

## The Order 5481

Chapter: 5481

“Liu Xueyi, if you dare to be disrespectful to Mr. Chen, don’t blame me for being rude...”

Luo Xi looked at Liu Xueyi with an angry look!

Liu Xueyi saw that Luo Xi was angry, so he restrained himself and said: “Junior sister, a human monk, why are you so afraid of him? If it were in other places, you would be afraid of human monks.”

“This is Tianmo Mountain, the territory of our demon clan. Why are you afraid of him?”

Liu Xueyi couldn’t figure out why Jin Dong and Luo Xi were afraid of Chen Ping. Chen Ping was just a human monk who had just stepped into the Tribulation Realm!

“Senior Brother Liu, let’s go. Standing with the human monks makes me feel like I’m losing value.”

“Yes, he is just a young monk who has just broken through the Tribulation Realm, but he dares to follow Senior Brother Liu to steal things.”

“I think the people in the Blood Spirit Valley took the wrong medicine and shouted at the human monks, Mr. Chen.”

Several demon cultivators who followed Liu Xueyi said mockingly!

“Shut up, you guys are talking nonsense. Do you believe I will destroy you?”

Jin Dong took out his weapon with an angry look!

When the demonic cultivators saw this, they quickly got into position, causing the people around them to hide aside!

“Jin Dong, who do you think you are? You dare to speak like this to us people from Blood Spirit Peak?”

Liu Xueyi looked at Jin Dong disdainfully!

“You...” Jin Dong frowned and was about to take action!

But Chen Ping reached out and stopped Jin Dong!

“You are no match for him, don’t be reckless!”

Chen Ping saw that Liu Xueyi’s strength had reached the fourth level of the Tribulation Realm. Jin Dong and Luo Xi were no match at all!

Seeing Chen Ping stopping Jin Dong, Liu Xueyi raised his lips and said, “It seems that you still have some eyesight. Now give me the clock and I won’t embarrass you.”

“I told you, I got the clock first, why should I give it to you?”

Chen Ping asked disdainfully!

Liu Xueyi was stunned for a moment, then said with a cold face: “Good boy, it seems that if I don’t let you suffer, you really don’t know how powerful I am...”

Liu Xueyi said, reaching out to grab the clock!

In his opinion, if he, a fourth-level monk in the Tribulation Realm, robbed Chen Ping, a young monk who had just stepped into the Tribulation Realm, he would be the same as following an adult and robbing a child’s things!

Chapter: 5482

Although there are rules, private fights are not allowed in Tianmo Mountain now, but Liu Xueyi felt that he was robbing something and it was not considered a private fight!

Chen Ping stepped back and said coldly: "This is the second time. If you dare to steal it a third time, you will be responsible for all the consequences..."

Chen Ping didn't want to violate the rules of Tianmo Mountain. After all, he came to the battlefield of gods and demons to hunt for treasures, and he didn't want to think about conflict!

If you are unable to enter the battlefield of gods and demons because of taking action in Tianmo Mountain, then the gain outweighs the loss!

"Damn it, you kid is still showing off, I want to see what the consequences will be..."

This time, Liu Xueyi slapped Chen Ping with his palm!

This was obviously not a robbery, but a move against Chen Ping!

"Mr. Chen, be careful..."

Jin Dong saw this and quickly reminded Chen Ping!

Luo Xi shouted: "Liu Xueyi, do you dare to break the rules and take action in Xuanyin Sect?"

"I'm just getting my things back, no need to do anything!"

Liu Xueyi quibbled!

Liu Xueyi slapped Chen Ping's body with one palm. The moment Liu Xueyi touched Chen Ping, a smile appeared at the corner of his mouth.

If he slaps him, Chen Ping will become a waste even if he doesn't die. If he dares to follow him to steal things, this will be his fate!

Others also watched as a fourth-level monk in the Tribulation Realm slapped a first-level monk in the Tribulation Realm. The result was obvious!

But soon, everyone realized something was wrong, because Liu Xueyi slapped Chen Ping on him, but Chen Ping didn't react at all!

The body didn't even sway!

Everyone was stunned, not understanding what happened!

Even Liu Xueyi was stunned, his eyes filled with disbelief!

At this moment, Liu Xueyi only felt numbness in his arm. Not only did this palm not hurt Chen Ping, but his arm was slightly aching from the shock!

But looking at the looks of everyone around him, Liu Xueyi couldn't lose face!

"Boy, hand it over. I only used 30% of my strength this time. If you don't hand it over, you won't be so lucky next time."

Liu Xueyi deliberately said that he only used 30% of his power!

In this way, everyone finally understood why Liu Xueyi, a fourth-level monk in the Tribulation Realm, could not impress Chen Ping, a first-level monk in the Tribulation Realm!

Chapter: 5483

This happens when feelings are not used with all one's strength!

After Liu Xueyi finished speaking, he was about to take his hand back, but Chen Ping grabbed his wrist!

“You hit me and you want to run away. How can there be such a good thing in the world...”

After Chen Ping finished speaking, he suddenly used force and broke Liu Xueyi's wrist!

ah.....

Liu Xueyi screamed and staggered back several steps!

“Senior brother.....”

Several Blood Spirit Peak disciples who followed quickly helped Liu Xueyi!

Liu Xueyi looked at his broken wrist in shock, and said with anger in his eyes: “Good boy, if you dare to sneak up on me and break my arm, I will cut you into pieces and kill him...”

Liu Xueyi roared angrily and asked the disciples who followed him to kill Chen Ping!

Upon seeing this, several Blood Spirit Peak disciples got into their stances!

Jin Dong, Luo Xiang, Ji Yun and Huo Feng are also in full formation, ready to take action at any time!

“Stop, you are so brave. You dare to attack our Xuanyin Sect. You don't take our rules seriously.”

Just when the fight was about to start, suddenly an old man in a robe came over!

The person coming is an elder from Xuanyin Sect, who specializes in managing the order of Xuanyin Sect!

“Elder Lu, this guy broke my arm. Your Xuanyin Sect wants to give me an explanation.”

Seeing the person coming, Liu Xueyi complained first and said quickly!

Elder Lu glanced at Liu Xueyi’s broken arm, frowned for a moment, and looked at Chen Ping: “Don’t you know the rules of Xuanyin Sect, and you dare to hurt people?”

“He was the one who hit me first.”

Chen Ping retorted!

“Did he hit you first?” Elder Lu glanced at Chen Ping: “Are you injured?”

“No!” Chen Ping shook his head!

“Since there are no injuries, how can you prove that he hit you first? You must know that he is a fourth-level monk in the Tribulation Realm, and you are only a first-level Tribulation Realm. There is such a huge difference. If he had struck first, would you still be able to stand and talk now? ?”

Elder Lu didn’t believe what Chen Ping said at all!

Chapter: 5484

“Elder Lu, it was indeed Liu Xueyi who took action first. I can testify.”

“I can too.....”

Jin Dong said together with Luo Xi!

“You two are talking nonsense. If I had acted first, this kid would be useless now. I just wanted to get back what belongs to me.”

Liu Xueyi said loudly!

“According to the rules, anyone who takes action in Xuanyin Sect will be kicked out of Xuanyin Sect immediately and will not be allowed to step into it again.”

“Now you come with me immediately, and we will temporarily imprison you until the sect leader finishes the meeting and we will make a decision!”

Elder Lu asked Chen Ping to follow him!

“No, Mr. Chen can’t go with you...”

Jin Dong and Luo Xi quickly stood in front of Chen Ping!

Luo Shouhai asked the two of them to take Chen Ping around. If people from the Xuanyin Sect captured Chen Ping, how would they explain it?

Seeing Jin Dong and Luo Xi actually blocking him, Elder Lu’s face instantly became even more ugly!

“Don’t take advantage of the fact that you are from the Blood Spirit Valley and ignore our Xuanyin Sect’s rules.”

“If you are blocking it, you will be locked up together with this human monk, and you will be punished after hearing this!”

Elder Lu said sharply!

Chen Ping stepped forward, pushed Jin Dong and Luo Xi aside, looked at Elder Nalu and said, "Is this how your Xuanyin Sect doesn't care about everything?"

"I said, he was the one who slapped me first, I was just defending myself..."

"Do you think of me as a three-year-old child? If he were a fourth-level monk in the Tribulation Realm, if he had slapped you first, you would have been disabled by now."

Elder Lu snorted coldly!

"Not to mention that he is a fourth-level cultivator in the Tribulation Realm. Even if you, a fifth-level Tribulation Realm master, slap me, I can still resist. This is my own ability. It does not mean that he did not do it."

Chen Ping argued with reason!

But these words instantly made Elder Nalu angry!

In front of so many people, isn't it an insult to say that he, a fifth-level monk in the Tribulation Realm, can't hurt a first-level Tribulation Realm monk?

"Boy, you are so crazy, you dare to say such things to Elder Fei..." Seeing this, Liu Xueyi hurriedly added jealousy: "Elder Fei, try giving this kid a slap in the face, lest he become arrogant and look down on us demon cultivators."

Chapter: 5485

"Although our demonic cultivators have been hunted down everywhere by their human monks in recent years, and our cultivation space has been compressed, we have not reached such an unbearable state. When a fifth-level Tribulation Realm beat him, a first-level Tribulation Realm, he actually said he could withstand it. Come down."

Liu Xueyi actually elevated the conflict between him and Chen Ping to the conflict between humans and demons!

At this time, Elder Na Lu became even more angry. He stared at Chen Ping coldly and said, "Boy, this is what you said. If you can take my slap, it will prove that you are not lying..."

"Okay..." Chen Ping nodded!

"Mr. Chen..." Jin Dong hurriedly stopped Chen Ping: "This is absolutely impossible. Elder Lu has the strength of the fifth level of the Tribulation Realm, so resisting forcefully is not possible..."

"That's right. Although I know that Mr. Chen is very talented and can fight at a higher level, it is no joke for you to be slapped by a fifth-level monk in the Tribulation Realm while you are standing."

Luo Xi also persuaded Chen Ping!

Even Huofeng and Ji Yun are worried about Chen Ping!

With Chen Ping's current strength, he would definitely be able to fight with a fifth-level monk in the Tribulation Realm!

But if you stand still and get slapped by the opponent, it's a bit uncertain!

"Don't worry, I'm measured..."

Chen Ping said to several people!

Seeing that Chen Ping was particularly determined, the others stopped trying to persuade him, while Liu Xueyi looked at Chen Ping with a sinister smile on his face!

Chen Ping stood quietly in front of Elder Nalu and said, "Let's do it..."

"Boy, you asked for this. With so many people testifying, if you die, it has nothing to do with my Xuanyin Sect."

Elder Lu said!

“Of course, if I die, I deserve it and I won’t cause trouble to your Xuanyin Sect.”

Chen Ping nodded!

The reason why Chen Ping is like this is because after he broke through the Tribulation Realm, his physical body has been tempered to a new level.

Having just been slapped by Liu Xueyi, Chen Ping did not activate the indestructible golden body, but his body was not harmed either. This greatly increased Chen Ping’s confidence!

So Chen Ping wanted to try to see how far he could resist the palm of Elder Lu, a fifth-level monk in the Tribulation Realm, with his physical body alone!

Now Chen Ping is very confident that Elder Lu cannot kill him with one palm!

Everyone looked at it as if it was a show of excitement, and some people were sweating for Chen Ping!

Elder Lu saw that everyone around him was watching, so he mobilized the aura on his body, and the aura of the fifth level of the Tribulation Realm began to burst out!

Chapter: 5486

Although he didn’t know why Chen Ping had such confidence, Elder Lu knew that his palm must make Chen Ping seriously injured and fall to the ground!

Chen Ping is not allowed to die, but Chen Ping must be seriously injured. This situation is difficult to control. After all, there is a huge gap in strength between the two!

Elder Lu circulated his breath and slapped Chen Ping with his palm!

At this moment, everyone's hearts were in their throats!

After all, a first-level cultivator in the Tribulation Realm stood still and was slapped by a fifth-level Tribulation Realm cultivator. This was something no one could even imagine!

It's like an adult beating a child of several years old, and the child can't move yet!

Bang.....

Elder Lu slapped Chen Ping on the chest. The huge force caused Chen Ping to shake and take a few steps back!

I have to say that Elder Lu's strength at the fifth level of Tribulation Realm is indeed not weak!

Chen Ping felt his body churning, a mouthful of blood reached his throat, and he forcefully pushed it back!

At this moment, Chen Ping had a new understanding of the strength of his physical body!

If he explodes into an indestructible golden body, Elder Lu's palm will never hurt him again!

Thinking of this, Chen Ping's face was filled with smiles!

"I agree..." Chen Ping said with a faint smile!

Everyone looked at Chen Ping blankly, their eyes full of disbelief!

Even Elder Na Lu was full of shock and looked at Chen Ping in disbelief. He really didn't understand how Chen Ping, a first-level monk in the Tribulation Realm, could have slapped him and just stepped back a few steps. Woolen cloth?

“Mr. Chen, you are great...”

Jin Dong and Luo Xi couldn't help but said excitedly when they saw that Chen Ping was fine!

Elder Lu's face turned from shock to shame. In front of everyone, he, an elder of the Xuanyin Sect and a fifth-level monk in the Tribulation Realm, couldn't even defeat a first-level monk in the Tribulation Realm. What a shame!

“Elder Lu, you are too kind. If you use all your strength, this kid will definitely die. I think you haven't even used half of your strength.”

When Liu Xueyi saw this, he quickly used old methods to excuse Elder Lu!

But who knows, Elder Lu shook his head and said: “Although I didn't use all my strength, I still used more than 80% of my skill. This fellow Taoist is indeed physically strong.”

Elder Lu did not lie like Liu Xueyi, but directly admitted it!

From this point of view, in terms of life, Elder Lu is much better than Liu Xueyi!

Chapter: 5487

“Elder Lu, do you still remember the agreement we made just now?”

Chen Ping asked Elder Lu!

“Of course!” Elder Lu nodded, then looked at Liu Xueyi and said: “You hit someone first. If someone breaks your arm in self-defense, it is your responsibility. So according to the rules, you must leave me Xuanyin now. Zong.”

Liu Xueyi looked at Elder Lu in disbelief: “Elder Lu, I came with Master, you...”

“I don’t care who you came with, if you break the rules, you have to leave...”

Elder Lu did not give Liu Xueyi any face!

Just when Liu Xueyi was helpless, he suddenly heard an angry shout: “You are so brave, who wants to drive my disciple away?”

An old man in black robes walked slowly over. This old man was none other than Cheng Jinghui, the leader of Blood Spirit Peak.

Seeing the person coming, Jin Dong and Luo Xi shouted reluctantly: “Uncle Master...”

Cheng Jinghui walked straight in front of Liu Xueyi without even looking at the two of them!

“Master, you have to make the decision for me. My hand was broken...”

Liu Xueyi said with aggrieved face!

“Whoever broke my disciple’s arm, stand up for yourself, don’t wait for me to get angry...”

Cheng Jinghui glanced around, and the aura of the eighth-level Tribulation Realm on his body instantly enveloped everyone!

Feeling this breath, everyone couldn’t help but tremble and looked at Chen Ping!

Cheng Jinghui instantly knew who had broken Liu Xueyi’s arm, but when he saw that Chen Ping was only at the first level of the Tribulation Realm, he felt a little surprised!

However, he believed that Chen Ping had hidden his strength. After all, in the world of heaven and man, there were not many people who hid their strength!

Elder Lu's face also darkened, and he said to Cheng Jinghui: "Master Cheng, it was your disciple who beat someone first and was injured later. You can't blame others."

Cheng Jinghui snorted coldly: "Lu, get out of here. It's not your turn to talk to me here. It's your Sect Master Kong who is talking to me. Who do you think you are?"

Cheng Jinghui put no pressure on Elder Lu at all, but Elder Lu looked unhappy and did not dare to say anything!

"Boy, come immediately and kneel down to apologize to my apprentice. Maybe I can forgive you..."

Cheng Jinghui looked at Chen Ping coldly and said!

"It was your apprentice who hit me first. I was defending myself. Why should I apologize?"

Chen Pingping said to Cheng Jinghui without fear!

Chapter: 5488

"How dare you talk to me like this?"

Cheng Jinghui never expected that Chen Ping, a small human monk, would dare to talk to him like this in Tianmo Mountain!

He couldn't help but feel angry in his heart, and the aura of the eighth-level Tribulation Realm was pressed directly towards Chen Ping!

This breath was as vast as the sea, with the power of thunder. Chen Ping felt his body sink and his legs instantly bent!

Chen Ping gritted his teeth, even if his legs were bent and trembling, he still held on with all his strength and refused to kneel down!

Seeing that Chen Ping was not overwhelmed by his own aura, Cheng Jinghui was slightly startled and said: "Little human monk, I didn't expect you to hide your strength. Even if you hide your strength, in front of me, you are just an ant..."

After saying that, Cheng Jinghui's aura became more violent, and everyone around him stepped back.

Chen Ping's eyes were wide open and the veins on his forehead were bulging. He was using all his strength to resist!

Just when Chen Ping couldn't hold it anymore, a sudden force gently lifted Chen Ping up, and then Cheng Jinghui's breath was repulsed!

"Junior brother, Mr. Chen is my distinguished guest. Isn't this a bit too much for you?"

Luo Shouhai came over, looked at Cheng Jinghui coldly and said!

"Dignified guest?" Cheng Jinghui's eyes were full of disdain: "I don't care who he is, if he hurts my disciple, he must kneel down and apologize..."

"Master, it was Liu Xueyi who struck first, and Mr. Chen injured him in self-defense."

"Besides, he is a fourth-level monk in the Tribulation Realm. His arm was broken by Mr. Chen, a monk who has just stepped into the Tribulation Realm. He still has the nerve to apologize!"

Jin Dong hurriedly followed Luo Shouhai to explain!

"I know!" Luo Shouhai obviously knew what happened!

After listening to Jin Dong's words, Cheng Jinghui's face became even more angry. His disciple was so powerful that he suffered a loss. This was a slap in the face to their Blood Spirit Peak!

"Brother, I don't care who strikes first. Now that my disciple is injured, he must kneel down and apologize."

"You're not going to get into trouble with me over a little human monk, are you?"

Cheng Jinghui looked at Luo Shouhai and said!

"I said, Mr. Chen is my distinguished guest. If anyone touches him, don't blame me for being rude..."

Luo Shouhai's face turned cold!

At this time, Cheng Jinghui's face became even more ugly. The two people looked at each other, and the atmosphere was tense to the extreme!

Chen Ping glanced at Luo Xi with some confusion at this moment. He didn't understand what the relationship between Blood Spirit Valley and Blood Spirit Peak was!

Chapter: 5489

Seeing this, Luo Xi leaned into Chen Ping's ear and said, "Mr. Chen, the head of Blood Spirit Peak is my father's fellow disciple, and we also belong to the blood demon lineage."

"It's just that my father later became the master of the Blood Spirit Valley. Cheng Jinghui was unwilling to accept it and went up to the Blood Spirit Peak alone and became the leader himself."

"However, my father has not interfered in these years, and everything has always been peaceful. After all, the living environment of the demon clan is very difficult now. If there is internal strife, it will be even more difficult to survive."

Luo Xi explained to Chen Ping, and Chen Ping understood it, but judging from the strength of Cheng Jinghui and Luo Shouhai, although Luo Shouhai is a senior brother, in terms of strength, he is probably weaker!

“Whoever is looking for trouble with Mr. Chen should get past me first...”

Just when the atmosphere was tense, an angry shout suddenly sounded, and the old devil mountain ghost rushed in angrily!

After seeing Chen Ping, Devil Mountain Ghost Lao hurriedly stepped forward and said, “Mr. Chen, are you okay? I heard that someone is causing trouble for you?”

“Old Ghost, I’m fine. It’s just that someone wanted me to kneel down and apologize.”

Chen Ping said with a faint smile!

When the Demon Mountain Ghost heard this, he instantly became furious. Then he looked at Cheng Jinghui and said, “Cheng, was it you who asked Mr. Chen to kneel down and apologize?”

“Who the hell do you think you are, you dare to ask Mr. Chen to kneel down and apologize? I think you don’t want to stay at Blood Spirit Peak anymore...”

Although the strength of the Demonic Mountain Ghost Elder is not as good as that of Cheng Jinghui, when Cheng Jinghui saw the Demonic Mountain Ghost Elder, there was a bit of fear on his face!

Cheng Jinghui did not dare to refute the Demonic Mountain Ghost Elder’s scolding. He could only smile awkwardly and said: “Gui Elder, this... this little Taoist friend still has something to do with you?”

“Bullshit, I still call Mr. Chen my ancestor. Do you dare to ask my ancestor to kneel down and apologize to you? Do you believe that I will die with you now?”

Devil Mountain Ghost Lao roared!

Cheng Jinghui was stunned for a moment. He really didn't understand how a human monk who had just stepped into the Tribulation Realm could become such an ancestor of demon cultivators as the Devil Mountain Ghost!

But looking at the expression on the Demon Mountain Ghost Old Man's face, Cheng Jinghui could only admit it and said: "Misunderstanding, this is all a misunderstanding..."

"Master..." Seeing that Cheng Jinghui had given up, Liu Xueyi shouted reluctantly!

"Shut up, you, a fourth-level Tribulation Realm master, had your hand broken by a first-level Tribulation Realm master, and you still have the nerve to say it."

Cheng Jinghui yelled at Liu Xueyi, then pulled him away!

Seeing that there was no fight, everyone slowly dispersed!

Chen Ping asked curiously: "Old Ghost, your current strength is probably not as good as that of Cheng Jinghui. Why is he so afraid of you?"

When Old Devil Mountain Ghost heard this, he immediately laughed!

Luo Shouhai explained with a smile: "Mr. Chen doesn't know something. In fact, we and Gui Lao have known each other since childhood. Our two sects were not far apart back then and we often communicated with each other."

Chapter: 5490

"And my junior brother has been bullied by Mr. Gui since he was a child. He trembled all over when he saw Mr. Gui. Although my junior brother later went to Xueling Peak and got some opportunities and his strength greatly increased, but even so, he saw The old ghost still trembles."

"This may be the shadow in my heart that has fallen from childhood. The entire Tianmo Mountain knows that my junior brother always trembles when he sees ghosts..."

When Chen Ping heard this, he couldn't help but laugh. It seemed that the shadow of his childhood was difficult to eliminate!

"Ji Yun, give money to others..."

Chen Ping asked Ji Yun to give 100,000 spirit coins to the big man selling watches!

Ji Yun nodded and threw the money over. The big man was not polite and just collected it!

After getting the money, the big man packed up his stall and left!

When the big man left, Chen Ping was suddenly stunned, his eyes full of doubts!

Because just now when Cheng Jinghui burst out and wanted to take action, everyone couldn't bear it and dodged away, but this big man sat motionless in front of the stall.

At that time, Chen Ping was desperately resisting Cheng Jinghui's aura, so he didn't pay too much attention to the big man, but now it seems that the strength of this big man setting up the stall is definitely not simple!

"Mr. Chen, what's wrong?" asked Mr. Gui!

"Oh, it's okay!" Chen Ping smiled slightly, then took out the clock and said, "Old Ghost, Master Luo Valley, do you think there is anything special about this clock?"

Gui Lao followed Luo Shouhai and looked at the clock for a long time, and then they all shook their heads: "This clock is just carved from jade. Although it is lifelike, there is nothing special about it..."

Chen Ping saw that Gui Lao and Luo Shouhai couldn't see anything special, so he put the clock away, but he always felt that there must be something special about this clock!

“Mr. Chen, I have obtained the token for you to enter the battlefield of gods and demons. If the man named Kong dares not to give it to you, I will fight him tooth and nail...”

Devil Mountain Ghost took out a token and handed it to Chen Ping!

“Thank you, Old Ghost. Does everyone need to have this token?”

Chen Ping asked!

Luo Shouhai nodded: “Yes, everyone needs a token to enter, but ordinary tokens can only be exchanged for spiritual coins or resources.”

“Mr. Chen’s token is a VIP token that allows you to enter the battlefield of gods and demons earlier than others. There are very few tokens like this. Only the six major demon sects of our demon clan have them. Some of them are given to those in the Tianmo Mountain area. Other sects and families.”

“Mr. Chen, this token originally belongs to the old Demon Mountain Ghost...”

“Lao Luo, what are you talking about?”

The Demonic Mountain Ghost looked at Luo Shouhai unhappily!

The reason why Devil Mountain Ghost Lao Gang just said that he was following the leader of the Xuanyin Sect was because he was afraid that Chen Ping would feel pressured!
