

The Order 5701

Chapter: 5701

Qi Peijia's palm was very casual, because with Chen Ping's current situation, he could send Chen Ping to see the King of Hell with just one palm!

But just when Qi Peijia slapped his palm down, Chen Ping suddenly flashed with light!

Then a deafening roar resounded throughout the entire battlefield of gods and demons!

This loud roar directly shattered Qi Peijia's palm. The unprepared Qi Peijia was blown away by the huge sound wave!

The Sky-Swallowing Beast stood on top of Chen Ping and actually stepped forward to lick Chen Ping's face!

The palm-sized sky-swallowing beast had exploded with such power with its roar just now!

Chen Ping felt the breath of the Sky-Swallowing Beast, his eyes gradually gained color, and he slowly climbed up from the bottom of the pit!

Seeing Chen Ping getting up, the Sky-Swallowing Beast seemed very happy. After turning Chen Ping's shoulders twice, it jumped up and shot into the air like a meteor.

Then the Sky-Swallowing Beast opened its mouth, and half of the endless black mist was sucked in by the Sky-Swallowing Beast!

Qi Peijia looked at the palm-sized sky-swallowing beast in mid-air, with confusion and doubt in his eyes!

He didn't know what kind of monster it was. It was so small in size and could emit such a terrifying aura. It could also swallow the black mist emitted by his own eyes!

Chen Ping was shocked when he looked at the sky-swallowing beast. He thought this little guy was too small and couldn't do anything. He didn't expect that such a small guy could be so powerful!

After the Sky-Swallowing Beast swallowed half of the black mist in one gulp, it fell from the air. Chen Ping reached out to catch it and found that the Sky-Swallowing Beast's belly was bulging!

And the little guy kept burping, as if he was a little overstretched!

Looking at the cute look of the little swallowing beast, Chen Ping found that he liked it more and more!

Just when Chen Ping wanted the sky-swallowing beast to help him fight with Qi Peijia, the sky-swallowing beast unexpectedly flashed, ran into Chen Ping's storage ring, and fell asleep!

When Chen Ping saw this, he was speechless for a while. This little guy must have been evil just now and ran out to eat!

Now this sky-swallowing beast can not only swallow the immortal energy, but also the black mist of the demon clan. This surprised Chen Ping. In this case, Chen Ping would not have to look for the immortal energy for the sky-swallowing beast!

At this time, Qi Peijia looked at Chen Ping in shock. He didn't understand how Chen Ping could have such a powerful monster and be so small!

Because Qi Peijia didn't know what this monster was, he didn't dare to attack rashly!

Chen Ping didn't have the help of the Sky-Swallowing Beast, and he didn't dare to take action rashly, so the two of them faced off!

Just when the two people were confronting each other, hundreds of miles away from them, the Lion King frowned and said excitedly: "God King's Bow, the breath of God King's Bow has appeared..."

After saying that, the Lion King quickly ran towards where Chen Ping and Qi Peijia were!

Chapter: 5702

The Monkey King, the Thousand-Faced Demon King, and the Leopard King followed closely behind. For them, the God King's Bow was considered a top-notch magic weapon, and who wouldn't want to get it.

At the same time, after Huofeng and Bai Qian took several members of the Sheng family away, they found that Chen Ping had not chased him for a long time, and they also felt the terrifying aura emitted by Qi Peijia. In order to comfort Chen Ping, the two decided to return!

For a moment, Lion King and others headed towards the place where Chen Ping and Qi Peijia were fighting. Huofeng and Bai Qian were also rushing there!

"Boy, it seems that I still underestimated you. You have more treasures than I thought."

Qi Peijia finally spoke, and then grabbed it casually!

The only black mist left in the sky was captured by Qi Peijia and turned into a sword!

Qi Peijia took advantage of the situation and slashed towards Chen Ping, and a bright sword light appeared!

"Die..."

A cold light flashed across Qi Peijia's eyes, and the sword light suddenly struck out!

This sword light was more than ten feet long, and wherever the sword energy passed, the space instantly collapsed.

Chen Ping looked at this sword energy, his expression was extremely ugly!

At this moment, his indestructible golden body has been shattered and his body has been injured. He may not be able to withstand this sword!

If the sky-swallowing beast could come out and help, Chen Ping might still be able to resist!

But the sky-swallowing beast was sound asleep and didn't seem to care about Chen Ping's life or death!

Chen Ping had no choice but to pull the God King's Bow again, because without the obstruction of the black mist, when the God King's Bow was pulled, countless light points instantly came from all directions, and then condensed into arrows of light!

But before Chen Ping could shoot those light arrows, he noticed that four terrifying auras came from behind him in an instant!

Immediately afterwards, four auras collided with Qi Peijia's sword energy instantly!

boom.....

After a loud noise, the color of the sky and the earth changed instantly, and the trees for hundreds of miles around were reduced to ashes!

Qi Peijia frowned and took three steps back.

Four figures came closer from far away and landed next to Chen Ping. They were the four Lion Kings!

Qi Peijia's face looked so ugly when he saw Lion King and the others appeared!

However, after the four Lion Kings jointly blocked Qi Peijia's blow, they did not take action. They did not even look at Qi Peijia. Instead, they stared at the God King Bow in Chen Ping's hand!

Chapter: 5703

At this moment, the God King's bow in Chen Ping's hand has been pulled, and the light arrow is ready to go!

The four people looked at it in shock, their jaws almost dropped!

They never expected that the Divine King's Bow would be in Chen Ping's hands, and what was even more unexpected was that Chen Ping could actually pull the Divine King's Bow!

You must know that Chen Ping is just a first-level monk in the Tribulation Realm, but he can actually pull the God King's Bow!

That's outrageous...

Feeling the gazes of the four people, Chen Ping felt a little panicked. He slowly released the God King's bow, and the light arrow slowly disappeared!

The greed in the eyes of these four people made Chen Ping know that the four guys were definitely not here to save him, but were interested in the God King Bow in his hand!

"I finally know why the Fox Princess has been protecting him. She must have known that this guy had the God King's Bow in his hand, so she did that."

The Lion King said!

"The Fox Princess went too far. She didn't even tell us. It seems she wants to keep it to herself?"

The Leopard King was also a little angry!

Qi Peijia saw that the four people took a fancy to the God King Bow in Chen Ping's hand, and he felt a little relieved, as long as these four people were not here to save Chen Ping!

Although these four people only have the strength of the seventh level of the Tribulation Realm, Qi Peijia can't stand it if the four of them join forces.

What's more, there is Chen Ping here. If they really join forces to deal with him, he won't be able to handle it!

"Four seniors, I have some grudge against this boy. I just want his life. As for the treasures on his body, I won't take away any of them. What do you think of the four seniors?"

Qi Peijia asked politely to the four Lion Kings!

None of the four people spoke, they all stared at Chen Ping!

Finally, the Lion King said: "Boy, give me the God King's Bow. I can protect your safety and prevent others from killing you..."

The Lion King did not agree to Qi Peijia, but instead followed Chen Ping to start a business using the God King Bow!

However, before Chen Ping could speak, the Monkey King on the side was dissatisfied and said: "Lion King, what do you mean? Why should I give you the God King's Bow?"

"And can you protect his safety yourself? You are only at the seventh level of the Tribulation Realm, and the guy who wants his life is at the eighth level of the Tribulation Realm. Who can save him except us joining forces?"

The Monkey King's words made the Lion King feel embarrassed. If others didn't help, of course he wouldn't be able to stop Qi Peijia from killing Chen Ping!

However, the Lion King only wants the God King's Bow. As for protecting Chen Ping, he just said it casually, and he will not do it!

Chapter: 5704

"Okay, don't copy it anymore. Let this kid hand over the God King's Bow. I'll hold it in my hand. No one should fight with it."

At this time, the Thousand-faced Demon King spoke!

After the Thousand-Faced Demon King spoke, the Lion King and others looked at each other, but didn't say a word!

Chen Ping looked at the four guys, who were obviously heading towards his Divine King Gong. He just took action to save himself, and it was also for the Divine King Gong!

"Boy, give me the God King's Bow. Since you have some relationship with Bai Qian, we can protect your safety."

The Thousand-faced Demon King said to Chen Ping!

Qi Peijia on the side frowned slightly, but he didn't dare to say anything at this time!

I could only pray secretly in my heart, praying that Chen Ping would not be willing to hand over the God King Bow, and then let them fight!

At that time, he can sit on the mountain and watch the fight between tigers and tigers, and maybe even benefit from it!

Chen Ping looked at the four people who were eyeing each other, and then at the Thousand-faced Demon King who was bound to win. He held the God King's bow tightly in both hands and said, "This God King's bow is mine, why should I give it to you?"

The Thousand-faced Demon King was stunned. He had never thought that Chen Ping, a young monk at the first level of the Tribulation Realm, would dare to speak like this in front of the four of them!

"Boy, do you want to die? Hand over the God King Bow and you can live."

"Are you even willing to risk your life for this God-King Bow?"

The Lion King asked Chen Ping very puzzledly!

The God King's Bow is indeed very powerful, and it is a magical weapon, but if you don't have any lives, what do you need a magical weapon for?

"Boy, you are just saying nonsense. Believe it or not, I will shoot you to death. If you die, this God King Bow will also belong to us."

The Leopard King waited with his eyes to scare Chen Ping!

Only the Monkey King said nothing, because he was the only one who knew that Chen Ping followed Huo Feng!

But Fire Phoenix and Fox Princess are not here now, so there is no need to be afraid!

"If you have the ability, come and grab it yourself. You want me to give you the God King Bow, but there is no way. I destroyed the God King Bow, so I can't give it to you."

"Even if I give it to you, will you use it? Can you pull it?"

Chen Ping clutched the God King's bow tightly and said!

"You brat, you're looking for death..."

The Lion King and Leopard King were furious at the same time, and the terrifying seventh-level aura of the Tribulation Realm enveloped Chen Ping!

Chapter: 5705

After fighting with Qi Peijia for a long time, Chen Ping was already very weak. Now that he was being pressured by the Lion King and Leopard King at the same time, Chen Ping's body simply couldn't bear it!

I saw Chen Ping bending his body and kneeling heavily on one knee, directly smashing a deep pit into the ground!

The Thousand-faced Demon King had a cold face. He didn't expect that Chen Ping would fall out with them for God King Gong!

Seeing this scene, Qi Peijia secretly breathed a sigh of relief. Since Chen Ping was seeking death himself, there was no need for him to do anything!

Although Qi Peijia could not get the god-king bow, Qi Peijia was happy when Chen Ping died!

As for the God King's Bow, Qi Peijia is bound to get it. After leaving the battlefield of gods and demons, he can continue to practice in the Demon Swallowing Cave!

He believes that it won't take long before he can easily deal with the Lion King and others. By then, the God King's Bow will not be at his fingertips!

Now Qi Peijia is just waiting for Chen Ping to be killed so that he can leave with peace of mind!

At this time, Chen Ping knelt on one knee and gritted his teeth!

Chen Ping knew that he was no match for these four people, and he also knew that as long as he was hit by the other party, he would be killed. However, there was no fear in Chen Ping's eyes!

The Thousand-faced Demon King looked at Chen Ping and saw that Chen Ping had a stubborn donkey-like temperament, so he stretched out his hand and patted Chen Ping.

"I'm not very strong and have a bad temper. I'm going to suffer a loss. Is it worth risking my life for the God King Bow?"

The Thousand-faced Demon King wants to kill Chen Ping!

But just when the Thousand-Faced Demon King was attacking Chen Ping, a breath suddenly came quickly and went straight to the Thousand-Faced Demon King's face!

"Thousand-faced Demon King, if you dare to kill my man, do you mean you don't take me seriously?"

Bai Qian came with an angry voice, and the aura on his body exploded to the extreme!

The Thousand-faced Demon King frowned and retreated quickly. Even the Lion King and Leopard King retreated to both sides. The pressure on Chen Ping disappeared instantly!

"Fox Princess, are you fucking crazy, for a little man?"

"I wonder if you are interested in the God-King Bow in his hand and want to make it your own?"

"You never told us at all, you must want to monopolize the God King's Bow!"

The Lion King and Leopard King shouted angrily at Bai Qian!

The Thousand-faced Demon King also said with a gloomy face: "Fox Princess, you are going too far. You want to monopolize this God King's Bow. Do you take us seriously?"

Bai Qian was also a little confused at the moment. She followed Chen Ping just for Chen Ping's bloodline and to make her own bloodline nobler!

What's the reason for the God King's Bow? These guys are just slanderers!

Chapter: 5706

But before Bai Qian could say anything, Huo Feng arrived belatedly, his face full of anger!

After taking a look at the pale Chen Ping, Huofeng's eyes were filled with distress, and he stepped forward to help Chen Ping up.

"Master, are you okay?"

Huofeng asked!

"It's okay." Chen Ping shook his head!

Seeing that Chen Ping was fine, Huo Feng glanced at the four Lion Kings with a kind of majesty from a superior!

Feeling Huo Feng's eyes, the four lion kings actually started to dodge, not daring to look directly at Huo Feng!

It's like a mouse meeting a cat!

Even though Huo Feng is only in the Fusion realm now, and compared with them, the realm is far different, but these four guys don't dare to look down upon it at all!

"You want to kill my master?"

Huofeng asked coldly!

None of the four people dared to speak, and the Monkey King kept hiding behind others!

"monkey....."

Huofeng shouted!

The Monkey King was so frightened that he trembled all over: "Auntie, I...I didn't do anything, I didn't move, I didn't say anything..."

The Monkey King picked himself clean because he was the only one who knew about the relationship between Huo Feng and Chen Ping!

When the Lion King and others heard what the Monkey King said, they immediately looked at the Monkey King angrily!

No wonder the Monkey King didn't do anything or say anything just now. It turns out that he already knew about Chen Ping's relationship with Huo Feng!

"Don't think that you can bully me now that I have been demoted and my level is low."

"Don't forget about your abilities. Who inspired you? If it weren't for me, you guys would still want to be among the Three Sovereigns and Four Kings, and have a place in the world of gods and humans. ?"

Huofeng scolded the Lion King and others like an adult scolding a child, but no one dared to speak!

Chen Ping couldn't help but be speechless when he saw this scene. He also didn't expect that Huo Feng was so powerful in the heaven and human world before!

If we can find a chance to restore the strength of Huo Feng, then Chen Ping will probably be able to walk sideways in the world of heaven and humanity!

Qi Peijia, who was not far away, saw the approaching fire phoenix, and his heart suddenly went cold!

Chapter: 5707

He also didn't expect that Huo Feng would become familiar with Chen Ping, and Chen Ping was actually Huo Feng's master!

If this happens, the Lion King and others may not dare to take action against Chen Ping!

“Huofeng, I...we really don't know. I don't want the God King's bow anymore. I can't pull it anyway!”

The Thousand-faced Demon King was the most arrogant and quickly followed Huo Feng to apologize!

The reason why they have achieved what they have now is all due to the enlightenment of the fire phoenix. Although they are only the beast tribe, the beast tribe cannot be without conscience!

“I don't want it anymore, it's useless to me!”

The Leopard King also hurriedly expressed his stance!

Only the Lion King's eyes were full of reluctance, and he stared blankly at the God King Bow in Chen Ping's hand!

But now he doesn't want them all. He himself may not be able to get the God King's Bow at all!

“Lion Head, I see you are still a little unconvinced and you still want to fight with my master, right?”

Huo Feng frowned, looked at the Lion King and asked!

“No, no, no, I don't want the God King's Bow anymore. If it hadn't been for you back then, I'm afraid I would have died at the mouth of the old Lion King. I wouldn't have achieved what I have today.”

The Lion King quickly shook his head and said!

“Auntie, we actually saved your master just now. The guy wanted to kill him, so we helped your master stop him.”

The Monkey King pointed at Qi Peijia and said!

“Yes, yes, this guy wants to kill your master, we are here to help!”

The Leopard King also said quickly!

In fact, they didn't tell Huo Feng that Qi Peijia wanted to kill Chen Ping!

Now that the Lion King and others are here, Huo Feng is no longer afraid of the armor, so he snorted coldly: “You want to kill my master, I think you are tired of living...”

“Give me.....”

Before Huofeng finished speaking, Qi Peijia waved his palms, and black mist instantly enveloped his body!

When the black fog dissipated, Qi Peijia's figure had long since disappeared!

Facing five seventh-level monks in the Tribulation Realm, plus Chen Ping, no matter how stupid Qi Peijia is, he will not take action against Chen Ping!

“Damn it, you can run fast...”

Chapter: 5708

Huofeng cursed!

“Auntie, we have to look elsewhere to see if there are any treasures. Let's go first...”

The Monkey King followed the fire phoenix and turned around and ran away!

When the others saw this, they also ran away, fearing that Huofeng would get angry and give them both a big slap!

After Lion King and others left, Chen Ping and the others did not dare to stay too long and left quickly!

They were afraid that Qi Peijia was coming back!

But just after Chen Ping and the others left, two figures appeared!

“Ancestor, what should we do?”

Ning Caichen asked Ning Zhi!

There are many people from the Ning family, and now they are the only two left, and they haven't found any treasures yet!

This is really a loss of troops and a loss of generals, and nothing has been achieved!

I finally got an immortal magic, but Chen Ping asked for it back!

“Let's go after Qi Peijia, I'm optimistic about this guy...”

Ning Zhi is going to chase Qi Peijia!

“Ancestor, he is a demon cultivator, we...”

Ning Caichen wanted to say something, but before he finished speaking, he felt Ning Zhi's cold gaze and swallowed his words back!

Ning Zhi took Ning Caichen to find Qi Peijia!

Now Chen Ping no longer trusts the Ning family, and Chen Ping seems to have doubts about his identity, so Ning Zhi can no longer get close to Chen Ping and can only find ways to contact other people!

Qi Peijia is now the best partner Ning Zhi has found. After all, Qi Peijia is a casual cultivator. Even if Qi Peijia is powerful, he still wants to have his own power!

In addition, Qi Peijia used to have a very low level and was often bullied. However, he suddenly got an opportunity and his strength increased by leaps and bounds. Although this kind of person is very powerful, he has no brains and is easy to deceive!

And the most important point is that Qi Peijia has a grudge against Chen Ping and has always wanted to kill Chen Ping!

This is what Ning Zhi values the most. Ning Zhi's biggest wish now is to kill Chen Ping!

However, Ning Zhi's current strength is not enough to kill Chen Ping. Even the entire Ning family's power cannot defeat Chen Ping. After all, the Ning family's power is too small!

And now there are many helpers around Chen Ping, especially the fire phoenix, who is not very high-level but has a wide network of contacts in the world of gods and humans!

Everyone in the Three Sovereigns and Four Kings was being called around, which made Ning Zhi need to rely on the power of others even more!

It's just that the Ning family has no reputation at all in the Southern Territory, so it's almost impossible to take advantage of the powerful family clan, so he can only find casual cultivators like Qi Peijia!

Chapter: 5709

"Chen Ping, when I catch you, I will cut you into pieces!"

Qi Peijia, who escaped, shouted angrily!

Ever since he got the adventure, Qi Peijia has never been so cowardly!

He couldn't even kill a young monk who was in the first level of the Tribulation Realm, and he was so frightened that he ran for his life twice!

Shame, great shame!

Qi Peijia no longer wants to stay in the battlefield of gods and demons. He wants to return to the Demon Swallowing Cave as soon as possible to improve his cultivation!

Now Chen Ping is protected by many seventh-level monks in the Tribulation Realm, and Qi Peijia himself is no match at all!

Just as Qi Peijia roared, two figures were approaching quickly!

“who is it?”

Qi Peijia frowned. He thought Chen Ping and his men were chasing him!

“Master Qi...”

At this time, Ning Zhi and Ning Caichen hurried forward!

Qi Peijia looked at Ning Zhi and Ning Caichen and found that he did not recognize them, so he asked warily: “Who are you?”

“Mr. Qi, I am the ancestor of the Ning family in the Northern Territory, and this is the head of the Ning family.”

Ning Zhi quickly introduced himself!

“The Ning family in the Northern Territory?”

Qi Peijia frowned and said, “I don’t know him, and I haven’t heard of him either.”

The Ning family didn’t have much fame to begin with, not to mention that they were still in the Northern Territory. It was normal for Qi Peijia to have never heard of it!

“Young Master Qi is a dragon and a phoenix among men. It is normal for a small family like ours to have never heard of him.”

Ning Zhi praised Qi Peijia!

When Qi Peijia heard this, he was very pleased, so he relaxed his guard and said, “What do you two want from me?”

“Mr. Qi, we know that you want to kill Chen Ping. To be honest, we also have some troubles with Chen Ping, so we want to join forces with Mr. Qi.”

Ning Zhi said!

Qi Peijia glanced at Ning Zhi and Ning Caichen coldly, and snorted: “No, I can kill that Chen Ping myself, I don’t need to cooperate with you.”

Chapter: 5710

“Of course I know that Mr. Qi can kill that Chen Ping. That Chen Ping is only a first-level master of the calamity realm. Mr. Qi is indeed a great monk of the eighth level of the calamity realm. He can crush that Chen Ping to death with one finger.”

“However, there are many helpers around Chen Ping, and there are also many seventh-level monks of the Tribulation Realm guarding him, so it is not easy for Mr. Qi to kill Chen Ping.”

“And what happens after Mr. Qi kills Chen Ping? Don’t you want to have a place in the entire Southern Territory? Do you still want to be a casual cultivator, don’t you want to have your own power?”

Ning Zhi was a very good figure, and he immediately spoke to Qi Peijia’s heart!

Qi Peijia used to be a casual cultivator. He was humiliated and even forced into the Demon Swallowing Cave by Jin Dong!

If it weren’t for entering the Demon Swallowing Cave, Qi Peijia wouldn’t have had the adventure!

“Could it be that by cooperating with you, I can have my own power? You are just two people, and your Ning family is in the Northern Territory, so how can you come to the Southern Territory to develop.”

Qi Peijia asked in confusion!

“Master Qi, as long as we cooperate, I can find a way for you to have your own power, and I can also make Chen Ping a target of public criticism and be hunted down by several major families!”

Ning Zhi said firmly!

“What can you do?”

Qi Peijia asked curiously!

Ning Zhi put his head to Qi Peijia’s ear, and then whispered a few words, which made Qi Peijia laugh!

“Hahaha, this is such a good idea. It’s like a snipe and a clam competing for the fisherman’s benefit!”

Qi Peijia laughed and said!

Seeing Qi Peijia's laughing look, Ning Zhi raised the corner of his mouth slightly and was very proud!

Ning Caichen stood aside, not daring to breathe. Now that the ancestor is cooperating with the demon cultivator, he, as the head of the family, can't stop him!

Now Ning Caichen only hopes that after killing Chen Ping, he will stop cooperating with Qi Peijia!

You must not let other families in the Northern Territory know, otherwise they, Ning Zhi, will lose their status even more.

Chen Ping, Huo Feng and Bai Qian found the entrance and exit of the battlefield of gods and demons, and then left the battlefield of gods and demons!

As for when the battlefield of gods and demons will be closed, Chen Ping doesn't care anymore. Getting the sky-swallowing beast already makes Chen Ping very happy!

As well as the fire-controlling steps and breath-taking techniques, as long as you study hard, you will definitely become more and more sophisticated!

This is a real fairy magic!

After Chen Ping and the three of them left the battlefield of gods and demons, they found that many people gathered at the entrance outside the battlefield of gods and demons, waiting for their own people to come out!
