

The Order 5611

Chapter: 5611

Bai Qian could see that Chen Ping had no shortage of women, so he wouldn't waste too much emotion and energy on a seductress like her!

Chen Ping and the three of them walked aimlessly.

At this time, in the mountain peaks only a few hundred miles away from them, everyone in the Ning family was exploring the mountains!

"Ancestor, how can you tell that there can be treasures in this place?"

Ning Caichen asked Ning Zhi with some confusion!

"Feel....."

Ning Zhi's face was solemn and he said calmly!

Ning Caichen didn't dare to ask, so he could only follow behind!

At this moment, a huge underground crack suddenly appeared in front of them. This crack looked like it was cut out by a sword from an immortal!

The crack stretches for hundreds of miles, is bottomless, and is filled with black air, like a big mouth, waiting to swallow everything at any time!

Looking at the huge crack in front of them, everyone in the Ning family was frightened. No one dared to look directly into the depth of the crack!

But Ning Zhi looked at the bottomless crack, with a bit of excitement in his eyes!

“Send a few people down to explore the path. There must be treasures in these cracks...”

Ning Zhi said!

“Ancestor, this... this crack is filled with gloomy energy. I’m afraid it’s not a place for demon cultivation. If we go in, it will be very dangerous, right?”

Ning Caichen could feel the bursts of Yin Qi emerging from the cracks, so he asked in a low voice!

“No matter where it is, we are here to hunt for treasures. This is a battlefield between gods and demons, so even if there is such a place for demon cultivation, can we retreat?”

Ning Zhi’s face darkened and he said!

When Ning Caichen saw this, he didn’t dare to say anything and quickly sent two people down to explore the crack!

Ning Zhi and the others followed behind and jumped into the crack!

The cracks are filled with black air, and they are bottomless at all!

When everyone in the Ning family fell, they could only hear the whistling wind and couldn’t see anything!

In this environment, one’s endurance is most tested!

Ning Caichen continued to emit spiritual consciousness and kept in contact with the two people exploring the road ahead!

Chapter: 5612

As long as something happens to the two people in front, they can respond immediately!

Bang, bang.....

Suddenly, two crisp sounds appeared. Ning Caichen was stunned for a moment, and then he understood what the sounds were and hurriedly said: "Everyone, be careful, we have reached the bottom..."

With Ning Caichen's reminder, everyone quickly made preparations and then slowly fell to the ground!

After falling to the ground, the crack that was originally shrouded in black mist now had a faint green light!

Ning Caichen saw that the two Ning family disciples who were exploring the road had already been smashed into pulp!

If there were not two disciples exploring the way, I don't know how many people would have died!

Feeling the gloomy atmosphere and the green light all around, Ning Caichen and the other Ning family members were all frightened, but Ning Zhi seemed very happy!

"Ancestor, this... this place is so gloomy, like the underworld, isn't it too scary?"

"Let's get out of here..."

Ning Caichen said fearfully!

"Don't worry, there won't be any danger here..."

After Ning Zhi finished speaking, he walked forward along the huge crack!

Just as everyone in the Ning family was walking at the bottom of the crack, above their heads, Chen Ping and the other three also arrived here!

“Why did a big crack suddenly appear in this place? It looks like it was split open by someone!”

Huofeng looked at the bottomless crack and asked curiously!

“There seems to be a sense of crisis in this crack. I think we should leave here.”

Bai Qian looked at the crack and said!

Chen Ping did not speak, but looked at the crack and suddenly jumped down!

Seeing this, Huofeng hurriedly shouted: “Master, wait for me...”

Huo Feng also jumped down. Seeing this, Bai Qian could only follow!

Chen Ping fully opened his consciousness and frowned slightly. Although he did not sense danger, Chen Ping felt a very depressed feeling in his heart!

The reason why Chen Ping jumped down from this crack was because there was a lot of sinister energy in this crack. Maybe this thing was of little use to other monks, but it was of great use to Chen Ping!

Because these are Dao pattern evil spirits, not pure Yin energy. You must know that Chen Ping needs the power of Dao pattern most to use the God King Bow.

Chapter: 5613

The reason why Ning Zhi entered the crack was also because of the evil spirit of the pattern. He also knew this evil spirit!

“This evil spirit is so strange. It seems different from other evil spirits I have seen...”

Bai Qian said with some doubts!

Soon, the three of them also fell to the ground. Looking at the green light all around, Chen Ping’s expression became more solemn!

“Master, look quickly...”

At this time, Huofeng screamed!

Chen Ping and Bai Qian hurriedly looked around and found that not far from them, two people had been smashed into a pulp!

“Has anyone been here?” Bai Qian looked at the two monks who had already been smashed to pieces and frowned!

“People from the Ning family...”

Chen Ping could tell at a glance!

Although these two people have changed beyond recognition, the clothes on their bodies can still prove their identities!

Through their clothes, Chen Ping knew that these two monks were from the Ning family!

“Do you know him?” Bai Qian asked!

Chen Ping nodded: "I think we know each other. If everyone in the Ning family can find this place and enter this crack, it seems that there should be someone who knows the stuff!"

Chen Ping came down here because of the evil spirit of the Dao pattern. After all, the evil spirit of the Dao pattern here is of great use to Chen Ping!

If it were an ordinary monk, looking at the bottomless cracks and the sinister aura, he would definitely not enter rashly!

Now that everyone from the Ning family has entered rashly, they must know that there should be a treasure in this crack!

"Master, let's chase it quickly. If there is a treasure, I'm afraid your Ning family members will also get it..."

Huofeng saw this and said quickly!

Chen Ping nodded, and then walked forward with Huofeng and Bai Qian!

At this time, Ning Caichen was leading two Ning family disciples to explore the way, while Ning Zhi was following behind with others!

Soon, Ning Caichen noticed a flash of spiritual light in front of him. Finally, it was no longer that green and faint light!

"Master, the treasure, the treasure has appeared..."

A Ning family member shouted excitedly!

Chapter: 5614

Ning Caichen looked over and found that on top of a huge rock, there was golden light spreading everywhere!

There is a formation that surrounds the boulder, and on the top of the boulder is a technique!

There is a faint mist floating on top of that skill, and it looks like it is not ordinary at first glance!

“Go quickly and inform the ancestor that a treasure has been found...”

Ning Caichen also ordered excitedly!

The Ning family members happily ran to report the news, and Ning Zhi quickly ran over impatiently!

Looking at the boulder in front of him and the exercises displayed on it, Ning Zhi couldn't be more excited!

Ning Zhi wanted to step forward, break through the formation and get the technique, but was stopped by Ning Caichen!

“Ancestor, just let us do this kind of work. Just rest aside!”

Ning Caichen stepped forward to stop Ning Zhi and said!

He was afraid that something would happen to Ning Zhi, because the future success of the Ning family would all depend on Ning Zhi!

Ning Caichen sent two of his disciples to slowly approach the surrounding formations!

The two Ning family members were all cautious!

Soon, the two Ning family disciples arrived in front of the formation. One of them slowly stretched out his hand. Unexpectedly, his palm penetrated the formation directly!

The two people were stunned for a moment, and then they all stepped in. The formation had no effect at all!

Just when the two of them were excited to get the technique!

I saw a flash of light from the formation, and then a black hole instantly appeared on the rock wall behind the boulder!

Roar.....

A roar came from the black hole, and the violent breath blew the two Ning family disciples away in an instant!

Then a huge beast with eyes like lanterns slowly walked out of the black hole that suddenly appeared!

I saw this beast with a huge lion head, but its body was covered with patterns!

“Liger? Isn’t this kind of monster extinct?”

Ning Caichen said with surprise when he saw the liger appearing!

Just as Ning Caichen finished speaking, a stream of black air was sprayed out from the mouth of the liger. This black air contained a soul-stirring power!

Chapter: 5615

Everyone in the Ning family was knocked away by this sudden burst of black energy, and several Ning family members bled to death on the spot!

Ning Caichen also had blood spilling from the corner of his mouth and was also injured!

Ning Zhi looked indifferent, as if the person who died was not a member of the Ning family at all.

“Ancestor, this...this liger...”

Ning Caichen looked at Ning Zhi in shock, but Ning Zhi was very calm at this moment!

Ning Zhi stared at the liger closely. This was the first time he saw such a monster!

I saw that the liger was covered with black scales, and there were patterns on the scales!

This kind of lion is not a lion, and a tiger is not a tiger. It is indeed quite bluffing!

The liger raised its eyes and saw Ning Zhi in front of him staring at him, so he roared again, and the black mist in his mouth became thicker!

But this time, there was an extremely cold feeling in the mist!

Even when the Ning family was fully prepared, this puff of black mist caused half of the Ning family to be invaded by the black mist, and some were actually frozen!

Ning Zhi’s pupils shrank. He didn’t expect that this liger could actually use the freezing technique in this underground crack! ”

You must know that in this crack, the temperature is extremely high, and it is not easy to use the freezing technique!

This liger can achieve a freezing effect with just one spray, which is enough to show how powerful the liger is!

“Run quickly...”

Only now did Ning Zhi remember to tell everyone to leave!

Ning Zhi waved his hands while letting people escape, forming a huge barrier in front of him!

boom!

The liger sprayed a mouthful of ice mist on the barrier, making a huge sound!

The barrier shattered in response, and the huge repulsive force caused Ning Zhi’s body to continuously retreat!

The remaining ice mist rushed towards the face, and several Ning family disciples instantly turned into ice sculptures!

Ning Zhi frowned, but he didn’t dare to use magic at this time!

Ning Zhi is very familiar with the evil spirits of these Dao patterns. When he was thrown into the devil’s cave and became a demon cultivator from an ordinary person, he had experienced the erosion of evil spirits!

But now Ning Zhi can’t use it. Once he uses it, Ning Caichen and the others will definitely doubt Ning Zhi’s identity!

Chapter: 5616

“Run, run quickly...”

Ning Zhi could only shout and run with Ning Caichen and the others!

The liger followed closely behind, and the frozen Ning family disciples also turned into scum under the soles of the liger!

After escaping for a certain distance, the liger stopped and stopped chasing!

It seems that this liger beast can't stray too far from that technique!

Seeing that the liger stopped, Ning Zhi and others breathed a sigh of relief!

But there are only five people left in the Ning family now!

I watched helplessly as the treasure was right in front of me, but I couldn't get it at all!

"This liger is so perverted. There is such a perverted monster in a place like this."

Ning Caichen gasped and said with lingering fear!

Ning Zhi looked at the dark evil aura above his head, and then looked at the liger not far away, feeling very entangled and struggling in his heart!

If he uses the evil energy of these Dao patterns now, he may be able to fight with the liger!

But once it is used, it is completely exposed.

At this moment, three figures were approaching quickly not far away. These three people were Chen Ping and the others!

"It's not far ahead. There was still the smell of fighting just now..."

Chen Ping ran quickly!

Bai Qian and Huo Feng followed closely behind!

“Someone...”

Ning Zhi frowned.

Ning Caichen and others quickly got into position and waited quietly!

As Chen Ping’s figure got closer and closer, Ning Caichen relaxed his posture and hurriedly said: “Mr. Chen, it turns out it’s you...”

Chen Ping saw that he had caught up with Ning Caichen and others, so he stopped!

“What happened just now?”

Chen Ping asked Ning Caichen!

Chapter: 5617

“Just now...” Ning Caichen was about to speak, but suddenly stopped, then shook his head and said, “It’s nothing!”

Ning Caichen didn’t want Chen Ping to know about the skills, because he was afraid that Chen Ping would take the skills away!

Although they have no way to get that skill for the time being, Ning Caichen doesn’t want others to take it away. After all, they discovered it and lost several people!

Chen Ping glanced at Ning Caichen and knew that this guy was definitely not telling the truth!

However, Chen Ping did not continue to ask. Instead, he glanced at Huofeng and followed Bai Qian:
“Let’s go...”

Seeing that Chen Ping was about to continue moving forward, Ning Zhi said: “We can’t continue moving forward, there is a liger ahead...”

“Liger?” Chen Ping was stunned!

“Isn’t there no liger anymore? Why is there a liger here?”

Bai Qian said in surprise!

“There is a skill in front of me, which should be left over from the war between gods and demons. Next to this skill, there is a liger guarding it.”

“We have just fought, and we are no match for that liger. I advise you to leave as soon as possible!”

Ning Zhi said to Chen Ping!

“Kung Fu?” When Chen Ping heard this, he immediately became interested. After all, Chen Ping had never seen the ancient kung fu before!

Bai Qian glanced at Ning Zhi coldly, and then said to Chen Ping: “Chen Ping, don’t be fooled, that liger beast is very powerful, don’t worry, you may not be able to master the technique, but the person will die.” here!”

Bai Qian saw through Ning Zhi’s intention. The reason why he said there was a skill here was because he wanted to lure Chen Ping to seize the skill, and the liger beast would definitely stop him!

When the time comes that they start fighting with the ligers, Ning Zhi and the others will be able to reap the benefits!

“How will you know if you don’t try...”

Chen Ping didn’t listen to Bai Qian, but continued to go inside!

Seeing this, Bai Qian and Huofeng could only follow Chen Ping and continue walking deeper!

“Ancestor, you...how did you tell me about the ancient skills?”

Ning Caichen was very puzzled as to why Ning Zhi wanted to say it out. After all, they discovered the technique first.

“If I don’t tell you, will we be able to get the technique?”

Ning Zhi asked back!

Ning Caichen shook his head!

Chapter: 5618

“Since you can’t get it, you might as well tell him. Even if you don’t tell him, I believe Chen Ping will find out on his own.”

“As long as he goes to get the skills, he will definitely fight fiercely with the liger, and then we can reap the benefits.”

“You guys follow me closely. As long as Chen Ping and the others start fighting with the ligers, we will immediately seize the skills!”

Ning Zhi had already thought about it, and when the liger was fighting with Chen Ping, he took the opportunity to seize the skill!

Just after Ning Zhi and others moved forward for a certain distance, they heard the sound of fierce fighting!

Ning Zhi raised his lips. He knew that Chen Ping and others were fighting with the liger!

At this moment, Chen Ping, holding the dragon-slaying sword, was fighting fiercely with the liger!

Huofeng and Bai Qian were also assisting on both sides!

I saw the liger roaring and a white ice mist coming towards Chen Ping!

Chen Ping turned his palms over, and bursts of flames appeared in his palms!

Then with a palm shot, a burst of fire went straight towards the ice mist!

But after Chen Ping's ultimate fire came into contact with the ice mist, it was instantly frozen and kept spreading!

Chen Ping was startled, the stars of the source of fire in his body kept flashing, and the ultimate fire shot out quickly!

But Chen Ping fired one after another of extreme fire, which could only slow down the ice mist, but he couldn't resist it at all!

The flames were all frozen and still burning!

"It's so perverted, what the hell is this?"

Chen Ping was a little dumbfounded. He didn't expect that the ice mist of this liger beast was so powerful that it could even freeze his own ultimate fire!

Huofeng and Bai Qian were also a little panicked when they saw the ice mist heading towards Chen Ping!

The fire phoenix cried, transformed into its true form, then flashed its wings, and the fire feathers continued to move towards the ice mist, trying to block the ice mist for Chen Ping!

Bai Qian also frowned, and then nine tails appeared behind him, and fireballs shot out at the liger!

But the attacks from Huofeng and Bai Qian seemed to have no effect on the liger!

At this time, Ning Zhi and his men already felt that they were all shocked when they saw Huofeng and Bai Qian!

"The two girls around Chen Ping are actually witches?"

Ning Caichen said in surprise!

Chapter: 5619

Ning Zhi, on the other hand, had a ferocious look on his face, filled with envy and hatred!

From the secular world to the heavenly world, Chen Ping is always accompanied by beauties, and each of those beauties is more beautiful and powerful than the last!

And he went through all kinds of hardships for revenge, but he could never catch up with Chen Ping!

Even now, there isn't even a woman by his side!

Ning Caichen felt the hatred in Ning Zhi and couldn't help but take a second look!

He didn't understand that the ancestor didn't know Chen Ping, so how could he suddenly look at Chen Ping with such a terrifying look?

Ning Zhi noticed that Ning Caichen was looking at him, so he suppressed his inner emotions and became calm!

At this moment, Chen Ping was already sweating profusely, and the ice mist sprayed by the liger beast alone made him a little at a loss!

As the ice fog continued to spread, the entire crack soon became eerie and cold!

"Go quickly, leave me alone, go quickly..."

Chen Ping knew that they had no way to block the ice mist, they could only let Huo Feng retreat with Bai Qian!

If they were all frozen, it would be troublesome. Chen Ping would have noticed Ning Caichen and the others watching eagerly not far away!

"Master, I won't leave, I want to stay with you..."

The fire phoenix flapped its wings desperately, and then stood in front of Chen Ping!

"Come on, I can't die. If we are all frozen, we will be in trouble."

Chen Ping shouted loudly!

Seeing this, Huofeng could only look at Chen Ping helplessly, and then quickly retreated!

Bai Qian was also reluctant to give up, but still retreated with Huo Feng!

Huofeng and Bai Qian retreated, but Chen Ping himself could no longer hold on!

The ice mist was like a tide, instantly covering Chen Ping's body!

Chen Ping's whole body turned into an ice sculpture, motionless, and still maintained the same movements. There were even flames beating in the palms of Chen Ping's hands!

After the ice mist surrounded Chen Ping, it slowly dissipated and did not continue to spread. Huo Feng and Bai Qian also escaped!

"Owner....."

Seeing Chen Ping frozen, Huofeng was extremely sad!

Chapter: 5620

Bai Qian was holding Huo Feng, her face full of sadness!

After sleeping with Chen Ping so many times, Bai Qian's heart is slowly changing!

Ning Caichen and others looked at Chen Ping who was frozen, and they all fell silent!

Although Chen Ping was frozen, the liger beast was still guarding the technique, and Ning Caichen and the others had no chance!

For a moment, the atmosphere fell into silence!

Huo Feng and Bai Qian didn't dare to come forward and could only look at Chen Ping quietly. They hoped that Chen Ping could unblock it by himself!

I don't know how long it took, but Chen Ping was still frozen, and the liger beast was slowly approaching Chen Ping!

When Huofeng and Bai Qian saw this, their hearts suddenly rose to their throats!

If the liger attacks Chen Ping at this time, Chen Ping will not survive at all!

I saw the liger walking in front of Chen Ping, and after circling Chen Ping, it stretched out its claws and patted Chen Ping!

At this moment, Chen Ping's entire body is probably going to be shattered into pieces!

Seeing this, Huofeng and Bai Qian couldn't hold back any longer. They immediately jumped up and attacked the liger!

Bai Qian and Huo Feng both tried their best!

When Ning Zhi saw this, he glanced at Ning Caichen: "The opportunity has come. Hurry up and take someone to get the technique. I'll keep an eye on the liger."

Ning Caichen nodded, and then led the few remaining Ning family disciples towards the technique!

Ning Zhi ducked in front of Chen Ping and looked at Chen Ping who had turned into an ice sculpture. Ning Zhi's eyes were full of pride!

He can finally take revenge. Now Chen Ping is the meat and potatoes on the chopping board, and he can do whatever he wants!

Huofeng and Bai Qian, who were fighting fiercely with the liger beast, saw that Ning Caichen led people to seize the skills. They were very angry, but there was nothing they could do. They had no way to escape now!

“I got it.....”

After Ning Caichen got the technique, he shouted excitedly!

When Ning Zhi saw this, he was also happy and said quickly: “Let’s go...”

Ning Zhi asked Ning Caichen to leave quickly, but he slapped Chen Ping with his palm!

But just when Ning Zhi was about to attack Chen Ping, a terrifying aura suddenly hit him, causing Ning Zhi to jump up instantly!

Ning Zhi saw that the liger’s thick tail was sweeping towards him!
