

The Order 5521

Chapter: 5521

“Okay, let’s hand over the things now...”

After Chen Ping finished speaking, he glanced at Luo Xi and said, “Let’s go. The formation has been broken. We can’t stop him at all.”

Luo Xi was surprised and looked at Chen Ping in disbelief. She didn’t understand why Chen Ping suddenly became like this?

Are you a little too timid?

Although the opponent is at the sixth level of the Tribulation Realm, with Chen Ping’s ability, it’s not like he can’t fight with a monk at the sixth level of the Tribulation Realm!

Why do you have to give in before you take action?

But Luo Xi didn’t say anything and could only follow Chen Ping out of the formation!

Seeing Chen Ping and Luo Xi walking out, the middle-aged man tested it with his spiritual sense and found that the formation had indeed been broken, so he walked in with confidence!

Looking at the weapons and the spirit beast eggs all over the floor, the middle-aged man laughed excitedly: “Hahaha, I’m getting rich, I’m getting rich...”

Although most of these weapons are damaged, they are magic weapons used by immortals after all. Even if they are damaged, they are still much stronger than ordinary weapons!

Chen Ping saw the middle-aged man’s excited look, so he pulled Luo Xi to leave!

“Wait a moment.....”

The middle-aged man stopped Chen Ping!

“We have given everything to you, what else do you want?”

Chen Ping asked the middle-aged man!

“How?” The middle-aged man sneered: “Of course I will kill you. There are too many things here. If I take them away, it will take time. But you two know this place. If you let you two go, Then don’t the others also know about it?”

“Don’t worry, we two won’t tell anyone.”

Chen Ping promised!

“Hahaha, I only worry about dead people.”

The middle-aged man laughed and said!

Seeing that the middle-aged man went back on his word and wanted to kill them, Chen Ping calmed down and said with a slight smile: “I knew you couldn’t let us go. Since you want to kill me, it is normal for me to kill you now.” .”

“Hmph, you, a small first-level monk in the Tribulation Realm, also want to kill me?”

The middle-aged man snorted coldly, not believing that Chen Ping had the ability to kill him.

“Don’t you want to think about how I handed you over to you and let you walk into this formation knowing that you would definitely kill us?”

Chapter: 5522

Chen Ping grinned, a bit sinister!

The middle-aged man looked at Chen Ping's smile and was suddenly shocked!

At this moment, the middle-aged man's facial expression began to become ferocious, and then he screamed.

"Ah...my head, my head..."

The middle-aged man screamed, feeling like there were insects crawling in his mind, eating away at his consciousness!

"Mr. Chen, he is..."

Seeing that the middle-aged man suddenly seemed crazy, Luo Xi asked in confusion!

"He was poisoned by my golden silkworm poison. It won't take long before he becomes a puppet body."

Chen Ping explained!

In fact, while talking to the middle-aged man, Chen Ping secretly released the golden silkworm poison!

When the middle-aged man walked into the formation, the golden silkworm poison quietly entered the middle-aged man's body in an instant!

But to deal with this guy, Chen Ping used all the golden silkworm poison!

Only the Golden Silkworm Gu Poison King Insect was left. All the Golden Silkworm Gu Poisons he cultivated with his own blood were now used, and Chen Ping felt a little pity!

But when facing a sixth-level monk in the Tribulation Realm, even if there is golden silkworm poison, the quantity must be sufficient. You must know that as the monk's realm improves, his spiritual consciousness will become more and more powerful!

Fortunately, the golden silkworm poison fed by Chen Ping's blood is quite powerful. Even a sixth-level monk in the Tribulation Realm can quickly eat away his spiritual consciousness!

After just a few minutes, the middle-aged man's eyes were lifeless, and all that was left of him was a shell!

Seeing this, Luo Xi wanted to destroy the middle-aged man's body with one palm, but was stopped by Chen Ping!

"Don't destroy this guy's body, I'm still useful."

After Chen Ping finished speaking, he stepped forward and placed the middle-aged man's body on one side of the formation!

I don't know what kind of pill Chen Ping stuffed into that middle-aged man's mouth, but from that middle-aged man's body, the aura of the sixth level of the Tribulation Realm was constantly emanating from the middle-aged man's body!

Chen Ping began to use the weapons on the ground to set up a new formation, and the white mist filled the air again!

However, this time, from the formation shrouded in white mist, the aura of the sixth level of Tribulation Realm continued to spread to the surroundings!

Chen Ping used the body of a middle-aged man to deliberately create a sixth-grade cultivator of the Tribulation Realm. As long as someone comes and feels that there is a sixth-grade Tribulation Realm cultivator in the formation, they might leave!

After arranging everything, Chen Ping told Luo Xi not to walk out of the formation easily, and then continued to absorb the immortal energy and practice!

Chapter: 5523

I don't know if other people didn't find this place, or because the breath of the sixth level of Tribulation Realm scared people away!

No one came here to harass him for three days, and Chen Ping was able to practice quietly for three days!

Even though Chen Ping's Heart Ning Jue is very abnormal, it still failed to absorb all the fairy energy in this area in three days!

Outside the battlefield of gods and demons, after the three-day protection period passed, a large number of monks began to enter the battlefield of gods and demons!

The number of monks in the battlefield of gods and demons suddenly increased!

And Xuanyin Sect also received a large amount of various resources and spiritual coins for this!

"Boss Cai, Mr. Miao, we have obtained the token to enter the battlefield of gods and demons. You can enter now."

After Ji Yun exchanged the spirit coins for the token, he said to Cai Hongwei and Mr. Miao!

The tokens of their group of more than a dozen people were all obtained by Ji Yun himself in exchange for spirit coins!

After all, Ji Yun is not short of spirit coins, and Chen Ping also explained that Ji Yun and Huo Feng are responsible for everyone's tokens!

"Mr. Ji, thank you so much."

Everyone followed Ji Yun to say thank you!

“No need to thank me, this is what Mr. Chen has explained. Another point is that after entering the battlefield of gods and demons, it will randomly drop anywhere, so even if we enter together, we may be separated.”

“I have some sound transmission jade slips here. Everyone should take one. If there is an emergency, we can notify each other.”

Ji Yun took out a bag of sound transmission jade slips and distributed them to everyone!

These sound-transmitting jade slips were all refined by Chen Ping. For other monks, this simple sound-transmitting jade slip was also a rare thing, but for Chen Ping, it was just a matter of casual refining.

Holding the jade slips, everyone stepped into the entrance of the battlefield of gods and demons and entered the battlefield of gods and demons!

In the battlefield of gods and demons, Chen Ping slowly opened his eyes, looked at the formation as before, and then asked: “Miss Luo, there hasn’t been much movement in the past three days, right?”

“There was no movement outside the formation, but the spirit beast egg seemed to move on its own.”

Luo Xi pointed at the spirit beast egg and said.

“Did you move on your own?”

Chen Ping looked at the spirit beast egg carefully, then stepped forward and touched it gently with his hand. He wanted to feel what was inside the spirit beast egg!

But just when Chen Ping’s hand touched the spirit beast egg, the spirit beast egg suddenly erupted into a colorful ray of light rising into the sky again!

When Chen Ping saw this, he was startled and quickly moved his hand away!

Chapter: 5524

If people find out and find them all here, it will be troublesome!

But Chen Ping didn't know that just when the colorful glow disappeared, not far away, there was a group of monks teleported here by the entrance of the battlefield of gods and demons!

These people are wearing the same clothes, and they are obviously from the same sect. The fact that one sect can get so many tokens is enough to show that the strength of this sect is not weak, at least there are a lot of resources or spiritual coins!

"Look, what is that?"

Someone saw the colorful glow and shouted loudly!

But when everyone looked over, the colorful glow had disappeared!

"What are you talking about? This is a battlefield between gods and demons. There are no rules. If you don't want to die, just keep a low profile."

A middle-aged man in Tsing Yi shouted sharply!

"Senior Brother, I just saw a colorful ray of light rising into the sky not far away, but it disappeared in a flash."

The person who was reprimanded said anxiously!

"Yes, I saw it too, but the colorful glow disappeared in a flash. Could it be that some treasure was born?"

Some people also spoke up and said they saw it!

Seeing that more than one person had seen it, the middle-aged man in green was also a little shaken, so he said: "Let's go over and have a look, but everyone should cheer up. There are everyone in this battlefield of gods and demons, so we must be careful."

"Even if you are of the same race, you must be careful. Human monks are often the most ruthless..."

After the instructions, this group of people flew towards the direction of the colorful rays of light rising into the sky!

After a while, a cloud of white mist appeared in front of them!

"Senior Brother, look, this is a vast area. Only here is a cloud of white mist gathering and not dissipating. There must be something wrong."

Someone said loudly!

The middle-aged man in green clothes had already discovered the white mist, and his spiritual consciousness spread out, but he found that his spiritual consciousness could not detect it at all.

It is obvious that there is a formation protection in this white mist, which prevents the divine sense from detecting it!

If there is a formation, it proves that someone is here, and the colorful rays of light just emitted from here. Maybe the treasure is within this white mist!

"Elder brother, let's rush in. There must be treasures inside. The colorful glow just now came from here."

Some people can't wait!

After all, a treasure that can emit colorful rays of light must be a priceless rare treasure!

Chapter: 5525

“No one is allowed to move. Since the opponent can set up such a formation, his strength must be good.”

“And we still don’t know who and how many people are here. What if we break in rashly and fall into a trap?”

The middle-aged man in Qingyi quickly stopped him!

Now his spiritual consciousness cannot detect the white mist, and he doesn’t know how many people are inside, so he doesn’t dare to rush in!

I saw the body of the middle-aged man in Qingyi falling rapidly, and then came to the edge of the white mist.

Slowly reaching out into the white mist, hoping to detect the situation inside the white mist in this way!

It’s just that this method can’t be detected at all!

However, from the white mist, the aura of the sixth level of Tribulation Realm is constantly emanating outwards!

This actually surprised the middle-aged man in Tsing Yi. After all, many people hide their identities in order to catch them by surprise!

But the people in this white mist are deliberately exposing their auras. How come there are still people doing this?

“Could it be that you want to scare us away with the aura of the sixth level of Tribulation Realm?”

The middle-aged man in Tsing Yi smiled coldly in his heart, and then said: "Fellow Taoist, we just stepped into the battlefield of gods and demons, and found a colorful ray of light rising into the sky. I wonder what kind of treasure it is?"

"Don't worry, we are just taking a look. Since our fellow Taoist has made the first move, we will never rob him. Our Tianlang Sect is definitely a person who keeps his word."

The sound reached the ears of Chen Ping and Na Luo Xi. After hearing about the Tianlang Sect, Luo Xi's face changed slightly!

"I didn't expect that people from the Tianlang Sect would also come. It seems that there are quite a few people coming to this battlefield of gods and demons in the entire heaven and human world."

Luo Xi said!

"What? Do you know people from the Tianlang Sect?" Chen Ping asked!

Chen Ping knew very little about the world of heaven and humans, and had no idea what the Heavenly Wolf Sect was!

"You know, this Tianlang Sect is a sect in the Western Region. These guys are the worst, and they don't keep their word. They are all lustful people."

"I followed my senior brother to the Western Regions and met people from the Heavenly Wolf Sect. I was still ill at the time and was almost tainted by the Heavenly Wolf Sect's people."

"Fortunately, my senior brother rescued me with all his strength, and the two of us escaped to the Northern Territory."

Luo Xi said with an angry look!

“The Tianlang Sect is actually such a person?” Chen Ping didn’t expect that such a person would dare to say that he kept his word and declared himself a member of the family!

“It turns out he is a fellow Taoist from the Tianlang Sect. I am disrespectful and disrespectful...”

Chapter: 5526

Chen Ping decided to play a trick on these guys from the Tianlang Sect, so he said!

The middle-aged man in green clothes heard the other party’s reply, and he was very polite. He thought he was frightened by the Tianlang Sect’s name, so he said with a proud face: “Fellow Taoist, I hope you can tear down the formation and let us see the treasure.” What a style.”

“If fellow Taoist has any concerns, I can go in by myself. I will never be tempted by fellow Taoist’s treasures.”

“Fellow Taoists must have heard of our Tianlang Sect. In the entire Western Region, our Tianlang Sect is the most honest sect.”

The middle-aged man in Tsing Yi boasted so much that Chen Ping almost couldn’t hold back his laughter!

“Of course I have heard of the name of the Heavenly Wolf Sect. There are legends about the Heavenly Wolf Sect throughout the world of gods and humans. It is said that all the disciples of the Heavenly Wolf Sect are big perverts and they will not even spare their own relatives.”

“So much so that women in the Tianlang Sect have now become public objects, and all members of the Tianlang Sect have become bastards...”

Chen Ping said calmly!

After hearing Chen Ping’s words, Luo Xi couldn’t help laughing. She really didn’t expect that Chen Ping would say this!

The young and middle-aged man was stunned for a moment, and then became furious: "Ah... brat, I'm going to kill you, I'm going to cut you into pieces."

"And the woman in this formation, I want to strip her naked and make her our slave..."

The middle-aged man in green roared angrily, and then waved his hand, and everyone else also dropped down!

These people surrounded Chen Ping's formation. With a wave of the young and middle-aged people's hands, these people all entered the formation together!

The reason why they are like this is to keep the people in the formation busy. Through the conversation just now, the middle-aged man in Tsing Yi has already guessed that there will not be many people in the formation!

Maybe there is only one man and one woman, in which case they rush in together and make the other party unable to react!

Seeing the other party entering together, Luo Xi's expression became a little nervous!

Seeing Luo Xi's nervousness, Chen Ping comforted him and said, "Don't be afraid. As long as these guys enter the formation, it will be a plaster. I have already set up the illusion array in the white mist. If they fall into the illusion array, they will be there." It's not scary anymore."

Luo Xi was comforted by Chen Ping, and then he felt relieved and nodded!

Then Luo Xi raised his sword and moved towards the intruding monks. Luo Xi's eyes were full of anger!

At this time, a Sirius Sect monk felt dizzy after entering the white mist, and then found that the white mist in front of him slowly disappeared!

I saw a girl with a graceful figure, very revealing clothes, and carrying a flower basket walking towards me with a smile!

Seeing the girl, the Sirius Sect monk suddenly grinned!

“Beauty, beauty, hurry up and find your brother. I’ll let you enjoy it...”

The monk ran towards the girl impatiently!

Chapter: 5527

At this moment, Luo Xi saw a Heavenly Wolf Sect monk running toward him with eyes full of fire and tears streaming down his face!

It looked like he had no defense at all, and he was taking off his clothes while running!

Luo Xi knew that this Tianlang Sect monk must have been trapped in the illusion array and was fascinated by it!

Looking at the lewd monk in front of him, Luo Xi’s anger became even more intense!

Then he raised his sword and stabbed it!

puff.....

The Wolf Sect monk was stunned that day, and the severe pain made him wake up.

When he saw a long sword pierced into his chest, his eyes were full of disbelief!

The Heavenly Wolf Sect monk’s eyes widened and he looked at Luo Xi in shock. He obviously recognized Luo Xi, but unfortunately he couldn’t say a word!

Blood kept pouring out of his mouth!

This Tianlang Sect monk desperately raised his hand to catch Luo Xi, but his body's strength was rapidly draining away, and he couldn't even lift his hand!

Luo Xi gritted his teeth, suddenly pulled out his sword, and then slashed!

That Tianlang Sect monk had his head chopped off!

The head flew far away, the body fell directly to the ground, and even the life soul disappeared together.

Luo Xi looked at the corpse of the Heavenly Wolf Sect monk coldly, his eyes full of hatred and murderous intent!

Luo Xi picked up the sword and continued to hunt!

And Chen Ping was not idle either. He held the dragon-slaying sword and used the magic array to start hunting!

Chen Ping knew that the phantom formation could not trap these people forever. He had to take advantage of the fact that the opponent did not know the existence of the phantom formation to kill as many opponents as possible!

If the opponent is prepared, I'm afraid the phantom formation won't be as effective!

At this moment, not long after the middle-aged man in Tsing Yi entered the white mist, his expression suddenly condensed. He discovered something strange in the white mist!

"Illusion formation, I didn't expect that there is an illusion formation besides the formation. It seems that the opponent is a master of formation..."

The middle-aged man in green frowned, his eyes exuding a cold light!

As the senior brother of the Tianlang Sect, of course he must have some real abilities!

“Junior brothers, listen, we have fallen into the illusion formation. Everyone must concentrate and gather energy to avoid being affected.”

Chapter: 5528

The middle-aged man in Qingyi sighed with anger in his dantian, and then roared loudly.

This roar contained bursts of clear power, making everyone feel refreshed and wake up from the illusion!

Chen Ping’s eyes narrowed slightly when he heard the roar of the middle-aged man in green. It seemed that this guy had some tricks up his sleeve.

The phantom array was discovered so quickly, and sound waves can also be used to wake everyone up!

At this time, Luo Xi was raising his sword to stab a Tianlang Sect monk, but the voice of the middle-aged man in green made the Tianlang Sect monk wake up instantly!

Seeing Luo Xi holding a long sword and about to stab him, the Heavenly Wolf Sect monk suddenly stepped back, barely dodging Luo Xi’s sword!

But before the Heavenly Wolf Sect monk could be happy, a sword pierced his body directly from behind!

Seeing this, Luo Xi stepped forward and chopped off the head of the Wolf Sect monk that day!

It turned out that the person who stabbed this Tianlang Sect monk from behind was Chen Ping!

“Mr. Chen, these people have seen through the illusory formation, what should we do?”

Luo Xi asked.

“It’s okay. Let’s go back to the formation first. Even if they see through the illusory formation, they won’t be able to charge it in for a short time. I used these ancient weapons to set up the formation, which will be much more powerful.”

Chen Ping called Luo Xi to return to the center of the formation!

The people of the Tianlang Sect, in the white mist, no one dared to move for a while, because he couldn’t distinguish between reality and illusion!

“Elder brother, please think of a way, we don’t dare to move anymore.”

Someone shouted loudly!

“Yeah, I don’t dare to move. There is someone in front of me. I don’t know if it’s an illusion.”

“Who’s cutting me, blinding me?”

“Sorry, I thought it was an illusion.”

“I can’t see, the fog is too heavy...”

For a moment, many people from the Tianlang Sect started shouting, causing the middle-aged man in Tsing Yi to frown!

Now he must find a way to eliminate this mist, otherwise they may be trapped in this white mist!

I saw a cold light flash in the eyes of the middle-aged man in Qingyi, and he actually took out a very delicate small gourd from his arms. The small gourd was carved with a strange flower!

The middle-aged man in Tsing Yi clapped his palms and muttered something, and the little gourd started to grow in size with light emanating from it!

Chapter: 5529

When the small gourd became the size of a bucket, the middle-aged man in Qingyi opened the gourd, and a crazy suction force surged in, sucking the white mist directly in!

“Fortunately, I have this sky-swallowing gourd, otherwise I would be trapped here!”

The middle-aged man in green snorted coldly, looking at the gourd in his hand emitting divine light, constantly absorbing everything around him!

Soon, all the surrounding white mist was absorbed, and now everything appeared in front of you!

Only these members of the Sirius Sect discovered that they had been wandering around the edge, and there were several corpses of members of the Sirius Sect on the ground!

And dozens of people away, a monk stood motionless, exuding the aura of the sixth level of the Tribulation Realm!

Then the middle-aged man in green clothes turned his attention to Chen Ping and Luo Xi. Seeing that they were just newly promoted tribulation cultivators, the middle-aged man in green clothes looked away!

In his opinion, Chen Ping and Luo Xi were just followers, and the real master was the sixth-grade monk in the Tribulation Realm!

“Elder brother, look at the weapons all over the ground. They should all be magic weapons. We are going to be developed.”

A member of the Sirius Sect looked at the weapons on the ground and shouted excitedly!

“Don’t get too happy too early. Since the other party is so indifferent, he must be prepared. We can’t be reckless.”

The middle-aged man in green frowned and said!

They just rushed into the white mist in a daze, and several people died!

He can’t be reckless now. Since the other party is motionless, it proves that he is not afraid of them!

“Fellow Taoist, may I ask what sect you belong to? Our Tianlang Sect does not want to be your enemy, and I hope you will not misunderstand me.”

The middle-aged man in green took two steps forward, and then said to the sixth-level monk in the Tribulation Realm!

But the sixth-grade cultivator in the Tribulation Realm remained motionless and didn’t even say a word. He looked like a puppet!

But the aura of the sixth level of the Tribulation Realm on his body has been constantly being released, and it seems to be deliberately warning people like the Tianlang Sect!

“Elder brother, this guy is so crazy that he ignores you?”

Seeing that the other party did not speak, some members of the Sirius Sect became angry!

The middle-aged man in green also frowned and said, “Fellow Taoist, we just...”

“Stop fucking talking nonsense. Are you ignoring me even if you don’t see my master? Either get out or keep your life.”

“You are beeping, are you afraid to take action?”

Before the middle-aged man in green clothes could finish speaking, Chen Ping said with disdain!

Chapter: 5530

Luo Xi glanced at Chen Ping quickly. She understood that Chen Ping was trying to trick these people from the Sirius Sect!

The cultivator of the sixth level of Transcending Tribulation, who is their master, is now just a puppet, with only the aura exuding from his body, and has no strength at all!

“Okay, if that’s the case, don’t blame me for being rude.”

The middle-aged man in green clothes said, holding a sword in his hand, he stabbed towards the monk who was in the sixth level of transcending the tribulation!

The rest of the Tianlang Sect also stared nervously at the sixth-grade monk in the Tribulation Realm, completely forgetting the existence of Chen Ping and Luo Xi!

After all, the two people were too weak, so they were forgotten!

When the middle-aged man in green stabbed him, he found that the other party was still motionless, with no expression on his face!

The more the other party behaves like this, the greater the pressure on the middle-aged man in Qingyi. He really doesn’t know what the other party relies on!

Seeing the long sword in front of him, there was still no movement from the opponent, which made the middle-aged man in green feel unsure!

Even the members of the Sirius Sect who were watching looked puzzled, wondering why the other party didn't fight back?

"Hmph, stop pretending. Even if you have an indestructible body, I will penetrate you with one sword."

The middle-aged man in green snorted coldly and stabbed it hard!

He also thought that the other party must have some kind of indestructible body, so he was so confident!

puff.....

The long sword instantly passed through the body of the sixth-grade monk in the Tribulation Realm, directly piercing his heart!

The breath of the sixth level of Tribulation Realm also disappeared without a trace at this moment!

At this moment, the middle-aged man in Tsing Yi was a little dumbfounded!

He really couldn't understand, was this sixth-grade cultivator in the Tribulation Realm so easy to kill?

Even the rest of the Tianlang Sect were stunned and didn't know what was going on!

But when the middle-aged man in green saw the other party's dull eyes, he was suddenly shocked!

"It's broken, I've been fooled, this is a puppet..."

The middle-aged man in green suddenly stepped back, trying to pull out the sword!

But at this time, a figure had arrived at an extremely fast speed, and then a sword light slashed over!

At the critical moment, the middle-aged man in Tsing Yi's whole body erupted with turbulent aura, and then formed a barrier in front of him!
