

## **The Order 5571**

Chapter: 5571

“Let’s go quickly. The formation here has been broken, and it was even more glorious just now. I believe someone has noticed this place!”

Bai Qian said!

But Chen Ping did not leave immediately. Instead, he stepped forward and gently stroked the tall tree that looked a little dry!

Waves of immortal energy entered Chen Ping’s body through the thick tree trunk!

Although this towering tree looks withered, the fairy spirit inside is very strong!

As the saying goes, a skinny camel is bigger than a horse!

“If you don’t leave yet, what are you doing?”

Bai Qian saw Chen Ping hugging the tree and not leaving!

“There is fairy energy in this big tree, I want to absorb some fairy energy...”

Chen Ping said!

“There are so many treasures in this battlefield between gods and demons. Such a little fairy energy makes you greedy. Do you have any future?”

Bai Qian looked at Chen Ping helplessly!

“You can’t just let the donkey do the grinding without letting the donkey eat grass, right? I’m so tired every day. How can I bear it if I don’t absorb some immortal energy?”

Chen Ping said very dissatisfied!

Seeing this, Bai Qian rolled her eyes and said, “You can eat whatever you want. We will rest here today...”

After saying that, Bai Qian lightly swiped her finger towards the towering tree, and a tree hole was cut on the trunk!

People can rest well inside, and they can also absorb the fairy energy in the tree!

Bai Qian entered the tree hole and called Chen Ping in too!

Luo Xi went to the side, slowly tasted the Qingling Fruit, and then felt the energy of heaven and earth, the original power!

If you can open the original space and realize the power of the original source, that would be great!

Luo Xi didn’t notice that at this moment, there were bursts of gasping sounds in the tree cave!

It took two hours for the sound to disappear!

After Chen Ping had taken good care of Bai Qian, he began to run the Heart Condensation Technique desperately, absorbing the immortal energy in the tree trunk as quickly as possible!

Before you know it, one night has passed!

Chapter: 5572

This night, Chen Ping was tortured three times!

Fortunately, he had the immortal energy to supplement it, otherwise Chen Ping would really be a bit overwhelmed!

However, Bai Qian became more and more hydrated and charming, and the blood in her body began to become stronger!

“ah.....”

Suddenly, Luo Xi screamed!

When Chen Ping saw this, he rushed out in a hurry. He saw Luo Xi yelling at this moment, with excitement on his face!

“Miss Luo, what’s wrong with you?” Chen Ping asked in confusion!

“Mr. Chen, I...I opened the origin space and realized the origin...”

Luo Xi said happily!

“Really? What is the origin of your understanding?”

Chen Ping was also very excited. He didn’t expect Luo Xi to use only two Qingling Fruits to open the original space and realize the original power!

“What I understand should be the origin of blood...”

Luo Xi said, gently touching the void with one hand, and the entire void seemed to be rippled, starting to ripple in all directions!

When these circles of ripples passed through Chen Ping's body, Chen Ping's body suddenly shook unconsciously!

Then a dragon roar came from nowhere, and Chen Ping felt the blood in his body begin to boil!

"What...what's going on?"

Chen Ping's face was full of surprise!

"Mr. Chen, I just realized the origin of blood. I haven't mastered it very well yet, but I can detect your dragon bloodline."

As Luo Xizheng was talking, Bai Qian also walked over!

Seeing Bai Qian coming over, Luo Xi tapped the void with her finger again, and the ripples started again. When they passed through Bai Qian's body, Bai Qian's body was startled, and a fox demon figure instantly appeared above his head!

It's just that the figure of this fox demon is not very clear, only a vague outline can be seen!

"Hey, how come her bloodline is somewhat similar to Mr. Chen's?"

Luo Xi said with shock on his face!

When Chen Ping heard this, he suddenly panicked and changed the topic: "Miss Luo, as a blood source, can you only check other people's bloodlines?"

Chapter: 5573

"I don't know either. I only know this kind of use for now..." Luo Xi said with some embarrassment.

She has just realized the origin of blood and hasn't fully grasped it yet, so she doesn't understand it very well!

But Bai Qian said: "Of course, this blood source can not only check other people's bloodlines, but also improve other people's bloodlines. If you practice this blood source to the extreme, you can upgrade your bloodline to the highest level."

"Everyone has a bloodline, regardless of any ethnic group. Of course, the same bloodline also has strengths and weaknesses. Even if you are of dragon bloodline, it is impossible for every dragon bloodline to be as strong as you."

"And those who have the origin of blood can use the origin of blood to forcibly improve those with weaker bloodlines, without having to rely on bloodline fusion."

"If you know that this little witch can understand the origin of blood, why should I let you take advantage of me and fuse with you!"

When Chen Ping heard this, his face was filled with embarrassment, but he did not refute!

She was obviously the victim, but now Bai Qian actually said that she was like a victim!

Luo Xi was stunned when he heard Bai Qian's words, and then looked at Chen Ping in disbelief!

She finally understood why some of Bai Qian's bloodline resembled Chen Ping's!

It turns out that the two of them have been doing this for a long time!

The fusion of the bloodlines allowed Bai Qian's bloodline to contain part of Chen Ping's bloodline, which strengthened Bai Qian's bloodline!

Feeling Luo Xi's eyes, Chen Ping quickly explained awkwardly: "Miss Luo, don't get me wrong, some things are not what you think..."

"Mr. Chen, you don't need to explain. Everyone has his own choice, and your choice is not wrong!" Luo Xi said with a slight smile!

"Okay, let's go..."

Bai Qian urged!

But as soon as Bai Qian finished speaking, he felt someone approaching here quickly, and there were quite a few of them!

"Someone is coming, you two go first, I'll go take a look..."

Bai Qian asked Chen Ping to follow Luo Xi first, and she would stop him for a while!

After all, Luo Xi followed Chen Ping. In Bai Qian's eyes, they were just young monks of the first and second levels of transcending tribulation, and they couldn't resist a fight at all!

If someone really comes, the two of them will not only be unable to help, but they will also have to devote their energy to protecting them.

After saying that, Bai Qian jumped up and rushed forward!

At this time, just a few miles away from Chen Ping and the others, five or six people were running rapidly in this direction!

These people are all injured and exhausted!

Chapter: 5574

If Chen Ping saw these people, he would definitely be shocked!

Because these people are Mr. Miao and Cai Hongwei!

“Boss Cai, if we run like this, no one will be able to escape. You can go, I will stay to hold them back.”

“You must find Mr. Chen and rescue my granddaughter!”

Mr. Miao said to Cai Hongwei!

“Miao Lao, hold on, I feel that the master is in front. All we need to do is find him.”

Huofeng comforted Mr. Miao!

“Okay!” Mr. Miao nodded and started running again!

And behind them, there were more than a dozen monks wearing the same clothes, chasing them!

“Stop, who are you?”

At this time, Bai Qian suddenly appeared and stopped Mr. Miao and others!

When several people saw someone blocking them in front of them, they all stopped one by one. When they saw Bai Qian exuding the seventh-level cultivation of the Tribulation Realm, everyone’s expressions became very ugly!

After all, the strongest among them is only Miao Lao, who is at the sixth level of the Tribulation Realm, but is still injured. If they join forces, they may not be able to defeat the person in front of them!

“Fellow Taoist, I don’t know why you want to stop us?”

Cai Hongwei stepped forward and asked Bai Qian very politely!

Bai Qian glanced at a few people and found that they were all covered in scars and were not very strong. They were not a threat, so she relaxed her vigilance!

“The front is my territory, you are not allowed to go forward.”

Bai Qian said coldly!

“Fellow Taoist, we are being hunted and we need to escape. No matter what is in front of us, we will never have the slightest thought, let alone follow fellow Taoist to snatch it.”

Cai Hongwei said in a condescending manner!

“No, leave here immediately, otherwise don’t blame me for being rude to you!”

Bai Qian doesn’t buy it at all!

This time, Cai Hongwei was a little embarrassed!

“How can you be so domineering? We...”

Chapter: 5575

Ji Yun suddenly became angry when he saw Bai Qian being so domineering!

But before she finished speaking, Bai Qian waved her hand and knocked Ji Yun away!

But Bai Qian didn’t want to kill anyone, so Ji Yun’s life was not in danger!

It was Bai Qian's move that made Huofeng's eyes suddenly startled: "Fox Princess?"

Huo Feng called Bai Qian, and Bai Qian looked at Huo Feng with a puzzled look on his face, frowning slightly and said, "Who are you? How do you know me?"

"I am Fire Phoenix, Fire Phoenix..."

After the fire phoenix said that, flames instantly rose from his body, and a phoenix cry resounded through the void!

When Bai Qian saw this, her face was full of surprise, and she said in disbelief: "Fire Phoenix? You...how did you become like this?"

"Hey, it's a long story. I really didn't expect that your strength would improve so quickly after not seeing each other for so many years. I remember that many years ago, among the Three Sovereigns and Four Kings, your strength was the lowest."

Huofeng sighed and said!

"This is also thanks to your help. If you hadn't protected me back then and given me a lot of resources, I might still be struggling and suffering humiliation now."

Bai Qian also looked solemn when she recalled the past!

Hearing what Bai Qian said, Huofeng looked even more lonely and said, "You three emperors and four kings were nothing in front of me back then, but now you can kill me instantly."

Everyone was relieved when they saw Huo Feng following each other and getting to know each other!

Otherwise, they would not be able to rush past a seventh-level cultivator in the Tribulation Realm, let alone someone chasing him behind him!

“Let me see where you guys are going, why don’t you just surrender?”

At this time, the dozen or so people chasing behind were already in front of us!

One of the bald men with a tattoo on his left arm snorted and said!

Seeing these people chasing after them, Mr. Miao and others all turned very ugly!

Huofeng also frowned and looked solemn!

“What’s going on?” Bai Qian asked!

“These are guys from the Yupu Sect. Our group found a fairy mine, but we didn’t expect to be targeted by these guys from the Yupu Sect.”

“In the end, they were outnumbered and powerful. Not only did they kill several people, they also chased us here.”

Huofeng said!

Chapter: 5576

“Yupu Sect?” Bai Qian was stunned: “Is that the sect that specializes in harvesting yin and replenishing yang, a bunch of perverts?”

“Yes, it’s them...” Huo Feng nodded and said!

“I’ll deal with these guys...”

Bai Qian said and walked forward directly!

Seeing this, the bald man couldn't help but smile: "I didn't expect another little girl to appear. Now the brothers have more fun. The two little girls we just caught are not enough..."

The bald words made both Miao Lao and Cai Hongwei tremble!

Because the two little girls they captured were Miao Miao and Cai Qiannan. These guys from the Yupu Sect are famous for the fact that any female cultivator who falls into their hands will be squeezed dry in the end!

Hearing the bald man's words, Bai Qian's eyes narrowed slightly: "You're looking for fucking death..."

Bai Qian's body erupted with the aura of the seventh-level Tribulation Realm, with a strong smell of blood!

Feeling Bai Qian's aura, those in the Yupu Sect were stunned!

"I didn't expect it to be the Fox Princess. I offended you a lot just now. I hope you won't be offended. Our Yupu Clan has never had any holidays following your Beast Clan."

"Today I hope that the Fox Princess will not interfere with our affairs."

Baldhead quickly followed Bai Qian to apologize!

"What if I have to take care of it?" Bai Qian asked!

The bald man frowned and said: "If you must take care of it, then don't blame us for being rude. Although you are at the seventh level of Tribulation Realm, there are many of us, so it's not certain who will win and who will lose..."

Having said that, the bald-headed sixth-level realm of Tribulation Realm also broke out!

Everyone else in the Yupu Sect also put on their posture, these guys are also quite powerful!

Although their Yupu Sect is not a demon cultivator, they still rely on crooked ways to practice, so their strength increases faster than ordinary cultivators!

Bai Qian's face became a little ugly. Now she was fighting against these people from the Yupu Sect alone. She was definitely no match. She could ask Huofeng and the others to help. These people were also very weak and injured!

For a moment, Bai Qian also became in a dilemma!

"Fox Princess, I'll give you another chance. I hope you won't mind your own business..."

The bald man said coldly!

"What if she has to take care of it?" At this time, a voice came from not far away!

Hearing this voice, Mr. Miao and Huo Feng were all overjoyed!

Chapter: 5577

I saw Chen Ping and Luo Xi walking slowly!

"Mr. Chen....."

Seeing Chen Ping, Mr. Miao and Cai Hongwei both stepped forward and knelt down excitedly!

"Miao Miao, Boss Cai, what are you doing?"

Chen Ping quickly helped the two people up!

“Mr. Chen, please save Miao Miao and Qiannan. They were arrested by the Yupumen. If no one saves them, they will be ruined.”

Mr. Miao and Boss Cai cried and begged!

“What?” Chen Ping’s eyes turned cold, and then he looked at the remaining people, all of them were injured!

“Mr. Chen...” Ji Yun stepped forward and shouted excitedly!

“Master...” Huofeng’s eyes were also full of tears!

“What’s going on? Where are the others?”

Chen Ping asked Huofeng!

Huofeng briefly told what happened. After hearing this, Chen Ping suddenly burst out with terrifying murderous intent!

Bai Qian was also surprised when she saw that all these people knew Chen Ping, and that Huo Feng followed Chen Ping to call his master!

You must know that Chen Ping is just a young monk in the first level of the Tribulation Realm, but everyone else is stronger than him!

Among them were sixth-grade monks in the Tribulation Realm, but all of them were extremely respectful to Chen Ping!

This is somewhat unreasonable!

“Huofeng, you just called him master, what’s going on?”

Bai Qian asked Huofeng!

“This is my master. Do you know my master too?”

Huofeng asked!

Bai Qian glanced at Chen Ping, then nodded: “We know each other...”

Chen Ping glanced at the people from the Yupu Sect, and then said to Bai Qian: “Help me, kill all these people...”

“I’m afraid it’s a bit difficult for me...”

Chapter: 5578

Bai Qian said truthfully!

“It won’t be difficult if you count me in...”

Chen Ping said with a cold expression!

Bai Qian looked at Chen Ping’s expression. She had never seen Chen Ping with such an expression before!

“You?” Bai Qian looked at Chen Ping: “What can you do?”

Chen Ping didn’t speak, but slowly took out the Dragon-Slaying Sword!

The indestructible golden body kept flickering and quickly covered Chen Ping’s whole body!

Although Chen Ping only has the strength of the first level of the Tribulation Realm, the aura that bursts out at this moment is terrifying!

Bai Qian's eyes widened and she looked at Chen Ping in surprise!

Chen Ping, on the other hand, pointed his sword at the Yupu Sect and said: "You hurt the people around me, so you deserve to die..."

The bald man was also shocked by Chen Ping's aura, but he quickly reacted and snorted: "Boy, why are you pretending to be cool? You don't have to be a first-level monk in the Tribulation Realm, how dare you say such big words?"

"Yeah?"

Chen Ping's eyes narrowed slightly, and his eyes were filled with murderous intent!

These guys hurt Ji Yun and Huo Feng, Chen Ping will never hold back!

The power of the divine dragon was continuously injected into the Dragon-Slaying Sword, and streaks of golden light flashed up!

Immediately afterwards, Chen Ping slashed out with one sword!

boom.....

As soon as the sword was slashed out, there was a burst of dragon roar, followed by a sword light rising into the sky, and a golden dragon visible to the naked eye roared!

Looking at the roaring golden dragon, the people in Yupumen were a little stupid!

Roar.....

The golden dragon fell from the sky and turned into countless sword lights again!

“Hide quickly...”

When the bald man saw this, he punched out with all his strength, creating a barrier, and at the same time shouted and started to retreat!

It’s a pity that Baldhead reminded him too late!

Chapter: 5579

None of them took Chen Ping, a first-level monk in the Tribulation Realm, seriously!

Puff puff.....

Countless sword rays shot out, and the three third-level disciples of the Yupu Sect in the Tribulation Realm were instantly chopped into pieces by the sword rays and turned directly into a pile of flesh!

There are also several fourth-level disciples in the Tribulation Realm who are missing arms and legs and are obviously seriously injured!

Looking at the situation of his men, the bald man felt a little stupid!

Is this a sword struck by a first-level monk in the Tribulation Realm?

This fucking power is too amazing!

The bald man frowned, and there was a bit of panic in his eyes!

At this time, he was also shocked and his eyes widened!

She never expected that Chen Ping could be so powerful.

The third-level and fourth-level monks in the Tribulation Realm are like ants in front of Chen Ping!

This is a bit outrageous!

“I didn’t expect you to be so good, no wonder you can do it several times a day without any problem...”

Bai Qian looked at Chen Ping with ambiguous eyes and said!

If Bai Qian was with Chen Ping before, it was just to take advantage of Chen Ping’s dragon bloodline!

At that moment, Bai Qian looked at Chen Ping with a little more love!

When Chen Ping heard Bai Qian’s words, he immediately looked embarrassed and said, “You go deal with that bald guy and leave the rest to me...”

“Okay, I listen to you...”

After Bai Qian finished speaking, he looked at the bald head!

At this time, the bald man panicked and hurriedly threatened: “Fox Princess, we are members of the Yupu Sect. If you kill me, our sect master will not let you go.”

“And you also know the methods of our Yupu Sect. You will feel better when the time comes...”

“Bah, I despise you the most from Yupumen. You only know how to bully women. What kind of fucking men are you?”

After Bai Qian finished speaking, he rushed directly towards the bald head!

Bai Qian was very fast. He didn't burst out with any momentum at all, nor did he use any spiritual power or magic. He just charged forward normally!

Chapter: 5580

But even so, there were several afterimages left behind Bai Qian, which shows how fast Bai Qian was!

Baldhead had no time to react, Bai Qian was already in front of him!

Baldhead tried his best to swat out his palm, trying to block Bai Qian, but Bai Qian shook his body slightly and dodged directly!

Then he kicked the bald man in the lower body!

puff.....

This seemingly ordinary kick turned the bald man into a eunuch!

“ah.....”

The severe pain made the bald head scream!

Bai Qian, a sixth-level Tribulation Realm master, had no power to fight back in front of Bai Qian, a seventh-level Tribulation Transcendence Realm master!

It can be seen that these guys from the Yupu Sect, using evil magic to collect yin and replenish yang to improve their realm, are of little use at all, and their true strength has not been achieved!

Moreover, without tempering and facing the kind of life-and-death competition, it will not work if you just improve your realm and lack actual combat strength!

You must know that Bai Qian, as the only woman among the Three Sovereigns and Four Kings, has always been discriminated against!

And she was often bullied. If it weren't for the help of Fire Phoenix, Bai Qian probably wouldn't have reached this level!

Now Bai Qian is taking one step at a time, practicing steadily to reach the seventh level of the Tribulation Realm, which is different from being bald!

“So weak?”

When Chen Ping saw the bald man being kicked by Bai Qian, he stopped fighting. He couldn't help but be surprised and said: “If you know that he is a useless guy, I don't need you to do anything. I will give them to him myself.” Went out.....”

Bai Qian smiled, then stepped back: “You can do it yourself, I just want to admire it and see how powerful you are...”

Chen Ping smiled and rushed forward in an instant with the dragon-slaying sword in hand!

Facing several monks who were in the third and fourth levels of the Tribulation Realm, Chen Ping was already confident!

A monk of the first level of the Tribulation Realm, fighting against four or five monks of the third or fourth level of the Tribulation Realm. No one would believe this unless they saw it with their own eyes!

Now that Bai Qian is seeing it with her own eyes, she has to believe Chen Ping, this guy does have some talent!

A few minutes later, all the monks from Yupumen fell to the ground!

Chen Ping didn't kill them, he just cut off their hands and feet!

Putting away the dragon-slaying sword, Chen Ping looked at Mr. Miao and Cai Hongwei!
