

The Order 5671

Chapter: 5671

But just as Chen Ping cursed, the spirit beast egg actually changed!

The eggshell began to slowly become transparent, and the contents inside the egg could be vaguely seen!

Chen Ping was delighted and quickly looked closer and found that the eggshell had become opaque again!

However, this time there were slight cracks on the eggshell!

“Is it going to hatch?” Chen Ping was ecstatic!

As the immortal liquid in the copper cauldron became less and less, the cracks on the spirit beast egg became larger and larger!

When Chen Ping saw this, he held his breath and waited quietly!

At this moment, the sky outside the hall was covered with clouds and thunder was flashing!

Zou Qi and others who were standing outside looked at the sky in surprise!

“This aura is so terrifying. Is the battlefield of gods and demons about to be closed?”

A member of the Tianming Gang asked in panic!

Zou Qi shook his head: “The gang leader must have broken through. There are thunder clouds in the sky...”

“Breakthrough?” Several members of the Tianming Gang looked surprised!

You must know that Qi Peijia is so young and has reached the eighth level of the Tribulation Realm!

If this is a breakthrough, it will be the ninth level of the Tribulation Realm. Isn't it too outrageous?

“Deputy gang leader, if we are making a breakthrough, the gang leader will be at the ninth level of the Tribulation Realm. Isn't it too perverted for such a young, ninth level great monk of the Tribulation Realm?”

“Is this impossible? How can cultivation be so easy?”

Several members of the Tianming Gang didn't quite believe it!

“Ninth level?” Zou Qi looked at the sky solemnly: “Maybe it is not the ninth level, but directly promoted to the Mahayana realm. This is the first time I have seen such a terrifying thunder cloud!”

Thunder rolled in the sky, flashing with brilliance, and the dull rumble sounded like the roar of a beast!

They could clearly hear even the fire phoenix halfway up the mountain, and even see the thunder clouds in the sky!

At this moment, Chen Ping also felt the sense of oppression. This sense of oppression was even stronger than when he broke through!

Looking at the thunder clouds outside, and the thunder tribulations making bursts of sounds, Chen Ping felt incredible!

“Does it mean that when a spiritual beast comes out of its shell, it still has to endure thunder and lightning?”

Chapter: 5672

Chen Ping was very puzzled!

What are the spiritual beasts doing? They are just beasts, just animals. How can they suffer thunder disasters as soon as they are born?

If this were the case, the beast race would have been extinct long ago. How could it have withstood the thunder tribulation after it had just hatched from the egg?

“No, I must not let this spiritual beast die in the egg, wasting so many of my resources, even if it is a dog, I have to crawl out of the egg...”

After Chen Ping finished speaking, the indestructible golden body covered his whole body, and he decided to help this spirit beast egg block the thunder disaster!

Rumble.....

A thick ring suddenly fell, and the roof of the entire hall became shattered!

Chen Ping shouted angrily and punched down, blocking the thunderous blow!

“Isn’t this right? Why is this lightning disaster so powerful?”

After Chen Ping shattered the thunder tribulation with one punch, he felt something was wrong. The power of this thunder tribulation was actually more powerful than when he broke through the tribulation realm!

What kind of spiritual beast can cause such a powerful thunder disaster as soon as it hatches from an egg?

Rumble.....

Before Chen Ping could take a breath, the second thunderstorm suddenly fell!

Chen Ping gritted his teeth and struck towards the thunder calamity again.

The thunder tribulation was blocked by Chen Ping time and time again. There were more and more cracks on the spirit beast egg, and it was about to break out of the egg!

Chen Ping was surprised and happy. He was really afraid that a little monster would come out of the eggshell!

That would be a waste of all his efforts!

Rumble.....

Just when Chen Ping was staring closely at the spirit beast egg, a thunderstorm suddenly struck down!

“Damn, is it over yet? This is the eighth thunder tribulation...”

Chen Ping was speechless. When he broke through, there were at most nine thunder tribulations!

But this spirit beast egg hasn't hatched yet, and it's already the eighth thunder tribulation!

And this eighth thunder tribulation is obviously more powerful.

“Master, look at the top of the mountain. This is the Tianxuan Thunder Tribulation...”

Chapter: 5673

The great elder halfway up the mountain stared blankly at the eighth thunder tribulation, and said to Sheng Bushi with a shocked face!

Sheng Bushi also looked shocked at this moment: “Who is it? Who is making the breakthrough? How could there be a Tianxuan Thunder Tribulation?”

“This is a thunder catastrophe that you will only encounter when you advance to the Mahayana realm. Could it be that someone has broken through to the Mahayana realm?”

Zou Qi, who was outside the main hall, suddenly became extremely excited when he saw the Xuan Lei Tribulation that day!

“The Mahayana realm, the gang leader has broken through to the Mahayana realm...”

Zou Qi’s body was trembling!

You must know that there is a gang leader in the Mahayana realm. Regardless of their power or status, their Tianming Gang will definitely rise in this world of heaven and humans!

Several other members of the Tianming Gang are also full of excitement!

At this time, Chen Ping was already a little confused. He was holding the dragon-slaying sword, guarding the spirit beast egg, and slashed out with the Nine Shadow Sword Technique!

Thousands of sword energy turned into a golden dragon and headed directly towards Tianxuan Thunder Tribulation!

The Tianxuan Thunder Tribulation collided with the golden dragon, and the terrifying aura spread to the surroundings!

Zou Qi and others who were guarding outside were directly knocked away by this aura, flying several miles before stopping!

The entire mountain peak was trembling slightly, and Sheng Bushi and the others halfway up the mountain all looked solemn!

“It’s going to be bad. Isn’t this the guy named Qi Peijia who broke through to the Mahayana realm?”

Huofeng said worriedly!

Because only Qi Peijia has the highest strength, it is not impossible for an eighth-level monk in the Tribulation Realm to break through to the Mahayana Realm in one leap if he gets some opportunity or a magical elixir!

After hearing what Huofeng said, everyone’s faces became even more ugly!

If Qi Peijia really breaks through to the Mahayana realm, then these people are like lambs waiting to be slaughtered, and they will have nowhere to run!

In front of the Mahayana realm, those in the Tribulation realm are like ants!

“If Qi Peijia breaks through to the Mahayana realm, wouldn’t Mr. Chen be in danger?”

Sheng Jiahui said!

“I want to find the master...” Huo Feng began to feel uneasy and wanted to go to the top of the mountain to find Chen Ping!

“Huofeng, don’t be impulsive. We don’t know what the situation is yet. If you go up hastily, you might cause trouble to Chen Ping. Let’s wait here to see what happens.”

Bai Qian grabbed Huofeng!

Chapter: 5674

Huofeng clenched his hands tightly, his heart beating rapidly: “Master, you must be fine, otherwise I will go with you...”

Everyone looked up at the top of the mountain. There was a strange silence between heaven and earth, and there were no more flashes of thunder and lightning in the thunder clouds!

Not even a hint of wind!

It’s like the whole world has stopped!

Chen Ping glanced at the spirit beast egg that was about to break, and cursed in his heart: “If you hatch a little monster for me, I will burn you to death...”

Chen Ping is now spending almost all of his spiritual power to help the spirit beast eggs resist the thunder. If the hatched spirit beasts dissatisfy Chen Ping, Chen Ping will be angry to death!

Rumble.....

Under Duan Zai’s silence, a thick Tianxuan Thunder Tribulation crashed down!

Chen Ping raised his eyebrows, jumped up, and went straight towards the Xuan Lei Tribulation that day!

Chen Ping is going to use his abnormal body to resist the Tianxuan Thunder Tribulation!

Zou Qi and others looked at Chen Ping who suddenly rushed into the air, their eyes widened in shock!

They had never seen a monk take the initiative to face the thunder calamity.

“What a terrifying thunder disaster...”

At this time, Qi Peijia's voice came from behind Zou Qi and others!

When Zou Qi heard this, he quickly looked back. When he saw Qi Peijia, he was stunned for an instant!

"Gang... Gang Leader, you... why are you here?"

Zou Qi asked incredulously!

Qi Peijia frowned and said, "Why can't I be here? Those monsters just now turned out to be illusions, and they were almost trapped inside."

"How did you get out?"

Qi Peijia's words made Zou Qi and others confused.

"Gang leader, didn't we break through the illusory formation together? And you are still in that hall to overcome the tribulation. Aren't you resisting the thunder tribulation now?"

Zou Qifeng asked in confusion!

"Overcoming the tribulation?" Qi Peijia was also stunned. Then he looked at Chen Ping in mid-air and understood instantly: "You have been fooled. I am the one who overcame the tribulation. Are you blind?"

As soon as Qi Peijia said that, Zou Qi and others were looking in the air!

Chapter: 5675

I found that Chen Ping had changed his appearance at this time, with golden armor covering his whole body, and a terrifying aura spreading around!

The whole person is like a god of war, his eyes are wide open, a golden dragon appears behind him, and he keeps making dragon roars!

The golden dragon roared and rushed towards the Heavenly Mysterious Thunder Tribulation, opened its bloody mouth, and actually swallowed the Heavenly Mysterious Thunder Tribulation directly!

Chen Ping's eyes flashed, and the original stars in his body kept flashing. The thunder and lightning origin stars emitted a dazzling light, and the thunder and lightning origin was also surging crazily!

A huge suction force began to absorb the original aura in that day's Xuan Lei Tribulation!

Seeing all this, Zou Qi was dumbfounded. He didn't expect that Qi Peijia just turned out to be Chen Ping!

It's all his fault. He was attacked by a monster at that time. He was so frightened that he didn't notice it!

And Qi Peijia looked confused when he looked at Chen Ping in mid-air!

"How is it possible? He is just a first-level monk in the Tribulation Realm. How could he trigger the Tianxuan Thunder Tribulation? This is impossible..."

"What the hell is going on? Who is this guy?"

Qi Peijia was a little confused!

Ever since he had an unexpected encounter in the Demon Swallowing Cave, he has always thought that he was the most talented person on the Demonic Mountain!

But now seeing Chen Ping, Qi Peijia became deeply suspicious!

The Tianxuan Thunder Tribulation was refined and absorbed by Chen Ping, and the thunder tribulation clouds in the sky were slowly dissipating!

As the thunder cloud dissipated, a colorful ray of light shot directly into the sky from the hall!

The colorful brilliance shines on Chen Ping's body, making Chen Ping's golden armor even more dazzling!

Chen Ping looked down and saw that the colorful brilliance was emanating from the spirit beast egg!

To be precise, it is no longer a spirit beast egg, but a little guy only the size of a palm!

The little guy is shaped like a lion, with something like antlers on his head, and his whole body is furry!

Chen Ping slowly fell from the air. After taking a long breath, he stared at the little guy in front of him!

"Little Qilin Beast, not bad..."

Chen Ping looked over carefully and then laughed!

Chen Ping reached out and touched the little Qilin beast, but as soon as he touched it, the little guy bit his finger, and blood flowed out!

"Damn, I'm your master and you bite me?"

Chapter: 5676

Chen Ping quickly retracted his hand and glared at the little unicorn beast!

The little Qilin beast licked the blood flowing out of Chen Ping, and then let out a roar!

With such a small body, the roar resounded throughout the entire mountain. The terrifying aura almost made Chen Ping fall to the ground!

And the little Qilin Beast began to emit golden light, and a familiar aura rushed towards Chen Ping!

“Isn’t this my breath?”

Chen Ping was stunned for a moment, and then he suddenly realized that the little Qilin beast that bit him just now was trying to swallow his blood to recognize its master, so that the little Qilin beast would have Chen Ping’s aura!

“I’m sorry, I wrongly blamed you, but your small body can’t be used as a mount.”

“For you, I almost exhausted my body, and now I don’t even have the strength to walk.”

Chen Ping took the little unicorn beast in his hand and said helplessly!

The little Qilin Beast actually stuck out its tongue at Chen Ping, turned around and ran back to the storage ring!

When Chen Ping saw this, he could only smile helplessly and didn’t care about it. He couldn’t let a palm-sized unicorn carry him!

Just keep it for now and it will grow up over time!

By the time I have a spiritual beast mount, I’m afraid I’ll have to fight in the world of heaven and humans!

Just when Chen Ping was thinking beautifully, a dangerous breath came!

Qi Peijia was outside the main hall and witnessed Chen Ping resisting the mysterious thunder tribulation that day. He also heard the roar of a beast from inside the main hall, which made Qi Peijia suspicious, so he wanted to use his spiritual sense to explore the situation!

Chen Ping immediately felt that this was Qi Peijia's aura, and his whole body became nervous!

When he is weak now, even though he has absorbed the origin of thunder and lightning in the Tianxuan Thunder Tribulation, relying on the power of the origin, there is no way he can fight with Qi Peijia!

Just when Chen Ping was at a loss, he suddenly discovered the copper tripod that had absorbed all the fairy liquid!

Originally there was fairy liquid in the bronze cauldron, but now it has been absorbed by the spirit beast eggs, but the bronze cauldron is still there!

The copper cauldron that can store immortal liquid must be a treasure!

Chen Ping planned to enter the bronze cauldron himself so that Qi Peijia's consciousness could not detect him!

When Chen Ping returned, the reason why Qi Peijia didn't rush in directly was probably because he was shocked by the thunderstorm just now and the roar of the Qilin beast just now!

Qi Peijia didn't know the situation in the hall, so he didn't dare to rush in rashly.

Now as long as Chen Ping hides himself so that Qi Peijia cannot detect him, then Qi Peijia will not know the true situation in the hall and will not dare to enter!

Chapter: 5677

First, scare Qi Peijia, Chen Ping is thinking of a way to escape!

Chen Ping's body jumped into the bronze cauldron. The remaining immortal energy in the bronze cauldron enveloped Chen Ping, and a white light actually emanated from the bronze cauldron!

Chen Ping looked along the white light and found that there were words engraved around the bronze tripod!

Chen Ping stretched out his hand and touched the four walls of the bronze cauldron. In an instant, holy fairy lights radiated around the bronze cauldron, and the entire hall was enveloped in fairy lights!

Coupled with the fairy mist surrounding the main hall, the main hall at this moment seems to be the Lingxiao Palace in the fairy world!

Qi Peijia and Zou Qi were dumbfounded!

Immortal light shone out from the bronze tripod. Chen Ping's entire body was immersed in the fairy light, and the surrounding area turned into a vast expanse of white. There was no shadow of the bronze tripod anywhere!

Just when Chen Ping was at a loss and didn't know where he was in the depths, a heat wave swept towards him!

After the heat wave, an old man with flames burning all over his body slowly appeared!

Under the flames all over the old man's body was a bright red Taoist robe, which was so red that it was a bit dazzling!

"who are you?"

Chen Ping instantly heightened his vigilance!

The old man did not speak, but looked Chen Ping up and down. After a long time, he smiled slightly and said: "I didn't expect that the one who would inherit my inheritance would be the Dragon Clan, the most noble Golden Dragon Clan."

"Forget it, since I left my inheritance here, whoever discovers it first should get it..."

After saying that, the old man waved lightly, and the flames on his body suddenly turned into the shapes of various beasts, and they continued to change.

Chen Ping looked at the old man's jugglery and asked impatiently: "Who are you? Is playing with fire your inheritance?"

"If it were playing with fire, I would also..."

After Chen Ping finished speaking, the stars of the origin of fire flashed, and a ball of supreme fire beat in the palm of Chen Ping's hand!

"Huh....."

Looking at the flames in Chen Ping's hand, the old man seemed a little surprised: "The Demon's Ultimate Fire? You actually still have the Demon's Ultimate Fire in your body. It seems that I need to check it carefully..."

The old man waved his hand directly towards Chen Ping, and a ball of flames surrounded Chen Ping!

And the fire in Chen Ping's hand, like a mouse seeing a cat, began to weaken, and finally went out in Chen Ping's hand!

"what are you up to?"

Chen Ping was shocked!

He found that no matter what method he tried, he could not get rid of the flames around his body.

The old man didn't speak, but after a moment, the flame gradually extinguished!

Chapter: 5678

"I didn't expect that you actually have the aura of the three clans in your body. You must know that among the vast number of people from all walks of life, there are only a handful of people who can integrate the power of the three clans."

“It seems that your talent is really good, so I can rest assured to pass on the inheritance to you!”

The old man had joy on his face!

“Senior, you...who are you?”

Chen Ping asked!

“I am Lord Fire Star. I have cultivated all kinds of extreme fires throughout my life. It is your good fortune that you can meet me.”

“I put my skills and experience into the inner wall of the bronze cauldron to find the most suitable person.”

“I didn’t expect that the person I was destined to be with would be a boy from the dragon tribe!”

Lord Huo Lingxing said slowly!

“Lord Fire Star?”

Chen Ping frowned slightly. He had never heard of this name before, and then asked: “Since you also play with fire, who is more powerful among you and the Balrog?”

“The Balrog? Is he the one who gave you the demonic fire in your body?”

Lord Huo Lingxing asked!

Chen Ping has the ultimate fire of the demon clan in his body, that should be what this flame demon taught him!

Chen Ping shook his head: "Although my ultimate fire originated from him, it was not taught by him..."

"Didn't you realize that when your Demonic Ultimate Fire meets my flame, it's like a grandson meeting his grandfather?"

"Who is that Fire Demon you are talking about? The most powerful fire demon among the demons is the Lihuo Demon Lord. It's just that I didn't meet him on this battlefield. Otherwise, I would definitely have a good relationship with him. I'm asking for some advice."

Mr. Huo Lingxing looked very disappointed!

Listening to Lord Huo Lingxing's words, Chen Ping's scalp felt a little numb. In the eyes of Lord Huo Lingxing, the Balrog was nothing. Chen Ping didn't know how powerful his enemies would be in the future!

"Senior, what caused this war between gods and demons? So many monks were killed and injured, and several demons were suppressed."

"Did you also fall into this battlefield of gods and demons, leaving behind this remnant soul?"

Chen Ping wants to know something about the battle between gods and demons from Lord Huo Lingxing!

"Fart, how could I fall on this small battlefield? I just came to this world to stop the fighting and leave this legacy behind."

Chapter: 5679

"As a descendant of the Golden Dragon lineage, why are you so short-sighted? This world of heaven and earth is just a low-level plane. Even the war between gods and demons back then was just a fight between low-class guys."

"Whether it's immortals, demons, orcs, including your dragons are also involved. The world of heaven and humans is in chaos, and all living beings are in ruins. I'm here to stop it."

“If someone like me came to fight in the Heaven and Human Realm, I’m afraid you would no longer be able to see the existence of the Heaven and Human Realm. The Heaven and Human Realm would have collapsed long ago.”

“The war between gods and demons caused the collapse of more than three thousand planes and worlds. Even hundreds of worlds in the heavens fell apart and completely disappeared in the long river of history.”

“As for the cause of the war between gods and demons, it is still a mystery...”

Lord Huo Lingxing said!

Huolingxingjun’s words deeply shocked Chen Ping, because at this moment, Chen Ping suddenly felt like a frog at the bottom of a well!

When he first met some big demons, he thought they were the top figures!

But now it seems that these big demons are considered leaders in the world of gods and humans, but in other planes and other worlds, they may not count as anything!

Chen Ping was silent. He worked so hard in the world of heaven and man, practicing hard, wanting to get ahead in the world of heaven and man, without fear!

But now, before he has reached the point of walking sideways in the world of heaven and earth, he discovers that the world of heaven and earth is actually just a small, low-level world!

Beyond the world of heaven and humans, there are countless worlds...

This is like being in a school. A student who studies well studies hard and wants to get the first place in the entire school!

In his eyes, the one who is number one in the school is the best!

But suddenly one day, someone tells you that there are countless schools outside of this school, and any student there can beat this school to the top in an instant!

This kind of psychological blow was hard for Chen Ping to accept!

“Isn’t it enough to practice hard and become an immortal?”

Chen Ping muttered to himself!

Chen Ping’s goal is to ascend to immortality and find his father!

“Ascending to become an immortal?” Lord Huo Lingxing suddenly laughed: “Hahaha... Do you know that in the immortal world, ascended immortals are the lowest existence, and you have to know that the immortal world is just a world in the entire heaven.”

“The entire heaven is divided into thirty-six heavens, and each heaven has countless worlds. You can imagine, what is the heaven and human world, and what are the immortals?”

Chen Ping didn’t speak, his expression became very solemn!

Chapter: 5680

Seeing Chen Ping like that, Lord Huo Lingxing smiled again and said, “You don’t have to be discouraged. Even though there are thousands of worlds, people with talent like you are very few.”

“As long as you don’t give up and practice hard, you will definitely achieve great things in the future. When the time comes, you can’t forget me. I can be considered half of your master.”

“Although the inheritance I left behind is only a simple immortal method, it is enough for you now.”

Lord Huo Lingxing was probably afraid that Chen Ping would be hit and depressed, so he comforted Chen Ping!

“Thank you, senior!” Chen Ping nodded, his eyes filled with determination again.

“Senior, did you seal this battlefield of gods and demons? Several battlefields of gods and demons in the entire heaven and human world have been sealed.”

Chen Ping asked!

The battlefield of gods and demons has been sealed, and ordinary people cannot easily enter the battlefield of gods and demons!

Lord Huo Lingxing nodded: “Yes, millions of monks of all kinds were killed in the melee between the tribes back then, and countless magical weapons and various treasures were left behind.”

“If it were not sealed, the world of heaven and humans would have become a barbaric land. Although these treasures are good, they are also things that captivate the mind and make people kill each other.”

“Senior, since this is the battlefield of gods and demons that you have sealed, there is something I want to ask you about, senior...”

As Chen Ping said that, he actually took out the clock!

Because Chen Ping tried many times, the clock didn't work, but Chen Ping knew that the clock must be some kind of time weapon, but he couldn't start it!

During the crisis, the spirit beast eggs were used!

Just when Chen Ping took out the clock, Lord Huo Lingxing didn't even look at it. Instead, he stared closely at Chen Ping's storage ring!

Chen Ping said with a puzzled face: "Senior, this is a storage ring. Do you like it very much? If you like it, I can give it to you..."

Chen Ping thought Lord Huo Lingxing liked his storage ring!

"Shit, what do I want with that crappy thing of yours? If I want to store things, I can build my own storage world, and I have to wear a storage magic weapon. I won't be laughed at."

Lord Huo Lingxing said disdainfully!

"Then why are seniors staring at my storage ring?" Chen Ping asked puzzled.

"I'm looking at the little animal in your storage ring. Take it out and let me take a closer look..."

What Huolingxing Jun wants to see is Chen Ping's little unicorn beast!
