

## **The Order 5791**

Chapter: 5791

With the Sheng family's few tricks, it's almost impossible to control Chen Ping!

"I want to leave, but I also want to rescue the leader of the Sheng family and help your Sheng family handle things before leaving!"

Chen Ping said calmly!

"Mr. Chen, thank you for your kindness, but you'd better leave. If there are any shortcomings in your stay, I believe my father will blame himself very much, and I will blame myself too!"

Sheng Jiahui still didn't want Chen Ping to take care of them. There were people from the Sheng family everywhere here. With Chen Ping and the three of them, Sheng Jiahui was a little uneasy!

"Don't blame yourself. Even if I want to leave now, I'm afraid I won't be able to..."

After Chen Ping finished speaking, he looked straight ahead coldly!

With a wave of Chen Ping's palm, the light around the room dimmed. After the light dimmed, he found several people standing not far away!

It turns out that this magic circle not only has the ability to block, but can also hide people!

When she saw the second elder appearing, Sheng Jiahui's eyes showed a bit of fear!

"Boy, it seems that you still have some understanding of the magic circle, and you actually saw through the magic circle that I didn't want to see."

“But what you just said is very good. If you want to leave now, you can’t leave...”

The second elder raised his lips slightly!

At this time, behind the second elder, there are four monks with soaring auras, each of whom has the strength of the fifth level of the Tribulation Realm!

Because of Bai Qian’s existence, he would lead a fifth-level monk in the Tribulation Realm!

“Fox Princess, our second master said that this matter has nothing to do with you, we can let you go.”

The second elder whispered to Bai Qian!

After all, Bai Qian is at the seventh level of Tribulation Realm, and none of them want to offend Bai Qian!

“Fuck you, how could I leave Chen Ping alone? He is my little baby now.”

“Any one of you who dares to touch him is going to start a war with me.”

Bai Qian cursed angrily at the second elder!

The second elder’s face turned very ugly after being scolded by Bai Qian!

“Second Elder, this is our Sheng family’s own business. It has nothing to do with following Mr. Chen. You let Mr. Chen leave, and I can persuade my father to hand over the treasures he obtained at the battlefield of gods and demons.”

Sheng Jiahui took a step forward and followed the second elder and said!

Chapter: 5792

“Miss, I am also following orders. These are the Second Master’s wishes. If you can keep them at bay, maybe they can still have a chance to save their lives.”

The second elder showed a helpless expression!

Sheng Jiahui looked at the second elder’s expression and gritted her teeth angrily. This second elder was so bad. At this point, he still lied without blushing at all!

“You are just a bunch of rubbish, but you still want us to catch you without mercy? Are you out of your mind?”

Chen Ping said to the second elder with great disdain!

“Hmph, don’t look at our low level, but don’t forget that we are a family of magicians. I will let you taste the flames in a while.”

After the second elder finished speaking, he waved his hand and said: “Set up a formation and burn them all to death...”

Seeing this, the four monks quickly began to set up their formation. Rays of light came from everywhere, and then turned into a cage in front of Chen Ping and the others!

Chen Ping and the others were directly detained in the cage, with lightning looming around the cage!

Immediately afterwards, flames rose around the cage, and they became more and more fierce!

Sheng Jiahui’s face changed drastically, and she said nervously: “Mr. Chen, this is a cage of flames, they want to burn us to death...”

Looking at Sheng Jiahui’s nervous expression, Chen Ping comforted him calmly: “Don’t be afraid, you will burn yourself if you play with fire. They are still too young when it comes to playing with fire...”

After Chen Ping finished speaking, he waved his palms lightly, and a ball of fire jumped from his palms!

This ball of flame seemed to have life, it detached directly from Chen Ping's hand and jumped into the raging flames!

Just after the small flame jumped into the flames, the blazing flames were like a mouse seeing a cat. It started to dodge, and in the end it was extinguished!

This sudden change made the second elder and several monks dumbfounded!

Several monks became a little panicked. This was the Flame Cage, the most proud formation of their Sheng family!

Now Chen Ping extinguished the flame easily!

"Don't be afraid, even if there is no flame, they can't escape from this prison."

The second elder quickly spoke out to comfort him!

But as soon as the second elder finished speaking, he saw Chen Ping tap his fingers lightly, and the seemingly solid cage turned into specks of light and disappeared without a trace!

"this....."

The second elder was stunned. He had never seen someone break the formation so easily!

Seeing the expressions of the second elder and the others, Chen Ping smiled faintly: "I forgot to tell you. In fact, I have quite a lot of knowledge in formations, so if you want to use formations to deal with me, I'm sorry, it's useless..."

Chapter: 5793

Seeing Chen Ping break the formation easily, Sheng Jiahui felt a lot more relaxed!

“Bai Qian, I’ll leave these guys to you, but if this old guy is left alive, he’s still useful!”

Chen Ping glanced at Bai Qian and said!

“Don’t worry, I promise to complete the mission...”

Bai Qian raised the corners of her mouth!

As a seventh-level Tribulation Realm, it would be easy for her to destroy these Sheng family members!

They are all at the fifth level of the Tribulation Realm, so what if they join forces!

The second elder narrowed his eyes slightly when he saw Bai Qian leaping towards him!

“If we join forces, what can we do even if we are in the seventh level of the Tribulation Realm...”

The second elder shouted loudly!

Bai Qian looked at the people in front of her and snorted coldly: “I am the most cruel person in my life to those of you who eat in and out of things. I let you die under the whip of my aunt today. It is your fate...”

Bai Qian suddenly whipped down the whip, and a ray of light instantly flashed up!

brush!

This whip is as fast as lightning and makes a crisp sound!

The second elder and the others only felt a blur in front of their eyes and did not react at all. Bai Qian's whip had already arrived!

When the whip went down, the four monks all screamed, and their bodies were instantly torn apart!

Everyone is bleeding!

It was obvious that they were whipped once, but these people felt as if they had been tortured and whipped countless times!

The severe pain caused the four people to roll on the ground!

The miserable look made the second elder tremble all over!

Bai Qian smiled coldly and pulled out the whip in his hand again!

Snapped!

Another crisp sound!

The four screaming monks all stopped screaming instantly, their eyes widened, they were already dead!

Chapter: 5794

Sheng Jiahui seemed a little unbearable when she saw this scene.

"Miss Sheng, don't pity these people who have betrayed them. They will only make your Sheng family doomed!"

Chen Ping persuaded Sheng Jiahui!

Sheng Jiahui nodded. She also knew that in this situation, the only way to use thunderous means was to scare the rest of the Sheng family and prevent them from following Sheng Tiantai to cause trouble. Then Sheng Tiantai alone would not be able to cause any trouble!

“Do you want to give it a try?”

Bai Qian glanced at the second elder and asked!

The second elder was dumbfounded. This was different from what he expected. Originally, he wanted to trick these four people into holding Bai Qian back so that he could escape and call for help!

But unexpectedly, when Bai Qian took action, the four of them were unable to fight back!

The second elder stopped talking and slowly lowered his head!

Seeing this, Sheng Jiahui walked forward two steps and said, “Second Elder, where are my father and brother being imprisoned? Please take me to free them.”

“You have been with my father for so many years. Why do you want to help my second uncle do this kind of thing?”

“Do you know how much loss your Sheng family has suffered due to your conspiracy?”

“It’s still too late for you to turn back now. I will persuade my father to spare your life.”

Sheng Jiahui persuaded the second elder!

Sheng Jiahui doesn’t want to continue killing each other like this, otherwise the strength of the Sheng family will be greatly reduced!

After listening to Sheng Jiahui's words, the second elder slowly raised his head, but there was no regret in his eyes. Instead, he said with a bit of coldness: "If your father is allowed to continue as the head of the family, do you think our Sheng family still has a future?"

"Let me tell you, the second master has taken over the position of head of the family and has already contacted the Demon Sealing Alliance. The Sheng family will soon become the branch of the Demon Sealing Alliance."

"Being the helmsman of the Demon Sealing Alliance, the Sheng family will have endless resources, as well as identity and status. Even if they travel throughout the world of heaven and man, who dares not to give face to the Demon Sealing Alliance."

"But your father has repeatedly refused the cooperation of the Demon Sealing Alliance. If we want the Sheng family to grow and develop, we can only do this!"

The second elder did not repent at all. He felt that what he did was right and it was for the development of the Sheng family!

After hearing what the second elder said, Sheng Jiahui was so angry that her teeth itched!

Chen Ping even slapped him!

Snapped!

This slap directly turned the second elder's face into a pig's head!

Chapter: 5795

"You are such a fucking pig. The Demon Sealing Alliance is your father. They are helping you develop. They are just using you as current people."

"The Demon Sealing Alliance has recruited countless monks with the slogan of eradicating demons and defending the Way. In fact, they are not trying to eradicate demonic cultivators, but to control those demonic cultivators and cooperate with them."

“What skills do you have in the Sheng family? Apart from being able to cast spells and talismans, what does the Demon Sealing Alliance look at in your Sheng family?”

“After you, the Sheng family, hand over all the things you know to the Demon-Sealing Alliance, you can see what the Demon-Sealing Alliance will do to you.”

“It’s so confusing…”

Chen Ping wished he could slap these two elders to death. There are still such ignorant people in the world!

If the Sheng family really joins the Demon Sealing Alliance and becomes a branch, then they will have no autonomy at all and become completely puppets!

The second elder was slapped by Chen Ping, his eyes were full of fierceness!

“Hmph, who do you think you are? You are here to take care of our Sheng family’s affairs. Now it’s in your hands. You can kill or cut into pieces as you please.”

“But I died for the prosperity of the Sheng family. I died with honor and in the right place.”

“Sooner or later, the Sheng family will remember today.”

The second elder snorted coldly and said without any fear!

Chen Ping looked at the second elder’s stubborn look and instantly lost the intention to ask any more questions!

“Bai Qian, kill this old stubborn man, kill him for me, break his head open, and let me see if there is any shit inside.”

Chen Ping said angrily!

If it weren't for the fact that he had some friendship with Sheng Bushi, Chen Ping wouldn't be too lazy to take care of the Sheng family's own housework!

After hearing this, Bai Qian nodded, and then patted the second elder on the head!

"don't want....."

Seeing this, Sheng Jiahui hurriedly stopped Bai Qian, then looked at Chen Ping and said, "Mr. Chen, the second elder is loyal to the Sheng family, he is just confused."

"I also hope that he can be spared. I believe he can wake up."

Sheng Jiahui didn't want to see the second elder killed!

The first elder has died in the internal fighting within the family. If the second elder is killed now, the strength of the Sheng family will be slowly consumed by the internal fighting!

By then, even if Sheng Bushi regains control of the Sheng family, I am afraid that the Sheng family will no longer have the strength it once had!

"Okay, now tell me where the leader of the Sheng family is being held, and I can spare your life."

Chapter: 5796

Chen Ping looked at the second elder and said!

"It's impossible. I won't let you stop the Sheng family from joining the Demon-Sealing Alliance."

“Second Master is already in contact with the Demon-Sealing Alliance. In a few days, our Sheng family will officially join the Demon-Sealing Alliance.”

“Second Master said that as long as the Sheng family joins the Demon-Sealing Alliance, the family leader can be released. By then, it will be a done deal and the family leader cannot change.”

The second elder said with an awe-inspiring tone!

Chen Ping looked at the righteous look of the second elder and became so angry that he slapped him!

However, this slap was very hard!

The second elder fainted immediately!

“Mr. Chen...” Sheng Jiahui was very surprised, thinking that Chen Ping had killed the second elder!

“He’s fine, he just fainted.”

Chen Ping explained, and then said to Ji Yun: “Lock up this stubborn old guy. It seems that I have to talk to Sheng Tiantai personally.”

Chen Ping knew that this incident all happened because of Sheng Tiantai!

If you want to solve it, you must first solve Sheng Tiantai.

Ji Yun nodded and locked up the second elder directly. In order to prevent the second elder from escaping, Chen Ping set up a magic circle around the room!

Although the Sheng family is famous for its magic circle, it is almost impossible for the second elder to break through the magic circle set up by Chen Ping.

“Second Master, it’s not good, it’s not good. The second elder led people to control those outsiders, but they were arrested and the four formation masters were also killed.”

Sheng Tiantai was getting ready to sleep in his room when he suddenly heard someone report!

Hearing this, Sheng Tiantai frowned and stood up quickly!

“What’s going on? Isn’t there a magic circle around Sheng Jiahui’s room? How did those people get out?”

Sheng Tiantai asked in surprise!

“The man named Chen Ping is also a master of formations. He easily broke the formations we didn’t expect.”

“And the Fox Princess, who is in the seventh level of Tribulation Realm, the second elder and the four formation mages, are no match for her.”

“Sheng Jiahui and a few people are coming towards you now. What should we do?”

The visitor asked in a panic!

Chapter: 5797

“Don’t panic, the situation has been decided now, even a few of them can’t change anything.”

“I will give you the token of the Sheng family now. You go to Yecheng immediately, hand it over to Ye Liancheng, and say that my Sheng family agrees to join the Demon Sealing Alliance and become the sub-ruler.”

“In addition, let him bring someone to come to the Sheng family in person and say that our Sheng family’s resources are willing to be shared with the Ye family!”

Sheng Tiantai took out a storage bag, handed it to his subordinates and warned him!

The men took one look, then nodded and left quickly!

After his men left, Sheng Tiantai did not sit idle. Instead, he took out a small porcelain bottle from the bedside and poured out some red powder!

Then use these red powders to cast a spell directly on the yellow paper!

After finishing the painting, Sheng Tiantai put the talisman in his arms, then walked out of the room and said to a Sheng family member: "Go and summon all the Sheng family members to the hall for discussion..."

"Second Master, has something serious happened? Are you gathering everyone together so late?"

The Sheng family member asked in confusion!

"What are you doing with all that nonsense? Just go if you are told..."

Sheng Tiantai frowned, stared and shouted!

The Sheng family member was so frightened that he nodded repeatedly, not daring to delay at all, and summoned all the Sheng family members to the hall!

Sheng Tiantai was sitting on the main seat, waiting quietly without saying a word!

He was waiting for Sheng Jiahui to bring Chen Ping and the others!

"What's going on today? We were summoned in the middle of the night."

“The master of the house has been in retreat for the past few days, and the second master seems to be mysterious.”

“There must be something big happening, otherwise we wouldn’t have been summoned so late at night.”

The Sheng family members below were all talking quietly, not knowing what was going to happen!

Many people are unaware of the changes that have occurred in the Sheng family. Only some people at the top know that Sheng Bushi, Sheng Jiahui and Sheng Jiayue were imprisoned. These Sheng family members thought they were in seclusion!

After all, it is impossible for Sheng Tiantai to let all the Sheng family know about this kind of thing. It might cause chaos in the Sheng family!

The imprisonment of Sheng Bushi and others was also done in secret, and they were declared to be in seclusion to the outside world!

Sheng Jiahui on the other side took Chen Ping and the others to Sheng Tiantai’s residence, but found that Sheng Tiantai was not there. After asking, she found out that Sheng Tiantai had summoned the Sheng family to the hall!

Sheng Jiahui felt that this was a good opportunity to expose Sheng Tiantai’s ugly face in front of many people in the Sheng family, so she hurried to the hall with Chen Ping and the others!

Seeing Sheng Jiahui and Chen Ping coming, Sheng Tiantai acted very calmly!

“Jiahui, this is an internal matter for our Sheng family. Why did you bring an outsider here?”

Sheng Tiantai took the lead and asked Sheng Jiahui!

When other people in the Sheng family saw that Sheng Jiahui brought an outsider into the Sheng family meeting hall, they also criticized her!

“Miss, this is the meeting hall of our Sheng family. Outsiders are not allowed to enter. How can you do this?”

“That’s right. If the head of the family knows about this, you will have to be punished.”

“Let them leave quickly, this is no place for outsiders.”

The Sheng family wanted outsiders like Chen Ping to leave!

Chapter: 5798

Sheng Jiahui listened to everyone’s discussion, her face was extremely cold, and she suddenly said loudly: “Shut up, everyone. I brought people here today to have a good talk with my second uncle about where our Sheng family should go from here.”

Hearing Sheng Jiahui’s angry shouting, everyone else shut their mouths.

“Jiahui, whatever you want to talk about, you can talk about it in front of everyone in the Sheng family...”

Sheng Tiantai said calmly!

“Okay, I want to ask my second uncle, why should my father and my brother be imprisoned? Why should the great elder be killed?”

“Do you want our Sheng family to join the Demon Sealing Alliance? Do you want to seek the position of the head of the Sheng family?”

Sheng Jiahui asked several questions in a row, and each question was very sharp!

Everyone in the Sheng family was stunned when they heard Sheng Jiahui's words!

"What? The head of the family was arrested? Wasn't he in seclusion?"

"How is this going?"

"Is the second master planning to rebel?"

Everyone in the Sheng family was talking quietly!

Listening to Sheng Jiahui's question, Sheng Tiantai smiled faintly: "Jiahui, I can tell you right now that I locked up your father and brother solely for the development of the Sheng family!"

"Our Sheng family relies on spells and talismans, but our overall strength is not very strong. Let alone the world of heaven and humans, even in the entire Southern Territory, what does our Sheng family mean?"

"If you want the Sheng family to grow and develop, you must seek cooperation. What's wrong with cooperating with the Demon Sealing Alliance?"

"I think a large number of people in our Sheng family want to cooperate with the Demon Sealing Alliance."

Sheng Jiahui was stunned. She didn't expect that Sheng Tiantai stopped pretending and admitted it directly!

This was a bit beyond her expectations!

"Even if we want to cooperate with the Demon-Sealing Alliance, it must be decided by everyone in our Sheng family, and it is not your reason to forcefully imprison my father and brother and kill the great elder."

“You release my father and brother now. If most of the Sheng family wants to join the Demon Sealing Alliance, we will never stop them.”

Sheng Jiahui now wants Sheng Tiantai to release his father and brother first!

As for joining the Demon Sealing Alliance, when his father is released, he will naturally have a way to deal with it!

“Hahaha, I can hear your little calculations here!”

Sheng Tiantai suddenly burst out laughing, then looked at everyone in the Sheng family and asked, “I want to take the Sheng family to join the Demon Sealing Alliance, are you willing to support me?”

Chapter: 5799

Everyone in the Sheng family looked at each other, no one dared to speak!

The situation is not clear at all now, and these Sheng family members don't know whether they should support it or not!

But then an old man with a slight hunchback and a thin body walked in from outside!

“I don't agree to join the Demon-Sealing Alliance. As the second master of the Sheng family, you should support the family leader's decision. Unexpectedly, you secretly imprisoned the family leader and secretly wanted to join the Demon-Sealing Alliance.”

“This is the Sheng family for all of us, not just for you Sheng Tiantai...”

The old man's voice was loud and his eyes were filled with anger!

The old man is the chief steward of the Sheng family. Although he is not a member of the Sheng family, he has served several heads of the Sheng family!

“Uncle Long...”

Seeing the old man, Sheng Jiahui was immediately happy, and her eyes became moist!

“Miss, please don’t worry. I didn’t know that such a big thing happened to the Sheng family. As long as my old man is still alive, the Sheng family will not be allowed to cooperate with the Demon Sealing Alliance. This is a rule set by the head of the family. No one can Can’t be destroyed!”

Long Bo comforted Sheng Jiahui!

When Sheng Tiantai saw the old man coming in, his expression was finally no longer calm, but became a little ugly!

“I also don’t agree to cooperate with the Demon-Sealing Alliance. It’s better to release the head of the family first.”

“Yes, release the head of the family and discuss other matters!”

“Release the master of the house!”

After everyone in the Sheng family saw Long Bo, they began to support Sheng Jiahui overwhelmingly!

It can be seen that this Long Bo has a high status in the Sheng family!

Sheng Tiantai stood up slowly and saw everyone shouting to release Sheng Bushi, so he nodded and said: “Okay, then I will release the eldest brother and decide on this matter...”

After saying that, Sheng Tiantai slowly got down from the main seat and walked towards the door of the hall!

But just when Sheng Tiantai walked to the door of the hall, a cold light suddenly flashed in his eyes, and a hand was inserted into his arms!

Then a talisman was taken out and he shouted: "Explode..."

boom!

Suddenly a large amount of red smoke filled the hall, and Sheng Tiantai took the opportunity to rush out of the hall and closed the door directly!

Chapter: 5800

"Xuehongsan, so despicable..."

Someone shouted!

The door was soon kicked open, and everyone in the Sheng family rushed out of the hall!

But everyone's face was very ugly, and cold sweat broke out on their foreheads!

They only feel that the spiritual power in their bodies is draining rapidly. Even if they stand for a while, they feel very tired!

Sheng Tiantai did not run away, but stood quietly in the yard waiting for everyone!

Because at this time everyone has been hit by the blood-red powder and has lost all their spiritual power, so they have nothing to fear!

"Sheng Tiantai, you are so despicable, you actually used this poison on your own people..."

Long Bo glared at Sheng Tiantai and said through gritted teeth!

“Hahaha, the winner is king and the loser is a thief. Now you are all in my hands. Submit to me obediently and support me. I can give you the antidote.”

“Let me tell you, I have sent someone to notify the Demon-Sealing Alliance. Soon the Demon-Sealing Alliance will send people to the Sheng family. If you wake up now, you can still save your lives.”

“If people from the Demon Sealing Alliance arrive, don’t blame me for not giving you a chance to survive!”

Sheng Tiantai laughed unscrupulously!

After hearing Sheng Tiantai’s words, everyone in the Sheng family gritted their teeth, but there was nothing they could do.

They don’t even have the strength to move now, let alone follow Shengtian Taidou!

“This guy actually got the Blood Red Powder. It seems that he has colluded with the Demon-Sealing Alliance for a long time.”

Bai Qian said angrily!

“What is this blood-red powder?” Chen Ping looked at everyone looking weak, but he didn’t seem to feel anything!

“This blood-red powder is a kind of poison among the demons. No matter how strong a person is, if they are hit by the blood-red powder, they will instantly lose their spiritual power and their body will become extremely weak.”

“However, if you take the antidote in time, there will be no serious problems. However, if you do not take the antidote in time, your body will be damaged. I am afraid that you will no longer be able to practice in the future, and in serious cases, you may lose your life.”

Bai Qian followed Chen Ping and explained!

“It seems that this guy is really a beast. He even uses this kind of poison on his own people.”

Chen Ping couldn't help but cursed!

“Mr. Chen, I'm sorry, it was me who caused you trouble...”
