

The Order 5801

Chapter: 5801

Sheng Jiahui followed Chen Ping and apologized with a face filled with shame!

If it weren't for their Sheng family affairs, Chen Ping and the others wouldn't be in this situation!

"Miss Sheng, it's just red blood. Don't be too nervous."

Chen Ping smiled slightly and said!

When Sheng Jiahui heard this, she looked at Chen Ping with a strange face. She found that Chen Ping looked very relaxed at the moment, as if he was not poisoned!

Bai Qian also looked surprised: "Chen Ping, aren't you poisoned?"

"Mr. Chen, you are immune to all poisons, so how could you be poisoned?"

Ji Yun said on the side!

Seeing that Chen Ping was not poisoned, Sheng Jiahui became happy!

"I will give you ten minutes to think about it now. Those who are willing to surrender and support me can come over now."

Sheng Tiantai glanced at everyone in the Sheng family and said!

Everyone in the Sheng family gritted their teeth, but no one moved towards Sheng Tiantai!

However, Sheng Tiantai was not in a hurry and waited quietly with a sneer on his face!

“Can I support you?”

At this time, Chen Ping walked out of the crowd and walked towards Sheng Tiantai!

Sheng Tiantai glanced at Chen Ping and said with disgust in his eyes: “You are not from our Sheng family, supporting me is useless.”

“You want to stand out, now you have to wait to become a useless person...”

Sheng Tiantai looked down upon Chen Ping at all. Even if Chen Ping compromised, he would not be able to give Chen Ping the antidote!

“A useless person? Do you mean such a useless person?”

Chen Ping smiled lightly and suddenly took action against Sheng Tiantai!

Chen Ping just slapped him away, and Sheng Tiantai was instantly slapped away, his face swollen into a pig’s head!

“You...how can you still do it?”

Sheng Tiantai covered his face, his eyes filled with disbelief!

Chapter: 5802

“Do you think a little poison can make me lose all my power? What a joke!”

Chen Ping raised the corner of his mouth: “Now take out the antidote, release Master Sheng, and then kneel down and sincerely repent, you may still be able to survive.”

Sheng Tiantai's eyes were full of ferocity, and he snorted coldly: "Boy, are you talking in your sleep? Don't you dare to kill me?"

"I tell you, no one can remove the poison from them except me. If you kill me, they will all become useless!"

Sheng Tiantai knew that Chen Ping did not dare to kill him, that's why he did this!

"You are quite confident. Who said that you are the only one who has the antidote to this poison? You don't even imagine that since I can avoid being poisoned, can't I be able to undo it?"

Chen Ping said with a sneer!

"Boy, you don't have to pretend here. Although I don't know how you didn't get poisoned, but you want to undo the poison on these people, that's just wishful thinking."

Sheng Tiantai is not stupid either. Although Chen Ping is not poisoned, it does not mean that Chen Ping can detoxify!

"Since you don't believe it, let me try it for you..."

After Chen Ping finished speaking, he looked at Ji Yun and said, "Ji Yun, come here..."

Ji Yun nodded, dragging his extremely tired body and slowly walked to Chen Ping!

Ji Yun looked like he was poisoned at first glance, and Chen Ping tapped several acupuncture points on Ji Yun's body, and found that Ji Yun spit out a mouthful of black blood, and he looked much more energetic!

When Sheng Tiantai saw this scene, his face instantly became very ugly!

He didn't expect that Chen Ping could actually detoxify!

But soon, Sheng Tiantai seemed to think of something and burst out laughing: "Boy, you don't have to lie to me. If you could detoxify, you would have killed me long ago. You just used your spiritual power to temporarily suppress him." Toxins in the body."

"I don't believe that you can suppress so many people with the little spiritual power you have. Even if you know how to refine the antidote, there is no fairy grass here, so there is nothing you can do."

"All you can do is kneel down and beg me and surrender to me. Otherwise, it won't be long before you become disabled even if you take the antidote."

Listening to Sheng Tiantai's words, Chen Ping said with great appreciation: "It's very good. I originally thought the villains were all fools, but I didn't expect you to be very smart."

"Hmph, if it weren't for my father's partiality, the position of head of the Sheng family should be mine. With my intelligence, I will definitely make the Sheng family prosperous."

Sheng Tiantai received Chen Ping's praise and even boasted about himself!

"You said you have a cough and you are still wheezing. Then I will let you see if I can refine an antidote."

After Chen Ping finished speaking, he turned around and the Shennong Cauldron appeared in the yard, and then he took out a large amount of fairy grass from the storage ring!

When he was in Huanglan City, Chen Ping got a lot of fairy grass from the Medicine Master!

Chapter: 5803

Seeing the Shennong Cauldron and a large amount of fairy grass in front of him, Sheng Tiantai was a little dumbfounded!

He really couldn't figure out who this guy Chen Ping was!

Even if you are proficient in magic, how can you still make elixirs?

Everyone in the Sheng family looked excited when they saw Chen Ping taking out the cauldron and fairy grass!

This proves that Chen Ping can really refine the antidote, and they don't have to become useless people, nor do they have to surrender to Sheng Tiantai!

"Mr. Chen is such an unpredictable person..."

Sheng Jiahui looked at Chen Ping, the emotions in her eyes were very complicated!

"Little girl, have you fallen in love with Chen Ping?"

Bai Qian asked beside Sheng Jiahui!

Sheng Jiahui's face turned red: "No...no, besides, there is a woman around Mr. Chen..."

"So what if you have women? It's normal for a man like him to have ten or eight women. If you like him, you have to fight for it."

"Tonight is a good opportunity..."

Bai Qian joked to Sheng Jiahui!

Sheng Jiahui blushed and lowered her head, not daring to speak anymore!

At this moment, Chen Ping had already put all the needed fairy grass into the Shennong Cauldron!

“Even if you have fairy grass and know how to make elixirs, it’s useless. You can’t refine the antidote at all. This kind of blood-red powder is one of the top ten poisons in the demons. If you want to refine the antidote, you must use the demons.” It’s all about the fire.”

Sheng Tiantai said loudly!

He knew that the antidote could be refined only after using demons, and Chen Ping was not a demon at all, so he could not possess the demon’s ultimate fire.

“You still want to use the Demonic Ultimate Fire?”

Chen Ping said pretending to be surprised!

“Huh, in the end, you still have to beg me obediently...”

Seeing Chen Ping like that, Sheng Tiantai regained hope!

But then, something happened that shocked Sheng Tiantai!

I saw Chen Ping snap his fingers, and a ball of flame jumped at his fingertips!

Chapter: 5804

The flames turned red and were then thrown into the air by Chen Ping.

The flames burst into flames, and the hot feeling instantly spread throughout the Sheng family residence!

“Is this the Demonic Fire you are talking about?”

Chen Ping looked at Sheng Tiantai and asked with a smile.

Sheng Tiantai's eyes widened and he pointed at Chen Ping in disbelief: "You...how can you become a demon? Are you a demon?"

"You don't care if I am a demon cultivator or not, I will make an antidote for you next!"

After Chen Ping finished speaking, he directly threw the Demonic Ultimate Fire into the Shennong Cauldron, and the fairy grass instantly burned!

Along with bursts of medicinal fragrance, crystal clear pills began to appear one after another in the Shennong Cauldron!

It only took an hour for Chen Ping to refine the antidote!

After the antidote was distributed, everyone in the Sheng family received the antidote!

After taking the antidote, everyone's discomfort disappeared instantly, which made everyone extremely grateful to Chen Ping!

"Fellow Taoist, you saved one of our Sheng family members. My Sheng family is deeply grateful..."

Long Bo looked at Chen Ping gratefully and said!

"Mr. Chen, thank you..."

Sheng Jiahui walked up to Chen Ping and thanked her, but when Sheng Jiahui looked at Chen Ping, her face turned red!

Chen Ping was still a little confused, wondering what happened to Sheng Jiahui!

He had no idea that Bai Qian had just teased Sheng Jiahui, making Sheng Jiahui's heart flutter with love!

"Are you convinced?"

Chen Ping looked at Sheng Tiantai and asked!

Sheng Tiantai's face was gloomy and he did not answer Chen Ping's words!

When Chen Ping wasn't paying attention, Sheng Tiantai suddenly turned around and ran away!

"Still want to run?"

When Bai Qian saw this, he snorted coldly and reached Sheng Tiantai's side in a flash!

Before Sheng Tiantai had any reaction, he felt his legs weaken and fell to his knees directly on the ground!

Chapter: 5805

Sheng Tiantai's legs were kicked off by Bai Qian!

Chen Ping followed Sheng Jiahui and the others in pursuit!

"Second uncle, where are my dad and my brother? Where did you keep them?"

Sheng Jiahui asked Sheng Tiantai!

"Hmph, kill him if you want, I won't say that."

Sheng Tiantai knew that his biggest support now was the place where he was being held. If he told him, he would definitely not be able to survive!

“you.....”

Sheng Jiahui looked angry, but Sheng Tiantai was her second uncle, so Sheng Jiahui couldn't do anything!

“You beast...”

Sheng Jiahui was not afraid to do anything, but Long Bo was not afraid. As the chief steward of the Sheng family, he had taken care of several family heads. He was not afraid of Sheng Tiantai at all, so he slapped Sheng Tiantai directly!

“I'll let you speak for yourself.”

After Chen Ping finished speaking, he looked at Sheng Jiahui and said, “Miss Sheng, lock up your second uncle first, and then sit down and make arrangements. I think it won't be long before the people from the Demon Sealing Alliance will arrive.”

Since Sheng Tiantai sent people to invite people from the Demon Sealing Alliance, Chen Ping knew that people from the Demon Sealing Alliance would definitely come!

Chen Pingyuan originally planned to stay for one night and then leave, but now if the Demon Sealing Alliance comes to deal with the Sheng family, the Sheng family may not be able to resist them!

“Okay, I'll go set it up right now!”

Sheng Jiahui sent people to lock up Sheng Tiantai, and then began to arrange formations around the Sheng family!

.....

Yecheng.

In the Ye Family Hall, Ye Liancheng and Elder Chu were talking about something!

“Master, the Sheng family in Fancheng sent someone here...”

A servant walked in and said to Ye Liancheng!

When Ye Liancheng heard this, he immediately laughed: “Let him in, it seems like it’s done...”

“what happened?”

Elder Chu asked doubtfully!

Chapter: 5806

He still doesn’t know about Ye Liancheng’s cooperation with Sheng Tiantai!

“Elder Chu, I have already said that the Sheng family will definitely take the initiative to join our Demon Sealing Alliance.”

“Isn’t this just a gift? In fact, I have been in contact with Sheng Tiantai from the Sheng family for a long time.”

“Sheng Tiantai is also willing to take the Sheng family to join our Demon-Sealing Alliance. Now that we are sending people here so late, we should have succeeded.”

Ye Liancheng smiled proudly!

Just as Ye Liancheng was explaining to Elder Chu, Sheng Tiantai’s confidant had already walked in with a storage bag!

“Master Ye, our second master sent me to deliver this thing to Master Ye. I also hope that Master Ye can send someone to the Sheng family to help the second master control the entire Sheng family.”

The visitor handed the storage bag to Ye Liancheng and said!

Ye Liancheng didn't say anything, but opened the storage bag, only to see the Sheng family's tokens inside, as well as several Sheng family hair magic secret books!

The most important thing is a picture, and what is drawn on this picture is the secret place of the Sheng family!

Sheng Bushi and Sheng Jiayue were imprisoned in this secret place!

Originally, this secret place was intended to be a hiding place when the Sheng family suffered a disaster!

And very few people know about this place. This is the most secret thing of the Sheng family!

Now Sheng Tiantai actually took the initiative to hand it over to Ye Liancheng!

“Hahaha, it seems that Sheng Tiantai is indeed trustworthy.”

Looking at the things in his hands, Ye Liancheng laughed proudly!

After laughing, Ye Liancheng waved his hand and said, “Elder, please take a group of Ye family brothers and follow you to the Sheng family.”

“If there is anyone in the Sheng family who is stubborn and refuses to join the Demon-Sealing Alliance, we will directly kill them without mercy...”

“As ordered...” The eldest elder of the Ye family nodded, and then led people to follow Sheng Tiantai’s confidants to the Sheng family!

As for the strength of the Sheng family, Ye Liancheng was very relieved when he sent the elder. After all, the Sheng family was only good at studying spells and talismans, but was still lacking in terms of realm strength!

This is why there are so few sects and aristocratic families in the world of gods and humans who practice spells and talismans!

It greatly affects the speed of cultivation and the improvement of realm. After all, human energy is limited. Practicing spells and talismans will reduce the time for realm cultivation.

There are very few all-round talents like Chen Ping. Not to mention in the world of gods and humans, even in the entire universe, there are very few geniuses like Chen Ping!

After the elder and the others left, Ye Liancheng held the map in his hand and said with a smile on his face: “Elder Chu, now I will take you to meet the head of the Sheng family. He is now a prisoner...”

Chapter: 5807

“Okay, I’m going to meet this master of spells and talismans too!”

Elder Chu nodded!

Just as Elder Chu stood up with Ye Liancheng and was about to leave, a member of the Ye family hurried in!

“Master, the leader of the alliance has received a letter, asking Elder Chu to return to the headquarters of the Demon-Sealing Alliance as soon as possible!”

That Ye family said!

When Elder Chu heard this, his face instantly became a little ugly, and his brows furrowed tightly!

Ye Liancheng waved his hand and asked the Ye family member to leave!

“I didn’t expect the alliance leader to get the news so quickly.”

Elder Chu sighed, as if he had aged a lot in an instant!

“Elder Chu, what are you going to do?”

Ye Liancheng looked at Elder Chu and asked!

“What else can I do? The alliance leader already knows and wants me to go back. I have no choice but to go back!”

Elder Chu said helplessly!

“Elder Chu, you can blame the soulless palace for the son’s death. Now it seems that the soulless palace must have rebelled. As long as you put the responsibility on them, Elder Chu may still survive.”

Ye Liancheng gives advice to Elder Chu!

“That’s all it can do. Whether you can survive or not depends on God’s will.”

After Elder Chu finished speaking, he cupped his hands towards Ye Liancheng and said, “Master Ye, I will leave these matters in the Southern Territory to you.”

“Don’t worry, Elder Chu. As long as Chen Ping is still in the Southern Territory, I will cut him into pieces and the Soulless Palace. I will not let them escape from the Southern Territory.”

Ye Liancheng patted his chest and said!

“Thank you! Farewell...”

Elder Chu bid farewell to Ye Liancheng and rushed back to the Demon Sealing Alliance headquarters overnight!

Ye Liancheng took several of his men and found the place where Sheng Bushi was imprisoned according to the instructions on the map!

This is a small hill, it doesn't look like anything special!

However, after Ye Liancheng stomped on the ground three times according to the method on the map, a secret door appeared in the hill.

Chapter: 5808

There was a faint light surging around the secret door, and it was obvious that a formation had been set up!

Ye Liancheng followed the map's instructions and shut down the formation and opened the secret door!

When Ye Liancheng and the others walked into the secret door, they found that it was very huge!

The entire hillock has been hollowed out, there is a lot of space inside, and there are many rooms!

There is even a very spacious hall!

“It seems that the Sheng family has taken precautions a long time ago. They are really well prepared!”

Ye Liancheng looked at the huge bunker and said in shock!

“Master, there are so many rooms here, do we have to search them one by one?”

A member of the Ye family asked.

“No, Sheng Tiantai has already marked it.”

After saying that, Ye Liancheng led people into the deepest part of the bunker!

There is a room here. After opening it, Sheng Bushi is imprisoned inside!

In order to prevent Sheng Bushi from escaping, his feet and hands were locked up with thick stainless steel chains.

Sheng Bushi’s face was ugly and he looked very old!

His eyes were slightly closed, and no expression could be seen!

When he heard the sound of the door opening, Sheng Bushi still didn’t open his eyes. He just said slowly:
“No need to pretend to persuade me. The moment you attack me, our brotherhood will be over.”

“You can kill or behead me as you please. It’s absolutely impossible to persuade me to join the Demon-Sealing Alliance...”

Sheng Bushi thought it was his brother Sheng Tiantai who was coming, so he didn’t open his eyes!

He doesn’t want to see his younger brother!

“Master Sheng, at this time, you are still stubborn...”

Looking at Sheng Bushi, Ye Liancheng slowly said!

Hearing Ye Liancheng's voice, Sheng Bushi was startled, opened his eyes in surprise, and stared at Ye Liancheng!

"You...how did you find this place?"

Sheng Bushi was very puzzled, how did Ye Liancheng know this place!

Chapter: 5809

Ye Liancheng looked at Sheng Bushi with a sneer on his face, and said with a hint of fun: "What do you think?"

Sheng Bushi looked surprised and asked him to guess, but he couldn't guess it!

"Do you think I'm a child? Are you asking me to guess?"

Sheng Bushi snorted coldly!

"Since you don't guess, let me tell you that I can find this place, of course it was your brother Sheng Tiantai who said so."

Ye Liancheng smiled!

"Nonsense, impossible, this is impossible..."

Sheng Bushi shook his head: "Although Tiantai has always wanted to join the Demon Sealing Alliance, he will never tell you such a secret place of our Sheng family."

Sheng Bushi didn't believe it at all. This was the place where the Sheng family saved their lives. How could Sheng Tiantai tell others casually!

Although Sheng Tiantai disagrees with his political views, it is impossible for Sheng Tiantai to do anything that would harm the entire Sheng family!

"You do not believe?"

Ye Liancheng asked!

"If you don't believe it, of course I don't believe it. It's impossible for Tiantai to do this."

Sheng Bushi shook his head!

"Since you don't believe it, let me show you who this brother of yours is."

Ye Liancheng took out the map, which clearly marked the location.

Ye Liancheng even took out the Sheng family's magic secrets and placed them in front of Sheng Bushi!

Looking at everything in front of him, Sheng Bushi wanted to disbelieve it, but he had to believe it!

"Beast, this beast..."

Sheng Bushi cursed, he didn't expect Sheng Tiantai to do such a thing!

If they are just competing for the position of the head of the family, for the sake of the development of the Sheng family, Sheng Bushi can hand over the position of the head of the family!

But now, Sheng Tiantai betrayed the entire Sheng family!

It is simply bullying the master and destroying the ancestors, which is an unforgivable crime!

puff.....

Chapter: 5810

Sheng Bushi spurted out a mouthful of blood and fainted from anger!

Ye Liancheng ordered someone to hold Sheng Bushi up, and then took Sheng Jiayue with him and took the father and son directly back to the Ye family!

“Master, if we don’t kill this guy, why are we keeping him?”

A member of the Ye family asked in confusion!

“He can’t die yet, there is still use in keeping him.”

Ye Liancheng said, glanced at the Ye family’s backyard, and then asked, “How is the eldest young master?”

“Master, the eldest young master rarely gets sick recently. It’s just that his meridians are damaged. I’m afraid it will be difficult for him to practice in the future.”

The Ye family replied!

Ye Liancheng nodded with a disappointed look on his face and said: “I understand, you have to keep an eye on that Sheng Bushi. You must not let him run away, let alone die!”

“Yes!” The Ye family turned around and left!

After Na Ye’s family left, Ye Liancheng jumped up and his body disappeared in an instant!

Soon, Ye Liancheng's figure appeared next to a pool. This huge pool was filled with dark green water!

There were several men sitting hundreds of meters away from the pool!

When they saw Ye Liancheng coming, all the men stood up!

"Master Ye, we have already eliminated some of the formations around the holy pool. I believe that in another year and a half, it will be possible to eliminate them all."

A man walked up to Ye Liancheng and whispered!

"Starting tomorrow, you don't have to break the formation. I've found someone else, so you should rest!"

Ye Liancheng said expressionlessly!

Ye Liancheng spent a lot of money to invite these masters who knew the formation, but it took several months for them to break even a little of the formation. It was simply too stupid!

The reason why Ye Liancheng wants to break the formation is because this holy pool can reshape bones and restore meridians. Ye Liancheng wants his son to use this holy pool!

It's just that the holy pool is surrounded by formations. If you want to soak in the holy pool, you can only break the formation!

It's a pity that in the world of gods and humans, there are too few people who know the formation, and they are all half-full and half-full masters, with no real ability!

These formation masters invited by Ye Liancheng are such people. Although Ye Liancheng is dissatisfied, he dare not say anything!

This is why Ye Liancheng tried so hard to get the Sheng family to join the Demon Sealing Alliance!
