

The Order 5681

Chapter: 5681

When Chen Ping heard this, he quickly took out the little unicorn beast and said: “Senior, this is the spirit beast egg I got from this battlefield of gods and demons. A little unicorn beast hatched out, but it’s just too small to ride...”

Lord Huo Lingxing stared closely at the little Qilin beast for a long time before he said, “You...are you sure you picked it up from the battlefield between gods and demons?”

“Yes, it was an egg at that time. It had just absorbed the fairy fluid and hatched out. Unexpectedly, it was a little Qilin beast.”

Chen Ping nodded and said!

“Qilin, what the hell is this Qilin beast? This is called the Sky-Swallowing Beast, and it is the mount of the Red Cloud Demon Lord of the Ninth Layer.”

Lord Huo Lingxing said in shock!

“Is this a demon mount? Isn’t it a Qilin beast? What is a Sky-Swallowing Beast?”

Chen Ping’s face was full of confusion!

“The Sky-Swallowing Beast is a ferocious beast that is extremely difficult to raise. I heard it was the result of the mating of Qilin and Taotie, but I don’t know much about it.”

“But how could this sky-swallowing beast lay its eggs in this battlefield between gods and demons? Then it’s impossible for Demon Lord Chiyun to come here?”

“It’s weird, it’s really weird...”

Lord Huo Lingxing looked confused!

When Chen Ping heard this, no wonder this little guy looked so similar to the Qilin Beast. It turned out to be a hybrid!

But whether it is a Qilin Beast or a Sky-Swallowing Beast, Chen Ping spent a lot of effort before it hatched and recognized its master, so just keep it slowly!

Putting the little sky-swallowing beast back into the storage ring, Chen Ping asked Huolingxingjun: "Senior, is this clock of mine a time weapon? Is it very powerful?"

At this time, Mr. Huo Lingxing glanced at the clock in Chen Ping's hand and said with disdain: "This is a time magic weapon, but it should have been damaged. Your current strength is just right for use."

"But I'm afraid this thing won't be used many times. It's useful for you now, but you won't be able to use it when you ascend to immortality."

Upon hearing this, Chen Ping hurriedly continued to ask: "Senior, can you leave it to me how to activate this magical weapon?"

"I'm here to teach you the inheritance of immortal magic. You really regard me as your master and teach you everything."

Lord Huo Lingxing glared at Chen Ping, and with a wave of his hand, a ray of light entered Chen Ping's sea of consciousness!

"Senior, what is this... this magical technique called?"

Chen Ping asked, feeling the immortal magic in the sea of consciousness!

Chapter: 5682

"This is the fire-bending step. After you perfect it, you can travel a hundred miles in one step. If you encounter an enemy that you cannot defeat, you can use the fire-bending step to escape."

Lord Huo Lingxing said!

“Ah? The inheritance of escape?” Chen Ping was speechless for a while: “I know the Wind Step, and I can run very fast...”

“You know what the heck, the Wind Step increases your speed, it just increases your running frequency, and my Fire Step can control space, shrink the ground to an inch, and move hundreds of miles in one step.”

“I’m teaching you the skills, but you’re still picky and picky, so I won’t teach you anymore...”

After Huolingxingjun finished speaking, his figure suddenly disappeared!

“Senior, senior...”

Chen Ping shouted, but there was still the shadow of Lord Fire Star there!

Chen Ping saw that he was still in the bronze cauldron. The inner wall of the bronze cauldron was extremely smooth, and there were no skills engraved on it at all!

“Damn, is this a dream?”

Chen Ping climbed out of the bronze tripod, his eyes full of confusion!

But when Chen Ping’s consciousness entered the sea of consciousness and found that the fire-bending step was in his sea of consciousness, he realized this time that it was not a dream at all!

“This old man has quite a bad temper...”

Chen Ping was speechless for a while, this Lord Huo Lingxing was acting petty!

Chen Ping walked around the hall again, and after discovering that there were no other hidden treasures, he quietly looked outside the hall to observe!

Chen Ping was afraid that Qi Peijia was still outside. In that case, if he went out rashly, wouldn't it be like a sheep entering a tiger's mouth!

After peeking for a while, he found that Qi Peijia was not outside. Then Chen Ping used his spiritual sense to check it out before he dared to walk out of the hall!

Just after Chen Ping stepped out of the hall, the hall suddenly disappeared, as if it had never existed!

“Owner.....”

At this time, Huofeng and the others rushed up from halfway up the mountain!

“Why did you come up here?” Chen Ping asked!

“We saw that guy named Qi Peijia leaving, so we ran up here because we were afraid you were in danger. Are you okay?”

Huofeng asked worriedly!

Chapter: 5683

“I'm fine, I'm fine!”

Chen Ping said!

“Chen Ping, what happened to the thunder cloud just now? I thought it was Qi Peijia who broke through to the Mahayana realm.”

“But I saw that he hasn’t changed just now, and you haven’t changed either...”

“Then what happened just now?”

Bai Qian asked Chen Ping very curiously!

Chen Ping smiled and took out the little sky-swallowing beast!

“Look, the spirit beast egg has hatched.”

Chen Ping said!

“Wow, what a cute little guy. Is this a Qilin beast?”

When Bai Qian saw the little sky-swallowing beast, she was so excited that she wanted to touch it with her hands!

Roar.....

As soon as Bai Qian stretched out his hand, the sky-swallowing beast roared!

This sound shocked Bai Qian and made her step back in fright. She didn’t expect such a cute little Qilin beast to be so fierce!

“Fox Princess, this is not a Qilin Beast. This is a Sky-Swallowing Beast. It has a very wild temper. Don’t mess with it.”

Huofeng said to Bai Qian!

It seems that Huo Feng is well-informed, and he can tell at a glance that this is not a Qilin Beast, but a Sky-Swallowing Beast!

“Swallowing Sky Beast?” Bai Qian was startled and hurriedly stepped back!

Sheng Bushi, Sheng Jiahui and others were also very curious when they looked at the sky-swallowing beast in Chen Ping’s hand!

But they don’t know what a sky-swallowing beast is, nor do they know how powerful a sky-swallowing beast is!

Chen Ping put the Sky-Swallowing Beast away. Now Chen Ping doesn’t know the nature of this little guy. If he bites someone, it will be bad!

“Okay, let’s get out of here as soon as possible.”

Chen Ping was afraid that Qi Peijia would come back, so he wanted to leave quickly!

Everyone nodded and quickly left with Chen Ping and the others!

Chapter: 5684

After walking out of the mountain, Sheng Bushi stepped forward and thanked Chen Ping: “Mr. Chen, thank you so much. If it weren’t for you, our Sheng family wouldn’t have been able to obtain the Tianfu Sect’s spells. ”

“We are planning to leave this battlefield of gods and demons. Being able to obtain the spells from the Tianfu Sect is the greatest blessing for our Sheng family.”

“Master Sheng, you’re welcome. Since you want to leave, I can’t stop you. I hope you can be more careful.”

Chen Ping said to Sheng Bushi!

“Mr. Chen, if you have time, go to the small house and have a chat. I will definitely prepare some wine to entertain you.”

Sheng Bushi invited Chen Ping!

“sure.....”

Chen Ping nodded politely!

As a family that specializes in formations and spells, the Sheng family has obtained the spells of Tianfu Sect, which is of course the most precious thing, so it is very reasonable to leave before the battlefield of gods and demons is closed!

After all, there are everyone in this battlefield of gods and demons. If you stay here, there might be some danger!

After saying goodbye to everyone in the Sheng family, Chen Ping left with Huofeng and Bai Qian!

“Master, where should we go next?”

Huofeng asked!

“Feel free to wander around. I guess this battlefield of gods and demons will be closed in a few days.”

Chen Ping has no destination, after all, he doesn't know where the treasure is!

Chen Ping followed Huo Feng and Bai Qian as they walked in the dense forest, but his spiritual consciousness entered the sea of consciousness and carefully figured out the fire-control steps!

Now I can only study on my own, because Lord Huo Lingxing was so angry that he ran away after a disagreement without explaining anything to himself!

Chen Ping walked absent-mindedly, trying to figure out the essentials of fire-bending steps!

I don't know how long I walked before Huofeng suddenly shouted: "Master, look quickly..."

Chen Ping hurriedly came out of the sea of consciousness, and then saw the ground in front of him tearing apart, trees falling, and a lot of turbulence scattered around. It was obvious that he had just discovered a fight!

There were several corpses lying on the ground whose appearance was indistinguishable. They looked horrible!

"We all want to get the treasure, but how many people can completely leave this battlefield of gods and demons?"

Bai Qian couldn't help but sigh.

"People die for wealth and birds die for food. This is an eternal truth. Since you have entered the battlefield of gods and demons, you must be prepared to be killed. After all, there are no rules in this battlefield of gods and demons."

Chapter: 5685

"The weak eat the strong, the law of the forest, the big fish will always eat the small fish, and the small fish will eat the shrimp..."

Chen Ping sighed for a while!

The three people continued to move forward, and the bodies of monks were constantly discovered along the way!

It seems that as the battlefield of gods and demons closes down, these monks are going crazy!

After all, if we don't take action, there will be no chance when the battlefield of gods and demons is closed!

But only a hundred miles away in front of Chen Ping and the others, Zou Qi and the rest of the Tianming Gang were all smiling, and they also took a lot of treasures and resources with them!

Qi Peijia was walking in front coldly, with no expression on his face!

Along the way, he killed everyone he saw and then snatched treasures!

Anyway, the battlefield of gods and demons is about to close, and Qi Peijia doesn't want to look for treasures anymore. Finding treasures is not as fast as killing people and stealing goods!

"Hahaha, hang out with the gang leader and eat three meals a day..."

"The gang leader is really amazing. In the future, I am afraid that the entire Tianmo Mountain will respect the gang leader. This is really a blessing for our Tianming Gang!"

Zou Qi's face was full of joy and she kept flattering Qi Peijia!

Qi Peijia felt comfortable being photographed by Zou Qi, and said with a cold smile: "What does the little Heavenly Demon Mountain mean? I want to be the master of the Southern Territory, and even the master of the entire heaven and human world!"

Qi Peijia has great ambitions. After all, the adventures he has experienced have never been experienced by others!

"The gang leader is right. If you want to do it, you must become the master of the heaven and human world. Then all the five domain lords and the Demon Sealing Alliance will be destroyed by him..."

Zou Qi only knew how to flatter him at the moment, and he actually didn't even pay attention to the five major domain lords.

"What a loud tone, even the five major domain lords don't take it seriously!"

As soon as Zou Qi finished speaking, five monks in white clothes suddenly appeared in front of Qi Peijia and others!

These five people looked solemn and stared at the treasure in Zou Qi's hands!

And these five people are also very strong, two are at the seventh level of the Tribulation Realm, and three are at the sixth level of the Tribulation Realm. With this kind of strength, they are considered very good!

Seeing that someone dared to stop him, Qi Peijia immediately smiled coldly: "Who are you?"

"Gang leader, these five guys are outstanding people and very strong."

When Zou Qi saw those five people, his expression changed slightly and he said to Qi Peijia!

"What are the five heroes?" Qi Peijia didn't know him!

Chapter: 5686

"These are the nicknames of five people. The five of them belong to the five major sects in Fancheng in the Southern Region. Each sect selected a young talent to form the Five Talents."

Zou Qi followed Qi Peijia and explained!

When Qi Peijia heard this, he immediately raised the corner of his mouth and said: "What nonsense, five outstanding people, they will be unlucky if they meet me."

The five of them were a little surprised to see Qi Peijia not afraid at all!

After all, the names of their five outstanding men are very famous in the Tianmo Mountain area. Why doesn't Qi Peijia recognize them?

Qi Peijia used to be just a casual cultivator, but later he was thrown into the Demon Swallowing Cave and had an adventure!

This outstanding five men have not been formed for a long time. Although they are very famous, Qi Peijia doesn't know about it. This is normal!

The five people looked at Qi Peijia and saw Qi Pei's expression was cold and proud!

He was dressed in black clothes with a strange pattern on it!

Moreover, Qi Peijia's body was filled with thick blood evil aura, and the aura it exuded was extremely fierce!

"Fellow Taoist, you killed many disciples of our Five Sects along the way and robbed many of our treasures. I hope you can return them."

"As long as you are willing to hand over the treasure, we can let you go directly without taking action to avoid a big fight."

Among the five people, the leader, a young man with fair skin holding a long sword, said!

"Your treasure?"

Qi Peijia smiled and then said with disdain: "Whatever is in my hand is mine. You can just grab it if you want. Why are you talking so much nonsense?"

"This is a battlefield between gods and demons. Whoever has the ability can take the treasures. Are you afraid that you can't defeat me and want to play tricks on me, so just take the treasures away?"

Qi Peijia's disdain immediately made a young man holding a half-moon scimitar furious: "You don't know how to live or die, we gave you a chance, and you dragged me..."

"Hahaha, I pulled you because of my strength. If you have the ability, you can pull it in front of me and see..."

Qi Peijia laughed and said!

"you....."

The young man's eyes widened and he was about to rush forward with a machete in hand!

However, he was stopped by the leading white man: "Third brother, don't fall for his provocation. Even if you do, we will do it together."

The young man with the scimitar retreated!

"Fellow Taoist, there are five major sects behind our outstanding five sons. Even if you leave the battlefield of gods and demons with these treasures, do you think you can leave the Demon Mountain?"

Chapter: 5687

"Even if you don't look down on the five of us, don't you also look down on the five major sects behind us?"

The fair-skinned man didn't seem to want to do anything, he just wanted to get the treasure that Qi Peijia had snatched!

"Now that I have killed the five of you, even if there are five major sects behind you, who knows that it was me who killed you?"

Qi Peijia said sarcastically!

The fair man's face darkened, and he gritted his teeth and said, "Since you don't have to drink wine as a penalty for toasting, then don't blame us..."

Following the fair man's roar, everyone got ready!

"The clown..."

Qi Peijia snorted coldly, and then slapped it down!

The giant black palm covered the sky and sun!

The five people looked at the giant black palm, their expressions changed drastically, and they all stepped back!

At the same time, while the five people were retreating, they also fired out streams of spiritual power. These spiritual powers condensed in one place and went straight towards Qi Peijia!

Qi Peijia didn't even dodge, black mist filled her body, and then the black mist condensed into armor!

"Black Magic Armor..."

Someone screamed!

I saw the five people working together to attack, but it was directly blocked by the black magic armor on Qi Peijia!

At this time, the faces of the five people were extremely ugly, and their bodies instinctively retreated!

They underestimated Qi Peijia. The five of them worked together and didn't even hurt Qi Peijia. How could they fight him!

Now the five of them don't want any treasures, they just want to escape!

"Hmph, it's too late to run away now..."

Qi Peijia snorted coldly!

Qi Peijia waved his palm forward, and a huge claw grabbed him!

Seeing this, the fair-skinned man hurriedly shouted: "Array talisman, use the talisman quickly..."

Along with the roar, five people took out a yellow talisman from their bodies at the same time, and then all five people spurted a mouthful of blood towards the talisman, and their faces instantly turned pale!

The talismans in the hands of the five of them were purchased from the Sheng family for a lot of money. Together with the blood essence of the five of them, this formation can be made even more powerful!

The formation talisman emitted light, and was then thrown into the air by five people. Then the five formation talismans connected with each other, and a formation suddenly appeared, trapping Qi Peijia inside!

Then the five people were connected in a formation, and their figures gradually disappeared, and finally they disappeared!

The five people seemed to be invisible, directly integrating themselves into the formation!

Zou Qi and others were all shocked when they saw this scene. Only Qi Peijia looked at the five disappeared people and laughed disdainfully!

“Do you just want to defeat me with this broken formation?”

Qi Peijia said disdainfully!

Chapter: 5688

I saw Qi Peijia gently brushing his forehead, and an eye appeared instantly!

The entire sky began to darken, and the five people who had disappeared appeared in front of Qi Peijia again!

Feeling the power of Qi Peijia Tianming Eye, the five people were also surprised!

“Do it, do it...”

The fair-skinned man roared, and then five people attacked Qi Peijia like lightning!

However, with the blessing of Tianming Eye, Qi Peijia was able to clearly see the attacks of these people.

Qi Peijia flashed his figure so that the five people couldn't catch him!

Then a ball of black mist headed towards the five people!

The five people used the formation to keep avoiding it!

Just when Qi Peijia was fighting with the Five Heroes, Chen Ping and the others arrived!

Chen Ping saw Qi Peijia at a glance!

“What's happening here?”

Bai Qian looked at the fight not far ahead and asked in confusion!

“Did Qi Peijia do all the monks who were killed along the way?”

Huofeng saw Qi Peijia fighting with someone, so he asked curiously!

“possible!”

Chen Ping nodded!

Now that the battlefield of gods and demons is about to close, it is not impossible for Qi Peijia to kill people and steal goods!

“The strength of these five people is not low. It seems that it will not be easy for Qi Peijia to win!”

Bai Qian saw that these five people were at the sixth level of the Tribulation Realm and the seventh level of the Tribulation Realm. Although they were not as strong as the Three Sovereigns and Four Kings, they were not that easy to deal with!

What’s more, Qi Peijia is just an eighth-level monk in the Tribulation Realm, so he shouldn’t be able to defeat him!

“This guy is chasing his master. It’s just a good time to teach him a lesson. It’s best to kill him...”

Huo Feng wished Qi Peijia would die soon!

But Chen Ping said solemnly: “Qi Peijia will not lose, these five people are not his opponents at all!”

Chapter: 5689

Just as Chen Ping finished speaking, there was only a bang!

A huge black palm shot down from the sky, killing one person and turning that person into a pulp!

Even the formation that was set up was instantly defeated at this moment.

“The third child...”

“Third brother...”

The remaining four people were stunned. They didn't expect to join forces. Even with the power of the formation talisman, they still couldn't defeat Qi Peijia. Instead, one of their own was killed!

None of the five of them could be a match for Qi Peijia. Now that one person is dead, they would be even less able to withstand Qi Peijia's attack!

“Retreat, retreat quickly...”

The fair man knew that if the fight continued, they would all die here!

The formation talismans they spent a lot of money on have been used, and they really have no other means!

“Hahaha, can you escape?”

Qi Peijia laughed wildly, and black mist rose into the sky, and then trapped the four people like a cage!

Qi Peijia closed his Tian Ming eyes, his face full of disdain!

“Who are you? Why are you so powerful?”

The fair man asked!

They have never heard that there are such powerful demon cultivators in Tianmo Mountain.

Qi Peijia had just come out of the Demon Swallowing Cave, so I didn't know that he was normal. After all, he was not a master before!

The remaining four people kept bombarding the surrounding black mist, but it was of no use!

"You'll be dead soon, and you don't need to know who I am anymore."

Qi Peijia's momentum rose, and he raised his hands. The black mist was like rolling dark clouds, covering the sky and the sun, and then headed towards the four people!

"let's go....."

When Chen Ping saw this, he took Huofeng and Bai Qian and left!

"Master, why don't we join forces with those four people, maybe we can kill Qi Peijia!

Huofeng asked very puzzledly!

Chapter: 5690

"If we rush up, those four guys will definitely escape. It's impossible for them to cooperate."

"Everyone here is selfish, and it's not easy to work together."

Chen Ping said while running!

Not long after Chen Ping and the others left, Qi Peijia struck out with a dark cloud, causing the four people to die suddenly on the spot, with their blood splattering!

It can be seen that Qi Peijia killed several people quite easily!

“The gang leader is awesome...”

“The gang leader is mighty...”

Zou Qi and others saw that Qi Peijia could kill the five assassins as easily as an eagle catching a chicken, and they couldn't help but roared!

Qi Peijia also took advantage of the compliments from Zou Qi and others, with a sneer on his lips!

“Let's search these people for their belongings and we'll continue on our way.”

Qi Peijia said to Zou Qi!

Zou Qi nodded and led the Tianming Gang to search for treasures from the five outstanding men!

While Zou Qi and others were searching, Qi Peijia suddenly frowned, and then looked at the place where Chen Ping had just been hiding!

“This kid has actually been here...”

Qi Peijia said coldly!

What he wants to kill most now is Chen Ping, and Chen Ping has many treasures on his body!

Epecially that God King Bow, it is simply too tempting!

Qi Peijia is already extremely envious. If the God King's Bow is in his hands, his strength will definitely increase a lot!

Qi Peijia has been looking for Chen Ping these days, and now Chen Ping is actually by his side!

"After you finish searching, come and ask questions immediately. I will leave signs along the way."

Qi Peijia told Zou Qi and immediately chased towards the place where Chen Ping had just hidden!

After Qi Peijia opened Tian Ming's eyes and took a look, he immediately chased after him!

"Chen Ping, how do you know that Qi Peijia will definitely win? Now that we are working together, we don't need to be afraid of that guy. There is no need to run away..."

Bai Qian didn't understand why Chen Ping was so scared that he ran away. In her mind, Chen Ping was not like this!
