

## **The Order 5691**

Chapter: 5691

“Although Qi Peijia is only at the eighth level of the Tribulation Realm, he has the Heavenly Ming Eye and the Black Magic Armor, so he is not easy to deal with.”

Chen Ping doesn't want to waste all his energy on Qi Peijia now!

“Hahaha, I didn't expect you to be so afraid of me...”

Just as Chen Ping finished speaking, Qi Peijia's figure appeared in front of them!

Qi Peijia's face was full of pride, and Chen Ping's scared look just now made him feel very comfortable!

“Qi Peijia, why do you have to kill me?”

Chen Ping asked!

“If you don't want to die, just hand over all the treasures you have, and I might be able to spare your life!”

Qi Peijia said coldly!

“So you want the treasure from me. As long as you don't kill me, I can give it to you!”

Chen Ping actually compromised!

“Master?” Huo Feng looked at Chen Ping in disbelief!

“Chen Ping, what are you talking about? Why are you so scared?”

Bai Qian also looked at Chen Ping in shock!

Even Qi Peijia himself felt a little surprised. He thought Chen Ping would not agree!

“Do you really agree to give me all the treasures you have?”

Qi Peijia asked!

“Of course, if the person dies, not all the things will be yours in the end.”

Chen Ping said!

“Hahaha, I guess you know the current situation, take out all your things now, and I can spare your life.”

Qi Peijia laughed and said!

Chen Ping nodded and prepared to get the treasure for Qi Peijia!

“Hey, you coward, you are really blind. I look down on you...”

Bai Qian cursed in anger.

Chapter: 5692

Huofeng also looked at Chen Ping in disbelief. She felt that Chen Ping had changed!

But Chen Ping didn't really get any treasures for Qi Peijia, but directly released the king insect with golden silkworm poison!

Although Chen Ping is also very reluctant to give up, if the golden silkworm poison can be reproduced more, it will be of great help!

But now, he has to take it by surprise!

“for you.....”

Chen Ping threw it at Qi Peijia!

Qi Peijia didn't suspect it was a scam and actually reached out to take it!

But the moment the Golden Silkworm Gu Poison King Insect appeared, Qi Peijia frowned, then his consciousness was confused and his eyes turned scarlet!

“run.....”

When Chen Ping saw this, he quickly called Huo Feng and Bai Qian and started running away!

“Damn it, you dare to lie to me...”

Qi Peijia was furious and wanted to catch up with Chen Ping, but severe dizziness and discomfort made it impossible for Qi Peijia to pursue him!

The Golden Silkworm Poison King Insect is really powerful. Qi Peijia waved his arms around like crazy!

Streams of spiritual power surged out from Qi Peijia's palm, like a tiger, blasting all the surrounding trees into rubbish!

Qi Peijia felt as if his soul was being eaten. The feeling was extremely painful!

“Chen Ping, what did you use on that guy to make him look crazy?”

After running for a while, Bai Qian asked in confusion!

“I used the Golden Silkworm Gu and the Poison King Insect. It’s a bit of a pity, but Qi Peijia probably won’t be able to recover in a short time.”

Chen Ping sighed and said!

“It’s such a pity. The master already has a sky-swallowing beast, so the golden silkworm poison is useless. As long as the sky-swallowing beast is raised, who else will the entire heaven and human world be afraid of?”

Huofeng said!

“I just don’t know what this sky-swallowing beast needs to eat to grow...”

Chen Ping doesn’t know much about the Sky-Swallowing Beast, so he doesn’t know what the Sky-Swallowing Beast eats!

Chen Ping’s storage ring contains a lot of medicinal herbs and various spiritual stones, but the sky-swallowing beast doesn’t seem to like them!

Chapter: 5693

“The sky-swallowing beast is a creature of heaven, and it must need immortal energy to support it.”

Bai Qian said!

“Immortal energy, where can I find immortal energy?”

Chen Ping was speechless for a while. Although the world of heaven and humans is full of spiritual energy, immortal energy is not easy to find!

Only in some battlefields between gods and demons can there be immortal energy. But where can you find so many battlefields between gods and demons?

“Master, don’t be discouraged. After you ascend, there will be immortal energy everywhere.”

Huofeng comforted Chen Ping and said!

“I don’t know how long it will take to ascend to immortality...”

Chen Ping sighed and said!

“Master, I believe you will be fine. I’m still waiting to ascend with you.”

Huofeng’s eyes were full of expectation!

As the saying goes, if one person attains the Tao, a chicken or a dog can ascend to heaven, the fire phoenix also wants to ascend with Chen Ping!

Chen Ping smiled bitterly, stopped talking, and continued to move forward!

At this moment, Qi Peijia had a ferocious expression on his face. The dozens of miles around him had already become ruins, and all the trees were reduced to rubbish!

The Golden Silkworm Poison King Insect caused him to suffer a lot. The feeling of devouring his soul was so uncomfortable!

“Gang leader... Gang leader...”

Zou Qi followed several members of the Tianming Gang and ran over. When they saw the situation at the scene, they were stunned for a moment!

Qi Peijia’s eyes were scarlet. When he saw Zou Qi and others, he stepped forward and grabbed Zou Qi’s collar!

Zou Qi was so frightened that he trembled all over: “Gang leader, you... what’s wrong with you?”

Qi Peijia didn’t speak, but opened his mouth wide, and bursts of black mist came out from Zou Qi’s head. All this black mist was inhaled by Zou Qi!

Zou Qi was in panic. His body gradually became silent. There was no trace of demonic energy anymore. He was completely dead!

At this time, the remaining Tianming Gang members were dumbfounded!

They didn’t understand why Qi Peijia suddenly attacked them!

When Qi Peijia looked at the Tianming Gang members, several Tianming Gang members were so frightened that they turned around and ran away!

But just as he turned around and ran away, several black energy turned into iron chains and directly captured those Tianming Gang members!

“Gang leader, have mercy on me, gang leader, have mercy on me...”

Several members of the Tianming Gang all began to beg for mercy!

But Qi Peijia acted as if he couldn’t hear it and bit a member of the Tianming Gang on the neck!

Just like a vampire, sucking the blood of the Tianming Gang!

At the same time, the breath in the bodies of the Tianming Gang was also sucked out!

It wasn't until he drank the blood of several members of the Tianming Gang that Qi Peijia's face gradually became better.

"Chen Ping, I will tear you into pieces if you dare to trick me..."

Qi Peijia roared loudly!

Chapter: 5694

Chen Ping led Huofeng and Bai Qian towards the entrance of the battlefield of gods and demons!

The battlefield of gods and demons is expected to be closed in a few days. Chen Ping does not plan to stay any longer. He wants to go out first!

With Qi Peijia chasing after him, it would be even more difficult for Chen Ping to find any treasures in the battlefield of gods and demons!

But after Chen Ping and the others walked a certain distance, they discovered that not far away, there was a flash of light and a rumbling sound!

"Master, there should be a fight ahead, should we go and take a look?"

Hearing the movement in front of him, Huo Feng suddenly became interested!

"Looking like this, it must be a melee. There are probably a lot of people. We just happened to go over and see if we can catch anything!"

“At this time, it is estimated that many people have gained something in the battlefield of gods and demons. We just happen to be behind, and the fishermen will benefit...”

Bai Qian also spoke!

Originally, Chen Ping wasn't interested, but after hearing Bai Qian's words, Chen Ping became interested!

If you can really pick up some treasures, even picking up some crystal stones containing fairy energy is good, just right to feed the sky-swallowing beast!

“Let's go and take a look...”

Chen Ping nodded!

When Chen Ping and others arrived, they found that there were more than a dozen people using various means to continuously bombard a magic circle in front of them!

In the magic circle, white mist filled the air, making it difficult to see what was going on inside!

It seems that this magic circle is very strong. Under the attacks of more than a dozen people, it was not damaged at all!

More than a dozen monks attacked for a long time, obviously tired and out of breath, but still unable to do anything!

At this time, an old man in gray cloth said: “Master Sheng, we are not trying to rob you of your treasures. Why are you guarding us like this? We only want a few formation talismans from Master Sheng!”

“When Master Sheng comes to this battlefield of gods and demons, he won't even be willing to take out a few formation talismans, right?”

“Although we can’t break your formation, if we keep using it like this, your formation will disappear when the battlefield of gods and demons closes.”

At this time, everyone in the Sheng family was in the magic circle, and their faces were extremely solemn!

“Master, you take the eldest lady and the young master and leave first. I will lead others to stop these guys.”

The great elder said to Sheng Bushi!

Sheng Bushi shook his head: “It’s useless. These guys obviously don’t want us to leave. If it doesn’t work, just give them some talismans. As long as we have the talismans of Tianfu Sect in our hands, are we afraid that we won’t have a chance to take revenge?”

Chapter: 5695

Sheng Bushi wants to compromise, as long as these people don’t snatch the spell book!

The great elder was silent, because no one knew whether these guys would leave with just a few formation talismans!

If there are other attempts, then they are in danger!

At this time, Chen Ping frowned when he heard the old man’s words!

“Master, the Sheng family is in the formation. Have they not left the battlefield of gods and demons yet?”

Huofeng said!

“It seems that they were targeted by these people and were trapped here without being able to leave!”

Bai Qian said!

Chen Ping took a look at the dozen monks. Most of them were at the fifth level of the Tribulation Realm. There were only two of them at the sixth level of the Tribulation Realm. They were not too high!

“Rescue the Sheng family...”

After Chen Ping finished speaking, he appeared directly!

Huofeng and Bai Qian hurriedly followed!

When the three people appeared, the dozen monks were obviously stunned, and then stared at Chen Ping and the others closely!

The old man in gray clothes took a look at Chen Ping and found that Chen Ping was just a first-level monk in the Tribulation Realm. He snorted coldly and said: “Who are you? Leave here immediately. Didn’t you see us doing business? ?”

“Are you talking to me?” Chen Ping said with a slight smile!

“Nonsense, if I don’t talk to you, how can I talk to the air?”

The old man in gray said with a cold face!

“You dare to talk to me like this, you’re dead...”

After Chen Ping finished speaking, he took a step back!

And Bai Qian behind him instantly burst out with the aura of the seventh level of the Tribulation Realm!

This aura was like the weight of a mountain, and it directly suppressed the old man in gray to the ground!

When the other monks felt the aura of the seventh-level Tribulation Realm on Bai Qian's body, their expressions changed greatly and they all stepped back!

"You dare to talk to my little brother like this, I think you are tired of living..."

Bai Qian looked down at the old man in gray and said with disdain!

Chapter: 5696

The old man in gray clothes had a face full of panic, and he quickly begged for mercy: "Spare my life, spare my life, I was wrong, I was wrong..."

Seeing that the old man admitted his mistake, Bai Qian waved his hand gently, and the old man in gray flew several miles away in an instant!

When the other monks saw this, they turned around and ran away!

These people bully the weak and fear the strong.

And Sheng Bushi, who was in the magic circle, looked excited: "It's Mr. Chen, it's Mr. Chen and the others..."

The rest of the Sheng family are also very happy!

The formation was quickly opened, the white mist dissipated, and the Sheng family all walked out of the formation!

“Mr. Chen, thank you so much for saving us again...”

Sheng Bushi said gratefully!

“Master Sheng, you’re welcome. It seems that in the last few days, the battlefield of gods and demons will definitely become more chaotic. I’d better accompany Master Sheng out.”

Chen Ping said!

“Mr. Chen, won’t you be staying for a few days?”

Sheng Bushi asked in confusion!

“I won’t wait any longer. It’s estimated that the battlefield of gods and demons has been searched over a long time ago. It will be difficult to find the treasures again.”

Chen Ping shook his head!

“It would be great to have Mr. Chen leave with us!”

Don’t mention how happy Sheng Bushi is!

Now that Chen Ping and the others are following, Sheng Bushi won’t be afraid that anyone will miss them anymore!

But just as Sheng Bushi finished speaking, a terrifying aura suddenly came from far away, and the entire sky seemed to become dark all of a sudden!

This time, everyone became nervous!

“It’s broken, then Qi Peijia is here...”

Chen Ping frowned!

Feeling the terrifying aura, the faces of the Sheng family also changed drastically!

“If you dare to lie to me, I will make your death ugly...”

Chapter: 5697

Qi Peijia’s voice came slowly!

As soon as he finished speaking, Qi Peijia’s figure appeared in front of everyone!

Looking at Qi Peijia, Chen Ping looked extremely ugly!

He didn’t expect this guy to catch up so quickly, and it didn’t seem to have any impact!

My own Golden Silkworm Gu Poison King Insect could not kill Qi Peijia!

Now that everyone from the Sheng family is around him, it’s hard for Chen Ping to escape even if he wants to!

If he was alone, he could still find a way to escape, but with so many people around him now, not only could he not be of much help, but he would also have to worry about their safety!

“I will fight with Qi Peijia later. No one should care about me. I will take the Sheng family and leave immediately. The sooner the better...”

Chen Ping warned Huofeng and Bai Qian!

“How can you deal with this guy by yourself? Although I am not your opponent, I can always help you.”

Bai Qian said!

Bai Qian was in the seventh level of the Tribulation Realm, so he could still follow Qi Peijia through two moves!

“Don’t worry about it. As long as you can escape, I can also escape. Otherwise, no one can escape.”

Chen Ping said anxiously!

Seeing Chen Ping like that, Bai Qian could only nod. Maybe there was no need to worry, Chen Ping could indeed escape!

“None of you can escape...”

Qi Peijia knew that Chen Ping wanted everyone to escape, so he took a step forward, and suddenly a black long sword stabbed Chen Ping!

“escape.....”

Chen Ping shouted loudly, and countless golden lights erupted from his body. The indestructible golden body instantly wrapped Chen Ping tightly!

Moreover, under Chen Ping’s feet, two flames actually rose. At the same time, Chen Ping’s body disappeared directly, and Qi Peijia’s long sword pierced Chen Ping’s afterimage!

“Space magic, I didn’t expect you to hide very quickly.”

Qi Peijia was slightly startled and said!

Chen Ping was also surprised. Looking at where he was standing, the distance was just ten meters away.

Chen Ping frowned slightly. He had accidentally used the Fire Control Step just now. Although he didn't fully master it, he just took a step back and was already more than ten meters away!

Chapter: 5698

Chen Ping regretted a little when he found out that the fire-bending step was so useful. If he had not made the Fire Spirit Star Lord angry at that time, maybe now his fire-bending step would be able to appear several miles away in one step!

In that case, there is no need to be so afraid of Qi Peijia, but there is no point in regretting, there is no regret medicine in the world!

Chen Ping can only study it slowly by himself in the future!

At this time, Bai Qian and Huo Feng led everyone in the Sheng family to escape quickly. As the Sheng family fled, they kept setting up formations to hinder Qi Peijia's pursuit!

But Qi Peijia didn't even look at it, but stared at Chen Ping!

Then the full demonic energy in Qi Peijia's body emitted from his body and instantly condensed into a tiger, charging towards Chen Ping!

Seeing this, Chen Ping wanted to use the Fire Control Step to dodge again, but this time he failed and was directly hit by the condensed tiger!

Chen Ping's body flew backwards like an arrow from the string in an instant!

Then he kept hitting the trees behind him, making a deep hole in the ground!

“Owner.....”

Huo Feng saw Chen Ping being knocked away, and his eyes turned scarlet!

“Huofeng, don't be impulsive, leave quickly...”

Bai Qian grabbed Huofeng and ran away quickly!

Seeing Chen Ping knocked down by him with just one blow, Qi Peijia had a sneer on his face. As for Huo Feng and the others who escaped, Qi Peijia didn't even look at them!

He wants to kill Chen Ping, and then chase these people. With Tian Ming's eyes, he is not afraid that these people can escape!

Chen Ping slowly climbed out of the pit!

Although the blow just now was very powerful, Chen Ping has an indestructible golden body to protect his body. Coupled with his strong physical body, it is unrealistic for Qi Peijia to kill Chen Ping with one blow!

Seeing that Chen Ping was not dead, Qi Peijia took another step forward and headed straight for Chen Ping!

Chen Ping looked back at Huofeng and the others who were escaping, but this time he did not choose to dodge, but instead punched out with all his strength!

“Holy Light Fist.....”

Chen Ping punched out, and golden light suddenly appeared, and the sky that was dark just now was instantly illuminated extremely brightly!

“Huh, what a small trick...”

Qi Peijia snorted coldly, and his body was instantly covered with black magic armor!

The holy light fist hit the body and exploded directly, turning into countless golden lights and scattering like fireworks!

After the blow, Chen Ping quickly retreated!

At this time, Huofeng and the others had already fled far away, and Chen Ping was about to flee too. There was no way he could stay and fight with Qi Peijia!

“I said, you can’t escape...”

Black mist filled Qi Peijia’s body, and then countless black mist turned into iron chains, heading straight towards Chen Ping like tentacles!

When Chen Ping saw this, he could only take out his dragon-slaying sword and slash towards the black mist!

A sword slashed out, directly cutting off an iron chain turned into black mist, but several more iron chains began to wrap around Chen Ping’s body!

Seeing this situation, Chen Ping knew that he couldn’t stop Qi Peijia without using the God King Bow!

Just when those black mist iron chains were about to reach Chen Ping, Chen Ping took out the God King Bow!

With a casual pull, the God King’s bow was fully drawn!

Countless densely packed light arrows appeared on the bow. These light arrows were crystal clear, like ice sculptures!

Between heaven and earth, countless light points gathered towards the bow of God King Chen Ping!

Strange phenomena appeared in the sky all around, and the void began to twist.

The terrifying aura of the God King's Bow continues to spread to all directions!

Uh-huh.....

As soon as Chen Ping let go, countless light arrows shot out. Those black iron chains, after touching the arrow feathers shot by the God King's bow, instantly turned into nothingness and disappeared without a trace!

Chapter: 5699

Looking at the countless light arrows shot by Chen Ping, Qi Peijia's expression suddenly changed. He raised his black magic armor to its peak, and dangerous auras continued to approach him!

"Tian Ming Eye..."

Qi Peijia roared, and an eye instantly appeared on his forehead. The surrounding sky became gray, and countless energy gathered on Qi Peijia!

Under this gray void, the arrows of light seemed to be slowing down, as if they were being stopped by something!

Above the sky, dark clouds gathered, and the entire sky became darker and darker!

The whole world seemed to be slowly stopping, and only Chen Ping's God-King Bow was radiating light!

Countless black energy condensed in front of Qi Peijia, and the light arrow penetrated the barrier and hit Qi Peijia!

Qi Peijia's body kept retreating, his face full of ferocity!

Slowly the light arrow disappeared, Qi Peijia stabilized his figure, he was trying his best to control himself!

But a mouthful of blood surged up and he spit it out suddenly!

Qi Peijia was a little surprised. He was an eighth-level monk in the Tribulation Realm, but he was injured by Chen Ping, a first-level monk in the Tribulation Realm. It was outrageous!

Qi Peijia knew that the God King Bow in Chen Ping's hand definitely played a huge role!

But if a good magic weapon doesn't have enough strength, it's impossible to cross so many realms and hurt yourself!

Chen Ping looked at Qi Peijia who was vomiting blood, and his expression was extremely ugly!

Qi Peijia's Tian Ming Eye is really powerful. At this moment, Chen Ping is pulling the God King's bow, and it is already difficult to condense the light arrows!

The whole world seemed to be shrouded in black mist by that Qi Peijia!

"Boy, I admit that you are very strong. If I give you a period of time, you think you will become a serious problem for me."

"I won't let you have the slightest chance of survival today, not at all..."

Qi Peijia wiped the blood from the corner of his mouth, and the three eyes on his forehead shone brightly!

Along with the flash of light, a terrifying aura condensed!

Soon, a beam of light suddenly fell from the sky and headed towards Chen Ping!

This beam of light came very suddenly, as if it appeared above Chen Ping's head out of thin air!

Chen Ping had no time to dodge, so he could only shout loudly, and the indestructible golden body on his body exploded with maximum power!

Even Chen Ping's skin began to glow with golden light, as if it had been coated with a layer of gold powder!

Chapter: 5700

boom.....

The beam of light crashed down!

The whole earth trembled, and a deep pit of tens of meters was directly smashed into the ground!

Chen Ping was hit, and his indestructible golden body instantly shattered!

Pieces of golden scales fell down and turned into nothingness!

Chen Ping, on the other hand, was lying in a deep pit, without a drop of blood on his face!

Qi Peijia's blow was too powerful!

At the eighth level of the Tribulation Realm, coupled with the power of the Tianming Eye, Chen Ping, even with the God King's Bow and an indestructible golden body, still couldn't resist!

There is no way, the gap is too big!

And this Qi Pei Jia, who is at the eighth level of the Tribulation Realm, is much stronger than the others!

This guy obviously got a chance encounter, maybe he got the true biography of the big devil, so he is so powerful!

Chen Ping was lying in the deep pit, looking at the dark sky, his whole person seemed to be in a sluggish state!

At this moment, Chen Ping seemed to feel powerless!

There was no way he could bridge this gap in realm!

"Mr. Chen, you have to cheer up, you have to cheer up..."

Zhe Yan shouted loudly in Chen Ping's sea of consciousness.

He can't let Chen Ping be intimidated, otherwise Chen Ping will definitely lose. If Chen Ping dies, Zhe Yan will also disappear!

But at this time, Chen Ping's eyes were dull and he had no fighting spirit!

The God King's bow was taken out, but he still couldn't do anything to Qi Peijia. Chen Ping had no other means!

Qi Peijia slowly walked to the edge of the pit and looked at Chen Ping lying at the bottom of the pit, with a bit of disdain on his face!

“Fight with me, you are too young...”

Qi Peijia looked at the God King Gong beside Chen Ping, his eyes full of greed, and slapped Chen Ping with his palm!

If Chen Ping dies, then all the treasures on Chen Ping’s body will be his!
