

## **The Order 5711**

Chapter: 5711

“Mr. Chen...”

Seeing Chen Ping coming out, Ji Yun quickly shouted loudly!

Ever since Ji Yun came out early with Luo Xi, he has not left here and has been waiting for Chen Ping!

Now seeing Chen Ping coming out, Ji Yun’s face is filled with excitement!

“Mr. Chen, I’m relieved that you are safe and sound!”

Sheng Bushi and others also came out. They had been worried about Chen Ping. Now they saw that Chen Ping got rid of Qi Peijia and came out, and he breathed a sigh of relief!

If Chen Ping had any shortcomings, Sheng Bushi would probably feel very guilty!

“Mr. Chen.....”

Luo Shouhai, Luo Xi, Jin Dong and others also came forward and greeted Chen Ping!

“Mr. Chen, thank you for taking care of my little girl in the battlefield of gods and demons. After she came out, she told me that if it weren’t for Mr. Chen, my little girl would have died long ago!”

“From now on, as long as Mr. Chen says a word, I, Blood Spirit Valley, will have nothing to say...”

Luo Shouhai expressed his stance in front of Chen Ping!

“Master Luo, you’re welcome. Since you entrusted Miss Luo’s safety to me, of course I will be responsible.”

“It’s just that the battlefield of gods and demons is too dangerous, and Miss Luo has not been able to experience it. However, I have gained something in the battlefield of gods and demons this time. When the time comes, I will share some things with you in the Blood Spirit Valley.”

Chen Ping said!

“No, no, Mr. Chen has saved my daughter twice, how dare I ask for Mr. Chen’s things.”

Luo Shouhai waved his hands repeatedly!

Chen Ping saw that Luo Shouhai was sincere and really didn’t want anything, so he didn’t insist!

Now that Chen Ping has the Sky-Swallowing Beast, it is estimated that the consumption of resources will be even greater in the future!

Chen Ping himself needs a lot of resources, and now with the addition of a sky-swallowing beast, it will be even more!

“Master Luo Valley, why don’t you see the Demon Mountain Ghost Old Man?”

Chen Ping was a little curious, why was the Demon Mountain Ghost away?

“Gui Lao is at the critical moment of breakthrough right now, so he can’t wait here. He has already told me that if Mr. Chen comes out of the battlefield of gods and demons, he must not leave Tianmo Mountain. Gui Lao also wants to communicate more with Mr. Chen. !”

Luo Shouhai said!

Chapter: 5712

When Chen Ping heard this, he nodded. He had no plans to leave Tianmo Mountain, and Chen Ping still had some unfinished things in Tianmo Mountain!

That Qi Peijia chased Chen Ping several times and made Chen Ping so embarrassed. Chen Ping would not let him go easily!

There is also the Demon Swallowing Cave, Chen Ping also wants to see it!

Now that Boss Cai, Mr. Miao and others have left, Chen Ping doesn't have to worry about anything and can stay in Tianmo Mountain for a little longer!

"Mr. Chen, we have to leave too. This is the token of my Sheng family. Mr. Chen also hopes to be a guest at my Sheng family when he has time, so that I can entertain Mr. Chen well."

Sheng Bushi said to Chen Ping very sincerely!

"Master Sheng, you're welcome. I will definitely go when I have time!" Chen Ping smiled lightly!

"Mr. Chen, don't forget, you must go..."

Sheng Jiahui smiled, winked at Mr. Chen and said!

It can be seen that Sheng Jiahui's eyes are full of admiration, just like a little girl seeing her idol!

Chen Ping smiled and nodded!

Everyone in the Sheng family left, and Sheng Jiahui took three steps to look back!

"Master, I think this little girl has fallen in love with you. It won't be long before you have another woman to warm your bed."

Huofeng said to Chen Ping with a smile!

“Shut up!” Chen Ping looked embarrassed!

After all, it’s so embarrassing to say such things in front of Luo Shouhai and others!

“Mr. Chen, we can’t leave either. This battlefield of gods and demons will probably be closed for a few days.”

Luo Shouhai plans to take Chen Ping back to Blood Spirit Valley first!

Chen Ping nodded and prepared to leave with Luo Shouhai!

“Wait a moment.....”

At this time, Cheng Jinghui walked over, then glanced at Chen Ping and said, “Can you see my disciple in the battlefield of gods and demons?”

Cheng Jinghui knew that Liu Xueyi was with Qi Peijia, so logically he should be fine!

But now that Chen Ping has come out, Cheng Jinghui feels unsure!

Ordinarily, it should be easy for Qi Peijia, an eighth-level monk in the Tribulation Realm, to kill Chen Ping!

Chapter: 5713

“Junior brother, what do you want to do?” Luo Shouhai frowned slightly and looked at Cheng Jinghui coldly!

“Senior brother, I’m just asking about my disciple’s situation, isn’t that okay?”

Cheng Jinghui said with a sneer!

Luo Shouhai was about to say something, but Chen Ping said: “You don’t have to wait any longer, your apprentice is already dead...”

“What?”

Cheng Jinghui was stunned. He never thought that his disciple would die!

After all, Liu Xueyi was with Qi Peijia, how could he die?

“If you lie, my apprentice will not die.”

Cheng Jinghui didn’t believe it at all!

“Forget it if you don’t believe it. Just ask Qi Peijia when the time comes.”

Chen Ping snorted coldly!

Seeing Chen Ping like that, Cheng Jinghui suddenly became furious!

“Boy, you are too crazy...”

Cheng Jinghui burst out with a palm and slapped Chen Ping down!

The power of the eighth-level Tribulation Realm exploded, and the palm prints almost covered hundreds of meters, making Chen Ping unable to avoid it!

At this moment, even the void around Chen Ping was sealed by Cheng Jinghui's terrifying aura, leaving Chen Ping with no place to escape!

Everyone looked at Cheng Jinghui in shock. No one knew why Cheng Jinghui suddenly went crazy!

"You are so bold, you dare to attack Mr. Chen in front of me..."

Luo Shouhai was also furious, and his body instantly erupted with thousands of golden lights, like the scorching sun in the sky!

Then he let out a loud shout, slapped his palm out, and a wave of aura surged out, like a surging river, unstoppable!

This overwhelming blow headed towards Cheng Jinghui, and then collided with Cheng Jinghui's palm.

boom.....

After a loud noise, both palm prints were instantly shattered!

Luo Shouhai's eyes were cold and he grabbed Cheng Jinghui!

The whole world shook, and a palm print that covered the sky and sun appeared, grabbing Cheng Jinghui!

Cheng Jinghui's pupils shrank. He didn't expect that his senior brother would be cruel to him for Chen Ping!

Although the two were at odds with each other, they had never broken up with each other in public, and they had never been cruel to him!

But this time, Luo Shouhai obviously wanted to shoot Cheng Jinghui to death!

When Cheng Jing saw this, he also slapped several palms in succession to neutralize the claw!

“Senior brother, do you really want to kill me?”

Cheng Jinghui asked in disbelief!

“Hmph, if you dare to attack Mr. Chen, you will die without mercy...”

With that said, Luo Shouhai actually wanted to take action!

“Master Luo Valley, in front of so many people, you two brothers took action, which is obviously against the rules. Isn't it bad?”

Sect Leader Kong of Xuanyin Sect appeared and looked at Luo Shouhai with great dissatisfaction!

Behind Sect Master Kong, there were several people following. These people had very strong auras and were obviously from the sects near Tianmo Mountain. This rule was made together by everyone!

Luo Shouhai and Cheng Jinghui, as the demon sects in the Demon Mountain, also participated in it!

But now the two of them are blatantly violating the rules!

“Cheng Jinghui was the one who took action first. If I didn't take action, wouldn't I be watching him kill people?”

Luo Shouhai said very dissatisfied!

Of course, Sect Master Kong knew that Cheng Jinghui was the one who took action first, so he looked at Cheng Jinghui and said, "Sect Master Cheng, as an elder, how can you break the rules and take action openly?"

Chapter: 5714

Cheng Jinghui also knew that he was in the wrong, and said with a gloomy face: "This guy killed my disciple, how can I let him go..."

"Zong Master Cheng, how can things in the battlefield between gods and demons be brought to the Demon Mountain? Since we have jointly set the rules, we cannot do anything in my Xuanyin Sect."

"If you leave my Xuanyin Sect, you can fight however you like, I don't care..."

"But it doesn't work here. If Sect Leader Cheng insists on taking action, don't blame us for being rude."

Sect Leader Kong of Xuanyin Sect said very displeasedly!

"Cheng Jinghui, it's really out of character for you to attack this junior here..."

"You were also present when the rules were made, how could you break them yourself!"

"It's just that you've gone too far. If you do it, we won't be polite."

Several people behind Sect Leader Kong also criticized Cheng Jinghui!

Cheng Jinghui looked ugly and snorted coldly: "Humph, you are all pretending to be saints now. When your disciples are also killed, I wonder if you can still be such saints."

After Cheng Jinghui finished speaking, he looked at Chen Ping and said, "Boy, just wait for me..."

After saying that, Cheng Jinghui turned around and left!

Chen Ping glanced at the people behind Sect Master Kong and asked Luo Shouhai, "Master Luo Valley, who are those people who just spoke?"

"Oh, they are all from the five major sects near Tianmo Mountain. There are also disciples from the five major sects entering the battlefield of gods and demons, so they are waiting."

"It is estimated that the five major sects will definitely gain a lot this time. They have sent five outstanding people. These are the most talented among the five major sects."

Luo Shouhai said with a hint of envy!

When Chen Ping heard this, he couldn't help but laugh. The five outstanding men had been killed by Qi Peijia, so there was nothing to gain!

"Dad, let's go. Mr. Chen must be tired from the battlefield of gods and demons these days. Let him take a rest!"

Luo Xi said to Luo Shouhai!

"Okay, let's go..."

Luo Shouhai nodded and led Chen Ping and the others towards the Blood Spirit Valley!

Not long after Chen Ping and the others left Xuanyin Sect, a figure suddenly came towards Chen Ping quickly!

Luo Shouhai was shocked. He thought that Cheng Jing would not give up and was waiting outside Xuanyin Sect!

Bai Qian, who was beside Chen Ping, jumped up and slapped the figure with a palm!

Chapter: 5715

“Mr. Chen, it’s me...”

The figure shouted, and Chen Ping quickly told Bai Qian to stop!

It turned out that Elder Fei came in a hurry!

“Mr. Chen, you have finally come out. I... am I about to get the poison? Please give me the antidote, Mr. Chen!”

Elder Fei begged!

It turns out that Elder Fei had been waiting for Chen Ping to show up, and Chen Ping gave him poison. Without an antidote, he would have died from the poison!

“You didn’t help me with anything, why should I give you the antidote?”

Chen Ping said with a faint smile!

“Mr. Chen, Zuo Xuan and Elder Chu have not left Tianmo Mountain. They are still waiting to kill you!”

Elder Fei said to Chen Ping!

“Kill me?” Chen Ping sneered: “Then let them do it. I’m not afraid of them now.”

Chen Ping now has Bai Qian by his side. This is a seventh-level monk in the Tribulation Realm. How could Chen Ping be afraid of the Demon Sealing Alliance?

“Mr. Chen, the strength of the Demon-Sealing Alliance is far more terrifying than you imagine. Otherwise, how could the entire world of heaven and humans be under the leadership of the Demon-Sealing Alliance?”

“Please also ask Mr. Chen to give me the antidote. I am willing to continue to work as an undercover agent for Mr. Chen. As long as Mr. Chen understands the movements of the Demon Sealing Alliance, there is no need to be afraid.”

Elder Fei tried his best to show his value and make Chen Ping feel useful!

After hearing this, Chen Ping felt that what Elder Fei said was right, so he took out a pill from his body and said: “If you take this, the poison will not be gone within half a month. If you dare to play tricks, I will let you die.” It’s very painful.”

“No, I will never do any tricks.”

Elder Fei took the elixir from Chen Ping, swallowed it in one gulp, and then turned around and left!

He couldn’t leave for too long, for fear of being suspicious of Zuo Xuan!

“Mr. Chen, this Demonic Alliance is indeed difficult to deal with. It seems that you should be more careful in the future.”

Jin Dong said to Chen Ping!

Ever since he met the people from the Demon-Sealing Alliance in Mohai, Jin Dong knew that Chen Ping would definitely form a grudge if he followed the Demon-Sealing Alliance!

“It’s okay. If the Demon Sealing Alliance dares to provoke me, I will be rude to them.”

Chen Ping said without caring!

Chapter: 5716

Chen Ping and his party continued to rush towards the Blood Spirit Valley, but not long after they left, the sky suddenly became dark, and then large black clouds piled up in one place!

“Isn’t that the place where the devil mountain ghost always lives? Is this the Thunder Tribulation Cloud?”

Luo Xi looked up at the gathering black clouds and said!

“There are no thunder clouds like this. Although we are demon cultivators, when we broke through, we also suffered from the thunder and calamity. It was not this kind of black cloud!”

Jin Dong also took a look and said!

Only Na Luo Shouhai looked at the gathering black clouds, his face became a little ugly!

“It’s broken. This is the Demon Tribulation Cloud. The old ghost is in danger...”

Luo Shouhai frowned and said!

“Magic Tribulation Cloud? What is this?”

Chen Ping’s face was full of confusion!

“Mr. Chen doesn’t know something. We demon cultivators have a very small chance of encountering a demonic calamity cloud. This kind of demonic calamity cloud is so powerful that it is difficult to get through it.”

“But there is also an advantage, that is, after passing through, the strength will be much higher than those in the same realm. However, for so many years, I have not heard of anyone being able to pass through the cloud of demonic calamity.”

Luo Shouhai followed Chen Ping and explained!

“I have also heard of this demonic calamity cloud, but I have never seen its power. Today I have seen it!”

Bai Qian also raised his head and looked at the accumulating black clouds and said!

“I gonna go see.....”

Chen Ping frowned, and then quickly ran towards the place where the Demon Mountain Ghost lived!

He couldn't just ignore death, he wanted to see what was going on!

“Mr. Chen, it's dangerous. You can't pass by. This demonic calamity cloud is very powerful!”

Luo Shouhai shouted, and when he saw that Chen Ping had run away, he could only tell Luo Xiang and Jin Dong: “You guys wait here, don't get close, I'll go take a look...”

Luo Shouhai also headed towards the place where the devil mountain ghost lives!

Bai Qian also jumped up and chased after her. She asked Huofeng and Ji Yun to stay where they were!

After all, their realm is too low to prevent them from being hurt by the demonic calamity cloud!

Just as Chen Ping and the others were rushing towards the place where Demon Mountain Ghost Lao lived, Demon Mountain Ghost Lao slowly opened his eyes, looked up at the accumulating black clouds, and gave a bitter smile!

Chapter: 5717

“I didn't expect that I would encounter a demonic calamity cloud that is rare in a century, but unfortunately, I'm afraid I won't be able to resist it.”

“Fate, this is life...”

The eyes of the old Demon Mountain Ghost are filled with despair!

“Old Ghost...”

At this time, Chen Ping suddenly rushed in!

“Mr. Chen...” Demon Mountain Ghost Elder was overjoyed when he saw Chen Ping, but soon he said anxiously: “Mr. Chen, please leave quickly, it’s too dangerous here, and the thunder will strike soon. , then you won’t be able to leave!”

“Old Ghost, I already know. I’m here to help you survive this thunderstorm.”

Chen Ping said!

“Mr. Chen, this is a cloud of evil. I definitely can’t get through it. Don’t stay here and die. Leave quickly...”

The Demonic Mountain Ghost Lao was anxiously chasing Chen Ping out!

But at this time Luo Shouhai also arrived. Seeing Luo Shouhai, Devil Mountain Ghost Elder became even more anxious and said: “Lao Luo, why are you here? Please take Mr. Chen away quickly, this thunder disaster is about to come...”

Luo Shouhai took a look and hurriedly said to Chen Ping: “Mr. Chen, let’s leave quickly. This is the ghost’s fate, and no one can change it.”

“Chen Ping, hurry up and leave, stop showing off!”

Bai Qian also arrived, pulling Chen Ping to leave!

“You guys go, I want to help Gui Lao resist this thunder disaster...”

Chen Ping’s eyes were full of determination!

Rumble.....

Dark clouds are gathering, lightning is thundering, and thunder is about to strike!

“Mr. Chen, please leave quickly. You can’t help. This Thunder Tribulation needs to follow the same aura as the old ghost. No one can help him.”

Luo Shouhai urged anxiously!

“You guys leave quickly, I will definitely be able to help Gui Lao!”

Chen Ping looked up at the demonic calamity cloud, and the aura in his body began to surge!

Seeing this, Luo Shouhai and Bai Qian could only turn around and leave. There was no use for them to stay!

Just as Gui Lao was about to say something, Chen Ping grabbed his wrist, and then a burst of breath poured into Demon Shan Gui Lao’s body!

Chapter: 5718

Devil Mountain Ghost was stunned and looked at Chen Ping in disbelief: “Mr. Chen, this...this power...”

“Don’t be distracted, and fully appreciate the power I pass on to you!”

Chen Ping asked Devil Shan Gui Lao not to be distracted!

Devil Mountain Ghost Lao nodded, feeling very excited because he discovered that the power Chen Ping passed on to him was exactly the same as the breath in his body!

In this case, the strength against thunder tribulation will be greatly enhanced.

Now, the Demon Mountain Ghost has some confidence!

The reason why Chen Ping is able to do this is because of the Breath Imitation Technique that Chen Ping has learned. Although Chen Ping cannot completely change his appearance and all his breath, it is still simple to change a kind of power into the same breath as Gui Lao!

“Mr. Chen, the thunder is coming..”

Devil Mountain Ghost Lao followed Chen Ping and warned him!

At this moment, Luo Shouhai and the others became extremely nervous as they watched the thunder calamity crash down immediately!

Huo Feng clenched his fists tightly, wishing he could rush into the cloud of demonic calamity and fight the thunder calamity for Chen Ping!

“Huofeng, don’t worry too much. Since Chen Ping dares to stay, he must be sure.”

Bai Qian comforted Huofeng!

Rumble.....

In the sky, the black clouds gathered to the limit, and then a thunderstorm crashed down.

A strange red light suddenly flashed on the old Demon Mountain Ghost!

The thunder tribulation suddenly hit the body of Devil Mountain Ghost Old Man, causing Devil Mountain Ghost Old Man's body to tremble instantly, and countless wounds suddenly appeared!

Chen Ping also frowned and felt a sense of suffocation!

You must know that this is just the first thunder tribulation, but it is so powerful. If it comes later, Chen Ping doesn't know if he can withstand it!

But if it continues like this, Chen Ping can only grit his teeth and persevere!

Soon, the black clouds changed, and a thunderstorm suddenly struck again!

Chen Ping's eyes flashed with light, and the aura on his palms became even stronger!

The body of Demon Mountain Ghost Old Man once again glowed with dazzling red light, and there was a clear light in his eyes!

With Chen Ping here, Devil Mountain Ghost Lao has confidence in his heart and the belief to fight!

Devil Mountain Ghost Lao burst out with all his strength and resisted the second thunder tribulation again!

However, after this thunder tribulation, Demon Mountain Ghost Elder's aura was extremely weak and his whole body was covered in scars!

Chen Ping was not much better, his forehead was covered with cold sweat, and his whole aura became much weaker!

“Mr. Chen, you’d better leave quickly. We won’t survive until the end. This is the second thunder disaster...”

Devil Mountain Ghost Lao once again persuaded Chen Ping to leave!

After all, the second thunder catastrophe consumed almost all the strength of the two of them. How to deal with the next thunder catastrophe?

“Old Ghost, don’t be discouraged. As long as we have a firm belief, we will be able to do it. Cheer up...”

Chen Ping is still cheering up the Demon Mountain Ghost, but Chen Ping himself is a little unsure.

The power of this demonic calamity cloud is really beyond imagination!

Chen Ping’s chest flashed with light, bursts of dragon energy emitted from the dragon crystal, and even the stars twinkled in the original space!

Now Chen Ping has used all the means at his disposal!

At this time, it is impossible for Chen Ping to leave!

Chapter: 5719

Seeing this, Demon Mountain Ghost Elder also knew that Chen Ping could not leave, so he could only think silently in his heart, and his whole body gathered the strongest brilliance!

The two of them quietly waited for the third thunder tribulation!

Luo Shouhai and the others were worried at the moment, but no one could help!

At the same time, not far from Chen Ping and the others, Zuo Xuan and Elder Chu were waiting for Chen Ping to appear from the battlefield of gods and demons!

They didn't know when the battlefield of gods and demons would be closed, so they didn't leave Xuanyin Sect too far and waited for Chen Ping to leave!

"Elder Chu, look at the strange phenomenon in the sky in the distance. Is there any big demon emerging? I can feel a terrifying aura from such a long distance."

Zuo Xuan looked at the pile of black clouds in the sky not far away, and asked Elder Chu in confusion!

"Sir, this is the Demonic Tribulation Cloud. There should be a demonic cultivator who has broken through, but it can attract the Demonic Tribulation Cloud. It seems that this demonic cultivator is dying soon. Not everyone can resist the Demonic Tribulation Cloud."

Elder Chu took a look and said calmly!

"Let's go take a look..."

When Zuo Xuan heard it, he immediately became interested!

"Sir, we should not get close to these places of demon cultivators. After all, these demon cultivators don't like our Demon Sealing Alliance."

Elder Chu quickly persuaded him!

"Uncle Chu, what are you afraid of? This time we have so many people from the Demon Sealing Alliance, so why are you afraid that those demons will not be able to cultivate?"

"If those demon cultivators dare to disrespect us, then we will arrest them all directly."

Zuo Xuan looked unconcerned!

In the past few days, many people have come to the Demon Sealing Alliance branch, which also gives Zuo Xuan a lot of confidence!

If there were so many people from the beginning, Zuo Xuan would not have swallowed his anger and left Xuanyin Sect without being able to enter the battlefield of gods and demons!

When Elder Chu saw that Zuo Xuan was determined to go, he could only say: "Sir, we can only watch from a distance. The magic cloud is very powerful."

"I know!"

Zuo Xuan nodded!

Just when Zuo Xuan and the others started walking towards the direction where the demonic calamity clouds were accumulating, Elder Fei also arrived!

"What the hell are you doing? I asked you to find the people from your Soulless Palace, but you couldn't find any of them, and now you're running around without a shadow."

When Zuo Xuan saw Elder Fei, he cursed loudly!

Chapter: 5720

Zuo Xuan looked down upon the demon cultivators from the Demon-Sealing Alliance at all. After all, they were all captured and then served for the Demon-Sealing Alliance!

"Sir, I just looked around..."

Elder Fei lowered his head, but he had already scolded Zuo Xuan ten thousand times in his heart!

"Elder Fei, can you see in the distance that there is a cloud of demonic calamity that is rare to see in a hundred years among your demon cultivators?"

Elder Chu asked Elder Fei!

Elder Fei didn't even look at it, nodded and said: "Yes, there should be a demonic cultivator trying to break through, but it is impossible to break through. It will be the third thunder tribulation soon. This demonic tribulation cloud can withstand three thunder tribulations." There are very few of them."

"If we can't withstand three lightning tribulations, let's leave quickly, otherwise we'll be late and won't be able to see anything..."

When Zuo Xuan heard this, he quickly quickened his pace!

Others can only follow closely behind!

boom.....

Just when Zuo Xuan and the others were about to arrive, suddenly the third thunderstorm crashed down!

A terrifying aura rose into the sky, and then spread towards the surroundings!

Even though Zuo Xuan and the others were hundreds of miles apart, they still felt a strong wind blowing past them!

"It's over, it's still a step too late. It seems that the person who overcame the tribulation must be dead..."

Zuo Xuan said a little disappointed!

"Sir, the cloud of evil calamity has not dissipated, so this person should not be dead yet..."

Elder Chu glanced at the sky and said!

Zuo Xuan instantly became energetic and ran faster!

At this time, Luo Shouhai and the others were directly shaken back hundreds of meters by the aftermath of the third thunder tribulation!

They were far away, and they were all swept back by the aftermath. One can imagine what a terrifying bombardment Chen Ping and Moshan Guilao in the middle would suffer!

“Master, master...”

Huofeng shouted loudly to Chen Ping. The thunder disaster just now was so terrifying. She didn't know what would happen to Chen Ping!

“Huo Feng, don't get excited. Chen Ping should be fine. The fact that the demonic calamity cloud is still there proves that he is still alive.”

Bai Qian comforted Huo Feng!
