

The Order 561

Chapter: 561

Gu Ling'er stepped forward, grabbed Gu Feng's ears, and threw Gu Feng out!

Bang.....

After closing the door, Gu Ling'er was still angry. Her brother really failed to live up to expectations. I'm afraid that in their generation, the Gu family will also decline!

Chen Ping secretly glanced at the angry Gu Ling'er and couldn't help but laugh!

"What are you laughing laughing....."

Gu Ling'er rolled her eyes at Chen Ping and turned back to the room!

.....

The next day, Jiang Zhengzhong initiated a proposal to convene a martial arts alliance conference!

In order to convene a martial arts alliance conference, one of the four major directors must propose it, and the other three major directors need to agree before the martial arts alliance conference can be convened!

After Jiang Zhengzhong proposed, the other three families had no objections, and the Martial Arts Alliance Conference was successfully held at a venue on the outskirts of the provincial capital!

At the main seat of the venue, there are four mahogany carved chairs. This is where the four directors of the Martial Arts Alliance sit!

At nearly noon, more than thirty martial arts families and martial arts schools had arrived to attend the martial arts alliance conference. These martial arts families and martial arts schools were all members of the martial arts alliance.

These people waited for more than half an hour before the four directors slowly arrived!

From left to right, they are Jiang Zhengzhong of the Jiang family, Wu Liuyi of the Wu family, Sun Yaobang of the Sun family, and Chifeng of Chifengtang!

The strength of the four people is unfathomable, and no one knows their specific strength.

The rumors about them are just speculation!

“Everyone, today I convened everyone for an alliance meeting again, mainly because of the Wei family’s affairs. Everyone must know the relationship between the Jiang family and the Wei family. Therefore, I, the Jiang family, will take over all the Wei family’s properties. If you have a crush on the Wei family, if you want to own your property, you can tell me and I will transfer it to you at a low price!”

Jiang Zhengzhong stood up directly and said straight to the point!

There were dozens of people in the audience, but no one spoke. Who dared to oppose the Jiang family at this time? These people still understand the principle of shooting the first bird.

“Hmph!” Suddenly, Chifeng snorted coldly: “Jiang Zhengzhong, according to the rules of our alliance, if a business family goes bankrupt or collapses, all the martial arts families or martial arts schools in our martial arts alliance have the right to compete and divide. As a Alliance director, don’t you know?”

In the martial arts alliance, whether it is a martial arts family or a martial arts school, there is cooperation from a business family behind it. After all, these martial arts families and martial arts schools still need the support of these business families for their expenses, but these business families also need the support of the martial arts family!

However, the alliance has rules, that is, no matter which business family the martial arts family cooperates with falls, all the resources of the business family will be divided and competed for. However, because of the special relationship between the Wei family and the Jiang family, many people want to attack the Wei family. The family property has started to take action, but it has been delayed. It depends on who takes action first!

“Chifeng, the Wei family and my Jiang family are not in a cooperative relationship. The Wei family belongs to my daughter. My daughter died tragically and her body is still cold. How could I let others divide the Wei family’s property?”

Jiang Zhengzhong looked at Chi Feng angrily and said through gritted teeth.

Chapter: 562

“I don’t care about other people, but I, Chifengtang, will definitely take action against the Wei family’s property. To tell you the truth, I have already obtained two of the Wei family’s real estate companies!”

Chi Feng smiled coldly.

“Chifeng, you are going too far...”

After Jiang Zhengzhong heard this, he slammed the table suddenly, his eyes filled with murderous intent!

“What, do you want to fight?”

Chifeng showed no sign of weakness.

At this time, the two people suddenly became tense. No one from the dozens of martial arts families below said anything, but just watched quietly!

“OK OK.....”

Wu Liuyi stood up and smoothed things over: "According to the rules, Chifeng is right, but the relationship between the Wei family and the Jiang family is indeed different. You all must give in and let the Jiang family control the Wei family." Wouldn't it be enough to give up half of the industry?"

"impossible....."

Jiang Zhengzhong immediately retorted: "I will not give away any of the Wei family's property. Anyone who eats it will have to spit it out!"

Jiang Zhengzhong is filled with murderous intent. He will not give up any of the Wei family's property because he still needs to use the Wei family's property to raise the money to buy medicinal materials for Xuanyue Valley!

Seeing that Jiang Zhengzhong refused to give in, Wu Liuyi suddenly became embarrassed. If there were any differences in the martial arts alliance, he, a good old man, would make peace with them, but this time, it seemed that it was difficult to make peace.

"Old rules, let's see the truth in the ring, fists are better than mouth!"

Sun Yaobang, who had been silent for the whole time, stood up and walked directly out of the venue after finishing speaking!

"Okay, see you in the ring in three days!"

Sun Yaobang's words played into Jiang Zhengzhong's hands, so he coldly said a word and left directly!

"See you in the arena, see you in the arena, am I still afraid of you?"

Chifeng showed no fear and left with a cold snort!

In the end, only Wu Liuyi was left. After sighing helplessly, he waved his hands to everyone in the audience: "The meeting is over, let's all disperse..."

The martial arts alliance conference broke up unhappy and only lasted for less than ten minutes. Although many martial arts families were dissatisfied, they did not dare to say anything. After all, they were not as powerful as others, so they could only endure it!

Two days later, Gu Ling'er's home.

Chen Ping was sitting at the dining table. Gu Ling'er had already cooked a table of meals. Gu Ling'er had not let Chen Ping go out for the past two days, for fear that the Jiang family would cause trouble. However, unexpectedly, the Jiang family seemed to have taken Chen Ping out of the house. Ping was completely forgotten and nothing happened anymore!

After Gu Ling'er finished her work and was about to sit down to eat, the doorbell suddenly rang.

Chapter: 563

Gu Ling'er's body was visibly shaken, and she seemed to be still worried about the Jiang family sending people to arrest her that night!

"I'll open the door..."

Seeing Gu Ling'er's face not looking good, Chen Ping stood up and said.

"Don't move, I'll go..."

Gu Ling'er asked Chen Ping to sit down, and then cautiously opened the door!

When the door opened, Gu Ling'er was stunned for a moment, and then said with a surprised look: "Yu Qi, you... why did you come to the provincial capital?"

At this time, it was Su Yuqi standing outside the door, holding some fruit in her hand!

“I’m a little worried about Chen Ping, so I came here to take a look!”

Su Yuqi smiled slightly.

“Yu Qi.....”

When Chen Ping heard the sound, he got up excitedly and ran to the door. When he saw Su Yuqi’s figure, Chen Ping was moved!

“Chen Ping...”

Su Yuqi threw herself directly into Chen Ping’s arms!

Su Yuqi has been worried in Hongcheng for the past few days. After all, the provincial capital is not like Hongcheng. There are hidden dragons and crouching tigers here, and there are many dangers!

Seeing Su Yuqi and Chen Ping like that, Gu Ling’er stepped aside at a loss!

“It smells so good. Is it cooked by Ling’er?”

Su Yuqi smelled the aroma of the food, glanced at the food on the table and said.

“Well, Ling’er’s cooking is pretty good. I’ve been eating her cooking for the past two days!”

Chen Ping nodded and said.

When Gu Ling’er heard this, her face suddenly panicked, and she hurriedly followed Su Yuqi to explain: “Yu Qi, I was afraid that the Jiang family would cause trouble for Chen Ping, so I let Chen Ping live with me temporarily, but he has been living on the sofa. ...”

Seeing that Gu Ling'er was a little flustered, Su Yuqi smiled slightly: "Ling'er, you don't need to explain, I believe you!"

Su Yuqi's words made Gu Ling'er feel ashamed!

"Did you come this long way by yourself? How dangerous is it?"

Chen Ping asked Su Yuqi.

Chapter: 564

"Lin Tianhu sent me here. He went to park the car and came up right away..."

After Su Yuqi finished speaking, Lin Tianhu had already come up!

"Mr. Chen..."

After Lin Tianhu saw Chen Ping, he shouted respectfully!

"How are you? Are you okay?" Chen Ping asked with concern.

"It's okay, I feel better than at the beginning!"

Lin Tianhu smiled!

"Come, let's eat together, I've done a lot today!"

Gu Linger invited Su Yuqi and Lin Tianhu to have dinner together!

After dinner, the two girls Gu Ling'er and Su Yuqi went shopping. After all, shopping is a girl's favorite!

Chen Ping took Lin Tianhu to Chifeng Hall. Since they were both members of his subordinates, Chen Ping felt that Lin Tianhu and Chifeng should get to know each other!

“Palace Master, you said that Chifeng Hall is also the entrance to our Tianlong Hall?”

On the way, Lin Tianhu asked Chen Ping in surprise.

“Yes, that Red Phoenix recognized my Tianlong Ring at a glance!”

Chen Ping nodded!

“I really didn’t expect that the largest gang in the provincial capital is actually one of our own. Now the Lord has nothing to fear in the provincial capital!”

Lin Tianhu had a look of shock on his face!

After arriving at Chifeng Hall, Chifeng heard that Chen Ping was coming and hurried to greet him personally!

Seeing Lin Tianhu next to Chen Ping, Chifeng was stunned for a moment, but quickly reacted, smiled at Lin Tianhu, nodded, and said hello!

When Lin Tianhu saw Chi Feng, especially his slight smile, he was stunned.

“Hello, my name is Chifeng!” Chifeng extended his hand generously!

Lin Tianhu’s face turned red, he shook hands with Chi Feng in a panic and said, “My name is Lin Tianhu!”

“Master Hu is famous as a thunderbolt, and the underground emperor of Hongcheng is truly well-deserved!”

Chifeng praised Lin Tianhu.

Chapter: 565

“Ashamed, ashamed...”

Although Lin Tianhu is a big man, in terms of strength and power, he is far behind Chi Feng!

After a few words of greeting, Chifeng invited Chen Ping and Lin Tianhu to a secret room!

“Hall Master, I have something to ask you. Tomorrow the Martial Arts Alliance will hold an arena match. Since the Jiang family is always targeting the Hall Master, I want to kill Jiang Zhengzhong in the arena match!”

Chifeng said to Chen Ping.

“Are you sure?” Chen Ping asked.

“Yes!” Chifeng nodded firmly: “Actually, my strength has already entered the ranks of Nei Jin Grandmasters. The reason why I have hidden my strength in these years is to take things by surprise!”

“Okay!” Chen Ping nodded and said, “Can I go and watch this competition?”

“Of course, it’s okay. The palace master will go with me tomorrow!”

Chifeng said!

After staying in Chifeng Hall for an hour, Chen Ping took Lin Tianhu and left!

“Lin Tianhu, how about Chifeng?”

On the way back, Chen Ping suddenly smiled.

“Ah, it’s good. She’s pretty and strong...”

Lin Tianhu drove the car and said instinctively.

“Then if you have a chance, I’ll match you two up!”

Chen Ping actually discovered just now that Lin Tianhu always looked at Chi Feng secretly from the side, with admiration in his eyes!

“Isn’t this appropriate? After all, the strength of the two of us is very different...”

Lin Tianhu said with a look of inferiority!

“Don’t worry about it, leave this matter to me!”

After Chen Ping finished speaking, he leaned on his seat and rested!

Jiang family villa!

Jiang Zhengzhong was holding a very delicate wooden box and standing respectfully in Master Buhuo’s room!

At this time, Master Buhuo was sitting on the bed, with his eyes slightly closed, and using his hands to perform magic arts. Balls of green flames were floating in the air, like balls of ghostly will-o’-the-wisps!

Chapter: 566

Looking at the scene in front of him, Jiang Zhengzhong was a little stunned. Although he has now reached the level of a master of internal energy and can condense his energy into a knife and pick leaves to hurt people, this is the first time he has seen a sight like this!

“combine.....”

Suddenly, Master Buhuo shouted loudly, and the green flames instantly merged together, followed by a deafening explosion!

Bang.....

The sound was so loud that it made the glass in the room rattle!

But just after the flames exploded and the smoke dispersed, Master Buhuo actually had a green pill in his hand. The pill was only about the size of a thumb, and it was shining with luster!

“This is the Exploding Pill. After you take it, your strength will double instantly, but it only lasts for three hours. Once the time has passed, you will be back to your original state!”

Master Buhuo casually threw the Exploding Pill to Jiang Zhengzhong and said.

“Thank you, Master Buhuo. Here is a thousand-year-old ginseng plant, specially dedicated to honor Master Buhuo!”

Jiang Zhengzhong put the wooden box in his hand on the table and said.

“Yes!” Master Buhuo nodded, then waved his hand and let Jiang Zhengzhong go out!

After Jiang Zhengzhong went out, Master Buhuo’s face instantly showed excitement. He jumped out of bed, opened the wooden box, and carefully put the Thousand-Year Ginseng into his pocket!

Many magicians can refine ordinary elixirs like this, but many people in the martial arts world don't understand it, so they think magicians like them are miraculous. These things are just like a mountain apart!

An ordinary Exploding Pill was actually replaced by a thousand-year-old ginseng plant. Master Buhuo was already filled with joy!

"Master, you managed to find that thousand-year-old ginseng. Are you just giving it away like this?"

When the housekeeper Lao Liu saw Jiang Zhengzhong coming out of Master Buhuo's room, he asked with confusion.

"Hahaha, what do you know!" Jiang Zhengzhong held the Exploding Pill and said, "This pill can instantly double my strength. Let's see who is still my opponent in the ring tomorrow! Do you think Am I just for the Wei family's property in the arena tomorrow? What I want is the entire martial arts alliance, and I want to be the leader, and with this explosive pill, let's see who dares not to obey!"

"The master is wise..."

The housekeeper Lao Liu did not expect that Jiang Zhengzhong's ambition turned out to be the entire martial arts alliance.

Early the next morning!

Many people rushed to the venue on the outskirts of the provincial capital in advance. In addition to the martial arts families in the martial arts alliance, there were also many business families there.

Li Shouyi, who was leading the Dharma Protector Pavilion, also mentioned that warnings had been placed around the area to prevent any accidents from happening!

Although Li Shouyi knew that his Dharma Protector Pavilion had no way to get involved in the affairs of the Martial Arts Alliance. Even if the opponent had a fight and injured someone, their Dharma Protector

Pavilion could only watch. However, due to his responsibilities, Li Shouyi could only lead people to be responsible for the security of the perimeter!

Chen Ping took Su Yuqi and Lin Tianhu, and then rushed towards the venue with the people from Chifengtang!

Chapter: 567

Gu Ling'er acted with the people from the Protector Pavilion. After all, she was an agent of the Protector Pavilion!

"Chifeng, when fighting against that Jiang Zhengzhong, don't be brave. Kill if you can. If you can't kill, then retreat. The Jiang family won't be able to survive for a few days!"

In the car, Chen Ping warned Chifeng!

"Don't worry, Mr. Chen, I'm confident!"

Chifeng smiled slightly.

Chen Ping can also see that Chifeng must have hidden a lot of strength over the years, otherwise he would not have such great confidence!

Soon, the car rushed to the outside of the venue, and many Dharma Guardian agents were guarding various intersections, checking every passing vehicle!

"Chen Ping, you should be careful. There are many people from the Jiang family, all of whom are masters. One of them drove in without knowing who was sitting in the car!"

Gu Ling'er came over and warned Chen Ping.

"Got it!" Chen Ping nodded.

Gu Ling'er waved her hand and the car was released, and Chen Ping and the others drove into the venue!

Entering the venue, there were people from the alliance guarding them, but with Chifeng around, they entered easily!

When Chen Ping and Chifeng stepped out of the car together, they immediately attracted the attention of many people.

After all, the protagonists of today's arena match are Chi Feng and Jiang Zhengzhong. People are looking to see who of these two will win in the end.

"Master, isn't that person Chen Ping?"

At this time, beside Jiang Zhengzhong, the housekeeper Old Liu pointed at Chen Ping next to Chifeng and said.

Jiang Zhengzhong frowned, his eyes full of killing intent. After all, his enemy was right in front of him, how could he not be angry!

"How come this Chen Ping is with Chifeng?"

Jiang Zhengzhong's face was full of doubts!

The housekeeper Lao Liu also shook his head. He didn't know why Chen Ping ended up with Chi Feng.

"Oh shit....."

And Jiang Wenjie, who was behind Jiang Zhengzhong, became furious when he saw Chen Ping appear, and rushed out with a quick stride!

“Chen Ping, you are so brave. You dare to come to this place. Today I will kill you to avenge my sister!”

Jiang Wenjie came to Chen Ping angrily and punched Chen Ping!

Chapter: 568

Chen Ping did not dodge or take action, but Chi Feng, who was beside Chen Ping, reached out to grab Jiang Wenjie’s wrist and said with a cold expression: “Jiang Wenjie, if you touch Mr. Chen, I will make your life worse than death...” ...”

Chi Feng’s voice was bone-chilling, hitting Jiang Wenjie’s heart!

Compared with Chi Feng, Jiang Wenjie’s strength is really not good enough!

“Wenjie, come back...”

Jiang Zhengzhong shouted towards Jiang Wenjie.

After Jiang Wenjie snorted coldly, he turned around and walked back behind Jiang Zhengzhong!

At this moment, everyone’s eyes fell on Chen Ping!

In recent days, the name Chen Ping has become very popular among these martial arts families, but many people have never seen it before!

“Holy crap, is this Chen Ping? He looks very young? How did he destroy the Wei family at such a young age?”

“What’s the relationship between Chifeng and Chen Ping? Why are you still protecting him? They can’t be lovers, right?”

“Hush, don’t talk nonsense, be careful of getting into trouble. Didn’t you hear Chifeng directly call Chen Ping Mr. Chen? It seems that this boy has a good background!”

“Now there’s something good to watch. The Jiang family and Chifengtang seem to be fighting to the death!”

Everyone was talking one after another, and they were even more looking forward to the arena competition that was going to be held soon!

Chifeng invited Chen Ping to his seat. Their seat was just opposite the Jiang family. Everyone in the Jiang family looked at Chen Ping angrily. Chen Ping didn’t care at all. Instead, he stared at Chen Ping closely. Next to Jiang Zhengzhong, there was a man wearing a hat and just eating and drinking with his head down!

Because the man was wearing a hat and was just eating and drinking with his head down, Chen Ping couldn’t see the man’s face, but he felt the surge of spiritual energy from that man’s body!

All the people in the martial arts world are full of energy, but this person is actually full of spiritual energy, which has to make Chen Ping pay attention.

“Did the Jiang family also invite monks?” Chen Ping frowned slightly, but under Chen Ping’s careful inspection, he found that the spiritual energy on that person was very weak, and he did not look like an immortal cultivator!

“When you get on stage, pay attention to yourself!”

Chen Ping warned Chifeng.

“Don’t worry, Mr. Chen, I’m measured!” Chifeng said confidently!

She didn’t know what Chen Ping meant yet, but Chen Ping didn’t say it clearly. He just paid special attention to that person in the Jiang family. If the other party made a move secretly, Chen Ping would be rude.

“Thank you all for coming to participate in this ring competition. The rules of our martial arts alliance are that as long as there are differences and do not accept mediation, they can be resolved with fists in the ring. However, fists and feet have no eyes. In the end, no matter who is injured, or even Even if you lose your life, you are not allowed to complain, these are the rules of the arena!”

“This time, the Jiang family and Chifengtang have differences regarding the issue of the Wei family’s industry, so now it will be resolved by Jiang Zhengzhong and Chifeng in the ring. Whoever wins will decide the issue of the Wei family’s industry. Let the two of you take the stage. !”

Wu Liuyi, a good old man from the Martial Arts Alliance, announced loudly on the ring!

Chapter: 569

“Wait a minute!” Just as Wu Liuyi finished speaking, Jiang Zhengzhong jumped directly onto the ring.

“Lao Jiang, do you have anything else to do?”

Wu Liuyi asked.

Jiang Zhengzhong nodded, then glanced at everyone indifferently, and said angrily: “Today’s arena competition, I am not just for the Wei family’s industry, the martial arts alliance has been in a leaderless state for more than ten years since its establishment. It is not conducive to the development of our martial arts alliance, so I plan to use today’s opportunity to elect a leader. Jiang is not talented and would like to recommend himself for the position of leader. If you have different opinions, you can compete with me on the ring. !”

As soon as Jiang Zhengzhong finished speaking, there was an uproar on the scene, and everyone was talking about it.

“Jiang Zhengzhong, what do you mean?”

When Sun Yaobang heard this, he immediately stood up from his seat and asked with a cold face.

Jiang Zhengzhong actually wanted to be the leader of the Martial Arts Alliance. Of course he would not agree. In that case, what status would the Sun family have in the Martial Arts Alliance?

Wu Liuyi's face also changed slightly, and he said with a hint of anger: "Old Jiang, our four families have managed the martial arts alliance for so many years, and we have always been in peace. You suddenly proposed to be the leader of the alliance. Don't take it as the leader in the end. You are considering your current position. Lost it!"

"Jiang Zhengzhong, you have such a loud voice, and you don't even take a break to take a piss to shine a light on yourself. You still want to be the leader of the alliance?"

Chifeng also jumped onto the stage and shouted insults at Jiang Zhengzhong!

At this time, Jiang Zhengzhong, facing the accusations from the three families, showed no fear. He smiled coldly and said: "I said, if any of you have any objections, you can compete with me in the ring. It's useless to show off your skills with words. !"

"What happened to Jiang Zhengzhong today? He actually singled out three other companies?"

"Did Jiang Zhengzhong have any adventures? With the current strength of the Jiang family, is it capable of taking on the other three families?"

"It's going to be lively today, just wait and see the good show, maybe after today, the martial arts alliance will change!"

Everyone below was talking quietly.

"Jiang Zhengzhong, I, Sun Yaobang, would like to ask you about your strength first..."

As Sun Yaobang said that, he got into a posture!

Originally, he planned to come and sit on the mountain and watch the fight between tigers, but he didn't expect that Jiang Zhengzhong actually wanted to take the entire martial arts alliance for himself and become the leader. Of course Sun Yaobang would not agree!

Sun Yaobang is also a master of Nei Jin, and his strength cannot be underestimated, otherwise he would not be able to sit on one of the four top positions in the Martial Arts Alliance!

"Sun Yaobang, you are no match for me, so don't ask for trouble!"

Jiang Zhengzhong glanced at Sun Yaobang coldly and said arrogantly.

Sun Yaobang's face became angry: "Jiang Zhengzhong, you won't know until he tries whether he is your opponent or not. Let's do it!"

As soon as he finished speaking, Sun Yaobang suddenly erupted with overwhelming momentum, instantly covering the entire arena!

Chapter: 570

"Old Sun, you have to be careful..."

Wu Liuyi seemed to see something and reminded Sun Yaobang.

After saying that, Wu Liuyi and Chifeng saw this and walked to the ring together!

"Since you insist on competing, I'll show you my true ability!"

As Jiang Zhengzhong said this, his body suddenly erupted with overwhelming fighting spirit.

The momentum of the two people was instantly entangled, and a strong wind swept across the ring, but everyone in the audience felt no pressure at all!

Because this arena is specially made, no matter how ferocious the auras of the two sides fighting in the arena, it will not affect the people in the audience. Otherwise, if the two internal strength masters compete, the entire venue will probably be destroyed!

“Wind Gun.....”

Sun Yaobang shouted loudly, then shook his hands in the air, and a spear instantly condensed in his hands.

A master of inner energy, he can condense energy into objects, transform the energy in his body into various weapons, and can also control energy to hurt people!

Sun Yaobang held a spear in his hand and drew several gun flowers in the air. The gun flowers instantly turned into sharp weapons and rushed towards Jiang Zhengzhong!

“Grandmaster of Nei Jin, he truly deserves his reputation, he is so awesome!”

“Sun Yaobang’s strength has improved a lot. It seems that he had hidden his strength before!”

“This time, Jiang Zhengzhong may have met his opponent!”

When everyone in the audience saw Sun Yaobang’s move, they were all shocked and talked a lot!

Lin Tianhu, who was standing next to Chen Ping, was even more stunned, his eyes full of passion and envy. He, the underground emperor of Hongcheng, only found out when he got here that his own strength was a joke to others!

The huge gap in strength made Lin Tianhu feel full of inferiority and shame!

Chen Ping saw Lin Tianhu’s inferiority complex, patted Lin Tianhu’s shoulder with a slight smile and said, “Don’t worry, your strength will definitely surpass theirs.”

“Really?” Lin Tianhu looked at Chen Ping, his eyes full of hope!

“Of course, don’t you even believe me?”

“Believe it, of course I believe it!” Lin Tianhu nodded hurriedly.

Lin Tianhu has absolute confidence in Chen Ping’s strength. He also believes that as long as Chen Ping helps him, his own strength will definitely improve a lot!

At this time, Jiang Zhengzhong, facing the rapidly approaching gunfire, snorted coldly, with a face full of disdain, stretched out his hand and tapped lightly in the air in front of him, and suddenly he could see circles of gunfire in the air. Ripples appeared, and Gunpowder touched these ripples, and was instantly defeated and disappeared without a trace!

Sun Yaobang’s expression changed. He didn’t expect Jiang Zhengzhong to resolve his move so easily.
