

The Order 5441

Chapter: 5441

“Grandpa, are you okay?”

When Miao Miao saw Mr. Miao being slapped, he quickly stepped forward and asked with concern!

Mr. Miao didn't say anything, but he looked at City Lord Sun with solemn eyes!

“Fellow Taoist, you'd better get out of the way. City Master Sun has no intention of killing you, otherwise you would have died long ago.”

Lao Jia said to Mr. Miao!

But Mr. Miao said with a cold face: “Mr. Chen saved my life, so unless I die, no one can try to capture him in front of me.”

Mr. Miao is an upright person. Even though he is the strongest person in the team, he has never bullied others!

Moreover, Mr. Miao values love and justice, and Chen Ping helped him detoxify, which was equivalent to saving his life!

Now that Chen Ping is in trouble, he will never sit idly by and watch!

It is precisely because of this kind of character that Mr. Miao has always been respected by others. Even if Miao Miao causes trouble outside, he will not care about it because of Mr. Miao's face!

“I didn't want to kill you, but I didn't expect you to seek death yourself, so don't blame me...”

City Lord Sun's eyes narrowed slightly, and then his body trembled slightly. With his eighth-level cultivation in the Tribulation Realm, the world instantly became dark, as if it was the end of the world!

Huofeng and Ji Yun both wanted to step forward to stop him, but the aura on City Master Sun made it impossible for them to raise their heads!

Miao Lao gritted his teeth and tried his best to resist this momentum!

"If you want to arrest me, I will just go with you. Why bother hurting other people..."

At this time, Chen Ping's voice came from inside the room!

Upon hearing this, City Master Sun's aura instantly calmed down, and the originally dark world also recovered!

Chen Ping slowly opened the door and walked out!

"Mr. Chen..."

"Owner....."

Huofeng and Ji Yun all surrounded him.

"Master, you can't follow him, it will be very dangerous."

Fire Phoenix stopped Chen Ping!

"Yes, Mr. Chen, you must not go with him, otherwise you will not be able to come back."

Chapter: 5442

Ji Yun also said anxiously!

“Mr. Chen, although I am no match for City Lord Sun, I can still delay him for a while despite my old age. You can use this time to run away.”

Mr. Miao made the determination to die!

Chen Ping was very grateful for Mr. Miao’s attitude.

“It’s a blessing, not a curse. It’s a curse that can’t be avoided. It doesn’t matter if I go with him. Even if we resist, no one can be his opponent, and the casualties will be in vain.”

Chen Ping said calmly!

“Master, if you want to run away, I will give up my life to buy you time.”

Huofeng’s face was full of worry!

“Mr. Chen, I am willing too. As long as you are well, I can die for you...”

Ji Yun said without hesitation!

City Lord Sun on the side couldn’t help but feel curious when he saw that these people were willing to sacrifice their lives for Chen Ping!

He didn’t understand how Chen Ping, a young pharmacist and a mere monk in the combined body realm, could be so charming?

“You all get out of the way, I’ll go with him!”

After saying that, Chen Ping walked directly in front of City Lord Sun: "Can I know why you want to arrest me?"

"I am also entrusted by others to be loyal. I have said that whoever saves my daughter, I can agree to his conditions, and the only condition he proposes is to arrest you."

City Lord Sun said without hesitation!

When Chen Ping heard this, he became even more convinced of his guess. He couldn't help but raise the corner of his mouth and said with a smile: "Okay, I'll go with you!"

City Lord Sun's men stepped forward to tie Chen Ping up, but City Lord Sun stopped him with a wave of his hand!

"No need to tie him up, he won't escape..."

City Lord Sun knew that Chen Ping would not escape. Just now so many people were trying to buy time for him, but Chen Ping did not escape, then he would not escape now.

"Let's go..."

City Lord Sun said coldly to Chen Ping!

Chen Ping walked out with a smile. When Huofeng and Ji Yun saw this, they wanted to follow, but they were shocked by the aura of City Lord Sun and fell to the ground one after another!

Chen Ping followed City Lord Sun directly into the City Lord's Mansion. At this time, Protector Gong was in Sun Xiaoyun's boudoir, and Sun Xiaoyun had already taken the refined elixir!

Chapter: 5443

"Miss Sun, if you take this pill, you will be protected from recurrence for half a year. After taking it three times in a row, you will be completely cured."

Protector Gong said to Sun Xiaoyun!

“Thank you, Protector Gong!” Sun Xiaoyun looked happy!

That way she doesn't have to be tied up, and she doesn't have to go crazy from time to time and become like a lunatic!

At this time, City Lord Sun walked in with Chen Ping!

When Protector Gong saw Chen Ping, his eyes suddenly lit up!

When Chen Ping saw Protector Gong, he raised his lips slightly and said, “It is indeed you. It seems that my guess was not bad at all...”

“You guessed right, it's me. Now that you're in my hands, I'll let you experience how life would be worse than death.”

Thinking of his golden silkworm poison, Protector Gong made Chen Ping's teeth itch with hatred!

“Mr. Gong, I brought you the person. You can deal with it as you wish. My daughter's illness...”

“Don't worry, City Master Sun. I will continue to refine the elixir when I get back and ensure that Miss Sun recovers.” Protector Gong patted his chest and continued, “But City Master Sun, please destroy this kid's strength first to prevent him from escaping. .”

“Mr. Gong, you are in the Tribulation Realm. Are you still afraid of someone who is in the Fusion Realm?”

City Lord Sun didn't understand why Protector Gong asked him to destroy Chen Ping!

“This kid is good at using tricks. I've been fooled several times, so it's better to disable him to be safer.”

Protector Gong said!

“Okay, if that’s the case, then I’ll cripple his cultivation first.”

City Lord Sun saw this and was ready to destroy Chen Ping’s cultivation!

But Chen Ping said calmly: “City Master Sun, you have to think about it carefully. If you destroy my cultivation, your daughter will never recover.”

“I said that your daughter was poisoned, not sick. Moreover, the poison has penetrated deeply into the blood. I am afraid no one can save her except me.”

“This guy is a demon cultivator. He didn’t see your daughter’s illness. He just used pills to suppress it temporarily. In a few days, your daughter will have another attack.”

Chen Ping’s words made City Lord Sun hesitate for a moment!

“You fart!” When Protector Gong heard this, he immediately retorted: “You are a demon cultivator. Don’t spit on others just to survive. I can definitely cure Miss Sun’s disease. I have lived for so many years. Is my medical skill not as good as yours?” A little furry kid?”

City Master Sun was right when he heard it. After all, Protector Gong was so old, and Chen Ping was just a child. How much could he do if he made medicine from his mother’s womb?

“You will know soon whether you can cure it...”

Chapter: 5444

Chen Ping flicked his fingers, and an inaudible breath entered Sun Xiaoyun’s body!

After this breath entered Sun Xiaoyun's body, Sun Xiaoyun was slightly startled, and then her eyes began to glow red!

"City Master Sun, don't listen to this guy's nonsense. I've been fooled several times. You'd better destroy him."

Protector Gong urged City Lord Sun to destroy Chen Ping!

No one noticed that Sun Xiaoyun on the side was changing!

City Lord Sun glanced at Protector Gong, then at Chen Ping, and finally chose to believe in Protector Gong, so he slapped Chen Ping with his palm!

But Chen Ping stood motionless, not even a trace of fear!

Just when City Lord Sun didn't know why Chen Ping wasn't afraid, a roar suddenly came from behind!

I saw Sun Xiaoyun, who had just been well, now looking like a madman, with his eyes wide open, and he rushed towards Protector Gong!

The two of them were closest, and Sun Xiaoyun attacked Protector Gong first!

This sudden change made Protector Gong unable to react for a moment. He instinctively slapped Sun Xiaoyun out with a palm!

But after this palm shot, Protector Gong stood stunned for an instant!

Because when he slapped his palm, his aura was instantly revealed!

City Lord Sun was stunned for a moment, then looked at Protector Gong in disbelief: "Are you really a demon cultivator?"

Protector Gong didn't say anything, turned around, jumped out, and ran away quickly!

Now that your identity is exposed, you have to run away quickly!

City Master Sun's face was full of anger, and he wanted to chase after him, but he took a look at Sun Xiaoyun who was photographed and wanted to go over and check it out!

"City Master Sun, Miss Sun has left it to me. I will definitely be able to cure him. Hurry up and chase him. Don't let those demon cultivators escape."

Chen Ping said to City Lord Sun!

City Lord Sun glanced at Chen Ping, then turned around and chased him out!

Just after City Lord Sun chased him out, Chen Ping immediately locked the door!

And Sun Xiaoyun was like a wild beast, rushing towards Chen Ping!

The girl who was frail just now has become neither human nor ghost, looking very scary!

Looking at the crazy Sun Xiaoyun, Chen Ping frowned slightly. Although Sun Xiaoyun lost his mind and his strength would be greatly reduced, Chen Ping couldn't go all out. After all, he couldn't hurt Sun Xiaoyun!

Chapter: 5445

Now Chen Ping must control Sun Xiaoyun first, and then use the silver needle to force out the poison. There is no way for someone like Sun Xiaoyun to force out the poison!

Chen Ping waved his hand, set up a formation around the room, and then followed Sun Xiaoyun to fight together!

Soon, there was a roar in the room. If Chen Ping hadn't mentioned setting up the formation, the room would have been razed to the ground!

Sun Xiaoyun frantically attacked Chen Ping, while Chen Ping dodged and used his body skills to parry!

Gradually, Sun Xiaoyun's desperate attacks made her a little exhausted, and her forehead was covered with sweat!

But the sweat turned out to be black, which made Sun Xiaoyun look confused!

Just when Chen Ping looked at Sun Xiaoyun with confusion on his face, Sun Xiaoyun suddenly stopped attacking!

At this time, the scarlet color in Sun Xiaoyun's eyes slowly faded and recovered again!

Sun Xiaoyun looked at the messy room, then looked at Chen Ping in front of her, and asked with confusion on her face: "What's going on? Where is my father?"

"Why did I get sick again? Haven't I already recovered?"

Sun Xiaoyun was a little panicked. She didn't understand what was going on!

"Miss Sun, don't panic. You are not sick. You are poisoned. If I ask you now, you must answer me truthfully so that I can help you."

Chen Ping saw that Sun Xiaoyun had regained consciousness, so he said cautiously!

Sun Xiaoyun looked at Chen Ping and found that Chen Ping was not hostile, so she nodded and said: "Okay, you can ask..."

“Do you shed black sweat every time you have a toxic attack?”

Chen Ping asked!

Sun Xiaoyun nodded: “Yes, I will wake up every time I shed a stream of black sweat...”

“The poison in your body must be discharged as soon as possible, otherwise you will not lose your mind next time, but may lose your life!”

Chen Ping said solemnly!

The poison in Sun Xiaoyun’s body was more serious than Chen Ping imagined!

“What should we do?” Sun Xiaoyun panicked!

“Don’t be nervous. Just listen to me now. I’ll give you acupuncture and use the silver needle to force the poison out of your body.”

Chen Ping said, took out a pack of silver needles from his body, and then said: “Take off your clothes...”

“Take off your clothes?” Sun Xiaoyun was stunned!

Chapter: 5446

“Take off your clothes. How can I give acupuncture if you don’t take off your clothes!”

Chen Ping said coldly!

“You...do you know how to treat diseases? I think you want to be a gangster, right?”

Sun Xiaoyun looked at Chen Ping warily!

“Now I am the pharmacist and you are the patient. In my eyes, you are just a bunch of organs. Take it off quickly. If it is later, I am afraid there will be no chance.”

Chen Ping urged Sun Xiaoyun!

“Bah, don’t tell me these things. You are just a big pervert. You asked me to take off my clothes as soon as you got here. You don’t have to scare me. I know all your thoughts.”

“I’m going to find my dad. I must tell him that you are a big pervert...”

Sun Xiaoyun said, and was about to walk out of the bedroom!

Seeing this, Chen Ping reached out and stopped Sun Xiaoyun: “You can’t go out. Take off your clothes now, otherwise it will be too late.”

Chen Ping said solemnly!

“I won’t take it off, even if I die...” Sun Xiaoyun held her clothes tightly with both hands!

“Since you won’t take it off, don’t blame me.”

After Chen Ping finished speaking, he reached out and tore Sun Xiaoyun’s clothes!

Sun Xiaoyun resisted with all her strength, and the two fought again. However, Sun Xiaoyun was a little weak in physical strength, and she quickly fell behind!

The clothes on his body were also torn apart by Chen Ping, and they no longer covered his body!

“Big pervert, big bastard, I’m going to kill you...”

Sun Xiaoyun cried, and then punched and kicked Chen Ping!

But Chen Ping had no expression on his face. He reached out and grabbed the remaining clothes on Sun Xiaoyun’s body, and pulled them off with a stabbing sound!

At this moment, Sun Xiaoyun was stunned. The majestic princess of Yicheng was now bullied and stripped naked, and she was still in her own home!

Sun Xiaoyun felt aggrieved and couldn’t stop crying!

Chen Ping still ignored her and started pricking Sun Xiaoyun’s body with a silver needle!

Sun Xiaoyun was exhausted at this time and had no ability to resist!

He could only let Chen Ping fumble around on his body. Whenever Chen Ping touched a place and stopped, a silver needle would be inserted!

Chapter: 5447

In the end, Sun Xiaoyun’s body was almost touched by Chen Ping!

When all the silver needles were inserted into her body, Sun Xiaoyun suddenly felt that her body was much lighter, and the feeling of depression in her mind disappeared instantly!

And on each silver needle, black blood began to seep out!

At this time, Sun Xiaoyun knew that Chen Ping was really detoxifying herself, but as a princess, Sun Xiaoyun was still angry and itchy inside after being touched by Chen Ping!

She was innocent, but now she was touched by a grown man named Chen Ping, and even the most important part was not spared. How could she survive?

It would be better to be poisoned and die. This feeling of being disrespectful and frivolous by others is also very uncomfortable!

A lot of toxins were excreted from the body, and Sun Xiaoyun's physical strength recovered a lot. She was able to move, so she found some clothes and wanted to put them on her body. She couldn't be watched by Chen Ping all the time!

"Don't move, don't put on clothes, just stand quietly like this..."

Chen Ping quickly stopped Sun Xiaoyun!

Sun Xiaoyun frowned: "I touched it, looked at it, and inserted the silver needle. Why can't I wear clothes?"

"You are like this, it is conducive to detoxification."

Chen Ping said!

"Nonsense, I think you just want to take advantage and continue watching..." Sun Xiaoyun's face turned red with anger!

If it weren't for the sake of Chen Pingzhen's treatment and detoxification, Sun Xiaoyun would take action again!

"You are a patient now, so you have to listen to me and do whatever I tell you to do."

"If you are disobedient, then I will stop you first. You are no match for me anyway."

Chen Ping said calmly!

“You...” Sun Xiaoyun glared at Chen Ping, but did not move!

What Chen Ping said was true, she couldn't beat Chen Ping at all!

Sun Xiaoyun was puzzled. She was clearly at the Tribulation Realm, so why couldn't she even defeat Chen Ping at the Fusion Realm?

Is it because he was poisoned?

Sun Xiaoyun stood quietly, while Chen Ping stepped forward and carefully observed the silver needles!

Chen Ping's face almost touched Sun Xiaoyun's body. Sun Xiaoyun could only close her eyes and blush!

At this time, Sun Xiaoyun had made up her mind. As long as Chen Ping took out the silver needle, she would take revenge. Even if she didn't kill Chen Ping, she would beat him up!

Chapter: 5448

Otherwise, Chen Ping would have taken advantage of him in vain!

Chen Ping didn't know what Sun Xiaoyun was thinking. At this time, Chen Ping frowned slightly because he found that the silver needle detoxification was too slow!

This toxin is extremely stubborn, and it is difficult to excrete it from Sun Xiaoyun's body!

If detoxification is not done thoroughly, Sun Xiaoyun will be in danger later!

“Miss Sun, this toxin is too stubborn in your body. If you continue to detoxify like this, it probably won't be able to be detoxified in three days and three nights, and it won't be completely detoxified.”

“Now the only way is to stimulate your nerves and then promote blood circulation to detoxify. Only in this way can the detoxification be faster and cleaner.”

Chen Ping said to Sun Xiaoyun!

“What do you mean? What does nerve stimulation mean?”

Sun Xiaoyun looked puzzled!

“Miss Sun, I would like to ask you, are you married?” Chen Ping asked!

When Sun Xiaoyun heard this, she glared at Chen Ping and said, “I don’t even have a boyfriend, how can I get married?”

“Then Miss Sun, have you ever...”

Chen Ping gestured twice towards Sun Xiaoyun!

Sun Xiaoyun instantly blushed like an apple and glared at Chen Ping: “What are you talking about? I’m not that kind of person...”

“Since you are not that kind of person, then I can only be that kind of person.”

After Chen Ping finished speaking, a breath instantly penetrated into Sun Xiaoyun’s body!

Before Sun Xiaoyun could react, her body seemed to be imprisoned and she couldn’t move at all!

“You...what do you want to do?” Sun Xiaoyun looked panicked!

“Of course I’m treating you.”

After saying that, Chen Ping stretched out his hands!

Sun Xiaoyun instantly felt hot inside her body, her nerves were stimulated, and the black blood on the silver needle started dripping faster!

Chen Ping is now considered an experienced driver, which is more than enough to deal with Sun Xiaoyun’s new car!

Soon, Sun Xiaoyun made a beautiful sound!

Outside Sun Xiaoyun’s room, City Lord Sun arrested Protector Gong and Elder Fei!

Chapter: 5449

These two guys are like lost dogs!

Elder Fei glared fiercely at Protector Gong!

It was clear that City Master Sun was chasing him, but this guy actually ran towards where they were staying. In the end, City Master Sun caught them all in one fell swoop and captured all of them demon cultivators!

Gong Hufa was hanging his head, and all his cultivation had been lost!

After City Lord Sun captured the two of them, he was going to see how Sun Xiaoyun was doing!

But just as he walked to the door, he heard an indescribable sound coming from inside!

At this moment, City Lord Sun was stunned, with a confused look on his face!

Soon, City Lord Sun became furious. He did not expect that Chen Ping would do such a thing to his daughter while he was leaving!

Just when City Master Sun was about to kick open the door, he was stopped by his wife!

It turned out that Mrs. Sun was also worried about Sun Xiaoyun, so she wanted to come over and have a look. After hearing this sound, she did not go in!

“What are you going to do?”

Mrs. Sun stopped City Lord Sun and said!

“That boy is bullying our daughter, I want to kill him...”

City Lord Sun said angrily!

“If you rush in now, where do you want our daughter to put her face? That kid can’t run away anyway. We’ll go in and take a look after there’s no sound. And I heard the sound, and it seems like our daughter didn’t resist at all!”

Mrs. Sun said!

City Lord Sun was stunned for a moment, listened carefully, and then his anger subsided a lot!

City Lord Sun and Mrs. Sun were waiting quietly outside!

But Chen Ping didn’t know that he was still concentrating on detoxifying Sun Xiaoyun!

A lot of black blood had already flowed on the ground. At the last moment, Sun Xiaoyun vomited out a mouthful of black blood, and her body fainted as if she had collapsed!

Upon seeing this, Chen Ping knew that all the poison in Sun Xiaoyun's body had been expelled, so he took out the silver needle from Sun Xiaoyun's body, and then a breath of breath penetrated into Sun Xiaoyun's body, causing Sun Xiaoyun to wake up!

After Sun Xiaoyun woke up, she immediately found some clothes and put them on. Then she glared angrily at Chen Ping and was about to take action!

"I've drained the poison out of you, why do you still hit people?"

Chen Ping quickly dodged and said!

Chapter: 5450

Sun Xiaoyun felt extremely relaxed at this time, and looked at the black blood on the ground. She knew that Chen Ping was indeed detoxifying herself and saving her life!

But... But Sun Xiaoyun couldn't accept this detoxification method!

"You're fine now, so there's no need to thank me. There are conditions for me to save you."

Chen Ping let out a long breath and said!

"You've already taken advantage, and you still want conditions. How shameless are you?"

Sun Xiaoyun was furious when she heard this!

"I almost died from exhaustion. Why did I take advantage? Speaking of which, it was you who took advantage."

Chen Ping retorted!

“You...” Sun Xiaoyun stared at Chen Ping. She didn’t know what to say about Chen Ping. In the end, she could only say angrily: “When someone asks me later, you must not tell me how you saved me...”

“Don’t worry, I told you, your father won’t beat me to death...”

Of course Chen Ping wouldn’t say that. Is he stupid?

“Do you think I won’t know if you don’t tell me?”

At this time, the door was suddenly kicked open by City Master Sun, who then walked in angrily!

Mrs. Sun also followed behind and hurriedly ran to Sun Xiaoyun: “Daughter, are you okay?”

Sun Xiaoyun’s face was still slightly red at this time. When she saw her parents were outside, her face became even redder!

“Mom, I’m fine, I’m fine...”

Sun Xiaoyun said!

“It’s fine!” Mrs. Sun looked at Sun Xiaoyun: “Whether you were bullied just now, your dad and I both heard it. You don’t have to be afraid. Speak up and let your dad make the decision for you.”

When Sun Xiaoyun heard this, she hurriedly said: “Mom, you misunderstood. I was not bullied. You just wanted to treat me...”

“Cure the disease? Do we still need the two of you to cure the disease...”

Mrs. Sun didn’t finish speaking, but Sun Xiaoyun knew what her mother was going to say!

“Mrs. Sun, I think you and City Master Sun have misunderstood. Miss Sun is still innocent. Just trying to remove the toxins from Miss Sun’s blood only stimulated Miss Sun’s nerves and made her blood boil. That’s all.”

“Now that the poison has been eliminated from Miss Sun’s body, she won’t have any trouble in the future!”

Chen Ping quickly explained!
