

The Order 5721

Chapter: 5721

But at this moment, Luo Shouhai and others all looked solemn, because they knew that this was only the third thunder tribulation. Even if Chen Ping and the others did not die, it would be difficult to resist the next thunder tribulation!

“Old ghost, old ghost...”

After three thunder tribulations, Chen Ping turned pale and spat out a mouthful of blood!

As for Demon Mountain Ghost Elder, his whole body was covered with wounds, his eyes were closed tightly, and his face was uglier than a dead person!

Under Chen Ping’s shouts, the Demonic Mountain Ghost Lao slowly opened his eyes, and then said in a weak voice: “Mr. Chen, you... you should leave quickly. It is impossible for us to survive. I have never I’ve heard that there are people who can withstand this evil calamity cloud...”

Chen Ping looked at the demonic calamity cloud in mid-air and could only smile helplessly and said: “Gui Lao, I can’t leave either, but until the last moment, I hope Gui Lao won’t give up. Even if he dies, I will be with you.”

“Old Ghost, you have to cheer up. We can be struck to death by lightning, but we can’t be scared to death by lightning...”

Upon hearing this, Devil Mountain Ghost Lao sat up with difficulty and grinned: “Mr. Chen is right. You must not be intimidated until the last moment...”

There was life again in the eyes of Old Devil Mountain Ghost. Although the auras in his and Chen Ping’s bodies were extremely weak, neither of them gave up!

The two people waited quietly for the bombardment of the fourth thunder tribulation, without any fear on their faces!

“It’s right in front, let’s hurry up...”

Zuo Xuan looked at the increasingly approaching demonic calamity cloud and couldn’t wait any longer!

But just as Zuo Xuan and the others were approaching rapidly, Luo Shouhai noticed someone coming!

“It’s broken, someone is coming...”

Luo Shouhai frowned!

You must know that the time of overcoming the tribulation is the most vulnerable time. If these people are here to deal with Chen Ping, it will be troublesome!

As soon as they heard someone approaching, Huo Feng, Bai Qian and the others also became alert!

Soon, Zuo Xuan arrived with his people. When he saw Huo Feng and others, he was also stunned!

Zuo Xuan knew Huo Feng, and he knew that Huo Feng was with Chen Ping!

But among these people, there is no trace of Chen Ping!

When Luo Shouhai saw Zuo Xuan, his face instantly became even more ugly!

Luo Shouhai knew that these guys were from the Demon Sealing Alliance, and they were still looking for Chen Ping everywhere!

“Fellow Taoists, a friend of mine is undergoing a tribulation. I wonder what brings you here?”

Luo Shouhai pretended not to know Zuo Xuan and others, and stepped forward to ask!

Chapter: 5722

Zuo Xuan didn't even look at Luo Shouhai, but stared at Huofeng, while his eyes kept looking at Bai Qian and Luo Xi!

This guy's eyes go straight when he sees a woman!

"Your friend is going through a tribulation? Is your friend's name Chen Ping?"

Elder Chu asked Luo Shouhai coldly!

Huofeng and Ji Yun are both there. Elder Chu knows that these two people have been following Chen Ping, and Chen Ping must be nearby now!

"Fellow Taoist, I don't know who Chen Ping you are talking about, and I don't know him either!"

Luo Shouhai is still pretending. Now Chen Ping and Devil Shan Gui Lao are at the most critical moment. If anyone disturbs them, it will be really dangerous!

"Hmph, don't fucking pretend, that Chen Ping must be nearby, and you and that Chen Ping must be together."

"Uncle Chu, go and see if Chen Ping is going through the tribulation. If it is him, you can just take care of him."

Zuo Xuan said to Elder Chu!

Elder Chu nodded and then went straight to the building not far away!

"Bold..."

When Luo Shouhai saw this, he drew out his sword. The sword energy carried a sharp edge and went straight towards Elder Chu!

Elder Chu's body flashed, and the sword light crashed onto the ground, cutting a deep ravine on the ground!

Elder Chu's face was gloomy. It seemed that Chen Ping must be in that building!

Luo Shouhai flew up, pointed his sword at Elder Chu and said: "As long as I am here, you can never touch Mr. Chen. You guys from the Demon Sealing Alliance, Tianmo Mountain is not a place for you to run wild."

Elder Chu smiled coldly: "You finally admitted it, but with your little ability, can you stop me?"

After Elder Chu finished speaking, he grabbed the sky and a pestle appeared in his hand. Then he swung it out. The sky was filled with light, and the turbulent aura rushed toward Luo Shouhai!

Luo Shouhai's face was solemn, his sword flashed with light, and he kept slashing!

However, Luo Shouhai retreated steadily and was directly suppressed by Elder Chu. It seems that Luo Shouhai's strength is worse than Elder Chu!

"dad....."

"Master..."

Seeing that Luo Shouhai was no match for Elder Chu, Luo Xi and Jin Dong were both a little anxious!

Bai Qian waved the long whip in his hand and jumped up!

Chapter: 5723

Bai Qian, who is in the seventh level of the Tribulation Realm, is still capable of joining the battle!

Bai Qian's family also made Luo Shouhai feel relieved!

"Fuck me..."

Zuo Xuan frowned, then waved his hand, and many people from the Demon Sealing Alliance swarmed forward!

When Huofeng and the others saw this, they all rushed forward!

When Elder Fei saw this, he took the opportunity to escape. At this time, he didn't know who to help!

"Hmph, with all your abilities, you still want to stop me..."

Elder Chu's whole body was filled with aura, and he blocked the attacks of Luo Shouhai and Bai Qian!

Immediately afterwards, the Qingtian pestle fell, like a meteorite falling, hitting Luo Shouhai!

Bai Qian saw this and wanted to help, but was stopped by a member of the Demon Sealing Alliance!

Luo Shouhai frowned and swung his sword to resist. The pestle hit the sword and made a buzzing sound!

The long sword trembled, and a huge force entered Luo Shouhai's body through the long sword!

Luo Shouhai's breath rolled and he suddenly fell from mid-air!

Elder Chu snorted coldly and headed towards the building not far away!

He wanted to take advantage of the thunderstorm to see if Chen Ping was inside!

When Luo Shouhai saw this, he shouted loudly, and his sword light rose into the sky again!

Luo Shouhai knew that he could not defeat Elder Chu, but he would never watch Chen Ping in danger!

Chen Ping saved his daughter twice, Luo Shouhai would risk his own life to stop Elder Chu!

And at this moment, the fourth thunder tribulation crashed down!

boom.....

As the thunder tribulation struck down, everyone in the fight was knocked over by a huge force!

The aftermath of this thunder tribulation is so powerful. You can imagine what Chen Ping and the others will suffer under the thunder tribulation!

Chen Ping and Mo Shan Gui Lao felt the fourth thunder tribulation crashing down. This time, neither of them had an explosive breath!

Because they knew that with their weak auras, they could not stop the thunder tribulation at all!

Chapter: 5724

An aura as overwhelming as Mount Tai directly suppressed Chen Ping and Demon Mountain Ghost Lao until they couldn't breathe!

Although the thunder tribulation has not yet arrived, the power of the thunder tribulation has already arrived!

Chen Ping and Devil Mountain Ghost Lao both closed their eyes and waited quietly for this thunder disaster!

But just when the thunderstorm was about to hit Chen Ping and Devil Mountain Ghost Lao, a colorful ray of light suddenly emanated from Chen Ping's body!

Then I saw a ray of golden light, heading straight towards the thunder tribulation!

In the shocked eyes of everyone, they saw a monster that was only slightly larger than the palm of their hand. It opened its big mouth and swallowed the thunder calamity directly into its belly!

At this moment, everyone was dumbfounded. Except for Huofeng and Bai Qian, no one knew what kind of monster this was!

Chen Ping and Moshan Guilao waited for a long time, but did not see the thunder tribulation coming down, so they opened their eyes curiously and looked up!

"Mr. Chen, what is that?"

The Demonic Mountain Ghost Elder saw a small demonic beast emitting colorful rays of light under the demonic calamity cloud!

Chen Ping was also pleasantly surprised, and then laughed loudly and said: "This little guy can actually block the thunder tribulation of Demon Tribulation Cloud..."

"Oh, I almost forgot, this little guy is the Demon Lord's mount, so he has no fear of the Demon Lord!"

"Old Ghost, we're fine, we're fine..."

Demon Mountain Ghost Lao listened to Chen Ping's words and was a little confused, but seeing Chen Ping's excited look, he knew that the Demon Tribulation Cloud would not cause any harm to them.

“Mr. Chen, there are several thunder tribulations coming from behind. I wonder if this little guy can withstand them?”

Demon Mountain Ghost asked!

“It should be fine, let’s wait and see...”

Chen Ping followed the Demon Mountain Ghost Lao to wait for the fifth thunder tribulation!

In the sky, demonic calamity clouds seemed to be brewing, and lightning flashed in the dark clouds!

But before the fifth thunder catastrophe came down, I saw the sky-swallowing beast opening its mouth and sucking in hard suddenly!

A huge suction force went straight towards the demonic calamity cloud!

Mojie Yun seemed to be conscious, struggling to break free, constantly changing its shape, and trying to escape from this huge suction!

But Mojie Yun struggled in vain, and in the end they were all sucked into the belly of the Sky-Swallowing Beast!

The dark sky suddenly became brighter, and the sun shone warmly on everyone!

Chapter: 5725

belch.....

Suddenly, the sky-swallowing beast burped!

Just this burp caused the whole earth to tremble instantly!

Whether it was Luo Shouhai or Elder Chu, they all stopped at this moment and stared blankly at the little sky-swallowing beast, their eyes full of shock!

The little swallowing beast didn't care about other people's eyes, but fell down suddenly, ran back to Chen Ping's storage ring and fell asleep!

"No...no more, the Demon Tribulation Cloud is gone?"

Devil Mountain Ghost was so shocked that he was speechless!

The thunder tribulation behind is gone, not to mention the thunder tribulation, even the magic tribulation cloud is gone!

Chen Ping was also full of surprise. He felt that it was good that this sky-swallowing beast could swallow the thunder tribulation, but it even swallowed the entire magic tribulation cloud. It was outrageous!

"Old Ghost, this can be considered as defeating the evil calamity cloud. You'd better break through quickly. I'll leave first..."

Chen Ping asked Devil Mountain Gui Lao to break through, then got up and left!

But just as Chen Ping walked out of the room, he saw Luo Shouhai and others confronting the people from the Demon Sealing Alliance!

When he saw Chen Ping coming out of the room, Elder Chu frowned: "Sure enough, it's you. What was the monster that just swallowed the Demon Tribulation Cloud?"

Elder Chu really wanted to know what kind of thing could swallow up the Demon Tribulation Cloud!

"Who am I to tell you?"

Chen Ping smiled coldly!

“Chen Ping, you kill me, a disciple of the Demon Sealing Alliance, and I’m here to take your life. I don’t care about the Demon Tribulation Cloud. You must die today...”

Zuo Xuan shouted coldly at Chen Ping.

Chen Ping glanced at Zuo Xuan and said coldly: “You are the young master of the Demon Sealing Alliance, right? I heard that you have no real ability other than relying on your father’s reputation to show off your power...”

“Nonsense, I don’t have the ability. How can you, who is a first-level Tribulation Realm master like you, say that? I will kill you with my own hands today...”

After saying that, Zuo Xuan headed towards Chen Ping!

“Sir, don’t be reckless...”

Elder Chu wanted to stop Zuo Xuan, but Zuo Xuan had already taken action!

As soon as Zuo Xuan made a move, Luo Shouhai, Bai Qian and others also followed suit, and the melee started again!

Chapter: 5726

Chen Ping had just helped Demon Mountain Gui Lao overcome the tribulation, and all the power in his body had been almost exhausted. Now, it is really not a good time to follow Zuo Xuan!

But now that the matter has come to this, Chen Ping can’t turn around and run away, not to mention that the Demon Mountain Ghost Lao is still at the final hurdle of breaking through!

Seeing Zuo Xuan’s attack, Chen Ping held the Dragon-Slaying Sword and suddenly swung it towards Zuo Xuan. In an instant, the Dragon-Slaying Sword unleashed hundreds or thousands of sword energy, cutting through the void and condensing into a storm of sword energy, heading straight for Zuo Xuan!

Zuo Xuan snorted coldly, and a breath suddenly burst out from his body. This breath was like waves in the sea, one wave after another!

The sword energy was directly knocked away, and Chen Ping's sword was resolved instantly!

Chen Ping followed closely behind the sword energy, and the Holy Light Fist burst out directly!

Now all the spiritual power, dragon energy and even the original power in Chen Ping's body are almost exhausted. The only thing that can be used is the power of his physical body!

And only the Holy Light Fist is suitable for this purest form of power!

Chen Ping's fist erupted with golden light, and countless fist shadows hit Zuo Xuan like cannonballs!

Zuo Xuan felt Chen Ping's Holy Light Fist and immediately laughed!

"Hahaha, have you exhausted all the spiritual power in your body and started to use the power of your physical body? You don't want to defeat me with this low-level power, do you?"

Zuo Xuan laughed loudly, then condensed spiritual power with his two fingers, and then pointed suddenly, countless spiritual lights flashed, and directly blocked Chen Ping's Holy Light Fist!

I have to say that this guy Zuo Xuan is not a showman, he does have some strength!

Seeing Zuo Xuan's arrogant look, Chen Ping was furious!

I saw Chen Ping suddenly bite the tip of his tongue, and a mouthful of blood spurted out. The Dragon-Slaying Sword trembled violently, and then the sword energy was everywhere, and sword lights appeared behind Chen Ping!

If Chen Ping hadn't exhausted all his strength, he wouldn't have had the chance to burn his essence and blood!

If Sword Spirit Zhongli hadn't been injured, he wouldn't be in such a mess!

Although Chen Ping has the God-King Bow, he may not be able to pull it now. Even if he could pull the God-King Bow, Chen Ping would not use it unless absolutely necessary!

Another life-saving artifact is the Dragon Pattern Bell. This is only a last resort, and Chen Ping will not take it out!

As the saying goes, a man is not guilty of having a jade in his possession. If Chen Ping showed off too many magical weapons, he would probably cause a lot of trouble!

Thousands of sword lights appeared behind Chen Ping, and then headed straight for the left turn!

"Hmph, with your little ability, what can you do if you burn your essence and blood..."

Zuo Xuan snorted coldly, and black mist rose up from his body, and then a huge skeleton formed behind him, exuding a sinister aura!

Luo Xi, the sword of ten thousand swords, then collided with the huge skeleton!

Chapter: 5727

Chen Ping retreated continuously, and his face became increasingly ugly!

Even if he burns his essence and blood, Chen Ping can't defeat this left spin!

Thousands of sword lights slowly disappeared, and the huge skeleton formed by the black mist also disappeared!

Chen Ping propped himself on the ground with his Dragon-Slaying Sword, his forehead covered with cold sweat!

“Chen Ping...”

Bai Qian was very anxious when she saw that Chen Ping was not low on that left spin at all!

But it was useless to be anxious. She was entangled by several people from the Demon Sealing Alliance and couldn't get away at all!

The Demon Sealing Alliance has many people and strong strength, and now Bai Qian and the others are in danger!

Luo Shouhai, in particular, could only parry under Elder Chu's attack!

“Boy, go to hell...”

Zuo Xuan smiled coldly and slapped his palm directly towards Chen Ping!

Chen Ping frowned, watching Zuo Xuan slap him with his palm, he gritted his teeth suddenly, and his indestructible golden body flowed, with golden scales covering Chen Ping's body!

It looked like Chen Ping was going to resist this left hand palm!

“Son...”

Just when Zuo Xuan was about to slap him down, someone suddenly shouted Zuo Xuan!

Turning his head to the left, he saw that it was Elder Fei.

“What’s your business?”

Zuo Xuan frowned, very unhappy!

He was very unhappy that Elder Fei was disturbing him at this time!

“Master, now Chen Ping is just a turtle in the urn, why bother to use the master to do it? I will help the master.”

Elder Fei said to Zuo Xuan!

“Go away, I want to kill this guy with my own hands. I don’t need your help.”

Zuo Xuan scolded Elder Fei!

Elder Fei looked embarrassed, lowered his head and backed away!

Chapter: 5728

But Zuo Xuan ignored Elder Fei and looked at Chen Ping again, stretched out his hand and slapped him with his palm!

But just as Zuo Xuan raised his hand, he saw a flash of silver light, and Zuo Xuan’s arm flew out instantly!

Zuo Xuan was stunned for a moment, and soon severe pain hit him!

He watched helplessly as his arm was broken and bleeding profusely!

“ah.....”

Zuo Xuan's face was filled with disbelief and he looked at Elder Fei angrily!

I saw Elder Fei holding a long sword in his hand. He took advantage of Zuo Xuan's inattention and chopped off Zuo Xuan's arm!

"You're fucking crazy, do you know what you're doing?"

Zuo Xuan yelled at Elder Fei!

"Of course I know. I don't want to be the dog of your Demon Sealing Alliance and be yelled at by you. Moreover, I can't let you kill this Chen Ping because I took Chen Ping's poison. If he dies, I will also live." It doesn't work..."

Elder Fei said with a cold smile!

"You...you fucking dare to betray our Demon Sealing Alliance, do you know the consequences? Your entire Soulless Palace will die!"

Zuo Xuan gritted his teeth, itching with hatred!

"The Soulless Palace has been dead for a long time. The Soulless Palace now is just a puppet of your Demon Sealing Alliance. I don't care..."

Elder Fei doesn't care at all!

"I kill you....."

Zuo Xuan roared and was about to attack Elder Fei!

But at this moment, Chen Ping saw the right opportunity, and the Dragon-Slaying Sword lay directly across Zuo Xuan's shoulder!

As long as he rotates left, his head will move!

There was a bit of fear in Zuo Xuan's eyes, and he said loudly to Chen Ping: "Chen Ping, what do you want to do? If you kill me, none of you will survive..."

"Are you threatening me?" The dragon-slaying sword in Chen Ping's hand penetrated deeply into Zuo Xuan's flesh!

"Don't, don't kill me..."

I was suddenly scared of left-hand rotation!

"stop....."

Chapter: 5729

At this time, Elder Chu discovered that Zuo Xuan was controlled by Chen Ping, and was shocked!

A palm slapped Luo Shouhai on the chest, causing Luo Shouhai to spurt out a mouthful of blood and fly backwards!

Immediately afterwards, Elder Chu went straight to Chen Ping: "Boy, let our young master go, otherwise I will make your life worse than death..."

"Uncle Chu, save me, save me..."

Seeing Elder Chu, Zuo Xuan shouted quickly!

"I hate threats from others the most..."

After Chen Ping finished speaking, he cut it down with a sword in front of Elder Chu!

Zuo Xuan's head flew high, and then rolled to the ground!

A black mist flew out of Zuo Xuan's body. This was Zuo Xuan's soul!

"Hmph, do you think you can return to life after learning a few tricks from the demon cultivator?"

Chen Ping snorted coldly, reached out and grabbed Zuo Xuan's soul, and then a burst of spiritual power penetrated Zuo Xuan's soul. With Zuo Xuan's scream, Chen Ping crushed the soul to pieces!

"Ah... If you dare to kill our young master, you must die..."

Elder Chu went crazy and hit Chen Ping with a palm that covered the sky!

Although Elder Chu is also at the eighth level of Tribulation Realm, the power of this palm is obviously much stronger than that of Luo Shouhai. His aura locked onto Chen Ping, making him unable to avoid it!

"Mr. Chen....."

"Owner....."

Luo Shouhai, Huo Feng and the others all screamed when they saw this!

At this critical moment, thousands of golden lights burst out in the building, and then a figure suddenly flew out!

"Bold, dare to be disrespectful to Mr. Chen, and seek death..."

I saw the eyes of the old devil mountain ghost shining, as if a heavenly being came to the world, and his aura instantly locked onto Elder Chu, causing Elder Chu's figure to tremble!

At this moment, the Demon Mountain Ghost Old Man is in full swing, and his cultivation aura is powerful. He has obviously made a breakthrough!

Chapter: 5730

"Hmph, even a seventh-level Tribulation Realm master dares to yell at me..."

Seeing the Demon Mountain Ghost Elder, Elder Chu snorted coldly!

"Then give it a try..."

Devil Mountain Ghost Old shouted loudly, and the sound waves he emitted formed waves, like a surging river, rushing towards Elder Chu unstoppably!

Elder Chu was horrified, and suddenly struck out with his palm. The wind of his palm met the tidal wave of sound waves, and was instantly shattered, leaving him unable to resist!

When Elder Chu saw this, he felt a little stupid!

And just when Elder Chu was stunned, Devil Mountain Ghost Elder came out of the air with a claw!

The whole world shook, and a huge paw print headed towards Elder Chu!

Elder Chu's pupils shrank rapidly and he kept retreating!

And he continued to fire out spiritual power that shook the void, and finally blocked the claws of the Demon Mountain Ghost Old Man!

At this time, Elder Chu was already out of breath, sweating profusely, and his eyes were full of disbelief!

“No, this... how is this possible? You are only at the seventh level of the Tribulation Realm. Why do you have such terrifying power?”

Elder Chu’s face was full of disbelief!

“As expected of someone who has survived the devil’s calamity. Not only is Gui Lao invincible at the same level, but he can also fight across levels!”

Luo Shouhai dragged his injured body and said with envy in his eyes!

“The Demonic Tribulation Cloud? Did you survive the Demonic Tribulation Cloud?”

Elder Chu was stunned. He had always thought it was the cloud of demonic calamity that Chen Ping had overcome!

“Now you know, I’m afraid it’s a little late...”

The Demon Mountain Ghost smiled coldly, and then let out a terrifying breath again.

Elder Chu frowned and used all his strength to block it!

However, this breath directly knocked Elder Chu away, and then slammed into the ground dozens of meters!

Elder Chu crawled out, his eyes full of fear, and blood dripping from the corners of his mouth!

“If you disrespect Mr. Chen, you will only die...”

Devil Mountain Ghost Lao Leng shouted!
