elder Fei asked a monk!

The monk just gave Elder Fei a cold look but ignored him.

Elder Fei frowned, with anger in his eyes, while Gong Hufa on the side quickly took out a valuable ancient coin and handed it to the monk!

After the monk took one look at the ancient coin, his attitude suddenly changed and he said with a smile on his face: "You two have just arrived, right?"

"Yes, we just arrived." Protector Gong nodded!

"No wonder you don't know. City Master Sun is here looking for a doctor. His daughter has a strange disease that no one can cure."

"It just so happened that the battlefield between gods and demons was discovered in Tianmo Mountain, and many outside monks came to this city to repair it, so City Master Sun took the opportunity to find a pharmacist to help his daughter treat her illness!"

"However, this list has been on the list for three days. Although several pharmacists published the list, they were not cured in the end and even lost their lives."

"Although the conditions are generous, it is also a fatal job, so now everyone is watching, and no one dares to reveal the list."

The monk carefully followed Elder Fei and Protector Gong to explain!

Chapter: 5426

After hearing this, Elder Fei's eyes lit up and he hurried forward with Protector Gong!

Sure enough, I saw a notice posted on a stone pillar looking for a pharmacist, and the conditions were generous. As long as the disease was cured, not only could the disease be rewarded with spiritual coins, but the most important thing was that City Lord Sun could also agree to a condition.

"Protector Gong, your chance has come..."

The corner of Elder Fei's mouth raised slightly!

“Elder, this daughter of City Lord Sun has been seen by many pharmacists, but she has not been cured. I am afraid that my medical skills are not good either.”

“What’s more, if our two identities are discovered by City Master Sun, wouldn’t it be dangerous?”

Protector Gong is timid!

After all, they are demon cultivators. Although they took the elixir and suppressed the demonic aura in their bodies, once the secret is exposed, it will be troublesome!

“What are you afraid of? Even if you can’t be cured, I can still save you.”

“Now our troops are divided into two groups. I will go find the captain of the Demon Sealing Alliance, and you will go and treat the daughter of City Lord Sun. No matter which one of us succeeds, we will both kill Chen Ping.”

Elder Fei said to Protector Gong!

Although Protector Gong was a little reluctant, he still nodded and agreed. After all, the first level of officialdom is overwhelming!

Protector Gong took off the notice, and soon two people from the City Lord’s Mansion took Protector Gong away!

And Elder Fei also left!

Not long after they left, Chen Ping and others arrived here.

“It seems that there are really people who are not afraid of death. Several pharmacists have been killed, and yet there are still people who dare to expose the list.”

“People die for wealth and birds die for food. Who made City Master Sun’s conditions too generous?”

“If I were a pharmacist and I went to reveal the results, and if I really cured City Lord Sun’s daughter, I would let her marry me.”

“Stop daydreaming...”

Everyone slowly dispersed while talking!

Listening to everyone’s discussion, Cai Hongwei was a little curious, so he stopped a monk and asked, “Fellow Taoist, what happened just now?”

The monk looked at Cai Hongwei, and before he could say anything, Cai Hongwei stuffed a bag of spiritual coins in his hand!

When the monk saw this, he explained in detail what had just happened!

“I didn’t expect City Lord Sun’s daughter to be sick. I remember she was fine some time ago.”

Chapter: 5427

After hearing this, Cai Hongwei sighed a little!

“Boss Cai, do you know the Lord of the Falling Sun City?” asked Mr. Miao!

It would be much more convenient if Cai Hongwei knew the Lord of the Falling Sun City. They could go to the Lord’s Mansion for two days to repair.

But who knew Cai Hongwei shook his head: “I don’t know him, I just met him a few times occasionally.”

“Although I don’t know the city lord, I still have friends in Falling Sun City, so there’s no need to worry about the repairs.”

After saying that, Cai Hongwei led everyone towards the center of the city!

The city lord’s palace is located in the center of the city. It is built with majestic momentum. Compared with the somewhat dilapidated city gate of Falling Sun City, I don’t know how luxurious it is!

It seems that the city lord of the Falling Sun City is also a person who likes to enjoy himself. He actually built such a luxurious city lord’s palace in the somewhat dilapidated Falling Sun City!

On one side of the city lord’s palace, there is a courtyard that is not very large. The courtyard looks weathered, but it is not dilapidated!

Cai Hongwei led everyone directly into the courtyard!

As soon as he walked into the courtyard, Chen Ping frowned slightly. He felt that there seemed to be a fairy spirit in the courtyard!

But this is not the Chilian Mountain Range, how could there be immortal energy?

The breath was very weak, but it was still captured by Chen Ping!

“Master, what’s wrong?” Huo Feng asked!

“It’s okay!” Chen Ping shook his head!

“Old Jia, we have a guest. Let’s pick him up...”

As soon as Cai Hongwei entered the door, he shouted loudly!

For those who didn't know, they thought they were entering Yihongyuan!

Soon, an old man with a hunchback came out, holding a cane in his hand.

"Lao Cai, there are a lot of people this time, but you came a little late, so you can only squeeze into the east wing."

The old Jia glanced at it and said.

Cai Hongwei was stunned for a moment, and then said in disbelief: "Old Jia, do you have a guest here?"

Lao Jia nodded!

"You guy, you are not short of food, clothing, and money, so why did you really start accepting customers?"

Chapter: 5428

Cai Hongwei asked in confusion!

"The customers I picked up are all acquaintances, and there's nothing I can do about it. As soon as the news about the Heavenly Demon Mountain spreads out, people from the five realms of the Heaven and Human Realm will all run towards this direction."

"I know you will definitely come, so I specially reserved the east wing for you. Otherwise, there will be no east wing, so you can sleep on the street."

After Lao Jia finished speaking, he turned around and walked into the house!

When Cai Hongwei saw this, he could only lead everyone in and follow him!

Cai Hongwei asked everyone to allocate their own rooms, while he sat in the hall and chatted with the old Jia!

It can be seen that the two of them are very familiar with each other, and they talk without any scruples!

“Old Jia, I heard that City Lord Sun’s daughter is ill. It seems to be quite serious.”

Cai Hongwei asked!

“No, I’ve been to several pharmacists for many days, but they were all useless. They didn’t cure her at all, and she was directly killed by my eldest niece.”

“I know that there are rumors that my brother killed the pharmacists, but they were not at all.”

Lao Jia said, looking around and finding no one, he whispered: “I don’t know what happened, but my eldest niece suddenly got sick. Every time she got sick, she would become manic and kill people randomly. ”

“Those pharmacists were not cured and were killed by my eldest niece. No matter how cruel my brother was, he couldn’t kill those pharmacists.”

“Now the rumors are spreading everywhere, no pharmacist dares to come to visit, and my brother is also worried to death.”

When Cai Hongwei heard this, he was surprised. He always felt that the problem with City Lord Sun’s daughter was like being poisoned in the Chilian Mountains!

However, after being hit by the poison tent, he just temporarily lost his mind and became cruel!

It would be fine once the poison tent disappears, but there is no poison tent in Yunri City. He doesn’t know if City Lord Sun’s daughter was caught in the poison tent!

“Old Jia, there is a pharmacist in my team this time. How about I ask him to look at your niece?”

Cai Hongwei is talking about Chen Ping!

“Forget it, a lot of pharmacists have come and they haven’t taken a good look at it. How can the pharmacists in your team be so powerful? They don’t take a good look at it at all.”

Lao Jia waved his hand. After all, he was familiar with Cai Hongwei and knew that every time Cai Hongwei led a team, although there were pharmacists in the team, they were just ordinary pharmacists!

“Old Jia, don’t look down on people. There is a Medicine Master in my team this time, a senior Medicine Master...”

Seeing Lao Jia’s attitude, Cai Hongwei said unhappily!

“Yao Zun? Real or fake?” Lao Jia was stunned!

Chapter: 5429

“Just wait, I’ll find it for you right away...”

After saying that, Cai Hongwei got up and left. He went to find Chen Ping!

Originally, Chen Ping wanted to take a rest, but he had just made a breakthrough, so he had to seize the time to practice!

But who would have thought that Cai Hongwei would pull him here!

“Old Jia, this is Medicine Master, Mr. Chen...”

Cai Hongwei explained to Lao Jia!

After finishing speaking, Cai Hongwei pointed at Lao Jia and said: "Mr. Chen, this Lao Jia is the brother of City Lord Sun. He is also the eldest brother. Otherwise, how could he build this poor yard next to the City Lord's Mansion?"

"Lao Cai, are you kidding me? Is this the Yaozun you are talking about?"

Lao Jia looked at Chen Ping with disbelief in his eyes!

Chen Ping is too young, how could he be the Medicine Master!

"Do you think I'm joking with you?" Cai Hongwei said seriously: "We encountered a poison tent in the Chilian Mountains, thanks to Mr. Chen, otherwise we would all have died inside, and I was injured. Mr. Chen took a pill and recovered the next day."

"You take us to the City Lord's Mansion now. Maybe Mr. Chen can find a way to cure your eldest niece!"

Seeing Cai Hongwei's serious look, Lao Jia looked at Chen Ping again doubtfully, then nodded and said: "Okay, I'll take you to try..."

"Sorry, I don't have time..."

But who would have expected that Chen Ping would directly refuse!

Chen Ping doesn't know City Master Sun, let alone his daughter, so why should he go to see him?

Chen Ping also didn't lack spirit coins. He just wanted to use his rest time to practice. When he arrived at Tianmo Mountain, he didn't know how many unknown dangers there were!

Lao Jia was stunned. He didn't expect Chen Ping to refuse!

Cai Hongwei didn't expect it, so he hurriedly said: "Mr. Chen, just go and take a look. If the disease of City Lord Sun's daughter can be cured, there will definitely be great benefits."

"Young man, if you cure my eldest niece, you can make whatever conditions you want..."

Lao Jia said to Chen Ping!

After hearing this, Chen Ping smiled lightly and said, "Okay, if I cure your eldest niece's disease, I don't want any spiritual coins. I just want the precious tree in your backyard."

When Chen Ping entered the courtyard, he felt a trace of fairy energy. Later, Chen Ping found the mountain treasure tree in the backyard, and there were formations surrounding the mountain treasure tree, making it impossible for the fairy energy to spread around. overflow.

Hearing Chen Ping's words, Lao Jia was stunned, and then looked at Chen Ping with a terrifying look in his eyes!

Chapter: 5430

Cai Hongwei saw that the old Jia looked wrong and said quickly: "Mr. Chen, what good is a broken tree? What's the use of that thing?"

"I just want that tree. If you agree, I can go and heal it."

Chen Ping said calmly!

After listening to Chen Ping's words, Lao Jia's expression slowly softened from being scary: "Okay, I promise you, being able to see the specialness of that tree proves that you do have some abilities. I hope you won't let me down..."

After saying that, Lao Jia took Chen Ping and Cai Hongwei and walked towards the city lord's mansion!

In the city lord's palace!

City Lord Sun looked at his daughter with a look of anxiety on his face!

At this time, in front of City Lord Sun, a woman was bound with chains, and there were formations around her.

This woman is Sun Xiaoyun, the daughter of City Lord Sun.

“Xiaoyun, don’t blame me. I can’t help it. Only in this way can you not hurt other people.”

City Lord Sun said with tears in his eyes!

He didn’t want to do this, but Sun Xiaoyun killed several pharmacists with his face, causing the entire City Lord’s Mansion to be seriously injured by rumors, and City Lord Sun had no choice!

“Dad, you don’t have to be sad. I won’t blame you. If my disease really can’t be cured, then just kill me. I don’t want to become a murderous lunatic.”

Sun Xiaoyun comforted her father!

“Don’t worry, I’ve already announced it. As long as someone cures you, I can agree to any of his conditions. Even if I give up the entire city lord to him, I’m willing. I just want you to be safe.”

City Lord Sun’s eyes were full of love and affection, he would give everything for his daughter!

Listening to her father’s words, Sun Xiaoyun was filled with guilt. She didn’t know why she was like this!

“Dad, where is my mother? I haven’t seen her for several days.” Sun Xiaoyun asked!

“Your mother...”

City Lord Sun hesitated!

His wife had been lying in bed for several days because of her daughter's illness. She was so angry that City Master Sun was afraid that his daughter would be worried, so he never said anything.

Seeing her father like this, Sun Xiaoyun became nervous and was about to open her mouth to continue asking. At this time, the housekeeper of the City Lord's Mansion came in and said to City Lord Sun: "City Lord, there is a Gong Pharmacist who has unveiled the list and is waiting outside now. ..."

"Please come in quickly..."

When City Master Sun heard this, he was immediately excited!
