

The Order 5461

Chapter: 5461

The scope of the mountain range is extremely wide, and everyone under this mountain range is like a grain of dust. Compared with the Chilian Mountains that are broken down by the Central and Southern Territories, this Heavenly Demon Mountain is many times larger!

If this Heavenly Demonic Mountain also has taboos and cannot fly, then it may take a long time to get out of this Heavenly Demonic Mountain!

Fortunately, there are no taboos on this Heavenly Demonic Mountain, and monks can fly and travel freely!

“What a huge mountain range. This is the first time I have seen such a huge mountain range. It looks like a huge giant lying on the ground.”

Cai Qiannan couldn't help but sigh when she saw Tianmo Mountain for the first time!

Chen Ping was shocked when he looked at Tianmo Mountain. The magnificence of Tianmo Mountain indeed exceeded his imagination!

In the secular world, Chen Ping has seen many mountains, but compared with this Demonic Mountain, they pale into insignificance!

Even in the Heavenly and Human Realm, Chen Ping had seen huge mountains like the Chilian Mountains and Qingniu Peak, but they couldn't be compared to the Heavenly Demon Mountains!

No one else had ever seen Tianmo Mountain, and everyone was very excited!

After all, stepping into Tianmo Mountain means you have the opportunity to encounter opportunities and find various treasures at any time!

Unlike everyone else who was excited, Cai Hongwei frowned slightly and said solemnly: "Everyone, now that we have entered the area of Tianmo Mountain, we will face many unknown dangers later, so everyone must be alert."

"In addition to monsters, there are also many demon cultivators here. The Demonic Mountain is the place with the most demon cultivators. There are also countless monks who come to hunt for treasures. These people are also desperadoes. For their own benefit, they will do anything. It can be done."

"So we must unite. No one can take it lightly, nor do things that harm the team for the sake of immediate interests. Otherwise, don't blame us for being rude."

Cai Hongwei told everyone that they must unite when they get to this place. If they want to fight alone, they may not be able to enter the Demonic Mountain!

"Don't worry, Boss Cai, we people have come here risking our lives, and we are all ready now."

"Yes, if we were only seeking profit and ran away in the Chilian Mountains, how could we fight those demonic cultivators!"

"I have a feeling this time, with Mr. Chen here, we will definitely gain something!"

Many monks expressed their opinions one after another!

If they had all escaped and left Chen Ping alone when they were in the Chilian Mountains, Chen Ping would probably have fallen into the hands of Elder Fei!

"Everyone just needs to be prepared, and don't be too nervous. I have been to this Demonic Mountain, so I am familiar with it. Compared with many people who have never been here before, we have an advantage."

"This time we don't know the specific location of the battlefield of gods and demons, so we need to be patient and search slowly. In addition, we need to be prepared to persist in this demon mountain for a long time."

Cai Hongwei comforted everyone, he couldn't let everyone's hearts collapse before they entered Tianmo Mountain!

It's time to be reminded and comforted, which also reflects Cai Hongwei's ability as a team leader!

After all, he is considered an old man and knows how to lead people!

Chapter: 5462

Cai Hongwei led everyone to the Tianmo Mountain area and walked towards the depths of the Tianmo Mountain!

In a dense forest in Tianmo Mountain, five monks were resting under a tree several meters thick!

Among these five monks was Elder Fei, whose life was spared by Chen Ping!

"You Soulless Palace are so fucking useless. You didn't even catch a young monk in the Fusion Realm. You still have the nerve to find him."

A young monk cursed Elder Fei!

Elder Fei lowered his head and did not dare to breathe, because the young man in front of him was Zuo Xuan, the son of Zuo Tianzheng, leader of the Demon Sealing Alliance!

Next to Zuo Xuan was Elder Chu from the Demon Sealing Alliance who came with him.

The other two are the two helmsmen of the Demon Sealing Alliance in the southern region. For the safety of Zuo Xuan, they came to Tianmo Mountain together!

Zuo Xuan was tired of scolding, so he looked at Elder Chu beside him and said: "Uncle Chu, has Chen Ping's identity been investigated clearly? Show me..."

“Sir, you better not worry about Chen Ping. The alliance leader has ordered the major divisions to hunt down Chen Ping. I believe he won’t live long.”

“We’d better play in this Magic Mountain for a few days and then go back. It’s too dangerous here.”

Elder Chu knew how dangerous Tianmo Mountain was, so he planned to take Zuo Xuan for a few days and then go back!

“Uncle Chu, I know you are worried about my safety, but don’t worry, I have now reached the fifth level of Tribulation Realm. My life will not be in danger in this Demonic Mountain.”

“Besides, without you and the two helmsmen following us, no matter if we encounter a demon cultivator or a monster, they are the only ones who can escape.”

“You’d better show me Chen Ping’s information, I’m very curious about this guy!”

Zuo Xuan said very curiously!

After hearing Elder Fei’s report, he became curious about Chen Ping!

A Fusion Realm monk beat the Tribulation Transcendence Realm monks everywhere. There are really too few people like this who fight across realms!

So Zuo Xuan really wants to know who Chen Ping is!

When Elder Chu saw this, he had no choice but to take out an information jade slip, which recorded all the information they collected about Chen Ping!

Zuo Xuan took the jade slip, and as a breath poured into the jade slip, Chen Ping’s information instantly appeared in his mind!

After a while, Zuo Xuan returned the jade slip to Elder Chu and said, "Uncle Chu, why do you think Chen Ping, a monk in the Fusion Realm, can defeat the Tribulation Realm?"

"It seems that the co-ruler on Mo Hai's side, four elders of the first and second levels of the Tribulation Realm, joined forces, but they were all defeated by Chen Ping. He is just a small Fusion Realm monk. Isn't this too outrageous?"

Zuo Xuan didn't understand why Chen Ping was like this!

Chapter: 5463

"It's not that it has never happened before to fight beyond a higher level. There are many proud men of heaven who can fight beyond a higher level. There is nothing strange about this. However, in addition to being able to fight beyond a higher level, this guy is also proficient in refining medicine. Even the disciples from the Soulless Palace Even the pharmacist can't do anything to him, and that's what's scary."

"We all know that the level of pharmacists in the world of gods and humans is generally not particularly high. This is because they spend all their time on refining medicine, so the strength of all levels will be lower."

"Besides, no pharmacist can achieve a certain level of achievement without practicing for hundreds or even hundreds of years. But Chen Ping, at such a young age, has reached the level of a Medicine Master. It's simply too strange!"

Elder Chu is also very curious about Chen Ping!

"You put it like that, I can't wait to meet this guy. I want to see who he is."

"Is it possible that this guy is also a demon cultivator, using magic skills to quickly improve his strength?"

Zuo Xuan analyzed!

"Sir, this guy is not a demon cultivator. If he were a demon cultivator, I should be able to feel it."

At this time, Elder Fei, who had been scolded, spoke!

“You feel like shit. A great monk of the sixth level of the Tribulation Realm can’t even catch the Fusion Realm. I really don’t know what my father does raising wastes like you.”

“Uncle Chu, if you use the formation to deduce it, have you seen Chen Ping come to Tianmo Mountain?”

Zuo Xuan asked Elder Chu!

“Sir, formation deduction consumes a lot of spiritual energy. If I encounter danger after my deduction, it will be difficult for me to resist.”

Elder Chu politely rejected Zuo Xuan!

Formation deduction is a type of formation that particularly consumes your spiritual consciousness. After the deduction is completed, you need to rest for a long time to recover!

But in this dangerous Demonic Mountain, if you engage in formation deduction, you will be in trouble if you encounter danger!

“Uncle Chu, you are too cautious. There are two helmsmen here, and I am now at the fifth level of Tribulation Realm. I can protect myself even if I encounter danger. You can deduce it immediately.”

Although Zuo Xuan called Uncle Chu, his tone was very stern and clearly meant that he could not be refuted!

Seeing this, Elder Chu could only sigh softly, and then said to the two helmsmen: “You must take good care of the young master, and you must not make any mistakes...”

“As ordered...” The two helmsmen nodded!

Elder Chu found an open space, took out something similar to the Bagua Mirror and placed it on the ground. Then he drew patterns on the ground around the Bagua Mirror!

The pattern is more than an inch deep into the ground. It looks very messy, and I don't even know what it is drawn on!

Immediately afterwards, Elder Chu bit his finger and dropped a drop of blood on the Bagua Mirror!

Buzz.....

Chapter: 5464

The Bagua Mirror emits red light, and Elder Chu sits cross-legged, chanting something!

Soon, patterns began to appear faintly in the red light emitted by the Bagua Mirror!

As the pattern became clearer and clearer, figures like Chen Ping suddenly appeared in it!

"Sir, this guy is Chen Ping..."

Elder Fei pointed at Chen Ping in the picture and said!

But Zuo Xuan's eyes were not on Chen Ping, but on the three girls Huofeng, Cai Qiannan and Miao Miao in the team!

The three girls have outstanding looks and different figures, which made Zuo Xuan's eyes go straight!

When Elder Fei saw Zuo Xuan like that, he also shut his mouth!

"Sir, they have arrived at Tianmo Mountain..."

After Elder Chu finished speaking, he had to stop casting spells!

After all, the longer the casting time, the greater the loss of his consciousness, and the longer it will take to recover!

“Uncle Chu, don’t stop, I’m under observation...”

Zuo Xuan didn’t let Elder Chu stop, his eyes were fixed on the three girls in the picture!

Zuo Xuan kept licking his lips, and the flame of desire began to rise in his heart!

Elder Chu didn’t know that Zuo Xuan wanted to see women, so he gritted his teeth and persisted!

At this time, Chen Ping and the others who walked into Tianmo Mountain did not know that they were being spied on!

But soon, Chen Ping suddenly stopped and then looked up at the sky!

“Mr. Chen, what’s wrong?” Cai Hongwei asked in confusion when he saw Chen Ping stop!

“We seem to have been spied on.” Chen Ping frowned and said!

“who is it?”

Cai Hongwei hurriedly looked around, and everyone else immediately became alert!

“Don’t be nervous. The other party is using formation deduction. I’m afraid they are far away from us now.”

Chen Ping said!

“Array deduction? This kind of ancient formation spell consumes a lot of spiritual consciousness. Who is deducing us? There is nothing worth prying into about us?”

Chapter: 5465

Mr. Miao asked in confusion!

“I don’t know, but since the other party is deducing us, it must be hostile. Everyone should be careful.”

After Chen Ping finished speaking, he waved his palms suddenly!

A breath shot straight into the sky, and then the breath exploded with a roar.

Elder Chu, who was deducing the formation, suddenly sputtered out a mouthful of blood at the same time as the aura exploded, and the picture on the Bagua Mirror disappeared instantly!

“Elder Chu, are you okay?”

When the two helmsmen saw this, they hurried forward to ask!

Elder Chu looked a little pale, shook his head and said: “I’m fine...”

When Elder Chu turned around and looked at Zuo Xuan, Zuo Xuan still had a look of unfinished content on his face!

He was very strange and didn’t understand what Zuo Xuan saw, it would be like this.

If he knew that Zuo Xuan made him persist just to see women, he would probably be furious!

“Sir, Chen Ping is with the team, and there are many capable monks among them, so when it comes to capturing Chen Ping, it is better to hand it over to the sub-helms of the Demon Sealing Alliance, and you should not get involved at this time.”

Elder Chu persuaded Zuo Xuan!

“Uncle Chu, the more this happens, the more we have to take action personally. With the strength of sharing the helm, I’m afraid we won’t be able to win against Chen Ping.”

Zuo Xuan insists on taking action personally!

But Zuo Xuan at this moment is not just for catching Chen Ping, but also for the three girls in the team!

In this extremely desolate Tianmo Mountain, with three girls accompanying him, Zuo Xuan will not feel lonely!

When he was at the headquarters of the Demon Sealing Alliance, in order to quickly improve his strength, Zuo Tian did not allow Zuo Xuan to play with women!

Now that he is out, no one can control him, so of course Zuo Xuan must enjoy it!

Elder Chu looked at Zuo Xuan with a look of helplessness on his face!

“Go immediately and summon all the disciples of the Demon-Sealing Alliance that you can gather.”

Elder Chu said to the two helmsmen!

“Follow your orders!” The two helmsmen went to gather men!

“And then, go and find all the people from the Soulless Palace that you can find. There are demon cultivators running rampant in the Demon Mountain today, so there must be people from your Soulless Palace.”

Chapter: 5466

Elder Chu ordered Elder Fei of the Soulless Palace!

Now that Zuo Xuan has become more playful and always looking for something to do, Elder Chu had to order more people!

Zuo Tianzheng is such a precious son. If something happens, none of them will be able to survive!

After hearing this, Elder Fei could only nod his head and go find those people in the Soulless Palace alone!

“Sir, I need to recover, so let’s stay here for now and wait until they find someone.”

Elder Chu said to Zuo Xuan!

“Okay, just listen to Uncle Chu.” Zuo Xuan nodded!

On the other side, Chen Ping and the others continued to move towards the depths of Tianmo Mountain. Everyone was extra cautious because they knew someone was snooping!

“Why do I feel so eerie here?”

During the march, Cai Qiannan tightened her collar and said!

“The evil spirit of the Demonic Mountain is very strong today. Your cultivation level is low and you have been shrouded in the evil spirit for a long time, so you feel gloomy. I have a pill here. You should feel better after taking it.”

Chen Ping took out a pill, handed it to Cai Qiannan and said!

Cai Qiannan glanced at Chen Ping, and then swallowed the pill without hesitation. Soon her body felt warm, and the frightening and gloomy feeling was gone!

“No wonder this Heavenly Demon Mountain is a holy land for demon cultivation. The yin and evil energy in this place is very strong, so it is very suitable for demon cultivation.”

Miao Lao said!

“Everyone uses spiritual energy to protect their heart. If you are enveloped in these evil spirits for a long time, your body will suffer from problems.”

Chen Ping reminded everyone!

Everyone protected their hearts and continued moving forward. Along the way, they encountered the corpses of many monsters, and some monks died tragically!

Obviously, these monks first entered the Demonic Mountain and then encountered monsters, so they were exposed in the wilderness!

Here, no one wastes time over a corpse!

This is the cruel place of Tianmo Mountain. Everyone is struggling on the edge of death. They don't know when there will be danger, so no one will care about each other, but danger also comes with opportunities!

Just as everyone was walking, Chen Ping suddenly stopped and shouted: “There is a demon cultivator...”

After hearing Chen Ping's words, everyone immediately took an attacking stance!

At the same time, not far away from Chen Ping and the others, five demon cultivators also felt the presence of Chen Ping and the others, and their expressions became nervous!

Chapter: 5467

These five magicians are from the Blood Spirit Valley, and Jin Dong and Luo Xi are among them!

There is also a white-haired old man, who is the owner of the Blood Spirit Valley, Luo Xi's father, and Jin Dong's master Luo Shouhai.

"Master, what should we do? Should we hide?"

Jin Dong asked Luo Shouhai!

Along the way, in order not to cause disputes, they often avoided people. After all, they were all demonic cultivators. If they met human cultivators, they would inevitably have disputes!

However, there are many monks who will not do anything to the demon cultivators in this Demonic Mountain. After all, this is the territory of the demon cultivators. These monks are only here to hunt for treasures, not to destroy these demon cultivators. So as long as the demon cultivators do not cause trouble, They won't follow the demon cultivators!

"No need to hide, the other party has discovered us. I hope these monks are not hostile to us!"

After Luo Shouhai finished speaking, he continued to lead people forward!

Chen Ping frowned slightly, because he could feel that those demon cultivators were approaching them!

Chen Ping didn't know if the other party was hostile, so he could only prepare everyone!

Miao Lao asked the weaker ones to stand in the middle of the crowd, while the others formed a circle and formed a fighting posture!

Soon, Luo Shouhai and others had revealed their figures, and everyone felt the devilish energy on Luo Shouhai and others!

In this Heavenly Demonic Mountain, these demonic cultivators don't have to hide their auras.

"The brave demon cultivator dares to come to our door even though he knows we are here. Doesn't this mean he doesn't take us seriously?"

"Today I will eliminate harm for the people, and first kill you demon cultivators..."

After Miao Lao said this, he actually held a sword and attacked Luo Shouhai and others!

Seeing this, other people also came up one after another!

Chen Ping wanted to stop him, but he didn't have time!

Luo Shouhai also didn't expect that the other party would be so hostile to their demon cultivator. Without saying a word, he drew his sword and struck, and he immediately became angry. He instantly had a ghost-headed sword in his hand to fight against Mr. Miao!

The others also got into a melee in an instant. Mr. Miao had been injured by the demon cultivator, so he hated the demon cultivator very much, so when he saw the demon cultivator, he took action without hesitation!

When Chen Ping saw this, he said helplessly to Ji Yun and Huo Feng: "You two, please pay attention from behind to prevent other demon cultivators from sneak attacks..."

After saying that, Chen Ping held the dragon-slaying sword, jumped up and rushed forward!

But just when Chen Ping was about to take action, he saw Jin Dong and Luo Xi!

And two people also saw Chen Ping!

Chapter: 5468

“Mr. Chen...” Both of them were startled at the same time and shouted happily!

“Why are you two?”

Chen Ping also looked surprised!

“Stop, stop, father, stop...”

Luo Xi quickly stopped his father!

Chen Ping also shouted with all his strength: “Stop, stop it all...”

Chen Ping’s roar was like a thunderbolt from the blue, causing everyone to stop attacking instantly!

“Xiao Xi, what’s going on?”

Luo Shouhai asked Luo Xi!

“Dad, this is the Mr. Chen that my senior brother and I told you about. He saved us and he cured me.”

Luo Xi pointed at Chen Ping and said!

Luo Shouhai was stunned and looked at Chen Ping in disbelief. He originally thought that Chen Ping would be very old, but he didn’t expect that he was so young!

Mr. Miao looked at Chen Ping and said, “Mr. Chen, do you know these demon cultivators?”

Chen Ping nodded: "We know them, they are from Blood Spirit Valley, they are all my friends..."

"Mr. Chen, you actually have demon friends?" Cai Hongwei asked in confusion!

"Not only do I have friends from the demon race, I also have friends from the beast race."

"When I make friends, I never look at what race they are, as long as they don't harm others!"

"There are good people among the demons, and there are scum among the human monks who are worse than pigs and dogs, so we cannot blindly judge each other based on their ethnic group."

Chen Ping said unabashedly!

After listening to Chen Ping's words, Mr. Miao and Cai Hongwei fell silent and stopped talking!

And Luo Shouhai was slightly surprised and said: "Little brother, I didn't expect that you would be so enlightened at such a young age. No wonder Senior Feng Mo would teach you his secret knowledge..."

Apparently Jin Dong and the others also told Luo Shouhai about Chen Ping's Holy Light Fist!

"Not only Senior Wind Demon, Senior Blood Demon also saved my life..."

Chen Ping smiled lightly!

Chapter: 5469

"What? You...have you seen the Blood Demon Ancestor? Where is the Blood Demon Ancestor?"

Luo Shouhai was stunned!

Jin Dong and Luo Xi were also surprised. They had never heard Chen Ping talk about the Blood Demon!

“Senior Blood Demon should be in the world of heaven and earth, but I don’t know where he is hiding.”

Chen Ping shook his head!

He didn’t know where the Blood Demon was. This guy was probably hiding in the dark, investigating the battle between gods and demons!

Although thousands of years have passed, they have been suppressed for so many years without any reason. Of course, they must be investigated clearly!

“Hey...after the glory of the Blood Demon Ancestors, the demons became like rats on the streets.”

Luo Shouhai sighed, then looked at Mr. Miao, Cai Hongwei and others and said: “Fellow Taoists, although I, the Blood Spirit Valley, am a demon, I, Luo Shouhai, am worthy of my conscience and have never done anything harmful to nature or justice.”

“Miao Lao, Boss Cai, this Blood Spirit Valley is indeed different from other demons...”

Chen Ping looked at Mr. Miao and Boss Cai, and then told him about Luo Xi’s hemophilia!

When they heard that Luo Xi could drink his senior brother’s blood without harming innocent people, they instantly had a good impression of Blood Spirit Valley!

“Brother Jin, Miss Luo...”

At this time, Ji Yun and the others also came over!

“Master Ji...”

Seeing Ji Yun, Jin Dong and Luo Xi shouted happily!

After all, when we were in Mo Hai, several people had a deep friendship!

“Little brother, are you coming to this Demonic Mountain because of the battlefield between gods and demons?”

Luo Shouhai asked Chen Ping!

Chen Ping nodded without hesitation and said: “Yes, but we were delayed on the way. I don’t know if the treasures in the battlefield of gods and demons have been picked up long ago...”

“Mr. Chen, this battlefield between gods and demons has not yet opened. No one can go in to pick up the treasure. You are not too late...”

Luo Xi hurriedly said to Chen Ping!

“What? It hasn’t been turned on yet?” Chen Ping was confused for a moment!

Even Mr. Miao, Cai Hongwei and others looked confused. Didn’t it mean that the battlefield between gods and demons had been discovered?

Chapter: 5470

Why isn’t this turned on?

Seeing this, Luo Shouhai hurriedly explained: “This battlefield of gods and demons is indeed in the Heavenly Demon Mountain, but it is not in the space of the Heavenly Demon Mountain. In those days, battles of this level were all opened up in foreign spaces. If it were on this day If the human world wars, the entire heaven and human world will collapse.”

“Although the battlefield is indeed in Tianmo Mountain, it is not a space. It requires the opening of the foreign space. Now at the center of Tianmo Mountain, the void crack in the foreign space has been formed, but it has not been opened. It is all turbulence in time and space. There is no People can go through it.”

As soon as Luo Shouhai explained, Chen Ping understood instantly and thought of the small island in the sea of ink and the dead dragons. They were all in a space that was opened up!

“So, it’s not too late for us to come...”

Chen Ping secretly breathed a sigh of relief. In this case, the treasures in the battlefield of gods and demons depend on everyone’s luck!

“Of course it’s not too late, and not only is it not too late, but I can also guarantee that my little brother can enter the battlefield of gods and demons first.”

Luo Shouhai said with a faint smile!

“Enter first?” Chen Ping was stunned!

When the battlefield of gods and demons opens, everyone will definitely rush in. There will definitely be chaos. No matter how powerful Chen Ping is, he will not be able to go in first!

After all, there are people outside the world, and there is a sky outside the world. Chen Ping has just broken through the Tribulation Realm, but he dare not say that he is invincible in the world of heaven and humans!

“Mr. Chen, this time the battlefield of gods and demons opens in Tianmo Mountain, it will not be like the battlefields of gods and demons opened in other places. There is no order at all.”

“The six major demon sects in the entire Tianmo Mountain area have reached an agreement with many sect monks in the Tianmo Mountain area. This time, people will not be able to enter the battlefield of gods and demons casually. They need to have a token to enter. This can prevent some casual cultivators.

It can also cause some monks from other regions to be blocked from the battlefield of gods and demons, unless they can come up with some resources, otherwise they will not be able to enter.”

“In this case, the many sect monks in the Southern Region will have a natural advantage, and they can also take advantage of the opportunity to make a fortune...”

“Our Blood Spirit Valley is a major force in the Demon Mountain, and we also have our own token quota, so I can guarantee that my little brother can enter the battlefield of gods and demons before others.”

Luo Shouhai’s words immediately stunned Chen Ping and Cai Hongwei on the spot!

“Could it be that these monks in the Southern Region will agree to cooperate with you demon cultivators?”

Mr. Miao asked with a puzzled face!

“Why not cooperate? If we cooperate, everything will be profitable. If we don’t cooperate, both sides will lose. Of course they chose to cooperate.”

“No one will have trouble with resources. Don’t forget that many people put interests first.”

“If this battlefield between gods and demons is in your area, and someone asks you to cooperate, even if it is a demon cultivator, will you agree?”

Luo Shouhai said with a cold smile!

Mr. Miao was silent. Luo Shouhai was right. Mr. Miao had seen this time. The Demon Sealing Alliance, an organization that exterminates demons and defends the Way, finally cooperated with demon cultivators. What else is impossible!

“That’s fine. With order, greater massacres can be avoided. If there is chaos and no order, then the entire Tianmo Mountain will be a purgatory, and there will definitely be no way to avoid killing each other.”
