

## **The Order 5631**

Chapter: 5631

At this time, Zhe Yan said excitedly!

When Chen Ping heard Zhe Yan's voice, he suddenly remembered that there was a demon cultivator in his sea of consciousness.

During this period of time, Zhe Yan had been raising golden silkworm poison, so he did not communicate with Chen Ping, causing Chen Ping to forget about him!

“What kind of technique is the Imitation Breathing Technique?”

Chen Ping asked Zhe Yan!

“This breath-taking technique is a deceptive technique that can make a person change his body shape, appearance, and even the breath on his body, directly turning you into another person!”

Zhe Yan explained!

“Become another person?” Chen Ping was surprised: “Does this mean that after practicing this breathing technique, I can change seventy-two times?”

After hearing this, Zhe Yan was speechless for a while and could only say: “Mr. Chen, this breath-taking method can only change your body shape, appearance and breath, making you become another person, not anything else.”

“If you become another person, no one will see through it, right?” Chen Ping continued to ask!

“It depends on how well you practice the Breath Imitation Technique. However, if you want to become someone much stronger than yourself, there will definitely be flaws. After all, you are a monk and want to become an immortal. The aura on your body It's impossible to achieve it no matter how much you change.”

“As long as the difference in strength is not too big, this breath-taking technique can deceive people, and even acquaintances around them will have a hard time telling them apart.”

Zhe Yan explained!

Chen Ping nodded, finally understanding what this breath-taking method was for. It was a good thing!

This breath-taking technique can not only catch you by surprise, but also enable you to escape when you are in danger. It is simply amazing!

“Chen Ping, do you know what this technique is?”

Seeing Chen Ping coming out of the sea of consciousness, Bai Qian asked quickly!

“This technique is called the Imitation Breathing Technique. It is a technique that can change the appearance and breath.”

Chen Ping followed Bai Qian and said!

Upon hearing this, Bai Qian was shocked and said: “I have heard of this technique, and there are also rumors that a demon cultivator can directly become the leader of a sect and control a sect with this technique.”

“It’s just that later, when he got drunk and got into trouble, someone found out and he was hacked to death...”

“Is this technique so powerful?” Huo Feng asked with great interest after hearing this!

“Of course, if you become proficient in this breath-taking method and transform into another person, even your relatives won’t be able to notice it.”

Bai Qian said!

Chapter: 5632

“Ah, so awesome?” Huofeng was very shocked, then looked at Chen Ping and said: “Then the master will be very lucky in the future, he will probably be extremely beautiful...”

“What do you mean?” Chen Ping was stunned, not understanding what Huofeng meant.

“Once you have mastered this breathing technique, you can change your appearance at will, and your relatives won’t notice.”

“Can’t you just change your appearance and have sex with the other person’s wife...”

Huofeng smiled and did not continue, but Chen Ping and Bai Qian understood everything!

“What are you talking nonsense about?”

Chen Ping glared at Huofeng!

Bai Qian laughed loudly and said: “He can’t even feed the women around him, and he still misses other people’s wives...”

“Gone, gone...”

Chen Ping can’t stand these two women anymore, they are too open-minded...

Chen Ping jumped up and jumped directly out of the crack!

Bai Qian and Huo Feng followed behind, and the two girls were still chattering about the breath-taking method!

Chen Ping and the other three walked westward. Chen Ping felt much more at ease at this moment!

The Dao Mark evil spirit in his body is very full. Even if he encounters Qi Peijia, he can still use the God King Bow to resist it!

Besides, there is Bai Qian around, so there is no need to be afraid!

Chen Ping and the others flew for a certain distance and found that the mountains in front of them were as continuous as the sea, and the mountains were undulating, somewhat different from other places!

And there is a peak at the highest point of the mountain range. The mountain is so steep that it looks like a knife and ax have been cut through it. From a distance, it looks like a sharp sword thrust into the sky!

There are clouds and mist all around the mountain peak, and wisps of fairy spirit surround the mountain peak vaguely, but they don't drift away!

Chen Ping could not help but frown slightly as he felt the faint fairy spirit!

"What a strange mountain range..."

Huofeng looked at the mountain peak not far away and said!

"Look at the continuous mountains surrounding that peak, and the peak is surrounded by fairy energy."

"Why do I look at the mountains around the peak as if they were man-made? It couldn't be a magic circle set up by someone during the war between gods and demons, right?"

Bai Qian murmured to himself!

Chapter: 5633

After hearing what Bai Qian said, Chen Ping also looked around. He also found that the continuous mountains were a bit strange, but he didn't think about the magic circle. After all, such a huge magic circle must be such a big deal!

But then I thought about it, at that time the gods and demons were fighting, it was the immortals who descended to the world of heaven and humans. If it was the formation set up by the immortals, it would be possible even in Hongda!

"Let's go down and have a look..."

After Chen Ping finished speaking, his figure floated down!

Bai Qian followed Huo Feng. They were looking for treasures aimlessly anyway. Maybe there might be something in this mountain range!

When Chen Ping and the others landed, they realized that the mountains that had just been in front of them were no longer visible at all!

Their figures were hidden in the mountains, too small, like ants!

"If this mountain range is really man-made, then this person's formation is really awesome..."

After Chen Ping fell, he said with emotion!

"What's so awesome about this? When you ascend to immortality, you can move mountains and fill rivers with just a wave of your hand. Once you reach your strength, everything will become easy."

Bai Qian said to Chen Ping!

“Ascended to become an immortal, I don’t know what year or month it is...”

Chen Ping smiled bitterly, and then began to walk forward!

“Help, help...”

Just when Chen Ping and the others had not gone far, they suddenly heard the cry for help!

The person calling for help was a girl, and she was in a hurry!

Chen Ping didn’t want to worry about it. After all, there were everyone in this battlefield of gods and demons, and they all came here to hunt for treasure!

Since you are here to hunt for treasure, be mentally prepared to encounter various situations!

But just when Chen Ping wanted to pretend not to hear it and walked past, he saw a girl who was in embarrassment and only seventeen or eighteen years old running towards him in panic!

The girl’s skin is very white, and her facial features are also very pure. She looks like a little beauty at first glance, and her aura is not low, and she has reached the realm of transcending tribulation!

At this age, you have reached the realm of transcending tribulation. If you are not talented and smart, then you have a very strong background, maybe you are the eldest lady of a certain sect!

After all, only a large amount of resources can support cultivation!

Like those poor mountain people, although they are also monks, they may not be able to reach the realm of overcoming the tribulation after practicing for a lifetime!

The girl’s forehead was covered with cold sweat and she kept looking back!

Chapter: 5634

Behind the girl, two demons were chasing after her quickly!

“Little girl, you can’t run away, just obey...”

The two demon cultivators said with lewd smiles on their faces!

How could the girl listen? She ran forward as hard as she could, but when she saw Chen Ping, she suddenly stopped, and then looked at Chen Ping warily!

She didn’t know who Chen Ping was and whether he was with the demon cultivator, so the girl was very wary!

But the two demon cultivators behind him are getting closer and closer!

At this time, the girl saw Bai Qian and Huo Feng. They were both girls, so they might have a natural closeness!

I saw the girl bypassing Chen Ping and running towards Bai Qian and Huofeng!

“Sister, two sisters, please help me...”

The girl ran to Bai Qian and Huo Feng, and then hid behind them with a look of panic!

Bai Qian followed Huo Feng and looked at the girl’s pitiful appearance. They all felt distressed and said, “Don’t be afraid. With us here, no one will hurt you...”

At this time, two demon cultivators had already caught up with them. When the two demon cultivators saw Bai Qian and Huo Feng, they grinned: “Hahaha, today is such a good day. Two beauties are here. What a surprise. You are blessed.”

The two demon cultivators stared directly at Bai Qian and the others, completely unaware of Chen Ping not far away!

“How can you two demon cultivators bully a girl? Are you shameless?”

Bai Qian asked the two demon cultivators angrily!

“What kind of face do you need in this battlefield between gods and demons? What’s more, this is the Demon Mountain, the territory of our demon cultivators, what else do you dare to do?”

A demon cultivator said wildly.

This battlefield between gods and demons opened in Tianmo Mountain is the territory of the demon clan, so they are not afraid at all!

“I advise you to be obedient and obedient. As long as you serve us brothers comfortably, you can still save your lives. I think you are not a big girl anymore. Having fun with us brothers is nothing.”

Another demon cultivator couldn’t bear it anymore and slowly approached Bai Qian and the others!

Listening to the demon cultivator’s words, Bai Qian and Huo Feng were so angry!

“You dare to make plans for my woman. Is this the end of your life?”

This is, a playful voice sounded behind the two magic cultivators!

The two demon cultivators quickly looked back and found Chen Ping looking at them coldly not far away!

Chapter: 5635

The two of them relaxed instantly when they saw that Chen Ping was just a first-level monk in the Tribulation Realm!

“Boy, do you, a first-level monk in the Tribulation Realm, deserve a woman?”

“I’m telling you, when we two play with your woman, it’s to give you face. You should feel lucky!”

The two demon cultivators ridiculed Chen Ping!

Uh-huh.....

Chen Ping didn’t speak, but the Dragon-Slaying Sword suddenly appeared in his hand, and then a sword light flashed across it!

The two demon cultivators had no time to react, and their bodies were cut in half by the sword light!

The two demon cultivators’ eyes widened with shock on their faces!

Looking down at his body that had been chopped off by Lazy Yao, he finally fell down!

Even to the end of their lives, they did not understand how Chen Ping, a first-level monk in the Tribulation Realm, could kill two of their third-level Tribulation Realm monks with one sword!

This unscientific!

When the girl saw that Chen Ping had killed two demon cultivators with one sword, her eyes widened with disbelief on her face!

Bai Qian walked up to Chen Ping with a smile on her face: “I didn’t expect that your heroic posture of saving the beauty was quite handsome. Is what you just said true?”

“What are you talking about?” Chen Ping was stunned!

“You said we are all your women, do I count?”

Bai Qian came close to Chen Ping and asked with flirtatious eyes!

“Let’s go, it will get dark soon...”

Chen Ping didn’t want to answer Bai Qian!

Although he had slept with Bai Qian many times, it was just a transaction, no feelings!

They just made a deal for each other’s benefit!

“Master, what should I do with this girl?”

Huofeng asked Chen Ping!

Chen Ping glanced at the girl, and the girl also knew that Chen Ping was the boss here, so she hurriedly ran to Chen Ping: “Brother, please, don’t leave me, please...”

The girl grabbed Chen Ping’s arm, her eyes full of prayer!

Chapter: 5636

Chen Ping didn’t say anything. He was not a kind person. He was here to hunt for treasures in this battlefield of gods and demons. One more person would be another burden!

When the girl saw that Chen Ping was silent, she shed tears and gritted her teeth and said, "Brother, please, as long as you don't leave me, you can do anything you want me to do. I can give you my body..."

When Chen Ping heard this, his scalp immediately went numb. He was about to be tortured to death by Bai Qian during this period.

"I am not Guanyin Bodhisattva, and your body is of no use to me. However, if you can bring out other treasures of suitable value, I can consider taking you with me."

Chen Ping said to the girl!

The girl looked at her body and looked embarrassed: "I got separated with my father, and I didn't carry any treasures with me. But if you can lead me to find my father, my father will definitely repay you."

"I am from the Sheng family in Fancheng, my name is Sheng Jiahui..."

"The Sheng family in Fancheng? Is your father Sheng Tiantai?"

Bai Qian heard this and asked quickly!

Sheng Jiahui nodded and looked at Bai Qian strangely: "I wonder how my sister knows my father?"

"Your Sheng family is most famous for its spells and talismans, and is also famous throughout the Southern Territory. I didn't expect that you would also enter the battlefield of gods and demons."

"What happened to those two demon cultivators just now? Why did you separate from your father?"

Bai Qian asked curiously!

“I followed my father and the great elder to this mountain range. My father said that this mountain range is covered by a huge magic circle, so we need to separate to find the weak points of the magic circle.”

“I followed my brother to this place, but I didn’t want to meet a demon cultivator. I ran away with my brother, and then I met you.”

Sheng Jiahui said truthfully!

“This mountain range is indeed a magic circle. It seems that our guess is good!”

When Bai Qian heard Sheng Jiahui’s words, she counted them!

“Brothers and sisters, if you send me to find my father, my father will definitely thank you very much. Please...”

Sheng Jiahui’s eyes began to shed tears again!

Bai Qian didn’t dare to make the decision, so she could only look at Chen Ping!

“Okay, you can follow us...”

Chen Ping nodded and agreed. Seeing this, Sheng Jiahui hurriedly broke down in tears and turned into a smile!

But just when Chen Ping and the others were about to leave, suddenly a middle-aged man jumped out with a sinister look on his face!

Chapter: 5637

The man glanced at the corpses of the two demon cultivators on the ground, and said with fierce eyes: “You killed my two brothers and still want to leave, there’s no way...”

The man showed a sinister expression, and then took out a charm from his pocket!

This talisman was engraved with several fierce ghosts with teeth and claws. The moment they took out the talisman, Chen Ping and the others felt a gust of sinister wind!

I saw the man murmuring words, and the spell suddenly exploded. Countless ghosts appeared instantly, and then an invisible formation pattern enveloped Chen Ping and the others!

“I didn’t expect that there are such advanced talismans in the world of heaven and humans...”

Chen Ping couldn’t help but feel a little surprised when he saw the talisman the man took out. You must know that in the world of gods and humans, the simplest sound-transmitting jade slips need to be purchased, and not many people can draw talismans!

But it is not easy for this man to come up with such a high-level spell!

At this moment, Chen Ping actually thought of Hu Mazi. If Hu Mazi was here, this man’s spell would be like rubbish!

After all, Hu Mazi is a high-level spell master!

Countless ghosts were constantly spinning around Chen Ping and the others, and strange auras were filling the air!

Chen Ping and the others felt their eyes blurred, and their heads were also dizzy!

“This is the tribute of ten thousand ghosts, everyone, please be careful...”

Seeing this, Sheng Jiahui quickly took out a yellow talisman from her body, bit her finger and drew a strange shape on it!

The yellow spell exploded, and bursts of yellow mist filled the air. Chen Ping and the others, who were still a little dazed at first, became much more awake now!

Chen Ping looked at Sheng Jiahui in surprise. He didn't expect that Sheng Jiahui knew spells at such a young age!

"The Sheng family is a family that specializes in talisman spells. Even though their level is not high, they are one of the best in talisman spells. Many of the talismans used by monks in the entire southern region are purchased from the Sheng family."

Bai Qian followed Chen Ping and explained!

At this time, Sheng Jiahui was mumbling words, and her forehead was covered with cold sweat. It was obvious that her spells were difficult to restrain the opponent!

"It turns out you are a little girl from the Sheng family, but with your little ability, you still want to defeat my ten thousand ghosts?"

The man sneered, and then pressed lightly with his palm!

The countless fierce ghosts instantly sprayed out thick black mist, and the black mist enveloped Chen Ping and the others, plunging them into boundless darkness!

Seeing this, Bai Qian instantly shot out hurricanes with her palms, trying to blow away the black mist, but it was like a stone sinking into the sea, and there was no reaction at all!

They only felt that their bodies were falling continuously, as if there was an abyss beneath their feet!

At this time, Sheng Jiahui panicked, and Bai Qian and Huofeng also panicked!

Chapter: 5638

Chen Ping, on the other hand, smiled and said slowly: "Don't panic, it's just a small spell, I'll break it for you."

After Chen Ping finished speaking, he actually started carving on the ground with his feet. Soon a formation rippled, followed by a spiritual light rising into the sky!

This spiritual light instantly broke through the black fog, and even the countless fierce ghosts around were swallowed up by this spiritual light and disappeared without a trace!

Sheng Jiahui looked at the scene in front of her in surprise and was stunned!

She knew how powerful the talisman Wangui Chaofeng was, but she didn't expect that Chen Ping just spent a few strokes on the ground with his foot and it was broken!

With this ability, I'm afraid even my own father can't achieve it...

Sheng Jiahui didn't understand when such a powerful spell master appeared in the Southern Region!

When the man saw Chen Ping casually breaking his spell, he was shocked inside. He turned around and ran away without hesitation!

The reason why he dared to face Chen Ping and others by himself just now was because he had the talisman of Wangui Chaofeng!

But now, the spell is broken, leaving him with only one way to die!

"Still want to run?"

Chen Ping raised the corner of his mouth slightly, and the dragon-slaying sword in his hand instantly shot out a sword light!

The sword light passed through the man's body and cut him in half. He couldn't die any more!

"Do you know where your father and the others are? I'll take you there now!"

After Chen Ping killed the man, he asked Sheng Jiahui!

Sheng Jiahui opened her mouth wide and looked at Chen Ping in disbelief. It took her a while to react, nodded and said, "I know..."

"Let's go!"

Chen Ping turned around and walked forward!

Sheng Jiahui looked at Chen Ping's back and chased after him!

At this moment, Bai Qian looked at Chen Ping's back, standing blankly like a nymphomaniac.

She suddenly discovered that Chen Ping was getting more and more handsome. Although he was only at the first level of the Tribulation Realm, he knew everything, and his true strength was probably even inferior to that of her, a seventh-level monk of the Tribulation Realm!

"Bai Qian, do you think my master is very handsome?"

Huofeng looked at Bai Qian like that and asked with a faint smile!

Bai Qian nodded: "He is indeed handsome. I didn't expect this guy to know everything..."

Chapter: 5639

"Hurry up and leave. I won't be able to catch up for a while. Look at your nymphomaniac look!"

Huofeng pulled Bai Qian, and the two of them chased after him!

.....

In a mountain forest a hundred miles away from Chen Ping and the others!

A dozen monks are taking a rest!

One of the monks, who looked very young, was kneeling on the ground, crying!

“Dad, I was wrong. I shouldn’t have run away by myself and lost my sister.”

“But those damn demon cultivators kept chasing us. I originally asked my sister to run away first and wait for me in front, but she couldn’t be found.”

The monk kneeling on the ground like this is Sheng Jiahui’s brother Sheng Jiayue.

The one holding the whip and beating Sheng Jiayue continuously was Sheng Bushi, the head of the Sheng family. At this moment, Sheng Bushi was already furious!

You must know that he loves his little daughter the most, and now he has lost it.

“Master, the first priority is to find the eldest lady. Those demon cultivators are extremely cruel. If the eldest lady is caught by them, the consequences will be disastrous!”

An old man with gray hair said!

“Great Elder, take everyone to find him. You must find Jiahui.”

“This treasure land is protected by a formation. Even if others find it, they won’t be able to get in. Don’t worry.”

Sheng Bushi said to the great elder!

“Master, I’d better leave you two people. You just broke through the formation and consumed a lot of energy, and you were also injured. If you encounter a situation, it will be difficult to deal with it.”

The great elder said worriedly!

“No, just take everyone away and leave me alone. No matter what, we must find them!”

Sheng Bushi looked a little pale and gasped!

Seeing this, the great elder could only nod his head. He was about to take people to find Sheng Jiahui when he suddenly noticed someone approaching!

“who?”

The great elder jumped forward and asked vigilantly!

“Great Elder, it’s me...”

Chapter: 5640

When Sheng Jiahui saw the great elder, she immediately ran over happily!

“Miss, we were going to find you, but we didn’t expect you to come back!”

The great elder said happily when he saw Sheng Jiahui!

“Jiahui...” When Sheng Bushi saw that his daughter was back, he rushed forward happily!

“Dad...” Sheng Jiahui hugged her father, her eye circles became red again!

“younger sister.....”

Sheng Jiayue stood up quickly and breathed a heavy sigh of relief!

If something happened to his sister, he knew he would be skinned!

“Kneel down, who asked you to get up...”

Sheng Bushi shouted angrily, and Sheng Jiayue was so frightened that she knelt down again!

“Dad, don’t blame me. I ran in the wrong direction. Fortunately, I met a few kind people who rescued me. Otherwise, I would have been caught by the demon cultivator.”

Sheng Jiahui said with lingering fear!

Sheng Bushi looked at Chen Ping and the others with a hint of vigilance in his eyes!

At this time, other members of the Sheng family had already quietly changed their positions and surrounded Chen Ping and the three of them!

After all, no one knows how peaceful Chen Ping and the others are!

“Fellow Taoists, thank you for saving my daughter. I wonder what I call you?”

Sheng Bushi asked Chen Ping and the others!

“Master Sheng, don’t you know me?”

Bai Qian stepped forward and said with a faint smile!

Sheng Bushi looked at Bai Qian carefully, and then suddenly realized: “It turns out to be the Fox Emperor’s daughter. Thank you for saving my little daughter...”

“We didn’t bring anything with us when we entered the battlefield of gods and demons this time. When we get out, I will definitely thank you again for saving your life!”

“But now we have things to do, so we can’t entertain you!”

Sheng Bushi was suggesting that Bai Qian and the others should leave!

“Master Sheng, you are so anxious to let us leave. Is there a treasure here?”
