

The Order 5641

Chapter: 5641

Bai Qian asked Sheng Bushi with a smile!

Sheng Bushi was stunned for a moment, then smiled lightly and said: "To tell you the truth, there is indeed a treasure here, but because it is protected by the formation, you can't get in at all."

"Have you seen this continuous mountain range? This entire mountain range is a formation, and the peak in the middle should be the place of treasure."

"I just broke through the formation. Not only did I fail, I was also injured, so this treasure is not so easy to get."

The reason why Sheng Bushi dared to tell the truth was because he expected that Bai Qian and the others would not be able to break through this formation, even if they knew there was a treasure, it would be useless!

"Dad, this Mr. Chen is also a very powerful spell master, and the magic circle is also very powerful."

"The devil cultivator's ten thousand ghosts were defeated by him easily..."

Sheng Jiahui hurriedly said to Sheng Bushi!

"What? He defeated Wangui Chaofeng?"

Sheng Bushi frowned for a moment and looked at Chen Ping suspiciously, obviously not believing it!

"Miss, please stop joking. Do you know that in the entire Southern Territory, no one can surpass the head of the family, whether it is spells or formations."

“That Wangui Chaofeng is a very powerful talisman of the demon clan. Even the head of the family may not be able to break it easily. How can he, a young man, do it!”

The great elder spoke slowly!

“It’s true. I saw it with my own eyes. How can it be false?”

Seeing that the great elder refused to admit it, Sheng Jiahui was a little anxious!

“Jiahui, no matter if he is a spell master or not, we can’t go together, but we will definitely repay the kindness of saving you once we get out of the battlefield of gods and demons.”

After Sheng Bushi finished speaking, he looked at Chen Ping and said, “Fellow Taoist, please...”

Sheng Bushi was about to ask Chen Ping and the others away!

When Sheng Jiahui heard this, although she was dissatisfied, she could not control it!

I could only look at Chen Ping with great shame!

“This battlefield of gods and demons belongs to everyone, and there is no geographical distinction, so if we want to rest here, it should be none of your Sheng family’s business, right?”

“Besides, there are only three of us. Are you afraid that we will snatch the treasure?”

Chen Ping said with a playful look!

Sheng Bushi frowned, but thinking that Sheng Jiahui had just been rescued, Sheng Bushi could only suppress the anger in his heart!

Chapter: 5642

“Since you want to stay here, then stay here. Let me tell you, this huge formation is not a mortal thing. If you enter it by mistake, you will not die but will be seriously injured.”

Sheng Bushi followed Chen Ping and reminded him!

“Thank you, Master Sheng, for reminding me. We just took a look...”

After Chen Ping finished speaking, he led Bai Qian and Huofeng to the side, and followed the Sheng family several miles away!

“Dad, you...”

Sheng Jiahui looked at her father with dissatisfaction!

“Okay, stop talking. There are all kinds of people in the heaven and human world now, and you can’t tell who is a good guy and who is a bad guy!”

Sheng Bushi reprimanded Sheng Jiahui, then looked at the Great Elder and said, “Great Elder, you go test it again. We must find the formation’s eye and break it directly for him.”

The great elder nodded, and then walked cautiously forward. Soon, a misty formation wavered in front of everyone!

After taking a deep breath, the great elder stepped into the formation pattern!

Everyone watched the great elder walking into the formation step by step, his figure gradually becoming blurry, and everyone became nervous!

You must know that not long ago, Sheng Bushi also entered the formation pattern and almost couldn’t get out in the end, and he was even injured!

But this time, with the experience of Sheng Bushi, the great elder stepped into the formation pattern, but there was no big reaction!

One step, two steps, three steps!

The great elder walks among the formations, seemingly chaotic, but in fact every step he takes is carefully calculated!

Seeing that the great elder had gone deep into the formation, Sheng Bushi finally had a light in his eyes!

“It seems that my calculation is good. If this continues, I believe that the Great Elder will soon be able to find the formation’s eye.”

Sheng Bushi said very happily!

“Master, look at this magic circle. The lines are probably hundreds of miles long. It’s too huge. Can one person break such a big magic circle?”

Huofeng asked very curiously!

“If you find the formation eye, you can easily break it even in a huge magic circle. But these people are wrong, they can’t break it.”

Chen Ping said calmly!

After hearing Chen Ping’s words, everyone in the Sheng family looked over, and Sheng Bushi said with a gloomy expression: “Boy, do you know that in such a huge array, the fact that we can take a few steps is enough to show that this area is definitely the center of the array.” So, you actually said we were wrong?”

“It’s indeed wrong. If you don’t let the person inside come out quickly, he will be injured within three breaths.”

Chapter: 5643

Chen Ping said very firmly!

“Really?” Sheng Jiahui said in shock!

Chen Ping nodded, but did not speak!

Seeing this, Sheng Jiahui hurriedly said: “Dad, let the great elder come out. Mr. Chen can’t be wrong. I have really seen his ability with my own eyes...”

The great elder who was in the formation at this moment also heard Chen Ping’s words, he had some doubts in his heart and frowned!

Seeing that the great elder’s mood was affected, Sheng Bushi angrily scolded Sheng Jiahui: “Shut up, I’ve already gone through this road, and nothing will happen. Now all I need is the great elder to hold on. We can find the location of the formation eye!”

“Dad, don’t let the great elder take risks.”

Sheng Jiahui said anxiously!

“Shut up, you are talking, I will let your brother take you away...”

Sheng Bushi is angry!

At this time, the Great Elder’s breathing began to become heavy, and he waved his palms to create a spell, deducing the location of the formation’s eye!

Sheng Bushi also looked at the great elder nervously!

But just when the great elder was about to take a step, a dazzling brilliance suddenly shot out!

“No!” Sheng Bushi was startled and hurriedly shouted: “Great Elder, come out quickly...”

But just after Sheng Bushi finished shouting, the Great Elder was blown away by a loud noise like an autumn wind sweeping away fallen leaves. He spit out a mouthful of blood in mid-air, and then fell heavily outside the formation!

Seeing this scene, everyone in the Sheng family was dumbfounded and rushed forward!

Sheng Bushi took out the elixir and hurriedly fed it to the great elder!

The great elder took the elixir, and the spiritual power in his body stabilized a little. He said in one breath: “Master, that formation is too strange. I knew there was no problem with the deduction, but I didn’t expect that it would directly trigger the defense of the formation.”

“Hey, neither you nor I can find the formation. It seems that we can’t get the treasure in front of us...”

Sheng Bushi sighed!

Now that he and the Great Elder are both injured, who else can break this magic circle!

“It’s all my fault that my father didn’t listen to Mr. Chen. If I had listened to Mr. Chen and asked the elder to come out quickly, the elder would not be hurt!”

Sheng Jiahui saw that the elder was injured, so she complained!

“Sister, stop talking nonsense, my father feels more uncomfortable than anyone else right now.”

Chapter: 5644

Sheng Jiayue quickly winked at Sheng Jiahui!

“He is not talking nonsense. If I had listened just now, the Great Elder would not have been hurt.”

Sheng Bushi stood up and then looked at Chen Ping!

He has always been wary of Chen Ping and others, fearing that Chen Ping and others would snatch the treasure he discovered!

But now, although he discovered this treasure first, the Sheng family has no ability to get it!

“The head of the family is able to see through the formation outside of the formation, which proves that Mr. Chen is really capable.”

The great elder said!

The formations are ever-changing. If you don't set up the formation yourself, or enter the formation, it's hard to predict what will happen next!

However, Chen Ping was outside the formation, and by observing the formation, he said that the Great Elder would definitely be injured. This proved that Chen Ping's understanding of this formation was higher than theirs!

Sheng Bushi nodded. He had to admit at this time that Chen Ping did have two skills!

“Fellow Taoist, I wonder if you can break the formation with me and the Sheng family, and share the treasure you find with you.”

Sheng Bushi put down his posture, walked up to Chen Ping and asked!

“Why should I break the formation with your Sheng family?” Chen Ping smiled lightly: “I can break this big formation myself, why should I bring you with me? Do you want to share the treasure inside with me?”

Chen Ping’s words immediately left Sheng Bushi speechless!

The rest of the Sheng family also looked at Chen Ping in disbelief.

“Boy, are you too loud? My father and the great elder can’t find the formation’s opening and can’t break the formation. You actually say you can break it yourself?”

Sheng Jiayue felt that Chen Ping was just showing off, so he said with great disdain!

The Great Elder also frowned slightly, stood up and said, “Fellow Taoist, although you may have a deeper understanding of the formation than we do, it is almost impossible for one person to break through such a large formation.”

“Even if you find the formation eye, you can’t break it open by yourself. Someone has to help. Everyone in our Sheng family is proficient in the formation technique, so it is most correct for us to cooperate.”

The Great Elder also didn’t believe that Chen Ping could break through the formation on his own!

“That’s because you don’t have the ability. Don’t judge others with your own eyes. Just because you can’t do it alone doesn’t mean that others can’t do it either.”

Chen Ping said with a sneer!

“Boy, who do you think can’t do it? Our Sheng family is a well-known family in the entire Southern Territory. Whether it’s formations or spells, our Sheng family is ranked second, and no one dares to be ranked first...”

Sheng Jiayue was furious and shouted at Chen Ping full of anger!

Chapter: 5645

Looking at the furious Sheng Jiayue, Chen Ping was not angry. Instead, he smiled lightly and said, "Not to mention the Southern Region, the entire Heaven and Human Realm is also at an extremely low level in terms of formations and spells."

"The entire Celestial Realm wastes literature and favors martial arts. They all want to become immortals. Everyone scorns formations, spells, and other spells, so that the level of the entire Celestial Realm in this regard is extremely low."

Chen Ping's words stunned everyone in the Sheng family, and then fell into silence!

Because Chen Ping was telling the truth. In the past, all kinds of talents emerged in large numbers in the world of heaven and humanity. However, later on, the status of monks such as formations, spells, and spells became low, their realm improved slowly, and they were looked down upon by others.

Not only formations and spells, but also all kinds of pharmacists are at the lowest level, so this has caused many monks in the heaven and human world to stop practicing techniques such as formations, spells, and alchemy! Put all your energy into improving your realm.

In the course of thousands of years of evolution, there have been fewer and fewer monks practicing magic spells, and there have been fewer and fewer pharmacists of all kinds. With the decline of such monks, their importance has slowly become apparent!

Nowadays, although the level of pharmacists is generally low, their social status is very high and they are highly respected!

There are also monks who use formation spells and spells. Even ordinary sound-transmitting jade slips that cannot be used in ordinary jade slips have to be purchased from spell masters.

However, there have been gaps in the alchemy and talisman arts of the Heaven and Human Realm, so much so that even the talisman masters in the Heaven and Human Realm can no longer draw truly advanced talismans!

In their eyes, high-end talismans, in Chen Ping's eyes, were just ghost-drawing talismans, something for children to play with.

"Fellow Taoist, even if you can break the formation by yourself, it's hard for you to get the treasure inside. There will definitely be monsters guarding this kind of treasure. If we cooperate, we can also help. busy."

Sheng Bushi said with a slightly pleading tone!

At this moment, Sheng Bushi, regardless of whether what Chen Ping said was true or not, he had to choose to believe Chen Ping. After all, he had no choice but to go!

"Mr. Chen, just think of yourself as doing a favor to my Sheng family. You can ask for whatever conditions you need."

Sheng Jiahui also spoke at this time!

"Yes, you can make whatever conditions you want..."

Sheng Bushi also said quickly!

"It's okay to make conditions, but you have to prove that you can indeed break this formation. Otherwise, why would you make conditions?"

Sheng Jiayue still doesn't quite believe that Chen Ping can break through that formation!

"Asshole, shut up..."

Sheng Bushi glared at Sheng Jiayue!

Sheng Jiayue stopped talking, but his eyes were obviously inconsistent. Chen Ping never showed anything from beginning to end, he just reminded him!

“Mr. Chen, don’t mind. My brother is arrogant, but he has a good heart.”

Sheng Jiahui hurriedly followed Chen Ping to apologize!

Chapter: 5646

“It doesn’t matter. Since you need me to prove it, I’ll prove it to you!”

After Chen Ping finished speaking, he walked straight towards the formation!

I saw Chen Ping walking into the formation, and the formation patterns surged, as if Chen Ping was in the water!

Seeing Chen Ping walking in, everyone’s expressions changed slightly and they looked nervously!

Bai Qian also looked nervous. After all, could Chen Ping break such a large formation alone?

“Don’t worry, the master is omnipotent. You will know after you follow him for a long time...”

Huofeng comforted Bai Qian.

Bai Qian nodded, but her eyes were still staring at Chen Ping’s back!

After Chen Ping walked into the formation, he looked around as if he were visiting a vegetable market, and then continued walking forward!

Everyone in the Sheng family was surprised when they saw that Chen Ping had gone deep into the magic circle, and that the magic circle had not attacked!

And just when Chen Ping walked into the formation, a hundred miles away, on the other side of the mountain, there was a group of people looking up at the towering mountain.

This group of people all wore the same clothes as the three demon cultivators that Chen Ping killed. They were obviously from the same sect!

“The gang leader, the third guardian and two brothers have not been found and cannot be contacted. I don’t know if there was an accident.”

An old man with a goatee said to a middle-aged man!

The middle-aged man has a tattoo of an eye on his forehead, which looks like Qi Peijia’s Tianming Eye!

“There shouldn’t be any surprises. The three guardians have a spell in their hands that is worshiped by all ghosts. Most monks can’t resist it.”

“I think we should break the formation first. There must be many treasures in this mountain peak...”

The middle-aged man looked up at the mountain with greed in his eyes!

“Gang leader, this...this formation is too huge. I’m afraid that we can break through it with just a few people.”

The old man with the goatee said a little embarrassed!

“Great Elder, when did you become so obedient? Our Tianming Gang can’t break through any kind of formation. Don’t forget that I still have Tianming Eyes, which can penetrate everything!”

The middle-aged man said with a cold expression!

“Are you also equipped with Tian Ming Eyes?”

As soon as the middle-aged man finished speaking, a figure tore through the void and appeared directly in front of the middle-aged man!

Chapter: 5647

“who are you?”

Seeing the sudden appearance of the person, everyone in the Tianming Gang was instantly shocked!

“Qi Peijia...”

The person came slowly and said!

“Qi Peijia?” The middle-aged man frowned slightly, then looked at Qi Peijia and said, “I haven’t heard of it. For the sake of you being a demon cultivator, leave here immediately, otherwise don’t blame me for being rude!”

“Just you?”

Qi Peijia raised the corner of his mouth, and the eighth-level aura of the Tribulation Realm burst out from his body instantly!

Everyone in the Tianming Gang was instantly suffocated by this breath, and some even fell directly to the ground!

Feeling Qi Peijia’s aura, the middle-aged man’s eyes widened with fear!

“I’m sorry, I’m sorry, it’s because I’m blind...”

The middle-aged man quickly followed Qi Peijia and apologized!

Qi Peijia put away his breath. It seemed that he didn't want these people's lives!

"Who are you?"

Qi Peijia asked!

"We are members of the Tianming Gang. I am the gang leader, and my name is Zou Qi."

The middle-aged man answered cautiously!

Qi Peijia looked at Zou Qi and snorted coldly: "Tian Ming Gang? Do you know Tian Ming Eyes?"

Zou Qi looked embarrassed, then shook his head: "I don't know. I just heard about Tian Ming Eye and admired it, so I got an eye tattoo on my forehead."

The other members of the Tianming Gang were shocked when they heard Zou Qi's words!

It seems that they were all deceived by Zou Qi and then joined the Tianming Gang!

Seeing Zou Qi like that, Qi Peijia couldn't help but sneered, and then gently crossed his forehead with a hand, and eyes appeared instantly!

I saw the eyes blinking, and the surrounding area instantly turned dark red, and a terrifying smell of blood filled the air!

Seeing Qi Peijia's appearance, Zou Qi suddenly fell to his knees!

Other members of the Tianming Gang also knelt down.

Chapter: 5648

They all admired the Tianming Eye very much, but now they were shocked to see that Qi Peijia actually had the Tianming Eye!

“Your Majesty the Demon Lord, this disciple is extremely honored to be able to see the real Tian Ming Eye. We are willing to follow the Demon Lord.”

“We are willing to follow the Demon Lord...”

Everyone in the Tianming Gang shouted in unison!

Qi Peijia put away his Tian Ming eyes, looked at the people kneeling in front of him, and smiled lightly!

“Everyone, get up. As long as you follow me sincerely, I will make you all become Tianming Eyes.”

Qi Peijia started to paint a pie for these people!

Qi Peijia knew that although he was very strong, he was still a casual cultivator and had no power of his own!

Now that he meets the Zetian Ming Gang, they are the first batch of men he has recruited!

Hearing the pie painted by Qi Peijia, Zou Qi trembled with excitement: “Gang leader, you will be the leader of my Tianming Gang from now on. We must obey the orders of the gang leader...”

Zou Qi gave his position as gang leader to Qi Peijia without any hesitation!

Compared with being a gang leader, Zou Qi is more like learning Tianming Eye!

“Everyone, get up...” Qi Peijia waved his hand, and Zou Qi and others all got up!

“What are you doing here?”

Qi Peijia asked!

“Gang leader, there must be treasures in the mountains ahead.”

Zou Qi said!

“Oh, how did you know?” Qi Peijia was a little curious, how did Zou Qi know there would be a treasure here!

“Guild Leader, please see, this stretch of mountains is a formation. There is a huge formation in front of us, protecting the mountain peak in the middle!”

“Things that can be protected with such a huge formation must be treasures...”

Zou Qi followed Qi Peijia and introduced!

“You still know the formation?” Qi Peijia looked at Zou Qi in surprise!

Seeing that Zou Qi had an eye tattooed on his forehead and said he knew how to use the Tianming Eye, he must be a liar. Unexpectedly, he also knew the formation!

“I know a little bit. This subordinate not only knows the formations, but also the spells. Otherwise, my fake Tianming Eye wouldn’t be able to deceive people!”

Chapter: 5649

Zou Qi said very embarrassed!

It turns out that every time Zou Qi used the Heavenly Ming Eye, he used a magic circle that he had secretly set up. To people who didn't understand, they thought it was the power of the Heavenly Ming Eye!

"Then hurry up and break this formation. Let's go see what kind of treasure it is, protected by such a huge formation!"

Qi Peijia said excitedly!

"Don't worry, Gang Leader. For such a huge formation, we need to find the center of the formation, but my subordinates will do their best."

After Zou Qi finished speaking, he looked at the old man with the goatee and said, "Great Elder, let's go in together and we must break this formation."

"Yes, Gang Leader..."

The old man with the goatee nodded!

"Asshole, this is our gang leader..."

Zou Qi was shocked and hurriedly scolded the great elder!

Not to mention Qi Peijia's strength, but Qi Peijia is really capable of seeing things, and Zou Qi is determined to follow Qi Peijia!

"Yes...I'm sorry, my subordinate was wrong!"

The old man with the goatee apologized hurriedly!

“Okay, don’t worry about this. You are the deputy gang leader and continue to manage the Tianming Gang...”

“Hurry up and break this formation. This battlefield between gods and demons probably won’t be open for long!”

Qi Peijia urged!

“Follow your orders!” Zou Qi personally led the Great Elder and others into the formation slowly!

On the other side, Chen Ping was looking for the formation’s eye in the formation. Chen Ping was just like walking down the street, without triggering the formation’s defense at all!

Seeing Chen Ping like that, everyone in the Sheng family had to be convinced. No one dared to doubt Chen Ping’s strength anymore!

Even Sheng Jiayue’s eyes widened and he admired Chen Ping!

After Chen Ping searched for a while, his palm suddenly touched the void!

As a ray of light lit up, everyone became nervous!

They thought that Chen Ping was knocked out like the others because of the formation defense!

Just when everyone was nervous, they saw that after the ray of light, the array pattern in front of them suddenly began to shake violently!

Chapter: 5650

It was like a stone was suddenly thrown into the calm river!

Amid the violent shaking, the formation patterns slowly disappeared, and finally the formation in front of me disappeared!

Sheng Bushi took a breath of air-conditioning, and his heart was filled with shock!

Everyone in the Sheng family is also extremely complicated!

The great elder kept praising!

“It’s awesome. This... this is simply a miracle. Such a huge magic circle was able to find the center of the formation and break it in such a short time.”

“This is the formation set up by the immortal...”

The Great Elder doesn’t know how to express his feelings at this moment!

Chen Ping slowly walked up to Sheng Jiayue and said with an indifferent expression, “Can I make some conditions now?”

Sheng Jiayue’s face was filled with shame, and he lowered his head and dared not speak!

Sheng Bushi hurriedly stepped forward: “Mr. Chen, I am a rebellious and ignorant person. Please don’t share his knowledge. Mr. Chen’s formation skills are so advanced that I have never seen before.”

“Mr. Chen can make whatever conditions he wants, as long as our Sheng family can fulfill it, we are absolutely obligated!”

“Okay, after you find the treasure, I have to choose it first. If I have no use for it, I can give it to you!”
Chen Ping said unceremoniously!

Chen Ping is not a philanthropist. He broke this formation just for himself!

But since the Sheng family wants to follow, they must obey his conditions!

“No problem, I agreed. If Mr. Chen uses that treasure, my Sheng family will never take any cents from it.”

Sheng Bushi said very boldly!

Sheng Bushi agreed so happily, which surprised Chen Ping!

He originally guessed that Sheng Bushi would still bargain!

“Since you agreed, let’s go...”

Sheng Bushi agreed, and Chen Ping had nothing to say!

So he led everyone towards the mountain peak!

At the same time, Zou Qi led people into the formation, and the formation defense was activated. When several people were about to be knocked away by the formation, the formation suddenly disappeared!

Zou Qi felt very strange, but he still took the credit for himself!
