

The Order 5831

Chapter: 5831

Everything is ready, and everyone in the Sheng family is more confident!

“Today we are going to fight to the death with the Ye family. Even if we die, we have to have someone to support us.”

“We will never survive in this world unless we rescue the master of the family. We will fight hard.”

“Even if I finally self-destruct and will never be reincarnated, I will never compromise.”

The Sheng family roared angrily.

“Chen Ping, I...I also want to help the Sheng family. Can you undo the poison in my body?”

Sheng Tiantai seemed to be infected by everyone in the Sheng family, and asked Chen Ping excitedly!

“Mr. Chen, absolutely must not, absolutely cannot detoxify.”

Sheng Jiahui doesn't believe her second uncle at all now!

“Mr. Chen, this Sheng Tiantai has betrayed his trust and ancestors. His words cannot be believed.”

Long Bo also blocked Chen Ping!

There is poison in Sheng Tiantai's body now, and he doesn't dare to act rashly. If the poison is detoxified for him, who knows what will happen!

Sheng Tiantai's face was red with embarrassment, but he looked at Chen Ping with firm eyes: "I will never do anything to disgrace the Sheng family. Now that the Ye family dares to play tricks on me, I will fight with them!"

"Believe me, I will never betray my family..."

Chen Ping looked at Sheng Tiantai, casually took out a pill and handed it over: "This is an antidote. If you take it, it will automatically detoxify."

"No one will control you anymore, just take care of yourself..."

Sheng Tiantai swallowed the detoxification pill in one gulp and said with anger in his eyes: "I will go to Ye's house now to fight and treat me like a dog. I will never be able to swallow that breath."

After Sheng Tiantai finished speaking, he took the lead and rushed towards the Ye family!

When Chen Ping and the others saw this, they rushed towards the Ye family!

In this battle, Chen Ping knew that many people would die!

However, there is no timidity or cowardice at all on the faces of those Sheng family members!

Even if they face a powerful family like the Ye family, the Sheng family will never back down!

Dozens of figures were heading towards the Ye family!

The Ye family also noticed that someone was intruding, and rushed out one after another, holding various magic weapons to greet him!

Chapter: 5832

Chen Ping was wearing a golden body, and the dragon-slaying sword in his hand was emitting bursts of golden light!

And from behind Chen Ping, dragon roars sounded from time to time!

Seeing the Ye family members rushing out to stop him, Chen Ping slashed out with his sword!

Everyone else also fired out their spiritual power one after another, blasting towards the Ye family!

Swish, brush, brush...

Chen Ping's Dragon-Slaying Sword struck out several swords in a row!

The sword energy turned into roaring golden dragons and rushed towards the crowd of the Ye family!

Chen Ping was desperate. He knew that by taking the initiative immediately, the Sheng family might still have a chance of winning!

Many people in the Ye family had no time to react, and were all killed on the spot by Chen Ping's sword energy!

Seeing how brave Chen Ping was, the others showed no sign of weakness!

Especially Bai Qian, Devil Mountain Ghost Lao, Luo Shouhai and others, these people are all great monks in the seventh and eighth levels of the Tribulation Realm. It is easy to kill ordinary disciples of the Ye family!

And Sheng Tiantai, as if to forgive his sin, held a snake-shaped sword in his hand and slashed at the Ye family!

It's as if it was made for the Sheng family!

Because Chen Ping and others suddenly attacked, the Ye family was unprepared, and more than ten people died in the first wave of attacks!

However, the Ye family is also powerful. The eldest elder of the Ye family hurried over with his people and then joined the battle group!

There are many people in the Ye family, and they are fighting in the Ye family. The Ye family has a lot of initiative this time!

With the addition of the eldest elder of the Ye family, Chen Ping and the others gradually lost their advantage!

“Mr. Chen, we will fight with the Ye family, you should save my father first!”

Sheng Jiahui said to Chen Ping!

“Yes, go save my elder brother first...” Sheng Tiantai also said to Chen Ping!

Chen Ping nodded and then went straight to the Ye family’s backyard!

Bai Qian and Moshan Guilao saw this and hurriedly followed him. They were afraid that Chen Ping would fall into trouble at Ye’s house!

After all, Ye Liancheng has cooperated with the Demon Sealing Alliance for many years, and his strength has reached the ninth level of the Tribulation Realm!

This is not something Chen Ping can handle!

Chapter: 5833

Sheng Jiahui and Long Bo were desperately fighting with the Ye family. They wanted to hold these people back and give Chen Ping a chance to save Sheng Bushi!

Sheng Tiantai also tried his best to vent his anger on those Ye family members!

Originally, he planned to join the Demon Sealing Alliance so that the Sheng family could prosper, but now the Ye family has never looked at them at all!

They are just using them to prosper the family. After using them, they can be used like dogs!

“Chen Ping, do you know where the leader of the Sheng family is?”

Bai Qian asked Chen Ping!

“If Master Sheng understands what I mean, I will know where he is...”

Chen Ping’s spiritual consciousness spread out and headed towards the Ye family’s backyard to investigate!

Chen Ping’s wink at that time was just to let Sheng Bushi secretly set up a tiny spirit gathering array where he was imprisoned!

In this way, it is not easy for others to notice, but Chen Ping can use his spiritual sense to detect where Sheng Bushi is being held based on the gathering of spiritual energy!

But as soon as Chen Ping’s consciousness dispersed, his expression changed instantly!

Because he felt that there were three terrifying auras coming quickly from the Ye family’s backyard!

As the void trembled, three figures appeared in front of Chen Ping and the others!

The three of them were all covered in black robes, and it was obvious that they were demon cultivators!

The Ye family is the branch of the Demon Sealing Alliance, so it's not surprising that there are demon cultivators here!

After all, the Demon Sealing Alliance has always been secretly linked to the demon cultivators!

The three demon cultivators exude a dangerous aura!

"Mr. Chen, these three people are from the flame demon lineage, and I am familiar with their auras!"

At this time, Zhe Yan said in his mind!

After hearing this, Chen Ping couldn't help but frown. He didn't expect that the Flame Demon lineage would also appear in the Southern Territory!

At that time, he was a demon cultivator from the Balrog lineage that he encountered in the far north!

"I don't think you are a demon like us, get out of here right now, I can spare your life!"

One of the three demon cultivators looked at the Demon Mountain Ghost Elder and said coldly!

After hearing this, the Devil Mountain Ghost immediately sneered and said: "Bah, who the hell do you think you are? Spare my life."

Chapter: 5834

"Don't ask around the Tianmo Mountain area for the name of my Demon Mountain Ghost Elder!"

Devil Mountain Ghost hopes to scare these three people away by relying on his reputation!

After all, they are here to save people. It would be great if these three guys were scared away!

But who would have thought that when Demon Mountain Ghost Lao reported his name, the other party gave him a cold smile: "What the hell is Demon Mountain Ghost Lao, we don't know."

"Stop talking nonsense and take action..."

Chen Ping knew that the more time was wasted, the worse it would be for them!

"Mr. Chen, you go rescue people. Just leave these three guys to the two of us."

Devil Mountain Ghost Lao said!

He had just experienced the Demon Tribulation Cloud, and his strength had grown rapidly, and he was also able to fight across levels, so the Demon Mountain Ghost always wanted to fight two with one man!

"Let's go together. It's best if we can fight quickly. If not, you can hold each other back. I have a way to escape."

Chen Ping said to the Devil Mountain Ghost Old Man!

"Understood!" Old Devil Mountain Ghost nodded!

"You have to be careful!" Chen Ping looked at Bai Qian and warned him!

Bai Qian felt Chen Ping's concern and was a little stunned for a moment. This guy had never cared about her before!

Always use yourself as a bodyguard!

In fact, Chen Ping is not hard-hearted. Even if Bai Qian married him, it was to optimize his bloodline, but after all, it took so long!

Chen Ping's feelings towards Bai Qian are also slowly changing!

This may be the so-called sleeping out of feelings!

“Be careful yourself. If you are at the first level of the Tribulation Realm, you will always encounter these great monks who are at the seventh or eighth level of the Tribulation Realm. It will be difficult for you.”

Bai Qian smiled lightly and said!

“Don't worry, I'll whip the magic whip again...”

Chen Ping took out the magic whip, then flicked it in the air, and there was a crisp sound!

Seeing the magic whip in Chen Ping's hand, the three demon cultivators were obviously startled, and then one of them said: “I didn't expect that the magic whip of the ancient body refining clan would be in your hands, and I just happened to take the whip away today... ..”

After saying that, the auras in the bodies of the three demon cultivators exploded instantly, like rolling waves, constantly surging!

Chapter: 5835

There are dark clouds in the sky, lightning and thunder!

The three demon cultivators took action without hesitation!

In an instant, the sound of fighting resounded throughout the sky!

One of the demon cultivators faced Chen Ping and said with a mocking look on his face: “Boy, hand over the magic whip and I can make your death easier.”

“You, a little monk at the first level of the Tribulation Realm, dare to compete with me at the seventh level of the Tribulation Realm?”

“I can beat ten of you, believe it or not?”

That demon cultivator didn’t take Chen Ping seriously at all!

After all, the higher the level of cultivation, the greater the gap between each small level!

What’s more, the difference between Chen Ping and the other party is six small realms, which can be crushed with one finger!

“Ten? You beat me first and then talk...”

Chen Ping smiled coldly!

“Okay, since you are looking for death, I will help you...”

After saying that, a ball of supreme fire ignited in the hands of the demon cultivator, and then the ball of supreme fire turned into a fiery red spiritual sword!

“I’ll kill you with one sword, and I’m taking your magic whip!”

After the demon cultivator finished speaking, he suddenly jumped up!

The long sword in his hand burst into a red flame!

This flame came towards Chen Ping with a hot breath!

When Chen Ping saw this, he instantly pulled out the magic whip in his hand!

Snap!

The flame was directly cut off, but its power remained unabated and it was still heading towards Chen Ping!

boom!

Chen Ping was hit by the flames and his body flew backwards!

Fortunately, Chen Ping has an indestructible golden body and did not suffer much damage!

Chen Ping retreated, then turned and ran to one side!

Chapter: 5836

Chen Ping knows that if he fights with the opponent's seventh-level monk in the Tribulation Realm, if he doesn't use some strategy, Chen Ping has no chance of winning!

Even if Chen Ping is extremely talented, it is a fantasy to think that he can defeat the seventh level of the Tribulation Realm by relying on the first level of the Tribulation Realm!

After all, the difference is huge!

Chen Ping ran quickly, but the demon cultivator thought Chen Ping was going to escape.

"What a good boy, you do have some skills. You were hit by me, but you still had the strength to run away!"

“But no matter how you try to escape, it’s all in vain!”

The demon cultivator sneered and immediately chased after him!

Chen Ping used the Fire Control Step, and balls of flames rose up under his feet. Although he hadn’t fully understood it yet, his speed was indeed much faster!

“I didn’t expect you to be able to play with fire, so today I will compete with you on who has the best fire!”

Tell me, that demon cultivator instantly threw a ball of fire!

The fireball caught up with Chen Ping at an extremely fast speed, and then exploded above Chen Ping’s head!

A large amount of flames directly covered Chen Ping!

Seeing Chen Ping immersed in flames, the demon cultivator burst out laughing!

“Haha, it doesn’t feel good to be burned by burning fire. Now give me the magic whip. I can save you from the punishment of burning your body by burning fire.”

The demon cultivator laughed and looked at Chen Ping struggling in the fire with amusement!

Soon, there was no movement from Chen Ping. When the demon cultivator saw this, he waved his hand, and the blazing flames disappeared instantly.

But after the flames disappeared, they were surprised to find that Chen Ping was standing intact!

And around Chen Ping's body, there was a faint blue flame beating, seemingly protecting Chen Ping!

Seeing this scene, the demon cultivator's eyes widened instantly, his face full of disbelief!

"You...you actually have ultimate fire? Where did your ultimate fire come from?"

The demon cultivator asked Chen Ping!

"Why should I tell you, you are nothing."

"Your demon's supreme fire will not work when it encounters my supreme fire, and it will not be able to harm me at all."

Chen Ping raised the corner of his mouth and said!

Chapter: 5837

"Boy, since you are so arrogant, let's see who is more powerful, your Ultimate Fire or mine!"

The demonic cultivator waved his palms, and two flaming red flames quickly climbed into the air!

Then it exploded like fireworks, and then the two fireworks merged together and fell rapidly from the mid-air!

Just when the fireworks were falling and Chen Ping was attracted by the fireworks in the sky, several flames appeared from around Chen Ping's feet!

Soon a flame cage appeared, trapping Chen Ping inside!

At this time, the fireworks in the sky fell, and their power was even greater than before!

Chen Ping was trapped in the fireworks cage and had no way to break free!

“I don’t believe you can survive being trapped here!”

The demon cultivator snorted coldly and watched Chen Ping being burned!

Chen Pingping faced the raging fire. Instead of being afraid, the corners of his mouth actually raised and he laughed!

In fact, Chen Ping was just irritating this guy!

Only if this guy brings the Ultimate Fire to the extreme can Chen Ping absorb the opponent’s Ultimate Fire!

I saw the origin star of fire in Chen Ping’s body begin to flicker, and streams of suction force emanated from the origin star!

Those blazing fires are being absorbed by the suction force!

Soon, the flames became smaller and smaller, and finally even the flame cage disappeared!

The demon cultivator looked incredible!

He didn’t recall the Supreme Fire, but the Supreme Fire disappeared?

This sudden change made him stunned for a moment!

Chen Ping took the opportunity to whip him!

The demon cultivator came to his senses and wanted to dodge, but found that it was too late!

He was not prepared at all, and he never expected that Chen Ping could escape from this flame prison!

Snapped!

The demon whip hit the demon cultivator hard!

With a scream, the demon cultivator's body flew out instantly!

His expression became extremely painful!

Chapter: 5838

The demonic whip was a direct lash to the demonic cultivator's spiritual consciousness, so the demonic cultivator only felt waves of stinging pain in his brain!

Seeing that the demon cultivator was temporarily shaken by the whip, Chen Ping took out the Dragon-Slaying Sword!

The dragon-slaying sword is in hand, emitting golden light!

The golden brilliance spread instantly!

Chen Ping still knew that it would kill him while he was sick!

Chen Ping doesn't care about fairness and justice when dealing with this kind of demonic cultivator!

Rays of golden sword light immediately headed towards the demon cultivator!

"Boy, do you think you can defeat me with the magic whip?"

The demonic cultivator roared angrily, and his whole body burned with flames!

Soon, the demon cultivator turned into a ball of fire and came directly towards Chen Ping's sword light!

Chen Ping frowned slightly. It seemed that with his first-level strength in the Tribulation Realm, even if he had divine weapons in his hands, it would be almost impossible to kill a seventh-level Tribulation Realm monk!

After all, the difference in strength is too huge. These seventh-level monks in the Tribulation Realm don't even take him seriously!

Boom boom boom.....

Along with the explosions, the sword light swung by Chen Ping violently collided with the demon cultivator!

The flames around the demonic cultivator were like a shield, blocking all the sword light!

Chen Ping looked at the demon cultivator, who turned into a ball of flame and started to retreat with the dragon-slaying sword in his hand!

"Chen Ping..."

Bai Qian was shocked when she saw this, but she was entangled by a demon cultivator and couldn't get away to save Chen Ping!

Seeing that Chen Ping was about to be hit hard!

Suddenly there was a scream!

For a moment, Chen Ping and the demon cultivator were both stunned!

Then the two of them looked over and found that Demon Mountain Ghost Elder had slapped the demon cultivator who was facing him on the head with one palm!

“How is it possible? It’s also the seventh level of the Tribulation Realm. How can it have such strength?”

The remaining two demon cultivators were all shocked!

Chapter: 5839

They are all at the seventh level of the Tribulation Realm, and so is the Demon Mountain Ghost Elder!

But just now they were fighting, and someone on his side was slapped in the head by the Demon Mountain Ghost!

This is too outrageous!

These demon cultivators simply don’t know that Demon Mountain Ghost Elder has survived the demonic calamity cloud. Although they are both at the seventh level of the calamity-transcending realm, their real strength is much stronger than them.

“If you dare to be disrespectful to Mr. Chen, I will kill you!”

After killing the demon cultivator, Demon Mountain Ghost Lao went straight to the demon cultivator who was fighting with Chen Ping!

The demon cultivator was shocked and hurriedly waved out a flame!

The old Demon Mountain Ghost waved his palms, and the flame was directly defeated. The endless strong wind rose up and directly extinguished the flame burning on the demon cultivator!

“Mr. Chen, go and save people, leave this place to me...”

Devil Mountain Ghost said to Chen Ping!

Chen Ping nodded, he knew the strength of Demon Mountain Ghost Elder, and these demon cultivators were no match for him at all!

His consciousness dispersed, and Chen Ping quickly found the place where Sheng Bushi was being held!

Then he quickly headed towards the place where Sheng Bushi was imprisoned!

The remaining two demon cultivators simply couldn't use their hands to stop Chen Ping!

Soon, Chen Ping came to a stone house, opened the ban on the stone house, and then released Sheng Bushi and Sheng Jiayue!

“Mr. Chen...”

Seeing Chen Ping, Sheng Bushi's face was full of excitement!

Fortunately, he understood the look in Chen Ping's eyes before leaving, and Chen Ping quickly found the place where he was being held!

“Master Sheng, please go to the front yard to help. The Sheng family and the Ye family are already fighting. You go over to gain more strength!”

“You can fight and retreat at the same time. Don't continue to entangle with the Ye family.”

Chen Ping said to Sheng Bushi!

Chen Ping knew that the Sheng family was much weaker than the Ye family, and if they continued to fight for a long time, they would definitely lose!

When Sheng Bushi heard that the entire Sheng family dared to attack the Ye family in order to save themselves, he was immediately moved!

“Okay, I’ll be there right away.” Sheng Bushi nodded, and then asked Chen Ping, “Mr. Chen, where are you going?”

Chapter: 5840

Chen Ping glanced in the direction of the holy pool, showed a sneer and said: “I want to go to the Ye family’s holy pool to see...”

“Mr. Chen, Ye Liancheng will definitely be guarding the holy pool. If you go by yourself, I’m afraid...”

Although Sheng Bushi knew that Chen Ping could leapfrog and fight!

But Ye Liancheng has the strength of the ninth level of the Tribulation Realm, and even if Chen Ping can fight beyond the level, he cannot be the opponent of the ninth level monk of the Tribulation Realm!

“Don’t worry, I’m measured!”

Chen Ping said with a faint smile!

Seeing that Chen Ping was very confident, Sheng Bushi said nothing more!

“Take care, Mr. Chen. This kindness will never be forgotten by our Sheng family!”

Sheng Bushi said very gratefully!

“Master Sheng, you’re welcome. Don’t forget to leave the Ye family as soon as possible. If the fight continues for a long time, you may not be able to leave.”

Chen Ping warned Sheng Bushi again!

Sheng Bushi nodded, and then ran towards the front yard with Sheng Jiayue!

Chen Ping, without any hesitation, headed towards the Ye family’s holy pool!

At this time, Ye Liancheng was at the edge of the holy pool, waiting quietly!

Around the holy pool, a vague transparent light shield kept flashing!

This is also a simple magic circle set up by Ye Liancheng to prevent anyone from entering the holy pool by mistake!

This formation can block out all the breath and sounds outside!

Ye Liancheng did this because he was afraid that someone would disturb his son!

And on the other side of the holy pool, several Ye family members are constantly throwing various rare treasures into the holy pool. Ye Liancheng wants to make the water in the holy pool more full of aura!

With the throwing in of various rare treasures and various immortal herbs, the water in the holy pool became clearer and clearer, and the entire water surface was like a mirror!

“Feng’er, father has placed all his hopes on you, you can’t let me down!”

Ye Liancheng stared at the holy pool.

boom.....

Suddenly, there was an explosion, and the shields around the holy pool disappeared in an instant!
