

The Order 581

Chapter: 581

“I’m the one who killed you!”

Chen Ping looked at Jiang Zhengzhong indifferently, as if he were looking at a dead person!

“No... no, you can’t kill me...”

Jiang Zhengzhong’s face turned extremely pale, and his body retreated involuntarily, but the ruins under his feet made Jiang Zhengzhong fall!

After getting up, Jiang Zhengzhong continued to retreat. His body was covered with dust and he was extremely embarrassed!

At this time, everyone was confused and didn’t understand why Jiang Zhengzhong became so embarrassed, and his expression was very frightened!

None of them knew that all the energy in Jiang Zhengzhong had been sucked away by Chen Ping, and now anyone who came up could beat Jiang Zhengzhong to death!

“Give me a reason not to kill you?”

Chen Ping asked coldly.

Jiang Zhengzhong’s eyes suddenly saw the man wearing a hat in the Jiang family’s camp in the audience, and his eyes suddenly lit up and he said: “Chen Ping, don’t be so arrogant, I will find someone to deal with you right away!”

After Jiang Zhengzhong finished speaking, he said respectfully to the man in the hat: “Please Master Buhuo, please take action to relieve my Jiang family’s crisis. Our Jiang family will definitely repay Master Buhuo well. I am willing to dedicate all the medicinal materials to Master Buhuo.” !”

At this time, Jiang Zhengzhong only wanted to save his life. As for refining the life-sustaining pill, those were not important. Now that his life was not guaranteed, what was the use of refining the life-sustaining pill? So Jiang Zhengzhong planned to use all the medicinal materials of the Jiang family. Please don't be confused. The master takes action!

Hearing Jiang Zhengzhong mention the medicinal materials, Chen Ping's eyes also lit up. He has now reached the ninth level of Qi training. He needs a lot of spiritual energy to break through to the foundation building stage. Now when he heard that the Jiang family actually had medicinal materials, Chen Ping suddenly felt excited. happiness!

"Mr. Jiang, are you telling the truth?"

Master Buhuo was secretly happy. If he could get this batch of medicinal materials into his own hands, his strength would be greatly improved. The problem is that these medicinal materials can also allow him to refine aphrodisiac pills. Otherwise, he would have two little girls every day. Can not bear!

"Master Buhuo, I, Jiang Zhengzhong, keep my word. How could I lie in front of so many people? What's more, I dare not lie to Master Buhuo!"

Jiang Zhengzhong said with a humble expression.

"That's true!" Master Buhuo took off his hat and walked slowly towards Chen Ping!

"Who is this person? He looks good!"

"I don't know him. He must be an expert invited by the Jiang family. Judging from his immortal style, he must be very powerful!"

After everyone saw Master Buhuo, they whispered!

Master Buhuo stood opposite Chen Ping, glanced at Chen Ping and said: "Young man, you are very strong and very talented. If you become my disciple, I guarantee that within two years, there will be no

one like you in the entire Jiangbei Province.” Your opponent, and I guarantee that the Jiang family will never dare to trouble you again!”

“Master Buhuo.....”

Jiang Zhengzhong was slightly shocked, his eyes widened and he shouted.

Chapter: 582

Chen Ping was his enemy who killed his son and his daughter. How could he just let him go? There was no way Jiang Zhengzhong would let Chen Ping go!

“Shut up!” Master Buhuo frowned and said sternly!

Jiang Zhengzhong immediately shut his mouth. Although he was not convinced, he did not dare to say anything at this time!

“Boy, have you made up your mind? Become my apprentice, but many people have squeezed their heads and have no chance!”

Master Buhuo looked at Chen Ping and continued.

“If you want to be my master, you must have real skills. Do you have any skills?”

Chen Ping asked playfully.

“Since you ask that, then I’ll show you what my real ability is!” After Master Buhuo finished speaking, he suddenly took out a black ball-shaped object from his arms, and then slammed it on the ground!

Bang.....

After the explosion, the entire venue was instantly enveloped in smoke, and there was still billowing black smoke, and no one could be seen on the other side!

At this time, many people became panicked, and some even started to run outside, pushing and yelling!

However, the black mist soon disappeared and everyone returned to silence!

But when everyone looked at the ring, everyone was shocked, because they saw that the collapsed ring was now intact, and Chen Ping and Master Buhuo were standing on the ring!

“Oh my God, this...isn't this a magical method? This person is definitely not a warrior!”

“I don't feel any energy from him. This old man must be a god descended from the earth!”

“Where did the Jiang family find this kind of immortal help? I want to find it!”

Everyone in the audience exclaimed in amazement. This scene was beyond their imagination!

Listening to the exclamations of everyone in the audience, Master Buhuo's face was full of pride!

“Young man, with this ability, can I be your master?”

Master Buhuo asked Chen Ping.

Chen Ping smiled coldly, shook his head and said: “What I want is real ability, not magic. Although your illusion is powerful, you can't hide it from me!”

After Chen Ping finished speaking, he waved his palm lightly, and saw a dazzling golden light. In the blink of an eye, everyone was stunned when they looked at the ring!

At this time, the arena once again returned to the appearance it had just collapsed. Chen Ping and Master Buhuo were standing on the ruins!

The sudden changes that were going on left everyone confused and confused as to what was going on!

Chapter: 583

At this moment, Master Buhuo's face began to look ugly, and he narrowed his eyes slightly and said: "I didn't expect that you are also a member of the same path. In this case, I will send you on your way!"

After Master Buhuo finished speaking, he instantly took out eight black chess pieces and threw them out, but they were not thrown towards Chen Ping.

Eight chess pieces landed on the ground, and eight beams of light instantly rose up. These eight beams of light enveloped Chen Ping and Master Buhuo!

"No matter how powerful your magic is, you still can't use it in my trapped spirit formation!"

Master Buhuo said proudly!

"Really?" Chen Ping smiled coldly, but didn't say much. After seeing Master Buhuo today, he can also become a resource for his cultivation!

"Holy crap, what is this? Is it an immortal magic? This is a battle of magic!"

"That's awesome. This is not an immortal magic. This old man must be an immortal!"

"This is not an immortal. This old man should be a warlock, and these are just spells. I heard that there are many warlocks in the southwestern provinces, and some warlocks raise some spiritual creatures or ghosts!"

People who knew it started to explain it, otherwise everyone would be shocked, as if they had never seen the world before!

At this time, in the trapped spirit formation, Master Buhuo once again said to Chen Ping: "I will give you one last chance. You are very talented. If you learn from me, you will definitely have a bright future!"

"This should be my last chance to give you. If you still have any treasures in your arms, take them out and give them to me. Maybe I can spare your life!"

Chen Ping could feel the rich spiritual energy from Master Buhuo's chest!

Master Buhuo was startled, hurriedly tightened his clothes, and looked at Chen Ping warily: "Boy, if you dare to take advantage of my treasure, be careful to die without a burial place!"

In Master Buhuo's arms was the thousand-year ginseng gifted by the Jiang family. This was a treasure, so Master Buhuo took it with him!

"Stop talking nonsense and take action!"

Chen Ping seemed a little impatient.

"Okay!" Master Buhuo shouted loudly, and then his body disappeared directly into the trapped spirit formation. When the figure reappeared, Master Buhuo had already appeared behind Chen Ping!

A palm was slapped towards Chen Ping's back.

Chen Ping smiled coldly and grabbed Master Buhuo's wrist with his backhand.

Master Buhuo was shocked and his body disappeared again.

"Since you only know how to run, then I will break your formation and see how you can still run!"

After Chen Ping finished speaking, he suddenly grabbed a light beam with one hand, and saw the light beam being sucked directly into Chen Ping's body.

All eight beams of light were absorbed by Chen Ping, and even the chess pieces on the ground were crushed to pieces by Chen Ping!

Chapter: 584

Master Buhuo's figure appeared instantly, and then he looked at Chen Ping in horror.

"You...you actually broke my trapped spirit formation?"

Master Buhuo looked surprised.

"Do you still need to break this formation? If you only have this ability, you still want to accept me as your disciple, it's a joke!"

Chen Ping snorted coldly and said with disdain!

"Boy, don't be so arrogant!"

Master Buhuo was really irritated by Chen Ping!

He took out several black clay pots and placed them in front of his body. There were five in total, each one sealed with yellow paper!

Seeing Master Buhuo take out these clay pots, Chen Ping's eyes lit up. He had already guessed what was inside!

After seeing this, Master Buhuo really has interesting things. These are all things that can help Chen Ping practice!

At this time, Master Buhuo took out a talisman, and as soon as he pinched it with his fingers, the talisman actually started to burn in his hand!

“Ten Thousand Ghosts Devouring Hearts, open it for me...”

As soon as the burning talisman in Master Buhuo’s hand was thrown away, the talismans on the five black clay pots also burned, and then the entire venue was filled with resentful sounds of howling ghosts and wolves!

This time, many people in the audience were so frightened that they curled up and broke into cold sweats. Su Yuqi turned pale with fright, and was hugged by Chifeng into her arms.

In an instant, the entire venue began to become dark, and ghosts began to fly out from the five clay pots, baring their teeth and claws in a terrifying manner!

People who had never seen this scene were scared to death, and some even fainted from fear!

Lin Tianhu stared at the ghosts closely, without any fear in his heart. After all, this was not the first time he had seen them!

The ghosts were surrounding Master Buhuo. Master Buhuo looked at Chen Ping and found that Chen Ping had a calm face without any fear. He couldn’t help but frowned: “You are not afraid at all?”

“You’re just a kid, what’s there to be afraid of? Just take action!”

Chen Ping sneered, hoping that Master Buhuo would take action soon. You must know that these ghosts are Chen Ping’s best resource for cultivation.

Master Buhuo gritted his teeth. Now that things have come to this, he can only give it a try!

“Go!” Master Buhuo directed the ghosts to rush towards Chen Ping!

These ghosts bared their teeth and claws one by one, as if they were going to tear Chen Ping into pieces!

With a bit of a smile on his face, Chen Ping suddenly opened his mouth and took a breath after the ghost approached!

Chapter: 585

Some ghosts were caught off guard and were all sucked into Chen Ping's stomach. The remaining ones were so frightened that they fled in panic!

How could Chen Ping let go of such good cultivation resources?

I saw Chen Ping's figure flashing, and the ghosts who escaped were caught one by one, and then they were all eaten by Chen Ping.

Master Buhuo was dumbfounded and his face became extremely ugly. This was his last killer tool, and he had secretly raised these ghosts. Xuanyue Valley had rules and it was not allowed to raise these things. It was okay to raise some spiritual creatures. !

When everyone in the audience saw that Chen Ping actually ate all the ghosts, some people couldn't stand it anymore and started vomiting.

After Su Yuqi saw it, her heart was churning, and she vomited it out. She felt so disgusting. She was afraid that after this time, Su Yuqi would have a psychological shadow. If Chen Ping wanted to be intimate with her in the future, it would be a bit embarrassing. Difficult!

"run....."

Master Buhuo shouted loudly, then jumped backwards and hurriedly ran outside!

Master Buhuo meant this to the Jiang family, not because he was kindly reminding the Jiang family, but because he hoped that if the Jiang family ran away, Chen Ping would definitely chase the Jiang family, and he could escape.

But who knew that Chen Ping didn't care about the Jiang family at all, but chased him directly!

Jiang Zhengzhong didn't even look at it. The master was beaten away. He immediately took Jiang's family and ran away, not even Jiang Wenjie's body!

But just when everyone in the Jiang family was about to move, they saw Wu Liuyi directly leading people to surround everyone in the Jiang family!

"Jiang Zhengzhong, none of you can leave!"

Wu Liuyi said to Jiang Zhengzhong.

"Wu Liuyi, what do you want to do? There is no enmity between my Jiang family and your Wu family. Why are you trying to stop me?"

Jiang Zhengzhong asked Wu Liuyi angrily.

"Jiang Zhengzhong, you killed Sun Yaobang, and now it's not that easy to escape!"

Wu Liuyi said with a cold face.

"You..." Jiang Zhengzhong pointed at Wu Liuyi and was about to get angry to death, but now he was powerless and couldn't do anything to Wu Liuyi!

"Jiang Zhengzhong, today is the day you die..."

Chifeng dragged his seriously injured body, and the people from Chifengtang also surrounded Jiang Zhengzhong and the Jiang family!

"Master, you go, I will bring people to hold them back..."

The housekeeper Lao Liu said to Jiang Zhengzhong.

“Old Liu, you have to pay more attention!”

Chapter: 586

Jiang Zhengzhong warned the housekeeper Lao Liu.

The housekeeper Lao Liu nodded, and then shouted loudly: “Kill...”

In an instant, everyone in the Jiang family rushed out, and two masters of the Jiang family rushed out while protecting Jiang Zhengzhong!

“Everyone in Chifeng Hall listens to the order. No one from the Chiang family should be spared. Kill without mercy...”

Although Chifeng was injured, his voice was still sharp!

“As ordered...”

Everyone in Chifeng Hall roared angrily, picked up their weapons and started fighting with the Jiang family.

“My Wu family is also here to help out...”

After Wu Liuyi finished speaking, he waved his hand, and everyone in the Wu family instantly joined the battle group and launched an attack on the Jiang family!

Wu Liuyi himself stopped Jiang Zhengzhong and stood up against the two Jiang family masters who were covering Jiang Zhengzhong!

For a moment, the entire venue was filled with flashes of swords and wailing. There were broken limbs and blood everywhere!

The other families were so frightened that they hid far away. These big families were fighting, and these small families had better hide as far away as possible to avoid being affected!

Outside the venue, hearing the deafening shouts of death and the wailing, Gu Ling'er couldn't help but look at Li Shouyi!

"Pavilion Master Li, we..."

Li Shouyi didn't wait for Gu Ling'er to finish speaking, then shook his head and said, "We are only responsible for the outside and don't worry about the internal affairs. After today, the whole provincial capital will probably change!"

Gu Ling'er didn't say anything, but her eyes were full of anxiety. She was afraid that Chen Ping and Su Yuqi would be in danger inside!

The fighting lasted for more than ten minutes. Under the joint efforts of Chifengtang and the Wu family, almost all of the Jiang family were killed and injured. Looking at the corpses on the ground, Jiang Zhengzhong's face was full of grief and anger, but he had no choice but to lose all his strength. Chen Ping sucked it away and there is no way to recover now.

At this moment, Chen Ping came back, holding Master Buhuo in his hand. At this time, Master Buhuo no longer looked like a fairy, like a bereaved dog, with his head lowered and his face full of fear!

Looking at the corpses on the scene, Chen Ping had already guessed what was going on, and threw Master Buhuo towards Jiang Zhengzhong, directly at Jiang Zhengzhong's feet!

Seeing Master Buhuo like this, Jiang Zhengzhong knew that he was probably going to die today. Even his biggest supporter, Master Buhuo, was like this. So one can imagine his fate!

"Are you still running away?"

Chen Ping asked, looking at Master Buhuo who looked downcast.

“No, I won’t run away. As long as Master Chen lets me go, I am willing to follow Master Chen and dedicate a thousand years of ginseng to Master Chen!”

Master Buhuo shook his head hurriedly.

Chapter: 587

“With your little ability, you still want to follow me?” Chen Ping snorted coldly, looked at Master Buhuo and said, “If I kill you, the thousand-year ginseng is still mine, why should I let you go?” What’s more, your sorcery has killed countless people!”

Chen Ping said, gently raising his palm, ready to swing it down!

“You can’t kill me. I’m from Xuanyue Valley in the southwest. If you kill me, our Valley Master will definitely not let you go!”

Master Buhuo looked at Chen Ping in horror and said.

“Threatening me?” Chen Ping frowned: “I hate threats from others!”

What else did Master Buhuo want to say, but Chen Ping no longer gave him a chance. With one photo, Master Buhuo died directly at the feet of Jiang Zhengzhong!

Chen Ping bent down and took out the thousand-year ginseng from Master Buhuo’s chest, with a slight smile on his face!

Chen Ping put away the thousand-year-old ginseng and set his sights on Jiang Zhengzhong!

Jiang Zhengzhong felt Chen Ping’s gaze and knelt on the ground with a thud!

The dignified head of the Jiang family in the provincial capital and one of the four directors of the Martial Arts Alliance was kneeling in front of a young man in his early twenties, looking groveling.

Everyone looked at Jiang Zhengzhong with strange eyes. People in martial arts would rather die than surrender, but at this moment, Jiang Zhengzhong knelt down in order to survive.

But Jiang Zhengzhong doesn't care about other people's eyes at all. He only has one thought now, and that is to survive!

As long as you are alive, you can talk about anything. If everyone is dead, what kind of moral integrity will be of no use!

"Please spare my life, Mr. Chen. I am willing to dedicate all the medicinal materials of the Jiang family to Mr. Chen. Many of them are over a hundred years old!"

Jiang Zhengzhong begged Chen Ping for mercy.

"I am the enemy who killed your daughter and son. If I spare you, won't you look for opportunities to retaliate against me?"

Chen Ping smiled coldly.

"No, absolutely not. If my son and daughter offend Mr. Chen, they deserve to die. If I dare to retaliate against Mr. Chen, then I will die badly..."

Jiang Zhengzhong began to take a poisonous oath. In order to survive, he would do anything!

Chen Ping snorted coldly, how could such a person have credibility if he could even ignore his own son and daughter? Maybe if he let him go today, he would seek revenge on him tomorrow!

"Mr. Chen, you can't spare him. Chiang Kai-shek is ruthless. If you bypass him, he will definitely take revenge..."

Chi Feng hurriedly persuaded Chen Ping.

"I am measured!" Chen Ping smiled slightly, and then looked at Jiang Zhengzhong: "If I lose in your hands, will you spare my life?"

Jiang Zhengzhong was stunned and looked at Chen Ping in horror. He was about to say something, but he saw Chen Ping's big hand was about to fall with a wave of his hand!

Chapter: 588

"Wait a moment....."

Just when Chen Ping was about to take action, Li Shouyi suddenly rushed in and stopped Chen Ping!

Gu Ling'er followed closely. After seeing that Su Yuqi and Chen Ping were fine, and that the ground was full of corpses of the Jiang family, Gu Ling'er felt a lot more at ease.

"Pavilion Master Li, why did you stop me?"

Chen Ping looked at Li Shouyi doubtfully and asked.

"Chen Ping, if you kill Jiang Zhengzhong, his brother will probably not let you go. Then the entire provincial martial arts alliance may suffer!"

Li Shouyi said solemnly.

"His brother?" Chen Ping frowned, not knowing who Jiang Zhengzhong's brother was!

When Wu Liuyi heard this, he was shocked and said, "Isn't Jiang Zhengde dead long ago? How could he still be alive?"

"Jiang Zhengde is not dead. Now he has become a coach in Kyoto and is very powerful!"

Li Shouyi shook his head and said.

At this moment, everyone was stunned. They all seemed to understand who this Jiang Zhengde Li Shouyi was talking about. Only Chen Ping and the others were confused!

“Hahahaha, you can’t kill me. If you kill me, my brother will definitely avenge me. He will kill your whole family...”

Jiang Zhengzhong, who was kneeling on the ground, suddenly jumped up and laughed crazily!

“Jiang Zhengzhong, don’t be proud. Back then, in order to become the head of the Jiang family, you forced your brother away and sent people to kill him. Now even if he is not dead, it is impossible for him to avenge you. I guess he will now They all want to kill you!”

Wu Liuyi snorted coldly at Jiang Zhengzhong.

“He can kill me, but you can’t. After all, we are brothers from the same mother. If you kill me and destroy the entire Jiang family, my brother will definitely make you pay the price...”

Jiang Zhengzhong shouted with a proud look on his face!

In fact, he had just learned that his brother was still alive at this time, but to be able to become the coach of Kyoto, he must be very powerful, and cats and dogs like these in the provincial capital would definitely not take him seriously.

“Impatient.....”

Looking at the proud Jiang Zhengzhong, Chen Ping snorted coldly!

With a slap of the palm, Jiang Zhengzhong’s head exploded instantly and he fell directly to the ground!

Seeing this scene, everyone fell silent for an instant, and Li Shouyi felt even more mixed emotions in his heart!

Now that Jiang Zhengzhong is dead, the Jiang family will definitely be divided up. If Jiang Zhengde is really found by then, there will probably be a bloody storm in the provincial capital!

Chapter: 589

The coach in Kyoto has the support of many big families in Kyoto. How many families wanted to invite Jiang Zhengde as a guest. The reason why Li Shouyi knew this news was because his friends in Kyoto found Jiang Zhengde after learning that his hometown was the capital of Jiangbei Province. Li Shouyi wanted Li Shouyi to persuade Jiang Zhengde in the name of a fellow villager.

Because of this, Li Shouyi found out that Jiang Zhengde was not dead and was thriving in Kyoto!

“I, Wu Liuyi, admire Mr. Chen’s strength, so I would like to take this opportunity to recommend Mr. Chen as the leader of our martial arts alliance. If Jiang Zhengde really returns to the provincial capital, we can resist under the leadership of Mr. Chen!”

Wu Liuyi stepped forward and said respectfully to Chen Ping.

“Yes, we agree with Mr. Chen as the alliance leader!”

“Mr. Chen will be the leader of the alliance, I believe no one will object!”

Everyone echoed!

After all, Chen Ping’s strength is obvious to everyone. With such a powerful person in charge, the martial arts alliance in the provincial capital will definitely be able to create something famous, and even break out of the entire Jiangbei Province.

Chen Ping looked at everyone, shook his head slightly and said: “I am not interested in any alliance leader. If you don’t dislike it, let Chi Feng be the alliance leader. If anything happens to the alliance, I, Chen Ping, will definitely help!”

“Mr. Chen.....”

Chifeng was shocked. He didn't expect that Chen Ping would want her to be the leader of the martial arts alliance.

Chen Ping waved his hand towards Chifeng, without letting her say anything. Let Chifeng be the leader of the alliance. In fact, Chen Ping had already thought of it just now!

In the future, as his cultivation level gets higher and higher, the resources Chen Ping needs will increase exponentially, so Chen Ping needs people to help him find resources.

After Chifeng becomes the leader of the Martial Arts Alliance, he will definitely be able to better help him find resources!

“I agree. Now that Jiang Zhengzhong is dead and Sun Yaobang has become a useless person, he may die at some point. Now the only four directors left are Chi Feng and me. I think I am no match for Chi Feng, so I agree with Mr. Chen suggestions!”

Wu Liuyi was the first to agree loudly!

Wu Liuyi said this, and the other family martial arts schools did not dare to have any objections, so they all agreed, and Chifeng naturally became the leader of the martial arts alliance!

After the conference dispersed, Wu Liuyi did not leave in a hurry. Instead, after there were fewer people, he walked up to Chen Ping and said, “Mr. Chen, today I have opened my eyes. If Mr. Chen doesn't give up, I hope he can give me some time to guide me.” A few tricks from the old man!”

Wu Liuyi's attitude was extremely respectful, as respectful as a primary school student facing his teacher!

“Master Wu, you're too polite. Let's learn from each other, but there's no point in giving any guidance!”

Chen Ping smiled slightly.

“Hahaha, it’s okay to have a discussion. When the time comes, I invite Mr. Chen. I hope you won’t let go of old pigeons!”

Wu Liuyi burst out laughing.

“No!” Chen Ping shook his head.

Chapter: 590

Soon, Wu Liuyi also left. Looking at Wu Liuyi’s back, Chen Ping always felt that this person was very scheming, which made people feel that he could not understand, but he could not say that he was bad. After all, what happened today, Wu Liuyi helped Chen Ping in everything.

“Chen Ping, what I said is true. You can take care of yourself. If Jiang Zhengde finds out, he will definitely not let it go!”

Li Shouyi said to Chen Ping helplessly.

“The soldiers will cover up the water and the earth, there is nothing to worry about!”

Chen Ping smiled slightly.

When Li Shouyi saw this, he couldn’t say anything else and had no choice but to take people away!

Chen Ping took Chifeng and Lin Tianhu and did not go back, but went straight to the Jiang family. Now that Jiang Zhengzhong is dead, everything in the Jiang family will become Chen Ping’s. Among the many families in the provincial capital, no one will fight with Chen Ping. .

Lin Tianhu drove, Chen Ping sat in the passenger seat, followed by Su Yuqi and Gu Ling’er. There were several cars following behind, it was Chi Feng who led Chi Feng Tang!

“Chen Ping, you...what happened to those dirty things you just ate?”

On the way, Su Yuqi couldn't help it anymore and asked Chen Ping.

Now Su Yuqi thinks of Chen Ping eating those ghosts, and she gets goosebumps and feels like vomiting!

“What dirty thing did he eat?” Gu Ling'er asked curiously.

Su Yuqi wanted to explain, but she didn't know how to explain. She could only look at Chen Ping, hoping that Chen Ping could explain.

Chen Ping also remembered at this time that when he was devouring the ghost, he had forgotten that Su Yuqi was there, and Su Yuqi would definitely be disgusted when she saw this scene, and maybe she would be scared when she saw it!

“Then what's the dirty thing? It's just the illusion technique used by the warlock. Do you really believe that there are ghosts in this world?”

Chen Ping pretended to explain: “Look, I don't have anything in my hand, I can turn you into a ghost right away!”

As Chen Ping spoke, white mist appeared faintly on his palm, and soon a ghost head with teeth and claws was held in Chen Ping's hand, which shocked both Su Yuqi and Gu Ling'er!

Chen Ping opened his mouth and sucked the ghost head into his mouth. In fact, these were transformed by Chen Ping using spiritual energy, but the ghosts released by Master Buhuo were all real!

“Did you see it? It's all fake. I'm turning a dagger for you!”

Chen Ping continued to explain, and soon there was a dagger in his hand. Chen Ping sucked hard and sucked the dagger into his mouth: “These are all transformed by energy. You are not a warrior, so you don't know! ”

“I know!” Gu Ling’er seemed to understand, so she explained to Su Yuqi: “Yuqi, you are not a warrior, you don’t understand this. A true master of inner energy can control the energy and transform into shapes, and can do whatever he wants. All kinds of transformed objects are actually fake!”

When Gu Ling’er said this, Su Yuqi’s originally confused face became a little more convinced, and she nodded: “Oh, it turns out it’s a lie!”

Seeing that Su Yuqi believed it, Chen Ping secretly wiped his cold sweat. Otherwise, he really didn’t know how to explain to Su Yuqi. It seemed that things that were too miraculous would not be allowed to be seen by Su Yuqi in the future.

Lin Tianhu, who was driving, smiled secretly. If Su Yuqi, who Chen Ping couldn’t explain today, believed it, then Su Yuqi would have a grudge in her heart if the two of them wanted to be intimate in the future!
