

The Order 5601

Chapter: 5601

“Smelly monkey, can’t you fucking see me?”

Just when the Monkey King was about to attack Chen Ping, he suddenly let out a sweet shout, and fire phoenix spurted out a stream of flames from his mouth!

When the Monkey King heard this voice, he couldn’t help being startled, and his body retreated quickly, with a look of horror on his face!

When he saw the fire phoenix clearly, his face turned pale!

“Fire... fire phoenix?”

The Monkey King said with a trembling body!

“Damn it, if you dare to attack my master, see if I don’t beat you to death...”

Huofeng stepped forward and slapped the Monkey King on the head!

The monkey king was slapped by the fire phoenix, but he didn’t dare to fight back and was so frightened that he hurriedly dodged!

Chen Ping was a little dumbfounded when he saw this scene!

You must know that the Monkey King is a seventh-level monk in the Tribulation Realm, while the Fire Phoenix is only in the Fusion Realm. There is a huge difference. The Monkey King may even move his fingers and the Fire Phoenix will be doomed!

But when Huo Feng made a move, the Monkey King could only dodge and didn’t dare to fight back...

Bai Qian couldn't help laughing when she saw this scene. Looking at Chen Ping's confused look, she explained: "This stinky monkey was bullied by Huo Feng a lot in the past. Before he became the Monkey King, Huo Feng was Just ride him all day long."

"At that time, Huo Feng was still a being that we orcs looked up to. It was precisely because Huo Feng rode the smelly monkey all day long and taught him a lot of skills. This slowly turned this guy into a monkey. The king also has his own territory."

"Don't look at it now that Fire Phoenix has been beaten into the secular world and has lost a lot of its realm strength, but that smelly monkey doesn't dare to fight back. This may be the fear engraved in his bones!"

After hearing this, Chen Ping felt dumbfounded. It turned out that Huo Feng followed the Monkey King and had such a past!

It seems that he did the right thing by leaving the fire phoenix on the battlefield of gods and demons!

"Auntie, don't fight, don't fight, I was wrong, I was wrong, why not..."

The monkey king covered his head and begged for mercy!

"When you meet my master in the future, please be honest with me. Do you think that being the Monkey King means you are great?"

Huofeng scolded the Monkey King!

"Be honest, you must be honest..." The Monkey King nodded repeatedly!

"Monkey, are you blind? Can't you see that this is the son of the dragon, the leader of the beast clan?"

"You still dare to attack him? I think you are tired of living..."

Chapter: 5602

Bai Qian said coldly!

The Monkey King then looked at Chen Ping carefully and felt the dragon aura on Chen Ping's body, as well as the fire phoenix following Chen Ping calling his master one by one. The Monkey King knew that he had really offended the wrong person!

"I'm sorry, just pretend I haven't been here, I'll leave right away..."

The monkey king was so frightened that he quickly disappeared!

Chen Ping, Bai Qian and Huofeng also left quickly!

Then he found a secluded cave. There was no special atmosphere around here. Chen Ping set up formations around it so that if someone came, he could still resist for a while!

After doing everything, Chen Ping took out the fairy ore from the storage ring.

"I have a fairy mine here. You can use the fairy mine to restore your skills."

Chen Ping said to Bai Qian!

"Although the Fairy Mine recovers quickly, it doesn't make me recover faster than being with you..."

Bai Qian looked at Chen Ping and said!

Chen Ping knew what was going on as soon as he heard it, so he said to Huo Feng: "Huo Feng, go and guard outside. If there is any movement, please notify me immediately."

“I know Master...”

Huofeng nodded, then looked at Bai Qian and said, “Fox Princess, please take it easy for a while. You are not the only woman who owns my house...”

Bai Qian was stunned: “Did you also get...”

“Of course, I have been the master’s for a long time!”

Huofeng said proudly!

“Okay, go and guard!” Chen Ping asked Huofeng to go out quickly!

After Huofeng left, Bai Qian looked at Chen Ping and said, “How many women do you have?”

“This doesn’t seem to have anything to do with you, right? The two of us are just making a deal.”

After Chen Ping finished speaking, he actually stepped forward and helped Bai Qian undress and take off her belt!

Chen Ping’s movements were very gentle, which greatly benefited Bai Qian!

This is the first time that Chen Ping has taken the initiative!

Soon, the two people became entangled in the fairy mine!

Chapter: 5603

With the union of the two bloodlines and the absorption of the fairy ore, Bai Qian’s skills are recovering rapidly!

Chen Ping also took advantage of this opportunity to continuously absorb the energy in the fairy mine!

Chen Ping and Bai Qian were both immersed in it and forgot about time!

The fire phoenix outside the cave was a little bored.

“Master, it’s true, it seems that I have never been with you for such a long time, so partial...”

Huofeng looked a little unhappy!

But at this moment, Huofeng suddenly frowned and looked into the distance!

“somebody is coming?”

Huofeng noticed that someone was coming, and at this moment Chen Ping and Bai Qian were in ecstasy!

The fire phoenix could only jump up and head towards the mountains on the other side!

She wants to attract people to other places and not find Chen Ping and Bai Qian!

If the two of them are disturbed now, Bai Qian will not be able to recover, which will cause great physical trauma!

The fire phoenix was deliberately suspended in the air, and with a cry, fire feathers stretched out from both sides of the fire phoenix!

“It turned out to be a fire phoenix. I didn’t expect that there would be such a beast in this battlefield between gods and demons...”

There was a joking sound in the void, and then the void twisted, and a figure slowly appeared!

Huofeng glanced at the figure in front of him, frowned slightly and said, "Who are you?"

"My name is Qi Peijia. I wonder if Miss has ever heard of my name?"

Qi Peijia smiled slightly and said!

Huofeng shook her head. She didn't know Qi Peijia, but she could feel the terrifying aura on Qi Peijia's body!

With Huofeng's current strength, it is impossible for him to be Qi Peijia's opponent!

"Your name is so strange, I have never heard of it..."

Huofeng pretended to be very innocent and said!

"Hahaha, it doesn't matter if you haven't heard of it, haven't you heard it now?"

Qi Peijia laughed: "Look at you as a divine beast, how come your strength is so low? Have you been trapped in the battlefield between gods and demons?"

Chapter: 5604

"No, I have also entered this battlefield between gods and demons not long ago. I see that you also have wild beasts embroidered on your black robe. Are you also an orc?"

Huofeng asked curiously!

Qi Peijia shook his head: "I am not an orc, I am a demon, but I have no hostility towards you orcs."

“You are only in the Fusion Realm now, so it would be very dangerous to enter the battlefield of gods and demons alone. If you are willing to accept me as your master and be my pet, I can keep you safe in this battlefield of gods and demons!”

Qi Peijia actually wants to accept the fire phoenix as a pet!

Huo Feng looked at Qi Peijia with a burst of contempt in his heart. Although Qi Peijia was very strong, it was shameless for him to want to be his master like this!

You must know that when Huofeng was demoted to the secular world, his strength was no worse than Qi Peijia!

Moreover, the previous owner of Fire Phoenix was the domain master of one of the five realms of the Heaven and Human Realm, so Fire Phoenix can do whatever he wants in the Heaven and Human Realm!

But later he made a mistake and was thrown into the secular world, and his strength dropped a lot!

Fortunately, after meeting Chen Ping, Huo Feng had the chance to return to the world of heaven and humans!

Now Qi Peijia is an eighth-level monk in the Tribulation Realm, and he still wants to be his master.

Huo Feng felt disdain in his heart!

But Huo Feng’s strength is too low now, so he must endure it!

“Can you really protect me?” Huofeng asked in a low voice!

“Of course, in this battlefield between gods and demons, anyone who sees me, Qi Peijia, must bow his head and behave like a human being.”

Qi Peijia said with a proud look!

“Are you really that powerful? Then I am willing to recognize you as my master...”

When Huofeng heard this, he jumped up with joy!

Seeing that Fire Phoenix is so simple and is also a mythical beast, if he can be trained and trained more, he will definitely be a good helper in the future!

In addition, the fire phoenix looks pure and refined, so it is good to keep the bed warm at night!

“Okay, since you recognize me as your master, I’ll give you a meeting first!”

Qi Peijia took out an elixir and threw it directly to Huo Feng: “This is an elixir I found on the battlefield of gods and demons. I give it to you.”

“Thank you, Master!” Huo Feng was so happy that he was about to put the elixir away!

“Eat it, this elixir is for you.”

Chapter: 5605

Qi Peijia asked Huofeng to eat the elixir!

Huofeng hesitated for a moment, but finally opened his mouth and swallowed the elixir!

After all, she must obey unconditionally now so that Qi Peijia won’t be suspicious!

Qi Peijia suddenly smiled when he saw Huofeng really eating the elixir!

“Master, I was bullied just now. I wonder if Master can help me get revenge?”

Huofeng asked Qi Peijia!

“Of course, you can take me there...”

Qi Peijia nodded!

Huofeng took Qi Peijia in the opposite direction to the cave where Chen Ping and the others were training!

The two of them flew all the way, and the fire phoenix turned into its own body and flew beside Qi Peijia. This made Qi Peijia feel extremely satisfied!

It feels so good to have the fire phoenix flying beside me all the time, becoming my pet.

But at this time, Huofeng was very anxious inside!

She needs to find a strong enemy, and then follow Qi Peijia to fight until both sides are injured, and only then can Huofeng escape!

Just as the fire phoenix was following Qi Peijia, he suddenly discovered that a dozen monks were surrounding a female cultivator!

Looking closely, Huofeng discovered that these were actually people from the Yupu Sect!

You must know that the leader of the Yupu Sect, Hai Ande, is dead, but there is still someone from the Yupu Sect who has slipped through the net!

“Master, they are down there...”

Huofeng pointed out quickly!

Upon seeing this, Qi Peijia swooped down!

At this time, the female cultivator was being pushed to the ground by more than a dozen monks from the Yupu Sect, and her clothes were about to be taken off!

Qi Peijia looked at it expressionlessly, and then asked: "Are these people bullying you?"

"Yes, that's how they bullied me..."

Huofeng nodded!

"Who are you? Get out of here right away. We are from the Yupu Sect and are preparing to practice. Don't disturb us!"

Chapter: 5606

After seeing Qi Peijia and Huofeng, a person from Yupumen yelled insults!

Qi Peijia didn't speak, but a wisp of black mist emerged from his body!

This wisp of black mist was like a poisonous snake, moving towards the dozen Yu Pu Sect disciples in an instant!

In the blink of an eye, more than a dozen Yupu Sect disciples were all dead without any resistance!

When Huofeng saw this scene, he was frightened in his heart!

If Qi Peijia discovers the cave where Chen Ping and Bai Qian are hiding and discovers that there is an immortal mine inside, I wonder if he will try to rob it!

Huofeng still doesn't know that Qi Peijia is looking for Chen Ping at this moment and wants to kill Chen Ping!

"Okay, your revenge has been taken, now follow me to find someone else!"

Qi Peijia said!

"Who is the master looking for?" Huo Feng asked!

"Find a guy named Chen Ping!" Qi Peijia said!

"Chen Ping?" Huofeng was stunned!

"What? Do you know him?"

Qi Peijia looked at Huofeng's expression and frowned!

"No, no, no, I don't know him. I'm just curious. What does the master want to do with this Chen Ping?"

Huofeng asked curiously!

"kill him....."

When Qi Peijia was talking about killing Chen Ping, he couldn't help but tremble!

It seems that Qi Peijia gets excited when he thinks about killing Chen Ping!

When Huofeng saw this, he was secretly afraid. Fortunately, he lured Qi Peijia away, otherwise Chen Ping would be in danger!

“Master, I...I still have revenge to take, can you help me?”

At this time, Huofeng must delay Qi Peijia as much as possible, but he cannot let Qi Peijia find Chen Ping!

Qi Peijia glanced at Huofeng: “Let’s go...”

Huofeng continued to fly with Qi Peijia, but this time, Huofeng was in a dilemma, not knowing who to look for!

Chapter: 5607

Soon, Huofeng and Qi Peijia arrived at the fairy mine!

At this time, the Lion King, Leopard King, Thousand-faced Demon King, and Monkey King are all down there. These people are still rummaging through the storage bags of the dead!

Seeing these guys, Huo Feng immediately took notice!

“Master, the person who bullied me is down there. There is a fairy mine down there, and they took it away.”

Huofeng pointed out quickly!

“Immortal mine?” Qi Peijia’s eyes lit up, and then he followed the fire phoenix and rushed down!

Lion King and others also noticed Qi Peijia following Huo Feng, but they did not recognize Huo Feng.

After all, the aura strength of the current Huo Feng is too low, and the Huo Feng they met is completely different!

However, the aura of Qi Peijia's eighth-level Tribulation Realm made several people alert!

Qi Peijia glanced at the dead bodies on the ground, then looked at the storage bag that Lion King and the others were rummaging through, and couldn't help but snorted: "Huh, everything here belongs to me, you can get out..."

Qi Peijia's words stunned the Lion King and others!

How can you say that they are also prominent figures in the beast tribe, and they are also the demon kings among the Three Sovereigns and Four Kings, and now they are being reprimanded by Qi Peijia like this?

"Who the hell do you think you are? How dare you say this about us? Do you know who we are?"

The lion king roared!

"Are you looking for death?" The Leopard King also had a cold light in his eyes!

The Monkey King raised his head at this moment and suddenly saw Huofeng following Qi Peijia. He was about to speak, but was stopped by Huofeng's look!

"Fellow Taoist, things in the battlefield between gods and demons are ownerless things. How can you say they are yours?"

"And there's always a first-come-first-served basis, right?"

The Thousand Faced Demon King asked Qi Peijia politely!

And while the Thousand-faced Demon King was speaking, the aura on his body was rising continuously. He was at the peak of the seventh level of the Tribulation Realm, approaching the eighth level of the Tribulation Realm!

The Lion King, Leopard King, and Monkey King also exuded their auras and headed toward Qi Peijia to envelope him!

Qi Peijia was slightly stunned. He didn't expect that these people were not weak!

Although he is at the eighth level of the Tribulation Realm, he has to deal with these four people at the same time. It is not certain who will win and who will lose!

"Originally, I discovered this place first, but since you have found it, I will leave it to you..."

Chapter: 5608

Qi Peijia doesn't plan to start a conflict with Lion King and the others. He wants to save his energy to kill Chen Ping!

"Thank you very much!" The Thousand-faced Demon King cupped his hands and put away his breath!

Qi Peijia also turned around and left, which made Huofeng very anxious!

"Master, won't you avenge me?"

Huofeng asked in confusion!

"The opponent is also very strong, let's talk about revenge later!"

Qi Peijia said!

Seeing that Qi Peijia was scared, Huofeng rolled his eyes and said, "Damn, you are so fucking coward, bah..."

Huofeng spat fiercely, which made Qi Peijia stupid!

"Monkey, come here and fuck him for me..."

Huofeng waved towards the Monkey King and said!

The Monkey King hurriedly ran to the fire phoenix and said with a slight embarrassment: "Auntie, he is in the eighth level of the Tribulation Realm, and I am only in the seventh level. I can't do it?"

"Trash, you won't unite with a few of them to fuck him together?"

The fire phoenix scolded the monkey king!

"Monkey King, what's wrong with you?" Thousand-faced Demon King looked at the Monkey King in confusion and asked!

"Thousand-faced Medicine King, can't you see, this is a fire phoenix, a fire phoenix..."

The Monkey King said anxiously!

"Fire Phoenix?"

When the Monkey King said this, several people looked at Huo Feng carefully!

At the end, everyone gasped: "Why did Fire Phoenix become like this?"

“It’s a long story. Why don’t you guys beat him up? This guy is just a little demon, but he still wants to be my master. Why don’t you piss yourself off to see how virtuous you are?”

Huofeng looked at Qi Peijia with disdain and said!

“you.....”

Qi Peijia’s face turned pale because of the fire phoenix: “Who are you? Don’t forget that you took my elixir. It was not an elixir at all. It was a poisonous elixir. Without my antidote, you would have died of poison.” of.....”

Chapter: 5609

“I knew it a long time ago, I’m not afraid!” Huo Feng is not afraid at all!

She knows Chen Ping’s ability. As long as Chen Ping is around, any poison pill can be cured!

“Damn it, you dare to poison my aunt...”

When the Monkey King heard this, he immediately became angry and slapped Qi Peijia with his palm!

Seeing this, several other people also took action. Four of them were at the seventh level of the Tribulation Realm. How worried were they that one would be at the eighth level of the Tribulation Realm?

When Qi Peijia saw this, he turned around and ran away!

I saw Qi Peijia wave a black mist, and then the whole person entered the black mist!

With a tremor in the void, Qi Peijia’s figure disappeared!

“Damn, this kid knows space magic, otherwise I will definitely destroy him.”

The Monkey King shouted, then walked up to Huo Feng with a flattering face and said, “Auntie, how do you think I behave?”

“That’s right, it’s worth it that I was so good to you before!”

Fire Phoenix patted the Monkey King on the shoulder!

“Huofeng, what happened to you? How did it become like this?”

Thousand-faced Demon King asked in shock!

“It’s a long story, I’ll tell you when I have time, but you guys have become characters in Three Sovereigns and Four Kings. It’s beyond my expectation. You guys were the stupidest before.”

After Huofeng finished speaking, she turned around and left. She had to return to Chen Ping as soon as possible!

And she wants to tell Chen Ping that there is a guy named Qi Peijia who has been looking for him and wants to kill him!

When Huofeng rushed back, he found that Chen Ping had already finished following Bai Qian!

Bai Qian’s face was flushed, and she was obviously very satisfied!

“Huofeng, what have you done?”

Chen Ping asked Huofeng!

“Master, someone just came. I was afraid of finding you, so I led that person away.”

Huofeng said!

“Who?” Chen Ping was shocked!

Chapter: 5610

“It’s a guy named Qi Peijia, and he said he wants to find you and kill you...”

Huofeng said!

Chen Ping was startled for a moment and looked at Huo Feng carefully: “Then how did you escape from that guy? He is an eighth-level monk in the Tribulation Realm?”

Chen Ping didn’t understand how Huo Feng could escape from Qi Peijia when he was only in the Fusion Realm!

Huofeng smiled and said: “The mountain people have their own clever plans...”

Huofeng told Chen Ping what happened, which made Chen Ping very scared. Fortunately, Huofeng met some of the Three Sovereigns and Four Kings. Otherwise, Qi Peijia would have killed Huofeng if he found out that Huofeng had lied to him. life!

However, these three emperors and four kings are all afraid of fire phoenix, which is beyond Chen Ping’s expectation!

puff.....

Suddenly, Huo Feng frowned, a mouthful of blood spurted out, and the poison pill in his body began to take action!

Chen Ping hurriedly carried Huofeng into the cave, detoxified her, and asked Bai Qian to protect her outside!

Qi Peijia's poison elixir was really powerful. It took Chen Ping half a day to help Huo Feng force the poison out of his body!

Fortunately, Bai Qian was guarding outside, so Chen Ping felt relieved!

After all, Bai Qian is a seventh-level monk in the Tribulation Realm, and ordinary monks are no match for her!

"Where are we going? I'm afraid this battlefield of gods and demons will be closed in a few days."

Bai Qian said after seeing Chen Ping coming out with Huofeng!

"Just take it one step at a time. Although there are many opportunities in this battlefield of gods and demons, the dangers are also great. Let's rely on luck!"

At this moment, Chen Ping doesn't have much expectations for treasure hunting in the battlefield of gods and demons!

After all, the battlefield between gods and demons covers a vast area. Finding the treasures left behind in such a place is indeed like finding a needle in a haystack!

What's more, Chen Ping now has a spirit beast egg. Although he doesn't know what kind of spirit beast is inside the spirit beast egg, it is definitely not a mortal thing!

"Okay, let's just walk around..."

Bai Qian also nodded!

This time entering the battlefield of gods and demons, Bai Qian met Chen Ping. The fusion with Chen Ping's bloodline improved her bloodline a lot. Bai Qian also felt that it was worth it. As for whether she could find the treasure, it no longer mattered!

Chen Ping is now Bai Qian's best treasure. If she can continue to fuse her blood with Chen Ping and have children by then, her blood will become stronger and stronger in the future!

But this is just Bai Qian's wishful thinking. After all, after leaving the battlefield of gods and demons, Chen Ping will no longer need her. Then she will not be followed or threatened!
