

The Order 5501

Chapter: 5501

After Zuo Xuan found out that someone could enter the battlefield of gods and demons in advance, he immediately brought someone to find him. He also wanted to enter the battlefield of gods and demons in advance!

Seeing troublemakers coming at the door, Sect Master Kong led people out, including many heads of other demon sects!

Sect Leader Kong didn't know Zuo Xuan, so he looked him over and asked, "Who are you? You are making a lot of noise at my door?"

Seeing that Sect Master Kong did not recognize him, Zuo Xuan immediately said arrogantly: "I am the young master of the Demon Sealing Alliance, my name is Zuo Xuan. Why did someone enter the battlefield of gods and demons in advance? I also want to enter in advance?"

Zuo Xuan's tone was like giving an order!

When many demon cultivators heard that Zuo Xuan was from the Demon-Sealing Alliance, they all frowned. After all, the Demon-Sealing Alliance was so famous and its power spread almost throughout the entire heaven and human world!

Sect Master Kong also frowned, and then said: "Master Zuo, those people who entered early are from the sects near our Tianmo Mountain. External monks, regardless of race, must wait three days before they can enter."

"I don't care, I want to go in now. If you don't let me in, then I will notify my father and ask the surrounding branches of the Demon Sealing Alliance to come and destroy you..."

Although Zuo Xuan only had a fifth-level cultivation in the Tribulation Realm, he relied on his status and said loudly to Sect Master Kong!

Zuo Xuan's words were like poking a hornet's nest. The heads of many demon sects were all instantly filled with murderous intent!

Seeing this, Elder Chu quickly gave Zuo Xuan a hand: "Sir, don't talk nonsense..."

"Uncle Chu, what are you afraid of? They are just a bunch of demon cultivators."

Zuo Xuan didn't even realize the danger at this moment!

But just as Zuo Xuan finished speaking, Devil Mountain Ghost Lao stepped forward and said: "You guys from Male Gobi, your Demon Sealing Alliance are so awesome. This is Tianmo Mountain, and there is no branch of your Demon Sealing Alliance here."

"Believe it or not, if I kill you here, your father can't even find me? Don't think that I don't know the tricks of your Demon Sealing Alliance."

"You used the excuse of destroying our demon clan, and then hunted and killed us demon cultivators, and then we were imprisoned and used by you."

"The guy behind you should be from the Soulless Palace, right? It seems that the Soulless Palace has now become the dog of your Demon Sealing Alliance."

When Mo Shan Gui Lao was in Mo Hai, he learned the secret of the Demon-Sealing Alliance from Chen Ping, and also knew that the Demon-Sealing Alliance was having trouble with Chen Ping, so he stood up and cursed Zuo Xuan!

"The Demon-Sealing Alliance treats us demon cultivators not as human beings, but as pets. If we obey, we will keep them. If we don't, we will kill them. We are not human beings at all."

"Back in Mohai in the Northern Territory, my junior sister and I were almost killed by people from the Demon Sealing Alliance."

Jin Dong also stood up and said!

In Mohai, Jin Dong and Luo Xi almost died at the hands of the Demon Sealing Alliance. If Chen Ping hadn't appeared in time, they wouldn't have been able to escape!

"Damn it, my daughter almost died at the hands of your Demon Sealing Alliance. Don't even think about leaving today."

When Luo Shouhai heard that Luo Xi was almost killed by the Demon Sealing Alliance, he immediately became anxious and took a stance!

Chapter: 5502

The other demon cultivators from the demon sect were all filled with indignation and surrounded Zuo Xuan and the others!

At this moment, Zuo Xuan was a little stupid. Looking at the demon cultivators around him with angry eyes, Zuo Xuan almost peed his pants!

Upon seeing this, Elder Fei from the Soulless Palace quickly stepped back and followed Zuo Xuan to distance himself!

Now, Elder Chu was anxious!

Although he has good strength, he can't withstand the attacks of so many demon cultivators!

What's more, these are all the leaders of the Demon Sect, and many of them are not inferior to him in strength!

Elder Chu was so angry inside, it was all because of this blind beep, which made all these demon cultivators angry!

And all the secrets of their Demon Sealing Alliance have been exposed!

“Sect Master Kong, what are you going to do? There can be no private fights in Tianmo Mountain during this time, no matter what race, but you have decided.”

“Now do you want to break the rules? If you break the rules, you have to think about it. Now you are not the only demon cultivator in Tianmo Mountain.”

“When the time comes, there will be so many human monks and beasts. How do you explain it? There will definitely be chaos.”

“And if you kill our young master, the alliance leader will definitely use all his strength to encircle Tianmo Mountain, and there will be a large number of casualties. Do you plan to destroy it after you have been recuperating for so many years?”

Elder Chu said to Sect Master Kong!

At the same time, these words are also meant for other demon cultivators. After all, it is pretty good for these demon cultivators to find a place like Tianmo Mountain where they can recuperate without being disturbed!

If Zuo Xuan is really killed, the Demonic Mountain, the pure land of the demons, will probably disappear!

Sect Leader Kong was silent, and the other demon cultivators were also silent!

After a while, Sect Master Kong said: “You should leave Tianmo Mountain immediately. You are not welcome to enter the battlefield of gods and demons in Tianmo Mountain.”

“Okay, we’ll leave right away...” After Elder Chu finished speaking, he pulled Zuo Xuan and left!

When he walked out of Xuanyin Sect, Elder Chu’s forehead was already covered in cold sweat, and Zuo Xuan was still a little unconvinced and said: “Why can’t I enter the battlefield of gods and demons? I still want to pick up the treasure!”

“And that Chen Ping, are you going to let him go like this?”

Elder Chu glanced at Zuo Xuan helplessly. He was so scared that he wet his pants just now and didn't dare to fart. Now that he left Xuanyin Sect, he started shouting!

If it weren't for the left-handed big-tailed wolf, they wouldn't be what they are now.

“Sir, Chen Ping can just intercept and kill him when he leaves Tianmo Mountain. He can't stay in Tianmo Mountain forever.”

“I am willing to stay in Xuanyin Sect, observe Chen Ping's movements, and report to the Young Master when the time comes.”

Chapter: 5503

Elder Fei quickly suggested at this moment!

When Zuo Xuan heard this, he nodded immediately: “Okay, let's do it like this. You keep an eye on Chen Ping and these demon cultivators in Tianmo Mountain. Sooner or later I will bring people to destroy them.”

Elder Fei left happily, but he couldn't leave. He had eaten Chen Ping's poison pill. If he couldn't find a way to detoxify Chen Ping, he would die!

“Sir, let's go...”

Elder Chu took Zuo Xuan and walked towards the outside of Tianmo Mountain!

.....

In the battlefield of gods and demons!

Chen Ping looked at the fairy grass in front of him and was stunned!

Because this fairy grass is so big, taller than Chen Ping, it almost becomes a tree!

And there are several fruits on it. The spiritual energy is flowing on the fruits and they are crystal clear. They are many times stronger than the fairy grass outside!

If this fairy grass is used to refine the elixir, the effect will definitely be ten times, a hundred times stronger...

Chen Ping stretched out his hand to grab the fairy grass, and then suddenly used force to pull out the fairy grass, and then put it into the storage ring!

But just after Chen Ping touched the fairy grass, the whole fairy grass suddenly went underground and disappeared underground in an instant!

Chen Ping was stunned and looked towards the ground. He didn't understand how the fairy grass came to life and actually burrowed underground on its own!

Chen Ping used his spiritual consciousness to explore, his face changed instantly, and then his eyes burned with anger!

The magic whip appeared in Chen Ping's hand and whipped it towards the ground!

When Chen Ping whipped the whip, there was a muffled groan!

A deep pit appeared on the ground, and a demon cultivator jumped up from the ground with fairy grass in his arms!

Obviously, the fairy grass just now did not escape by itself, but was snatched away from the ground by this demonic cultivator!

“Give me the jelly grass...”

Chen Ping’s eyes narrowed and he looked at the demon cultivator coldly!

“Hmph, you are a newly promoted cultivator in the Tribulation Realm, and you are worthy of this fairy grass. I will spare your life with great mercy. You should get out of here now, otherwise don’t blame me for being rude!”

The demon cultivator snorted coldly, not taking Chen Ping seriously at all!

Chen Ping frowned and didn’t say anything. Instead, he whipped the magic whip in his hand towards the demon cultivator!

Chapter: 5504

boom!

Chen Ping whipped down the demon cultivator, and the demonic cultivator shattered into pieces and instantly turned into a white smoke!

This demon cultivator turned out to be just a clone.

Chen Ping had actually discovered a long time ago that this demonic cultivator relied on his clone to delay time, and the real body had long since escaped!

The magic whip in Chen Ping’s hand began to burn with flames, as Chen Ping kept swinging!

The flames shot straight into the ground, and then bursts of thick smoke came out from the ground!

“Fire Cage...”

Buzz...

Endless flames emerged from the ground, and then quickly connected together to form a large net, covering miles around!

Bang...

There was a muffled groan in the distance. Chen Ping jumped up and swung the magic whip in his hand towards the place where the sound came from!

“Young little demon cultivator dares to steal things from me...”

boom!

Chen Ping whipped his whip, and with endless flames, a figure suddenly rushed out from the ground. It was the escaped demon cultivator!

The demon cultivator used a sharp sword and directly blocked Chen Ping’s demon whip!

puff.....

Although he blocked the magic whip, the ultimate fire on the magic whip turned into a ball of fire and hit the demon cultivator!

The demon cultivator spurted out a mouthful of blood and flew backwards instantly!

The demon cultivator was horrified. He did not expect that he, a fourth-level monk in the Tribulation Realm, could not even defeat a newly promoted monk in the Tribulation Realm. He could not even block a single blow!

Especially Chen Ping's flame cage, which even covered him underground, making his escape technique useless and he could only be forced out of the ground by the flames!

You must know that this earth-escape technique is his unique skill, but now it is of no use to Chen Ping!

"I'll give you the fairy grass, hoping you can let me live..."

The demon cultivator knew that he had underestimated Chen Ping's strength, so he planned to give up the fairy grass and let Chen Ping give him a way out!

Chen Ping looked at the injured demon cultivator, nodded and said: "Okay, as long as you hand over the fairy grass, I can spare your life..."

Chapter: 5505

The demonic cultivator did not hesitate and directly threw the fairy grass that was as tall as a person to Chen Ping. Chen Ping put the fairy grass into the storage ring. With a wave of his hand, the surrounding flame cage disappeared instantly!

But just when the demon cultivator turned around and wanted to leave, he found four figures appearing not far away, and one of them turned out to be Liu Xueyi from Blood Spirit Peak!

These four people were all demon cultivators, and they quickly came closer!

When relying on Liu Xueyi and the others, Chen Ping frowned slightly and turned around to leave. After all, Chen Ping himself may not be completely sure that he can defeat Liu Xueyi and the others when faced with several demon cultivators!

In addition, Chen Ping didn't want to waste time. He entered the battlefield of gods and demons to find treasures, not to fight!

It's just that Chen Ping wanted to leave, but he couldn't leave at all. Liu Xueyi led people to surround Chen Ping!

Liu Xueyi looked at the demon cultivator who was injured by Chen Ping and said with a faint smile: "Fellow Taoist, this kid is extremely arrogant. He is a small human cultivator, but he follows us demons to grab things in the battlefield of gods and demons in Tianmo Mountain. He deserves to be damned."

"Anyway, this is a battlefield between gods and demons, and there are no rules. We will join forces to kill him to prevent him from robbing us."

Liu Xueyi's words made the demon cultivator suddenly excited!

Just now, he just had no choice but to hand over his things to save his life. Now that he has help, of course he is no longer afraid of Chen Ping.

"Okay, let's do it together and kill this human monk."

The demon cultivator nodded!

Liu Xueyi looked at Chen Ping excitedly, with a sneer in his eyes: "Boy, aren't you crazy? I know you are very strong, but if you meet a few of us, you will only die."

"If you dare to go against me, I will let you know the consequences."

Chen Ping looked at Liu Xueyi with a bit of solemnity in his eyes. He was facing five demon cultivators. It would be difficult to win!

But now it is impossible to escape unscathed!

If Chen Ping had a few helpers around him at this time, he might still have some hope of winning!

Seeing Chen Ping's ugly face, Liu Xueyi's smile became even brighter. He enjoyed this feeling of hunting!

At this moment, Chen Ping has become his prey, and there is no way to escape!

The more this happens, the less anxious Liu Xueyi is to kill Chen Ping!

The magic whip in Chen Ping's hand was buzzing and trembling, as if he was a little hungry and wanted to fight with these demon cultivators!

Chen Ping, on the other hand, is clinging to the magic whip. Even though he has the magic whip in his hand, Chen Ping's winning rate is not very high!

"Mr. Chen, you don't have to be afraid. You forgot that you still have treasures."

At this time, Zhe Yan's voice sounded in Chen Ping's mind!

Chapter: 5506

"Treasure?" Chen Ping was stunned. He didn't know what other treasures he had!

"You also have golden silkworm poison. Look at these golden silkworm poisons. They are all deadly weapons..."

Zhe Yan said!

When Chen Ping heard this, he remembered, so his consciousness entered the sea of consciousness and found that there were more than a dozen golden silkworm poison in front of Zhe Yan!

All of them were squirming and eating very fat!

Especially the Golden Silkworm Gu Poison King Insect, its body has become very big!

"Doesn't this thing grow up too fast?"

Chen Ping was a little surprised. When he got the golden silkworm poison, it was just a small larva, but now it has grown bigger!

“Mr. Chen, it’s not because your essence and blood are different from ordinary people. This golden silkworm poison absorbs your blood and grows very fast.”

Zhe Yan replied!

Chen Ping looked at those golden silkworm poisons and was filled with ecstasy. Now he had an idea!

After these golden silkworm poisons leave the body, they will disappear in the void, making it impossible for people to detect them!

In this case, Chen Ping can kill people invisible!

At this moment, Chen Ping felt confident, and with the magic whip in his hand, these demon cultivators would be in trouble!

Seeing that Chen Ping’s face was ugly just now, but suddenly he was smiling, Liu Xueyi was a little confused and asked: “Why are you smiling?”

“I’m laughing at you. I’m going to die soon, but I don’t know it...”

Chen Ping said calmly!

“Boy, are you scared out of your mind? In this situation, someone is going to die soon, can’t you see?”

“And this is a battlefield between gods and demons. No one can come in to save you!”

Liu Xueyi sneered!

“Don’t talk nonsense to him. He is just a young monk who has just entered the Tribulation Realm. Kill him quickly. We must seize the time to find the treasure.”

A demon cultivator said impatiently!

Liu Xueyi nodded, and soon five auras enveloped Chen Ping!

Chen Ping had a calm look on his face, and the two golden silkworm poisons had quietly left Chen Ping’s body and headed towards the impatient demon cultivator!

Chapter: 5507

The golden silkworm poison was hidden in the void, but none of the demon cultivators noticed it!

“Since you are impatient, let me let you die first...”

Chen Ping looked at the impatient demon cultivator and said!

“Damn it, you are so good at it. Now I...”

The impatient demon cultivator didn’t believe that Chen Ping could kill him, but before he finished speaking, he suddenly stopped!

Then a painful and ferocious expression appeared on his face, and he held his head tightly with both hands!

“ah.....”

“My head hurts so much, and my consciousness seems to be being swallowed...”

The impatient demon cultivator screamed and then fell to the ground!

At this time, the other four demon cultivators were startled and looked at the demon cultivator who fell to the ground in disbelief!

Soon, the demon cultivator's struggle became slower and slower, his eyes began to become hollow, and finally he turned into a walking corpse!

All the divine consciousness in the sea of consciousness has been swallowed up by the golden silkworm poison.

"This this....."

Several demon cultivators were frightened and looked at Chen Ping in disbelief as they backed away!

They didn't understand how Chen Ping did it. After all, they surrounded Chen Ping and never saw Chen Ping do it!

"Boy, you actually poisoned me, it's so abominable."

Liu Xueyi looked at the demon cultivator who was standing at the end and knew that Chen Ping must have quietly poisoned the other party's consciousness, unknowingly poisoning the other party!

Upon hearing the poison, the expressions of the other three demon cultivators changed and they took a few steps back again!

"This matter has nothing to do with me. I gave everything to you, so we don't mess with each other..."

The demon cultivator who was initially injured by Chen Ping flinched, followed Chen Ping's words, turned around and ran away!

He followed Chen Ping without any grievances, and there was no need to risk his life!

Upon seeing this, the other two demon cultivators looked at each other and then turned around and ran away!

This time, only Liu Xueyi himself was left!

Liu Xueyi was stupid!

Chapter: 5508

Originally he had a chance to win, but now they all ran away, leaving him alone!

“Damn, a bunch of heartless guys...”

Liu Xueyi could only curse loudly, but it was useless!

Chen Ping looked at Liu Xueyi with a sneer, with a playful look in his eyes!

Liu Xueyi was so depressed that he almost vomited blood. He originally thought that by contacting the urgent demon cultivator, Chen Ping could be put to death!

Now it has become like this. If he knew, he would have gone to find Qi Peijia!

Entering the battlefield of gods and demons, the two of them did not end up in the same place. Liu Xueyi couldn't wait any longer, so he contacted several demon cultivators along the way!

Now everyone is running for their own lives, who cares about him!

Looking at Chen Ping's eyes, Liu Xueyi could only grin and said: “Chen Ping, you and I don't have any deep hatred. There is no need to risk our lives to win.”

“Besides, our Blood Spirit Peak and Blood Spirit Valley are of the same lineage. Your relationship with the Blood Spirit Valley doesn’t mean you can kill me!”

Liu Xueyi is scared!

“There is really no deep hatred between the two of us, and I have no prejudice against you demon cultivators. It’s just that I didn’t kill you, but you just wanted my life?”

Chen Ping said with a faint smile!

Liu Xueyi’s face turned red when he said this, and he didn’t know how to refute!

Chen Ping took the magic whip and whipped it in the void, and there was a snapping sound instantly!

This sound alone made Liu Xueyi’s mind go into chaos!

Liu Xueyi knew that Chen Ping was determined to kill him, so he turned around and ran away, no longer begging for mercy!

When Chen Ping saw this, he threw out the magic whip in his hand!

Bang bang bang!

The heavy shadow of the magic whip hit Liu Xueyi’s back several times, causing Liu Xueyi to vomit blood and stagger forward!

“Damn, a little first-level Tribulation Realm, who has always been very strong, actually has a magic weapon in his hand, what the hell.”

Liu Xueyi cursed angrily and ran away desperately!

But Chen Ping was chasing after him, which made Liu Xueyi anxious!

Soon, a cold light flashed across Liu Xueyi's eyes!

Chapter: 5509

He knew that if he didn't come up with a trick, he might really die here!

Liu Xueyi, who was running away, suddenly stopped, turned around and spat out a mouthful of blood towards Chen Ping!

The blood turned into blood mist and turned into a ferocious blood-colored monster in the void. This blood-colored monster attacked Chen Ping!

As a demon cultivator of the blood demon lineage, Liu Xueyi has his own use and understanding of blood!

"Hmph, if you don't overestimate your capabilities, if your strength is not good enough, no matter how many spells you use, they will be in vain..."

Chen Ping snorted coldly, and drew the magic whip directly towards the bloody monster, and the magic whip was still burning with fire!

The blazing flames rose up, and the bloody monster disappeared in the blink of an eye under the blazing flames!

At this moment, Liu Xueyi frowned and his face became extremely ugly!

After Chen Ping destroyed the bloody monster, he did not stop whipping the magic whip in his hand, but whipped it directly towards Liu Xueyi!

But this time, Liu Xueyi didn't dodge and was hit directly by the magic whip!

boom!

With an explosion, Liu Xueyi's body exploded, and the blood mist began to disperse in the sky!

Chen Ping was stunned. He didn't expect that Liu Xueyi would not dodge or dodge, and was directly blasted by him!

Just when Chen Ping was stunned, the blood mist all over the sky condensed into a human shape and quickly moved towards the distance!

When Chen Ping saw this, he knew that he had been fooled. Liu Xueyi actually ran away!

Just when Chen Ping wanted to chase him, Liu Xueyi was no longer there!

"Damn it, you actually let him escape?"

Chen Ping was a little angry, but he was curious. Liu Xueyi's body had obviously exploded. How did this guy escape?

"Mr. Chen, this guy is of the blood demon lineage. He uses blood escape to escape using blood."

"This is a life-saving skill of the blood demon lineage, but this blood escape technique also has disadvantages, that is, after using the blood escape technique, the realm will decline, and it will be more difficult to improve the realm!"

Zhe Yan followed Chen Ping and explained!

After hearing this, Chen Ping understood how Liu Xueyi escaped. However, this blood escape technique is really a good thing. Even if it has disadvantages, the most important thing is that it can save his life in times of danger!

Chen Ping regretted a little. If he had known that the Blood Demon had such life-saving skills, he would have learned a few tricks from the Blood Demon!

However, the Blood Demon has returned to the world of heaven and humans, and Chen Ping has a feeling that he will encounter him sooner or later!

Chapter: 5510

When he encounters the Blood Demon, Chen Ping must learn two tricks!

“broken.....”

Chen Ping suddenly remembered that he was a little far away from Luo Xi!

Just after chasing Liu Xueyi, Chen Ping looked at Luo Xi, so he was a little too far away. If Luo Xi was in danger, it would be difficult for Chen Ping to save him immediately!

But just as Chen Ping was walking back, Luo Xi’s voice suddenly came to his ears!

“Mr. Chen, save me...”

The voice was very urgent, and it came from Luo Xi through the jade slip!

When Chen Ping heard Luo Xi’s cry for help, he was immediately anxious and ran straight in Luo Xi’s direction!

At this moment, Luo Xi was holding a big stone in his arms and running desperately!

Behind Luo Xi, hundreds of monsters roared and chased Luo Xi!

“You beasts, why are you chasing me?”

Luo Xi looked at the ferocious monsters behind and almost cried!

She also couldn't figure out why these monsters were chasing her!

Luo Xi's soul was frightened out by the hundreds of monster beasts that were crossing the Tribulation Realm, and she could only run as fast as she could!

The sound transmission jade slip has been used, but there is no sign of Chen Ping yet. Luo Xi is very scared!

Among these monsters, the leading one is fifteen or six meters tall, with two huge feet. Every step he takes leaves a deep footprint on the ground!

The long tail dragged on the ground, leaving a ravine!

These monsters are very similar to the previous Tyrannosaurus rex. Fortunately, because of their huge size, they move slowly, so Luo Xi has never been caught up!

The leading monster roared loudly, and then in front of Luo Xi, glass-like barriers appeared, blocking Luo Xi's progress!

Luo Xi's face was full of anxiety, and he turned the sword in his hand, and then suddenly swung it back. Thousands of sword lights appeared, heading towards those monsters!

And she herself was struggling to hit those barriers!

When Luo Xi hit those barriers, there were ripples like water patterns on the barriers, which were impossible to break through!

Helpless, Luo Xi could only take a detour. Fortunately, the area of the barrier was not large. Luo Xi could pass by just taking a detour!

But this slowed down Luo Xi!
