

The Order 5551

Chapter: 5551

Chen Ping cursed, turned around and ran away!

Six identical Chen Pings ran away from different directions. Chen Ping wanted to abandon several clones at the scene to buy himself time to escape!

Seeing six identical Chen Pings running away in different directions, Qi Peijia was not in a hurry to chase after him, with a bit of disdain on his face!

I saw Qi Peijia's palm gently brushing his forehead, and an eye slowly appeared on his forehead, and the eyes on his forehead opened along with it!

The whole world turned gray and colorless in this eyes!

Chen Ping, who was escaping, suddenly felt that the color between heaven and earth had changed, and then he felt like he was being targeted!

"Tian Ming Eye, Mr. Chen, if you open the Tian Ming Eye, your clone will be useless!"

Seeing this, Zhe Yan hurriedly reminded him!

Chen Ping looked back and found that Qi Peijia was heading towards him. Those clones disappeared directly under Tian Ming's eyes. Only Chen Ping's body was still there!

When Chen Ping saw this, he simply stopped running. He knew he couldn't escape even if he ran!

Qi Peijia walked over slowly, the eyes on his forehead had disappeared!

“Why don’t you run away?”

Qi Peijia smiled coldly!

“I don’t want to run anymore. I can’t outrun you even if I run. Your Tianming Eye is too powerful...”

Chen Ping sighed and said!

“I didn’t expect you to know about Tian Ming Eye. It seems that you still have some eyesight.”

“Since you won’t run away, just do as I say. I guarantee that you will die comfortably and without any pain.”

“Otherwise, I will pull out your soul and torture you...”

Qi Peijia threatened Chen Ping!

Many magic cultivators also ran over. When Liu Xueyi saw Chen Ping give up on escaping, he said happily: “Boy, aren’t you awesome? Why are you so honest now? You should do as Mr. Qi said, otherwise You will feel better.”

Chen Ping glanced at Liu Xueyi with disdain and said: “We are talking, why is your dog barking? I really can’t beat him, but if I want to kill you, believe it or not, it’s just a matter of raising my hand?”

“you.....”

Liu Xueyi looked at Chen Ping’s eyes and was frightened for a moment. He slowly retreated behind Qi Peijia!

Liu Xueyi knew that what Chen Ping said was true. If Chen Ping desperately killed him now, Qi Peijia might not be able to stop him!

Chapter: 5552

So Liu Xueyi was afraid and stopped provoking Chen Ping!

Ning Caichen, who was not far away, saw this scene and said anxiously: "Ancestor, should we help Mr. Chen?"

"No need..." Ning Zhi shook his head!

"Ancestor, when we were in the far north, Mr. Chen also helped our Ning family. We can't just ignore him, right?"

Ning Caichen said!

If Ning Caichen had not been cooperating with Chen Ping at that time, Ning Caichen would have been killed by the Five Elements Heavenly Evil of the Demonic Alliance!

"Don't worry, this Chen Ping won't die that easily..."

Ning Zhi stared at Chen Ping tightly and said calmly!

Ning Caichen was stunned and looked at Ning Zhi with some doubts. He didn't understand how his ancestor knew that Chen Ping would not die?

And it looks like he is very familiar with Chen Ping!

"Boy, do you want to understand? Do you want to be obedient, or do you want me to do something?"

Qi Peijia said to Chen Ping!

“I have never compromised with anyone. Don’t talk about you, a small eighth-level Tribulation Realm, even if you are an immortal in front of me, so what?”

“I can’t beat you, and I will definitely rub you with snot all over your nose, which will disgust you to death...”

Chen Ping said with fierce eyes!

“Boy, you have talent, I want to see what else you can do.”

Qi Peijia smiled coldly!

“I’m telling you, uncle, I have a lot of abilities. I will show them all to scare you to death...”

After Chen Ping finished speaking, a long whip suddenly appeared in his hand!

Just when Qi Peijia didn’t know what kind of weapon Chen Ping was holding a whip in his hand!

Chen Ping whipped towards Qi Peijia!

Qi Peijia did not dodge, with disdain in his eyes, because he knew that with Chen Ping’s strength, he could not be hurt at all!

Now that he is wearing black magic armor again, Chen Ping’s weapons are useless!

But when the magic whip came in front of him, Qi Peijia was stunned, with a bit of panic in his eyes!

Chapter: 5553

Because the aura emanating from the magic whip could not penetrate the black magic armor and reach directly into his sea of consciousness!

Snapped.....

As the magic whip struck Qi Peijia's body hard, Qi Peijia groaned and took three steps back!

Qi Peijia felt as if his soul had been hit hard!

The feeling was so painful that he could hardly breathe!

As for the other demon cultivators, even if they were not hit by the magic whip, just the breath of the magic whip made these people's hearts tighten, as if they had been punched by someone!

"What kind of weapon do you have?"

Qi Peijia asked with a slight frown!

"This is a magic whip, specially designed to beat you demon cultivators..."

Chen Ping smiled coldly.

"Crack the magic whip?"

Qi Peijia's eyes narrowed slightly: "No wonder my black magic armor can't stop it. It turns out it's specifically designed to attack our demonic cultivators."

"Since you know how powerful you are, why don't you hurry up and get out, or I'll beat you to death."

Chen Ping raised his magic whip and said!

“Hahaha, you are so naive. Even if you have a magic whip, do you think you can defeat me?”

Qi Peijia burst into laughter.

“If you can, just try it and you will know...”

After saying that, Chen Ping whipped towards Qi Peijia again!

Upon seeing this, the other demonic cultivators turned around and ran away, hiding far away, for fear of being made uncomfortable by the breath of the demonic whip.

When Qi Peijia saw this, he quickly retreated, but the magic whip seemed to have eyes and kept chasing Qi Peijia!

Qi Peijia grabbed a demon cultivator and threw it out suddenly!

The two demon cultivators shouted and bumped directly into the demonic whip!

Bang!

Before the two demon cultivators could react, it exploded in mid-air, and the blood all over the sky turned into a ball of red blood mist!

Chapter: 5554

Drawing the demonic whip and being surrounded by the blood of the demonic cultivator, the aura that suppressed the demonic cultivator was actually isolated!

“The devil is coming...”

Qi Peijia roared and vomited black blood from his mouth!

This mass of black blood mixed with the blood mist in the sky and began to expand rapidly!

As the black blood continued to twist, it seemed to come to life and turned into a humanoid monster with a ferocious face!

As soon as the humanoid monster appeared, he roared and reached out to grab Chen Ping's magic whip!

The aura on the magic whip couldn't restrain the demon that appeared!

This demon is an illusion. Chen Ping's demonic whip cannot attack the demon's consciousness. After all, this guy has no consciousness!

The devil waved lightly, and Chen Ping whipped out the magic whip and was thrown away, and then hit the ground heavily!

As soon as Chen Ping got up, the demon rushed over again and slapped Chen Ping with his palm!

Chen Ping swung the magic whip. This time, the magic whip was filled with fire, and the fierce flames were burning!

He whipped the devil's wrist hard with the magic whip, and the fire instantly surrounded the devil!

When Qi Peijia saw this, he sneered: "Demon Zhihuo, do you think you can hurt my demon with this thing?"

Sure enough, after Qi Peijia finished speaking, the demon was covered in flames and he still slapped it down with his palm!

Chen Ping's body retreated quickly, and then he rolled to avoid the blow, looking very embarrassed!

Qi Peijia waved his hand, and the demon instantly turned into a pool of black blood and disappeared!

“Boy, I’m getting more and more curious about you. I didn’t expect you to have so many treasures on your body. What other treasures are there? Take them out together and let me see them...”

Qi Peijia became so playful that he didn’t want to kill Chen Ping right away!

He wanted to see what treasures Chen Ping had yet to use.

Chen Ping stood up slowly, put away the magic whip, and looked at the Qi armor with cold eyes!

“It seems that I need to let you truly see my strength.”

Chen Ping’s expression was as cold as ice, and he seemed to be making some kind of decision in his heart!

“Hahaha, hurry up and use it. I really want to see your true strength.”

Qi Peijia laughed wildly!

Chapter: 5555

But soon, Qi Peijia’s smile solidified on his face!

Because he felt an extremely dangerous aura, and then he saw that Chen Ping had a bow in his hand at some point!

“This...is this the God King’s Bow?”

Feeling the terrifying aura, Qi Peijia finally had a look of fear on his face!

Chen Ping didn't say anything. He was forced to reveal the Divine King Bow. After all, if such a thing were revealed, Chen Ping would definitely become the enemy of the entire heaven and human world!

Everyone wants to get the God King's Bow, so Chen Ping has to be wary of everyone at all times!

Fortunately, this is a battlefield between gods and demons. As long as he kills everyone in front of him, the secret of his God King's Bow will not be revealed!

At this moment, Chen Ping's eyes were full of murderous intent!

"God King's Bow? Oh my God, how can he have God King's Bow?"

"This aura is so terrifying. Who is he? Why does he have the God King's Bow?"

"What realm is this guy in? It's absolutely impossible to be at the first level of the Tribulation Realm."

Everyone was shocked when they saw the God King Bow!

Even Ning Caichen, who was hiding not far away, saw the God King Bow that Chen Ping suddenly took out, his eyes widened and his body trembled slightly: "God King Bow, I actually saw the God King Bow?"

"What is the God King's Bow?"

Ning Zhi asked Ning Caichen!

Ning Caichen was stunned for a moment, then frowned slightly and said, "Ancestor, don't you know the God King Bow?"

Ning Zhi quickly explained: "I have been sleeping for so many years, and I can't remember many things..."

Ning Caichen had no doubts, so he said: “This God King’s Bow is an ancient thing. It is said that it was used by Hou Yi to shoot the sun. It fell from the heaven to our world of heaven and man, many years before the war between gods and demons! ”

“There have always been legends about the God King’s Bow in the Heaven and Human Realm, but not many people have actually seen the God King’s Bow. The person who gets this bow will definitely become the master of a region, or even the master of the entire Heaven and Human Realm.”

“.....”

Ning Zhi listened to Ning Caichen’s words quietly, and was very shocked in his heart. He didn’t understand how Chen Ping got such a peerless magic weapon not long after he came to the world of heaven and humans!

However, Ning Zhi also felt that this rumor was a bit exaggerated. Hou Yi used it to shoot the sun. Hou Yi used a sun-shooting bow, which ranked third among the top ten weapons in ancient times!

When Ning Zhi was in the secular world, he had read a lot of books, so he still knew a little bit about it!

But seeing these people’s fear of the God-King Bow also proves that this God-King Bow is also a very powerful weapon!

Chapter: 5556

At this time, the power in Chen Ping’s body surged, and he put one hand on the bow string and slowly pulled the God King’s bow!

“open.....”

With Chen Ping shouting loudly, the God King’s bow was fully drawn without Chen Ping!

Waves of terrifying aura were like a storm, beginning to sweep towards the demon cultivator in front of him!

On top of the God King's bow, a stream of light arrows appeared, not just one, but countless light arrows, each with an unrivaled aura!

brush.....

Chen Ping relaxed his hand lightly, and countless arrows of light transformed again in the void, directly becoming overwhelming and turning into a blaze of brilliance, and the arrow feathers could not be distinguished!

This piece of brilliance enveloped all the demonic cultivators, and every arrow of light was filled with a horrifying and fierce evil aura!

It's as if there are countless evil ghosts baring their teeth and claws!

"How the hell is this the bow and arrow Hou Yi used to shoot the sun? This is obviously a weapon used by the demons."

Ning Zhi's eyes narrowed slightly and he said!

You know, Ning Zhi is also half a demon. Now the light arrow is full of evil energy, and when Chen Ping pulls the God King's bow, he also uses the evil energy from the Dao pattern in his body!

Ning Zhi was very familiar with this kind of aura, but he really couldn't figure out who this Chen Ping was? Why can he have multiple auras in his body?

At this moment, countless arrows were heading toward Qi Peijia and the others!

At this moment, the faces of all the demon cultivators changed drastically, and their legs were trembling!

There were even demon cultivators who were so frightened that they collapsed on the ground!

They have never experienced this terrifying feeling!

You must know that Chen Ping is just a guy in the first level of the Tribulation Realm. Anyone they can pick out is at a higher level than Chen Ping!

But now Chen Ping was so scared that he almost peed his pants!

“Run quickly...”

“Help, this guy is not human...”

“Wait for me.....”

Many demon cultivators no longer dared to follow Qi Peijia, and even Liu Xueyi was rolling around trying to escape!

However, Chen Ping’s murderous intention was determined at this time, and it was impossible to let these people escape, otherwise the news that he owned the God King’s Bow would be leaked!

Chapter: 5557

Countless arrow feathers are carrying evil spirits, sweeping like waves!

The entire radius of several miles was filled with white brilliance, falling crazily like a heavy rain!

These demon cultivators have no way to escape and no place to escape!

As soon as Chen Ping took action, he didn’t want to let them live!

Between heaven and earth, only the sound of swishing could be heard, as well as the panicked shouts of those demon cultivators!

Puff puff.....

The arrow feathers fell, without any pause, directly penetrating the bodies of those demon cultivators!

There was no time to scream, and there was no way to escape!

All the demon cultivators were directly pierced into flesh by the arrow feathers in the sky. The arrow feathers disappeared, and the ground was covered with pools of flesh and blood!

At this moment, Chen Ping was like a murderous god, his body above the void more than ten feet tall, looking at everything in front of him indifferently!

Qi Peijia's pupils shrank, and countless arrow feathers fell on him, and the black magic armor was like a bottomless abyss, swallowing up those arrow feathers!

Chen Ping pulled the God King's bow again, and another burst of light arrows shot out. Qi Peijia's face showed a bit of difficulty!

Now he and Chen Ping are competing with each other to see who can last until the end!

But soon, the black magic armor on Qi Peijia slowly changed. The bottomless abyss-like darkness on the black magic armor began to slowly swallow Qi Peijia!

In the end, Qi Peijia's figure disappeared, leaving only darkness. The darkness gradually faded away and disappeared without a trace!

When Chen Ping saw this, he fell from the void, his face was extremely pale!

At this time, the earth was silent, and there was a strong smell of blood in the sky. The puddles of meat on the ground made people sick!

Chen Ping stood blankly. He didn't know whether Qi Peijia was dead or not!

However, he felt that Qi Peijia would not die so easily. He must have used some kind of magic to escape!

"Come out....."

Chen Ping held the God King's Bow and looked not far away, where Ning Caichen and the others were hiding!

Chen Ping's eyes were sharp, and the murderous intention in his body had not subsided!

"Mr. Chen, don't get me wrong. I was just worried about your safety, so I followed you here..."

Feeling the killing intent in Chen Ping, Ning Caichen appeared and said quickly.

Chapter: 5558

Chen Ping said nothing and stared at everyone in the Ning family!

Chen Ping was hesitant. If he let everyone in the Ning family go, he was afraid that his secret would be leaked!

But if he takes action, Chen Ping can't bear it. The most important thing is that Chen Ping is afraid that he won't be able to pull the God King's bow!

Feeling the murderous aura on Chen Ping's body and his cold expression, Ning Caichen began to sweat on his forehead!

He understood the importance of the Divine King's Bow, and also understood Chen Ping's decision to reveal the Divine King's Bow at the end, and to kill everyone!

The atmosphere fell into embarrassment for a while!

"Don't worry, you have the secret of the God King's Bow, and no one in our Ning family will leak it."

"And even if you want to kill people and silence them now, you may not be able to do so."

"If you take action, both sides will suffer in the end, and no one will survive. It's meaningless!"

Ning Zhi broke the silence and said!

And as soon as he opened his mouth, he talked about Chen Ping's pain point, and Chen Ping had to look at him again!

Chen Ping looked at Ning Zhi for a long time, and then slowly put away the God King's bow!

"Master Ning, don't follow me anymore, it will be very dangerous..."

After Chen Ping finished speaking, he left without looking back!

Chen Ping is actually very weak now. He needs to find a place to recover as soon as possible. Being able to save his life with the God King Bow is already very good!

If the God King's bow doesn't work, Chen Ping can only use the dragon pattern bell, lock himself in it, and slowly wait to die...

Looking at Chen Ping's leaving figure, Ning Caichen felt mixed emotions in his heart!

Seeing the God King's Bow, Ning Caichen was struggling in his heart. Who doesn't want this kind of ancient magic weapon?

If Chen Ping was particularly weak, Ning Caichen didn't know if he would be tempted to snatch the God King's bow!

"You want to get the God King's Bow, but now is not the time. If you had done it just now, no one would have survived..."

Ning Zhi had already seen Ning Caichen's thoughts and said slowly!

Ning Caichen was stunned for a moment, but quickly lowered his head. Ning Caichen was a little embarrassed because his ancestor had read through his thoughts.

After all, just now he said that Chen Ping saved him, but now he is doing the opposite, thinking about robbing Chen Ping's things!

But in the world of gods and humans, human nature often reveals its ugliest side!

Chapter: 5559

"puff....."

Chen Ping, who had left not long ago, spat out a mouthful of blood with a pop!

The whole person was exhausted to the extreme, and his head was so dizzy that he almost fainted!

Zhe Yan in the sea of consciousness kept calling Chen Ping to keep Chen Ping awake!

Just now, Chen Ping was just holding on in front of everyone in the Ning family. If he showed such weakness, Chen Ping knew that the Ning family would definitely not be able to withstand the temptation of God King Gong and attack him!

Especially the ancestor of the Ning family, Chen Ping always felt very familiar to him, but he couldn't see through him!

He stumbled like this for who knows how long. Chen Ping couldn't hold on anymore and fell to the ground with a thud!

Just when Chen Ping fell, a figure appeared quickly. This person was Luo Xi who had escaped. Looking at Chen Ping who had fainted, he directly carried Chen Ping on his back and left!

At this moment, where Chen Ping was fighting with Qi Peijia, five people hurried over!

At a glance, these five people all exude the aura of the seventh level of the Tribulation Realm. Five of them are at the seventh level of the Tribulation Realm. They can be considered masters!

One of the guys with a lion's head and body was staring around, his eyes sharp!

"Lion King, this is the battlefield between gods and demons. How could there be the aura of the God King's bow? I think you are mistaken?"

"I found that you became nervous after the God King's Bow was taken away from the Valley of the Dead."

"This is the battlefield between gods and demons that has been opened up, another dimension. How could the God-King Bow appear here?"

Said a guy with a sallow complexion and spots all over his face!

"Leopard King, you know nothing. Couldn't the guy who took away the God King's bow also enter the battlefield between gods and demons?"

“If that’s the case, it’s normal for the aura of the God-King’s Bow to exist in the battlefield between gods and demons.”

Another old man with a sharp mouth and monkey cheeks sneered!

“Monkey King, aren’t you afraid when you say this? If the guy who took away the God King’s bow really enters the battlefield of gods and demons, I think we should leave this battlefield of gods and demons as soon as possible.”

“Otherwise, no one among us would be able to escape if someone draws a bow and shoots arrows...”

The Leopard King said to the old man with a sharp mouth and monkey cheeks!

“My feeling is not wrong. The God King’s Bow must have appeared. Now as long as we find who took the God King’s Bow, we can get the God King’s Bow back.”

The Lion King trusts his feelings!

“Lion King, it’s not that I’m spoiling the fun. Even if you take back the God King’s bow, will you be able to pull it?”

Chapter: 5560

“The God King’s Bow has been embedded in the Valley of the Dead for so many years. You can’t even take it off. You still want to take the God King’s Bow. I don’t think your efforts are in vain. We’d better find something we can use in this battlefield of gods and demons. It’s a treasure.”

The Leopard King said playfully!

The Lion King gave the Leopard King a cold look, but didn’t say anything!

“Okay, we all should act quickly. We finally have the opportunity to enter the battlefield of gods and demons, so don’t waste it.”

“Nowadays, the power of the demons is getting stronger and stronger, and the hatred and pursuit of the demons by the human monks has become less and less, and some have even reached cooperation.”

“We, the orc tribe, are the weakest now. We must unite in the future, otherwise our lives will be very difficult in the future.”

Said a middle-aged man with starry eyebrows and sharp eyes and a red face!

“The Thousand-faced Demon King is right. We orcs must unite. I heard that Mingli Royal City and Yihe’s Demon Imperial City are fighting again.”

“It’s been very lively this time. It’s likely that both sides will suffer losses. These two guys are the weakest, but they fight the most happily. They have been fighting each other all day long, and they haven’t put their energy into practicing.”

A woman dressed very coquettishly said!

This is the only female among the five!

“Fox Princess, I think among our Three Sovereigns and Four Kings, you are the most evil-minded. You plot others all day long. You got this position by sleeping, right?”

The Monkey King chuckled.

The Fox Queen’s face turned cold and her eyes were filled with murderous intent as she said, “You stinking monkey, you want to sleep, but I won’t let you sleep...”

“Okay, stop arguing. We will act separately. If there is an emergency, contact each other immediately. This time on the battlefield of gods and demons, we must find more treasures to improve the overall strength of our orcs.”

The Thousand-faced Demon King said solemnly!

A few people nodded and then dispersed. It seemed that they all respected the Thousand-faced Demon King!

On the other side, Chen Ping was carried by Luo Xi and quickly crossed the wasteland and came to a land of mountain peaks!

The environment here has changed, the mountains are undulating, and there are still green trees. It is easy to find a place to hide.

Luo Xi carried Chen Ping to a cave. Looking at Chen Ping, who was pale and unconscious due to serious injuries, Luo Xi was also a little helpless!

She didn't understand medical treatment either, so she could only watch Chen Ping helplessly, hoping that Chen Ping would wake up safely!

In this way, Luo Xi stayed by Chen Ping's side, but it had been a day and a night, and Chen Ping didn't make any movement at all!

At this time, Luo Xi was a little anxious. It had been so long and Chen Ping hadn't woken up yet, so he might never wake up again!

If Chen Ping doesn't wake up, Luo Xi won't treat Chen Ping. He can only wait for Chen Ping to wake up and heal himself!
