

## **The Order 5591**

Chapter: 5591

Fu Naisi was very fast and rushed out of the cave in a flash!

She never thought that there was someone guarding outside the cave!

As soon as Fu Naisi's figure came out of the cave, a cold light shot out instantly!

Fu Naisi was startled, her body trembled hurriedly, cold light flashed across Fu Naisi's arm, and a long wound instantly appeared!

Fu Naisi looked at her wounds with fear on her face!

If I hadn't dodged in time just now, my head would have been chopped off!

Fu Naisi looked at Chen Ping with anger. When she found out that it was just a first-level monk in the Tribulation Realm who attacked her, she became even more furious!

"You, a first-level cultivator in the Tribulation Realm, dare to attack me. Do you want to die?"

Fu Naisi glared at Chen Ping fiercely, but did not make a move!

Because she knew that Hai De was chasing her, so she couldn't waste time on Chen Ping!

After threatening Chen Ping, Fu Naisi jumped up and tried to escape!

But Chen Ping also jumped up, and his dragon-slaying sword instantly unleashed its full sword radiance, stopping Fu Naisi!

“You brat, you’re looking for death...”

Fu Naisi was furious and wanted to attack Chen Ping!

But before Fu Naisi could take action, Hai Ande had already chased her out!

Seeing Hai Ande chasing him out, Fu Naisi could only focus on Hai Ande!

Hai Ande saw Chen Ping helping him stop Fu Naisi, so he smiled lightly and said: “Little fellow Taoist, thank you for helping me stop this person. I will kill her later and give you some fairy mines as a thank you.”

After Hai Ande finished speaking, he looked at Fu Naisi with cold eyes and said: “Bitch, you can’t escape. Hand over the orb obediently. For the sake of the two of us who have practiced together for so many years, I can spare your life. ...”

“Bah, stop dreaming. Whoever gets this orb belongs to him. If you want to take it away from me, see if you have the ability.”

Fu Naisi spat and prepared to attack!

“It seems that you will be punished with a drink if you don’t eat the toast...”

After Hai Ande finished speaking, he took out a dark token from his body, and then muttered something: “When the holy order comes out, heaven and earth will punish...”

I saw streaks of Yin Qi being sucked into the token from Hai Ande’s body!

Seeing this scene, Fu Naisi almost broke her back molar!

Chapter: 5592

You must know that two people have just cultivated together and complement each other!

All this yin energy was absorbed by Hai Ande from himself!

Hai Ande threw the token in his hand, and immediately let out a roar, and then the token headed towards Fu Naisi!

The token kept getting bigger and bigger, and finally it covered the sky and the sun!

Fu Naisi shot out several rays of light in an instant, but there was no reaction when she hit the token!

When Fu Naisi saw this, her face became very frightened, and she kept retreating, trying to avoid the attack of the token!

Unfortunately, as soon as Fu Naisi retreated, the dragon-slaying sword in Chen Ping's hand was slashed out!

It was impossible for Chen Ping to watch Fu Naisi escape, after all, this guy still held his Wind-fixing Pearl in his hand!

No one is allowed to take away his Wind-fixing Pearl!

Seeing Chen Ping taking advantage of the situation, Fu Naisi immediately cursed angrily: "You little bastard, I will kill you..."

But just when Fu Naisi was about to attack Chen Ping, the token came crashing down!

Fu Naisi had no time to dodge and was directly hit to death by the token!

Until her death, Fu Naisi's eyes were fixed on Chen Ping!

Seeing that Fu Naisi was dead, Hai Ande waved and the token was back in his hand!

But it's obvious that Hai Ande's energy has become much weaker!

It seems that using this token has consumed a lot of money, and coupled with the injuries on his body, he is now very weak!

Fortunately, Chen Ping is only a first-level monk in the Tribulation Realm, so Hai Ande is not afraid at all!

Even if he is extremely weak now, it is still more than enough to deal with a first-level cultivator in the Tribulation Realm!

Fu Naisi died, and the Wind-fixing Pearl rolled out of her body!

Chen Ping bent down and picked up the Dingfeng Pearl!

When Hai Ande saw this, he said to Chen Ping: "My little fellow Taoist, that's my orb. It was stolen by this stinky bitch. Please return that orb to me."

"I won't treat you badly for the favor you just helped me with. I have already mined a lot of this fairy mine. You can take as much as you need."

Hai Ande wants Chen Ping to return the Fengfeng Pearl to him!

But Chen Ping ignored him and directly put the Dingfeng Pearl back into the storage ring!

Chapter: 5593

When Hai Ande saw this, he suddenly became furious: "Boy, what do you mean? I am the master of the Yupu Sect. You, a first-level monk in the Tribulation Realm, dare to rob me in person?"

“This thing was originally mine...”

Chen Ping looked at Hai Ande with a terrifying look in his eyes, as if he wanted to eat Hai Ande!

Hai Ande felt Chen Ping’s gaze and couldn’t help but frown!

“You are talking nonsense. The orb was obviously found in this fairy mine. How could it be yours?”

Hyande said angrily!

“This was originally mine. This bead is called the Dingfeng Bead. I secretly put it into the cave on purpose and then asked you to fight.”

“Because only in this way can I rescue the two girls you captured...”

Chen Ping said straightforwardly!

When Hai Ande heard this, he was stunned, and then his body burst into rage!

“Good boy, it turns out that this is all a trap set by you, but even if we kill each other, you, a young monk of the first level of the Tribulation Realm, will not be able to make a profit.”

“If you don’t hand over the orb, don’t blame me for being rude to you...”

The aura on Hai Ande’s body was exploding, but his face was getting uglier and uglier!

With the injuries on his body and the urgency of his anger, Hai De might not be able to hold on for long!

At this moment, several Yupu Sect disciples ran out of the cave!

At this time, only a few people survived, and everyone was still wearing colors!

“Master...”

After coming out, several Yupu Sect disciples hurriedly came behind Hai Ande!

Seeing his disciple come out, Hai Ande said with scarlet eyes: “You two, kill this guy right now, right now...”

Although his disciples were injured, after all, they were all monks at the third or fourth level of the Tribulation Realm, and there were several more. To deal with Chen Ping, who was at the first level of the Tribulation Realm, they would be easy to catch!

Hai Ande thought so, but the result was completely different!

I saw a few Yupu disciples attacking Chen Ping!

But Chen Ping remained motionless, with a cold look in his eyes.

Just when these Yupumen brought them in front of him, the dragon-slaying sword in Chen Ping’s hand moved!

Chapter: 5594

I saw Chen Ping swinging forward with all his strength, accompanied by a dragon roar!

A golden dragon appeared out of thin air, roaring and rushing towards several Yupu Sect disciples, and the golden dragon’s body was burning with blazing fire!

The appearance of the golden dragon stunned the disciples of the Yupu Sect!

When the golden dragon arrived in front of them and flew past them, only a few people reacted!

Unfortunately, it's too late, they are all burning with gas!

With violent screams, several Yupu disciples rolled on the ground desperately, trying to extinguish the flames!

But this is the ultimate fire of the demons, and it will not go out even if it is submerged in water.

Just like that, Chen Pingping watched expressionlessly as several Yupu disciples were burned alive!

Looking at the burned disciple, Hai Ande was stunned...

These are all disciples of the third and fourth levels of the Tribulation Realm!

Was he killed like this by Chen Ping, a first-level monk in the Tribulation Realm?

Or kill with one sword?

What was that golden dragon just now?

Can a first-level cultivator in the Tribulation Realm be able to unleash that kind of power?

Hai Ande couldn't understand, and even more confused, what was going on!

"You... you are not a first-level monk in the Tribulation Realm. You have hidden your strength. Who are you?"

Haiande panicked!

If he knew that Chen Ping had this kind of strength, he would have been wary of Chen Ping from the beginning!

“You bunch of beasts, I’m just here to kill you.”

Chen Ping raised his dragon-slaying sword high, and the sword was blazing with gas!

“cut.....”

Chen Ping slashed out with his sword, and a sword light shot into the sky!

Seeing this, Hai Ande quickly threw out the token in his hand, trying to block the sword light!

But after the token touched the sword light, it instantly turned into pieces!

Chapter: 5595

But the sword light that Chen Ping slashed did not pause at all, and slashed directly at Hai Ande!

But this sword was aimed at Hai Ande’s legs!

puff.....

The sword light slashed through, and Hai Ande’s legs were cut off!

Hai Ande, who was originally over 1.8 meters tall, suddenly became only 1 meter tall!

Chen Ping slowly walked towards Hai Ande. Hai Ande's eyes were full of fear, but there was no way to escape!

Chen Ping walked up to Hai Ande, but instead of killing him, he walked straight over and put all the mined fairy ores into the storage ring!

These fairy mines were mined hard by Yunvmen and Yupumen. Chen Ping cannot waste them!

The reason why he didn't kill Hai Ande was because he wanted to bring Hai Ande to Miao Miao and Cai Qiannan!

He wants two girls to kill this beast with their own hands!

Perhaps only in this way can the two girls find some comfort in their hearts!

Just when Chen Ping put away the fairy mine and was about to take Hai Ande away, suddenly five terrifying auras came from far away and approached!

Chen Ping frowned and became nervous!

But when he saw the person coming, he breathed a sigh of relief!

It turns out that Bai Qian came with reinforcements!

When Bai Qian looked at the embarrassed Hai Ande and the dead people outside the cave, he was stunned!

And several other people also had shocked expressions on their faces!

"Chen Ping, this...this is all your doing? Did you solve it yourself?"

Bai Qian asked very surprised!

Bai Qian knew that even she would not be able to destroy the Yunu Sect and Yupu Sect by herself!

She didn't know how Chen Ping did it!

Chen Ping didn't speak, just nodded, then picked up the Hai Ande and left!

Several others looked at Chen Ping in shock. They also didn't understand how on earth Chen Ping, a guy who was at the first level of the Tribulation Realm, could do all this?

"Don't leave, I just moved people here..."

Chapter: 5596

Bai Qian saw Chen Ping carrying Hai Ande away, so she was ready to catch up!

"Fox Princess, what do you mean? You said there is a treasure here and you trapped us. Where is the treasure?"

The Leopard King stopped Bai Qian very unhappy and asked!

"This is the Fairy Mine. Isn't the Fairy Mine a treasure?"

Bai Qian pointed at the Fairy Mine and said!

"Damn, what kind of treasure is the Fairy Mine? How much can we take away with just these few of us? And who is mining it?"

“It would be a waste of time to practice and absorb it directly here. I don’t know how long it will take for the battlefield of gods and demons to be open.”

The Monkey King was also very dissatisfied!

Although fairy ore is a good thing, it is of little use to a small team. After all, it still needs to be mined, and it is not convenient to carry!

If you directly practice and absorb here, you only have a few days, and it will not have any effect on your practice. You might as well use these few days to search for treasures!

“Okay, I owe you a favor. After I get out, I will give each of you a share of my own resources.”

After Bai Qian finished speaking, he ran straight towards Chen Ping!

“This Fox Princess seems to have taken a liking to that boy. She looks wrong at him.”

The Lion King looked at Bai Qian’s back and said!

“Okay, leave her alone. Now that she’s here, let’s look for these dead people to see if they have any storage bags or anything like that. We can’t go out in vain.”

After the Thousand-faced Demon King finished speaking, he started rummaging!

The Lion King and Leopard King also began to search for resources such as storage bags on the dead!

Only the monkey king looked at Bai Qian’s back with a jealous look on his face, and then quickly chased after him!

Even though the Monkey King keeps bickering with Bai Qian all day long, in fact, this guy secretly likes Bai Qian!

The Lion King just said that Bai Qian fell in love with Chen Ping, which made the Monkey King jealous. He wanted to catch up to see what was going on!

At this time, where Miao Lao and the others were resting, Huofeng had brought Miao Miao and Cai Qiannan back.

Seeing the tragic situation of Miao Miao and Cai Qiannan, everyone was stunned!

“Miao Miao, you...how did you become like this?”

“Qiannan, my daughter, what have you experienced...”

Chapter: 5597

When Mr. Miao and Cai Hongwei saw the tragic situation of Miao Miao and Cai Qiannan, they burst into tears!

Miao Miao and Cai Qiannan still had fear in their eyes, they were obviously tortured and had some mental disorders!

“Yupumen, I will fight with you, I will fight with you...”

Mr. Miao suddenly roared angrily, and the aura on his body kept rising!

It seems that Miao Lao is planning to blow himself up and die with the Yupu Sect!

“And I...” Cai Hongwei’s breath was also bulging, swelling uncontrollably!

If these two people all self-destruct, the power will definitely leave no one at the scene alive!

“Miao Lao, don’t be impulsive...”

“Boss Cai, you can kill people from the Yupu Sect at any time, but you must not do anything stupid.”

They all persuaded the two of them that if they failed to control their power and blew themselves up now, then everything would be over!

“Miao Lao, Boss Cai, the people from the Yupu Sect will not live long. The master has left them behind to kill them. I believe there will be results soon.”

Huofeng also hurriedly persuaded him!

And just when Huofeng was persuading, Chen Ping’s figure slowly appeared, holding half a person in Chen Ping’s hand!

This legless man is none other than Hai Ande, the master of Yupu Sect!

Chen Ping threw Hai Ande to the ground like a dead dog!

When Miao Lao and Cai Hongwei saw this, their eyes were all scarlet red, like hungry wolves, and they were about to pounce on that Hai Ande!

Feeling the hatred in everyone’s body, Hai Ande turned pale with fright and became incontinent!

“ah.....”

Before Miao Lao and Cai Hongwei could rush forward, Miao Miao and Cai Qiannan, who were somewhat mentally disturbed, suddenly screamed and rushed towards Hai Ande!

Immediately afterwards, the two girls, like hungry wolves, started biting at Hai Ande!

There are no weapons or tools, just bite hard with your teeth!

Hai Ande screamed and wanted to struggle, but without legs, he couldn't struggle at all!

Everyone looked at the scene in front of them in shock!

They really couldn't imagine what Miao Miao and Cai Qiannan had gone through to make the two girls become like this!

Chapter: 5598

When Chen Ping saw this scene, his heart was full of sadness!

Two good girls, their lives were ruined!

Bai Qian is here. She has experienced big scenes. When she saw Miao Miao and Cai Qiannan biting Hai Ande, she was shocked!

In a short period of time, Hai Ande was bitten beyond recognition by the two girls. His throat was bitten off and there was no sound!

But the two girls haven't stopped yet, they are still biting!

Upon seeing this, Chen Ping waved his hand and pierced the two girls' necks with two silver needles, instantly making the two girls fall asleep!

"How is this going?"

Bai Qian asked Chen Ping!

Chen Ping told what happened to Miao Miao and Cai Qiannan. After hearing this, Bai Qian was so angry that she trembled all over!

She is also a woman, so she can understand the despair of the two girls Miao Miao and Cai Qiannan!

“These beasts are worse than pigs and dogs...”

Bai Qian gritted her teeth in hatred!

As for Miao Lao and Cai Hongwei, they looked at their granddaughter and daughter, and they instantly seemed to have aged dozens of years!

This result was something they didn't expect!

If you could think of killing them, they wouldn't come to this battlefield of gods and demons!

“Hey... two good girls, their lives are ruined, and I'm afraid they will have to live in the shadows in the future.”

Chen Ping couldn't help but sigh!

“Fox Princess, do you know how to break the soul? You can help the two girls erase the memories of this period, so that they will not live in the shadows.”

Huofeng suddenly said to Bai Qian!

“You know this technique?” Chen Ping looked at Bai Qian in surprise!

“I know a lot of things, guess how much you know about me.”

After Bai Qian finished speaking, he walked up to the sleeping Miao Miao and Cai Qiannan!

Bai Qian slowly opened her mouth, and a fiery red bead floated out of her mouth!

Then the bead kept spinning on the heads of Miao Miao and Cai Qiannan, and Bai Qian put her hands on the heads of the two girls!

Chapter: 5599

A flash of red light enveloped the two girls!

Bai Qian's body was trembling slightly, and there was a slight drop of sweat on her forehead!

Huofeng looked at Bai Qian and said, "Master, it takes a lot of effort to perform the soul-breaking technique. Now it's even more difficult to perform it on two people at once. I guess Bai Qian will have to find a place to recover after finishing the application."

After hearing this, Chen Ping couldn't help but look at Bai Qian, and his impression of Bai Qian had changed a lot!

Originally, Chen Ping was forced by Bai Qian to do some exercises all day long, which made Chen Ping feel very uncomfortable!

But is there any way? Now he still needs Bai Qian's help!

But now, his view of Bai Qian has changed!

In this way, when two people are together, Chen Ping may be able to give more emotion and devote himself physically and mentally!

After a moment, two strands of black energy suddenly surged out of Miao Miao and Cai Qiannan's bodies, and were directly inhaled by Bai Qian!

Bai Qian swallowed the bead back into her stomach and stood up slowly!

“Okay, this memory has been erased, but they must leave the battlefield of gods and demons and never come back again.”

“As long as you don’t see the scene here, this memory will not be evoked, and your future life will not be affected.”

Bai Qian wiped the cold sweat from his forehead and said!

Upon seeing this, Mr. Miao and Cai Hongwei hurriedly knelt down and said with gratitude on their faces: “Thank you, fellow Taoist...”

“It doesn’t have to be like this!” Bai Qian was a little flattered and hurriedly helped the two of them up!

Mr. Miao and Cai Hongwei picked up Miao Miao and Cai Qiannan, and then followed Chen Ping to say goodbye!

They are leaving the battlefield of gods and demons. For them, whatever treasure they get is not as important as their own relatives!

The monks who came with Mr. Miao and the others, and the few who were still alive, were also preparing to leave with them!

On this battlefield of gods and demons, with their little strength, they would simply die!

What’s more, they are all casual cultivators, and to those sects, they are prey!

Even if they get the treasure, I’m afraid they won’t be able to get it from the battlefield of gods and demons.

The world of gods and humans is so cruel!

“Ji Yun, Luo Xi, you two should also follow Mr. Miao and the others to leave the battlefield of gods and demons.”

“It’s too dangerous here. When danger comes, I won’t be able to protect you.”

Chapter: 5600

“Miss Luo, when you go out, follow Valley Master Luo and tell him that part of what I got in the battlefield of gods and demons will be given to you in the Blood Spirit Valley.”

Chen Ping still needs Bai Qian’s help to not be afraid of Qi Peijia’s threat, so he can’t protect others!

Ji Yun was injured. It was useless to stay in the battlefield of gods and demons. He needed to go out to recuperate!

Luo Xi wanted to practice in the battlefield of gods and demons, but the cruelty of the battlefield of gods and demons now exceeded Luo Shouhai’s imagination!

If the same thing happened to Luo Xi as Miao Miao and Cai Qiannan, Chen Ping didn’t know how to follow Luo Shouhai.

That’s why he asked Ji Yun to leave the battlefield of gods and demons with Luo Xi!

The reason why Chen Ping didn’t let Huo Feng leave was because Huo Feng had a close relationship with Bai Qian. With Bai Qian here, Huo Feng would definitely not be threatened!

Ji Yun nodded along with Luo Xi. They also knew that Chen Ping was thinking about them, so they left the battlefield of gods and demons with Mr. Miao and the others!

“Miss Bai, you have consumed a lot of energy. Let’s find a hidden place to recover for the time being.”

Chen Ping looked at Bai Qian who looked a little unhappy and said!

Hearing that Chen Ping cared about her, Bai Qian was slightly startled, looked at Chen Ping, and then nodded!

But just when Chen Ping and the others were about to find a hidden place to rest, the Monkey King jumped out!

“Fox Princess, why are you following this brat? Why does he care so much about you?”

The Monkey King asked Bai Qian!

Bai Qian frowned: “Monkey King, what is my relationship with him? Is it none of your business? Get away from me. Our relationship is whatever we love.”

The Monkey King looked angry and gritted his teeth and said: “You stinky bitch, you sleep with everyone, even a first-grade monk in the Tribulation Realm.”

After finishing speaking, the Monkey King gave Chen Ping a fierce look and said: “You brat, get away from me right away. Stop pestering the Fox Princess. He is my woman...”

“Damn monkey, what the hell are you talking about? Who is your woman? Do you want face?” Bai Qian did not expect that the Monkey King would say this!

“You are my woman. Once I identify you, no one will be allowed to touch you. I will kill this brat now. Let me see who else you want to go to.”

The Monkey King said, the aura on his body exploded, and he was about to slap Chen Ping with his palm!

Bai Qian’s face was full of anger, and bursts of aura erupted from her body. However, she was weak now, and her aura was definitely not as strong as that of the Monkey King!

Chen Pingping frowned when facing the Monkey King's furious seventh-level aura of the Tribulation Realm, and activated the indestructible golden body on his body!

Pieces of golden scales covered Chen Ping's body!

The Monkey King was slightly startled, but still gritted his teeth and headed towards Chen Ping!
