

## The Order 5531

Chapter: 5531

And the figure slowly became clear, it was Chen Ping holding the dragon-slaying sword, slashing with one sword!

The dragon-slaying sword easily broke through the barrier, but the moment it broke through the barrier, the side of the middle-aged man in green was struck!

The sword light passed across the cheek and directly cut off the right hand of the middle-aged man in green who was holding the sword!

“ah.....”

After a scream, the middle-aged man in Tsing Yi retreated quickly, not caring about his weapon or broken arm!

“Elder brother.....”

Seeing this, everyone from the Tianlang Sect hurriedly ran over and supported the middle-aged man in green!

The middle-aged man in green looked at Chen Ping with cold eyes. He really didn't expect that Chen Ping, a first-level monk in the Tribulation Realm, would have such courage and speed!

It seems that he was fooled from the beginning. The protagonist here turned out to be Chen Ping, a first-level monk in the Tribulation Realm!

“You are young, but you are extremely insidious. You deliberately let me be fooled and took the opportunity to sneak attack on me. Do you think that sneak attack on me will allow you to win?”

The middle-aged man in green clothes narrowed his eyes slightly and said with murderous intent in his eyes!

“How can you fight with me now that your arm is broken? As the saying goes, catch the thief first and catch the king first. Of course I will attack you first.”

“And you call me insidious, but I am insidious, and I am better than you beasts like the Sirius Sect, right? Don’t you know how many women you have ruined?”

Chen Ping said with a gloomy look!

“Boy, you have the guts, but I have already remembered you. Even if I can’t kill you in this battlefield of gods and demons, when the battlefield of gods and demons is closed, I will cut you into pieces outside.”

“let’s go.....”

The middle-aged man in Tsing Yi broke his arm, so he didn’t want to get entangled with Chen Ping!

Although there are magic weapons everywhere here, there must be other treasures, but he knows that with these people and him being injured now, these treasures will become a disaster!

If they hold these magic weapons or treasures, someone will definitely attack them!

Therefore, the middle-aged man in Tsing Yi planned to stop the wound first and then make long-term plans!

“You want to leave? Have you asked me?”

When Chen Ping saw that the other party was actually leaving, he couldn’t help but snorted!

The middle-aged man in Tsing Yi was stunned, his brows knitted together and said, “Why, I don’t care about you anymore, do you still want to end it with us?”

“You don’t care about me, but I want to care about you...”

Chapter: 5532

After Chen Ping finished speaking, Luo Xi stepped forward with a sword.

“Do you still know me?” Luo Xi glared at the guys from the Tianlang Sect and shouted sternly!

The middle-aged man in Tsing Yi looked at Luo Xi and looked him up and down, but he didn’t seem to recognize him!

After all, they have played with many women, how could they recognize Luo Xi!

“I see.....”

At this time, a member of the Heavenly Wolf Sect recognized Luo Xi, and then whispered something into the ear of the middle-aged man in green!

“Oh, it turns out to be that little witch. No wonder it looks familiar to me, but I can’t remember it.”

“If someone hadn’t saved you back then, you would have become our plaything by now. Why do you still want to take revenge?”

The middle-aged man in Tsing Yi said frivolously to Luo Xi.

Luo Xi was furious and was about to charge forward with his sword!

Chen Ping stopped Luo Xi and said with cold eyes: “Let me help you deal with these beasts...”

“Boy, don’t think you can defeat me just because I broke my arm. I will let you know how powerful I am.”

The middle-aged man in green sneered, and suddenly bursts of red smoke came out from his broken arm!

It's like what happens after blood boils!

But the severed arm not far away, still holding on to the sword, started to shake, and finally suddenly flew up and connected directly back.

The wound is also nourished by spiritual energy and is healing at a speed visible to the naked eye!

"I didn't expect you were really capable..."

When Chen Ping saw this, he couldn't help but said!

"I originally wanted to find a place to regenerate the broken arm. Now that you are seeking death, I have no choice but to put the broken arm back together."

The middle-aged man in Qingyi wrote lightly!

Members of the Sirius Sect all have extremely abnormal physical recovery abilities.

"I didn't expect your Tianlang Sect to have such ability, but I will chop you into pieces to see if you can still be reborn."

The dragon-slaying sword in Chen Ping's hand erupted with bright golden light, and he was ready to take action at any time!

"Then let's try it..."

Chapter: 5533

The middle-aged man in green swung his long sword, and a sword beam went straight towards Chen Ping!

This time, the middle-aged man in Tsing Yi attacked with all his strength without any reservation, because he already knew the details of Chen Ping, so there was no need to hold back!

Seeing this, Chen Ping hurriedly turned his body to one side to avoid the sharp blow. Then, in the original space within his body, several original stars flashed at the same time!

Even the dragon crystal on Chen Ping's chest radiated a dazzling light!

Chen Ping knew that he could no longer have any reservations, he had to make a quick decision!

Chen Ping pointed at the Dragon-Slaying Sword in his hand, and the power of the divine dragon mixed with various origin auras poured into the Dragon-Slaying Sword!

"This... what kind of power is this? It's so terrifying..."

"Holy crap, what is that? It's a dragon..."

"Is this guy a first-level monk in the Tribulation Realm? Isn't he a big boss who hides his identity?"

Everyone in the Tianlang Sect felt the aura bursting out of Chen Ping's body, and they were all shocked!

Especially on Chen Ping's dragon-slaying sword, a golden dragon is slowly taking shape!

The middle-aged man in Tsing Yi's eyes widened with horror. He hurriedly waved his long sword and sent out several rays of sword light towards Chen Ping. However, he quickly retreated and distanced himself from Chen Ping!

This dangerous aura made him feel nervous!

Because this kind of aura is not like what a first-level monk in the Tribulation Realm can emit. It is obvious that Chen Ping is hiding his strength!

But the hidden strength prevented them from discovering it at all, which proved that Chen Ping's strength was far superior to them!

No wonder they wanted to leave, but Chen Ping stopped them and refused to let them go. It turned out that they were pretending to be pigs and eating tigers...

The middle-aged man in Tsing Yi quickly formed a shield in front of himself, hoping to resist Chen Ping's attack!

Roar.....

The golden dragon roared, and the sword rays wielded by the middle-aged man in green instantly shattered under the impact of the golden dragon!

At the same time, the entire void rolled, and the heaven and earth seemed to merge into one color, and everyone was under Chen Ping's majesty!

"kill....."

Chen Ping shouted angrily, resounding throughout the world, and the golden dragon roared and headed towards the middle-aged man in green!

The shields put up by the middle-aged man in green actually collapsed under the golden dragon!

The middle-aged man in Tsing Yi's eyes were full of horror. Seeing the golden dragon so close, his heart almost stopped beating.

Chapter: 5534

"Who are you? Who are you? What kind of power is this?"

The middle-aged man in Tsing Yi's face was full of doubts!

Because the power Chen Ping exploded has gone beyond the scope of spiritual power and contains multiple powers!

There are actually several kinds of original powers among them!

You must know that even for monks in the Tribulation Realm, it is very difficult to comprehend the origin, and it is impossible to open up the origin space, let alone comprehend several origins!

Now he actually felt several kinds of original power from Chen Ping's power, and there was also a power he didn't know about!

In fact, that unknown power is the power of the dragon!

The power of the divine dragon is the main one, supplemented by the original power!

The reason why Chen Ping used all his methods to kill in one strike would be troublesome if it lasted for a long time!

"I will not be killed by you..."

The middle-aged man in green roared angrily, and a gourd suddenly appeared in his hand. The gourd began to emit a sky-swallowing suction force!

The golden dragon was unprepared and was sucked directly into the gourd!

Seeing this scene, Chen Ping frowned slightly!

“Hahaha, no matter what your abilities are, as long as I have the Sky-Swallowing Gourd in hand, I can swallow everything for you...”

When the middle-aged man in Tsing Yi saw the golden dragon being sucked away by the sky-swallowing gourd, he burst out laughing!

Chen Ping looked at the gourd in the guy’s hand and knew that the gourd was definitely not a mortal object. It should be a celestial spiritual treasure and magic weapon!

After all, the world of heaven and humanity was once a battlefield for many gods and demons, so it is normal for some immortals’ spiritual treasures to fall and be picked up by others!

“Don’t be too happy too soon...”

After Chen Ping said that, he raised the Dragon-Slaying Sword in his hand again. The Dragon-Slaying Sword was surrounded by the power of the dragon, and a golden dragon was born again!

The middle-aged man in Tsing Yi suddenly looked panicked when he saw it!

The golden dragon produced by Chen Ping’s Dragon-Slaying Sword is just the condensed power of the divine dragon, not a real golden dragon, so even if the middle-aged man in green has the sky-swallowing gourd in his hand, it is of little use!

The golden dragon roared again, and the middle-aged man in Qingyi hurriedly opened the sky-swallowing gourd!

Jinlong was sucked in again, and the middle-aged man in Qingyi looked proud!

But soon, the smile froze on his face, because after the golden dragon, several sword lights instantly pierced his body!

Chapter: 5535

The golden dragon just now was just a cover. After the golden dragon, those sword rays are the killing move!

Looking at his penetrated body, the middle-aged man in Qingyi stared blankly at his body, his eyes full of disbelief!

“How could this happen? How could this happen?”

The middle-aged man in Tsing Yi couldn't believe that he was so easily pierced by the sword!

“Elder brother...”

Those people from the Tianlang Sect were all shocked when they saw their senior brother being penetrated!

puff.....

A mouthful of blood spurted out, and the aura of the middle-aged man in green was flowing away rapidly!

He looked at Chen Ping in disbelief, and finally his expression became extremely ferocious!

“Even if I die, I will hold you on my back...”

The gourd in the hands of the middle-aged man in Tsing Yi began to emit light and grew in size again!

When Chen Ping saw this, he couldn't help but frown. He could tell that this guy wanted to explode the sky-swallowing gourd in his hand!

“Quickly retreat...”

Chen Ping quickly pulled Luo Xi and wanted to take Luo Xi away!

But it was too late, the sky-swallowing gourd emitted thousands of auras and was on the verge of exploding!

Chen Ping could only activate his indestructible golden body, a layer of golden light to protect him in front of him, and then protect Luo Xi behind him!

boom.....

The sky-swallowing gourd exploded, and its power was comparable to that of an aerial bomb!

In an instant, the scattered weapons on the ground were blown away like darts, the earth cracked, and the magic circle set up by Chen Ping also disappeared instantly!

The air wave soaring into the sky directly knocked Chen Ping away. Fortunately, he had an indestructible golden body to protect him, and Chen Ping's physical strength prevented him from being hit by the Chamber of Commerce!

Luo Xi, who was protected by Chen Ping, was not hurt at all, but was knocked far away and looked very embarrassed!

But the other members of the Tianlang Sect were in misery. They were thrown away by the air wave of the explosion, and many people were directly killed or injured. Only a few who were breathing were seriously injured!

I have to say that the middle-aged man in Tsing Yi was so ruthless. In order to let Chen Ping be buried with him and to prevent Chen Ping from getting the Sky-Swallowing Gourd, he even ignored his junior brothers!

If it weren't for Chen Ping's indestructible golden body protection and his physical strength, the explosion just now would probably have been a disaster!

Chapter: 5536

“Miss Luo, are you okay?”

Chen Ping asked Luo Xi!

“It’s okay. Thank you Mr. Chen. If you hadn’t been protecting me from the front, I would have died long ago.”

Luo Xi knew that without Chen Ping, she would have died long ago!

“It’s okay!”

After Chen Ping finished speaking, he quickly ran back!

He wanted to see what happened to the spirit beast egg. It would be a pity if the spirit beast egg was affected by the explosion!

When Chen Ping returned, the scene was already in a mess. There was a huge pit on the ground, and piles of weapons were scattered far away!

Some weapons even turned into powder and disappeared without a trace!

As for the middle-aged man in Tsing Yi, he turned into air, not even a scum was left!

But when Chen Ping looked at the spirit beast egg, he found that the spirit beast egg was intact and had not even moved. It was amazing!

You must know the power of the explosion just now. Even an eighth-level monk in the Tribulation Realm would be blown away far away, but a spirit beast egg did not move at all!

Chen Ping stepped forward to pick up the spirit beast egg and inspect it, but when he thought of the colorful glow that would emit when he touched the spirit beast egg, Chen Ping stopped and did not dare to move!

If someone with evil intentions is attracted at this time, Chen Ping may not be able to deal with it.

Following the fight with the middle-aged man in green, Chen Ping almost exhausted his strength and now he is in urgent need of recovery!

With a thought, Chen Ping put the spirit beast egg directly into the storage ring!

Anyway, we can't stay here anymore, and the weapons have been blown to pieces, and the original rich fairy energy is no longer there, so Chen Ping has no need to stay any longer!

Luo Xi also came over at this time, looking at the scene, he was very scared!

If it weren't for Chen Ping, she didn't know what would have happened to her!

"Mr. Chen, let's leave. The explosion just now will probably attract a lot of people."

Luo Xi reminded Chen Ping!

"Okay!" Chen Ping nodded and prepared to leave with Luo Xi!

"Help, help..."

Several members of the Sirius Sect who were seriously injured but not dead were calling for help!

Chapter: 5537

Chen Ping glanced at the seriously injured members of the Sirius Sect, then looked at Luo Xi, and then walked aside alone!

He knew what Luo Xi was going to do next, so he didn't want to put pressure on Luo Xi from the side!

When Chen Ping walked aside, Luo Xi walked up to the members of the Heavenly Wolf Sect with anger in his eyes!

The long sword in his hand passed by, and the heads of the severely injured members of the Sirius Sect flew high in an instant and rolled to the ground!

In the world of gods and humans, no one will be merciful, and no one will be kind to women!

Because the story of the farmer and the snake is being played out every moment in the world of gods and humans.

No one knows how to be grateful...

There are very few people who know how to be grateful, especially in the face of absolute benefits!

Luo Xi killed everyone in the Tianlang Sect, and felt relieved as he let out a heavy breath!

"Let's go, I'm afraid someone is coming..."

Chen Ping called Luo Xi and left!

Just as Chen Ping and the others left, a burst of black mist rolled in, and then the black mist turned into a big hand, tearing a hole in the void!

Along with the surge of breath, a figure slowly appeared from the void!

This person is Qi Peijia. The explosion just now attracted Qi Peijia!

And beside Qi Peijia, there was Liu Xueyi, who looked pale!

After this guy used the blood escape technique to escape, his level dropped directly to the third level of the Tribulation Realm, and his aura was much weaker. He looked like he was seriously ill!

“Mr. Qi, the sound just now sounded like something exploded. What explosion made it so terrifying?”

Liu Xueyi asked Qi Peijia!

Qi Peijia didn't speak, but looked at the messy scene around him, as well as the tattered weapons scattered on the ground!

These weapons themselves are all incomplete. They were just affected by the explosion, and many of them were already in tatters!

“There are some corpses there, look who they are...”

Qi Peijia discovered the bodies of those from the Tianlang Sect, so he said to Liu Xueyi!

Liu Xueyi nodded, then went over to check and found out the identity of the other party from his clothes!

“Mr. Qi, these are all people from the Tianlang Sect. Some people were obviously affected by the explosion and their internal organs were shattered and died, but some people had their heads chopped off...”

Chapter: 5538

Liu Xueyi said cautiously!

Qi Peijia looked at the dead people, then at the scene, then slowly closed his eyes, and gently crossed his forehead with one hand!

As Qi Peijia's forehead shone with light, there was an extra eye on Qi Peijia's forehead, just like Erlang Shen!

Seeing this scene, Liu Xueyi was so frightened that he swallowed his saliva!

Qi Peijia's eyes on his forehead began to blink, and soon the world turned gray in Qi Peijia's eyes!

And in this gray world, everything that just happened has left an afterimage!

"Tian...Tian Mingyan?"

Liu Xueyi's face was full of shock. You must know that this Tianming Eye is a secret skill of the Demon Clan. It is said that it has been lost for a long time. He doesn't understand how Qi Peijia can have Tianming Eye!

However, Liu Xueyi made up his mind at this moment and must follow Qi Peijia well and serve Qi Peijia well!

Maybe Qi Peijia can help him recover after the battlefield of gods and demons is closed!

After a while, the eyes on Qi Peijia's forehead slowly disappeared, and then he slowly opened his eyes!

"It turns out it was the kid named Chen Ping who did it. This guy was really lucky. He didn't know what kind of treasure he got, so he put it away and ran away."

Qi Peijia said coldly!

“Did Chen Ping do it?” Liu Xueyi was stunned: “Master Qi, what kind of strength is Chen Ping able to kill so many Tianlang Sect monks?”

“I couldn’t see the process of their fight, but those monks who were beheaded were Na Luo Xi.”

“It seems that I want to increase the power of Tianming Eye as soon as possible, but the time to see it now is still too short.”

Qi Peijia frowned slightly. If his eyes were stronger this time, he would be able to see Chen Ping and the others fighting, and he would also be able to understand how Chen Ping did it and defeated these Tianlang Sect monks!

“Then what should we do next?” Liu Xueyi asked!

“Of course I’m chasing him. I must catch up with that kid. There must be other secrets in that kid’s body!”

After Qi Peijia finished speaking, he took Liu Xueyi and chased in the direction where Chen Ping and the others disappeared!

Chen Ping and Luo Xi ran all the way, because he knew that there would be danger following behind!

Chen Ping took Luo Xi to a secluded place, drew a magic circle, and began to recover quickly!

Chen Ping took out all the resources in the storage ring regardless of the cost!

All kinds of immortal grass and spiritual stones were quickly absorbed by the crazy absorption of the Heart Condensation Art!

Chapter: 5539

But for Chen Ping, although he has the fairy grass spirit stone, it will probably take some time to recover as before!

If there is enough immortal energy at this time, you can recover quickly, but where can you find such rich immortal energy now!

Chen Ping thought, and his eyes couldn't help but focus on the spirit beast egg!

This spirit beast egg has absorbed thousands of years of immortal energy. If you eat this spirit beast egg, you will definitely recover immediately!

Chen Ping stared at the spirit beast egg in a daze, wondering if he should eat the spirit beast egg!

In this battlefield between gods and demons, dangers are everywhere. If Chen Ping cannot recover as soon as possible, or if he is targeted by someone, he will be in trouble!

Just when Chen Ping was staring at the spirit beast egg in trance, the spirit beast egg may have felt the danger, and it shook slightly, and then a large amount of fairy energy came out from the spirit beast egg!

Chen Ping was stunned and suddenly laughed. He didn't expect that although the spirit beast egg had not yet hatched, it was conscious and could even guess his own thoughts!

At this time, Chen Ping wanted to know what kind of little guy was in this spirit beast egg!

The spirit beast egg was filled with fairy energy, and Chen Ping was absorbing it crazily, and the various powers in his body were also recovering quickly!

But just as Chen Ping was recovering quickly, a terrifying aura suddenly came from far away. Chen Ping knew that a master was coming!

Before Chen Ping could react, the other party was already approaching!

It turned out to be Qi Peijia, and the person following Qi Peijia was Liu Xueyi!

Seeing Chen Ping and Luo Xi, Liu Xueyi's eyes were full of fierceness!

"Good boy, I finally found you. Today I have to cut you into pieces and torture this little girl Luo Xi to death..."

Liu Xueyi gritted his teeth and said!

You must know that the practice after the Tribulation Realm is very difficult. Now that Liu Xueyi has used the Blood Escape Technique, his level has dropped directly to the third level of the Tribulation Realm. It will be difficult for him to rise up in the future.

That's why this guy is so resentful towards Chen Ping and Luo Xi.

Qi Peijia did not speak, but stared closely at the magic circle set up by Chen Ping!

"A mere first-level cultivator in the Tribulation Realm has actually deployed such a perfect formation. It seems that you are really special."

Qi Peijia's eyes narrowed slightly and he said!

"Young Master Qi, stop talking nonsense with them and kill Chen Ping directly. When we leave the battlefield of gods and demons, I, the Blood Spirit Summit, will help Young Master Qi and massacre the entire Blood Spirit Valley."

Liu Xueyi can't wait!

He wanted to see Chen Ping's tragic death as soon as possible. Another reason was that he wanted to catch Luo Xi as soon as possible and enjoy it!

Chapter: 5540

He has liked Luo Xi for many years, but Luo Xi has always liked Jin Dong, and Liu Xueyi has never had a chance!

Now that Jin Dong is not in the battlefield of gods and demons, and no one in the Blood Spirit Valley is here, he can do whatever he wants!

Thinking that he would be able to hold Luo Xi under him for a while, Liu Xueyi's mouth started to cry!

Seeing Liu Xueyi's disgusting look, Luo Xi wanted to stab him to death with a sword!

Qi Peijia gave Liu Xueyi a cold look: "Are you ordering me?"

Qi Peijia's eyes flashed with coldness, and Liu Xueyi was instantly frightened to the point of trembling all over!

"No, no, no, I don't dare..."

Liu Xueyi quickly shook his head and stood aside like a pug and stopped talking!

Qi Peijia once again set his sights on Chen Ping, with a cold smile on his lips!

I saw the aura outside Qi Peijia's body rising like a strong wind in an instant!

The color of the sky and the earth changed, the air waves continued to surge, and Liu Xueyi beside him was blown back!

"break....."

Qi Peijia shouted angrily and suddenly waved his hand!

He wanted to forcefully break Chen Ping's formation. To break the formation, finding the eye of the formation was the easiest way to break it!

But Qi Peijia actually wanted to forcefully break the formation. The reason why he did this was to show his strength in front of Chen Ping!

In the void, streams of black mist condensed and quickly turned into a huge devil's hand!

As Qi Peijia pressed down his palm, the huge palm also fell suddenly!

When this palm fell, the entire void trembled, and Chen Ping frowned slightly, and instantly activated the Indestructible Golden Body!

Golden light flashed out, forming a golden protective shield around the formation!

“There is still some real ability...”

Looking at Chen Ping's golden and indestructible body, Qi Peijia sneered!

Chen Ping, on the other hand, had a solemn look on his face, because this Qi Peijia was so strong, he should be at least at the eighth level of the Tribulation Realm!

It is not normal at all to be so young and still a casual cultivator, but to suddenly have such high strength!

You must know that Qi Peijia was not as good as Jin Dong in the past, so he was thrown into the Demon Swallowing Cave by Jin Dong!
