

The Order 571

Chapter: 571

“Wind Slash...”

Sun Yaobang roared angrily, jumped up high, and the spear in his hand suddenly transformed into countless gun shadows, directly covering Jiang Zhengzhong’s body!

“Humph, that’s all you can do!”

Jiang Zhengzhong snorted coldly, and a faint white mist suddenly appeared around his body, directly wrapping his body!

When the spear in Sun Yaobang’s hand touched the layer of mist, it instantly disappeared into ashes, and his energy dissipated again!

“this.....”

Sun Yaobang was shocked and backed away continuously!

When everyone saw this scene, they also gasped. They didn’t expect that Jiang Zhengzhong’s strength would become so terrifying. Otherwise, how could he dare to claim to be the leader of the Martial Arts Alliance!

Chifeng frowned slightly when she saw this scene. She didn’t expect that Jiang Zhengzhong had always preserved his strength.

“Sun Yaobang, it’s my turn now...”

After Jiang Zhengzhong finished speaking, his body instantly transformed into an afterimage, directly in front of Sun Yaobang!

Sun Yaobang had no time to react and was hit in the chest by Jiang Zhengzhong. Blood spurted out from his whole body!

Even though Sun Yaobang had been defeated miserably, Jiang Zhengzhong seemed to have no intention of letting him go. He slapped Sun Yaobang's body repeatedly, and Sun Yaobang's body made bursts of explosions!

In the end, the whole person flew out of the ring and fell heavily to the ground. Looking at Sun Yaobang's body covered in blood, he was probably dead even if he was not dead!

The Sun family hurriedly stepped forward and carried Sun Yaobang away, with angry expressions on their faces. However, according to the rules of the alliance, one is responsible for life and death in the ring. Even if someone is killed, there is nothing the Sun family can do!

"Jiang Zhengzhong, you have already won, why do you still want to do this?"

Wu Liuyi frowned and asked dissatisfiedly.

"Those who follow me will prosper and those who go against me will perish. Whoever stops me from becoming the leader of the alliance today will die. Who else among you dares to come to power?"

Jiang Zhengzhong glanced at the crowd with a ferocious expression and said arrogantly.

For a moment, the audience was silent. With the strength Jiang Zhengzhong showed, who among them would dare to come on stage?

The Jiang family were all very excited. Jiang Zhengzhong became the leader of the Martial Arts Alliance, so the Jiang family was the only one in the provincial capital!

"Why....."

Wu Liuyi shook his head, returned to his seat and sat down!

He knew that he was no match for Jiang Zhengzhong, so he could only watch Jiang Zhengzhong going wild on the ring!

Chapter: 572

“Jiang Zhengzhong, don’t get too arrogant too early...”

Even if Chi Feng jumped, she landed on the ring gently like a cloud swallow!

“Chifeng, even if you don’t come on stage, I will kill you. You are always against me. I will end it with you today!”

Jiang Zhengzhong said, and the aura on his body instantly pressed towards Chi Feng!

“Humph!” Chifeng snorted coldly, and her petite body instantly burst out with terrifying momentum, following Jiang Zhengzhong to compete!

“Half a catty...”

Chen Ping looked at the two people on the ring and said casually!

“Mr. Chen, then... is Chifeng in danger?” Lin Tianhu suddenly became nervous when he heard Chen Ping’s half-hearted remarks!

Chen Ping glanced at Lin Tianhu, smiled slightly and said: “Even if Chi Feng loses, his life will not be in danger, don’t worry!”

Lin Tianhu’s face turned slightly red, and then he looked nervously at the ring!

At this moment, on the ring, the auras of Chi Feng and Jiang Zhengzhong were entangled, and both of them looked unhappy!

“Chifeng, I didn’t expect you to hide your strength...”

Jiang Zhengzhong narrowed his eyes and said with some surprise.

“Huh, there’s a lot more you didn’t expect!”

After Chi Feng finished speaking, he stretched out his hands, and then a white light flashed from his back. The white light directly turned into a phoenix, hovering above Chi Feng’s head!

Seeing this scene, both Jiang Zhengzhong and everyone in the audience widened their eyes with disbelief on their faces!

“Fire Phoenix attacks...”

Red Phoenix pushed with both hands, and the phoenix hovering above his head suddenly let out a phoenix cry, then flashed its wings and flew quickly towards Jiang Zhengzhong!

Jiang Zheng was shocked, and hurriedly drew his hands on his chest. Countless energy formed a barrier in the air!

Bang.....

The phoenix hit the barrier hard, and cracks appeared in the barrier instantly. Then, after another impact, the barrier instantly shattered!

Jiang Zhengzhong’s body also fell heavily, and a mouthful of blood spurted on the ring!

“master.....”

“Father.....”

Chapter: 573

Everyone in the Jiang family exclaimed.

Everyone in the audience looked at Chifeng in shock. They really didn't expect that this woman, Chifeng, could hide such a powerful strength!

“pretty.....”

Lin Tianhu couldn't help shouting when he saw that Chi Feng had won!

Chifeng looked at Jiang Zhengzhong indifferently and said with disdain: “Jiang Zhengzhong, you lost, your dream of being the leader of the alliance is shattered...”

“I won't lose, and it's impossible for me to lose...”

Jiang Zhengzhong stood up, wiped the blood from the corner of his mouth, suddenly took out a green pill from his pocket, and swallowed it in one gulp!

Chifeng was stunned, wondering what Jiang Zhengzhong was eating!

But at this time, the aura on Jiang Zhengzhong began to surge rapidly, and the terrifying aura made Chifeng suddenly retreat!

Chifeng hurriedly mobilized the internal energy in her body to desperately resist the terrifying aura on Jiang Zhengzhong!

But the terrifying aura on Jiang Zhengzhong's body used a devastating force to suppress Chi Feng until he knelt on one knee, and his face became extremely ugly!

This sudden change stunned everyone!

Lin Tianhu, who was originally happy, suddenly became nervous!

Chen Ping frowned: "Chifeng, you are no match for him, retreat quickly!"

After Chifeng heard Chen Ping's voice, he stood up suddenly and quickly moved towards the edge of the ring!

"Huh, if you want to run away, it's not that easy..."

Jiang Zhengzhong snorted coldly, flew up, and kicked Chifeng hard on the back!

Chifeng's body was like a kite with its string broken, flying directly out of the ring, spurting blood in the air!

Chen Ping frowned, jumped up, and directly caught the red phoenix in mid-air, and then a spiritual power was injected into the red phoenix's body!

"Red Phoenix....."

Lin Tianhu also rushed forward. Looking at Chi Feng, who was pale and had his eyes closed, Lin Tianhu's heart suddenly tugged together!

Staring at Jiang Zhengzhong on the ring, Lin Tianhu wanted to avenge Chi Feng, but he knew that with his strength, he might not even be able to defeat the bodyguards of the Jiang family, let alone fight with Jiang Zhengzhong.

At this time, Lin Tianhu secretly vowed that he would practice hard and be able to protect his beloved woman in the future!

As waves of spiritual power were injected into Chifeng's body, Chifeng's complexion slowly improved and his eyes slowly opened!

Chapter: 574

"Mr. Chen, I..."

When Chi Feng saw Chen Ping, his face was full of embarrassment!

She swore that she could defeat Jiang Zhengzhong, but now she was defeated by him!

"Stop talking now and save your energy..."

Chen Ping stopped Chi Feng from talking, then looked at Lin Tianhu and said, "Lin Tianhu, take good care of Chi Feng!"

Lin Tianhu nodded, picked up Chi Feng and walked back to his seat!

Holding the woman he had a crush on, Lin Tianhu's body was trembling slightly. Although Chifeng was seriously injured, he could feel Lin Tianhu's heartbeat speeding up rapidly!

"Who else? Who else..."

Jiang Zhengzhong on the ring glanced at everyone with contempt: "From today on, I am the leader of the Martial Arts Alliance. Anyone who dares to disobey will be killed..."

Jiang Zhengzhong was extremely arrogant, but no one dared to refute. Even Sun Yaobang and Chifeng were defeated by Jiang Zhengzhong, and the others had no idea of resistance at all!

"And I....."

Chen Ping spoke slowly, his whole body floated up, and then he landed steadily on the ring!

“Chen Ping, I will settle accounts with you in the future regarding the matter between you and my Jiang family. Today is a matter for our martial arts alliance. You are not a member of the alliance and have no right to go to the ring!”

Jiang Zhengzhong wanted to establish the leader of the alliance today, and he was not seeking revenge from Chen Ping, so he didn't want Chen Ping to ruin his good deeds!

“I killed your daughter and destroyed your daughter's family. Now I'm right in front of you, but you don't dare to take action. Are you a coward?”

Chen Ping narrowed his eyes slightly and sneered.

Hearing Chen Ping's words, everyone gasped. The strength shown by Jiang Zhengzhong actually dared to take the initiative to provoke him. Everyone felt that Chen Ping was crazy!

At such a young age, even if he has a lot of skills, can he still be stronger than the master of inner strength?

Even if you practice martial arts from your mother's womb, it would be great to be able to reach the level of an internally powerful warrior!

Su Yuqi in the audience clenched her fists nervously, looking helplessly at Chen Ping on the stage. If Chen Ping was in danger, there might not even be anyone to save him.

“Chen Ping, you are looking for death...”

Jiang Zhengzhong suddenly became furious. On such an occasion, he openly provoked him. This was a provocation to his majesty. If Chen Ping was not killed today, how could he still establish his authority in the martial arts alliance?

“Dad, why should I use you to kill this guy? I will avenge my sister's family...”

Jiang Wenjie jumped up and landed directly in front of Jiang Zhengzhong, looking at Chen Ping with murderous eyes!

Chapter: 575

Jiang Zhengzhong put away his aura and said to Jiang Wenjie: "Be careful, this kid is not low in strength!"

"Don't worry, I will make his life worse than death today..."

Jiang Wenjie gritted his teeth and stared at Chen Ping, wishing to tear Chen Ping into pieces!

Jiang Zhengzhong jumped off the stage. As he watched, even if Jiang Wenjie couldn't kill Chen Ping, there would be no danger.

"It's better to let me take action, you can't..."

Chen Ping stretched out a finger and waved it towards Jiang Wenjie, full of provocation!

"Whether it works or not, you won't know until you try it..."

Jiang Wenjie shouted angrily and came towards Chen Ping with a whoosh!

Jiang Wenjie's fist was wrapped in internal energy, ripples were aroused in the air, and a layer of light mist rose up all over Jiang Wenjie's body!

"I didn't expect that the boys from the Jiang family are already so powerful!"

"The inner strength is great, this is about to reach the strength of the inner strength master!"

"It seems that from now on, the Jiang family will really become the only one in the provincial capital!"

Seeing Jiang Wenjie's strength, everyone in the audience couldn't help but exclaimed!

Chen Ping smiled coldly and dodged Jiang Wenjie's blow with a slight dodge!

Jiang Wenjie was stunned for a moment, then turned around and punched again!

Chen Ping's feet gently slid sideways, and he passed by again!

"Boy, if you have the ability to fight head-on with me, are you still a man?"

Seeing Chen Ping's body being so flexible, Jiang Wenjie said angrily!

"All right....."

Chen Ping remained motionless, facing Jiang Wenjie's blow, no longer dodging!

"Is this kid stupid? With such a powerful blow, I'm afraid that with the force of a thousand pounds, a cow can be easily killed?"

"Don't be too awesome, just one punch from this kid from the Jiang family can punch through a concrete wall!"

"I think Chen Ping is so scared!"

Everyone was talking about it!

Chapter: 576

At this time, there was only one person watching quietly, and that was Wu Liuyi. Although Wu Liuyi was not the strongest, his eagle eyes could definitely see through everything.

Whether it is Jiang Zhengzhong or Chi Feng hiding their strength, Wu Liuyi can see through it at a glance. This is why Wu Liuyi has always played the role of a peacemaker, and no one can offend!

Despite Jiang Wenjie's fierce aura, he was no match for Chen Ping. Chen Ping was so powerful that even he couldn't see through it.

On the ring, Jiang Wenjie felt happy when he saw that Chen Ping was motionless and directly resisted his punch, and the strength in his hand increased again!

But just after Jiang Wenjie's fist reached in front of Chen Ping, Chen Ping reached out and grabbed Jiang Wenjie's fist!

Jiang Wenjie was shocked. He felt as if his hand was clamped by iron pliers and he couldn't move at all!

Everyone in the audience was also shocked. They didn't expect Jiang Wenjie's fierce punch to be caught by Chen Ping!

"Wenjie, be careful..."

Jiang Zhengzhong seemed to see something was wrong. After roaring, he jumped up!

Click.....

Suddenly there was a crisp sound, and Jiang Wenjie's hand was crushed by Chen Ping!

"ah....."

Jiang Wenjie's face instantly turned pale and he screamed miserably.

Immediately afterwards, Jiang Wenjie felt the surging energy coming from Chen Ping's body towards his body. The energy was rushing around in various places in his body!

Bang bang bang.....

Suddenly there were several explosions, and Jiang Wenjie's clothes were shattered and scattered in all directions. Every joint of Jiang Wenjie felt as if it had been suddenly hit by bullets, and a shower of blood burst out!

As soon as Chen Ping let go, Jiang Wenjie's body collapsed and blood flowed all over the floor!

"ah....."

Jiang Wenjie was lying on the ground, his face hideous from the severe pain.

"son....."

Jiang Zhengzhong hurriedly ran to Jiang Wenjie, hugging Jiang Wenjie's body, his face full of grief and anger!

"Dad...I...I hurt..."

Jiang Wenjie's breath was weak, and every time he said a word, he would spurt out a mouthful of blood!

"Stop talking, stop talking, I will save you right away..."

Chapter: 577

Jiang Zhengzhong hurriedly transferred his inner energy to Jiang Wenjie's body, but no matter how hard Jiang Zhengzhong tried, Jiang Wenjie's eyes closed in the end, and there was no sound.

"Son, son....."

Jiang Zhengzhong shouted with all his strength, but Jiang Wenjie could no longer hear him!

At this time, everyone was shocked. Unexpectedly, Chen Ping actually killed Jiang Wenjie.

“If you dare to kill my son, I will cut you into pieces and kill all nine of your clans...”

Jiang Zhengzhong looked at Chen Ping, and his aura exploded instantly!

“As I said, life and death are matters in the ring. Could it be that the family of Sun Yaobang, who was crippled by you just now, wants to seek revenge from you?”

Chen Ping sneered.

“I don’t care about other people, I just want you to die...”

Jiang Zhengzhong stared at Chen Ping, and Chen Ping was instantly enveloped in a terrifying aura!

The entire arena was enveloped in Jiang Zhengzhong’s terrifying aura, and there were faint signs of leakage!

Everyone close to the ring began to feel the pressure and looked at Jiang Zhengzhong on the ring in shock!

Being able to let his breath leak out on the ring, Jiang Zhengzhong’s strength has probably reached a terrifying level!

Seeing the scene in front of them, Chi Feng and Lin Tianhu began to worry about Chen Ping!

At this time, Chen Ping was enveloped by the terrifying aura, but his face was calm, and he looked at Jiang Zhengzhong with a bit of disdain in his eyes.

“You can use whatever skills you have. I killed your son and daughter, and I will send you to reunite with them!”

Chen Ping said calmly.

When Chen Ping mentioned his children again, Jiang Zhengzhong was instantly angered and shouted angrily: “Go to hell, kid...”

Jiang Zhengzhong punched Chen Ping!

After taking the Exploding Pill, Jiang Zhengzhong’s strength doubled. At this time, his internal energy was like the water of the Yangtze River, inexhaustible. His huge fist was wrapped in internal energy and flashed with golden light!

Kakakaka.....

With a few slight sounds, the invisible barrier on the stage seemed to be broken, and the endless strong wind swept towards everyone in the audience!

Those who were close to the ring suddenly felt the weight of Mount Tai. They all had difficulty breathing, their faces became extremely ugly, and they hurriedly retreated away!

“This...this is too scary...”

Chapter: 578

Although Lin Tianhu had confidence in Chen Ping, when he saw the momentum exuded by Jiang Zhengzhong, his heart began to waver!

“Fuhu Fist.....”

Jiang Zhengzhong's fist directly caused ripples in the air, and the invisible energy instantly transformed into a ferocious tiger, opening its bloody mouth!

"Roar....."

A tiger roar sounded, and the tiger rushed towards Chen Ping!

The bloody mouth is enough to swallow Chen Ping whole!

"Chen Ping..."

Su Yuqi screamed in fright!

Chi Feng and Lin Tianhu also clenched their fists, their nervous foreheads covered with sweat!

"I'm afraid Chen Ping won't be able to dodge this blow!"

"Didn't you see that boy was so scared? He stood motionless!"

"You are young and can be considered a genius, but you have provoked the Jiang family. It's over, it's over..."

When everyone saw the strength displayed by Jiang Zhengzhong, they all couldn't help but shake their heads secretly, feeling sorry for Chen Ping!

Chen Ping was standing on the ring at this time, watching the tiger with transformed inner energy rushing towards him. His body remained motionless, but the Heart Condensation Technique in his Dantian had already begun to operate crazily.

At this time, Chen Ping had a bold idea. The Heart Condensation Technique could refine all things and absorb all the spiritual power and energy from a person into his own body.

But Chen Ping can't go around hunting and absorbing the energy from others for the sake of cultivation. Wouldn't that make him a demon cultivator?

Since it cannot be absorbed directly from others, can this released energy be absorbed by oneself?

Chen Ping was thinking while running the Heart Condensation Technique, stretched out his hands, and directly resisted the ferocious tiger!

Chen Ping didn't use any force. As long as Chen Ping used his force to strike, the tiger that had transformed into energy would definitely be beaten away in an instant!

Now Chen Ping is just carrying this energy with his body, and he is constantly turning the Heart Condensation Technique to absorb this energy!

The ring beneath Chen Ping's feet began to crack, and the huge impact caused his legs to begin to bend slightly!

"Chen Ping is still young and is indeed no match for Jiang Zhengzhong!"

"To be able to persist until now, this young man really has some skills!"

Everyone was talking quietly!

Chapter: 579

Su Yuqi grabbed the corners of her clothes with both hands, her palms full of sweat!

"Mr. Chen is about to lose, I will save him..."

Chifeng gritted his teeth and stood up with all his strength. Even if he risked his life, Chifeng would not see Chen Ping in danger!

Lin Tianhu pulled Chifeng and said: "With your current physical condition, I can't help you. Let's take a look first. Mr. Chen is not defeated so easily!"

Although Lin Tianhu said this, he was also very anxious in his heart. He began to resent and worry, and hated himself for being so incompetent!

When he was in Hongcheng, Lin Tianhu was the underground emperor, turning his hands into clouds and rain, so Lin Tianhu neglected to practice!

But when he got here, Lin Tianhu was deeply shocked and began to regret that he didn't work hard!

At this time on the ring, Jiang Zhengzhong glared at Chen Ping. He was not launching an attack, but watching Chen Ping struggle to resist his own strength!

"I will let you die slowly, let you die in fear..."

Jiang Zhengzhong said in a cold voice.

Chen Ping ignored him and instead ran the Heart Condensation Technique, absorbing the energy around him. Because it was his first time, Chen Ping was not very proficient yet, and he still needed to explore many things!

However, Chen Ping could feel the energy around him being continuously sucked into his body at this moment, and then stored in his Dantian. He could only use it by refining it for his own use!

Slowly, the transformed tiger began to become weaker and weaker, and finally disappeared. Chen Ping also stood up straight, with his feet already deeply sunk into the ring!

"I didn't expect you to be so smart..."

Jiang Zhengzhong was a little surprised when he saw that Chen Ping was fine.

“What are you capable of? Even if you use it against me, your son’s body is still lying on the ground. Don’t let him resent your father for not avenging him!”

Chen Ping deliberately angered Jiang Zhengzhong. He wanted to drain all the energy out of Jiang Zhengzhong!

In such an occasion, Chen Ping couldn’t just take action and suck Jiang Zhengzhong out, so he could only use this method to anger Jiang Zhengzhong and let him release all his energy!

Sure enough, Chen Ping’s words made Jiang Zhengzhong furious, and his body rose into the air: “Boy, you are too crazy...”

Jiang Zhengzhong was in mid-air, with a faint energy gathering around his body, and all this energy turned into sharp blades, and then fell towards Chen Ping like raindrops!

When Chen Ping saw this scene, not only did he not dodge, he actually moved his body quickly and faced the sharp blades that turned into energy!

I saw that after those sharp blades touched Chen Ping’s body, they instantly turned into nothingness and disappeared without a trace!

“this.....”

Jiang Zhengzhong’s eyes suddenly widened with a surprised expression!

Chapter: 580

Everyone in the audience also exclaimed, their eyes filled with disbelief. They had never seen such a situation before. The energy emitted by the Nei Jin Grandmaster was so powerful, how could it disappear instantly after touching the body? , as if nothing happened?

“Could it be that Chen Ping can wear a golden bell and an iron shirt?”

Someone guessed!

With this sentence, everyone’s eyes turned to the people in the Iron Gate Hall not far away, because in the provincial capital, only the people in the Iron Gate Hall knew how to wear iron cloth shirts with golden bells!

When the owner of the Iron Gate Pavilion saw everyone looking at him, his face suddenly became embarrassed and he waved his hands repeatedly: “The iron cloth shirt with the golden bell cover cannot prevent the attack of Grandmaster Nei Jin. Don’t look at me anymore!”

The owner of the Iron Gate Pavilion was already racing in his heart. Two days ago, he was looking for revenge on Chen Ping. Now that he sees Chen Ping’s strength, he is really not even an ant in front of others!

“Do you still have any skills? Just use them!”

Chen Ping looked at the shocked Jiang Zhengzhong and smiled coldly.

Jiang Zhengzhong stared at Chen Ping, but was not in a hurry to take action. At the same time, in the Jiang family camp in the audience, the man with the hat finally raised his head and looked directly at Chen Ping with his eyes!

Chen Ping seemed to feel something, and turned around to look, and found the man in the hat looking at him. This time, Chen Ping finally saw the man’s face clearly. He turned out to be an old man!

Chen Ping just glanced at it and didn’t care. Instead, he said to Jiang Zhengzhong: “I killed your son and your daughter’s family. Don’t you want revenge? Come on, I’ll stand in front of you. With...”

Chen Ping continued to provoke Jiang Zhengzhong, but this time Jiang Zhengzhong was not in a hurry to take action, but looked at Chen Ping with a slight frown every day!

Although Jiang Zhengzhong's strength has doubled after taking the Exploding Pill, the energy in his body is not endless. If it continues to be consumed like this, in two more rounds, Jiang Zhengzhong is afraid that his energy will be exhausted and he will become a waiting person. The lamb is being slaughtered!

Seeing that Jiang Zhengzhong was no longer fooled, Chen Ping snorted coldly: "Since you don't dare to take action, then I will!"

After Chen Ping finished speaking, his aura suddenly surged like an explosion!

The whole venue was like a strong wind, with tables and chairs blown everywhere. The solid arena could no longer bear it and began to collapse from under Chen Ping's feet!

The dust dispersed, and Chen Ping's body stood on the ruins, but his aura never diminished one bit!

The terrifying momentum was so overwhelming that Jiang Zhengzhong had to use all his strength to resist!

Chen Ping's feet were suspended, his whole body was wrapped in a light mist, and he looked at Jiang Zhengzhong like an immortal!

Jiang Zhengzhong's eyes were full of panic. He could feel his energy draining away quickly, as if he was being sucked away by someone!

When Jiang Zhengzhong realized something was wrong, he wanted to take back his energy, but found that his body was almost exhausted and all his energy had been sucked away!

"You...who are you?"

There was endless fear in Jiang Zhengzhong's eyes. He finally understood why Chen Ping provoked him again and again and made him take action!

It turns out that Chen Ping was absorbing his energy. In this way, it can be explained why Chen Ping hit the sharp blades transformed by his energy!
