

The Order 5651

Chapter: 5651

“Gang leader, the formation has been broken, we can leave...”

Zou Qi said!

Qi Peijia saw that Zou Qi was really capable, so he nodded and started heading towards the mountain peak!

Fairy mist surrounds the mountain peak!

Whether it's trees or monsters, they all seem to have spirituality!

Chen Ping was very vigilant as he walked in front, because he was not sure whether there would be a magic circle around the mountain!

“Master, we worked hard to get in. If we don't get any treasure, wouldn't we be in trouble?”

On the way, the great elder asked Sheng Bushi with some confusion!

Sheng Bushi glanced at the great elder and said: “Short-sighted, if we don't take the treasure, it will make Mr. Chen feel guilty. And with Mr. Chen's understanding of the battle method, he can teach us casually, and our Sheng family will benefit a lot. Qian, isn't it better than that treasure?”

“Furthermore, I think Mr. Chen is a handsome man. If he can marry my daughter, I am afraid that in the entire world of heaven and man, my Sheng family will be the only one in terms of formations, talismans, and spells...”

Sheng Bushi originally wanted to bring his daughter together with Chen Ping, so he took the initiative to offer all the treasures to Chen Ping!

“Master, there is a woman by Mr. Chen’s side. The way those two women looked at him was obviously ambiguous. Please let the eldest lady...”

Before the elder had finished speaking, Sheng Bushi smiled and said, “Isn’t it normal for a man to have three wives and four concubines? What’s more, Mr. Chen has such strength, as long as he doesn’t despise his daughter, even if she becomes a concubine with three bedrooms and four bedrooms, it doesn’t matter.”

When the elder heard this, he said nothing and could only look at Sheng Jiahui, who was still unaware!

But Sheng Bushi didn’t know at all that Chen Ping’s women were not just the two in front of him!

If Sheng Jiahui really follows Chen Ping, it will be impossible for her to live in a three-bedroom or four-bedroom apartment. She will probably have to live in a ten-bedroom apartment!

It’s just that whether Chen Ping agrees or disagrees, that’s not necessarily the case. Chen Ping doesn’t like any woman!

“ah.....”

Just as Chen Ping and the others were walking in the dense mountain forest and heading towards the highest mountain peak, someone suddenly screamed!

Immediately afterwards, more and more people in the Sheng family screamed!

I saw these Sheng family members with frightened eyes, flapping their bodies desperately, and rolling on the ground!

Seeing this scene, Sheng Bushi and the Great Elder were dumbfounded!

When Chen Ping heard the sound, he turned around and ran back!

“Mr. Chen, what do you think this is?”

Chapter: 5652

Sheng Bushi asked anxiously!

Chen Ping took one look and immediately concluded: “These people have fallen into an illusion...”

After saying that, Chen Ping recited the Heart-Cleaning Mantra, and then injected a stream of breath into the bodies of those Sheng family members!

Soon, these people stopped screaming, and then stood up with confused faces, their eyes full of doubts!

“What’s wrong with you?”

Sheng Bushi frowned and asked!

“Master, just now I just felt that my body was extremely itchy, and it was also crawling with poisonous insects. The surroundings were burning with fire, and it was very hot.”

A Sheng family member said!

“Yes, we are like this too...”

Others also nodded and said!

“It’s really strange. If it was a phantom formation, we should all be trapped in it. Why are some people fine and others fine?”

“And I didn’t feel the existence of the formation near here. There can’t be a phantom formation.”

The great elder felt very strange!

“There is no phantom formation here, and they were not deceived by the phantom formation...”

After Chen Ping finished speaking, he walked towards a Sheng family member!

Chapter: 5653

Chen Ping directly opened the collar of the Sheng family member and saw a very tiny black spot on the back of the Sheng family member’s neck. If you didn’t look carefully, you wouldn’t be able to see it at all!

Chen Ping sucked his palm gently, and saw a poisonous thorn as thin as an ox hair flying out from the black spot!

“They were stabbed by poisonous thorns, so they had hallucinations. It was not because of the illusion array. Now you can suck out the poisonous thorns from their bodies!”

Chen Ping said to Sheng Bushi!

Sheng Bushi looked at the poisonous thorn as thin as cow hair in Chen Ping’s hand, his eyes full of surprise!

Chen Ping was able to detect such a tiny sting!

Soon, Sheng Bushi and the Great Elder sucked out all the stings from the Sheng family!

At this time, everyone admired Chen Ping!

“You all follow me and don’t walk around randomly. The plants and animals here have all mutated due to their fairy energy. They are very difficult to deal with!”

Chen Ping reminded everyone!

“Listen to Mr. Chen, no one is allowed to move around in chaos!”

Sheng Bushi shouted to everyone in the Sheng family!

Under the leadership of Chen Ping, everyone walked to the foot of the mountain!

But you can see the mountain peak from a distance, but when you get closer, you find that the mountain peak has disappeared!

“Mr. Chen, there must be a magic circle here. Is it a blindfold? Such a high mountain peak has disappeared...”

Sheng Bushi asked in confusion!

“Master, it’s not as simple as a cover-up, it’s probably some phantom formations...”

The great elder retorted!

Both of them looked at Chen Ping. After all, they were not sure about their guesses and could only wait for Chen Ping to say!

If it weren’t for Chen Ping along the way, even if they broke the formation, they still wouldn’t know how much they would have lost!

“This is not a blind trick, nor is it a phantom formation. The reason why we can’t see the mountain peak is because we have already walked into the mountain peak!”

After Chen Ping finished speaking, he waved his palm lightly, and a hurricane suddenly blew up in the place where the fairy mist was lingering in front of him!

The fairy mist was blown away, but everyone found that they were already halfway up the mountain!

What surprised them even more was that halfway up the mountain, a huge flat land appeared. There were several buildings here. These buildings did not belong to the world of heaven and humans at first glance. Although these buildings were old, they still exuded grandeur. momentum!

Chapter: 5654

Above these buildings, there are colorful auspicious clouds floating, and the fairy spirit is constantly lingering!

“This...why are there buildings here? Are there people still living here after the war between gods and demons?”

“Is this the real Xianjia sect?”

“Although the building looks old and not very big, it has the style of a fairy home.”

Everyone in the Sheng family was very shocked when they looked at the building that suddenly appeared in front of them!

Sheng Bushi and the Great Elder were also stunned, with incredible expressions in their eyes!

Chen Ping also felt incredible. Chen Ping didn't arrive first. How could a sect appear in this battlefield of gods and demons?

What is the point of building these buildings if they are not sectarian?

“Mr. Chen, what should we do? Should we continue going up the mountain, or should we explore these buildings first?”

Sheng Bushi asked Chen Ping!

“Of course, let’s explore the situation. If there are no treasures in these buildings, don’t linger too much and leave immediately!”

“But everyone must be careful. It is not a good thing for a building to suddenly appear in a place like this. Be careful of the magic circle!”

Chen Ping reminded Sheng Bushi!

The reason why Chen Ping didn’t propose to explore it by himself was because he was afraid that Sheng Bushi would think too much!

Although Sheng Bushi said that all the treasures should be given to himself, Chen Ping couldn’t possibly swallow them all for himself. That would be too unreasonable!

“Okay, I will follow the great elder and bring a few tribesmen each.”

Sheng Bushi nodded, and then said to Sheng Jiahui and Sheng Jiayue: “You two, stay still and don’t run around. You must wait for us to come out!”

Sheng Bushi didn’t let Sheng Jiahui and Sheng Jiayue be together because he was afraid that there was danger in the building!

“Master, we will accompany you...”

Huofeng said!

She wanted to follow Bai Qian and Chen Ping into the building to prevent any danger, so they could help!

“No, you just stay outside. If there is any danger, just keep it together inside and outside...”

Chen Ping said to Huofeng!

Seeing that Chen Ping refused to follow, Huofeng could only nod his head!

Chapter: 5655

Chen Ping directly chose a building and walked in, while Sheng Bushi and the Great Elder took people to search another building!

Everyone was nervous and excited, afraid of any mechanical formations, but also excited about whether they could find the treasure!

After Chen Ping entered a building, waves of immortal energy fluctuated, and the void trembled!

Immediately afterwards, Chen Ping's eyes lit up and he saw a large area of all kinds of fairy grass blooming with a hundred flowers, growing very lush!

"There is indeed a formation in this building. I really don't know what these immortals think. Taking off their pants and farting is unnecessary..."

Chen Ping was a little speechless. He didn't understand what the immortal was doing by setting up such a large magic circle, and there was also a magic circle within a magic circle!

Just when Chen Ping was wondering, he suddenly felt a strange movement, and then the spirit beast egg ran out on its own!

This spirit beast egg is the only item that can escape from the storage ring on its own without Chen Ping's control!

The spirit beast egg jumped, emitting a faint light, constantly absorbing the fairy energy.

“Mr. Chen, if you have strong immortal energy, why don’t you practice again, otherwise all the immortal energy will be wasted...”

Zhe Yan said to Chen Ping in his mind!

“Indeed, this place is much better than that fairy mine...”

Chen Ping looked at the boundless grass jelly and was very emotional!

Feeling the abundant immortal energy, Chen Ping couldn’t help but sit cross-legged and began to absorb it crazily!

The spirit beast egg also absorbs the fairy energy!

While Chen Ping was practicing, Huofeng and the others outside were surprised to find that when Chen Ping and the others entered those buildings, those buildings had mysteriously disappeared!

“Master, master.....”

Huofeng was shocked and shouted quickly, but his voice was empty and no one answered at all!

“Are these buildings all traps?” Bai Qian said nervously!

They also don’t understand the formations and don’t know if these buildings are traps!

“Miss Sheng, are there magic circles in these buildings?”

Bai Qian asked Sheng Jiahui!

Sheng Jiahui was also confused at this moment, shook her head and said: "I don't know, I didn't find any magic circle at all."

"I didn't notice it either. What on earth is going on?"

Chapter: 5656

Sheng Jiayue also lost his temper and hurriedly ran around in that gentle land, but there were no such buildings at all!

It's like those buildings never appeared!

Just when Huofeng and the others were anxious, a group of people quickly came towards their direction!

These people are none other than Qi Peijia and the Tianming Gang!

Along the way, the Tianming Gang lost several monks!

After all, the plants and animals here are nourished by fairy energy, and they are not weak in strength!

If Qi Peijia hadn't followed them, their Tianming Gang's losses would have been even greater.

"Gang Leader, I didn't expect this place to be so dangerous. If it weren't for you, many of us would have died."

Zou Qi said with lingering fear!

"The bigger the storm, the more expensive the fish, and the more dangerous it is, the more it means that the treasures here must be very precious..."

Qi Peijia smiled lightly!

Now he has longed for the treasure in this mountain peak!

Qi Peijia and others also quickly reached the halfway point of the mountain!

At this moment, Huofeng and the others were anxiously waiting for Chen Ping and the others, and they didn't even notice at all!

It wasn't until Qi Peijia and others were close that Huofeng and the others felt that someone was coming!

The moment Huofeng saw Qi Peijia, he was stunned!

When Qi Peijia saw the fire phoenix, he was also stunned!

He gave Huo Feng a poisonous elixir, and now Huo Feng appears here fine, which proves that Huo Feng is fine!

Thinking of the scene where Huofeng greeted the Three Sovereigns and Four Kings, Qi Peijia began to beat her heart.

“People from the Sheng family are actually here...”

Zou Qi didn't know Huofeng and Bai Qian, but he saw Sheng Jiahui and Sheng Jiayue at a glance!

Zou Qi still knows the eldest lady of the Sheng family and the young master!

After all, in this southern region, the Sheng family's formations and spells are quite famous!

And Zou Qi is also quite familiar with the formation and spells, so he is quite familiar with the Sheng family!

Chapter: 5657

“Sheng family?” Qi Peijia frowned: “Is it the Sheng family who knows the formation spells?”

Qi Peijia asked!

“Yes, those two are the eldest lady and the young master of the Sheng family. If these two are here, the head of the Sheng family, Sheng Bushi, must have entered here!”

Zou Qiyi pointed at Sheng Jiahui and Sheng Jiayue and said!

“Do you know the two people next to you?”

Qi Peijia asked Zou Qi!

Qi Peijia asked about Huofeng and Bai Qian, but Zou Qi shook his head!

At this moment, Huofeng was also very nervous. She was also very aware of Qi Peijia’s strength. Now that Bai Qian was the only one here, it was almost impossible for them to deal with Qi Peijia!

What’s more, this guy has been chasing Chen Ping. If he knew that Chen Ping was here, it would be troublesome!

Bai Qian stared at Qi Peijia, feeling a little shocked in her heart. She didn’t expect that Qi Peijia, at such a young age, had reached the eighth level of the Tribulation Realm!

“This guy is the one who wants to hunt down the master. You must not let him know that the master is here.”

Huofeng whispered to Bai Qian!

When Bai Qian heard this, she became a little nervous!

She knew that Chen Ping had been so obedient these days and served her comfortably every day just to take advantage of her strength!

But Bai Qian didn't expect that the guy chasing Chen Ping was so strong. If there was a fight, she would be no match at all!

For a moment, the two parties looked at each other quietly, and no one spoke first!

Qi Peijia was also nervous at the moment, especially since there was Bai Qian beside Huofeng, a seventh-level monk in the Tribulation Realm!

If those beast masters from before were here, Qi Peijia knew that he had no choice but to escape!

He really couldn't understand how Huo Feng, a person who had not reached the Tribulation Realm, was so respectful to these seventh-level Tribulation Realm monks?

"Gang leader, the Sheng family is here. Maybe they have discovered something. I think we should control the Sheng family first, and then force the Sheng family to work for us."

"There will definitely be formations on this mountain peak, just for the Sheng family to take the lead and serve as cannon fodder..."

Zou Qi wanted Qi Peijia to take action, capture Sheng Jiahui and Sheng Jiayue, and then use the two of them to control the entire Sheng family and let the Sheng family open the way ahead!

In this case, their Tianming Gang will not die. After all, they have lost several members along the way!

"No hands allowed..."

Chapter: 5658

When Qi Peijia heard this, he was so frightened that his body trembled slightly and he yelled to stop!

“Gang leader, there are so many of us, are we still afraid of them?”

Zou Qifeng was very puzzled!

“Shut up!” Qi Peijia glared at Zou Qi so hard that Zou Qi didn’t dare to speak anymore!

After both sides were silent for a moment, Qi Peijia slowly retreated and then headed towards the top of the mountain!

Zou Qi was stunned for a moment, but still left with Qi Peijia!

Waiting for Qi Peijia and others to leave, Huofeng and Bai Qian’s anxious hearts relaxed!

The two brothers, Sheng Jiahui and Sheng Jiayue, were also sweating profusely at this moment!

They have also heard that this Tianming Gang does all kinds of evil, and just now the two of them were afraid that the Tianming Gang would suddenly attack!

Now the other party left suddenly without saying anything, making the brother and sister feel like they were surviving for the rest of their lives!

Sheng Jiahui and Sheng Jiayue looked at Huofeng and Bai Qian. They guessed that the other party didn’t say anything and turned around to leave. They must be afraid of these two people!

After all, Bai Qian’s strength is at the seventh level of the Tribulation Realm, so it’s not that easy to deal with!

“Huofeng, why are they leaving?”

Bai Qian asked with some confusion!

“How did I know!” Huo Feng was also a little confused at the moment!

She thought Qi Peijia would be so angry when he saw her that he would attack herself!

After all, some time ago, I just asked the Monkey King and the others to teach Qi Peijia a lesson!

Thinking of this, Huofeng’s eyes suddenly lit up and she smiled. She knew why Qi Peijia and the others left without saying a word!

Qi Peijia must have mistakenly thought that the Monkey King, Lion King and others were still with him, so he did not dare to take action and left quickly!

But now that Qi Peijia and others have left, it does not mean that the danger has been lifted!

Chen Ping and the others haven’t come out yet. If they meet again after they come out, Qi Peijia will definitely take action without hesitation!

After all, Qi Peijia is chasing Chen Ping!

Now Huofeng can only wait for Chen Ping to come out, then tell him the situation and leave here as soon as possible!

At this time, Chen Ping, who was practicing, felt that the immortal energy around him was gradually thinning. When he opened his eyes, he found that the immortal grass had withered, and the lines on the spirit beast egg were emitting a dazzling light!

Chapter: 5659

“Is this spirit beast egg about to hatch?”

Chen Ping was very excited!

But after Chen Ping waited for a long time, he found that there was no movement in the spirit beast egg, and the dazzling light gradually faded away!

“Damn, after absorbing so much immortal energy, it hasn’t hatched yet. What on earth is in this?”

Chen Ping was a little speechless. He wanted to test it with his spiritual consciousness and think of the colorful brilliance emanating from the spirit beast egg. Chen Ping stopped this idea!

If people discover this place again, there will probably be a lot of trouble later!

Chen Ping could only put the spirit beast egg back into the storage ring, and then walked out!

When Chen Ping’s figure appeared, the disappearing building also appeared!

At this moment, Sheng Bushi, the Great Elder and others also came out!

However, many people in the Sheng family were injured this time!

“Damn, this looks like an ordinary old building, but I didn’t expect that there was a formation inside, and many people were injured.”

“But fortunately, after breaking the formation, I got a set of spells...”

The great elder took out an ancient book that had already turned yellow, which introduced in detail how to use a set of spells!

“Let me take a look...” Sheng Bushi looked shocked and quickly took it over and looked at it carefully!

After a while, Sheng Bushi looked so excited that he knelt on the ground and kowtowed to the ancient book!

“Hahaha, this is the spell technique of Tianfu Sect. We are orthodox, and our Sheng family is the orthodox descendant of Tianfu Sect...”

Sheng Bushi banged his head more than ten times in a row!

When the other members of the Sheng family heard this, they all knelt down and worshiped on the ground!

Even the elder who obtained the spell looked confused!

When Chen Ping heard the words Tianfu Sect, he was also stunned and said to Sheng Bushi: “Master Sheng, I wonder if you can let me take a look?”

“of course.....”

Sheng Bushi nodded, and then carefully handed the ancient book to Chen Ping!

Chen Ping took the ancient book and looked through it for a few times, and found that what was recorded in it was indeed the talisman technique, and it was indeed the talisman technique of the Tianfu Sect, because Chen Ping had obtained the true inheritance of the Tianfu Sect. At that time, Chen Ping was lucky enough to be in the ancient ruins. I have seen the whole picture of Tianfu Sect!

However, Chen Ping could not imagine how there could be records of the Tianfu Sect’s spells in this world of heaven and humans?

Chapter: 5660

And what’s the point of Sheng Bushi saying that he is the real inductee of Tianfu Sect?

“Master Sheng, do you know this Tian Fu Sect?”

Chen Ping returned the ancient book to Sheng Bushi and asked!

“Of course I know. The Tianfu Sect was a large sect thousands of years ago, specializing in the practice of talisman arts. However, after the war between gods and demons, the sect was destroyed.”

“However, some of the Tianfu Sect’s spells have been passed down. The legend of the spells practiced by our Sheng family is from the Tianfu Sect, so our Sheng family can be regarded as being introduced from the Tianfu Sect, but there is no evidence.”

“Now that we have the ancient book of Tianfu Sect, our Sheng family has truly introduced Tianfu Sect...”

Sheng Bushi looked excited and his body was trembling slightly!

Listening to Sheng Bushi’s words, Chen Ping finally understood that Tianfu Sect should have been a sect in the immortal world, but fell in the battle between gods and demons!

When he was in the secular world, the so-called Tianfu Sect ruins that Chen Ping followed Hu Mazi to should be more like a teleportation array, teleporting from the secular world to the Tianfu Sect!

Now that Chen Ping recalled the words of the leader of Tianfu Sect, he could indeed see that Tianfu Sect was not a sect in the secular world!

After all, when the head of the Fu Sect saw the corpse of the Blood Demon’s puppet that day, he recognized it at a glance and even made a fuss about it!

That means that the status of Tianfu Sect is definitely not low!

Hu Mazi’s ancestor of the Celestial Master Sect was a young disciple of the Tianfu Sect back then. He could also see how powerful the Tianfu Sect was!

No wonder Sheng Bushi was so excited when he saw a record of a spell from the Tian Fu Sect, kowtowing and laughing at the same time!

But if Sheng Bushi knew that Chen Ping had all the spells of the Tianfu Sect in his mind, I don't know what his expression would be!

"Master Sheng, even if you get this talisman, you may not be able to learn it. Such advanced talisman requires conquering the talisman, so don't be too happy too soon..."

Chen Ping poured cold water on Sheng Bushi!

After all, this talisman technique, especially the advanced talisman technique, cannot be mastered at a glance. If that were the case, everyone could become a talisman master!

Hearing what Chen Ping said, Sheng Bushi smiled and said: "Of course, we can't practice the spells I recorded above. But with this ancient book, our Sheng family can claim to be the successor of Tianfu Sect. "

Chen Ping smiled but did not speak. The talisman arts in the world of heaven and humans have become so lonely. With the talisman arts of the Tianfu Sect, the Sheng family can really brag...

"Master, I have some bad news for you. Qi Peijia just came here!"

Huofeng stepped forward and said to Chen Ping!

"What?" Chen Ping's face instantly became very ugly!

He didn't expect that Qi Peijia would chase him here. It seems that this guy is really lingering!
