

The Order 5781

Chapter: 5781

“Okay, please stop flattering me. None of you are allowed to reveal my current identity.”

“I can only walk as an orc now. When you find Tianmo Mountain, remember to contact me. I have a sound transmission jade slip here. I will give you one to facilitate our contact.”

“You have to cherish it. This sound transmission jade slip cost me a lot of spiritual coins...”

Feng Mo gave Chen Ping a sound transmission jade slip and said!

Looking at the sound transmission jade slip in Feng Mo’s hand, Chen Ping couldn’t laugh or cry for a moment!

It seems that the various talisman masters in the human world are really lacking to the extreme!

Even these big demons can’t refine simple spells!

“Senior Feng Mo, you should keep it for yourself. I have dozens of sound-transmitting jade slips here. I will give them all to you. As long as you miss me, you can use them. There is no need to be reluctant to part with them!”

“I can refine hundreds of these in a short time...”

Chen Ping took out dozens of sound transmission jade slips from the storage ring and said!

“Depend on.....”

Feng Mo looked at the dozens of sound-transmitting jade slips in Chen Ping’s hand and could only curse.

Feng Mo was not polite, took dozens of jade slips of sound transmission, and then left!

Looking at Feng Mo's back, Devil Mountain Ghost Elder was still in a daze. He didn't expect that he would actually see the Feng Mo Ancestor!

After Feng Mo left, Chen Ping said to Luo Shouhai and Mo Shan Gui Lao: "I met people from Wuhun Palace on the road and brought them here..."

"People from the Soulless Palace? Aren't they trying to kill you? These people are all lackeys of the Demon Sealing Alliance..."

Luo Shouhai asked in confusion!

"Now the people from Soulless Palace want to break away from the Demon-Sealing Alliance, so I brought them here. This Blood Spirit Valley is big enough. If the people from Soulless Palace are here temporarily, I don't think it is possible for the Demon-Sealing Alliance either. Thought-of."

Chen Ping said!

"If these people don't target Mr. Chen, I have no objection to letting them stay in Blood Spirit Valley!"

Luo Shouhai said!

"Okay, I'll take you to meet..."

After Chen Ping finished speaking, he took Luo Shouhai and Moshan Guilao to meet Song Tianhai in the Soulless Palace!

Because they are both demons, we quickly became familiar with each other!

From now on, we will stay in the Blood Spirit Valley after the Soulless Palace, so that we can temporarily avoid the Demon-Sealing Alliance!

Chapter: 5782

Chen Ping asked Huofeng to take the Rhinoceros Beast to familiarize himself with the atmosphere of Blood Spirit Valley, while he himself has been studying the clock in seclusion!

Three days later, the Rhinoceros Beast became familiar with the aura of Blood Spirit Valley, and its relationship with Huofeng became even deeper!

During this period, Luo Shouhai was a little impatient!

He really wanted to know who was it that killed the entire Blood Spirit Valley!

“Huofeng, how’s it going?”

Chen Ping asked Huofeng!

“No problem.” Huo Feng said confidently!

“Well, let this spiritual beast find out who’s aura stayed in the Blood Spirit Valley before we came to the Blood Spirit Valley!”

“Then let the consonant beast follow the aura, and we’ll follow him to see who did it.”

Chen Ping said to Huofeng!

Huofeng nodded, and then followed the rhinoceros beast to explain!

Even though this rhinoceros beast has just been born, it is very sensitive to breath!

I saw the rhinoceros beast circling the Blood Spirit Valley, and then lingering at the entrance of the valley!

After a full quarter of an hour, the rhinoceros beast roared toward the southeast, and then ran quickly!

When Chen Ping and the others saw this, they quickly followed!

Jin Dong and Luo Xi did not follow and asked them to stay and take care of the Blood Spirit Valley. Besides, the people from Soulless Palace had just come to the Blood Spirit Valley and there were still many places they were not familiar with!

.....

Yecheng! Ye family!

Elder Chu and Ye Liancheng were both sitting in the Ye family hall!

Three days have passed, but there is no news from the Soulless Palace!

“Master Ye, it seems that the guys in the Soulless Palace have really betrayed. Three days have passed and there is no news at all.”

Elder Chu said with a solemn expression!

This time, he brought Zuo Xuan to Tianmo Mountain, but Zuo Xuan died, and the people in Wuhun Palace also rebelled. Elder Chu didn't know how to follow Zuo Tianzheng!

“Don't worry, Elder Chu. As long as these guys from the Soulless Palace don't leave the Tianmo Mountain, they will be found sooner or later.”

Ye Liancheng comforted Elder Chu and said!

“Master Ye, how are things going with the Sheng family in Fancheng? The alliance leader has personally invited the Sheng family many times to join the Demon Sealing Alliance, but the Sheng family has always resisted.”

“If this Sheng family can join our Demon-Sealing Alliance, our Demon-Sealing Alliance will have our own formation master, and we can use various spells at will.”

Elder Chu said!

After all, the Sheng family is a well-known magic and talisman family, and everyone wants to win over them.

“Don’t worry, Elder Chu. It won’t take long before the Sheng family will beg to join the Demon Sealing Alliance.”

Ye Liancheng raised the corners of his mouth slightly, his face full of confidence!

Chapter: 5783

Chen Ping and the others are still running after the rhinoceros beast!

I’ve been running for a whole day, but the rhinoceros has no intention of stopping yet!

“Is this rhinoceros okay? Where is it going?”

Bai Qian glanced at the telepathic beast running in front and asked with some displeasure!

“We are reaching the boundary of Fancheng ahead. Going forward is the headquarters of the five major sects. After passing the five major sects’ residences, we are out of the Tianmo Mountain area.”

Luo Shouhai was also a little puzzled as to why this rhinoceros beast brought them all the way here!

“Fancheng? Is it Fancheng where the Sheng family is located?”

Chen Ping asked!

“Yes, that’s Fancheng where the Sheng family is located!” Luo Shouhai nodded!

“Could it be someone from Fancheng who attacked Blood Spirit Valley?”

Chen Ping asked in confusion!

“It’s impossible. Except for the Sheng family who have some strength in Fancheng, the others are just young Fusion Realm monks. It’s impossible for them to destroy our Blood Spirit Valley.”

“Even if all members of the Sheng family are mobilized to destroy our Blood Spirit Valley, I’m afraid it won’t be easy. After all, they specialize in magic spells and talismans, and their real strength is not that strong.”

“Besides, our Blood Spirit Valley follows the Sheng family without any grudges, and the Sheng family has no reason to do this!”

Luo Shouhai directly denied Chen Ping!

“Then it’s a bit strange that this rhinoceros beast is running in this direction. Where else can there be other places in this direction besides Fancheng?”

Chen Ping asked!

“There is another Yecheng, not far from Fancheng. This Yecheng has the Ye family, which is considered the largest family. The name of Yecheng was also changed from the Ye family.”

Old Devil Mountain Ghost replied!

“Ye City?” Chen Ping seemed to have never heard of this name, so he asked Luo Shouhai: “Master Luo Valley, do you, Blood Spirit Valley, have any grudges against the Ye family in Ye City?”

Luo Shouhai shook his head: “No, this Ye family is very mysterious. It seems that they rarely interact with sects like Tianmo Mountain. This time the battlefield between gods and demons is opened, the Ye family is not involved!”

“Don’t worry about anything else for now. I’ve been running around all day, so let’s find a place to rest.”

Bai Qian said angrily!

“Yes, let’s take a rest. Anyway, the rhinoceros beast has remembered the aura, so we can continue to look for it tomorrow.”

Chapter: 5784

“This little chimera is so small, I’m afraid I’ll tire it out...”

Huo Feng felt sorry for the little rhinoceros beast. He was tired after running for so long!

After all, he started working not long after he was born!

Seeing Bai Qian and Huo Feng both saying this, Chen Ping could only nod and said: “Okay, let’s go to Fancheng in front to take a rest, just in time to visit the head of the Sheng family.”

After coming out of the battlefield of gods and demons, Sheng Bushi warmly invited Chen Ping. Now that he has this opportunity, Chen Ping also wants to visit!

Seeing that Chen Ping was going to Fancheng, Luo Shouhai and the Demon Mountain Ghost Elder looked at each other, and then said slightly awkwardly: “Mr. Chen, although no one in the Demon Mountain area deliberately targets us demon cultivators, we cannot easily Step into the human town.”

“We can rest here and wait for you. For cultivators, it doesn’t matter where you rest.”

“I’m not going to Fancheng either. I’m going to take the rhinoceros with me and catch some game for it in the mountains and forests.” Huofeng didn’t plan to go to Fancheng’s Sheng family either.

“Okay, let the three of us go, and we’ll rush back to meet up early tomorrow morning.”

After Chen Ping finished speaking, he led Ji Yun and Bai Qian towards Fancheng!

Fancheng is a small town, and the city gate looks a bit old!

After entering Fancheng, no one stopped Chen Ping and the others, but when they walked into the city gate, they couldn’t even see a guard!

Chen Ping inquired about the Sheng family. In the entire Fancheng, almost everyone knew about the Sheng family!

Soon Chen Ping found the Sheng family under the guidance of passers-by!

Arriving at Shengjia, the door of Shengjia was closed!

Looking at the closed door, Bai Qian was a little confused and said, “The Sheng family is considered a wealthy family in Fancheng. Why did they go to bed so early and close the door?”

“Normally it shouldn’t be. It’s impossible for such a big family to close so early. It’s really strange.”

Ji Yun also felt very strange!

It’s not too late now, but the door of the Sheng family is closed, which is a bit abnormal!

“Ji Yun, go knock on the door and have a look...”

Chen Ping also frowned slightly and asked Ji Yun to knock on the door!

He wanted to see why the Sheng family closed so early and if something happened!

Ji Yun stepped forward and knocked on the door. After knocking for a long time, the door was opened from the inside!

“Knock, knock, knock, what are you knocking on? Who are you, knocking on our Sheng family’s door randomly?”

Chapter: 5785

A young man who looked young shouted angrily!

Seeing that the other party’s face was full of anger as soon as he opened the door, and his tone of voice was not right, Ji Yun also became angry instantly!

“What’s wrong with knocking? Can’t you knock on the Sheng family door?”

Ji Yun replied with a cold face?

The young man was stunned and was about to curse, but Chen Ping stepped forward quickly and said with a smile: “Fellow Taoist, we are here to find your family master. My name is Chen Ping. Please let me know...”

Chen Ping believed that as long as the gatekeeper told Sheng Bushi his name, Sheng Bushi would definitely come to greet him in person!

But who would have thought that the young man waved his hand and said: “Our master is in retreat, and no one has disappeared...”

“Retreat?” Chen Ping’s face was full of surprise. How long had it been since he came out of the battlefield of gods and demons? Why did he go into seclusion?

“Then I’ll find Sheng Jiayue, brother and sister Sheng Jiahui, too...”

Chen Ping felt that Sheng Bushi was in seclusion, so brother and sister Sheng Jiayue and Sheng Jiahui were always there!

“The two of them are also in seclusion...”

The young man said impatiently!

“Also in seclusion?” Chen Ping looked surprised. How could these two brothers also be in seclusion?

At this moment, Chen Ping’s brows were already furrowed!

“What about the great elder? I can also ask the great elder.”

Chen Ping continued to ask!

He didn’t believe it. All the people he knew had gone into seclusion!

“The Great Elder is not in retreat, but the Great Elder has something to do and is not here right now.”

“You’d better leave and come back later!”

The young man waved his hand, and then impatiently closed the door!

Chen Ping blocked the door and didn’t let the young man close it!

“What are you going to do? I told you to come back later. If you don’t leave, don’t blame me for being rude...”

The young man said with a gloomy expression!

“Fuck you, who are you being rude to?”

Chapter: 5786

“You’re a fucking watchdog. You dare to talk to Mr. Chen like this. You’re really tired of living!”

Ji Yun stepped forward and kicked the young man to the ground!

Ji Yun has changed a lot during this period of following Chen Ping, but the attitude of this young man now really makes Ji Yun intolerable!

Chen Ping didn’t blame Ji Yun. This young man really needed to be dealt with!

The young man stood up and glared at Ji Yun and Chen Ping: “You dare to attack our Sheng family. You are turning against you. Someone is coming. Someone wants to break in...”

Following the young man’s shouting, an old man and a dozen monks soon swarmed in!

“What’s going on? Who dares to break into my Sheng family?”

The old man asked with an angry face!

The young gatekeeper pointed at Chen Ping and Ji Yun and said, “Second elders, they are the ones. I told them that the head of the family was in seclusion, but they wanted to force their way in...”

The second elder looked at Chen Ping and Ji Yun, his eyes full of disdain!

Ji Yun is in the Fusion Realm, and Chen Ping is in the First Level Tribulation Realm. In this realm, even if the Sheng family studies spells and talismans, they are still much better than Ji Yun and Chen Ping in terms of cultivation realm!

“Who are you? Why do you want to break into my Sheng family? If you can’t give me a reason to convince me, then don’t blame me for being rude.”

The second elder snorted coldly.

“We are friends of Master Sheng. We came here specifically to visit, not to cause trouble.”

Chen Ping said calmly!

“A friend of our master?”

The second elder looked at Chen Ping, then sneered and said: “How can our family master have a friend like you? Do you want to enter our Sheng family, get close to us, and get some talismans?”

“I’ve seen people like you a lot. No matter whose friend you are, if you want to get the formation talisman, you must spend spiritual coins to buy it.”

“I’m really a friend of Master Sheng. If you don’t believe me, just ask Master Sheng.” Chen Ping said with a frown!

“Our head is in seclusion, so we can’t ask.” The second elder rolled his eyes!

“Then you can ask Sheng Jiayue, Sheng Jiahui brother and sister, they also know me.”

Chen Ping said!

“I won’t ask anyone. Get out of here right now, otherwise don’t blame me for being rude...”

The second elder waved his hand, and more than a dozen monks surrounded Chen Ping and Ji Yun!

Chapter: 5787

Chen Ping frowned and his face turned cold and terrifying!

He just came to visit the Sheng family, but he didn’t want the Sheng family to be unreasonable at all!

And Chen Ping had a vague feeling that something had happened to the Sheng family!

Chen Ping couldn’t tell exactly what happened!

“I won’t leave if I don’t see Master Sheng today...”

Chen Ping said coldly!

“Okay, since I won’t leave, I’ll drive you away...”

The second elder gave a signal with his eyes, and more than a dozen monks took action towards Chen Ping and Ji Yun!

These monks are at the first or second level of the Tribulation Realm, as well as the Fusion Realm. It can be seen that the overall strength of the Sheng family is still weak!

“I didn’t want to take action. Since you forced me, don’t blame me...”

The aura on Chen Ping’s body exploded instantly!

In the blink of an eye, no one saw how Chen Ping moved, and all the dozen monks from the Sheng family flew out!

These first and second level monks in the Tribulation Realm have long been unable to enter Chen Ping's eyes!

Not to mention those Fusion Realm monks, they couldn't reach Chen Ping at all and were blown away by Chen Ping's explosive aura!

Seeing the sight in front of him, the second elder suddenly looked shocked, and then shouted angrily: "Good boy, come to our Sheng family to pretend to be a pig and eat the tiger. Do you think our Sheng family is so easy to bully?"

"Set up the formation. No one of these two people can leave today..."

The Sheng family is a family of spells and talismans, so they are the most proficient in forming formations!

But just as the second elder finished speaking, a terrifying aura suddenly hit him, causing the second elder's body to retreat continuously, and the other monks all fell directly to the ground!

"Is this how your Sheng family treats guests? Your family master personally invited us, are you avoiding us now?"

Bai Qian slowly walked in from outside!

The aura of the seventh-level Tribulation Realm on Bai Qian's body made the second elder's expression extremely ugly!

If at first, he didn't look down on the strength of Chen Ping and Ji Yun, but now that Bai Qian has appeared, the second elder doesn't dare to look down upon them anymore!

“You are the Fox Princess among the Three Sovereigns and Four Kings, right? I’m sorry, I’m disrespectful...”

The second elder recognized Bai Qian and hurriedly approached him!

Bai Qian glanced at the second elder coldly and snorted: “Let your family master come out, I don’t have time to follow you.”

“Fox Princess, our head has really gone into seclusion...”

The second elder is very embarrassed!

“What about his two children?” Bai Qian asked!

“this.....”

The second elder opened his mouth, not knowing how to answer!

“Second Elder, since the other party is my elder brother’s old friend, please invite them in, and then ask Jiahui to come out. After all, they came all the way.”

At this time, a middle-aged man wearing a blue shirt came over and said!

Chapter: 5788

“Second Master, they...”

When the second elder saw the person coming, he was about to say something, but was stopped by the middle-aged man!

“Okay, stop talking and go hand over Jiahui. Since you are a friend, you should receive her.”

The middle-aged man said!

“Understood, I will go and invite the eldest lady myself...”

The second elder nodded and then left!

The middle-aged man walked up to Chen Ping and said with a smile: “I’m really sorry, these servants don’t understand the rules.”

“My name is Sheng Tiantai, and my brother is Sheng Bushi. Since you are familiar with my brother, you are a guest. I wonder what I call this fellow Taoist?”

When Chen Ping saw that the other party was so warm and polite, some of the doubts in his heart were dispelled!

“My name is Chen Ping, this is my friend Ji Yun, and this is...”

Chen Ping pointed at Bai Qian and said!

“This needs no introduction. I’ve heard of the famous Fox Princess for a long time.”

Sheng Tiantai laughed and said!

Just when Chen Ping was chatting with Sheng Tiantai, Sheng Jiahui came!

After seeing Chen Ping, Sheng Jiahui was a little surprised and said, “Mr. Chen, why are you here?”

“I’m just passing by here to pay a visit to Master Sheng!”

Chen Ping explained!

Hearing Chen Ping talk about visiting his father, an imperceptible look flashed across Sheng Jiahui's face for an instant, but after taking a look at Sheng Tiantai, Sheng Jiahui put a smile on her face again!

"Jiahui, since you are here to visit big brother, you should entertain him. Remember to entertain him well!"

Sheng Tiantai warned Sheng Jiahui and then took the people away!

Just after Sheng Tiantai left, Chen Ping asked Sheng Jiahui, "Miss Sheng, did something happen to your Sheng family?"

Sheng Jiahui was stunned for a moment, then immediately shook her head and said: "It's nothing, Mr. Chen should go to my room and sit down..."

Sheng Jiahui led Chen Ping and the others towards their room!

But the change in the expression on Sheng Jiahui's face just now was already captured by Chen Ping!

Chapter: 5789

Arriving at Sheng Jiahui's room, Sheng Jiahui asked Chen Ping and others to sit down, and then personally entertained a few people!

Seeing Sheng Jiahui busy, Chen Ping frowned slightly!

"Mr. Chen, does the eldest lady of the Sheng family have to do it herself without anyone to take care of her?"

Ji Yun asked a little strangely!

After all, he has also been a young master, and he knows that in this kind of family, there are servants to serve, so there is no way for the eldest lady to be busy by herself!

Bai Qian was also surprised and said: "I think this Sheng Jiahui seems a little strange..."

Chen Ping said nothing and kept observing Sheng Jiahui!

While making tea for Chen Ping and the others, Sheng Jiahui brought it over!

"Mr. Chen, please have tea..."

Sheng Jiahui asked very politely!

Chen Ping nodded, and after sipping the tea, he asked: "Miss Sheng, is the Master of the Sheng family really in retreat?"

"Ah..." Sheng Jiahui groaned, then nodded and said, "Yes, my father is in retreat!"

"Since Master Sheng is in retreat, then we..."

Chen Ping wanted to say goodbye. After all, Sheng Bushi was in retreat, Sheng Jiahui looked wrong, and Chen Ping didn't want to stay any longer!

But before Chen Ping could finish his words, Sheng Jiahui said first, "Mr. Chen, are you leaving? My father has gone into seclusion, so I won't keep you here..."

Sheng Jiahui was actually chasing Chen Ping and the others, which made Chen Ping even more surprised!

No matter what, Chen Ping helped the Sheng family a lot in the battlefield between gods and demons, and even saved Sheng Jiahui. No matter what, it was impossible for Sheng Jiahui to chase Chen Ping, but now Sheng Jiahui did this, which made Chen Ping aware of it. There must be a reason!

“Miss Sheng, I don’t want to leave, I just want to stay here for one night and have a good rest!”

Chen Ping changed his mind and decided to stay in the Sheng family!

“Mr. Chen, my father is in seclusion. It’s really hard for me, a girl, to entertain you for the night. You’d better leave!”

Sheng Jiahui actually took the initiative to drive Chen Ping away with an anxious look on her face!

Chen Ping frowned slightly and said, “Miss Sheng, did something happen? If something happens, just tell me and maybe I can help you...”

“No, nothing happened!”

Sheng Jiahui shook her head, but her eyes looked out the window from time to time!

Chapter: 5790

Chen Ping glanced out the window, and then winked at Bai Qian!

Bai Qian nodded understandingly and rushed out of the room quickly!

Then there were two screams, the sound was so low that only Chen Ping and the others could hear it!

Then Bai Qian walked in carrying two corpses!

Seeing these two corpses, Sheng Jiahui suddenly panicked!

“Mr. Chen, how can you kill people? You should leave quickly, otherwise it will be too late...”

Sheng Jiahui urged Chen Ping anxiously!

“Miss Sheng, what happened to your Sheng family? If you don’t tell me clearly, I won’t leave.”

Chen Ping said firmly!

Seeing the determination on Chen Ping’s face, Sheng Jiahui could only sigh and said, “Hey, to be honest with Mr. Chen, something big has happened to our Sheng family!”

“My father and brother were both controlled, and the great elder was killed by them. The entire Sheng family now belongs to my second uncle.”

“When we went to the battlefield of gods and demons, my second uncle was determined to seek the position of the head of the family, so he did not go with us. Instead, he stayed in the Sheng family and joined forces with several other elders to plot rebellion.”

“As soon as we came back, they took action. Fortunately, my father swore not to tell anything about what we gained from the battlefield of gods and demons. My second uncle hasn’t killed us yet. He wants to know what treasures we got from the battlefield of gods and demons!”

Tears flowed from Sheng Jiahui’s eyes, and then she wiped her tears and continued: “I asked Mr. Chen to leave for the sake of Mr. Chen’s safety. I hope Mr. Chen can understand my difficulties.”

“You should leave quickly before your second uncle has murderous intentions for you, otherwise it will be too late...”

Chen Ping listened to Sheng Jiahui’s words, then shook his head and said: “I can’t leave. Since your second uncle let us in, it’s revenge for the murderous person. It’s impossible to leave now!”

“No, this is still a private matter of our Sheng family. My second uncle will not kill you easily.” Sheng Jiahui didn’t believe what Chen Ping said at all!

“Since you don’t believe it, I’ll let you see it...”

After saying that, Chen Ping took Sheng Jiahui out of the room!

As soon as they walked out of the room, a faint light flashed around them, and the light enveloped the entire room!

“Did you see that a magic circle has been set up here, which proves that they don’t want us to leave from here.”

Chen Ping said to Sheng Jiahui!

“Mr. Chen, your formation skills are also very powerful. This small formation cannot control you, so you should leave!”

Sheng Jiahui knew that Chen Ping’s formation skills were not comparable to those of the Sheng family!
