

## **The Order 5741**

Chapter: 5741

“We follow the Orcs without any enmity. I don’t understand why they helped Chen Ping kill our disciples.”

Sect Master Luo said!

“Sect Master Luo, isn’t this clear? Of course it’s for profit. In that battlefield between gods and demons, no matter whether there is hatred or not, they are all chasing the treasure.”

Sect Leader Hai said loudly!

“Sect Master Luo, I feel that Sect Master Hai is right. Let’s not worry about this place now. We should go find those guys from the beast tribe and ask what’s going on.”

Someone echoed what Sect Master Hai said!

Seeing this, Sect Master Luo could only nod his head and said: “Okay, let’s go back first, and then send people to find the Three Sovereigns and Four Kings of the Orc Clan. If it is really they who did it, even if they break up with the Orc Clan, they will never do it.” Spare them!”

People from the five major sects left the Blood Spirit Valley, but the disciples of the Blood Spirit Valley were still being eaten by vultures!

At this moment, Luo Shouhai was still recovering from his injuries and had no idea that all his disciples had been killed!

Chen Ping has completely recovered after training!

And in the past few days, Chen Ping has gained a deeper understanding of the Fire Control Step and the Imitation Breathing Technique!

But Chen Ping still couldn't start the clock. He didn't know how to use it!

"Mr. Chen, these are some spiritual stones and fairy grass sent by Mr. Gui..."

Ji Yun put some resources in front of Chen Ping!

In the past few days, in order to help Chen Ping recover faster, Demon Mountain Ghost Lao went out early and returned late every day to look for various resources that could be used!

Why is it that Demon Mountain Ghost Lao is now able to withstand the Demon Tribulation Cloud? His breakthrough in strength is all due to Chen Ping!

"Ji Yun, have you practiced during this time?"

Chen Ping asked Ji Yun!

"Mr. Chen, I have been collecting various resources with Mr. Gui during this period, so I haven't had time to practice yet."

Ji Yun said!

Chen Ping looked at Ji Yun and waved his hand to signal Ji Yun to sit opposite him!

"You have been following me for a while, but your strength has not increased much, and you have not gained anything..."

"Mr. Chen, I am very content to be with you. I can see the world with you."

Before Chen Ping could finish speaking, Ji Yun hurriedly said!

Chapter: 5742

“What’s the use of seeing the world? Now I’m going to teach you a set of Nine Shadow Sword Techniques. After a while, you can go to the Weapon Refining Sect. I’m going to ask the Weapon Refining Sect to help you forge a sword, so that your strength can be improved a lot!”

After Chen Ping finished speaking, he gently pressed one hand on Ji Yun’s head!

Soon, the Nine Shadows Sword Technique was transmitted to Ji Yun’s sea of consciousness!

Ji Yun used his spiritual consciousness to pass through the sea of consciousness, and was suddenly surprised: “Mr. Chen, is this the Nine Shadows Sword Technique? It looks so advanced...”

“If this Nine Shadow Sword Technique can be practiced to a proficient level, it can produce nine clones with the same aura and even the same power!”

“When the time comes, you slash out with one sword, and what you actually slash out are ten actual swords. Your own power will be amplified a lot. Of course, the Nine Shadows Sword Technique can also be used to escape from trouble!”

“Remember that when you are practicing swordsmanship, if you are too impatient, you will not only fail to practice successfully, but will also make yourself collapse.”

“I can now have six clones, and I will pass on some of my experiences and cultivation methods to you.”

As Chen Ping said, he passed on all his knowledge of the Nine Shadows Sword Technique to Ji Yun. He had no reservations about Ji Yun!

Ji Yun’s face was full of excitement, and he knelt down directly in front of Chen Ping: “Mr. Chen is so kind to teach me the Nine Shadows Sword Technique. It’s like reinventing my mentor. I...”

“Stop it, we are friends and brothers. I am not your master, otherwise I would not teach it to you.”

Chen Ping quickly interrupted Ji Yun!

Looking at Ji Yun like this, he wants to become his master. Chen Ping has never thought about who he wants to be his master!

When Ji Yun heard this, he stood up with an embarrassed look on his face, thanked Chen Ping and left impatiently, probably to practice!

“Chen Ping, I heard that you have almost recovered, and now you have to pay back the debt you owe me...”

Ji Yun walked back and Bai Qian walked in!

And he looked at Chen Ping affectionately, and his eyes seemed to be filled with water!

“What account?” Chen Ping asked pretending not to know!

“Stop pretending...”

Bai Qian pounced directly on Chen Ping and rode on Chen Ping!

A few days later, time flies!

Chen Ping was immersed in the fire-bending steps!

I saw an undetectable flame under Chen Ping’s feet. The flame was like a filament, constantly swirling around Chen Ping’s feet!

Chen Ping thought, and those two filament-like flames quickly penetrated into the ground!

Chapter: 5743

Chen Ping took a step forward and his body disappeared!

When Chen Ping opened his eyes, he found that he was already several miles away!

“Damn it, I still can’t reach a hundred miles in one step. It’s too difficult to practice. I really shouldn’t have angered Lord Fire Spirit Star in the first place...”

Chen Ping sighed. Although this fire-bending step is good, it is too difficult to practice!

During this period of time, apart from recovering, Chen Ping was also studying the fire-bending steps. Now he can only move a few miles in one step!

Chen Ping is now dissatisfied with a single step or several miles. He has never thought that in the secular world, he could only travel a few hundred meters through the void with the Universe Circle!

Now Chen Ping is running the fire-controlling step, and he is miles away with one step, but he is not satisfied anymore...

It’s true that human desires are unlimited!

“Mr. Chen, my father called you. He has fully recovered now and wants to call you to visit the Blood Spirit Valley!”

Luo Xi ran over and said to Chen Ping!

“Okay, let’s go!”

Chen Ping also wanted to visit the Blood Spirit Valley, and then asked Jin Dong to take him to the Demon Swallowing Cave.

Chen Ping and his group headed towards the Blood Spirit Valley!

The old solitary man from the Demon Mountain Ghost also followed Chen Ping and the others to the Blood Spirit Valley!

When he was still dozens of miles away from the Blood Spirit Valley, Bai Qian frowned slightly and kept looking at the sky!

“What’s wrong?”

Chen Ping asked Bai Qian!

“There are a lot of vultures circling in the sky. There should be people fighting near here, and some people died.”

“Looking at the number of vultures, there should be quite a few people dead...”

Bai Qian said!

After hearing what Bai Qian said, everyone raised their heads and saw that there were indeed many vultures circling in the sky, sometimes swooping down!

“broken.....”

Luo Shouhai was shocked: “There is only Blood Spirit Valley in this area. Could it be that something happened to our Blood Spirit Valley?”

Luo Shouhai quickened his pace, and the others followed closely behind, increasing their speed to the extreme!

For Chen Ping and others, the journey of dozens of miles is just a blink of an eye!

Looking at the lifeless Blood Spirit Valley in front of him, the permeating smell of blood, and the constantly circling vultures, Luo Shouhai's face became extremely ugly!

Even when he reached the door, Luo Shouhai didn't have the courage to open it!

"Ji Yun, go call the door..."

Chen Ping asked Ji Yun to call the door.

Ji Yun stepped forward and knocked on the door gently, but there was no movement at all. Ji Yun could only push and the door slowly opened!

The door was opened, and there were corpses all over the yard. Some of the corpses had been eaten by the Turks and only their bones were left!

Seeing this tragic scene, Luo Shouhai's eyes suddenly widened, a mouthful of blood spurted out, and he fainted!

Jin Dong and Luo Xi also stood stunned on the spot, as if they were stupid!

You know, these are their senior brothers, senior brothers who have lived together for many years!

Seeing this, Chen Ping stepped forward and grabbed Luo Shouhai's wrist, and a burst of spiritual power penetrated into Luo Shouhai's body, causing Luo Shouhai to wake up faintly!

"Who, who did this..."

Luo Shouhai roared and ran into the yard!

Chen Ping and the others followed in, and they couldn't bear to look at the tragic situation!

Demon Mountain Ghost Elder frowned and said: "Who did it? This kind of thing has not happened in Tianmo Mountain for a long time..."

Luo Xi and Jin Dong looked at the corpses on the ground and cried!

No one who sees this kind of scene can control their emotions!

Chen Ping remained calm and his consciousness spread out. He wanted to check if there were any other auras besides the auras of these Blood Spirit Valley disciples in the Blood Spirit Valley!

If so, it would be easy to find out who the murderer is!

Chapter: 5744

Chen Ping used his spiritual consciousness to detect for a long time, but he couldn't detect anyone else's aura at all. It was obvious that the other party had eliminated all traces of aura!

Now, it would be difficult to know who did it!

"Let me find out who did it, and I will cut them into pieces..."

Luo Shouhai roared, and a terrifying aura erupted from his body!

At the same time, Luo Shouhai's consciousness covered the entire Blood Spirit Valley. He wanted to see who came to the Blood Spirit Valley and killed all his disciples!

But Luo Shouhai used his spiritual sense to explore for a long time, but he couldn't find anyone else's aura!

"Master Luo Valley, I have also checked. The other party should have deliberately erased the aura and traces, so it cannot be detected."

Chen Ping said to Luo Shouhai!

“ah.....”

Luo Shouhai roared like crazy, his heart full of grievances and unwillingness!

Jin Dong also gritted his teeth and said, “If we can’t find out who it is, can we just forget it? Will my brothers and I die in vain?”

Jin Dong is also unwilling to give in, but there is no point in being unwilling. Now we can’t find out who did it!

“Could it be that Cheng Jinghui who did it? After all, when Mr. Chen just came out of the battlefield of gods and demons, that guy wanted to kill Mr. Chen, but was stopped by Lord Luo. If he was dissatisfied and attacked Blood Spirit Valley Woolen cloth?”

Ji Yun guessed and said!

“Impossible. Although my junior brother is competitive and ruthless, he will never do such a thing to our Blood Spirit Valley. After all, we are from the same sect.”

Luo Shouhai shook his head. He didn’t believe that Cheng Jinghui did it!

“This is really strange. Logically speaking, Blood Spirit Valley has always kept to itself and never fought with others. Who could be so cruel as to destroy a family?”

Bai Qian said!

The reputation of Blood Spirit Valley has always been good. Whether they are human race, demon race or beast race, they all admire Luo Shouhai’s character!

Now that something like this happens suddenly, it's really hard to guess!

"Master Luo Valley, I know that there is a monster called the Spirit Rhinoceros that can trace its aura. Even if the opponent deliberately erases the aura, this monster can recover."

Devil Mountain Ghost Lao followed Luo Shouhai and said!

After listening to the words of the Demon Mountain Ghost Elder, Luo Shouhai frowned and said: "I have also heard of this kind of monster, but where can we find this kind of monster? What's more, even if we find it, this monster will listen to us. Well, they might even attack us."

"I know this spiritual beast. There is such a beast in the Spirit Beast Valley. I can help you get one."

Chapter: 5745

Bai Qian heard this and said quickly!

As a member of the Three Sovereigns and Four Kings of the Beast Clan, Bai Qian shouldn't have much of a problem getting a monster!

"Spiritual Beast Valley, is that the Lion King's territory, right?"

Huofeng said after hearing this!

"Yes, it's the Lion King's territory, but he won't be stingy if you ask him for a telekinesis beast, not to mention you are here!"

Bai Qian looked at Huofeng and said!

"That's right, it's just a telepathic beast. Back then, the Lion King took advantage of me a lot!"

Huofeng said very proudly.

Although Chen Ping didn't know what a spiritual beast was, he heard what they said, so he said, "Then I'll follow you two and get a spiritual beast quickly."

"Okay, let's go..."

Bai Qian nodded!

Chen Ping followed Ji Yun and told him a few words, asking Ji Yun to help Luo Shouhai with his funeral arrangements!

He followed Huofeng and Bai Qian and headed straight to the Spirit Beast Valley!

Spiritual Beast Valley is on the other side of Tianmo Mountain, thousands of miles away. Even if Chen Ping and the others were traveling at full speed, it would probably take them a day and a night!

But if Chen Ping masters the fire step and can move a hundred miles in one step, it won't take long. Now they can only fly in the air and hurry up as soon as possible!

In a dense forest in Tianmo Mountain!

The Monkey King, the Lion King, the Leopard King and the Thousand-Faced Demon King are gathering together!

The expressions of the four of them are not very good. This time in the battlefield of gods and demons, the four of them did not gain much!

Especially the Lion King, who finally found out the whereabouts of the God King's bow, but had no way to get it back!

The Thousand-faced Demon King seemed to see what the Lion King meant, and stepped forward and patted him on the shoulder and said: "Lion King, that God King's Bow is destined not to belong to you or me, so none of us can get it, let alone get it. , we can't use it either."

"The God King's Bow has been stored on your territory for so many years. You can't even pull it out from the mountain, let alone pull it, so don't even think about it."

"This time in the battlefield of gods and demons, although we didn't gain much, we still gained something. We should go back to our respective families and practice hard. The power of our orcs is too low now."

After hearing the words of the Thousand-faced Demon King, the Lion King seemed to be relieved. After all, even if the God King's bow was given to him, he would have difficulty picking it up!

"This time, the Fox Princess has made a profit. Maybe in the future, among our three emperors and four kings, the Fox Princess will become the boss."

Chapter: 5746

The Leopard King said with some envy!

"It doesn't matter who is the boss. We orcs still need to unite, otherwise it will be more difficult to gain a foothold in this human world."

"Let's all go back to our homes. I'm leaving too..."

After the Thousand-faced Demon King finished speaking, he turned around and prepared to leave!

But just as the Thousand-faced Demon King turned around, dozens of rays of light suddenly appeared around him!

Then dozens of figures surrounded the four of them, the Thousand-faced Demon King!

When the four people saw this, they all became alert instantly!

When he saw clearly who was coming, the Thousand-faced Demon Emperor took a step forward and said, "It turns out he is from the five major sects. I wonder what you want to do?"

People from the five major sects all looked at the four Thousand-faced Demon Emperors with eager eyes, with murderous intent in their eyes!

"Thousand-faced Demon Emperor, the four of you come with us..."

Sect Leader Luo stood up and said!

"Sect Leader Luo, I wonder what's going on? We seem to have little contact with your five major sects. I think it's better to just tell us if there's something going on."

Thousand-faced Demon King said!

"Thousand-faced Demon Emperor, stop fucking pretending, just follow me when I ask you to follow me. Where is there so much nonsense?"

Sect Master Hai shouted angrily!

The Thousand-faced Demon Emperor's face instantly turned cold. Although their realm was not as high as that of the five major sect masters, in terms of status, the three emperors and the four kings were as good as the human sect masters!

Now, Haizongzhang just cursed, which made the Thousand-faced Demon Emperor look ugly. However, the Thousand-faced Demon Emperor did not retaliate. After all, the opponent had many people and strength, and a good man would not suffer the immediate disadvantages!

"Hai Dafu, what the hell are you talking about? Why do you want to follow you? Are you bullying us just because you have more people?"

The Lion King stared at the Hai Sect Master with dissatisfaction and said angrily!

The Lion King's territory is in the Tianmo Mountain area, and he is relatively familiar with the five major sects, so he is not afraid of them at all!

The Lion King knows that people from the five major sects, as human sects, will not kill people casually, especially in the area of the Demonic Mountain in the Southern Territory!

Regardless of whether they are humans, demons, or beasts, they all maintain courtesy and large-scale fights rarely occur!

Now people from the five major sects suddenly surrounded them, and the Lion King was not afraid. He didn't believe that these people dared to take action!

If there is a large-scale dispute between the Yin Qi Beast Clan and the Human Race, the five major sects cannot afford it!

Chapter: 5747

"Lion King, if I ask you to follow me, just follow me. Stop talking nonsense. If you dare to say one more thing today, do you believe I will kill you?"

The aura on Hai Dafu's body surged, and he suddenly pressed towards the Lion King!

The sect leaders of the five major sects are stronger than Lion King and the others, and their opponents have more people. If a fight really breaks out, Lion King and the four of them are no match at all!

The Lion King also roared, his aura erupting, ready to take action at any time!

At this moment, the two sides immediately became tense and were about to take action!

"Lion King, don't be impulsive!"

The Thousand-faced Demon King still has sense. He knows that they will definitely suffer in a fight. Maybe all four of them will die here!

So he stopped the Lion King from taking action impulsively!

“Sect Master Luo, if you have something to say, please tell me, and we will just go with you...”

Thousand-faced Demon King said quickly!

Seeing this, Sect Master Luo said to Hai Dafu: “Sect Master Hai, since they are willing to follow us, don’t take action...”

Hai Dafu snorted coldly and took back his breath!

Although the Lion King was dissatisfied, there was nothing he could do. After all, he really couldn’t defeat the people of the five major sects!

“Thousand-faced Demon King, let’s go...”

Sect Leader Luo said!

The four Thousand Faced Demon Kings could only follow Sect Leader Luo and the others to the five major sects!

The five major sects are in a depression south of Tianmo Mountain. To get to the five major sects from Tianmo Mountain, you have to pass through Fancheng of the Sheng family!

Originally, the area of the five major sects was a deserted land!

Later, five major sects established sects here, and the place became prosperous!

The five major sects are located in the direction of the Five Elements and Bagua. They are not far apart and take care of each other!

And in the middle of the five major sects, there is a tall building made of stones!

This is the central hub of the five major sects, and the five major sect masters usually hold meetings here!

The Thousand-faced Demon King and others were taken into the high-rise building, and then they were watched eagerly by the sect leaders of the five major sects!

“Sect Master Luo, now that we have been brought to the land of your five major sects, shouldn’t it be time to tell us why we were brought here?”

Chapter: 5748

The Thousand-faced Demon King asked Sect Leader Luo displeasably!

But before Sect Master Luo spoke, Hai Dafu said: “What are you pretending to be? Why are you brought here? Don’t you know it in your heart? What did you do on the battlefield of gods and demons? Don’t you know it in your heart?”

Hai Dafu’s words made the Thousand-faced Demon King and others feel puzzled. They didn’t know what they meant!

“Sect Master Hai, what did we do on the battlefield of gods and demons?”

The Thousand Faced Demon King asked in confusion!

“Pretend, just pretend, I’ll see how long you keep pretending.”

Hai Dafu snorted coldly!

“Hai Dafu, say what you fucking say. If you can’t, kill us. You are outnumbered and we admit defeat.”

“But if you can’t explain the reason, you will detain us and humiliate us casually. Believe it or not, we will try our best to launch a wave of beasts, but we will die together with your five major sects...”

The Lion King stared and said loudly!

Seeing the unconvinced look of the Lion King, Hai Dafu was about to speak, but was stopped by Sect Master Luo, and then said: “Thousand-faced Demon King, do you know the five outstanding men of our five major sects?”

“I know you. The Five Outstanding Disciples are the most promising disciples selected by your five major sects. How could you not recognize them!”

Thousand-faced Demon King said!

“Okay, now that we know each other, it’s easy to say that five of us heroes entered the battlefield of gods and demons and died in it.”

Sect Leader Luo said!

“What does death in there have to do with us? Do you suspect that we killed the five outstanding men?”

The Thousand-faced Demon King frowned and said!

“It was either suspicion or you killed him. You helped Chen Ping kill our five outstanding men.”

“Then Chen Ping alone cannot be the opponent of the Five Heroes, so a few of you guys from the Three Sovereigns and Four Kings helped to kill our Five Heroes.”

Hai Dafu said angrily!

“Hai Dafu, you are slanderous. What evidence do you have that we helped Chen Ping kill your five outstanding men?”

The Lion King retorted!

This matter is not trivial and must be clarified. The Lion King also knows the status of the five outstanding men among the five major sects!

Chapter: 5749

“Am I slandering others?” Hai Dafu’s face was full of anger. He took out the storage bag of the five outstanding men and threw it in front of the Lion King: “This is the storage bag of our five outstanding men. It fell out from Chen Ping. That Chen Ping No matter what state he is in, it is impossible for him to kill five of our outstanding men.”

“If it wasn’t a few of you Three Sovereigns and Four Kings who helped Chen Ping kill our five outstanding men, then who would it be?”

“And the Fox Princess among you has been following Chen Ping, how dare you say that you didn’t help her do it?”

Looking at the storage bag on the ground, the Lion King looked at the Thousand-Faced Demon King with some confusion!

The Lion King is well aware of the strength of the five outstanding men. Although those five people cannot compare with them, they are definitely the best among the younger generation!

It is absolutely impossible for Chen Ping himself to kill the five outstanding men!

But they did not help Chen Ping kill anyone!

Seeing Lion King's expression, Hai Dafu was even more convinced that it was Lion King and several others who did it!

"Hmph, you dare to take it seriously. Are you orcs all shy and afraid to admit it?"

Hai Dafu snorted coldly!

"Sect Master Hai, we did not help Chen Ping kill the five outstanding men. You only saw this storage bag falling out of Chen Ping's body. Can you see us helping him kill him?"

"These are just speculations, there is no evidence at all!"

The Thousand-faced Demon Emperor argued vigorously!

Hai Dafu wanted to speak, but Sect Master Luo preempted him and said: "Okay, since you want evidence, then we will arrest Chen Ping and make him confess on the spot. However, during this period, you must abide and cannot leave here." ! "

"Why don't you let us leave?"

The Lion King roared!

"With my fists, if you can defeat me, I can let you go..."

Sect Master Luo clenched his fists and said!

When the Lion King saw this, he could only suppress his anger and didn't dare to say anything!

Seeing that the Lion King was silent, Sect Master Luo waved his hand and said: "Lock them up..."

.....

“Ahead is the Valley of Spiritual Beasts, we’ll be there soon...”

Bai Qian glanced at the surrounding terrain and said!

Chen Ping and the others had spent a lot of spiritual energy on their way. Chen Ping regretted a little, so he might as well take Ji Yun’s flying boat!

Chapter: 5750

Now Chen Ping only hopes to successfully obtain the Rhinoceros Beast!

Soon, Chen Ping and the others arrived at the Spirit Beast Valley. When Chen Ping looked at the mountain peak not far from the Spirit Beast Valley, he was stunned!

Chen Ping felt that this mountain peak was very familiar, as if he had seen it somewhere before!

“It’s here, it turns out to be here...”

Chen Ping suddenly screamed!

This is the mountain peak where he got the God King’s Bow. At that time, Chen Ping didn’t know that this was the world of heaven and man!

I didn’t expect that this place belongs to the territory of Tianmo Mountain!

At that time, the evil demon appeared and made Chen Ping return to the secular world!

It seems that the Yin Demon is in the Heavenly Demon Mountain. Maybe the Wind Demon and the Blood Demon are also in the Heavenly Demon Mountain!

After all, this Heavenly Demon Mountain is considered a paradise for the demons in the world of gods and humans!

You won't be hunted here!

"Chen Ping, have you been to the Spiritual Beast Valley?"

Bai Qian heard Chen Ping's scream and asked curiously!

Chen Ping didn't speak. He didn't know what to explain to Bai Qian!

But Bai Qian quickly reacted and said: "Oh, I remembered it, you must have been here, because the mountain peak not far away is where the God King's Bow is stored. If you got the God King's Bow, you must have been here. That mountain peak, I almost forgot..."

"Below the mountain peak is the Valley of the Dead, and in front of the Valley of the Dead is the Valley of the Spiritual Beasts!"

"Look at the environment of the Spirit Beast Valley, but it's different from the Valley of the Dead..."

Chen Ping saw a huge valley surrounded by green trees and flowers, with small streams winding through it!

And in the valley, big birds were flying in groups, and there were all kinds of wild beasts running around!

And there are many buildings in the valley, and all kinds of monsters are peaceful!

Who would have thought that such a beautiful place would turn into a Valley of the Dead and be completely silent as it goes deeper!

“This Spirit Beast Valley is doing pretty well. I didn’t expect that rough guy like the Lion King to be able to manage such a good place!”

Huofeng couldn’t help but admired when he saw the Spirit Beast Valley!

“It is precisely because this lion king has a rough temper that he is able to manage this beast tribe well.”
