

## **The Order 551**

Chapter: 551

Gu Ling'er struggled, but to no avail!

The strength gap between her and the two men in suits is a bit big, and she is no match for them at all!

"Miss Gu, please be obedient and we won't hurt you. If you try to resist, we won't be polite!"

One of the men in suits said with a cold look.

Seeing the look in the suit's eyes, Gu Ling'er was so frightened that she shut her mouth and let the two men escort her out!

But just as he walked to the door, he met Chen Ping who was coming back from the bar!

"Chen Ping..."

When Gu Ling'er saw Chen Ping, she hurriedly shouted!

Chen Ping was stunned and glanced at the two men in suits. After the two men in suits also looked at each other at the same time, one of them kicked Chen Ping involuntarily.

"Be careful, they are from the Jiang family!"

Gu Linger reminded Chen Ping.

When another man in a suit who was escorting Gu Ling'er saw this, he hit Gu Ling'er on the back of the head with a knife, and Gu Ling'er immediately fainted!

At this moment, two men in suits attacked Chen Ping together!

Chen Ping's eyes turned cold and he stepped forward to meet them. He stretched out his hands and grabbed the wrists of the two men in suits. The two men's figures came to an abrupt halt in an instant!

"this....."

The eyes of the two men in suits showed fear. Although they were not considered masters in the Jiang family, if they joined forces, even internally powerful warriors could fight.

But facing Chen Ping, the two men were restrained as soon as they took action. This shocked the two men in suits!

Click.....

Without any hesitation or mercy, Chen Ping directly broke the wrists of the two men!

"ah....."

Piercing screams came from the mouths of the two people, and cold sweat broke out instantly!

"Why did you catch Gu Ling'er?"

Chen Ping asked two men in suits.

“we do not know.....”

Chapter: 552

The two men in suits shook their heads at the same time.

Chen Ping suddenly flew up with two feet and kicked directly on the knees of the two men in suits. The legs of the two men in suits instantly bent strangely and were all broken!

The screams sounded again, but this time Chen Ping didn't ask any more questions, but continued to attack, interrupting the hands and feet of the two men in suits, and directly crippling them!

Looking at the two people who were paralyzed on the ground with hideous faces in pain, Chen Ping said with an indifferent expression: “Why did you catch Gu Ling'er?”

“Yes...it was our master's order. He said he wanted to know your whereabouts from Miss Gu...”

The two of them couldn't bear it anymore and could only tell the truth.

Chen Ping frowned. He didn't expect the Jiang family to be so arrogant, without any regard for Gu Ling'er's identity as an agent of the Guardian Pavilion.

Glancing at Gu Ling'er who fainted, Chen Ping's eyes flashed with murderous intent!

After gently picking up Gu Ling'er and placing him on the sofa, Chen Ping carried a man in a suit downstairs with one hand, threw it into the trunk of the car, and headed directly towards the Jiang family!

At this time, the Jiang family is brightly lit!

In a certain room of the Jiang family, the screams of two teenagers rang out. The roars seemed to come from the abyss of hell, and the sound of laughter came from the room!

The two Jiang family bodyguards guarding the door shuddered and had goosebumps all over their bodies when they heard the roar in the room!

“You said Master Buhuo looks so kind and kind, how come he has such a perverted hobby?”

A bodyguard of the Jiang family couldn't help but said.

“Shh!” Another Jiang family bodyguard hurriedly made a silent movement, carefully looked around and said, “You don't want to live? Be careful if the master hears this, I will kill your whole family!”

This frightened the bodyguard so much that he quickly shut his mouth!

I don't know how long it took, but the roaring in the room stopped, and there was no movement at all!

“Someone, carry it out...”

Master Buhuo's voice sounded in the room!

The two bodyguards hurriedly walked in. When they saw the bodies of the two girls on the ground, they all gasped instantly!

I saw two girls with no clothes on, and their bodies were covered with bruises. The scene was simply too horrible to watch, and they were beaten until they were no longer human!

But the two bodyguards didn't dare to look any further and hurriedly took out the girl's body one by one!

As soon as he left the house, he saw the housekeeper coming over. He looked at the bodies of the two girls with a frown, and told the two bodyguards: "Find a place to bury it. Don't tell anyone what happened today, otherwise you will be killed." Your lives!"

"Got it!" The two bodyguards nodded repeatedly, not daring to say another word!

Chapter: 553

The housekeeper Lao Liu sighed, shook his head, and walked into Master Buhuo's room!

At this time, Master Buhuo was lying on the sofa, his face full of satisfaction, a cigarette in his mouth, so uncomfortable!

"Master Buhuo, the ingredients for refining the elixir are ready. I wonder when Master Buhuo will be able to refine the elixir?"

The housekeeper Lao Liu asked cautiously.

"Put it down!" Master Buhuo was still lying on the sofa without moving. He waved his hand and said, "How are the medicinal materials prepared for us in Xuanyue Valley?"

"We have been seizing the time to prepare. It is estimated that it will be ready in the next two days. Our master said that someone will be sent to Xuanyue Valley with Master Buhuo at that time!"

Old Liu, the housekeeper, replied.

"Go back and tell your master that when the medicinal materials are ready, I will make the elixir!"

Master Buhuo said unhurriedly.

“Got it!” Old Liu, the housekeeper, nodded, then took out a cloth bag from his body and put it on the table. It was filled with precious medicinal materials that were more than a hundred years old and were used to refine life-sustaining pills.

After the housekeeper Lao Liu left, he immediately arrived at Jiang Zhengzhong’s room. At this time, Jiang Zhengzhong was waiting for news!

“Old Liu, how are you? When did Master Buhuo say you were going to prepare elixirs?”

Seeing the housekeeper back, Jiang Zhengzhong asked hurriedly.

“Master, Master Buhuo said that when we prepare all the medicinal materials for Xuanyue Valley, he will make the elixir!”

Old Liu, the housekeeper, replied.

“Damn, these guys are really cautious!” Jiang Zhengzhong couldn’t help but cursed, and then said to the housekeeper Lao Liu: “How are you preparing the medicinal materials?”

“Master, what Xuanyue Valley wants are medicinal materials that are over a hundred years old, and the price is extremely expensive. I have negotiated with the King of Medicine’s Mansion many times, but the price is not negotiable at all. This batch of medicinal materials is probably worth tens of billions of dollars! ”

The housekeeper, Old Liu, looked confused.

Jiang Zhengzhong frowned, thought for a moment and said: "Give me all the funds to withdraw. In addition, sell all the Wei family's properties. Be sure to prepare all the medicinal materials for Xuanyue Valley!"

"Understood!" Butler Lao Liu nodded!

Jiang Zhengzhong also worked hard to keep himself alive. Money is all about his body. If he doesn't have it, he can still earn it back!

"Master, master, something happened..."

At this moment, a servant hurried in.

"Why are you yelling in the middle of the night? If you have something to say, please tell me slowly!"

Chapter: 554

The housekeeper Lao Liu scolded his servants.

The servant was so frightened that he trembled and said hurriedly: "Master, two of our people died at the door. Go and have a look!"

When Jiang Zhengzhong heard this, his anger suddenly rushed to the top of his head. The Jiang family has been standing in the provincial capital for hundreds of years, and nothing like this has ever happened before. Someone actually dared to kill members of the Jiang family in front of the Jiang family!

Jiang Zhengzhong, accompanied by his housekeeper Lao Liu, hurried to the door!

At this time, there were already many Jiang family bodyguards surrounding the door, watching the movements around them with vigilance!

After Jiang Zhengzhong arrived, he saw two Jiang family bodyguards lying on the ground. Their heads had been blown open, and they could not be identified at all. Their limbs were also bent strangely, obviously they had been interrupted!

The housekeeper Lao Liu carefully identified her, and his face instantly turned ugly as he said, "Master, these are the two people sent to capture that girl from the Gu family!"

"What? Who did it? Could it be that girl from the Gu family?"

Jiang Zhengzhong's anger was burning. He killed people in front of their house with such cruel methods. He was obviously following their Jiang family to provoke them!

"Master, we have surveillance, you will know it at a glance!"

"Let's go to the monitoring room!" Jiang Zhengzhong ordered!

After arriving at the monitoring room and calling up the monitoring, Jiang Zhengzhong looked at it with anger in his eyes!

I saw a car parked in front of Jiang's house on the surveillance camera. Chen Ping got out of the car. When he got out of the car, he looked at the surveillance camera and showed a sneer!

Immediately afterwards, Chen Ping took out the two bodyguards of the Jiang family from the trunk of the car. It was obvious that their hands and feet were broken at this time!

Chen Ping carried the Jiang family's bodyguard and walked under the surveillance camera. After looking up, he suddenly punched the bodyguard on the head!

puff.....

I saw that the bodyguard's head was like a watermelon, and it was blown open instantly, with blood splattering everywhere!

Even through the screen, everyone who saw this scene couldn't help but tremble and shudder!

Chen Ping used the same method to blow the head of another Jiang family bodyguard. After killing the two Jiang family bodyguards, Chen Ping made a gesture of wiping his neck under surveillance. It was full of provocation!

Immediately afterwards, Chen Ping got in the car and left, and the bodies of the two Jiang family bodyguards were dumped at the door of the Jiang family!

“ah.....”

Jiang Zhengzhong got up in anger and punched the monitor hard!

“I must kill him, I must kill him...”

Jiang Zhengzhong is going crazy. This is a blatant provocation. The Jiang family has never received such a provocation in a hundred years!

Chapter: 555

“Master, calm down!”

The housekeeper Lao Liu hurriedly persuaded: “Master, our first priority is to prepare the medicinal materials for Xuanyue Valley and let Master Buhuo practice the life-sustaining pill for the master. Then Chen Ping is just a clown, let him jump more. What will happen in a few days? Now, several major families in the Martial Arts Alliance are ready to take action on the Wei family's property. The Chifeng Hall has even begun to encroach on the Wei family's property. We must resolve this matter first and collect the money. !”

“Chifengtang...” A cold light flashed in Jiang Zhengzhong’s eyes: “This Chifengtang is always against our Jiang family. Sooner or later I will drive them out of the martial arts alliance and the provincial capital!”

“Tomorrow I will hold an alliance meeting and give these guys a hard beating. If it doesn’t work, I will show them in the ring!”

After Jiang Zhengzhong finished speaking, he punched the table, smashing it into pieces!

.....

Chen Ping drove away from Jiang’s house and prepared to return to Gu Ling’er’s house!

But just after walking a short distance, he found that there were two cars following him behind him!

“The Jiang family moves quite quickly!”

Chen Ping raised the corner of his mouth slightly and drove the car to the side of the road and stopped!

He didn’t want to run, and there was no need to run. A battle with the Jiang family was inevitable!

Chen Ping’s car had just stopped when two cars parked directly in front of him. Four strong men got out of the car at the back, then hurriedly walked to the car in front and opened the door respectfully!

The car door opened, and a middle-aged man in his fifties with a full beard wearing a training suit walked out!

Seeing these people, Chen Ping frowned slightly. These people didn't look like the Jiang family!

"Master, he was the one who killed Senior Brother Ye Yong!"

At this time, a strong man pointed at Chen Ping and said with anger in his eyes!

When Chen Ping heard this, he realized that these people were from the Iron Gate Hall, and two of them were the guys who were with Ye Yong!

The owner of the Iron Gate Hall looked Chen Ping up and down and said, "Boy, you killed my disciple and still dare to stay in the provincial capital. Does this mean you don't take our Iron Gate Hall seriously?"

Looking at the appearance of the owner of the Iron Gate Pavilion, Chen Ping couldn't help but smile. He was curious about why these hard qigong practitioners all looked like this, just like what was carved in the mold. Could it be that they were harvested? When you are an apprentice, you should accept them according to their appearance!

Seeing Chen Ping actually laughing, the owner of the Iron Gate Hall said angrily: "Why are you laughing? Can't you hear me?"

"No wonder Ye Fengchun and Ye Yong are so miserable. With a master like you, they will definitely not be able to teach any good disciples. It is obviously your disciple who wants to kill me, but his skills are not as good as others and he was killed by me. You are the master's discipline. If you are not strict and do not reflect on yourself, you still come to find me!"

Chen Ping smiled coldly.

“Then Ye Fengchun has left the sect. I don’t care about his life or death, but Ye Yong is my disciple. No matter why he kills you, you can’t kill him, otherwise you will be an enemy of my Iron Gate Hall!”

The veins on the forehead of the owner of the Iron Gate Hall popped up, he was obviously angry!

Chapter: 556

“What if I am an enemy of your Iron Gate Pavilion? If you have the ability, do it. If you don’t, just get out of here. I don’t like to talk!”

Chen Ping was disgusted with the domineering appearance of the owner of the Iron Gate Pavilion!

“Good boy, you are the first person who dares to talk like this after me!”

The owner of the Iron Gate Hall was furious, and the aura on his body exploded instantly, pressing towards Chen Ping!

Faintly, the whole body of the owner of the Iron Gate Pavilion was flashing with golden light, like a god descending to earth!

There was sand and rocks flying all around, and strong winds swept through. When the other disciples of the Iron Gate Hall saw this, they hid aside one after another!

Watching the performance of the owner of the Iron Gate Pavilion, Chen Ping looked calm and smiled coldly: “You are indeed better than your apprentice, but you just want to kill me like this, but you are too far behind!”

Seeing that Chen Ping remained calm, the owner of the Iron Gate Pavilion frowned slightly. His burst of aura was so powerful that even an internal martial artist would find it difficult to bear it, but Chen Ping in front of him seemed to be fine!

“Boy, you do have some abilities, but when you meet me today, death will be your destination...”

The master of the Iron Gate Hall shouted angrily, and instantly raised his aura to the extreme. The terrifying pressure once again enveloped Chen Ping, and the disciples of the Iron Gate Hall retreated one after another, hiding away again!

“It’s a small thing, if you don’t have any other skills, I’ll leave!”

Chen Ping looked at the owner of the Iron Gate Hall with disdain in his eyes and turned around to leave!

The owner of the Iron Gate Pavilion was stunned. This made him feel ashamed. In front of his disciples, he was looked down upon by a young man in his early twenties. How could he continue to mess around in the future?

“Boy, go to hell!”

The owner of the Iron Gate Hall was furious and swung an iron fist towards Chen Ping. Every step he took was like an earthquake, making a thumping sound!

Chen Ping stopped and did not look back at all. A terrifying aura suddenly erupted from his body. The aura was overwhelming and pressed towards the master of the Iron Gate Pavilion. The pressure instantly made the master of the Iron Gate Pavilion stop, and his feet were hard. Cracks began to appear on the ground!

The face of the owner of the Iron Gate Hall changed, and his eyes were full of disbelief. He could not have imagined that Chen Ping, at such an age, could have such a terrifying aura.

The aura on Chen Ping's body was like a big mountain, pressing hard on the body of the Iron Gate Hall Master. The Iron Gate Hall Master's body could not move forward at all, his legs were slightly bent, and there was already a deep footprint under his feet!

"Don't you like to use your power to suppress others? Then I will let you taste the feeling of being suppressed today!"

Chen Ping slowly turned around and looked at the master of the Iron Gate Pavilion with an indifferent expression.

"Stop, stop..."

At this moment, several cars came quickly. After the car stopped, Gu Ling'er ran out of the car and shouted loudly!

Then Li Shouyi hurriedly walked out of the car with a dozen Dharma Protector Pavilion agents.

Seeing Gu Ling'er coming, Chen Ping lost his momentum. The owner of the Iron Gate Pavilion suddenly felt relieved and took a few steps back!

Chapter: 557

"Chen Ping, are you okay?"

Gu Ling'er asked Chen Ping eagerly.

"I'm fine!" Chen Ping shook his head, and then asked strangely: "Why are you here?"

Gu Ling'er glanced at Chen Ping complainingly and said: "When I woke up, I found that you were not here, and the two people from the Jiang family were not here either. I was afraid that you would go to the Jiang family to cause trouble, so I quickly contacted Pavilion Master Li and prepared to rescue you. !"

Seeing Gu Ling'er's nervous look, Chen Ping felt a little embarrassed and said, "I just sent the two Jiang family members back. I didn't cause trouble in the Jiang family. I'm sorry for making you worry!"

"I hope you're fine!" Gu Ling'er breathed a sigh of relief, then looked at the Master of the Iron Gate Hall and said: "Master of the Iron Gate Hall, I was at the scene when Chen Ping killed your disciple, and it was your disciple who committed the murder first. , and even attacked me, Chen Ping killed him in self-defense, you can't blame him for this!"

The owner of the Iron Gate Pavilion looked at Gu Ling'er and snorted coldly: "Girl from the Gu family, for the sake of your grandfather, you can leave this matter alone. You can't control it. I will definitely kill him today..."

The owner of the Iron Gate Hall was full of anger, and it seemed that he had been really irritated by Chen Ping just now!

"Master Tieguan, Ling'er has already said that it was your disciple who committed the murder first. Chen Ping is right about this. I know you hurt your disciple and are in a bad mood. Give me a face and let Chen Ping apologize to you." , forget this matter!"

Li Shouyi stepped forward and said to the owner of the Iron Gate Pavilion.

The master of the Dharma Protector Pavilion in the provincial capital is also a man in charge, so he must show respect no matter what!

But who would have thought that as soon as Li Shouyi finished speaking, the owner of the Iron Gate Pavilion looked cold and said: "Li Shouyi, there is nothing about your Dharma Protector Pavilion here. You'd better leave it alone, otherwise don't blame me for being rude to you!"

Li Shouyi's face turned cold and his body became angry. In front of Chen Ping, he, the master of the Dharma Protector Pavilion, really had no face left in him!

It's okay if the Jiang family doesn't give face, but now they don't even give face to the Iron Gate Pavilion, which makes Li Shouyi feel that he has lost all face!

"Master Iron Pavilion, you must think clearly about the consequences of attacking me in the Dharma Protector Pavilion!"

Li Shouyi threatened the owner of the Iron Gate Pavilion with a gloomy face!

"Bah, don't fucking scare me. I can bear any consequences. I will definitely kill this kid today..."

As the Iron Gate Pavilion Master said, his body suddenly flashed with a faint golden light again. That layer of faint golden light was like armor, protecting the Iron Gate Pavilion Master's body.

When Li Shouyi saw this, his expression suddenly changed and he couldn't help but take two steps back: "Master of the Iron Hall, you... do you really want to do it?"

"Stop talking nonsense, get out of the way if you don't want to die!" The owner of the Iron Gate Hall shouted, and then his huge body rushed directly towards Chen Ping!

At this moment, a scream sounded: "Iron Beard, I've turned against you..."

Following this shout, a figure instantly arrived in front of the owner of the Iron Gate Pavilion and slapped the owner of the Iron Gate Pavilion on the face!

At this moment, everyone was stunned. The owner of the Iron Gate Pavilion also stopped and covered half of his swollen face with one hand!

Crash la la la la la la la la la la la la la la la.

Chapter: 558

At this time, dozens of people suddenly poured out and directly surrounded everyone in the Iron Gate Pavilion.

At this time, everyone saw clearly that the person coming was none other than Chi Feng, the master of the Red Phoenix Hall.

“Chi...Chifeng, our Iron Gate Hall and your Chifeng Hall have no grievances. You...why are you hitting me?”

Facing Chifeng, the owner of the Iron Gate Pavilion was obviously a little timid!

“Fart, you dare to be disrespectful to Mr. Chen and say that you have no grievances with me, Chifengtang, I’m...”

Chifeng said, raising his foot to kick the Iron Gate Pavilion Master, which scared the Iron Gate Pavilion Master and kept backing away!

“Chen...Mr. Chen?” The owner of the Iron Gate Pavilion looked at Chen Ping in surprise.

He didn’t understand why Chi Feng was so respectful to Chen Ping and even called him Mr. Chen!

“Iron Beard, take your men and get out immediately. If you let me know that you are causing trouble for Mr. Chen, I will expel your Iron Gate Hall from the Martial Arts Alliance and leave you with no place to stay in the provincial capital!”

Chifeng said fiercely to the owner of the Iron Gate Pavilion.

Although the owner of the Iron Gate Pavilion was unwilling to do so, he still led his people away in despair!

He doesn't have the guts to go against Chihotang. After all, Chihotang is also one of the four consuls in the Martial Arts Alliance. It would be too easy to drive their Iron Gate Hall out of the Martial Arts Alliance.

What's more, Chi Feng was so powerful that he knew he was no match, so he had no choice but to take people away!

"Mr. Chen, are you okay?"

After driving away the people from the Iron Gate Pavilion, Chifeng walked up to Chen Ping and asked respectfully.

Chen Ping smiled slightly and shook his head!

Seeing Chifeng being so respectful to Chen Ping, Gu Ling'er and Li Shouyi were dumbfounded. They all looked at Chen Ping in shock, their eyes full of disbelief!

"Pavilion Master Li, thank you for today!"

Chen Ping followed Li Shouyi and said.

In any case, Li Shouyi did stand up for himself today!

"You're welcome, I didn't do anything. Since it's okay, I'll leave!"

Li Shouyi smiled awkwardly and left quickly with others!

At this moment, Li Shouyi's heart felt like there were ten thousand cao nima running through him. He suddenly realized that it was best for him not to get involved in Chen Ping's matter. He originally thought that Chen Ping had no power, but he had just wanted to Chen Ping apologized to the owner of the Iron Gate Hall!

Now it seems that the power behind Chen Ping is no longer terrifying. Chi Feng, the majestic leader of Chi Feng Hall, was so polite to Chen Ping. Li Shouyi suddenly discovered that he was the least powerful party in the whole incident!

Chapter: 559

"How did you and that Chifeng know each other?"

On the way back, Gu Ling'er looked at Chen Ping with a strange expression and asked.

"How do we know each other?" Chen Ping pretended to be dumbfounded!

"Stop pretending to me, why is Chifeng, the master of Chifeng Hall, so polite to you? Don't tell me that she has a crush on you..."

Gu Linger was sitting in the passenger seat, staring at Chen Ping, as if she wanted to see something from Chen Ping's expression!

But at this time, Chen Ping's face was calm, without any fluctuation in his expression, and Gu Ling'er couldn't tell anything!

"You may have guessed right. Maybe that Chifeng likes me. After all, what woman doesn't like handsome guys!"

Chen Ping said with a playful smile.

“Stop being narcissistic. If you don’t say anything, then get off the car and ignore you from now on!”

Gu Ling’er threatens Chen Ping!

Chen Ping smiled helplessly and could only tell the story of following Gu Feng to the Phoenix Bar, where they had a conflict and met Chi Feng!

Of course, he couldn’t tell Gu Ling’er that Chi Feng was a subordinate of his Tianlong Palace. He could only say that he fought with Chi Feng and Chi Feng was reluctant to lose, so he became very respectful to him!

“You actually defeated Chi Feng?” After hearing this, Gu Ling’er suddenly became surprised!

“What’s so surprising about defeating her?”

Chen Ping looked at Gu Ling’er puzzled and asked.

“If you can defeat Chi Feng, you might be able to defeat Jiang Zhengzhong. Jiang Zhengzhong has stepped into the power of the Nei Jin Grandmaster very early, but this Chi Feng is not bad. I heard that he has also stepped into the Nei Jin Grand Master. If it is true In this way, you don’t have to be afraid of the Jiang family!”

Gu Ling’er’s face was full of excitement. If Chen Ping could really defeat Jiang Zhengzhong, everything would be easy to handle!

“What’s the point? I’ve said before that the Jiang family doesn’t take me seriously at all!”

Chen Ping said disdainfully.

“Okay, stop bragging. There is more than one Jiang Zhengzhong in the Jiang family. You should be careful.”

Gu Linger poured cold water on Chen Ping.

But Chen Ping didn't care. No matter what masters there were in the Jiang family, Chen Ping wouldn't take it seriously. After all, warriors and their cultivators were not on the same level, so there was nothing to be afraid of!

Back at Gu Ling'er's residence, it was already midnight. The somewhat sleepy Gu Ling'er took a shower and was about to go to bed, when Gu Feng came unexpectedly!

When Gu Feng entered the room and saw Chen Ping lying on the sofa, he screamed as if he had seen a ghost.

Chapter: 560

“Gu Feng, what are you doing here in the middle of the night? And you're yelling like crazy!”

Gu Linger shouted angrily at Gu Feng.

“Sister...sister...he...he...isn't he dead?”

Gu Feng trembled and pointed at Chen Ping on the sofa.

“Dead?” Gu Ling'er looked confused!

At this time, Chen Ping opened his eyes and looked at Gu Feng: “Who told you that I was dead?”

“If you offend Brother Long of Chifeng Hall, how can you still live? Did Brother Long let you go?”

Gu Feng asked incredulously.

Chen Ping smiled and ignored that guy Gu Feng. This guy was too cowardly!

“What are you talking about? It’s all your fault for taking him to some bar and provoking Chihodo, but he’s fine now!”

Gu Ling’er told Gu Feng about Chen Ping’s defeat of Chi Feng in the bar.

And the matter of Chifeng being respectful to Chen Ping was also followed by the ancient style!

When Gu Feng heard this, he suddenly became excited.

“Damn, brother-in-law, I didn’t expect that you were so awesome that you defeated Chifeng? Then even if we encounter people from Chifeng Hall, we can walk sideways?”

Gu Feng rushed to Chen Ping’s side, squatted down and looked at Chen Ping on the sofa.

Seeing that Chen Ping didn’t speak, Gu Feng continued: “Brother-in-law, why don’t you sleep in the same room as my sister? In this age, it’s normal for us to sleep together even if we’re not married, let alone sleeping, even if we have children out of wedlock. It’s no big deal!”

“Gu Feng, what are you talking about? I’ll kick you to death...”

Gu Ling’er’s face turned red with embarrassment, and she kicked Gu Feng hard.

Although he was kicked, Gu Feng still said: "Sister, you are too old-fashioned. No wonder you can't find a boyfriend at this age. Finally, my brother-in-law doesn't dislike you. You must know how to cherish it. How can you let him sleep on the sofa??"

"Brother-in-law, get up and I'll take you to a big hotel to make sure you sleep comfortably!" Gu Feng shook Chen Ping's body!

"No, I'm afraid I'll run into someone making trouble, so you run away first!"

Chen Ping said with his eyes closed.

When Gu Feng heard this, his face was filled with embarrassment, but he still said shamelessly: "Brother-in-law, I didn't run away, I went to find someone to save you!"

"Gu Feng, get out of here!"
