

The Order 5821

Chapter: 5821

Ye Liancheng said!

“Of course I understand. Hasn’t Master Ye already received the Sheng family’s various spell secrets sent by me? Even the shelter of our Sheng family, I gave it to Master Ye without any reservation. This is enough. Have you shown my determination?”

Sheng Tiantai said quickly!

“Of course it can show the determination of the Sheng family, but there is one more thing that I need to tell Master Sheng.”

“If you join the Demon-Sealing Alliance, you can be protected by the Demon-Sealing Alliance, but you must also be dispatched by the Demon-Sealing Alliance and must not disobey orders.”

“As for the fate of betraying the Demon-Sealing Alliance, I won’t tell you. I believe Mr. Sheng can guess it.”

Ye Liancheng said with a slightly cold expression!

“I understand, I understand, I will definitely be loyal to the Demon Sealing Alliance and I will never have any second thoughts.” Sheng Tiantai felt Ye Liancheng’s coldness and nodded quickly!

“Hahaha, just understand, then we will be a family.”

Seeing Sheng Tiantai’s performance, Ye Liancheng laughed with great satisfaction and patted Sheng Tiantai on the shoulder again!

“Master Ye, since we are a family now, I have something to ask Master Ye.”

Sheng Tiantai whispered!

“Whatever it is, just say it!” Ye Liancheng smiled!

“I wonder if the head of the Ye family has brought my brother and nephew to the Ye family?”

“I hope the head of the Ye family can let them go. Now that our Sheng family has agreed to join the Demon-Sealing Alliance, it is impossible for my brother to cause any trouble.”

Sheng Tiantai said to Ye Liancheng in a pleading tone!

“I did bring your brother and the others, but don’t worry, I won’t hurt your brother. I just asked him to do a favor.”

“When the matter is finished, I will naturally let your brother go back. Don’t worry about that.”

Ye Liancheng said!

When Sheng Tiantai heard this, he didn’t know what to do next, so he secretly glanced at Chen Ping!

Seeing this, Chen Ping could only say: “Master Ye, in this case, I wonder if we can meet our master. If we can help, we can also help.”

Chen Ping’s attitude was very humble, and Ye Liancheng didn’t notice anything strange!

“What you said reminds me. Of course you can help. I will take you there right now.”

Ye Liancheng’s eyes lit up, and he quickly got up and took Sheng Tiantai and Chen Ping out of the living room!

Chapter: 5822

Chen Ping and Sheng Tiantai looked at each other. They didn't expect that Ye Liancheng would let them see Sheng Bushi so happily!

Ye Liancheng led them towards the Ye family's backyard. After walking for an unknown amount of time, Chen Ping seemed to feel waves of special aura!

But Chen Ping didn't dare to act too strange. After all, he was now the second elder of the Sheng family!

Ye Liancheng took Chen Ping and Sheng Tiantai to the holy pool!

I saw Sheng Bushi sitting on a big rock with his eyes slightly closed, as if he was practicing!

"Brother..."

When Sheng Tiantai saw Sheng Bushi, he shouted urgently and was about to rush over!

However, he was gently pulled by Chen Ping on the side, and Sheng Tiantai did not rush over!

"Second Master Sheng, your eldest brother is helping me break the formation now. This is the holy pool of our Ye family, but the holy pool is protected by formations. Because of the passage of time, we have forgotten how to open the formation, so we can only force it. It broke."

Ye Liancheng followed Sheng Tiantai and explained!

However, this explanation is very far-fetched. It is obvious that this does not belong to the Ye family, but is occupied by the Ye family, so of course the formation cannot be opened!

"Master Ye, my Sheng family is really strong in breaking formations."

Sheng Tiantai nodded and said!

Chen Ping on the side was looking at the dark green liquid in the holy pool. The water surface was as smooth as a mirror. Because of the isolation of the formation, Chen Ping could not detect it.

“Second Master Sheng, it just so happens that you and your elder brother can help me break the formation. As long as this formation is broken, I will naturally benefit from you.”

Ye Liancheng knew that if there was one more person to break the formation, the formation would be broken faster!

Sheng Tiantai glanced at Chen Ping. He didn't know whether he should agree to Ye Liancheng!

“Master Ye, we are a family now. Of course we will help you if you have any problems.”

“And I think this formation is very huge. It will take a lot of time for our family master to break it alone. If we help together, it should be much faster.”

Chen Ping's words were equivalent to agreeing to Ye Liancheng!

“Yes, together we will definitely get twice the result with half the effort, but after the formation is broken, I still hope that the head of the Ye family can let my eldest brother go back.”

Sheng Tiantai said!

“Hahaha, that's natural. Not only will I let Master Sheng go back, but I will also prepare generous gifts for you.”

Ye Liancheng laughed loudly!

Chapter: 5823

Seeing that Ye Liancheng agreed to let Sheng Bushi go back, Sheng Tiantai felt a lot more relaxed. If Ye Liancheng really did something to Sheng Bushi, Sheng Tiantai might not be able to forgive himself!

After all, he didn't want anything to happen to his brother.

Sheng Tiantai followed Chen Ping and began to prepare to break the formation. Ye Liancheng left in order not to disturb them!

Outside the holy pool, there are many Ye family members taking care of them, so Ye Liancheng is not afraid that Sheng Tiantai and the others will escape!

After Ye Liancheng left, Chen Ping was not in a hurry to break the formation, but carefully observed the formations around him!

He found that the formation had become loose, as if someone had broken part of it!

It's just that the formation is very complicated, and the opponent forced to break the formation and failed to find the center of the formation, so although the formation was destroyed, it still turned far away!

"Let's break the formation first. As long as we break the formation, everything will be easier to say."

Sheng Tiantai said to Chen Ping!

But as soon as Sheng Tiantai finished speaking, he suddenly felt a strong wind coming from behind him!

Sheng Tiantai didn't look back, he lowered his head instinctively, and then rolled forward, making him very embarrassed!

Sheng Tiantai quickly looked up and found that Sheng Bushi was looking at him with anger!

“Beast, traitor, I want to clean up the Sheng family...”

Sheng Bushi gritted his teeth and slapped him again!

“Brother, misunderstanding, misunderstanding...”

Sheng Tiantai was dodging anxiously, but he was no match for Sheng Bushi!

If he hadn't taken advantage of Sheng Bushi's carelessness and secretly controlled Sheng Bushi, how could Sheng Tiantai have arrested Sheng Bushi!

“stop.....”

Upon seeing this, Chen Ping stepped forward and stopped Sheng Bushi!

Now is not the time to kill Sheng Tiantai, and this is in the Ye family, so no messing around!

“Hmph, Second Elder, you are helping the tyrants and betraying the Sheng family with Sheng Tiantai. I will kill you together today.”

When Sheng Bushi saw it was the second elder, he was furious!

“Master Sheng, it's me, it's me...”

Chen Ping saw that Sheng Bushi was going to attack him, so he quickly revealed his identity!

Chapter: 5824

I saw Chen Ping's breath flowing around him, and he slowly regained his appearance!

“Mr. Chen?”

Seeing Chen Ping, Sheng Bushi was stunned, his eyes full of doubts!

“Master Sheng, you’d better keep your breath away and don’t provoke the Ye family.”

Chen Ping persuaded Sheng Bushi!

At this moment, Sheng Bushi was furious, and the aura on his body was constantly surging. If the Ye family noticed it, they would definitely come to check!

After hearing what Chen Ping said, Sheng Bushi calmed down his aura and asked doubtfully: “Mr. Chen, what on earth is going on?”

Chen Ping told Sheng Bushi exactly what happened!

At this time, Sheng Tiantai also hurriedly stepped forward and said, “Brother, I really don’t want Ye Liancheng to catch you, and I don’t want anything to happen to you.”

Sheng Bushi snorted coldly and just glanced at Sheng Tiantai sideways!

For this younger brother, Sheng Bushi probably won’t be able to forgive him in a short time!

“Master Sheng, no matter how you two brothers are doing now, you can’t do anything here. If you have any matters, you can go back to the Sheng family to take care of things.”

“We now need to help the Ye family break this formation, and then find a way to leave the Ye family.”

“As long as we leave the Ye family, it will be easier!”

Chen Ping followed Sheng Bushi and said!

Sheng Bushi also knew that they were now in a wolf's den, and they might not be able to get out if they were not careful!

What's more, Sheng Jiayue is still in Ye Liancheng's hands. If something happens here in Sheng Bushi, Sheng Jiayue may also die!

"Everything depends on Mr. Chen..."

Sheng Bushi decided to listen to Chen Ping's arrangement!

"Okay, let's break this formation first, and we'll discuss the rest later."

Chen Ping said!

"Mr. Chen, this formation must be broken within three days, otherwise Ye Liancheng will attack my son."

Sheng Bushi said!

"Don't worry, this formation won't take three days. I will be able to break it by tomorrow!"

Chapter: 5825

Chen Ping said with confidence!

Outside the Ye family!

Sheng Jiahui has quietly lurked with the Sheng family!

Bai Qian, Devil Mountain Ghost and the others are all here too!

Now they are waiting for Chen Ping to send a message and then launch an attack!

As long as the Ye family is in chaos, Chen Ping will have a chance to rescue Sheng Bushi from the Ye family!

But after waiting for a whole day, Chen Ping and Sheng Tiantai did not send any messages, and they could not be seen coming out!

“Uncle Long, do you think my second uncle betrayed Mr. Chen?”

Sheng Jiahui was very worried about Chen Ping!

After all, Sheng Tiantai wants to join the Demon Sealing Alliance. If this guy really betrays Chen Ping, then Chen Ping will be in danger!

“Probably not. He was manipulated by Mr. Chen. Doesn’t he also want to die?”

In fact, Long Bo didn’t know what he was thinking, and he couldn’t see through this Sheng Tiantai!

Ji Yun and Bai Qian on the side were also a little anxious at the moment!

It’s been a day and there’s been no movement. This is a little abnormal!

“Mr. Chen is fine. Although there has been no movement all day, there is no smell of fighting in the Ye family. Even if the Ye family finds out Mr. Chen’s identity, Mr. Chen cannot be captured without hesitation.”

Demon Mountain Ghost Elder was very worried when he saw Ji Yun and the others, so he persuaded him!

“Then just wait. If there’s no news tomorrow morning, then we’ll rush in.”

Bai Qian said with worry!

At this moment, Bai Qian no longer regards Chen Ping as a trading partner!

In every marriage with Chen Ping, Bai Qian is invested emotionally and physically and mentally. It is no longer like the beginning, just to merge the blood!

It’s just that Chen Ping doesn’t know that Bai Qian has feelings for him!

Time passes by minute by minute!

The formations that Chen Ping and the others cracked are also slowly disappearing!

In fact, it was only Chen Ping himself who was deciphering the formation, and Sheng Bushi and Sheng Tiantai were just watching!

Chapter: 5826

After a day and a night, the formation was finally broken!

The moment the formation was broken, the entire Ye family was directly enveloped by a mysterious aura!

Immediately afterwards, the water in the holy pool began to boil, and bubbles appeared one after another!

The color has also changed from dark green to clear, but in the clear holy pool, you can’t see anything underwater, as if something is blocking your sight!

Everyone in the Ye family also felt something strange and rushed out of the room one after another!

Ye Liancheng looked in the direction of the holy pool, his face filled with excitement!

“Hahaha, it’s broken, the formation is broken...”

Ye Liancheng laughed, jumped up and disappeared instantly!

When Ye Liancheng appeared in the holy pool and saw the changes in the holy pool, he was so excited that he almost jumped up!

“Master Ye, the formation has been broken...”

Sheng Tiantai stepped forward and said to Ye Liancheng!

“Okay, okay, as expected of the Sheng family, the most proficient family in the entire southern region.”

“The formation was broken in such a short time, so unexpected!”

Ye Liancheng praised Sheng Tiantai!

“Master Ye, the formation has been broken. Do you think you can let my eldest brother and nephew go back to the Sheng family?”

Sheng Tiantai asked impatiently!

As long as Sheng Bushi and Sheng Jiayue return to the Sheng family, he himself will be considered safe. Otherwise, there will always be toxins in his body, and it might break out at any time. Sheng Tiantai is always flustered!

“Second Master Sheng, don’t worry. I told you that as long as the formation is broken, not only will they be let back, but they will also be given generous gifts to your Sheng family.”

Ye Liancheng advised Sheng Tiantai not to be anxious, and then said to the elder of the Ye family: “Elder, go and invite the young master, hurry up...”

The great elder nodded, turned and left!

After a while, the great elder brought a person, but the person was wrapped in a black bag, and his appearance could not be seen clearly!

“Feng’er, the formation of the holy pool has been broken. You can soak in the holy pool as you like. When the time comes, your blood will be reshaped, and you no longer have to live in darkness.”

Ye Liancheng said excitedly!

“Father, I will definitely persist. If I can succeed in training, I will make our Ye family the most powerful family in the entire Southern Territory.”

Chapter: 5827

Ye Feng’s body trembled slightly and he said excitedly!

It can be seen that he has been waiting for this day for a long time!

“Okay, father believes in you, go quickly...”

Ye Liancheng nodded and said!

I saw Ye Feng wearing a black bag and jumping directly into the holy pool!

The tumbling holy pool slowly became calm, and soon the black bag floated on the water, and Ye Feng's body disappeared!

Seeing this scene, Ye Liancheng smiled.

"The great elder guards the holy pool. No one is allowed to enter the holy pool before the young master comes out of the water. Otherwise, he will be shot without mercy..."

Ye Liancheng ordered to the great elder!

"Yes!" The great elder nodded!

"Master Ye, look at us..."

Seeing that Ye Liancheng had finished dealing with it, Sheng Tiantai planned to ask Sheng Bushi about his departure!

"Second Master Sheng, let's go talk in the hall. This is not the place to talk."

Ye Liancheng led Sheng Tiantai and Chen Ping towards the hall!

Sheng Bushi was also following behind, and no one was controlling him, but Sheng Bushi had no intention of escaping, because he knew that there was no way he could escape from the Ye family!

After arriving at the hall, Sheng Tiantai couldn't wait to say: "Master Ye, do you think I can take my eldest brother and nephew back now?"

Ye Liancheng didn't say anything, but someone quickly escorted Sheng Jiayue up!

When Sheng Jiayue saw Sheng Bushi, he immediately asked with concern: "Dad, are you okay?"

“I’m fine...”

When Sheng Bushi saw Sheng Jiayue, his eyes were full of concern!

After all, he is his son, and Sheng Bushi doesn’t want to see Sheng Jiayue suffer!

At this time, Sheng Jiayue saw Sheng Tiantai and Chen Ping, who had transformed into the second elder, and immediately cursed with anger in his eyes: “Sheng Tiantai, you traitor to the Sheng family, the ancestors of the Sheng family will never let you go...”

Sheng Tiantai was not angry, and did not even look at Sheng Jiayue!

“Second Master Sheng, are you not angry at all when you are insulted like this?”

Chapter: 5828

Ye Liancheng looked at Sheng Tiantai playfully and asked!

“Don’t be angry. They are all children. As an elder, I don’t want to be angry with them.”

“Master Ye, I will take him back. When he gets to the Sheng family, I will give him a good education.”

Sheng Tiantai had a smile on his face, and he was really not angry at Sheng Jiayue’s scolding!

“Second Master Sheng, your foundation in the Sheng family is not yet stable. If you put your eldest brother and your nephew back, they will definitely not listen to you. Then won’t the Sheng family be in chaos again?”

Ye Liancheng asked!

When Sheng Tiantai heard this, he had a bad feeling in his heart, so he said, "Master Ye, the entire Sheng family is now under my control. They can't make waves."

"Second Master Sheng, I think I'd better take care of your eldest brother and your nephew for a while. When you are stable in the Sheng family, I will let them go back."

Ye Liancheng said!

Sheng Tiantai was stunned, then frowned slightly and said: "Master Ye, you promised me that after breaking the formation, you would let me take my eldest brother and nephew back."

"But I don't want to let them go now, so what?"

"I advise you to return to the Sheng family as soon as possible and serve the Demon Sealing Alliance well. Don't worry about your eldest brother and your nephew."

Ye Liancheng actually cheated!

Sheng Tiantai was angry and waited for Ye Liancheng to say: "Ye Liancheng, what do you mean? Are you adding insult to injury?"

"I don't mean anything. I just want your Sheng family to serve the Demon Sealing Alliance well. Your benefits will be indispensable when the time comes."

"But if you dare to betray the Demon-Sealing Alliance, then your Sheng family may no longer need to exist!"

Ye Liancheng's face turned cold, and he actually turned against him!

Ye Liancheng turned against him so quickly that even Sheng Tiantai was a little surprised!

The reason why Ye Liancheng keeps asking the Sheng family to join the Demon-Sealing Alliance is just to let the Sheng family help break the formation of the holy pool!

Now that the formation is broken, there is no point for the Sheng family to use it!

So Ye Liancheng no longer has to pretend!

As far as the strength of the Sheng family is concerned, there is no way they can compete with the Ye family!

And now that the Sheng family has joined the Demon-Sealing Alliance and handed over the magic secrets, Ye Liancheng is not afraid of them going back on their word!

“you you.....”

Chapter: 5829

Sheng Tiantai was so angry that he was shaking all over, and his eyes were full of disbelief as he said: “Ye Liancheng, don’t push people too hard. Our Sheng family can completely regret it and not join the Demon Sealing Alliance.”

“Do you dare?” Ye Liancheng smiled coldly: “I have your Sheng family’s magic secrets in my hands, and I even know the location of the Sheng family’s shelter. If you dare to go back on your word, there will be no Sheng family tomorrow. Home.”

“I hope you won’t be impulsive, go back and manage the Sheng family well, and serve the Demon Sealing Alliance. When I need you, don’t let me down.”

Sheng Tiantai gritted his teeth and glared at Ye Liancheng, but there was nothing he could do!

If there was a fight, there was no way he could beat Ye Liancheng!

“I see.....”

Sheng Tiantai sighed helplessly, then turned and walked out!

He was afraid that if the stalemate continued, Ye Liancheng would suddenly detain them, which would cause trouble!

Chen Ping walked out immediately behind Sheng Tiantai, but on the way out, he made eye contact with Sheng Bushi!

After walking out of Ye's house, Sheng Tiantai shouted loudly: "Ah..."

He didn't expect that after he tried his best to join the Demon-Sealing Alliance and lead the Sheng family to prosperity, he would end up with such humiliation!

"Before you have no strength, do you think it is possible to climb higher on the shoulders of others?"

"The Ye family is just using you. Now that they have finished using you, they can eat you at any time."

Chen Ping looked at the furious Sheng Tiantai and said calmly!

Sheng Tiantai looked embarrassed and said nothing!

Now he finally knows how stupid he is for still wanting to rely on the power of the Demon Sealing Alliance to make the Sheng family prosperous!

Just when Chen Ping and Sheng Tiantai walked out of Yecheng, they saw Sheng Jiahui leading people, preparing to rush into Yecheng!

It's been such a long time and I haven't seen them come out yet, so I'm all anxious!

“Mr. Chen, you have finally come out. We are planning to rush in to save people.”

Sheng Jiahui saw Chen Ping coming out, so she said happily!

“Chen Ping, how are you? Have you seen Master Sheng?”

Bai Qian stepped forward and asked!

“See you!” Chen Ping nodded!

“Mr. Chen, is my dad okay? Where is my brother?”

Upon hearing this, Sheng Jiahui asked anxiously!

“Everything is fine, but Ye Liancheng doesn’t intend to let Master Sheng go. It seems we have no choice but to attack by force.”

Chen Ping said helplessly!

If Sheng Bushi and Sheng Jiayue can be taken out of the Ye family first, there will be no problem!

If they attack by force now, while Sheng Bushi and his son are still in the opponent’s hands, they will definitely be restrained.

But the look Chen Ping gave Sheng Bushi when he left, he hoped Sheng Bushi could understand what it meant!

The Sheng family itself is weak, even if Chen Ping and others are added, there is no absolute certainty!

If the other party is threatening Sheng Bushi, it will be very troublesome!

“Mr. Chen, please speak. We in the Sheng family are ready to fight to the death.”

“If we can’t save the head of the family, there’s no point in living for us Sheng family members!”

“We are not afraid of death, we will fight with the Ye family!”

Long Bo said with a murderous look!

“Fight, fight...”

Everyone in the Sheng family raised their arms. Although they were not as powerful as the Ye family, no one from the Ye family backed down!

Chapter: 5830

Chen Ping felt deeply when he saw the Sheng family’s high fighting spirit!

This proves that Sheng Bushi is very popular in the Sheng family!

“Although you have high fighting spirit, you don’t even have a treasure. How can you fight with your fists?”

Bai Qian looked at the Sheng family and asked!

The Sheng family all practices magic and talismans, so few people have treasures or magic weapons in their hands!

But this time, they are the attacking side, and using formation talismans is not very suitable!

“Even with a pair of fists, we will fight to the death with the Ye family.”

Long Bo clenched his fists and said!

“I also have some magical weapons here. You guys should choose some that you can take advantage of!”

Chen Ping said, and took out a large number of magic weapons directly from the storage ring!

Many of these were obtained from the battlefield of gods and demons.

Looking at the magical weapons, everyone in the Sheng family was stunned!

“Mr. Chen, you actually have so many treasures on your body. These are all priceless!”

Sheng Jiahui looked at those magical weapons and said with great envy!

“Although these magical weapons are good, they are of no use in my hands. You should choose for yourself!”

Chen Ping smiled slightly!

Soon, everyone in the Sheng family began to choose!

Chen Ping watched from the side. He had the dragon-slaying sword, dragon-marked bell, and magic whip in his hand. They were all very powerful weapons, so Chen Ping didn't need other magical weapons!

Moreover, these magical weapons have experienced thousands of years of erosion by the sun and the moon, and have long lost their initial power!

But even so, if the Sheng family has this magical weapon in their hands, it will increase their strength a lot!

Everyone in the Sheng family has chosen someone who can take advantage of them!

Chen Ping took out some more pills, which can save lives at critical moments!

After all, it is impossible for Chen Ping to be able to treat the injured Sheng family anytime and anywhere!

It would also be beneficial for these people to prepare some elixirs!
