

The Order 5561

Chapter: 5561

Just when Luo Xi was anxious, he suddenly felt something moving outside the cave!

Luo Xi frowned, her heart in her throat. Then she waved her palms gently, covering Chen Ping with a breath, and she walked out of the cave!

Now that Chen Ping was unconscious and his breath was very weak, Luo Xi used his own breath to cover up Chen Ping's breath so that others could not detect Chen Ping's breath!

Just when Luo Xi walked out of the cave, a cold light suddenly flashed in front of him!

Luo Xi didn't even have time to react. He took a deep breath and a strand of hair fell from the top of his head!

Luo Xi's expression changed drastically, and he quickly touched his body and found that there was no wound!

"It turns out there is a little witch hiding in this cave. I thought there would be some big prey..."

A woman with a very voluptuous figure and heavy makeup appeared in front of Luo Xi.

And behind this woman, there was actually a white fluffy tail. Luo Xi knew at a glance that the woman was an orc!

"Who are you? I am Luo Xi from the Blood Spirit Valley, and the owner of the Blood Spirit Valley is my father..."

Luo Xi announced her family name, just hoping to scare the other party and prevent the other party from harming her!

Because Luo Xi could feel that the opponent's strength was much higher than hers. If this woman hadn't been merciful just now, Luo Xi's head would have been moved!

"Giggle..." the woman laughed: "You don't have to move the Blood Spirit Valley to scare me. If I want to kill you, I don't care who you are."

"My name is Bai Qian, and many people like to call me the Fox Queen..."

"Fox Princess?" Luo Xi was stunned, and his face instantly turned extremely ugly!

Seeing Luo Xi's expression, Bai Qian seemed to have guessed something. She smiled lightly and said, "Little witch, have you heard about me?"

Luo Xi nodded!

"Then what have you heard about me?" Bai Qian continued to ask!

"I....."

Luo Xi didn't dare to say it. After all, the rumors outside were very unpleasant!

"You don't have to be afraid. I've heard the rumors about me outside. You just have to speak boldly."

Bai Qian put away the charm on her body and even the white fluffy tail behind her. She looked at Luo Xi like a big sister next door and said.

Seeing the changes in Bai Qian's body, Luo Xi felt more at ease, so he said: "It is rumored that you are a witch who specializes in absorbing the essence of men for training. You are also ruthless, killing people on sight, and eating children..."

Bai Qian, who was originally smiling, suddenly turned ferocious when she heard the word “eating children!”

Chapter: 5562

When Luo Xi saw this, his heart tightened, and cold sweat broke out on his forehead!

“Damn it, these bastards, even if they say that I sleep with men, they actually say that I eat children?”

“I love children the most. How can I eat children? These old guys, whose strength has been surpassed by a woman like me, feel that they lose face, so they spread rumors about me.”

“I want to find out who spread the rumor about me eating children, and I have to skin him.”

Bai Qian’s eyes widened with anger, as if she wanted to kill someone!

After a while, Bai Qian’s anger disappeared, and she once again put on a smile and said, “Little witch, do you think I am as good as the rumors say?”

Luo Xi shook his head: “It’s not like...”

“Hahaha, you girl is still too naive. Just because I smile at you, do you think I’m not that kind of person?”

“I really don’t know. You are so innocent. How dare your father leave you here? There are no rules in this battlefield between gods and demons. If you encounter bad guys, with your strength, aren’t you a lamb to be slaughtered?”

“What are you doing in this cave? Why don’t you follow your father?”

Bai Qian asked!

“I...I...I’m waiting for my father and the others. They went treasure hunting. My strength is too low, so I’m waiting for them here. They should be back soon.”

While Luo Xi was talking, his eyes were always peeking into the hole subconsciously!

Bai Qian could tell at a glance that Luo Xi was lying, so she asked with a smile: “What’s in the cave? Is there any treasure you found?”

“No, nothing...”

Luo Xi quickly shook his head and said!

Bai Qian didn’t believe it and walked towards the cave, while Luo Xi hurriedly stopped Bai Qian!

Seeing this, Bai Qian became more convinced that there was something inside the cave, so she said, “Do you think you can stop me?”

After saying that, Bai Qian waved his hand, and a force directly pushed Luo Xi aside!

Bai Qian walked into the cave and saw Chen Ping lying on the ground!

“I didn’t expect that you would have a secret meeting with a handsome man at such a young age. No wonder you are so nervous. Is this man your boyfriend?”

Bai Qian said, then looked at Chen Ping!

“No, he is not my boyfriend. We are just ordinary friends. Mr. Chen was injured and I brought him here.”

Luo Xi quickly explained!

Chapter: 5563

“Are you injured?” Bai Qian said, squatting down to check on Chen Ping!

Bai Qian reached out and touched Chen Ping’s chest. This startled Luo Xi, and she slapped Bai Qian with one palm!

“Don’t touch Mr. Chen. As long as I’m still alive, I will never let you touch him...”

Luo Xi roared angrily. Chen Ping had saved her life. Of course Luo Xi could not watch Chen Ping being harmed!

“You little witch, why are you so nervous? I’m just checking his injuries.”

Bai Qian didn’t even look back. With a gentle wave of her hand, a surging breath blew Luo Xi aside!

Luo Xi wanted to move, but found that he was suppressed by a force and couldn’t move at all!

Bai Qian reached out and gently pressed Chen Ping’s chest!

Those snow-white and delicate palms, along with Chen Ping’s bronze chest, formed a very stimulating visual impact!

But just when Bai Qian injected a breath into Chen Ping’s body, suddenly a white light flashed across Chen Ping’s chest, and Bai Qian’s body seemed to be pushed back by a strong force!

Bai Qian took several steps back before stopping, and then looked at Chen Ping in shock!

On Chen Ping’s chest, the dragon crystal shone with light, and a dragon roar even sounded from within his body!

Bai Qian was a little stupid, she didn't expect it to be like this!

She just injected a piece of beast power into Chen Ping's body, but she didn't expect Chen Ping's body to respond!

She didn't even expect that Chen Ping actually had the blood of the orcs!

"The bloodline of the Dragon Clan..."

Bai Qian's eyes became hot, and she stared at Chen Ping, as if she wanted to swallow Chen Ping!

Luo Xi felt the changes in Bai Qian. She wanted to stop it, but she was powerless!

Bai Qian waved her hand, and a barrier suddenly appeared, cutting off Luo Xi. She couldn't even see what was going on inside!

"Dragon bloodline, it seems that my opportunity has come. I will heal your wounds, and you will make my bloodline stronger..."

Bai Qian said and actually started to take off her clothes!

Then he gently fell on Chen Ping. Bai Qian wanted to use this method to restore Chen Ping, and Bai Qian could also use Chen Ping's dragon bloodline to combine with her, making her own bloodline stronger. !

Luo Xi was outside. She didn't know what Bai Qian would do to Chen Ping. She was already scratching her head anxiously!

But she didn't expect that Chen Ping was already being ridden by Bai Qian!

Chapter: 5564

An hour later, Bai Qian was already sweating profusely!

And Chen Ping's pale face began to turn rosy, and his physical strength recovered a lot!

Slowly, Chen Ping opened his eyes!

But the moment he opened his eyes, he saw a woman's face in front of him, looking at him with a smile!

"Are you awake?"

Bai Qian said with a smile!

"Who are you?" Chen Ping was startled and hurriedly stood up and backed away!

But when he stepped back, he found that the clothes on his body were missing!

Chen Ping was stunned and looked at Bai Qian's expression when he looked at him. Chen Ping seemed to understand something!

He never thought that he would be humiliated by a woman...

And he was still in a coma!

"Who are you?"

Chen Ping quickly put on his clothes and asked with a murderous look on his face!

Seeing the murderous look on Chen Ping's face, Bai Qian chuckled: "Look, none of you men are good. Just now I even ruined my own innocence just to save you, but you don't appreciate it at all. Are you so cruel to me?"

“You save me?” Chen Ping frowned slightly: “Who are you? Why did you save me?”

Now Chen Ping only remembers that he passed out, but he doesn't remember what happened next!

Moreover, Chen Ping used the Divine King Bow, so he had to be wary of everyone who appeared around him!

Who knows if these people are coming for God King Bow!

“My name is Bai Qian, you can also call me Fox Princess. I saved you because of your dragon bloodline, so you don't have to thank me too much...”

Bai Qian said very straightforwardly!

“Bai Qian? Fox Princess?” Chen Ping frowned, and a divine consciousness instantly enveloped Bai Qian. Bai Qian did not resist and allowed Chen Ping to investigate her!

“You are an orc, are you one of the Three Sovereigns and Four Kings, just like the Demon Emperor Yihe?”

Chen Ping asked!

“That guy Yihe can't compare to me in strength now. He's only focused on scheming with King Li and has forgotten to practice...”

Chapter: 5565

“How do you know Yihe? What's up with the dragon blood in you? Are you really a dragon?”

“But I feel that there are many kinds of auras in your body. What is going on?”

Bai Qian asked Chen Ping doubtfully!

While having an in-depth exchange with Chen Ping, Bai Qian discovered that Chen Ping had several kinds of auras in his body, not just the power of the dragon.

“Don’t ask me yet, what exactly did you do to me?”

Chen Ping asked seriously!

“I didn’t do anything. I just let our two bloodlines merge. This way, my bloodline can become stronger, and my practice will be more effective with half the effort.”

“But you kid, don’t think that I took advantage of you. I am innocent. No man has ever touched me. Moreover, your breath was extremely weak at the time. If no one cared about you, you would have died.”

“I have saved you now and used your bloodline, so the two of us are even, but I am also very lucky to be united with the son of the dragon for the first time.”

After Bai Qian finished speaking, he removed the barrier with a wave of his hand!

Luo Xi was still anxious and at a loss outside. When he saw that the barrier was removed, he rushed in quickly!

She was mentally prepared. If Chen Ping was sucked and fucked by that Bai Qian, then she would not be able to live anymore, so she would follow Bai Qian to death!

But as soon as Luo Xi rushed in, she was dumbfounded because she saw Chen Pingsheng standing in front of her vigorously!

“Mr. Chen, are you...are you awake?”

Luo Xi said with surprise!

“Miss Luo, I’m fine, why are you here?” Chen Ping asked with confusion on his face!

“Mr. Chen, you passed out. I brought you here.”

Luo Xi said!

“Did you bring me here?” Chen Ping was stunned and pointed at Bai Qian: “What about her?”

“She was just passing by and bumped into her.”

Luo Xi explained!

Only then did Chen Ping realize that it was Luo Xi who rescued him, but then he met Bai Qian and let this guy take advantage of him!

“Now you’re awake and you’re fine. We don’t owe each other anything. I’m leaving...”

After saying that, Bai Qian left without looking back!

Chapter: 5566

Just like a scumbag, he just leaves after playing...

Luo Xi looked at Chen Ping with a confused expression and asked, “Mr. Chen, do you know this Fox Princess?”

“do not know.....”

Chen Ping shook his head!

“Since we don’t know each other, how can she say that you two don’t owe each other? What’s going on?”

Luo Xi was confused. She could never imagine what the two people had done in more than an hour!

After all, the two of them are strangers to each other. In the eyes of a little girl like Luo Xi, they would never think of this!

“Don’t ask, let’s follow her now...”

After Chen Ping finished speaking, he chased after her directly!

Luo Xi was puzzled as to why Chen Ping was chasing the Fox Princess, but Luo Xi still followed her!

In this battlefield between gods and demons, Luo Xi is afraid that she will be in danger if she doesn’t follow Chen Ping!

Bai Qian had not gone far when Chen Ping caught up with him!

When Bai Qian saw Chen Ping catching up, he asked with a bit of fun: “What? You have already suffered a loss. Do you want to do it again?”

“You took advantage of me while I was unconscious. You can’t just slap your butt and walk away.”

“I want to follow you. After all, we have a special relationship now, not to mention that you have a part of me in your blood!”

Chen Ping acted like a little man and insisted on following Bai Qian and letting Bai Qian take responsibility!

Seeing Chen Ping like that, Bai Qian laughed loudly and said: "Haha, what are you thinking in your heart? Do you think I don't know? You have exhausted your energy and blood and are unconscious. You must have met a strong enemy. Now you are lying Are you looking at me, do you want me to protect you?"

Seeing that Bai Qian had seen through it, Chen Ping suddenly seemed a little embarrassed!

"You don't have to be embarrassed, I can protect you, but there is a condition." Bai Qian said!

"What conditions?"

Chen Ping asked!

"I can protect you during this time on the battlefield of gods and demons, but you must sleep with me every day. I want my bloodline to become stronger and stronger."

"If I am lucky enough to be pregnant and give birth to a son of a dragon, it will be worth it to me."

"I like children the most..."

Chapter: 5567

Bai Qian stated the conditions again!

After hearing this, Chen Ping was dumbfounded!

What kind of condition is this?

Want to have a baby?

Chen Ping had never thought about having a child!

He was followed by Ji Ruxue, Ge Jiayi, Ge Yuhan, Han Qing'er, they all went through ups and downs, and they didn't hear any movement in anyone's stomach!

Is it because I can't do it?

Thinking of this, Chen Ping had cold sweat on his forehead!

He had never thought about this problem, but now that Bai Qian mentioned it, Chen Ping started to think about it!

"What are you doing, mother-in-law and mother-in-law? Do you agree?"

Bai Qian saw that Chen Ping was silent, so she asked!

Chen Ping's face was full of helplessness. He didn't expect that his dignified son of a dragon, the master of the Tianlong Palace, would end up being blackmailed by a woman!

You have to sell your appearance to be safe!

"Okay, I promise you, sleep every day..."

Chen Ping nodded helplessly!

There is no way, he must find a helper now, because Chen Ping knows that Qi Peijia is definitely not dead, and will definitely find him!

And if word spreads that he owns the God King's Bow, more people will come looking for him!

As for Cai Hongwei and Miao Lao, although they can help him, they are too weak to fight against Qi Peijia!

But this Bai Qian is different. With the strength of the seventh-level Tribulation Realm, if he really encounters Qi Peijia, he will definitely have the strength to fight. Plus Chen Ping, Qi Peijia will definitely not be his opponent!

Seeing that Chen Ping agreed, Bai Qian smiled lightly and said, "Then you follow me..."

"Mr. Chen, why are you running so fast..."

At this time, Luo Xi was panting and caught up!

Seeing Luo Xi, Bai Qian said: "This little witch doesn't care, I'm not getting any benefits..."

"No, I promised Valley Master Luo that if I want to take care of his daughter, I will never leave Miss Luo alone."

Chapter: 5568

Chen Ping shook his head firmly, he could not leave Luo Xi alone!

In that case, it would be difficult for Luo Xi to survive to the end in the battlefield between gods and demons!

Bai Qian looked at Chen Ping in disbelief: "I didn't expect that your boy is still a warm-hearted person who keeps his word, so let her follow him."

"But if you add one more person, you need to get some sleep..."

Chen Ping frowned, then looked at his physique, nodded and said: "Add more, whoever is afraid of whom..."

It's already like this anyway, I don't care about getting another night's sleep!

Listening to the conversation between the two, Luo Xi was a little confused and said: "Mr. Chen, what does extra sleep mean?"

"Oh, it's not interesting. Just follow me. Don't run around..."

Chen Ping said a little embarrassed!

"Oh!" Luo Xi nodded!

Chen Ping and the three of them were walking through the mountains. Wherever there were treasures in this battlefield between gods and demons, it all depended on luck!

But at this moment, Chen Ping felt a lot more relaxed. At least he didn't have to worry about Qi Peijia anymore!

Chen Ping suddenly felt that it felt good to be taken care of!

The mountains are endless, green trees are everywhere, and streams are flowing. The environment is very beautiful!

It would be great to practice in a place like this, but at this moment, none of the three of them are in the mood to enjoy the beautiful scenery. They all dispersed their consciousness and focused on the treasure, for fear of missing it!

"There should be good things ahead..."

Suddenly, Chen Ping said something!

Bai Qian and Luo Xi looked at Chen Ping at the same time!

“The aura in front is obviously different from the others. It seems much richer. There should be a treasure there.”

Chen Ping explained!

Bai Qian glanced at Chen Ping: “A young monk at the first level of the Tribulation Realm, can his spiritual consciousness be so sharp? I didn’t even notice it...”

Bai Qian didn’t quite believe it. Even if Chen Ping was a dragon, he was only in the first level of Tribulation Realm. How could it be possible that she didn’t notice it and Chen Ping discovered it?

“If you don’t believe it, just keep moving forward and you will know...”

After saying that, Chen Ping walked straight forward!

Chapter: 5569

Bai Qian and Luo Xi followed Chen Ping!

After walking a certain distance, suddenly a buzzing sound from the formation sounded!

On the ground, rays of brilliance spread out, and then these brilliance gathered together and rose into the sky. Then Chen Ping saw a towering tree rising from the ground!

Just now, it was a scene of lush green trees, but now it changed its appearance. The surrounding trees quickly disappeared, replaced by a towering tree!

Around the towering tree, there is a piece of scorched earth, with no grass growing. It seems that all the nutrients have been absorbed by the towering tree!

This towering tree also showed signs of decline. The leaves on the tree were dry, but the apple-sized fruits on the tree were extremely plump and looked mouth-watering!

It seems that the whole tree is supplying the dozen or so fruits on the tree, so that the tree is somewhat withered.

Chen Ping gently stepped forward and gently pressed one hand on the tree trunk. A stream of rich fairy energy entered his body instantly!

This is a fairy tree, accompanied by the surge of fairy energy, and the fruits are surrounded by fairy mist, which looks beautiful!

“There is such a big fairy tree here, and there are so many fairy fruits. I really made a fortune...”

Chen Ping couldn't help but feel excited!

Luo Xi looked at the towering tree in front of him with surprise on his face. He was very puzzled and said: “This tree is so huge, why didn't you find it just now? It seems that you can only discover its existence when you walk in...”

Chen Ping was also very surprised: “Could it be that this fairy tree has been discovered a long time ago and was deliberately set up to prevent others from seeing it?”

“This blinding trick was set up by the fairy tree itself. Who would set up this kind of blinding trick when the battlefield between gods and demons opens every few years. A fairy tree of this size should have survived for at least a thousand years and should have independent spiritual consciousness, so it's still very simple to lay a simple cover-up.”

Bai Qian looked at the fairy tree in front of him and said!

“You have spiritual intelligence? Are you so awesome?”

Chen Ping looked at the big tree in front of him in disbelief!

“Then what is this kind of tree called? And what are the fruits on the tree?”

Luo Xi asked curiously!

“This fruit should be the Qingling Fruit, which can improve your cultivation and sense of the world. Monks like us in the Tribulation Realm can easily understand the origin after eating this Qingling Fruit.”

Bai Qian said!

“So powerful? Can you understand the origin?” Luo Xi was stunned, and his eyes were filled with excitement!

“I’ll pick such a powerful fruit and share a few with you...”

Chen Ping looked at the excited Luo Xi and said!

Chapter: 5570

After all, Chen Ping has opened the origin space and has several origins. This fruit is not of much help to him!

But it’s different for Luo Xi!

“Mr. Chen, thank you very much...”

Luo Xi said happily!

But just when Chen Ping was about to go up the tree to pick fruits, he was directly picked up and thrown aside by Bai Qian!

“Do you have your share of this fruit? You have to position yourself...”

After Bai Qian finished speaking, he jumped into the tree!

More than a dozen fruits were quickly picked by Bai Qian!

Seeing Bai Qian’s domineering look, Chen Ping dared not speak out in anger, but now he had to swallow his anger!

Luo Xi’s face was full of disappointment, but he still comforted Chen Ping and said: “Mr. Chen, it’s okay if I don’t want this fruit...”

Luo Xi was afraid that Chen Ping would feel guilty, so that’s why he said this!

“It’s okay. I’ll get two for you. I discovered so many fruits. It’s okay to have two.”

Chen Ping said, stepped forward and said to Bai Qian: “Bai... Miss Bai, there are so many fruits, do you think you can give two to Miss Luo?”

“I don’t have to, I’ll give the rest to you. If I encounter any treasures later, I won’t fight with you...”

Bai Qian looked at Chen Ping and smiled faintly: “What? Are you so interested in that little witch? Do you like her...”

“No!” Chen Ping shook his head!

“For the sake of you finding out, I can give the little witch a few pills, but you have to give me something in exchange...”

Bai Qian smiled and said!

“What can I exchange for?” Chen Ping didn’t know what Bai Qian wanted!

“What do you think?” Bai Qian stepped forward and gently touched Chen Ping’s face!

Chen Ping understood instantly and could only say helplessly: “Change one pill at a time. You give Miss Luo two pills first, and I will add two more...”

“Giggle...” Bai Qian laughed: “It seems that you are a lot more sensible, so I will give her two...”

Bai Qian said and threw two fruits directly to Luo Xi!

Luo Xi was very happy when she held the Qingling Fruit, but she didn’t know that Chen Ping had exchanged his own body for these two Qingling Fruits!
