

The Order 5581

Chapter: 5581

These people understood instantly and rushed forward with weapons in hand, mincing the people of Yupu Sect into pieces!

Chen Ping deliberately held back to let Mr. Miao and the others take revenge!

After killing those in Yupumen, Mr. Miao and Cai Hongwei found Chen Ping and prayed: "Mr. Chen, please help to rescue Miao Miao and Qiannan as soon as possible..."

"Don't worry, I'll go right away and let the fire phoenix lead the way. You guys can find a place to rest here..."

Chen Ping asked Huofeng to lead the way to rescue Miao Miao and Cai Qiannan!

Others rested. After all, many people were injured, and following them would also add to the burden.

"Thank you very much, Mr. Chen..."

Mr. Miao and Cai Hongwei knelt down to Chen Ping again!

Chen Ping hurriedly helped the two of them up!

"Chen Ping, I came to this battlefield of gods and demons for treasures, not to save people. Have you forgotten how you promised me?"

"Do you think you are capable now and don't need me anymore?"

Bai Qian said very unhappy!

You're wasting time to save others. You must know that in this battlefield, time is the most precious!

"If you don't follow me, I won't be able to deal with it on my own. At worst, I can continue to increase the number of times..."

Chen Ping had no choice but to sell his body again!

At worst, add it a few times a day, you can't just ignore it!

"Master, how many times should I add it?" Huo Feng asked curiously!

"Don't ask, this is a secret between the two of us."

Chen Ping didn't let Huo Feng ask anymore!

Huo Feng looked at Bai Qian and said, "Fox Princess, what secret do you have with the master? Why are you still so mysterious?"

"No matter what, for our sake, you have to help save people, because those two girls are also my friends."

Huofeng asked Bai Qian to go with him. It would be difficult for Chen Ping alone to rescue Miao Miao and Cai Qiannan from Yupumen!

When Bai Qian saw Huo Feng begging for mercy, she could only nod her head and said, "Okay, for your sake, I'll help you with this, but I also need a part of the fairy mine."

"No problem!" Chen Ping immediately agreed!

Chapter: 5582

Without the help of experts like Bai Qian, even if Chen Ping and the others find a way to rescue Miao Miao and Cai Qiannan, it will be almost impossible to occupy the fairy mine!

They couldn't hold on, after all, many of them were seriously injured, and Chen Ping was still on guard against Qi Peijia finding him!

"let's go....."

Seeing that Chen Ping agreed, Bai Qian agreed to go along!

Huofeng led the two of them towards the fairy mine. The three of them were very cautious along the way!

"It's not far ahead..."

Huofeng pointed to the front and said!

At this moment, Chen Ping also clearly felt that the atmosphere in this area was different from other places!

"Let's sneak over and don't alert others."

Chen Ping warned!

After all, they are there to save people, not to fight. If they are discovered by the other party, they will be very passive. Maybe the lives of Miao Miao and Cai Qiannan will be in danger!

The three of them hid their auras and quietly approached the fairy mine!

Soon the three of them came to a hillside, and then looked not far away and found a large hole in the mountains in front, and at the entrance of the hole, there were five or six monks patrolling back and forth!

“This cave is the Immortal Mine. We discovered it by accident. We originally wanted to get some Immortal Ore again, but we didn’t want to be discovered by the people from the Yupu Sect and started to hunt us down.”

Huofeng looked at the Jade Pumen monk not far away, gritted his teeth and said, “If I hadn’t been demoted to the secular world, I would have cut them all into pieces...”

“What? You haven’t seen me for all these years. Have you been thrown into the secular world?”

Bai Qian on the side asked in surprise!

Huofeng nodded, and Bai Qian wanted to continue asking, but at this time, a group of people walked towards the cave!

“Stop talking, someone is coming...”

Chen Ping quickly told Bai Qian and Huo Feng to stop talking!

There are more than twenty people in this group, all wearing dark red clothes and hats on their heads. Their appearance cannot be seen clearly, but they are obviously from the same gang!

“A member of the Jade Girl Sect?”

Seeing these people coming, Bai Qian frowned and said!

“Jade Girl Gate? Are these all women?”

Chapter: 5583

Chen Ping asked in surprise!

Bai Qian nodded: "They are all women..."

"The Jade Girl Sect is working in collusion with the Yupu Sect. These two sects often reconcile each other's yin and yang. This time the Yupu Sect found the fairy mine, and unexpectedly, all the people from the Jade Girl Sect were also found."

Bai Qian's face looked a little ugly, and when talking about the Jade Girl Sect, Bai Qian seemed to be very angry!

"Bah, those bullshit beauties are all prodigals. I heard about this beauties sect many years ago."

After Huofeng heard the Jade Girl Gate, she spat hard!

"It's a bit difficult to handle now. There are suddenly so many people. I'm afraid it will be difficult for us to join forces to save people."

Chen Ping frowned: "I don't know what happened to Miao Miao and Cai Qiannan..."

Seeing Chen Ping's troubled look, Bai Qian said, "You two stay here while I find some help. There are just three of us, and we can't handle this situation."

Bai Qian plans to find the other members of the Three Sovereigns and Four Kings. Then he won't have to worry about the people from the Yupu Sect and the Yunv Sect!

"Hurry up, it's too late. I'm afraid something will happen to the two girls..."

Chen Ping said to Bai Qian!

“I know...” After Bai Qian finished speaking, he turned around and disappeared without a trace!

Bai Qian walked back, while Chen Ping followed Huo Feng and stared at the entrance of the Fairy Mine!

“I don’t know what happened to Miao Miao and Cai Qiannan...”

Chen Ping is very worried!

After all, Chen Ping came to Tianmo Mountain, and Miao Lao and Cai Hongwei also helped a lot along the way!

If he couldn’t save the two girls this time, Chen Ping would always feel guilty!

Huofeng glanced at Chen Ping, and then said: “Master, let me go in and see how they are doing...”

“No, it’s too dangerous for you to go in...”

Chen Ping immediately refused!

The fire phoenix is still too weak now. If it goes in, it will definitely not come out!

“Master, don’t worry, I can find a way to get in and get out!”

After Huofeng finished speaking, his body aura disappeared instantly and he sneaked over quietly!

Chapter: 5584

Chen Ping looked at Huo Feng. When he was wondering how Huo Feng could get in without being discovered, he saw Huo Feng walking towards a disciple of the Jade Girl Sect!

Immediately afterwards, Huo Feng quickly took action, beheading the Jade Girl Sect disciple, then changed his clothes to his own body, and walked in with a swagger!

Seeing this scene, Chen Ping had to admire Huo Feng for his really quick reaction!

After Huofeng entered the Immortal Mine Cave, he saw many Yu Pu Sect disciples moving the Immortal Mine, including Jade Girl Sect disciples!

Even in some hidden corners, there are some unpleasant sounds!

Just by listening to the sound, you can tell that it must be a disciple of the Yupu Sect who is practicing dual cultivation with a disciple of the Yunu Sect!

These shameless guys don't even shy away from it!

Huofeng could only lower his head and quickly search the cave, trying to find Miao Miao and Cai Qiannan!

"Fellow Taoist, let's practice dual cultivation together..."

Just as Huofeng was checking inside the cave, suddenly a bearded man stopped Huofeng!

The big man looked straight at the fire phoenix with his eyes almost bursting with laughter.

Huofeng looked at the big man who suddenly appeared and became nervous instantly!

"I really didn't expect that the Jade Girl Sect would have such a beautiful disciple. The two of us will cultivate together, so I can love you so much, brother..."

The bearded man wiped his saliva and walked towards the fire phoenix!

Huofeng looked nervous and kept retreating!

She can't make a move here. If she does, she will be exposed and she will definitely not be able to get out. She might even be humiliated by these guys!

But if he didn't take action, this big man obviously fell in love with Huo Feng, and he closed his eyes step by step. It seemed that he would not give up until he followed the dual cultivation of Huo Feng!

Just when Huofeng was in a dilemma, someone not far away suddenly shouted: "Huzi, the sect master asked you to send the fairy mine over, hurry up..."

When the bearded man heard this, he immediately agreed reluctantly!

Then he looked at Huo Feng with a look of lust and said: "Sister, wait for your brother. Never practice double cultivation with others. You must wait for your brother..."

After saying that, the bearded man left in a hurry!

After the big man left, Huo Feng quickly looked inside the cave!

The cave is very big, like a world, with many shining fairy mines inside!

Soon, Huofeng discovered two figures in a dark place!

Chapter: 5585

When Huofeng walked over, he found that it was Miao Miao and Cai Qiannan!

The two girls were lying on the ground, their clothes in tatters and half-clothed, and their surroundings were controlled by formations!

The most important thing is that the lower bodies of the two girls were covered in blood. It was obvious that they had suffered inhuman torture!

Looking at Miao Miao and Cai Qiannan, Huofeng's eyes were red and his teeth were clenching!

Although Huofeng had not known Miao Miao and Cai Qiannan for a long time, seeing this scene made Huofeng extremely angry!

She couldn't wait to kill all these Yupumen guys right away!

"Yupumen, you bunch of beasts will not die well..."

Huofeng's eyes were full of anger!

"Hey, what are you doing? Go move the fairy mine!"

Just when Huo Feng was furious, someone shouted at Huo Feng!

Seeing this, Huofeng nodded quickly and left quickly!

She can't take Miao Miao and Cai Qiannan out now!

After leaving the Immortal Mine Cave, Huo Feng suppressed his anger and came to Chen Ping's side!

"Huofeng, how are you? Have you seen the two of them?"

Chen Ping asked!

Huofeng nodded and said nothing!

But looking at Huofeng's expression, Chen Ping frowned and instantly had a bad feeling in his heart!

“Tell me, how are they two?”

Chen Ping asked anxiously!

“Master, those guys from Yupu Sect are not human beings. They are not human beings. Miao Miao and Cai Qiannan have been ruined by them. They have already ruined them to a state of disgrace...”

After saying that, Huofeng burst into tears!

After hearing this, Chen Ping was stunned, his eyes instantly turned scarlet, and his anger continued to burn!

But Chen Ping did not lose his mind. He knew that if he lost his mind and rushed in at this time, not only would he not be able to save Miao Miao and Cai Qiannan, but he might even put them in danger!

Although the two of them are ruined now, their lives are not in danger after all.

Chapter: 5586

Chen Ping closed his eyes slightly and tried hard to calm down. He knew that he couldn't wait for Bai Qian to find help now!

We can only rely on him and Huo Feng to find a way to save the people!

After pondering for a moment, Chen Ping asked Huofeng: “After you entered, what were the people from the Yunvmen and Yupunmen doing?”

“Some people are moving fairy mines, and some people are doing double cultivation...”

Huofeng said truthfully.

“Are their fairy mines stacked together, or are they stored separately?”

Chen Ping asked!

In Chen Ping’s view, although the Jade Girl Sect and the Yupu Sect often practice together, they do so for their own benefit!

Now they are all together to collect fairy minerals!

“They pile it up separately and mine their own. There doesn’t seem to be any cooperation!”

Huofeng said!

After hearing this, Chen Ping had an idea instantly. He took out the Wind-fixing Bead from the storage ring!

“Huofeng, you go in once, hold this Wind-fixing Pearl, and then say that you dug it inside.”

“Remember to give this Fengfeng Pearl to the master of the Jade Girl Sect. Never give it to anyone else.”

Chen Ping explained to Huofeng!

“Master, this Fengfeng Pearl is your treasure, how can you give it to others?”

Huofeng was very puzzled!

So Chen Ping explained: “I just want to use this Fengfeng Pearl to make the Yunu Sect and Yupu Sect fight. As long as they are in chaos, we will have a chance to rescue Miao Miao and Cai Qiannan.”

After hearing Chen Ping's explanation, Huo Feng finally understood, nodded and took the Feng Feng Bead!

Chen Ping also knows the value of the Wind-fixing Pearl. With this Wind-fixing Pearl, it will be easier for Chen Ping to realize the origin of the wind system. However, if he does not come up with a dazzling treasure now, the Jade Girl Sect and the Jade Pu Sect will not be able to There was a fight!

Huo Feng took the Wind-fixing Pearl and walked towards the Immortal Mine Cave!

At this moment, in the small cave next to the Immortal Mine Cave, Hai Ande, the master of the Yupu Sect, had just completed double cultivation with Fu Naisi, the master of the Jade Girl Sect!

Both of them were sweating profusely and very happy!

"Master Fu, I'm pretty good to you, right? I didn't monopolize such a big fairy mine, so I called you here."

Chapter: 5587

Hai Ande said with a charming smile!

Fu Naisi smiled coldly: "Master Haimen, don't be so nice as you say. You can't finish such a big fairy mine by yourself, and you're afraid that someone will find out and you won't be able to handle it, so you called me here."

"Don't say it so noble. It's just a transaction between you and me. There is only profit. Don't mention feelings to me..."

When Hai Ande heard this, he immediately smiled awkwardly and said: "Nothing can escape the eyes of Sect Master Fu, but I discovered this fairy mine first and then called you over, so in terms of quantity, don't compete with me."

"Don't worry, we only take 40%, and the remaining 60% will be given to your Yupumen. We won't fight for it." Fu Naisi said disdainfully!

“That’s good.....”

Haiande smiled slightly!

Just after the two people had settled down, they suddenly heard someone starting to yell outside the small cave!

Fu Naisi and Hai Ande hurriedly walked out of the small hole.

Hai Ande grabbed a Yupu disciple and said, “What’s going on? Is someone trying to rob the Immortal Mine?”

“Sect Master, it’s not that someone robbed the fairy mine, but someone dug out a treasure. It’s probably a rare treasure!”

The disciple replied!

When Hai Ande heard this, he hurriedly ran in the direction where everyone was running. Seeing this, Fu Naisi also followed!

And in the deepest part of the Immortal Mine Cave, a disciple of the Jade Girl Sect was holding the Wind-fixing Bead and reasoning with the disciples of the Yupu Sect!

“This orb was discovered by our Jade Girl Sect disciples. Why should I give it to you?”

The disciple of the Jade Girl Sect asked!

At this time, a thinly dressed Jade Pu Sect disciple said: “We discovered this entire Immortal Mine Cave. Of course the things in it belong to us. Hand them over quickly.”

“Elder brother is right, the things belong to us, please hand them over quickly...”

“Hand it over, or I’ll be rude to you...”

The disciples of Yupu Sect shouted one after another!

The disciples of the Jade Girl Sect did not show weakness and retorted loudly one by one: “Whoever finds this thing belongs to the same person, why should I give it to you?”

“No, do you still want to snatch the things we found?”

“Don’t think that our Jade Girl Sect is easy to bully...”

For a moment, the Yunv sect followed the Yupu sect disciples, shouting that they were about to start a fight!

Chapter: 5588

“Shut up, everyone...”

Hai Ande arrived with Fu Naisi and told everyone to shut up!

Seeing Fu Naisi’s arrival, the Jade Girl Sect disciple hurriedly handed over the Dingfeng Pearl and said: “Sect Master, our Jade Girl Sect disciples discovered this orb, and now they, the Yupu Sect’s people, want to snatch it.”

Fu Naisi took the Wind-Fixing Pearl and her eyes suddenly lit up because she could feel the breath inside the Wind-Fixing Pearl and even hear the sound of the wind!

Although Fu Naisi didn’t know the name of this Wind-fixing Pearl, she knew that what she found in this battlefield between gods and demons was definitely a treasure!

Hai Ande’s eyes lit up when he saw the Fengfeng Pearl in Fu Naisi’s hand, and he hurriedly said: “Master Fu, let me see what kind of treasure this orb is...”

Hai Ande said that and was about to reach out to take it, but Fu Naisi directly dodged it and immediately put away the Wind-fixing Pearl!

When Hai Ande saw this, his face instantly turned cold!

“Master Fu, what do you mean? Don’t forget, I discovered this entire Immortal Mine first and then called you here.”

“The treasures found in the Immortal Mine should be divided among our Yupu Sect first.”

Hai Ande asked Fu Naisi coldly!

“Master Haimen, what you said is wrong. Of course, whoever finds this treasure will belong to him. Moreover, this fairy mine is in the battlefield of gods and demons, not your family. I will give you whatever I found.” Woolen cloth?”

Fu Naisi retorted!

After hearing this, Hai Ande’s face became even more ugly, and the aura on his body also rose!

Seeing this, Fu Naisi also stood up and got ready!

The disciples on both sides also took up their stances!

“Master Fu, I hope you think clearly, is it worth falling out with me for a bead you don’t know what it is?”

Hai Ande threatened Fu Naisi!

“I feel it’s worth it...” Fu Naisi smiled coldly!

“Since you said so, don’t blame me for falling out...”

Hai Ande frowned!

“If you fall out, fall out, who is afraid of whom...”

Fu Naisi is not afraid at all!

For a moment, the atmosphere at the scene reached a freezing point. Everyone was extremely nervous, waiting for the other party to take action!

Chapter: 5589

Upon seeing this, the fire phoenix hidden in the Jade Girl Sect suddenly struck out with a palm, instantly knocking a Yupu Sect disciple away!

Huo Feng’s move instantly lit the fuse!

“kill.....”

“kill.....”

The Jade Girl Sect and the Yupu Sect fought directly together!

I just returned the dual cultivation to you and me, but now I am fighting with all my strength and showing no mercy...

The fighting inside the cave also attracted people outside the cave!

Chen Ping took advantage of the chaos and entered the Fairy Mine Cave!

Huofeng also hurriedly left the battlefield and headed towards Miao Miao and Cai Qiannan!

“Miao Miao, Qiannan...”

Huofeng called the two of them softly!

Because of the formation’s confinement, Fire Phoenix had no way of breaking through the formation!

Miao Miao and Cai Qiannan slowly opened their eyes when they heard someone calling them!

When they saw it was the Fire Phoenix, their eyes were full of excitement and they all shed tears!

“Don’t make any noise or get excited. I will find a way to get you out.”

Huofeng comforted the two and told them not to be too excited!

Soon, Chen Ping’s figure appeared, and Huofeng hurriedly called Chen Ping over!

When Chen Ping saw the miserable looks of Miao Miao and Cai Qiannan, murderous intent continued to rise in his eyes!

The two girls were so ruined at this moment that they no longer looked like human beings!

Chen Ping couldn’t imagine what the two of them had gone through!

“Master, there is a formation, do you think you can break it?”

Huofeng asked Chen Ping!

Chen Ping just glanced at it and pressed his palm lightly on the formation, and the formation disappeared!

This is the simplest confinement formation. For people who don't understand the formation, it is very difficult to break through it, but for Chen Ping, it couldn't be easier!

Chapter: 5590

After the formation was broken, Chen Ping and Huo Feng hurriedly helped Miao Miao and Cai Qiannan leave the Fairy Mine Cave!

At this time, in the Immortal Mine Cave, there was a lively fight over the Wind-fixing Pearl, and no one noticed Chen Ping and the others!

After Chen Ping and the others walked out of the Fairy Mine Cave, they breathed a heavy sigh of relief!

"Huofeng, you send them two away, I'll guard them here."

Chen Ping said!

"Master, let's go together?"

Huo Feng felt the killing intent in Chen Ping, and was afraid of what Chen Ping would say, so he entered the Fairy Mine Cave to take revenge!

"Take them two away, I have discretion!"

Chen Ping asked Huofeng and the others to leave!

Only after leaving can Chen Ping let go. No matter what, he will make everyone in Yupumen pay the price!

Huofeng knew that it was useless to persuade him, so he left with Miao Miao and Cai Qiannan!

Chen Ping, holding the dragon-slaying sword, stood quietly outside the entrance of the Fairy Mine Cave!

Regardless of whether they are members of the Yunu Sect or the Yupu Sect, as long as they step out of the cave, Chen Ping will kill them with one sword without mercy!

At this moment, the fighting in the Fairy Mine Cave is coming to an end, and the Jade Girl Sect is gradually failing!

“Master, please leave quickly, we will break up...”

The three Jade Girl Sect disciples shouted to Fu Naisi!

Fu Naisi was already injured at this time, and she would definitely lose if she continued to fight!

So Fu Naisi turned around and ran towards the outside of the cave!

“Where are you running...”

Hai Ande was also furious at this moment!

Most of his disciples were dead, and he himself was injured. If Fu Naisi ran away, wouldn't his death be in vain?

Fu Naisi still has the Wind-fixing Pearl in her hand!

But just when Hai Ande jumped up and was about to catch up, three Jade Girl Sect disciples stopped Hai Ande!

Upon seeing this, the Jade Pu Sect disciples also took action, blocking the three Jade Girl Sect disciples, allowing Hai Ande to free up his hands to pursue the Fu Naisi!
