

The Order 5731

Chapter: 5731

“I am the elder of the Demon-Sealing Alliance. If you, a little demon cultivator, dare to go against our Demon-Sealing Alliance, our leader will never let you go.”

Elder Chu said through gritted teeth!

“Hmph, all the sons of your Demon-Sealing Alliance were killed by Mr. Chen. Do you think the leader of the Demon-Sealing Alliance will let it go, so he doesn’t care about killing one more of you!”

Devil Mountain Ghost Boss shouted loudly!

“Don’t be so proud. Do you think I can be killed so easily?”

After Elder Chu finished speaking, he suddenly grasped his palm, and a special aura began to condense. Gradually, a black hole appeared around Elder Chu!

“Space magic, this guy is going to use space magic to escape...”

When Chen Ping saw this, he quickly said loudly!

Upon seeing this, the Demonic Mountain Ghost Elder was about to take action, but Elder Chu was sucked in by a huge suction force in the black hole, and then quickly disappeared!

“Hey, he still escaped...”

Old Devil Mountain Ghost sighed!

The remaining guys from the Demon Sealing Alliance were so frightened that they turned around and ran away when they saw Elder Chu running away!

But the Demonic Mountain Ghost Lao wouldn't give them a chance, so he jumped up directly!

At this time, Bai Qian also took the whip and started to exert force!

These guys from the Demon Sealing Alliance were all strangled to death with the combined efforts of the two of them!

“dad.....”

“Master...”

Everyone in the Demon Sealing Alliance was killed, and only Elder Chu escaped!

Luo Xi and Jin Dong ran towards Luo Shouhai with concern!

Luo Shouhai was slapped hard by Elder Chu just now. He must have been seriously injured!

Luo Shouhai coughed up a few mouthfuls of blood and said with a faint smile: “I'm fine. I won't die. I just broke a few ribs. I'll be fine after a while of training.”

Seeing that Luo Shouhai's life was not in danger, Luo Xi and Jin Dong felt relieved!

“Mr. Chen.....”

At this time, Elder Fei from the Soulless Palace walked toward Chen Ping!

Chapter: 5732

Before Elder Fei could speak, Chen Ping took out a pill and threw it over: "This is the antidote. You will be fine after taking it. Thank you very much just now..."

Chen Ping knew that Elder Fei was helping him just because he wanted to save his own life!

"Thank you, thank you so much..."

Elder Fei took the antidote and swallowed it, then turned and left!

He wants to find a hidden place. He will probably rarely move around in the world in the future. After all, he betrayed the Demon-Sealing Alliance and might be killed one day!

After all, the Demon-Sealing Alliance has its own branch in the entire heaven and human world, and its power is huge!

"Old Ghost, congratulations to you, you have survived the evil calamity cloud. Your strength is beyond my reach!"

Luo Shouhai walked up to Gui Lao and said with envy!

"Lao Luo, it's all thanks to Mr. Chen and your help. If it weren't for you, I would have been wiped out by now."

"I'm alone anyway. If you, Blood Spirit Valley, have anything to do in this Demonic Mountain, just say hello to me, and I will absolutely be obliged to do so!"

Devil Mountain Ghost knows that he can break through thanks to Chen Ping and following Luo Shouhai!

If it weren't for Chen Ping's help, he wouldn't have been able to withstand the demonic calamity cloud, and if people like Luo Shouhai hadn't stopped these guys from the Demon Sealing Alliance, he wouldn't have been able to successfully overcome the calamity!

Luo Shouhai was overjoyed after hearing the words of Demon Mountain Ghost Elder. Demon Mountain Ghost Elder's level in Tianmo Mountain is not high, but he has some prestige. Now that Demon Mountain Ghost Elder's strength has improved a lot, his prestige must be even higher. Sheng!

When the time comes, with the help of Demon Mountain Ghost Elder, their Blood Spirit Valley will be able to establish a firm foothold in Tianmo Mountain, and they will no longer be bullied!

"Master Luo Valley, you are injured now and are not suitable for traveling. I think you should rest temporarily at Gui Lao's place."

"I will also recover for a while, and then I will refine some elixirs for Master Luo Valley to treat."

Chen Ping said to Luo Shouhai!

After hearing this, Luo Shouhai nodded, and then looked at the Demon Mountain Ghost Old Man and said, "Then don't bother the Ghost Old Man more..."

"Hahaha, what are you talking about, Lao Luo? Don't bother me at all. I am still lonely by myself. With you here, it will be lively and lively!"

The Old Devil Mountain Ghost laughed!

Everyone rested temporarily at Devil Mountain Ghost Lao's place, and Chen Ping also took this opportunity to slowly recover his physical strength!

While recovering his physical strength, Chen Ping also felt the power of space magic!

If Elder Chu didn't know space magic, he wouldn't be able to escape at all!

Chen Ping only felt that he was a little overwhelmed, because the more masters he saw, the more difficult he felt!

Chapter: 5733

Space spells, time spells, and the breath-taking techniques and fire control steps that I just got!

Chen Ping had to cross the river by feeling the stones. If there was someone to give guidance at this time, he might be able to understand it quickly. Unfortunately, no one around Chen Ping understood this, so he could only rely on Chen Ping to understand it himself!

Just when Chen Ping was resting and recovering his strength, the battlefield of gods and demons slowly closed!

A large number of monks were sent away from the battlefield of gods and demons!

Qi Peijia originally wanted to leave early, but because of meeting Ning Zhi and Ning Caichen, he stayed in the battlefield of gods and demons for a few more days!

“Master Qi, where is my disciple? Was he really killed by Chen Ping?”

Seeing Qi Peijia coming out, Cheng Jinghui hurried forward and asked!

Cheng Jinghui is still holding on to hope, hoping that Chen Ping lied to him and that his disciple is not dead!

Seeing Cheng Jinghui, Qi Peijia pretended to be a little sad and said: “Sect Master Cheng, your apprentice was indeed killed by that Chen Ping. That Chen Ping took advantage of my absence to assassinate your apprentice...”

Cheng Jinghui felt a bang in his head, and his hope was really dashed!

“Chen Ping, I will cut you into pieces...”

Cheng Jinghui roared angrily, turned and left!

Seeing Cheng Jinghui's angry look, Qi Peijia raised the corner of his mouth and smiled!

"Where are our disciples? Where are our disciples?"

The people from the five major sects didn't see the five heroes coming out, so they suddenly panicked and shouted loudly!

Seeing this, other people also helped to look for them, and indeed they did not see the figure of the outstanding five men!

"The five heroes are so strong, it's impossible for them to be killed in the battlefield between gods and demons, right?"

"That's right. Even with the reputation of the five outstanding men, no one dares to take action. Moreover, there are five major sects behind them."

"The battlefield between gods and demons has been closed. He must have been killed. Now the five major sects are embarrassed."

Everyone was talking about it!

Hearing everyone's discussion, Qi Peijia and Ning Zhi looked at each other, and then Ning Zhi left!

A moment later, Qi Peijia found people from the five major sects!

"Everyone, the five outstanding men of your five major sects have indeed been killed, and I also know that they were killed."

Qi Peijia walked up to the five major sects and said!

Chapter: 5734

“who is it?”

One of the five major sects asked!

“It’s that guy named Chen Ping...”

Qi Peijia said!

“Chen Ping?”

The five major sects have no impression of Chen Ping!

On the other hand, Sect Leader Kong of the Xuanyin Sect said: “Then Chen Ping is only at the first level of the Tribulation Realm. How could he kill the five outstanding men? This is obviously impossible!”

“It’s impossible for him alone, but he has helpers. On the battlefield of gods and demons, five of the three emperors and four kings of the beast tribe helped him. With the help of these people, can’t he still be able to deal with the five heroes?”

Qi Peijia said calmly!

“Why? We have no grievances against that Chen Ping, why would he kill our people?”

Someone from the five major sects asked!

“Of course it’s to fight for the treasure. In the battlefield between gods and demons, what kind of hatred should we pay attention to? Anyway, I told you this, believe it or not...”

After Qi Peijia finished speaking, he turned around and left!

People from the five major sects all looked at each other, wondering whether they should believe what Qi Peijia said!

“Everyone, you go back first and ask Luo Shouhai about this matter. Chen Ping followed Luo Shouhai, but Chen Ping is indeed accompanied by the Fox Princess, one of the three emperors and four kings of the beast tribe.”

Sect Master Kong said to the people of the five major sects!

He is very afraid that people from these five major sects will cause trouble in Xuanyin Sect. His Xuanyin Sect is mainly engaged in business. If they fight and kill here, it will affect his business!

“After Sect Leader Kong said this, I have some impressions of Chen Ping. Then we will go to Blood Spirit Valley to find out what happened!”

An old man with disheveled silver hair and a red face and long beard from the five major sects said!

People from the five major sects left Xuanyin Sect!

Just after leaving Xuanyin Sect, I don't know whether it was a coincidence or Qi Peijia was waiting for these people. People from the five major sects met Qi Peijia!

It's just that people from the five major sects ignored him. After all, Qi Peijia was just a demon cultivator, and a casual cultivator at that!

Although he has had an unexpected encounter now and has reached the eighth level of the Tribulation Realm, he is powerless and powerless, and some major sects still look down upon him!

“Sect Master Luo, Chen Ping is right in front. You can ask him in person...”

Chapter: 5735

Qi Peijia saw people from the five major sects, so he said to the leading old man with a red face and a long beard!

“The boy hasn’t left yet?”

Sect Leader Luo was stunned for a moment, then led his men to chase forward!

Sure enough, they found Chen Ping’s shadow, but when Chen Ping saw the people from the five major sects, he ran away quickly!

As soon as they saw Chen Ping escaping, the people from the five major sects felt that something was wrong with Chen Ping, so they quickly chased after him!

But in the blink of an eye, Chen Ping had disappeared!

“It’s so fucking weird. This guy ran so fast. Why did he disappear in the blink of an eye?”

A person from the five major sects asked doubtfully!

“Sect Master Luo, look what this is?”

At this time, someone picked up five very exquisite storage bags from the ground!

“Isn’t this the storage bag of the five heroes? Why is it here?”

Sect Leader Luo frowned!

“Damn it, it must have fallen out of that guy named Chen Ping. He must have killed the five outstanding men!”

Someone roared loudly!

Sect Master Na Luo also frowned tightly. Looking at the storage bags, he was sure that these were the belongings of the five outstanding men!

Now it has fallen out of Chen Ping's body. It should be that Chen Ping took away all the treasures in the storage bag and threw away the storage bag!

The more Sect Leader Luo thought about it, the angrier he became, and he said in a cold voice: "Let's go, let's go to Blood Spirit Valley, and we must find Chen Ping to give him an explanation!"

The people from the five major sects all headed towards the Blood Spirit Valley angrily!

After the people from the five major sects left, Qi Peijia followed Ning Zhi and showed up!

"Hahaha, now I think Chen Ping is still alive. The five major sects are making trouble for him, which is enough for him to drink a pot of."

Qi Peijia laughed and said!

"It's just a pity that we can't kill that guy Chen Ping."

Ning Zhi's eyes were filled with chills!

After fighting with Chen Ping for so long, Chen Ping became the inner demon in Ning Zhi's heart. He especially wanted to kill Chen Ping with his own hands!

Chapter: 5736

However, with Chen Ping's current strength and the people around Chen Ping, it is somewhat impossible for Ning Zhi to kill Chen Ping with his own hands!

But with the help of others, it's okay to kill Chen Ping!

“I didn’t expect you to be so good at disguise. Just now you transformed into Chen Ping, and even I was deceived!”

Qi Peijia said to Ning Zhi with great admiration!

“It’s just a small skill. Compared with Mr. Qi, it’s far behind!”

Ning Zhi said very modestly!

What Ning Zhi used was not a disguise technique. There is no such exquisite disguise technique in the world. It was a method of imitating breath. Ning Zhi also saw the contents at that time!

Although Ning Zhi is not yet able to practice the Breath Imitation Technique to the extreme, he can make it look exactly like Chen Ping’s breath!

But if you want to deceive those who are not familiar with Chen Ping, there is still no flaw!

“I will take you to a good place. If you practice in that place, you will get twice the result with half the effort.”

“Don’t go back to the Northern Territory from now on. Wouldn’t it be better if we work together to conquer the world here!”

Qi Peijia thinks very highly of Ning Zhi!

“That’s great...”

Ning Zhi was very excited because he knew that Qi Peijia had an adventure. Ning Zhi also wanted to know what adventure Qi Peijia had!

It can improve your strength so quickly in a short period of time, and Ning Zhi also wants to try it!

“Ancestor, we...”

When Ning Caichen heard that Ning Zhi actually wanted to stay, he was a little reluctant!

Although the Ning family is not a big family in the Northern Territory, as the head of the family, Ning Caichen has no worries about food and drink and enjoys it very much!

Now he is asked to abandon the Ning family and stay in this Demonic Mountain, where he will be manipulated everywhere. Ning Caichen is a little reluctant!

“Stop talking. When we can occupy the entire Heavenly Demon Mountain, wouldn't it be much stronger than in the Northern Territory? Don't you want to improve your strength and ascend to immortality?”

Ning Zhi asked Ning Caichen!

When Ning Caichen heard this, he quickly shook his head: “Everything will be arranged by the ancestor...”

“You follow me. When the time comes, it is not just to occupy the Demonic Mountain. My goal is to occupy the entire Heaven and Human Realm. I want the entire Heaven and Human Realm to be under my control. I want the five domain masters to become my subordinates.”

Qi Peijia's eyes sparkled, and he was filled with surging energy!

Chapter: 5737

Ning Zhi looked at Qi Peijia and secretly sneered!

Although Qi Peijia's strength is good, a fool like this, no matter how skilled he is, cannot control the entire world of heaven and man!

The reason why Ning Zhi wants to follow Qi Peijia now is to use Qi Peijia's power. With Qi Peijia's IQ, if Ning Zhi wants to play tricks on him, he will act like a fool!

"Let's go, I will take you to the Demon Swallowing Cave. When you get there, you will find the door to the new world!"

Qi Peijia was unprepared and led Ning Zhi and Ning Caichen towards the Demon Swallowing Cave!

In a mansion deep in the mountains!

Mr. Shi is writing furiously and doesn't know what he is writing!

However, looking at Mr. Shi's complexion, he was obviously much better. After the battle with Wen Haotian, he lost a clone and Mr. Shi's vitality was seriously damaged!

But after this period of cultivation, Mr. Shi looks good!

"Mr. Shi, Chen Ping killed the son of the leader of the Demon Sealing Alliance..."

Suddenly, a girl in a white dress walked in and said!

The brush in Mr. Shi's hand paused, and the words he had just written were immediately destroyed!

"This guy has only been here for a long time and he has caused such a big trouble."

Mr. Shi showed a wry smile: "Where is Chen Ping now..."

"He is at the first level of the Tribulation Realm, but he has a magical weapon in his hand. He is not afraid at all when he fights with someone at the sixth level of the Tribulation Realm."

“And he obtained the Sky-Swallowing Beast from the ruins of the battlefield between gods and demons...”

The girl said!

“Sky-swallowing beast? Red Cloud Demon Lord’s mount?”

There was a hint of surprise on Mr. Shi’s face, obviously he did not expect these!

“It’s just a newly hatched sky-swallowing beast, so it probably won’t be of much use yet.”

The girl quickly explained!

Hearing this, Mr. Shi suddenly realized: “I said it’s impossible for that old guy to appear in the world of heaven and humans.”

“Is there any movement in the Huo Fen Sect recently?”

“No, I’ve been very calm all the time!” The girl shook her head!

Chapter: 5738

“As long as there is no movement, it seems that I can still enjoy a few days of peace and happiness...”

Mr. Shi took another piece of paper and continued writing!

“Mr. Shi, what should we do about Chen Ping? The Demon Sealing Alliance will probably launch a mad hunt for him soon. Do you think you should...”

The girl hesitated to speak!

“Don’t worry, I believe he can handle it, and he is not alone now. Doesn’t he have many friends?”

“Let him stir things up in the Heaven and Human Realm. The thicker the water in the Heaven and Human Realm is, the more rotten fish and shrimps will surface. Moreover, the order of the Heaven and Human Realm should also be improved.”

After Mr. Shi finished speaking, he began to write quietly again!

The girl looked at Mr. Shi’s appearance and silently retreated!

.....

Blood Spirit Valley!

Because the owner of the valley, Luo Shouhai, is not here, all the disciples are practicing peacefully in the valley!

Compared to the disciples of Blood Spirit Peak, these disciples of Blood Spirit Valley are much safer!

But while the Blood Spirit Valley disciples were practicing, Cheng Jinghui arrived with a large number of Blood Spirit Peak disciples!

After knowing that his apprentice was indeed killed by Chen Ping, Cheng Jinghui couldn’t swallow this breath at all!

He knew that Chen Ping was with Luo Shouhai, so he brought someone to find him!

“Luo Shouhai, come out here...”

Cheng Jinghui came to the gate of Blood Spirit Valley and shouted loudly!

When two Blood Spirit Valley disciples saw this, they hurried over and said, “Uncle Master, our master is not in the valley. Why are you looking for him?”

Because Cheng Jinghui and Luo Shouhai were brothers, the two Blood Spirit Valley disciples were quite polite to him!

“Not here?”

Cheng Jinghui’s eyes were filled with murderous intent: “Is he not here, or is he avoiding me?”

“Uncle, Master is really not here!”

The two Blood Spirit Valley disciples said sincerely!

“I don’t believe it. He just wants to avoid me, and Chen Ping must be in there too.”

Chapter: 5739

Cheng Jinghui said, and was about to break into the Blood Spirit Valley!

“Uncle Master, you...”

The two Blood Spirit Valley disciples tried to stop them, but Cheng Jinghui shot out both palms and beat the two Blood Spirit Valley disciples to death!

“Kill me. If Luo Shouhai doesn’t show up today, I will kill all his disciples.”

“I want them to pay for their debt with blood...”

Cheng Jinghui waved his hand!

“kill.....”

Many disciples from Blood Spirit Peak rushed towards Blood Spirit Valley!

For a moment, the sound of killing shook the sky, and the disciples of Blood Spirit Valley were caught off guard!

Coupled with the fact that the dragons were leaderless, it only took half an hour for all the disciples of Blood Spirit Valley to be slaughtered!

“Master, Luo Shouhai is indeed not here, and I haven’t seen that guy named Chen Ping.”

The disciples from Blood Spirit Peak walked up to Cheng Jinghui and reported!

“Damn it, where did they go? Didn’t they return to Blood Spirit Valley?”

Cheng Jinghui frowned!

“Master, what should we do now?”

The Blood Spirit Peak disciple looked at the corpses on the ground and asked at a loss!

No one has been found yet, and all the Blood Spirit Valley disciples have been killed. In any case, they can be considered the same clan!

Now that he is so ruthless, if Luo Shouhai knew about it, he would definitely not let it go!

“Erase all traces. No one is allowed to tell anyone what happened today, otherwise they will be killed without mercy...”

Cheng Jinghui slowly calmed down at this moment and began to give orders loudly!

What he did in this matter was indeed a bit too much!

Many disciples of Blood Spirit Peak began to work nervously to eliminate all traces of them!

After eliminating all the auras and traces, Cheng Jinghui quickly left with everyone from Blood Spirit Peak!

Not long after Cheng Jinghui left, Sect Leader Na Luo arrived with people from the five major sects!

Chapter: 5740

“Sect Master Luo, why do I feel that this Blood Spirit Valley is so quiet and smells like blood...”

Someone said with a frown!

“I also smelled it. There is indeed the smell of blood, and why can't I feel it at all? Isn't there no one in the Blood Spirit Valley?”

Someone echoed!

Sect Leader Luo released his spiritual consciousness and soon frowned!

“Go in and take a look. Everyone in the Blood Spirit Valley has been killed...”

After Sect Master Luo finished speaking, he led the people into the Blood Spirit Valley!

I saw corpses all over the Blood Spirit Valley, rivers of blood, and several one-meter-long vultures eating the corpses!

Seeing the tragic situation in front of them, everyone was shocked!

Although the Blood Spirit Valley belongs to the demon clan, in the generation of Tianmo Mountain, the conflict between the human race and the demon clan is not that fierce!

The five major sects did not have many disputes with the demons in Tianmo Mountain. On the contrary, they often cooperated together!

Now that everyone in the Blood Spirit Valley has been killed, the people of the five major sects feel a little sad!

They came angrily, just to get an explanation and to ask Luo Shouhai to hand Chen Ping over. They didn't even think about destroying the Blood Spirit Valley!

“See if there are anyone alive? Then find out who did it. This kind of thing hasn't happened in our entire southern region for many years.”

Sect Leader Luo said with a gloomy expression!

The entire Southern Territory is considered the most harmonious. Although there are fights and deaths and injuries, things like this kind of extermination of families almost never happen!

Now that something like this suddenly happened, of course he had to find out who did it!

After all, the status of their five major sects in the Southern Territory is not low, so of course they must take care of this kind of thing if it happens!

“Sect Master Luo, we have checked it out. There are no survivors at all, and there are no traces of breath. The person who did it should be able to erase it.”

Someone said!

“Sect Leader Luo, since Luo Shouhai is not here, let’s go. Don’t worry about this kind of nonsense. Luo Shouhai is not a good person anyway. Now that we can’t find Chen Ping, I think we should look for the Orcs. A few guys!”

“Our disciple was killed, and several guys from the orc tribe were also involved. This matter is not over yet...”

Next to Sect Leader Luo, a black-faced man said angrily!

“Sect Master Hai, even if we find a few of the Three Sovereigns and Four Kings of the Beast Clan, you have to suppress them. You can’t attack them when they meet. You have to ask them clearly.”
