

The Order 5451

Chapter: 5451

Mrs. Sun looked at Sun Xiaoyun in disbelief and asked, "Daughter, is what he said true? You didn't do anything just now?"

"Mom, it's true. I'm still a big girl now."

Sun Xiaoyun said with a blush!

"No, I just heard your voice outside. It's not normal at all."

Mrs. Sun looked confused!

Sun Xiaoyun could only lean into Mrs. Sun's ear and whisper a few words to her mother!

Upon hearing this, Mrs. Sun frowned and looked at Chen Ping!

"Ma'am, what's wrong?"

City Lord Sun asked!

Mrs. Sun whispered a few words in City Master Sun's ear again, which also made City Master Sun's face look very ugly!

"What should I do?"

Mrs. Sun is a little undecided!

Although Chen Ping did do something to Sun Xiaoyun, it was just to treat Sun Xiaoyun. Besides, Sun Xiaoyun is still innocent now, so she can't resent Chen Ping!

But just letting Chen Ping go like this, Chen Ping saw all of his daughter's body, and...

"Boy, you have seen all my daughter. As the princess of a city, if this kind of thing spreads, I will be laughed at to death."

"Now that things have reached this point, I will marry my daughter to you. As long as you become husband and wife, no one will make irresponsible remarks."

City Lord Sun hesitated for a moment and said!

"Dad, what did you say?"

Sun Xiaoyun's face was full of disbelief!

"City Master Sun, Miss Sun and I just met, how can we get married? I don't agree..."

Chen Ping flatly refused!

"You must agree, or you will die..."

City Lord Sun was angry!

"I will never agree to it!" Chen Ping's eyes narrowed slightly!

Chapter: 5452

How could this make sense? He was just detoxifying Sun Xiaoyun, and now that he had finished detoxing, he actually allowed himself to marry her!

If this were in the secular world, wouldn't a male doctor in the gynecology department have to marry countless wives, and they would marry each other at a glance?

No matter what, Chen Ping would never marry Sun Xiaoyun!

Chen Ping promised Su Yuqi that his first wedding must be with Su Yuqi!

He will not marry any woman before holding a wedding with Su Yuqi!

"If you dare to disobey me, then go to death..."

City Lord Sun was furious and said he was about to attack Chen Ping!

"Dad..." Sun Xiaoyun rushed forward and blocked Chen Ping!

"Dad, after all, he is also my savior. If you kill him, how will others see us in the future, and how will they see you, the city lord?"

Although Sun Xiaoyun was a little angry at Chen Ping, she was not willing to let Chen Ping die!

She also knew that Chen Ping did this just to detoxify himself!

"Old Sun, if you have something to say, please say it. Don't do anything. After all, Xiaoyun was saved."

Mrs. Sun also advised from the side!

Seeing his daughter and wife saying this, City Master Sun finally calmed down his anger!

At this moment, Lao Jia arrived with Cai Hongwei and others!

“Second brother, you may have misunderstood. Maybe the pharmacist who treated my eldest niece is really a demon cultivator.”

After Chen Ping was taken away, Cai Hongwei explained the matter to Lao Jia in detail, and then Lao Jia came with them!

If the pharmacist is really a demonic cultivator, Sun Xiaoyun will not only be unable to cure him, but his life may be in danger!

“Brother, I already know that the demon cultivator has been captured by me.”

City Lord Sun said!

Lao Jia was stunned, but Cai Hongwei and the others stepped forward and checked Chen Ping!

“Mr. Chen, are you okay?” Cai Hongwei asked.

“I’m fine!” Chen Ping shook his head!

“Uncle, I’m fine, I’m fine now, thanks to Pharmacist Chen.”

Chapter: 5453

Sun Xiaoyun said to Lao Jia with a smile!

Lao Jia saw Sun Xiaoyun’s rosy face and good complexion, and couldn’t help but said happily: “It’s great to see you recover...”

Seeing that so many people had come, City Master Sun couldn't help but follow Chen Ping, so he said: "I ordered people to hold a banquet, so I can apologize for following this Medicine Master Chen. It's all my fault for believing that demon cultivator's slander."

Lao Jia also looked at Chen Ping and said apologetically: "Pharmacist Chen, I really didn't expect that you are really good at medical skills. I admire you, I admire you..."

"Senior Jia, I hope you won't forget our agreement."

Chen Ping said!

"No, I will never forget it." Lao Jia said with a smile!

"Pharmacist Chen, let's invite him..."

City Lord Sun invited Chen Ping to a banquet.

"City Lord Sun, I saved your daughter because of the agreement I made with Senior Jia, so you don't have to be so polite."

"I want to see that demon cultivator now, and I still have some questions I want to ask..."

Chen Ping said to City Lord Sun.

Chen Ping didn't appreciate it. City Lord Sun wanted to kill him just now, and now he was hosting a banquet to entertain him. Chen Ping wouldn't go!

If it weren't for Lao Jia's fairy tree, maybe Chen Ping wouldn't have come to the rescue!

"Okay, I'll take you there..." City Master Sun nodded!

Just when Chen Ping passed by City Master Sun, City Master Sun whispered: "I hope you will always keep your mouth shut about the process of healing my daughter..."

Chen Ping just glanced at City Master Sun and ignored him!

When Chen Ping and others arrived at the main hall, Elder Fei and Protector Gong were all kneeling on the ground, and there were people guarding them on both sides!

Seeing Chen Ping appear, Elder Fei and Protector Gong couldn't help but tremble!

"City Master Sun, can you leave these two people to me?" Chen Ping asked!

"As you wish!" City Lord Sun waved his hand!

Chen Ping walked up to Elder Fei and Protector Gong. At this time, Protector Gong's whole body cultivation had been crippled, like a useless person!

"Don't kill me. I am willing to recognize you as my master. Please don't kill me..."

Protector Gong looked at Chen Ping and kept begging for mercy!

Chapter: 5454

Elder Fei gritted his teeth and trembled slightly, but he did not beg for mercy!

"Don't you beg me?" Chen Ping looked at Elder Fei and asked!

Elder Fei did not speak, but gave Chen Ping a cold look!

Chen Ping smiled lightly and waved his palm gently!

puff.....

Protector Gong's head exploded like a watermelon in an instant, and blood splattered all over Elder Fei's body!

"I'm not in the mood to carry around this trash whose cultivation has been ruined..."

Chen Ping said with a sneer!

Seeing the tragic death of Protector Gong next to him and smelling the scarlet bloody smell, Elder Fei also began to be afraid!

"You... don't kill me, I can tell you a secret!"

Elder Fei spoke!

"What secret?" Chen Ping asked!

"You have to promise not to kill me before I can tell you."

Elder Fei was bargaining with Chen Ping!

Chen Ping suddenly looked displeased and reached out to slap Elder Fei: "I don't want to know that secret anymore. You'd better go die..."

"No, Zuo Xuan, the son of the leader of the Demon Sealing Alliance, followed Elder Chu of the Demon Sealing Alliance to the Heavenly Demon Mountain."

Elder Fei said quickly!

“What kind of secret is this? What’s the use to me...”

Chen Ping said indifferently!

“You can seize that Zuo Xuan and use it to threaten the Demon-Sealing Alliance. You won’t have to be hunted down by the Demon-Sealing Alliance in the future.”

Elder Fei explained hurriedly!

“This is an idea, but it doesn’t seem to have anything to do with you, right?” Chen Ping said!

“I can help you catch Zuo Xuan. Otherwise, with Elder Chu following you, you would never be able to catch Zuo Xuan.”

“No one from the Demon Sealing Alliance will doubt me. I can help you, as long as you don’t kill me...”

Chapter: 5455

Elder Fei tried his best to show his worth, otherwise his head would explode if Chen Ping slapped him!

Hearing this, Chen Ping finally took his hand back!

“This method is good, but how can I trust you?”

Chen Ping looked at Elder Fei and asked!

“I...I can hand over a piece of my soul to you, so that I can be restrained.”

Elder Fei said!

But Chen Ping shook his head: "You are a sixth-level monk in the Tribulation Realm. Even if I hand over a ray of life soul, I can't control you. When the time comes, I will crush your life soul. You are just a cultivation base." Damage is not life-threatening at all."

"Then... what should we do?" Elder Fei didn't expect Chen Ping to be so suspicious!

Chen Ping took out an orange pill from his body, threw it to Elder Fei and said, "This is a poison. Only I can prepare the antidote. Now that you take it, I can let you go."

Elder Fei took the poison in his hand and threw it into his mouth without hesitation.

No matter what kind of poison it is, he must save his life first!

Seeing Elder Fei taking the poison without hesitation, Chen Ping smiled and said, "Do you think this poison is fake?"

"No, no, anyway, I have made up my mind to cooperate with Mr. Chen, so there is nothing to hesitate."

Elder Fei shook his head quickly!

"Okay, you can go..."

Chen Ping said!

Elder Fei was stunned: "I can really leave."

"Really!" Chen Ping nodded!

Elder Fei stood up and walked towards the outside of the city lord's mansion. No one was chasing him!

When he walked out of the city lord's mansion, Elder Fei's eyes instantly became extremely sharp!

After a few jumps, he left the Falling Sun City!

"Mr. Chen, please let that demon cultivator go. These people are all dishonest people."

Seeing that Chen Ping really let Elder Fei go, Cai Hongwei asked in confusion!

"It's okay. Since I dare to let him go, I have my own plan!" Chen Ping said with a faint smile!

Chapter: 5456

"What's going on with the Demon-Sealing Alliance following this demonic cultivator? Why are the people from the Demon-Sealing Alliance chasing you?"

City Lord Sun looked at Chen Ping with a puzzled look.

Chen Ping then briefly recounted his grievances with the Demon Sealing Alliance, and of course also revealed the secrets of the Demon Sealing Alliance!

When City Master Sun heard this, he was instantly surprised and said: "I didn't expect that this demon-sealing alliance actually colluded with demon cultivators. Everyone has been deceived for so many years."

"Fortunately, my City of Fallen Sun does not have the sub-rudder of the Demon Sealing Alliance, otherwise I would have destroyed it directly for him."

"City Master Sun, now that Miss Sun has recovered, it's time for me to say goodbye."

Chen Ping plans to leave the City Lord's Mansion and go to Lao Jia as soon as possible to absorb the immortal energy!

“Pharmacist Chen, you saved my little girl, so feel free to ask for any conditions you want, or if you want spiritual coins, you can ask for as much as you need.”

City Lord Sun said generously!

“I don’t need anything. As I said, I’m just following the exchange made by Senior Jia to save your daughter.”

“Senior Jia has already given me what I need.”

After Chen Ping finished speaking, he looked at Old Jia and said, “Senior Jia, let’s go back...”

“Let’s go!” Lao Jia nodded!

When he returned to Lao Jia’s residence, Lao Jia lifted the formation around the fairy tree without hesitation!

When the formation came into contact, a burst of immortal energy rushed to his face instantly!

“This tree belongs to you...”

Lao Jia didn’t feel bad. After all, compared with Sun Xiaoyun, the fairy tree was nothing!

Chen Ping didn’t talk nonsense, he sat cross-legged under the tree and started practicing!

When everyone saw this, they hurried out of the backyard and locked the door!

And Cai Hongwei called everyone together and began to divide the work to protect Chen Ping!

Although Chen Ping is only in the Fusion Realm, everyone has seen Chen Ping's performance along the way!

It is really rare for people like Chen Ping to be among the best. Everyone is confident that if they follow Chen Ping's team to Tianmo Mountain this time, they will definitely gain something!

Chen Ping is absorbing the immortal energy, and the Heart Condensation Technique in his body is constantly running!

From day to night, Chen Ping sat under the tree for two days and two nights!

Chapter: 5457

"Is Mr. Chen still practicing?"

Miao Lao took care of his injuries, walked to the backyard and asked!

"It's been two days and two nights, and I don't know when it will end."

Cai Hongwei seemed a little anxious. After all, time was tight. The earlier they arrived at Tianmo Mountain, the greater the chances they might encounter!

"Just wait patiently, I guess it's almost there."

Miao Lao said!

But as soon as Mr. Miao finished speaking, the sky and the earth suddenly trembled, and then large black clouds appeared in the sky!

In just a moment, the entire Falling Sun City was shrouded in black clouds, as if it was the end of the world!

This sudden vision made everyone in Falling Sun City worried!

Even City Master Sun ran out of the room and looked at the sky solemnly!

“What...what’s going on?” Cai Hongwei asked with a trembling voice!

Mr. Miao looked solemn and shook his head: “I don’t know either.”

“Isn’t there a demon cultivator here?”

Looking at those black clouds, Cai Qiannan said in fear!

“Yes, yes, it must be a demon cultivator. I can feel the aura of the demon cultivator.”

Miao Miao echoed!

The two girls had never seen such a scene before, and their faces turned pale with fear!

“Shut up, there is no demon cultivator, no demon cultivator dares to act so blatantly now.”

Mr. Miao glared at Miao Miao and said!

The black clouds were getting lower and lower, and everyone felt as if a big stone was weighing on their hearts, making them somewhat breathless!

This feeling is like the oppression caused by the arrival of an immortal!

Rumble.....

Suddenly, there were roars in the black clouds, as if there were countless heavenly soldiers and generals running on the black clouds!

Click.....

Chapter: 5458

A bolt of lightning struck down without warning, and the location was Lao Jia's backyard, where Chen Ping practiced!

This bolt of lightning struck down and instantly stirred up an endless storm!

Miao Lao and others who were originally guarding the backyard were immediately blown away!

Everyone flew dozens of meters away!

All the houses in the backyard were turned into powder the moment the lightning struck!

Even the City Lord's Mansion next door was affected, and even City Lord Sun was so shaken by this force that he took several steps back!

"What exactly is this?"

City Lord Sun frowned, jumped up, flew over the City Lord's Mansion, and landed in Lao Jia's yard!

At this time, Mr. Miao and Lao Jia had just climbed up from the ground in disgrace!

Then everyone looked at what they saw in shock!

I saw Chen Ping sitting cross-legged under the fairy tree, and the fairy tree had already withered!

Chen Ping's clothes also became tattered!

“Could it be that it was a thunder disaster just now?”

Cai Hongwei said in shock!

“Thunder Tribulation?” Mr. Miao also waited until his eyes were opened: “These black clouds in the sky are thunder calamity clouds? How can there be such thunder calamity clouds?”

“Impossible, this kind of thunder tribulation is something that even those who ascend can’t encounter. His breakthrough now is just the Tribulation Realm. If he suffers this kind of thunder tribulation, wouldn’t it mean that he will be wiped out in ashes?”

“We have all broken through the realm of transcending tribulations and suffered thunder tribulations. Who has ever seen such a terrifying thunder tribulation cloud?”

City Lord Sun immediately retorted!

Although the Tribulation-Transcending Realm is the most difficult realm for monks, and there are probably only a few monks who can break through the Tribulation-Transcending Realm, it is not so terrifying!

If it is such a terrifying thunder tribulation, let alone one in a hundred miles, I am afraid that not a single monk in the entire heaven and human world will be able to break through the tribulation realm!

Just as City Lord Sun finished speaking, another thunderstorm struck down!

Everyone saw with their own eyes that the thunderstorm hit Chen Ping hard!

All the clothes on Chen Ping’s body were completely destroyed, and his skin that shone with golden light was exposed!

This golden light is not Chen Ping's use of an indestructible golden body, but the light of Chen Ping's physical body!

Chapter: 5459

Seeing this scene, everyone was stunned!

Because Chen Ping's physical strength is beyond everyone's imagination!

"This is a thunder tribulation, definitely a thunder tribulation..."

Cai Hongwei shouted in shock!

Even if he didn't say anything, everyone would know that this was a thunder disaster!

But Chen Ping actually used his body to resist such a perverted lightning disaster. Is it possible that he would die?

"Master is quenching his physical body. After this thunder tribulation, his physical body will be even stronger."

Huofeng saw Chen Ping's intention and said slowly!

Huofeng's words made everyone stare blankly, speechless!

Apart from using pervert to describe Chen Ping, they couldn't think of any other words!

Rumble.....

Another thunderstorm fell from the sky. Even though everyone hid far away and even set up a barrier in front of them, they could still feel the terror of this thunderstorm!

Just like that, nine lightning tribulations bombarded down one after another, and the barrier in front of everyone was continuously shattered, and then repaired!

And Chen Ping's physical body, under these nine thunder tribulations, not only did not disappear into ashes, but it became even more golden!

Soon, the thunder tribulation disappeared, and the oppressive thunder tribulation clouds in the sky slowly dispersed!

Chen Ping slowly opened his eyes and felt that the breath in his body had made a qualitative leap!

He knew that he had broken through to the realm of transcending tribulation!

After transcending the Tribulation Realm, he has reached a new level. In the years to come, he only needs to prepare for his ascension!

Chen Ping stood up, the power in his body seemed to be still boiling!

“ah.....”

A sudden scream brought Chen Ping back to his senses!

It turns out that Chen Ping is already naked now, and his clothes were reduced to pieces by the thunder!

As soon as they got up, the two older girls, Miao Miao and Cai Qiannan, screamed in surprise!

When Chen Ping came back to his senses, he also found that he was naked. He was suddenly embarrassed and at a loss!

Chapter: 5460

Huofeng immediately ran over with his clothes, stood in front of Chen Ping, and personally helped Chen Ping put on his clothes!

Huo Feng has been here before and is already very familiar with Chen Ping's body!

"Mr. Chen, you...your thunder tribulation is too outrageous. I have never seen such a terrifying thunder tribulation."

Cai Hongwei stepped forward and said in shock!

"It's not that the thunder catastrophe is terrifying, but that Mr. Chen's physical body is so strong that he can withstand this kind of thunder catastrophe."

"Now even if Mr. Chen doesn't use any techniques, it is impossible for ordinary monks to hurt Mr. Chen."

Mr. Miao exclaimed with envy!

"Physician Chen, I really didn't expect that in addition to your superb medical skills, you are also so strong. I was blind and didn't notice it before."

City Master Sun stepped forward, with a smile on his face, and pulled Chen Ping aside: "Pharmacist Chen, I know that you are looking at my daughter's body to treat her illness, but I still hope that Pharmacist Chen can marry my daughter."

"My little girl is considered to be a superior person regardless of her beauty and figure. And as long as you get married, the entire Falling Sun City will be yours. I only have this daughter on my knees. Please think about it carefully, why bother running around here and there."

City Lord Sun now particularly hopes that Chen Ping will stay. Through this thunder tribulation, he has seen Chen Ping's strength and Chen Ping's future!

If the Falling Sun City can be handed over to Chen Ping, City Master Sun believes that the Falling Sun City will definitely prosper!

“City Master Sun, I’m really sorry. I already have a girlfriend, and I promised her that I would be the first to marry her and give her the first wedding.”

“I really don’t want to be a disrespectful person, and I hope City Master Sun can understand...”

Chen Ping flatly refused!

City Master Sun looked at Chen Ping blankly. He didn’t expect that the temptation of a city could not tempt Chen Ping!

“Hey, since Pharmacist Chen values love and justice so much, I won’t force others to do anything.”

City Lord Sun sighed, as if he had suffered a great loss!

After Chen Ping exchanged a few pleasantries with City Master Sun, he was ready to set off. He was delayed a lot in practicing, so he had to get to Tianmo Mountain as soon as possible!

Chen Ping and the others did not choose to take the airship. After all, the City of Fallen Sun is not very far from Tianmo Mountain. There are many monks rushing to Tianmo Mountain!

If they take the airship, it will be too eye-catching, and Chen Ping doesn’t want everyone’s attention to focus on them!

After traveling for a day and a night, everyone finally arrived at the Tianmo Mountain area!

As soon as they stepped into Tianmo Mountain, everyone felt the changes between heaven and earth!

Moreover, a huge mountain range soaring into the sky lies between the sky and the earth, and the edge cannot be seen at a glance.
